AGENDA ITEM MEMORANDUM

DATE: 8-18-25

TO: Public Works Committee

FROM: Joel Kolste – Deputy Director of Field Operations

SUBJECT: Resolution 84-25-26 – A resolution authorizing the Purchasing Agent to issue a purchase order for two (2) Tri-Axle Dump Trucks with snowplows and salt spreaders for the Motor Vehicle Division of the Department of Public Works.

ISSUE

Should the Public Works Committee recommend approval of the resolution to purchase two Tri-Axle Dump Trucks with salting and snow plowing equipment to replace two existing Tri-Axle Dump Trucks (2007, 2009) currently in use by the Department of Public Works.

STAFF RECOMMENDATION

Staff recommends approval of the resolution in order to follow the Fleet Divisions Equipment Replacement Schedule as approved in the 2025 Capital Improvement Plan.

Considering the fact Common Council has not yet adopted the 2026 Budget, it is important to note that should the expenditure not be adopted, the City could cancel the orders. Following receipt of these vehicles in early 2027, the vehicles they are replacing will be sent to public auction.

BACKGROUND / DISCUSSION

The Department of Public Works Motor Vehicle Division included the purchase of (2) Tri-Axle Dump Trucks equipped with snowplows and V-Box salt spreaders in the 2026 Budget Request. The vehicles to be purchased will require two purchase orders. One order will cover the purchase of the two chassis and a second purchase order for the dump bodies, snowplows and ice control equipment, as well as lighting and ancillary equipment. The trucks to be purchased are the same make and model as many other trucks in the existing fleet for standardization.

The chassis dealer, Truck Country of Wisconsin, has a State of Wisconsin contract for the purchase of the chassis. The body and equipment dealer, Monroe Truck Equipment, located in De Pere Wisconsin, utilize a Sourcwell contract for the purchase.

Lead times remain considerable for these vehicles and equipment; therefore, it is prudent to enter our orders as soon as possible.

Unit #49 Replacement – V-Box Salter with Double Wing				
Vendor	Manufacturer	State of WI Contract	Sourcwell Contract	Cost
Truck Country	Freightliner	\$159,818.00		\$ 159,818.00
Monroe Truck	Monroe		\$ 275,749.00	\$ 275,749.00

FUNDING IMPACT

The funding source for this purchase is through the Motor Vehicle Fund – Machinery / Equipment (Account # 730399-651200) as identified in the 2025 – 2029 Capital Improvement Plan.

IF APPROVED, NEXT STEPS:

Following Council approval, Department of Public Works staff will issue purchase orders for two (2) Tri-Axle Dump Trucks with snowplows and salt spreaders for the Motor Vehicle Division of the Department of Public Works.

**CITY OF SHEBOYGAN
RESOLUTION 84-25-26**

BY ALDERPERSONS DEKKER AND RUST.

AUGUST 25, 2025.

A RESOLUTION authorizing the Purchasing Agent to issue a purchase order for two (2) Tri-Axle Dump Trucks with snowplows and salt spreaders for the Motor Vehicle Division of the Department of Public Works.

WHEREAS, with continued supply chain delays in heavy truck production, the manufacturers continue to experience long lead times and order backlogs. As such, it would be prudent for the City to place their order for heavy trucks and equipment prior to the new year; and

WHEREAS, funding for the purchase of two (2) Tri-Axle Dump Trucks equipped with snow removal and ice control equipment will be included in the 2026 budget request and a pre-order of the vehicles now will not result in the City taking receipt of the vehicles or paying for them until 2026; and

WHEREAS, State law and the City's procurement Policy allows the City to join with other units of government in cooperative purchasing plans when the best interest of the City would be served; and

WHEREAS, Sourcewell is a cooperative purchasing consortium which offers contracts to its members based upon competitive bids and, as a member, the City of Sheboygan may take advantage of competitive, pre-negotiated prices; and

WHEREAS, the purchase of vehicles and vehicle equipment is not subject to Wisconsin's public construction laws such that utilization of the Sourcewell contract is viable for the City of Sheboygan; and

WHEREAS, having reviewed State of WI Contract #505ENT-M23-MDHDDCHASSIS-00 with Truck Country Inc. for the chassis, and Sourcewell contract #062222-AEB-1 with Monroe Truck Equipment for the truck bodies, plows and ice equipment, City staff believes, and Council agrees that this is the best procurement method for this purchase.

WHEREAS, should the final budget request for 2025 Capital Improvements for the Motor Vehicle Department fail to garner approvals, the orders can still be cancelled; and

WHEREAS, once the vehicles have been received, the vehicles that are being replaced will be put to public auction.

