RE: Mr. Isaac J. Ortega  
2122 South 16<sup>th</sup> Street  
Sheboygan, WI 53081

Date of Accident: May 7, 2024

Location: On Paine Avenue, 65 feet East of South Taylor Drive/CTHTA  
Northbound, in the City of Sheboygan, County of Sheboygan,  
State of Wisconsin.

PLEASE TAKE NOTICE, pursuant to §893.80(1), Wis. Stats, that on May 7, 2024, Isaac J. Ortega was stopped at the stop sign on Paine Avenue with the intersection with South Taylor Drive / CTHTA, in the City of Sheboygan, County of Sheboygan, State of Wisconsin. Mr. Ortega was stopped at the stop sign waiting to make a right-hand turn onto South Taylor Drive. At the same time, Deputy Bradley John Bottleman, of the Sheboygan County Sheriff's Department, was also traveling west on Paine Avenue stopped behind Mr. Ortega's vehicle.

In the accident report attached hereto, Deputy Bradley John Bottleman admitted that he thought that Mr. Ortega had already turned right when, in fact, he didn't. Mr. Ortega was still stopped at the stop sign waiting on traffic to pass. He negligently rear-ended Mr. Ortega's vehicle and the accident report indicates that his actions were *following too closely*.

The City of Sheboygan, County of Sheboygan, Sheboygan County Sheriff's Department, and Deputy Bradley John Bottleman of the Sheboygan County Sheriff's Department are negligent for their failure to maintain a proper look out and for following too closely.

Liability for Isaac Ortega's injuries and damages are attributed to the City of Sheboygan, County of Sheboygan, Sheboygan County Sheriff's Department, and Deputy Bradley John Bottleman. Mr. Ortega suffered physical injuries and mental anguish as a result of Deputy Bradley John Bottleman's negligence. Damages for these injuries clearly exceed the \$250,000.00 statutory liability cap and demand for payment of that statutory \$250,000.00 cap is hereby made. Supporting documentation will be provided of Mr. Ortega's injuries when Mr. Ortega completes medical treatment.

Date at Milwaukee, Wisconsin, this 16<sup>th</sup> day of May, 2024.

## COMPLAINT

SCF RC Funding IV, LLC (hereinafter referred to as Plaintiff), by its attorneys, Rogahn Jones LLC, for its complaint against the City of Sheboygan (hereinafter City), alleges as follows:

NATURE OF ACTION AND PARTIES

1. This action is brought pursuant to Wis. Stat. §70.47(12) and Wis. Stat. §74.37(3)(d), for the correction of the assessor's assessment and for a refund of excessive real estate taxes imposed on Plaintiff by the City for the year 2023, plus statutory interest, with respect to a parcel of real property in the City (hereinafter the Property).

2. Plaintiff is the owner of the Property, is responsible for the payment of property taxes and the prosecution of property tax disputes involving the Property and is authorized to bring this claim in its own name.

3. The City is a body corporate and politic, duly organized as a municipal corporation under Wisconsin law, with its principal office located at City Hall, 828 Center Avenue, in the City of Sheboygan.

4. The Property is located at 595 S. Taylor Drive and 613 S. Taylor Drive within the City, and is identified in the City's records as Tax Parcel No. 59281215133.

#### JURISDICTION AND VENUE

5. This court has personal jurisdiction over the City pursuant to Wis. Stat. §801.05(1).

6. Venue is appropriate in Sheboygan County pursuant to Wis. Stat. §801.50(2)(a).

#### BACKGROUND FACTS

7. The Department of Revenue determined that the average assessment to market value ratio of property in the City was 0.9729 as of January 1, 2023.

8. For 2023, property tax was imposed on property in the City at the rate of \$16.128525 per \$1,000.00 of the assessed value for property.

9. For 2023, the City's assessor set the assessment of the Property at \$11,215,200.00.

10. Plaintiff appealed the 2023 assessment of the Property by filing a timely objection with the City's Board of Review (hereinafter BOR) pursuant to Wis. Stat. §70.47 and otherwise complying with all of the requirements of Wis. Stat. §70.47, except Wis. Stat. §70.47(13).

11. The City's Board of Review conducted a hearing and thereafter sustained the 2023 assessment on the merits at \$11,215,200.00.

12. The City imposed tax on the Property for 2023 in the amount of \$180,884.64.

13. Plaintiff timely paid the property taxes imposed by the City on the Property for 2023, or the required installments thereof.

CLAIM FOR RELIEF

14. The allegations of paragraphs 1-13 are incorporated as if fully re-alleged herein.

15. The fair market value of the Property as of January 1, 2023, was no higher than \$8,348,226.95.

16. Based on the average assessment to market value ratio of property in the City of 0.9729 as of January 1, 2023, the correct assessment of the Property for 2023 is no higher than \$8,121,990.00.

