**CITY OF SHEBOYGAN
RESOLUTION 92-24-25**

BY ALDERPERSONS RUST AND LA FAVE.

OCTOBER 7, 2024.

A RESOLUTION authorizing the Purchasing Agent to issue a purchase order for several vehicles for the Sheboygan Police Department.

WHEREAS, with supply chain problems on automobile production, Ford Motor Co. is experiencing a backlog of production orders and as such it would be prudent for the City to place their order for police vehicles prior to the new year; and

WHEREAS, funding for the purchase of five (5) vehicles has been included in the 2025 budget request and a pre-order of the vehicles now will not result in the City taking receipt of the vehicles or paying for them until 2025; and

WHEREAS, State law and the City's Procurement Policy allows the City to join with other units of government in cooperative purchasing plans when the best interest of the City would be served; and

WHEREAS, the State of Wisconsin has a number of cooperative purchasing agreements, which municipalities may use to take advantage of competitive, pre-negotiated prices; and

WHEREAS, having reviewed the State of Wisconsin's cooperative purchasing agreements for the purchase of vehicles, City staff believes, and the Council agrees that this is the best procurement method for this purchase; and

WHEREAS, the Police Department has indicated a need for one (1) marked squad vehicle, three (3) all-wheel drive SUV's for administrative and civilian usage, and one (1) four-wheel drive pickup truck to be used for parking control and a Community Service Officer for the 2025 budget year; and

WHEREAS, should the final budget request for 2025 Capital Improvements for the Police Department fail to garner approvals, the orders can still be cancelled; and

WHEREAS, once the vehicles have been received, the vehicles that are being replaced will be put to public auction.

NOW, THEREFORE, BE IT RESOLVED: That the Purchasing Agent is authorized to issue a Purchase Order to Ewald Automotive Group of Oconomowoc, Wisconsin for the purchase of five (5) vehicles.

BE IT FURTHER RESOLVED: That the Common Council understands that these Purchase Orders will be subject to the terms and conditions set forth in the State of Wisconsin’s cooperative purchase agreement (Contract Number 505ENT-M24-VEHICLES-00), a copy of which is available at vendornet.wi.gov.

BE IT FURTHER RESOLVED: That, if the 2025 budget is approved to include this purchase, the appropriate City officials are hereby authorized to draw funds in the amount of \$186,723.50, which includes license and title fees, from Account No. 400200-651100 (2025 Capital Project Fund - Public Safety Vehicles) for the purchase of the vehicles and their associated license and title fees. If the 2025 Budget is not approved to include this purchase, staff may either submit a separate budget amendment request to Council or may cancel the purchase.

WHEREAS, Wisconsin Division of Hospital Sisters Health System operates clinics, hospitals, and other facilities, that have the ability to provide internship experiences (collectively the "**Facility**");

WHEREAS, the School desires to provide educational experiences to the students (hereinafter each a "**Student**" or collectively "**Students**") enrolled in one of the School's practical learning programs, as listed in **Exhibit A**, attached hereto and incorporated herein (hereinafter, each a "**Program**" or collectively the "**Programs**");

WHEREAS, Facility is willing to make available certain Facility sites, as listed in **Exhibit B**, attached hereto and incorporated herein, to the School, its employed faculty members, if applicable, and Students, **dependent on availability**, for the purpose of providing practical learning and clinical experiences through the Programs, which will necessarily include some activities and tasks performed by each Student; and

WHEREAS, requirements specific to each Program are set forth in **Exhibit C**.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. SCHOOL RESPONSIBILITIES:

1.1. Provision of foundational curriculum to students. The School shall have the total responsibility for planning and determining the adequacy of the educational experience of Students in theoretical background, basic skill, professional ethics, attitude and behavior, and will assign to the Facility only those Students who have satisfactorily completed the prerequisite didactic portion of the School's Program curriculum.

2. FACILITY RESPONSIBILITIES:

- 2.1. Provision of facilities for supervised clinical experiences.** Subject to the provisions of Section 3.2 of this Agreement, the Facility agrees to make the appropriate facilities available to the School in order to provide supervised clinical experiences to Students, **availability to be determined by Facility**. Such facilities shall include an environment conducive to the learning process of the Students as intended by the terms of this Agreement and conforming to customary Facility procedures.
- 2.2. - 2.3. Patient care.** While at the Facility, Students are not to replace the Facility staff, and are not to render services except as identified for educational value and delineated in the jointly planned educational experiences set forth in **Exhibit D**,

attached hereto and incorporated herein by reference (the “**Patient Care Duties**”). Any such direct contact between a Student and a patient shall be under the supervision of a supervisor designated by the School. The Facility shall at all times remain responsible for patient care. The School shall be responsible for ensuring each Student is adequately supervised at all times.