NOW, THEREFORE, BE IT RESOLVED: The Purchasing Agent is authorized to issue 1) a Purchase Order to Truck Country of Wisconsin, Inc. for the purchase of two Freightliner truck chassis at a total cost of \$319,699.00 including license and title fees, and 2) a Purchase Order to Monroe Truck Equipment, Inc. in the amount of \$521,787.00 for the provision and installation of dump bodies, snowplows and ice control equipment.

BE IT FURTHER RESOLVED: That, if the 2026 budget is approved to include this purchase, the appropriate City officials are hereby authorized to draw funds in the amount of \$841,486.00, which includes license and title fees, from Account No. 730399-651200 (Motor Vehicle Fund – Machinery / Equipment) for the purchase of the trucks, equipment, and their associated license and title fees. If the 2026 Budget is not approved to include this purchase, staff may either submit a separate budget amendment request to Council or may cancel the purchase.

**** NOTICE: We are closely monitoring the tariff situation very carefully. Aebl Schmidt North America and its Monroe brand manufacture products in the United States, so the direct impact of current tariffs will be moderate. Although we make significant efforts to source components domestically, this is not always feasible. At this time, we cannot predict the potential cost increases that may arise through our supply chain or from further tariffs. We understand that this may raise concerns, and we want to assure you that we are working hard to minimize any impact on our customers and if cost increases need to be applied to existing or future orders, we will discuss these changes with our customers upfront.**

1. SCOPE AND VALIDITY

1.1. These General Terms and Conditions for the Sale of Goods (these "Terms") govern the sale and delivery of all goods and products (the "Products"), and all transactions incidental thereto, by such subsidiary of ASH North America, Inc. identified on the respective Con-firmed Order (as defined below) as the seller or supplier ("Seller") to any of its customers (each a "Customer"). The liability of each such subsidiary under these Terms or any Confirmed Order shall be several and not joint. Customer acknowledges and agrees that nothing in these Terms or any Confirmed Order shall be construed as implying joint liability in any case of ASH North America, Inc. or any of its subsidiaries. Each Seller shall be solely responsible for its own acts or omissions under the respective agreement with Customer.

1.2. No other terms or conditions shall be of any force or effect unless otherwise specifically agreed upon by Seller in a writing duly executed by an authorized officer of Seller. These Terms supersede any and all prior oral quotations, communications, agreements, or understandings of the parties in respect to the sale and delivery of the Products. The Seller may issue additional Terms and Conditions of Sale for certain products. These shall apply in addition to the present Terms. Any additional or different terms or conditions contained in Customer's Order (as defined below), response to Seller's confirmation, or any other form or document supplied by Customer are hereby expressly rejected and are rendered null, void, and of no effect. These Terms may not be modified, amended, waived, superseded, or rescinded, except by written agreement signed by an authorized officer of Seller. Delivery of the Products by Seller does not constitute acceptance of any of Customer's terms and conditions and do not serve to modify or amend these Terms.

1.3. The issuance of an Order (as defined below) by Customer to Seller or any communication or conduct of Customer which confirms an agreement for the delivery of Products by Seller, as well as acceptance in whole or in part by Customer of any delivery of Products by Seller, shall be construed as Customer's acceptance of these Terms.

2. OFFERS, ORDERS AND CONFIRMATION

2.1. Unless otherwise specified by Seller in writing, all offers made by Seller are not binding and may be revoked by Seller at any time without any liability to Customer.

2.2. Customer shall issue to Seller orders for the purchase of Products, in written form via the order process determined by Seller from time to time (each, an "Order"). By issuing an Order to Seller, Customer makes an offer to purchase the Products pursuant to these Terms and the terms set forth on such Order. Provided that the Order contains the same terms as in Seller's corresponding offer, the Order shall be binding on Customer for six (6) weeks after Seller's receipt of such Order.

2.3. Seller may refuse an Order for any or no reason. No Order is binding upon Seller until Seller's acceptance of the Order in writing, the issuance of any governmental permit, license, or authority to Seller, as may be required under applicable laws, rules and regulations, and the receipt by Seller of a resale license to be provided by Customer (a "Confirmed Order").

2.4. Specifications and other information on drawings, data sheets, pictures, plans, brochures, catalogs, or Seller's website shall not be binding on Seller unless such specifications and information have been agreed to in writing by Seller in a Confirmed Order. Notwithstanding a Confirmed Order, Seller shall have no obligation to deliver Products to Customer or otherwise fulfill any of its obligations set forth in a Confirmed Order if Customer is in breach of any of its obligations hereunder or any Confirmed Order.