17. Based on the tax rate of \$16.128525 per \$1,000.00 of assessed value, the correct amount of property tax on the Property for 2023 should be no higher than \$130,995.68.

18. The 2023 assessment of the Property, as set by the City's Board of Review was excessive and, upon information and belief, violated Article VIII, Section 1 (known as the "Uniformity Clause") of the Wisconsin Constitution. As a result, the property tax imposed on the Property for 2023 was excessive in at least the amount of \$49,888.96.

19. Plaintiff is entitled to a refund of 2023 tax in the amount of \$49,888.96, or such greater amount as may be determined to be due to Plaintiff, plus statutory interest.

WHEREFORE, Plaintiff respectfully requests the following relief:

1. Judgment in the amount of \$49,888.96 as a refund of the 2023 taxes it paid on the Property, plus statutory interest.

2. An award of all litigation costs incurred by Plaintiff in this action, including the reasonable fees of its attorney; and

3. Such other and further relief as the Court deems appropriate and just.

## SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release ("Agreement") is made and entered into by and between Todd Wolf ("Mr. Wolf"), the City of Sheboygan (the "City"), Ryan Sorenson, Charles Adams, Betty Ackley, Dean Dekker, Barbara Felde, Roberta Filicky-Peneski, Grazia Perrella, Angela Ramey, Zachary Rust, Amanda Salazar, and Mary Lynne Donohue (collectively, "Individual City Defendants") and Jill Pedigo Hall ("Hall") (all Defendants collectively, "Defendants") on the date subscribed below. Mr. Wolf, the City, the Individual City Defendants and Hall may be referred to in this Agreement collectively as the "Parties."

### RECITALS

WHEREAS, Mr. Wolf was employed by the City for some time;

WHEREAS, Mr. Wolf has filed a lawsuit against the Defendants with the United States District Court for the Eastern District of Wisconsin, Case No. 23-cv-149 (hereinafter referred to as the "Civil Action"), asserting ten different causes of action which included claims brought pursuant to 42 U.S.C. Section 1983 for violations of Mr. Wolf's First Amendment and Fourteenth Amendment rights; Defamation Per Se, Intentional Infliction of Emotion Distress, Civil Conspiracy, and Conversion.

WHEREAS, on September 5, 2023, the Court entered an Order granting Defendants Motion to Dismiss Plaintiff's Amended Complaint with respect to Claim Two, Claim Four, Claim Seven, and Claim Nine. These claims were dismissed in their entirety. The Motion was granted in part as to Claim One as to Wolf's claim that the Leave Directives were unconstitutionally overbroad. The Motion was granted as to Claim Five as to the Alderperson Defendants. Claim Five was further dismissed as to Sorenson and Adams in their official capacities. The Motion was granted as to Claim Six with respect to Donohue. The Motion was granted as to Claim Eight with respect to Sorenson. The Motion was denied in all other respects.

WHEREAS, the Defendants deny that they violated the law on any basis.

WHEREAS, the Parties wish to put all matters behind them and avoid the expense and disruption of further litigation between them on mutually agreeable terms by amicably entering into this Agreement; and

WHEREAS, the Parties have reached an agreement to accomplish such resolution and enter this Agreement to give effect to their agreed resolution.

### AGREEMENT

NOW THEREFORE, for and in consideration of the promises of the Parties, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by both Parties, the Parties agree as follows:

**1. Recitals Incorporated.** The foregoing recitals are incorporated as part of this Agreement.

**2. Settlement.** Defendants do not admit that they have infringed upon Mr. Wolf's legal rights, and entry into this Agreement does not constitute any admission or evidence of unlawful conduct.

However, in the exercise of its business judgment, to settle additional claims Mr. Wolf may allege against the Defendants, and for other good and valuable consideration as stated herein, Defendants will cause Mr. Wolf and his legal counsel to be paid, as outlined in Paragraph 3 below, a total of Two Hundred Thirty Thousand Dollars (\$230,000.00) in full and final settlement of all of Mr. Wolf's claims or potential claims against all Defendants, whether known or unknown, from the beginning of time to the date he signs this Agreement, inclusive of attorney's fees and costs. **This Agreement, and the Defendants' ability to enter into it, is entirely contingent upon Common Council approval. If the Common Council does not approve this Agreement, the Defendants have no authority to enter into this Agreement and the Agreement cannot be finalized, does not go into effect in any way and is not enforceable. In the event the Common Council does not approve this Agreement, neither Mr. Wolf nor the Defendants are obligated under any provision of this Agreement, including but not limited to Mr. Wolf's waiver of claims and the City's payment of settlement proceeds as outlined below in this Agreement.**

**3. Allocation of Settlement Proceeds and Tax Treatment.** Mr. Wolf and the Defendants agree and acknowledge that as part of the consideration under this Agreement, the Defendants will pay:

- a. **Two Hundred Seven Thousand Dollars and No Cents (\$207,000.00)**, less applicable tax withholdings, to Mr. Wolf as consideration for entering into this Agreement. This is a wage payment. To facilitate payment, Mr. Wolf agrees to fully execute an IRS W-4 form and return it to the City's counsel at: Warren E. Buliox, Esq., MWH Law Group LLP, 735 North Water Street, Suite 610, Milwaukee, WI 53202. The City will withhold from this payment payroll taxes, including, but not limited to, federal and state income taxes and the employee's share of social security and Medicare taxes. Although characterized as a wage payment for tax purposes, this payment to Mr. Wolf encompasses payment in full and final settlement of all of his claims or potential claims against the Defendants, whether known or unknown, from the beginning of time to the date he signs this Agreement and all the wage and non-wage remedies attendant thereto excluding attorney's fees and costs.
- b. **Twenty Three Thousand Dollars and No Cents (\$23,000.00)** to Plaintiff's legal counsel, DeMaster Law LLC, as consideration for entering into this Agreement. This is a non-wage payment. The Parties agree and acknowledge that this is payment for his attorney fees and costs. To facilitate this payment, Mr. Wolf agrees that his lawyer will fully execute an IRS W-9 form and return it to Defendants' counsel at: Warren E. Buliox, Esq., MWH Law Group LLP, 735 North Water Street, Suite 610, Milwaukee, WI 53202.

Provided the Common Council approves this Agreement, the payments described herein shall be due within 21 days after approval of the Settlement Agreement by Common Council and (i) the receipt of the IRS forms referenced in this paragraph by Defendants' counsel; (ii) Mr. Wolf fully executes a joint motion or stipulation for dismissal with prejudice for Eastern District Court of Wisconsin Case

No. 23-cv-149 (to be filed within one week of Mr. Wolf's receipt of the payments); (iii) Mr. Wolf's full acceptance of all of the terms and conditions of this Agreement, meaning that he must fully execute this Agreement, deliver the same to the Defendants' counsel and refrain from revoking any part of it during the time period noted below in Paragraph 12 of this Agreement.

**4. No Future Hire.** Mr. Wolf agrees that he will not knowingly seek or accept employment in the future with or through the City. If, through mistake, inadvertence or otherwise, Mr. Wolf applies for future employment with the City, then he shall withdraw his application immediately upon notice without any recourse to the City, legal or otherwise, and to the extent that Mr. Wolf has already been hired for future employment with the City, he will resign immediately upon notice without any recourse to the City, legal or otherwise. This does not preclude Mr. Wolf from running for elected office.

**5. Waiver and Release.** For the valuable consideration from the Defendants as described in this Agreement, Mr. Wolf, for himself and his executors, successors, heirs, assigns, personal representatives, administrators, and attorneys, hereby forever, irrevocably, and unconditionally releases and discharges with prejudice Hall, the Individual City Defendants, the City, and their officers, agents, employees, representatives, attorneys, affiliates, insurers, successors and assigns and each of them (collectively, the "Released Parties"), and all other persons acting by, through, under, or in concert with any of the Released Parties, from and against any and all grievances, demands, damages, actions, lawsuits, causes of action or claims of any kind or character, in law or equity, whether known or unknown, anticipated or unanticipated, which Mr. Wolf ever had, now has, or which may hereafter accrue by reason of any matter, cause or thing occurring on or before the date of this Agreement, including without limitation any and all liability based on contract, tort, statute, or common law that he might have based upon his employment with the City and/or the conclusion of that employment and/or the investigation conducted by Hall.

The waiver and release in this Paragraph includes, without limitation, a release of rights or claims that Mr. Wolf may have: (i) for discrimination, retaliation, suspension, wrongful or constructive discharge, failure to interview, hire, appoint, transfer, promote or take any other action relating to the employment of Mr. Wolf by the City, hostile work environment, harassment, intentional infliction of emotional distress, invasion of privacy, libel, slander, defamation, civil conspiracy, personal injury, breach of contract, impairment of economic opportunity and interference with contract or prospective business relationships; (ii) for violations of his constitutional rights, including but not limited to those provided by the First Amendment, Fourteenth Amendment, under the United States and Wisconsin Constitutions; 42 U.S.C. §§ 1981, 1981a, 1983, 1984, 1985, 1986 and 1988; Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq.; (iii) for violations under the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq.; the United States Family and Medical Leave Act, 29 U.S.C. § 2601 et seq.; the Civil Rights Act of 1991, 42 U.S.C. § 1981 et seq.; the Consolidated Omnibus Budget Reconciliation Act of 1985, 29 U.S.C. § 1161 et seq.; the Employee Retirement Income Security Act of 1974, 29 U.S.C. § 1001 et seq.; the Federal Health Insurance Portability and Accountability Act of 1996 (Pub. L. 104-191), 42 U.S.C. § 201 et seq.; the Wisconsin Family and Medical Leave Act, the Age Discrimination in Employment Act of 1967, 29 U.S.C. § 621 et seq.; the Wisconsin Fair Employment Act, and the Older Workers Benefit Protections Act; (iv) for violations under any other law, ordinance or regulation prohibiting discrimination or otherwise regulating or relating to the employment of Mr. Wolf by the Released Parties or any activities in connection therewith (including, without limitation, the termination thereof) or for any compensatory or punitive damages, injunctive

