Consideration of the Agenda

Old Business

1. 2374 South Tongass Highway

Background: Mayor Seludo will provide an update on the 2374 South Tongass Highway item.

New Business

2. Parks and Memorial Committee

Background: The City Administrator will present: The President from OVS asked if the City Council would consider a columbarium. Though technically not a mausoleum, a columbarium serves a similar function. It too is a free-standing structure in a cemetery, but instead of sheltering crypts for caskets, it provides wall spaces for cremated remains. The wall spaces are called "niches," each of which holds an urn containing remains.

Additionally the Administrator would like the Council to consider a veterans memorial, a city park and commissioning a statue/fountain for Totem Park. The Clerk has attached a couple examples.

The Administrator is asking for the formation of a Parks and Memorial Committee and consider representation from OVS and the CDC.

3. Offer to buy City of Saxman land

Background: Mr. and Mrs. Gubatayo submitted an offer to purchase land to the Saxman City Council.