2.5. Customer may submit to Seller written requests to change the terms of a Confirmed Order (each such request, a "Change Order Request"). Seller may, at its sole discretion, consider such Change Order Request, provided that Seller will have no obligation to perform any Change Order Request unless and until Seller has agreed in writing to adopt such Change Order Request. If Seller elects to consider such a Change Order Request, then Seller shall promptly notify Customer of any adjustment to the applicable purchase price for the Products.

2.6. In the event Customer cancels any Confirmed Order for any reason, Customer shall reimburse to Seller all of Seller's costs and expenses associated with or incurred due to such cancellation, including but not limited to the cost of raw materials, labor, and storage if cancellation occurs before Seller's commencement of production. In the event Customer cancels any Confirmed Order for any reason and Seller has started the production of the Product on the respective Confirmed Order, Customer shall pay to Seller the full purchase price.

2.7. Each Confirmed Order shall be considered a separate agreement between the parties, and any failure to deliver the Products under any Confirmed Order shall have no consequences for other deliveries of Products.

3. PRICES

3.1. Unless otherwise agreed to by the parties in the applicable Confirmed Order, the prices of the Products shall be FCA (agreed de-livery location on the applicable Confirmed Order), Incoterms 2022.

3.2. Unless otherwise agreed by the parties in a Confirmed Order, the price of the Products shall not include transportation, insurance, packaging, and Tooling (as defined below) and other materials used for the manufacturing and delivery, sales or Heavy Vehicle Use Tax (HVUT), other use tax or any other similar applicable federal, state or foreign taxes, duties, levies, or charges in any jurisdiction in connection with the sale or delivery of the Products ("Taxes"). Such Taxes shall be payable by Customer, and if Seller is responsible for the collection thereof, such Taxes shall either be added to the price invoiced or be separately invoiced by Seller to Customer. Any special requests concerning shipping, transportation, and insurance shall be communicated to Seller in a timely manner and subject to Seller's prior written approval. Customer shall bear all costs resulting from such requests.

In case of lead delivery times of more than two (2) months, Customer hereby acknowledges and agrees that Seller, may, at its sole discretion, increase or decrease the agreed prices on any Confirmed Order in the event of material price changes in wages, materials, energy or raw material after the date of the Confirmed Order.

4. PAYMENT TERMS

4.1. Except as set forth in Section 4.2 or unless otherwise agreed in writing by Seller, the purchase price for the Products and all other amounts due under a Confirmed Order shall be due and payable in US dollars within thirty (30) days following the date of Seller's invoice for such Products without any discount, deduction or offset whatsoever. In no event shall any loss, damage, injury or destruction, Force Majeure (as defined below), or any other event beyond Customer's control re-lease Customer from its obligation to make the payments required herein. Payment of all amounts due hereunder shall be made by bank transfer or in any other manner set forth on Seller's invoice. Customer shall be solely responsible for any bank fees, or other fees, incurred due to the wire transfer or any other selected payment method. If Seller agrees to payment by credit card, Seller shall charge an appropriate transaction fee, which the Customer shall also pay.

4.2. In the event Seller becomes aware of circumstances or has reason to believe that there are circumstances that may have an adverse effect on Customer's financial condition, Seller may require the Customer to pay the total amount of the purchase price or fees, or a portion thereof prior to the delivery of the Products. Seller may, without any liability to Customer, refuse the delivery of any Product in the event the Customer fails to make the payment as required under this Section 4.2.

4.3. Time is of the essence for the payment of all amounts due to Seller under any Confirmed Order. If Customer fails to make payments of any amount when due, Customer shall pay interest to Seller at the rate of one percent (1%) per month or such lesser amount as may be permitted by applicable law starting from the due date until payment to Seller of such amount in full. In addition to the interest, Seller may, at its sole discretion, charge the Customer a flat fee of \$40 for each re-minder notice issued to Customer due to late payments. If Customer fails to comply with these Terms or a Confirmed Order, or if Customer becomes insolvent, all balances then due and owing to Seller shall be due immediately, notwithstanding any payment terms agreed by the parties. All costs and expenses incurred by Seller with respect to the collection of overdue payments (including, without limitation, reasonable attorney's fees, expert fees, and other expenses of litigation) shall be borne by Customer. Every payment by Customer shall first be applied to pay for Seller's cost of collection, then interest owed by Customer, and then to the oldest outstanding claim.

4.4. Notwithstanding anything in the foregoing Section 4.3 or Section 5, if the parties agreed on installment payments in a Confirmed Order and Customer fails to make any installment payment when due, the remaining balance including accrued interest, and any expenses incurred by Seller shall be due and payable to Seller promptly upon Customer's receipt of written notice of delinquency from Seller.