or declaratory relief or attorneys' fees and costs actually incurred; (v) for any and all claims, causes of actions and/or damages, including but not limited to fines, costs, attorneys fees, related to public records requests submitted by or on behalf of Mr. Wolf or his attorney to the City; and/or (vi) for any other complaints, charges, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, suits, rights, losses, debts, and expenses (including attorneys' fees and costs actually incurred) of any nature, known or unknown, suspected or unsuspected, that might have been, or could have been, asserted by Mr. Wolf against the Released Parties as of the date of this Agreement. This Paragraph does not apply to any claims that might arise from events occurring after this Agreement has been executed.

**6. Scope of Release and Dismissal of Pending Claims.** Mr. Wolf acknowledges that he and/or his representatives may hereafter discover claims or facts in addition to or different from those that they now know or believe to exist with respect to any of the released claims in this Agreement, but that it is their intention to fully, finally and forever settle and release all of the matters released in Paragraph 5 of this Agreement. In furtherance of this intention, any releases granted in this Agreement shall be and remain in effect notwithstanding the discovery of any such additional or different claims or facts.

This Agreement bears the intent to fully and finally compromise and settle all claims and matters of any nature against the Defendants, and the release in Paragraph 5 should be construed as broadly as possible. The release, however, does not affect those rights or claims that cannot be waived by law. **Mr. Wolf shall cause any pending claim(s) he has against the Defendants to be dismissed with prejudice and shall complete and execute any document necessary to effectuate such dismissal.** However, nothing in this Paragraph or any other provision of this Agreement shall be construed as prohibiting Mr. Wolf from: (i) participating in any investigation or proceeding conducted by the Wisconsin Equal Rights Division ("ERD"), the Equal Employment Opportunity Commission ("EEOC") or any administrative agency; or (ii) filing an administrative charge or complaint with the ERD, EEOC or any administrative agency, provided, however, that he waives any benefits which might be conferred on him in any proceeding of any kind which may be brought against the City as a result of such a charge or complaint.

**7. Confidentiality.** Mr. Wolf agrees to uphold his obligation to maintain confidentiality with respect to all confidential and non-public information relating to his employment with the City that he had knowledge of or access to during his employment with the City (the "Confidential Information"). This does not preclude Mr. Wolf from discussing the general nature of his employment with prospective employers. This provision does not prohibit Mr. Wolf from testifying under oath in a legal proceeding in response to court order or other legal process. In the event that Mr. Wolf is requested by court order or any other legal process to provide information that he acquired during his employment with the City of Sheboygan, he agrees to notify the Released Parties attorneys of record in this litigation of such request within forty-eight (48) hours.

**8. Disclaimer of Liability.** The Parties represent and warrant that there was no prevailing party in the Civil Action. The Parties understand that the consideration described in paragraph 1 is not to be construed as an admission of liability by Releasees but represents the compromise of a disputed claim and is intended to resolve the dispute and avoid the costs and risks of litigation arising from the subject matter of the Civil Action. Releasees expressly deny that they are liable to Mr. Wolf in any manner or that they engaged in any wrongdoing, liability or non-compliance with any federal,

state or local rule, ordinance, statute, common law or other legal obligation.

**9. Non-Precedent.** Defendants and Mr. Wolf understand and agree that this Agreement shall not be considered, utilized, or cited as precedent with respect to any other matter not related to this Agreement.

**10. Entire Agreement, Choice of Law, and Severability.** This Agreement sets forth the entire agreement between Mr. Wolf and Defendants with respect to the subject matter of the Agreement, and supersedes any and all prior discussions, agreements, understandings, or contracts between them. This Agreement may not be, and shall not be deemed or construed to be, modified, amended, rescinded, cancelled, or waived, in whole or in part, except by written instrument signed by all Parties hereto. Further, this Agreement shall be governed by the laws of the State of Wisconsin. The provisions of this Agreement are severable, and, if any part of this Agreement is found to be unenforceable, the other provisions shall remain valid and fully enforceable. However, if it cannot be so amended without altering the Parties' mutual intent to facilitate Mr. Wolf's settlement with Defendants without the assertion of any of the claims released herein, then this Agreement will be null and void. If this Agreement becomes null and void, the Defendants will have no obligation to Mr. Wolf under this Agreement and he must return in full any money paid to him and his attorneys under this Agreement unless the Parties are able to negotiate a replacement agreement.

Upon delivering to Defendants' counsel an executed original or copy of this Agreement as described in this Paragraph, this Agreement shall be binding, except Mr. Wolf shall have **seven (7) days** to revoke his release of any claims he may have under the federal Age Discrimination in Employment Act as provided for in the paragraph below.

