Standard chassis manufacturers' warranties apply and will start on the date and mileage at delivery. The warranty on our all-aluminum fully welded modular body is 20 years. Our conversion warranty, including our electrical system, paint, and graphics, is 7 years or 70,000 miles.

All third-party components, including but not limited to warning lights and systems, patient mobility products, portable equipment, suspension systems, and HVAC systems, are covered by their respective manufacturers' warranties and are not the responsibility of AEV or American Response Vehicles.

All parts and service are available through our facility in Columbia, Missouri; our facility in West Jefferson, North Carolina; or one of our remote service facilities in Nebraska or Illinois. Mobile Road Service is available with our fully stocked and equipped service vans to maintain your fleet right in your own facilities. We offer twenty-four-hour delivery on parts in most cases.