5. SECURITY INTEREST

5.1. If Seller extends credit to Customer for the purchase price for any Products (including but not limited to pursuant to Section 4.1.), or any other amounts due to Seller, Customer hereby grants to Seller as security for the timely payment and performance of all Customer's payment obligations to Seller, a first priority security interest (the "Security Interest") in all Products heretofore or in the future delivered to Customer and in the proceeds thereof for as long as such Products shall not have been sold by Customer in the ordinary course of

business (the "Collateral"). Seller shall be entitled to file any and all financing, continuation, or similar statements under the Uniform Commercial Code in any jurisdiction and take any and all other action necessary or desirable, in Seller's sole and absolute discretion, to perfect its Security Interest in the Collateral and to establish, continue, preserve, and protect Seller's Security Interest in the Collateral. Customer agrees to take any and all actions and provide Customer with all information necessary to enable Seller to perfect and enforce its Security Interest in all jurisdictions and vis-à-vis any of Customer's creditors, and hereby irrevocably grants to Seller a power of attorney to execute all necessary statements or documents in Customer's name for the perfection and enforcement of such Security Interest. The Security Interest shall remain in force until payment in full of the entire purchase price for such Products, and any other amounts due to Seller by Customer. Seller may, without notice, change or withdraw extensions of credit at any time.

6. OBLIGATIONS OF CUSTOMER

6.1. Customer shall use the Products solely for their intended purpose and pursuant to Seller's instructions, and agrees to use only qualified personnel for the handling of the Products. Customer shall ensure that its customers, employees, agents, and other representatives comply with this Section 6.1. and shall be responsible for their acts and omissions.

7. DELIVERY AND ACCEPTANCE

7.1. Unless otherwise agreed in writing by Seller, all deliveries of Products shall be made FCA (agreed delivery location) (Incoterms 2020) and title to and risk of loss for the Products shall pass to Customer upon delivery pursuant to this Section 7.1.

7.2. Any delivery and performance times or dates communicated by or on behalf of Seller are estimates and shall not be binding on Seller. Seller may make partial delivery of Products to be delivered under any Confirmed Order and invoice Customer separately for such partial deliveries or performance. If Customer has not received the Products after six (6) weeks from the estimated delivery date, Customer may make a written request to Seller for delivery. Customer hereby acknowledges and agrees that the actual delivery date of the Products is conditioned upon the complete, accurate and timely delivery of materials from Seller's vendors and suppliers. No delay in delivery of any Products shall relieve Customer of its obligation to accept the delivery or performance thereof and make payments of any amounts due in accordance with these Terms, including but not limited to delays caused governmental restrictions on exports or imports and similar measures.

7.3. Customer's failure to accept the delivery of Products pursuant to a Confirmed Order shall not release or excuse Customer from its obligation to timely pay all amounts due in connection with such Confirmed Order. The Products shall be deemed delivered at the time they have been made available to Customer. If Customer rejects or revokes acceptance of Products, or fails to pay any amounts when due, Seller, in its sole and absolute discretion, may extend the period of delivery of Products by such period as Seller may deem reasonable with such period not exceeding three (3) months from the agreed delivery date, or withhold or cancel delivery of any Products, or cancel any or all Confirmed Orders without any further obligations to Customer whatsoever.

In such event, Customer shall be responsible for any and all costs and expenses incurred, or damages or losses suffered by Seller in connection with any such delay notwithstanding any action or inaction by Seller with regard to such delay. Any remaining Products that have not been accepted by Customer within the extended delivery period determined by Seller will be delivered and invoiced by Seller to Customer and Customer agrees to accept such delivery and pay for the purchase price and other amounts payable for the delivered Products.

8. EXAMINATION AND CONFORMITY TO ORDER

8.1. Promptly upon receipt of any Products, Customer shall conduct a full and complete inspection of such Products as to any defects and to confirm compliance with all requirements of the applicable Confirmed Order. Customer shall notify Seller in writing of any packaging defects, apparent defects, or non-compliance of such Products with the applicable Confirmed Order that Customer has or could reasonably have discovered during such inspection within seven (7) days from the date of receipt of such Products, and Customer shall notify Seller in writing within three (3) days of the date on which Customer shall first have become aware of any hidden defect or non-compliance which could not reasonably have been discovered during Customer's initial inspection of the Products. Such notification shall include reasonable details (including images) on the alleged defects including lot, batch, or Order numbers.

8.2. If Customer fails to timely notify Seller of any defects or other non-compliance of any Products delivered or Customer (or its customers, employees, agents, or representatives) uses, destroys, or modifies any Products that Customer knows or should have known to be defective or non-compliant without Seller's prior written consent, Customer shall be deemed to have unconditionally accepted such Products and waived all of its claims for breach of warranty or otherwise in respect of such Products.