**13. Release.** Mr. Wolf fully releases and forever discharges the Defendants, and their heirs, executors, administrators, attorneys, insurers, successors and assigns (collectively the "Releasees") of and from any and all claims, demands, actions, causes of action, suits, debts, agreements, damages, judgments, executions, obligations, liabilities and expenses (inclusive of attorney's fees and costs) of any kind whatsoever, ("Claims Against Releasees"), in law or in equity, which Mr. Wolf may now have or have ever had, fixed or contingent, foreseen or unforeseen, known or unknown, which Mr. Wolf may be entitled to pursue against Releasees as of the date of this

- any other claim arising under any other statute, authority or common law providing a cause of action directly or indirectly, currently known or unknown, related to any and all open records requests to the City related to the subject matter of the Civil Action.

It is understood and agreed that this is a full, final, and complete release of all claims against Releasees and that this release will remain effective even if new or additional facts are discovered or there are any changes in applicable law. This Agreement shall be a fully binding and complete settlement between the Parties in relation to the Civil Action.

**14. Interpretation.** The headings in this Agreement are intended for convenience only and shall not affect the meaning or interpretation hereof. In interpreting this Agreement, whenever the context so permits, (i) the singular shall include the plural and the plural shall include the singular and (ii) any gender shall include all genders.

**15. Counterparts.** This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and each of which shall be deemed an original. The Parties agree that a signature affixed to a counterpart of this Agreement and delivered by facsimile or other electronic means by a Party shall be valid, binding, and enforceable against such Party.

**16. Successors and Assigns.** The rights and obligations of the Parties under this Agreement shall be binding and inure to the benefit of the heirs, successors, assigns, officers, executors, administrators, directors, employees, agents, attorneys, insurers, predecessors, successors, and/or affiliates, as applicable, of the Parties.

**17. Breach.** The Parties agree that if either Party brings an action to enforce this Agreement and prevails before a court of competent jurisdiction, the non-breaching Party shall be awarded its reasonable attorneys' fees and costs incurred in bringing the action to enforce this Agreement.

**18. No Strict Construction.** Mr. Wolf and the Defendants acknowledge and agree that each of them has had the opportunity to review the language of this Agreement with legal counsel, and, whether or not Mr. Wolf has chosen to consult legal counsel, the language contained herein shall be

Ms. Kaitlyn Krueger  
City of Sheboygan  
828 Center Avenue  
Sheboygan, Wisconsin 53081

Dear Ms. Krueger:

Thank you for using Baker Tilly US, LLP (Baker Tilly, we, our) as your auditors.

The purpose of this letter (the Engagement Letter) is to confirm our understanding of the terms and objectives of our engagement and the nature of the services we will provide as independent accountants of the City of Sheboygan (Client, you, your).

### **Service and Related Report**

We will audit the Balance Sheet, the Historical Summary of Project Costs, Project Revenues and Net Costs to be Recovered Through Tax Increments and Historical Summary of Sources, Uses and Status of Funds of the Tax Incremental (TID) No. 01E of the City of Sheboygan as of August 15, 2024 and from the date the TID was created through August 15, 2024, and the related notes to the financial statements. This audit represents the dissolution audit of TID No. 01E. If, for any reasons caused by or relating to the affairs or management of the City of Sheboygan, we are unable to complete the audit or are unable to or have not formed an opinion, or if we determine in our professional judgment the circumstances necessitate, we may withdraw and decline to issue a report as a result of this engagement.

Our report does not include reporting on key audit matters.

### **Our Responsibilities and Limitations**

The objective of a financial statement audit is the expression of an opinion on the financial statements. We will be responsible for performing that audit in accordance with auditing standards generally accepted in the United States of America (GAAS). These standards require that we plan and perform our audit to obtain reasonable, rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. A misstatement is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user based on the financial statements. The audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management and those charged with governance of their responsibilities. Our audit is limited to the period covered by our audit and does not extend to any later periods during which we are not engaged as auditor.

May 16, 2024  
Page 2

The audit will include obtaining an understanding of the City of Sheboygan and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to determine the nature, timing and extent of further audit procedures. An audit is not designed to provide assurance on internal controls or to identify deficiencies in internal control. However, during the audit, we will communicate to management and those charged with governance internal control matters that are required to be communicated under professional standards.

We are also responsible for determining that those charged with governance are informed about certain other matters related to the conduct of the audit, including (i) our responsibility under GAAS, (ii) an overview of the planned scope and timing of the audit, and (iii) significant findings from the audit, which include (a) our views about the qualitative aspects of your significant accounting practices, accounting estimates, and financial statement disclosures; (b) difficulties encountered in performing the audit; (c) uncorrected misstatements and material corrected misstatements that were brought to the attention of management as a result of auditing procedures; and (d) other significant and relevant findings or issues (e.g., any disagreements with management about matters that could be significant to your financial statements or our report thereon, consultations with other independent accountants, issues discussed prior to our retention as independent auditors, fraud and illegal acts, and all significant deficiencies and material weaknesses identified during the audit). Lastly, we are responsible for ensuring that those charged with governance receive copies of certain written communications between us and management including written communications on accounting, auditing, internal controls or operational matters and representations that we are requesting from management.