- 2.4. **Emergency treatment of Students.** Emergency outpatient treatment will be available to Students while in the Facility hospital for clinical training in case of accident or illness. - 2.6. **Identity and credentials of Facility supervising personnel.** The Facility shall designate and submit in writing to the School the name, and where applicable the professional and academic credentials, of the individual(s) overseeing Student(s) experiences, as specified in **Exhibit C**.
- 2.7. **School tour of Facility.** The Facility shall, on reasonable request and subject to legal restrictions regarding patient health information, permit a tour of its clinical facilities and services available and other items pertaining to clinical learning experiences, by representatives of the School and agencies charged with responsibility for approval of the facilities or accreditation of the curriculum.

3. OTHER RESPONSIBILITIES:

- 3.1. **Compliance with patient privacy laws.** The School agrees to abide by and require its faculty and Students to abide by the Standards for Privacy of Individually Identifiable Health Information and all other regulations promulgated under

Section 264 of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and other state or federal health information privacy and security laws (collectively, "Privacy Laws") in effect as of the Effective Date or as amended from time to time. Upon request, the Parties may amend the Agreement to conform with any new or revised Privacy Laws in order to ensure that Facility is at all times in conformance with all Privacy Laws. School and each Student acknowledges and agrees that each is a participant in Facility's organized health care arrangement ("OHCA"), and further agree to act in accordance with such OHCA designation.

- 3.2. **Determination of instructional period.** The course of instruction will cover a period of time as arranged between the School and the Facility. The beginning dates and length of experience shall be mutually agreed upon by the School and the Facility.
- 3.3. **Determination of number of participating Students.** The number of Students eligible to participate in the clinical placement will be determined and may be changed by mutual agreement of the Parties. Notwithstanding the foregoing, the Facility and the School agree and understand that the availability of clinical placements at Facility during the term of this Agreement may periodically be affected by a variety of factors. In such event, Facility may reduce the number of Students eligible to participate in the clinical education experience with prior notice to the School and adequate time for the School to reassign the Student(s) to another clinical site. The Facility agrees further to accommodate Students of the School who are similarly displaced from other clinical affiliates of the School to the extent that clinical space is available at the Facility.
- 3.4. **Evaluation of Students' clinical experiences.** Evaluation of the clinical learning experiences of the Students will be accomplished jointly by the School and the Facility. Appropriate School and Facility staff will communicate on a regular basis for the purpose of reviewing and evaluating current clinical experiences offered to Students.
- 3.5. **Removal of Students.**
 - 3.5.1. The School has the right to remove a Student from a clinical education Program. The School shall notify the Facility of such removal in writing.
 - 3.5.2. The Facility may immediately remove any Student participating in a clinical education experience from the Facility's premises for behavior that the Facility deems to be a threat to the health or welfare of its patients, staff members, visitors, or operations. The Facility, in its sole discretion, may also immediately remove any Student for the failure to adhere to any applicable policy, procedure, standard, or practice of the Facility. In such event, the Facility shall notify the School in writing of its actions and the reasons for its actions as soon as practicable. If the Facility desires to remove a Student for any other reason, it shall notify the School in writing of the reasons for the removal and shall consult with the School before removing the Student.

4. TERM OF AGREEMENT:

The initial term of this Agreement shall be for one (1) year, to commence on the Effective Date and terminate one (1) year thereafter. Following expiration of the initial term, this Agreement shall automatically renew for successive one (1) year terms until terminated in accordance with this Section. Either Party may terminate this Agreement at any time, without cause or penalty, upon ninety (90) days prior written notice to the other Party. In the event that this Agreement is terminated, Students who are participating in the clinical learning experiences at the time of termination shall be allowed to complete such assignment under the terms and conditions herein set forth.