8.3. Customer may only return the Products to Seller with Seller's prior written approval. If the return has been approved by Seller, Customer shall return the Products to Seller at Customer's sole risk and expense to the destination directed by Seller.

8.4. Complaints of Customer in connection with the shipping or transport shall be directed to the carrier promptly upon receipt of the delivery or the freight documents.

9. LIMITED PRODUCT WARRANTY

9.1. Seller warrants to Customer that the Products will be free of defects in material and workmanship and conform with the requirements set forth in the applicable Confirmed Order for a period of twelve (12) months from the date of delivery for new business Products and ninety (90) days for after sales Products. (the "Limited Product Warranty").

9.2. Unless expressly agreed to in writing by Seller, Seller makes no warranty that the Products comply with applicable law, regulations, or specifications in any jurisdiction in which the Products may be used, integrated or incorporated. Any governmental or other approvals necessary in connection with the use, integration or incorporation of the Products shall be Customer's sole responsibility.

9.3. The Limited Product Warranty shall be void if the Defect (as defined below) resulted from (a) improper or inadequate use, storage, handling, operation, integration, incorporation, assembly, maintenance, or unauthorized alteration, modification, repair of the Products (including without limitation, the use storage, handling, operation, or integration of the Products contrary to written instructions and/or recommendations of Seller or inadequate training of personnel), (b) changes to construction and materials pursuant to Customer's re-requests, (c) use of improper tools, resources, or accessories including those but not limited to any third party tools, resources, or accessories that are not approved by Seller or not in accordance with Seller's recommendations, instructions, or directions, (d) acts or omissions of Customer or third parties following delivery of the Product, (e) Customer's failure to properly communicate Seller's instructions and warnings to users of the Products, (f) Customer's, its employees, agents, representatives, customers or any third party's non-compliance with applicable laws, rules and regulation, (g) Force Majeure, or (h) ordinary wear and tear of the Products (e.g., sweep bristles).

9.4. In the event of an alleged breach of the Limited Product Warranty (a "Defect"), Customer shall, at Customer's sole expense, send the Product to Seller. Seller shall conduct the necessary tests on such Product within a reasonable period. If Seller confirms the Defect, Seller shall, at its sole option and discretion, repair or replace the Defective Product. If the repair or replacement of the Defective Product is commercially unreasonable to Seller, Seller may, at its sole discretion, issue a refund to Customer in the amount Seller deems adequate. Such repair, replacement, or refund shall be the sole liability of Seller and the sole remedy of Customer with respect to a Defect. In no event shall any warranty claims for a Defect be made after twelve (12) months from the date of Customer's receipt of the Products. Any Products or parts returned to Seller for removal or repair under this Section 9.4 shall be the property of Seller. Any applicable Limited Product Warranty period shall not start anew with the repair or replacement of the Defective Product (or any portion thereof).

9.5. Except for Limited Product Warranty, SELLER HEREBY EXPRESSLY EXCLUDES AND DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. Seller makes no other warranties with respect to the Products, and no person is authorized to make any warranties on behalf of Seller that are inconsistent with the warranties set forth under this Section 9.

10. LIMITATION OF LIABILITY

10.1. IN NO EVENT SHALL SELLER BE LIABLE TO CUSTOMER, ITS CUSTOMERS, EMPLOYEES, AGENTS, AND OTHER REPRESENTATIVES FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, REVENUE, GOODWILL, OR USE, WHETHER IN AN ACTION IN CONTRACT, TORT, STRICT LIABILITY, OR IMPOSED BY STATUTE, OR OTHERWISE, EVEN IF SELLER WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING ANY OF THE TERMS CONTAINED HEREIN, SELLER'S LIABILITY FOR ANY CLAIM – WHETHER BASED UPON CONTRACT, TORT, EQUITY, NEGLIGENCE, OR ANY OTHER LEGAL CONCEPT – SHALL IN NO EVENT EXCEED THE PURCHASE PRICE PAID BY THE CUSTOMER FOR THE PRODUCTS, GIVING RISE TO SUCH CLAIM. CUSTOMER HEREBY ACKNOWLEDGES AND AGREES THAT THE PROVISIONS OF THESE TERMS FAIRLY ALLOCATE THE RISKS BETWEEN SELLER AND CUSTOMER, THAT SELLER'S PRICING REFLECTS THIS ALLOCATION OF RISK, AND BUT FOR THIS ALLOCATION AND LIMITATION OF LIABILITY, SELLER WOULD NOT HAVE ENTERED INTO AN AGREEMENT WITH CUSTOMER FOR THE SALE OF THE PRODUCTS.