Our audit will be conducted in accordance with the standards referred to above. As part of obtaining reasonable assurance about whether the TID financial statements are free of material misstatement, we will perform tests of compliance with tax increment financing district laws, regulations and the project plan. However, it should be noted that our objective was not to provide an opinion on overall compliance with the provisions included in Wisconsin State Statutes Section 66.1105.

The audit will not be planned or conducted in contemplation of reliance of any specific third party or with respect to any specific transaction. Therefore, items of possible interest to a third party will not be specifically addressed and matters may exist that would be addressed differently by a third party, possibly in connection with a specific transaction.

### **Management's Responsibilities**

Our audit will be conducted on the basis that the City of Sheboygan's management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

- > For the preparation and fair presentation of the financial statements and supplementary information in accordance with accounting principles generally accepted in the United States of America;
- > For the design, implementation, establishment, and maintenance of internal control relevant to the preparation and fair presentation of financial statements and supplementary information that are free from material misstatement, whether due to fraud or error; and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met and;
- > To provide us with:
  - Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements and supplementary information such as records, documentation, and other matters;

May 16, 2024  
Page 3

- Additional information that we may request from management for the purpose of the audit; and
- Unrestricted access to persons within the City of Sheboygan from whom we determine it necessary to obtain audit evidence

You are responsible for the preparation of the supplementary information in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the representation letter that (a) you are responsible for presentation of the supplementary information in accordance with GAAP; (b) that you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (c) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for (i) adjusting the financial statements to correct material misstatements and for affirming to us in a management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period under audit are immaterial, both individually and in the aggregate, to the financial statements taken as a whole, and (ii) notifying us of all material weaknesses, including other significant deficiencies, in the design or operation of your internal control over financial reporting that are reasonably likely to adversely affect your ability to record, process, summarize and report external financial data reliably in accordance with GAAP. Management is also responsible for identifying and ensuring that the City of Sheboygan complies with the laws and regulations applicable to its activities.

As part of our audit process, we will request from management and, when appropriate, those charge with governance written confirmation concerning representations made to us in connection with the audit.

Baker Tilly is not a municipal advisor as defined in Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act or under Section 15B of the Securities Exchange Act of 1934 (the Act). Baker Tilly is not recommending an action to the City of Sheboygan; is not acting as an advisor to you and does not owe a fiduciary duty pursuant to Section 15B of the Act to you with respect to the information and material contained in the deliverables issued under this engagement. Any municipal advisory services would only be performed by Baker Tilly Municipal Advisors LLC (BTMA) pursuant to a separate engagement letter between you and BTMA. You should discuss any information and material contained in the deliverables with any and all internal and external advisors and experts that you deem appropriate before acting on this information or material.

### **Nonattest Services**

Prior to or as part of our audit engagement, it may be necessary for us to perform certain nonattest services.

- > Preparation of financial statements
- > Propose adjusting journal entries, as necessary

None of these nonattest services constitute an audit under generally accepted auditing standards.

We will not perform any management functions or make management decisions on your behalf with respect to any nonattest services we provide.

May 16, 2024  
Page 4

In connection with our performance of any nonattest services, you agree that you will:

- > Continue to make all management decisions and perform all management functions, including approving all journal entries and general ledger classifications when they are submitted to you.
- > Designate an employee with suitable skill, knowledge, and/or experience, preferably within senior management, to oversee the services we perform.
- > Evaluate the adequacy and results of the nonattest services we perform.
- > Accept responsibility for the results of our nonattest services.
- > Establish and maintain internal controls, including monitoring ongoing activities related to the nonattest function.

On a periodic basis, as needed, we will meet with you to discuss your accounting records and the management implications of your financial statements. We will notify you, in writing, of any matters that we believe you should be aware of and will meet with you upon request.

#### **Other Documents**

If you intend to reproduce or publish the financial statements in an annual report or other information (excluding official statements), and make reference to our firm name in connection therewith, you agree to publish the financial statements in their entirety. In addition, you agree to provide us, for our approval and consent, proofs before printing and final materials before distribution.

If you intend to reproduce or publish the financial statements in an official statement, unless we establish a separate agreement to be involved in the issuance, any official statements issued by the City of Sheboygan must contain a statement that Baker Tilly is not associated with the official statement, which shall read "Baker Tilly US, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. Baker Tilly US, LLP, has also not performed any procedures relating to this official statement."

