4. Action Items

I. SUB 26-0015

Hammocks @ Shallotte Pointe, LLC. has submitted a request to amend the previously approved preliminary plan for the Tidelands Preserve subdivision (22.09 acres, 39 lots) to allow for project phasing, splitting the development into two phases. Phase 2 would consist of lots 31-39.

Alan Lewis of East Coast Engineering explained that the phasing request was necessitated by a temporary delay in the design of a pedestrian overwalk.

Robert Waring clarified that an improvement guarantee is not allowable for the pedestrian infrastructure, making phasing the appropriate mechanism to ensure the work is completed while allowing the developer to proceed with Phase 1 lot recording.

Action Taken:

A motion was made by Maria Paslick, seconded by Amy Causey, to approve the preliminary subdivision plat update for SUB 26-0015, Tidelands Preserve, to allow phasing as presented. The motion passed 6 yes, 0 no.

II. ANX 26-11

OI Investment Properties, LLC has submitted a petition for annexation and rezoning of 98 acres of property (PID 21400001) located along Gray Bridge Road across from Solterra subdivision.

The property owner has requested the property be rezoned from County R-7500 to Shallotte Planned Unit Development (PUD). The master plan consists of 400 single-family lots with a proposed density of 4 units/acre.

Action Taken:

Ron Johnson made a motion to recommend approval to the Board of Aldermen of Zoning Map Amendment ANX 26-11 for the property located along Gray Bridge Road (PID# 21400001), rezoning the property from County R-7500 to Shallotte PUD upon approval of the annexation, subject to the following conditions:

1. Preliminary subdivision plans match PUD plans
2. A completed and signed sewer permit application be received prior to recording final plat
3. Tree canopy preservation/replacement within common areas & open space be maximized

Motion seconded by Maria Paslick. Motion passed 6 yes, 0 no.

Town of Shallotte Planning Board Conflict of Interest Statement

Taking into consideration the general statute below and the items described on this month's agenda, does any member of the Planning Board or staff have any potential conflicts of interest that should be addressed by the Board at this time? If so, please make those concerns known now.

§ 160D-109. Conflicts of interest.

(a) Governing Board. – A governing board member shall not vote on any legislative decision regarding a development regulation adopted pursuant to this Chapter where the outcome of the matter being considered is reasonably likely to have a direct, substantial, and readily identifiable financial impact on the member. A governing board member shall not vote on any zoning amendment if the landowner of the property subject to a rezoning petition or the applicant for a text amendment is a person with whom the member has a close familial, business, or other associational relationship.

(b) Appointed Boards. – Members of appointed boards shall not vote on any advisory or legislative decision regarding a development regulation adopted pursuant to this Chapter where the outcome of the matter being considered is reasonably likely to have a direct, substantial, and readily identifiable financial impact on the member. An appointed board member shall not vote on any zoning amendment if the landowner of the property subject to a rezoning petition or the applicant for a text amendment is a person with whom the member has a close familial, business, or other associational relationship.

(c) Administrative Staff. – No staff member shall make a final decision on an administrative decision required by this Chapter if the outcome of that decision would have a direct, substantial, and readily identifiable financial impact on the staff member or if the applicant or other person subject to that decision is a person with whom the staff member has a close familial, business, or other associational relationship. If a staff member has a conflict of interest under this section, the decision shall be assigned to the supervisor of the staff person or such other staff person as may be designated by the development regulation or other ordinance.

No staff member shall be financially interested or employed by a business that is financially interested in a development subject to regulation under this Chapter unless the staff member is the owner of the land or building involved. No staff member or other individual or an employee of a company contracting with a local government to provide staff support shall engage in any work that is inconsistent with his or her duties or with the interest of the local government, as determined by the local government.

(d) Quasi-Judicial Decisions. – A member of any board exercising quasi-judicial functions pursuant to this Chapter shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons' constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.

(e) Resolution of Objection. – If an objection is raised to a board member's participation at or prior to the hearing or vote on a particular matter and that member does not recuse himself or herself, the remaining members of the board shall by majority vote rule on the objection.

(f) Familial Relationship. – For purposes of this section, a "close familial relationship" means a spouse, parent, child, brother, sister, grandparent, or grandchild. The term includes the step, half, and in-law relationships. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, s. 51(a), (b), (d).)

ACTION AGENDA ITEM
2026

TO: Planning Board

ACTION ITEM #: REZ 26-019

MEETING DATE: 9/8/2026

FROM: Robert Waring, Planning Director

DATE SUBMITTED: _____

ISSUE/ACTION REQUESTED: Review a request to rezone a parcel from PUD to R-10 & provide the Board of Aldermen a recommendation.

PUBLIC HEARING: ☐ YES ☐ NO

BACKGROUND/PURPOSE OF REQUEST:

The parcel in question (Parcel ID # 2130003809) is a 1.46-acre (63,598 ft²) tract located along Pine Lake Dr. SW. The property was included in a rezoning for the Summer's Walk PUD, although no use was identified on the master plan.

The owner has requested that the property be rezoned so as to be developed independently of the neighboring project.

Residential-10 zoning has a max density of 6 units/acre and requires a 10,000 Ft² lot, 75' wide, with setbacks as follows:

Front: 30'

Side: 8'

Rear: 20'

PUD zoning also has a max density of 6 units/acre, setbacks are determined by the PUD master plan.

The property's size is below the threshold of a PUD or conditional rezoning that would require a master plan.

The Planning Board may:

Vote to recommend approval the rezoning as proposed; or

Vote to recommend denying the rezoning as proposed; or

Continue the item until additional information is presented.