10.2. Seller shall not be liable for, and Customer assumes responsibility and shall indemnify, defend, and hold Seller harmless for any and all claims, including without limitation claims for personal injury or property damages, resulting from (a) the improper or inadequate use, storage, handling, operation, assembly, integration, incorporation, assembly, maintenance, or unauthorized alteration, modification, or repair of the Products (including without limitation, the use storage, handling, operation, or integration of the Products contrary to written instructions and/or recommendations of Seller or inadequate training of personnel), (b) changes to construction and materials pursuant to Customer's re-quests, (c) use of improper tools, resources, or accessories including those but not limited to any third party tools, resources, or accessories that are not approved by Seller or not in accordance with Seller's recommendations, instructions, or directions, (d) acts or omissions of Customer or third parties following the delivery of the Products, (e) Customer's failure to properly communicate Seller's instructions and warnings to users of the Products, or (f) Customer's, its employees, agents, representatives, customers or any third party's non-compliance with applicable laws, rules and regulation, (g) Force Majeure, or (h) ordinary wear and tear of the Products (e.g., sweep bristles).

10.3. In jurisdictions that limit or preclude limitations or exclusion of remedies, damages, or liability, such as liability for gross negligence or willful misconduct or do not allow implied warranties to be excluded, the limitation or exclusion of warranties, remedies, damages, or liability set forth in these Terms are intended to apply to the maximum extent permitted by applicable law, and these Terms shall be deemed amended to comply with such limitations or exclusions. Customer may also have other rights that vary by state, country or other jurisdiction.

11. CONFIDENTIALITY

11.1. "Confidential Information" means: (i) any know-how, trade secrets, and other business or technical information of Seller that is confidential or proprietary or due to its nature or under the circumstances of its disclosure the Customer knows or has reason to know should be treated as confidential or proprietary, including but not limited to quotations, drawings, project documentation, samples and models.

11.2. Confidential Information does not include information that: (i) is or becomes generally known to the public through no fault or breach of these Terms by the Customer; (ii) is rightfully known by the Customer at the time of disclosure without an obligation of confidentiality; (iii) is independently developed by the Customer without use of Seller's Confidential Information; (iv) is rightfully received by the Customer from a third party without restriction on use or disclosure; or (v) is disclosed with Seller's prior written approval.

11.3. Customer shall not use Seller's Confidential Information except as necessary to use the Products and will not disclose such Confidential Information to any third party except to those of its employees, agents, subcontractors, or representatives who have a bona fide need to know such Confidential Information to enable Customer to use the Products; provided that each such employee, agent, subcontractor, and/or representative is/are bound by a written agreement that contains use and nondisclosure restrictions not less stringent than the terms set forth in this Section 11.3. The Customer will employ all reasonable steps to protect Seller's Confidential Information from unauthorized use or disclosure, including, but not limited to, all steps that it takes to protect its own information of like importance. The foregoing obligations will not restrict the Customer from disclosing Seller's Confidential Information: (i) pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the Customer gives reasonable notice to Seller to contest such order or requirement; (ii) to its legal or financial advisors; and (iii) as required under applicable securities regulations.

11.4. In the event of a violation or threatened violation of Customer's obligations under this Section 11, Seller shall be entitled to seek equitable relief, including in the form of a restraining order, orders for pre-liminary or permanent injunction, specific performance and any other relief that may be available from any court, without the requirement to secure or post any bond, or show actual monetary damages in connection with such relief. These remedies shall not be deemed to be exclusive but in addition to all other remedies available under these Terms, at law, or in equity.

12. INTELLECTUAL PROPERTY

12.1 Seller reserves the sole and exclusive ownership of the intellectual property rights in the Products (including but not limited to the technology used to manufacture the Products) and any improvements thereof regardless of inventorship or authorship. Customer shall not (and shall cause its employees, agents, representatives and customers to not) reverse engineer, decompile, disassemble, or decode any of Seller's intellectual property embedded or used in any of the Product.

13. FORCE MAJEURE

13.1. Seller shall not be responsible for any failure or delay in its performance under these Terms due to causes beyond its reasonable control, including, but not limited to, disruptions of the public power supply, communications, and transportation infrastructure, government measures, malware or hacker attacks, fire, extraordinary weather events, epidemics, pandemics (or any government restrictions implemented as a result thereof), nuclear and chemical accidents, earthquakes, war, terrorist attacks, labor disputes, strikes, lockouts, shortages of or inability to obtain labor, energy, raw materials or supplies, or other acts of God.

