Public Comment

Consideration of the Agenda

Old Business

1. Free Rental for NA/AA meetings and programs

Background: There was a request from a local coordinator for Narcotics Anonymous to use the Community Center to host meetings. Free rentals are a part of the COS Ordinance so if the council approves of this use use being rent free there would need to be an Ordinance Amendment. A sample is included.

The Council asked the Clerk to revise this ordinance and bring back to the committee for approval.

Staff Motion Recommendation: "I move to recommend to amend the free rental ordinance to include Alcoholics Anonymous and Narcotic Anonymous and the associate groups such as Alanon."