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

The documentation for this engagement, including the workpapers, is the property of Baker Tilly and constitutes confidential information. We may have a responsibility to retain the documentation for a period of time sufficient to satisfy any applicable legal or regulatory requirements for records retention. Baker Tilly does not retain any original client records and we will return such records to you at the completion of the services rendered under this engagement. When such records are returned to you, it is the City of Sheboygan's responsibility to retain and protect its accounting and other business records for future use, including potential review by any government or other regulatory agencies. By your signature below, you acknowledge and agree that, upon the expiration of the documentation retention period, Baker Tilly shall be free to destroy our workpapers related to this engagement. If we are required by law, regulation or professional standards to make certain documentation available to regulators, the City of Sheboygan hereby authorizes us to do so.

### Timing and Fees

Completion of our work is subject to, among other things, (i) appropriate cooperation from the City of Sheboygan's personnel, including timely preparation of necessary schedules, (ii) timely responses to our inquiries, and (iii) timely communication of all significant accounting and financial reporting matters. When and if for any reason the City of Sheboygan is unable to provide such schedules, information, and assistance, Baker Tilly and you may mutually revise the fee to reflect additional services, if any, required of us to complete the audit. Delays in the issuance of our audit report beyond the date that was originally contemplated may require us to perform additional auditing procedures which will likely result in additional fees.

Certain changes in the City of Sheboygan's business or within its accounting department may result in additional fees not contemplated as part of the original engagement quote provided below. Examples of such changes include but are not limited to: implementation of new general ledger software or a new chart of accounts; the creation of new funds, departments or component units; other significant changes in operations; new financing arrangements or modifications to existing financing arrangements; significant new federal or state funding; government combinations; significant new employment agreements; complex research matters; and significant subsequent events. Any additional fees associated with these business or accounting changes would not be expected to be recurring in nature.

For certain transactions or changes in operations or conditions, financial reporting and/or auditing standards may require us to utilize the services of internal or external valuation specialists. This includes matters such as government combinations, impairment evaluations, and going concern evaluation, among other potential needs for specialists. The time and cost of such services are not included in the fee estimate provided below.

Revisions to the scope of our work will be communicated to you and may be set forth in the form of an "Amendment to Existing Engagement Letter." In addition, if we discover compliance issues that require us to perform additional procedures and/or provide assistance with these matters, fees at our standard hourly rates apply.

We estimate that our fees will range from \$20,000 to \$30,000. Invoices for these fees will be rendered each month as work progresses and are payable on presentation. In addition to professional fees, our invoices will include our standard administrative charge, plus travel and subsistence and other out-of-pocket expenses related to the engagement. A charge of 1.5 percent per month shall be imposed on accounts not paid within thirty (30) days of receipt of our statement for services provided. In accordance with our firm policies, work may be suspended if your account becomes thirty (30) days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notice of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination. In the event that collection procedures are required, the City of Sheboygan agrees to be responsible for all expenses of collection including related attorneys' fees.

May 16, 2024

We may use temporary contract staff to perform certain tasks on your engagement and will bill for that time at the rate that corresponds to Baker Tilly staff providing a similar level of service. Upon request, we will be happy to provide details on training, supervision and billing arrangements we use in connection with these professionals. Additionally, we may from time to time, and depending on the circumstances, use service providers (e.g., to act as a specialist or audit an element of the financial statements) in serving your account. We may share confidential information about you with these contract staff and service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all contract staff and service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the contract staff or third-party service provider. Furthermore, the firm will remain responsible for the work provided by any such contract staff or third-party service providers.

In the event that we receive a request from a third party (including a subpoena, summons or discovery demand in litigation) calling for the production of information, we will promptly notify the City of Sheboygan, unless otherwise prohibited. In the event we are requested by the City of Sheboygan or required by government regulation, subpoena or other legal process to produce our engagement working papers or our personnel as witnesses with respect to services rendered to the City of Sheboygan, so long as we are not a party to the proceeding in which the information is sought, we may seek reimbursement for our professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

We may be required to disclose confidential information with respect to complying with certain professional obligations, such as peer review programs. All participants in such peer review programs are bound by the same confidentiality requirements as Baker Tilly and its employees. Baker Tilly will not be required to notify the City of Sheboygan if disclosure of confidential information is necessary for peer review purposes.

Our fees are based on known circumstances at the time of this Engagement Letter. Should circumstances change significantly during the course of this engagement, we will discuss with you the need for any revised audit fees. This can result from changes at the City of Sheboygan, such as the turnover of key accounting staff, the addition of new funds or significant federal or state programs or changes that affect the amount of audit effort from external sources, such as new accounting and auditing standards that become effective that increase the scope of our audit procedures. This Engagement Letter currently includes all auditing and accounting standards and the current single audit guidance in effect as of the date of this letter.