14. MISCELLANEOUS

14.1. If any provision contained in these Terms or any Confirmed Order is held by final judgment of a court of competent jurisdiction to be invalid, illegal, or unenforceable, such invalid, illegal, or unenforceable provision shall be severed from the remainder of these Terms or such Confirmed Order, and the remainder of these Terms or such Confirmed Order shall be enforced. In addition, the invalid, illegal, or unenforceable provision shall be deemed to be automatically modified, and, as so modified, to be included in these Terms, such modification being made to the minimum extent necessary to render such provision valid, legal, and enforceable.

14.2. Seller may assign its rights and/or delegate its liabilities under any Confirmed Order at any time. Customer may not assign its rights or delegate its responsibilities under a Confirmed Order without Seller's prior written consent.

14.3. Seller's waiver of any breach or violation of these Terms or the provisions of any Confirmed Order by Customer shall not be construed as a waiver of any other present or future breach or breaches by Customer.

14.4. The parties hereto are independent contractors and nothing in these Terms will be construed as creating a joint venture, partnership, employment, or agency relationship between the parties.

14.5. Notices by a party regarding the exercise of rights and obligations under these Terms must be signed by authorized representatives of such party, and delivered via courier, mail, or e-mail to the other party's address indicated in the applicable Confirmed Order, provided that a notice by e-mail shall only be validly given if receipt thereof is acknowledged in writing by the recipient.

15. ENTIRE AGREEMENT; CONFLICTS.

15.1. These Terms, including the applicable Confirmed Order, constitute the entire and exclusive agreement of the parties regarding the subject matter hereof and supersede any and all prior or contemporaneous agreements, communications, and understandings (both written and oral) regarding such subject matter. In the event of a conflict between the provisions of these Terms and the provisions of a Confirmed Order, the provisions of the Confirmed Order will govern and control. Seller may amend or modify these Terms from time to time. Seller may, at its sole discretion, provide Customer with written notice of any such changes, revisions, amendments, or modifications, provided, however that any such changes, revisions, amendments, or modifications shall become effective without any further action by any party and that they shall not apply to any Confirmed Order prior to the effective date of such changes, revisions, amendments, or modifications.

16. APPLICABLE LAW AND JURISDICTION

16.1. These Terms and the Confirmed Orders shall be governed by and construed in accordance with the laws of the State of Wisconsin without giving effect to any choice or conflict of law provision or rule that would defer to or cause the application of the substantive laws of any jurisdiction other than Wisconsin. The parties hereby expressly exclude the application of the 1980 United Nations Convention on Contracts for the International Sale of Goods.

16.2. Any dispute, controversy, or claim arising out of or relating to these Terms and any Confirmed Order, including but not limited to the execution, performance, or termination thereof or to any issue of liability arising out of the performance of these Terms or any Confirmed Order, which the parties have not been able to settle amicably shall be submitted to the exclusive jurisdiction of the state or federal courts with jurisdiction in the County of Calumet, Wisconsin, provided that notwithstanding the foregoing, Seller shall be entitled to seek specific performance and injunctive relief in any court of competent jurisdiction. Each party hereby waives any and all claims, pleas, or defenses (including without limitation a plea for *forum non conveniens*) that would permit such party to seek the jurisdiction of any courts or arbitration tribunals other than those set forth in the preceding sentence.

16.3. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR IN-DIRECTLY ARISING OUT OF OR RELATING TO THESE TERMS.

AGENDA ITEM MEMORANDUM

DATE: 8/20/2025

TO: Public Works Committee

FROM: Kevin Jump, PE – City Engineer

SUBJECT: Resolution 86-25-26 – A resolution authorizing the appropriate City officials to enter into a contract with Northeast Asphalt, Inc. for the 2025 Street Improvements – Washington Avenue (South Taylor Drive – South Business Drive).

ISSUE

Should the Public Works Committee recommend authorizing the appropriate City officials to enter into a contract with Northeast Asphalt, Inc. for Washington Avenue Improvements Reconstruction?

STAFF RECOMMENDATION

Staff recommends approval of the contract.

BACKGROUND/DISCUSSION

Public Works staff previously identified the segment of Washington Avenue between South Taylor Drive and South Business Drive as requiring pavement rehabilitation. This project was subsequently included in the City's approved Capital Improvement Plan (CIP).

Earlier this year, during routine inspections conducted by Public Works staff, it was discovered a segment of the existing sanitary sewer within Washington Avenue, initially constructed in 1968, was failing. To address the issue efficiently and minimize disruption to Washington Avenue traffic, sewer repairs were incorporated into the already planned pavement improvement project.