5. ADDITIONAL TERMS:

- 5.1. Ethical and Religious Directives.** The Parties acknowledge that Facility is operated in accordance with the *Ethical and Religious Directives for Catholic Healthcare Services* as promulgated, from time to time, by the United States Conference of Catholic Bishops, Washington, D.C., of the Roman Catholic Church ("**Ethical and Religious Directives**"), and that the principles and beliefs of the Roman Catholic Church are a matter of conscience to Facility. It is the intent and agreement of the Parties that neither this Agreement nor any part hereof shall be construed to require Facility to violate said Ethical and Religious Directives in its operation and all parts of this Agreement must be interpreted in a manner that is consistent with said Ethical and Religious Directives. The School shall ensure that Students act in accordance with the Ethical and Religious Directives when engaged in clinical educational experiences at Facility.
- 5.2. Compliance with laws.** The Parties believe and intend that this Agreement complies with all relevant federal and state laws as well as relevant regulations and accreditation standards, including but not limited to Federal Health Care Program (as defined under 42 U.S.C. § 1320a-7b(f)), fraud and abuse laws (including the Anti-Kickback Statute and the Stark Law), and all of the rules and regulations promulgated pursuant to, and all of the cases or opinions interpreting such statutes and laws (collectively, "**Laws**").
- 5.3. Corporate Compliance Program.** Facility has in place a Corporate Compliance Program (the "**Compliance Program**") which has as its goal, to ensure that Facility complies with Laws. The Compliance Program focuses on risk management, the prevention of misconduct and the promotion of good corporate citizenship, including the commitment to uphold a high standard of ethical and legal business practices. The School acknowledges Facility's commitment to the Compliance Program and agrees to conduct all activities which occur pursuant to this Agreement in accordance with the underlying philosophy of the Compliance Program.
- 5.4. Warranty of non-exclusion.** Each Party represents and warrants to the other that it is not: excluded from participation in any Federal Health Care Program; debarred, suspended or otherwise excluded from participating in any other federal or state

procurement or non-procurement program or activity; or designated a Specially Designated National or Blocked Person by the Office of Foreign Asset Control of the U.S. Department of Treasury. Each Party further represents and warrants to the other Party that to its knowledge, there are no pending or threatened governmental investigations that may lead to such exclusion. The School shall notify Facility in writing upon the commencement of any such exclusion or investigation within seven (7) business days of receiving first notice of such exclusion or investigation. Facility shall have the right to terminate this Agreement immediately upon learning of any such exclusion and shall be kept informed of the status of any such investigation.

- 5.5. Independent Parties.** Except as set forth in this Agreement, no action taken by either Party, or its officers, employees or agents pursuant to this Agreement, shall be deemed to create any partnership, joint venture, association or syndicate between the Parties, nor shall any such action be deemed to confer upon either Party any express or implied right or authority to assume, or create any obligation or responsibility on behalf of, or in the name of, the other Party. The Parties to this Agreement are independent entities, contracting with each other solely for the purpose of carrying out the terms and conditions of this Agreement. Facility shall not be responsible for the payment of any federal, state or local taxes arising under or in connection with this Agreement, including, without limitation, the payment of actual and estimated tax liabilities, and Facility shall be indemnified and held harmless from any loss, cost, or liability arising out of the School's failure to do so.
- 5.6. Indemnification.** Each Party agrees to indemnify and hold the other harmless from any and all claims, suits, damages, fines, penalties, judgments, liabilities and expenses (including reasonable attorney's fees and court costs) arising from (a) any negligent or willful act or omission of the Party, its agents, or employees, (b) breach of this Agreement or (c) violation of a Law; provided, however, that the School shall not be entitled to indemnification for any claims, liability, losses, or damages caused by the acts or omissions of any of its Students or faculty members assigned to Facility pursuant to this Agreement. Notwithstanding anything to the contrary in this Agreement, a Party's obligations with respect to indemnification for acts described in this Section shall not apply to the extent that such application would nullify any existing insurance coverage of such Party or as to that portion of any claim of loss in which an insurer is obligated to defend or satisfy. This Section shall survive the expiration or earlier termination of this Agreement. Where Worker's Compensation or other obligation for payment of benefits may arise, this Agreement shall neither enlarge nor diminish such obligation.
- 5.7. Non-Discrimination.** The Parties hereto shall abide by the requirements of Executive Order 11246, 42 U.S.C. Section 2000d and the regulations thereto, as may be amended from time to time, as well as any and all applicable rules and regulations of the State. - 5.9. Amendments.** This Agreement may be amended only by an instrument in writing signed by the Parties.
- 5.10. Assignment.** Neither Party may assign this Agreement or the rights or obligations hereunder without the specific written consent of the other Party, except that this Agreement may be assigned by Facility without the prior written approval of the School to an affiliate of Facility. For purposes of this Agreement, "Affiliate" shall mean any successor entity of Facility, or any entity controlled directly or indirectly by Facility or Hospital Sisters Health System.

This provision will not, however, release such party from using its best efforts to remove such cause and such party will continue performance hereunder with the utmost dispatch whenever such causes are removed. If a Force Majeure Event occurs, HSHS may propose an amendment to this Agreement within thirty (30) days, or a time that is reasonable given the circumstances. The proposed amendment can either be accepted, or HSHS will have the right to terminate this Agreement.
- 5.12. Mission.** The ecclesiastical mission of the Hospital is to reveal and embody Christ's healing love for all people through high quality Franciscan health care ministry. This determination will be subject to the ecclesiastical abstention doctrine¹, as it relates to an internal determination of interference in the Hospital's

¹ The ecclesiastical abstention doctrine, also known as the church autonomy doctrine, is a common law doctrine that guides courts when a case would require the court to decide a religious question. The doctrine provides that if a case would require a civil court to decide a matter of religious doctrine, then the court should either refuse to adjudicate the matter or defer to the relevant religious hierarchy. Watson v. Jones, 80 US 679, US Supreme Court an 1871 Supreme Court case is often cited as the basis for the doctrine in the United States, and grounds the doctrine in the Free Exercise Clause of the First Amendment.

ecclesiastical mission. If Hospital determines that the conduct of any other Party is or could be detrimental to the Hospital's ecclesiastical mission, then Hospital may immediately terminate this Agreement by providing written notice of termination.