Baker Tilly's fees are exclusive of any federal, national, regional, state, provincial or local taxes, including any VAT or other withholdings, imposed on this transaction, the fees, or on Client's use of the Services or possession of the Deliverable (individually or collectively, the Taxes). All applicable Taxes shall be paid by Client without deduction from any fees owed by Client to Baker Tilly. In the event Client fails to pay any Taxes when due, Client shall defend, indemnify, and hold harmless Baker Tilly, its officers, agents, employees and consultants from and against any and all fines, penalties, damages, costs (including, but not limited to, claims, liabilities or losses arising from or related to such failure by Client) and will pay any and all damages, as well as all costs, including, but not limited to, mediation and arbitration fees and expenses as well as attorneys' fees, associated with Client's breach of this section.

We would expect to continue to perform our services under the arrangements discussed above from year to year, unless for some reason you or we find that some change is necessary. We will, of course, be happy to provide the City of Sheboygan with any other services you may find necessary or desirable.

### **Resolution of Disagreements**

In the unlikely event that differences concerning services or fees should arise that are not resolved by mutual agreement, both parties agree to attempt in good faith to settle the dispute by mediation administered by the American Arbitration Association (AAA) under its mediation rules for professional accounting and related services disputes before resorting to litigation or any other dispute-resolution procedure. Each party shall bear their own expenses from mediation.

If mediation does not settle the dispute or claim, then the parties agree that the dispute or claim shall be settled by binding arbitration. The arbitration proceeding shall take place in the city in which the Baker Tilly office providing the relevant services is located, unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act (FAA) and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the AAA, except that no pre hearing discovery shall be permitted unless specifically authorized by the arbitrator. The arbitrator will be selected from Judicate West, AAA, Judicial Arbitration & Mediation Services (JAMS), the Center for Public Resources or any other internationally or nationally recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within fifteen (15) days of the parties' agreement to settle the dispute or claim by binding arbitration, and arbitration will thereafter proceed expeditiously. Any issue concerning the extent to which any dispute is subject to arbitration, or concerning the applicability, interpretation, or enforceability of any of these procedures, shall be governed by the FAA and resolved by the arbitrators. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award nonmonetary or equitable relief and will not have the right to award punitive damages or statutory awards. Furthermore, in no event shall the arbitrator have power to make an award that would be inconsistent with the Engagement Letter or any amount that could not be made or imposed by a court deciding the matter in the same jurisdiction. The award of the arbitration shall be in writing and shall be accompanied by a well reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or state court of competent jurisdiction. Discovery shall be permitted in arbitration only to the extent, if any, expressly authorized by the arbitrator(s) upon a showing of substantial need. Each party shall be responsible for their own costs associated with the arbitration, except that the costs of the arbitrator shall be equally divided by the parties. Both parties agree and acknowledge that they are each giving up the right to have any dispute heard in a court of law before a judge and a jury, as well as any appeal. The arbitration proceeding and all information disclosed during the arbitration shall be maintained as confidential, except as may be required for disclosure to professional or regulatory bodies or in a related confidential arbitration. The arbitrator(s) shall apply the limitations period that would be applied by a court deciding the matter in the same jurisdiction, including the contractual limitations set forth in this Engagement Letter, and shall have no power to decide the dispute in any manner not consistent with such limitations period. The arbitrator(s) shall be empowered to interpret the applicable statutes of limitations.

Our services shall be evaluated solely on our substantial conformance with the terms expressly set forth herein, including all applicable professional standards. Any claim of nonconformance must be clearly and convincingly shown.

### **Limitation on Damages and Indemnification**

The liability (including attorney's fees and all other costs) of Baker Tilly and its present or former partners, principals, agents or employees related to any claim for damages relating to the services performed under this Engagement Letter shall not exceed the fees paid to Baker Tilly for the portion of the work to which the claim relates, except to the extent finally determined to have resulted from the willful misconduct or fraudulent behavior of Baker Tilly relating to such services. These terms shall also continue to apply after any termination of this Engagement Letter.

You accept and acknowledge that any legal proceedings arising from or in conjunction with the services provided under this Engagement Letter must be commenced within twelve (12) months after the performance of the services for which the action is brought, without consideration as to the time of discovery of any claim or any other statutes of limitations or repose.

Collectively, City and Owner shall be referred to as “Parties” and individually as a “Party.”

**WITNESSETH**

WHEREAS, the City made all mortgage payments on Owner’s behalf totaling \$114,181.33 until the mortgage was fully paid in January, 2024; and

WHEREAS, Owner has resided at the Property rent- free since the amended closing date and while the Parties negotiated a complete resolution of all unresolved matters; and

**JUNE 3, 2024.**

AN ORDINANCE amending Section 2-100(a) of the Municipal Code so as cancel the common council meetings scheduled for July 15, 2024, and August 19, 2024.

WHEREAS, Section 2-100(a) of the Municipal Code provides that “regular meetings of the common council shall be held on the first and third Mondays of each month at 6:00 p.m.” with some exceptions; and

WHEREAS, many cities in Wisconsin have successfully moved to monthly Common Council meetings; and