Therefore, this project will address two main issues:

1. Several pavement areas are failing and will be repaired by removing 2 inches of the existing surface and replacing it with 2 inches of new asphalt.
2. The previously mentioned section of the sanitary sewer will be repaired.

The Common Council previously approved the State Municipal Financial Agreement with the Wisconsin Department of Transportation (WisDOT) for future improvement on Washington Avenue. The WisDOT project aims to perform more extensive and comprehensive repairs in the future. The improvements under the WisDOT project will be completed with a significant portion of the cost covered by WisDOT.

The project was publicly bid, and only one bid was received:

<u>Contractor</u>	<u>Bid Amount</u>
Northeast Asphalt, Inc.	\$330,218.55

The Engineering Estimate for the project's probable cost was \$360,505.60.

AGENDA ITEM MEMORANDUM

DATE: 8-18-25

TO: Public Works Committee

FROM: Joel Kolste – Deputy Director of Field Operations

SUBJECT: Resolution 87-25-26 – A resolution authorizing the Purchasing Agent to issue a purchase order for two (2) Bobcat Tool Cats with salt spreaders and plowing equipment for the Motor Vehicle Division of the Department of Public Works.

ISSUE

Should the Public Works Committee recommend approval of the resolution to purchase two Bobcat Tool Cats with salting and snow plowing equipment to replace two existing Bobcat Tool Cats (2006) currently in use by the Department of Public Works.

STAFF RECOMMENDATION

Staff recommends approval of the resolution in order to follow the Fleet Divisions Equipment Replacement Schedule as approved in the 2025 Capital Improvement Plan.

BACKGROUND / DISCUSSION

The purchase of two Bobcat Tool Cats will replace two older units currently in use by the Department of Public Works. This equipment is utilized by the department in various ways throughout the year, specifically for the Park Division. These units are a smaller (but heavy duty) loader type of vehicle that is versatile to the Parks Division for hauling, lifting, and moving materials. During the winter season, these units are the primary units removing snow from the public sidewalks and trails in and around park facilities.

The two new units will be replacing two current units which are 2006 model year units. These units will be auctioned off once the replacements have been received. While the existing units still function well, at almost 20 years old, the units are showing signs of significant wear and needed maintenance costs.

This purchase would include a V-Box Salter for each unit and one of the units would be outfitted with a V-Plow snowplow to effectively clear sidewalk ramps.

Staff reached out to several vendors requesting Sourcewell Contract Quotes for comparable units

RESOLUTION 87-25-26**

BY ALDERPERSONS DEKKER AND RUST.

AUGUST 25, 2025.

A RESOLUTION authorizing the Purchasing Agent to issue a purchase order for two (2) Bobcat Tool Cats with salt spreaders and plowing equipment for the Motor Vehicle Division of the Department of Public Works.

WHEREAS, State law and the City's procurement Policy allows the City to join with other units of government in cooperative purchasing plans when the best interest of the City would be served; and

WHEREAS, Sourcewell is a cooperative purchasing consortium which offers contracts to its members based upon competitive bids and, as a member, the City of Sheboygan may take advantage of competitive, pre-negotiated prices; and

AGENDA ITEM MEMORANDUM

DATE: 8/15/2025

TO: Public Works Committee

FROM: Director Travis Peterson

SUBJECT: 'Name That Truck!' Community Contest – **Discussion Only**

ISSUE

The Department of Public Works wants to update the Public Works Committee on the selected entries from the community submissions to name a few of our hard-working trucks. The three primary types of trucks needing names are the Public Works garbage trucks, sweepers, and dump trucks, which also double as plow trucks during the winter months

STAFF RECOMMENDATION

Staff have selected two winning entries for each of a street sweeper, garbage truck and dump truck/snowplow vehicle from the community submissions. After tallying staff votes, the following are the winning entries:

Garbage Truck – Trash Gordon and Bin Diesel

Street Sweeper – Sweeping Beauty, Gutter Hugger and The Grim Sweeper (there was a tie so we will name a third sweeper)

Dump Truck/Snow Plow – The Big LePlowski and Earl

BACKGROUND/DISCUSSION

At Public Works, we have a large fleet of trucks and other vehicles our crews use to get the job done. From garbage trucks and sweepers, to dump trucks and plows, we've got just about every type of machine it takes to clean the streets, prune the trees, and improve our roadways.

As a result, Department of Public Works launched "Name That Truck!", a community contest for residents to participate in an engaging and creative opportunity to name the City's fleet of trucks at the beginning of July 2025.

FUNDING IMPACT

There would be no funding impact.

NEXT STEPS:

DPW will notify the winning entrants, who will have their winning truck name featured on a real Public Works vehicle, plus the opportunity to have their photo taken with the truck receiving their winning name.