- 5.13. Books and records.** If this Agreement is a contract within the purview of Section 1861(v)(1)(I) of the Social Security Act (Section 952 of the Omnibus Reconciliation Act of 1980) and the regulations promulgated at 42 C.F.R. Part 420 in implementation thereof, the Parties agree to make available to the Comptroller General of the United States ("**Comptroller General**"), the Secretary of the Department of Health and Human Services ("**Secretary**") and their duly authorized representatives, for four (4) years after the latest furnishing of services pursuant to this Agreement, access to the books, documents and records and such other information as may be required by the Comptroller General or Secretary to verify the nature and extent of the costs of services provided by each Party, respectively. If either Party, upon the approval of the other Party, carries out the duties of this Agreement through a subcontract worth \$10,000.00 or more over a twelve (12) month period with a related organization, the subcontract will also contain an access clause to permit access by the Secretary, Comptroller General and their representatives to the related organization's books and records.
- 5.14. Corporate practice of medicine.** Nothing contained herein shall be construed as allowing or authorizing Facility to engage in the practice of medicine, either directly or through its agents or employees. It is the intent of the Parties that any actions performed pursuant to this Agreement which constitute acts of medicine are not acts of, or by, Facility.
- 5.15. Counterparts; facsimile and pdf signatures.** The Parties agree that this Agreement may be executed in multiple originals, each of which shall be considered an original for all purposes and, collectively, shall be considered to constitute this Agreement. The Parties further agree that signatures transmitted by facsimile or in Portable Document Format (pdf) may be considered an original for all purposes, including, without limitation, the execution of this Agreement and enforcement of this Agreement.
- 5.16. Entire agreement.** This Agreement supersedes all previous contracts or agreements between the Parties for the same services and constitutes the entire agreement between the Parties. Neither the School nor Facility shall be entitled to benefits other than those specifically enumerated herein.
- 5.17. Governing law.** This Agreement shall be construed and governed by the laws of the State. Unless otherwise required by law, the Parties shall submit to the jurisdiction of the courts within the county where Facility is located in the State.
- 5.18. Headings.** The headings and subheadings in this Agreement are inserted for convenience of reference only and shall not affect the meaning or interpretation of this Agreement.

- 5.19. Interpretation.** The Parties hereto acknowledge that (i) each Party has reviewed the terms and provisions of this Agreement; (ii) the rule of construction to the effect that any ambiguities are resolved against the drafting Party shall not be employed in the interpretation of this Agreement; and (iii) the terms and provisions of this Agreement shall be construed fairly as to all Parties hereto and not in favor or against any Party, regardless of which Party was generally responsible for the preparation of this Agreement.
- 5.20. Notice.** Notices or communications herein required or permitted shall be given to the respective Party by registered or certified mail, by overnight courier service (e.g., UPS), by electronic mail for which the sender has an electronic receipt, or by hand delivery, at the address listed under the Party's signature to this Agreement unless either Party shall designate a new address by written notice. The notice shall be deemed to be given as follows: (i) in the case of certified or registered mail, three (3) days after the date of its mailing; (ii) in the case of overnight courier service, on the next business day following mailing; (iii) in the case of electronic mail, on the date notice was sent; and (iv) in the case of hand delivery, on the date of its receipt by the Party entitled to it.
- 5.21. Severability.** If any term, covenant, or condition of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable, then the remainder of this Agreement and the application of any term or provision to any person or circumstances, other than those to which it is held invalid or unenforceable, shall not be affected thereby and all other terms shall be valid and enforceable to the fullest extent permitted by law.
- 5.22. Survival.** Any provision which expressly or by its context requires, after termination of this Agreement, action or places obligations on the Parties to this Agreement, shall so survive the termination of this Agreement.
- 5.23. Third party rights.** Except as otherwise expressly stated herein, the Parties do not intend to create any enforceable rights in any third party under this Agreement and there are no third party beneficiaries to this Agreement.
- 5.24. Waiver of breach.** The waiver by either Party of a breach or violation of any provision of this Agreement shall not operate as nor be construed to be a waiver of any subsequent breach hereof.
