Mayor Seludo mentioned that this property may be an option for the City of Saxman to purchase. He presented a brief verbal report on this matter.

Discussion

This was brought up as an option and as a heads up to the Council. The accountant is working on getting more information on what the payments would be like for this purchase. This will be brought back to Finance and the next Finance meeting to present the numbers and move forward from there.

Mayor Seludo recommends we get our own appraisal and compare it with the current homeowners' appraisal prior to any final decisions.
