Commissioner Dan Tadic
Commissioner Tyler Wagner

Meeting Minutes Approval

1. August 13, 2025, Draft Minutes for Approval

The August 13th, 2025, meeting minutes were approved as presented by unanimous vote of commissioner's present.

Motion made by Commissioner Bohall, Seconded by Commissioner Janssen.

Voting Yea: Commissioner Donenfeld, Commissioner Janssen, Commissioner Delucchi, Chair Long, Commissioner Bohall. Commissioner Siemers arrived after the vote at 2:36pm.

Old/Unfinished Business

2. Parks Capital Projects Update

Community Planning and Development Director Jason Welker reported on multiple park projects, including a new picnic shelter at Travers Park, infrastructure for batting cages and a skate park shade structure, a taller fence around the Sports Center HVAC, and relocation of playground equipment to City Beach. Additional priorities include two new beach volleyball courts, and public art relocation. Welker also announced the upcoming retirement of longtime Parks Supervisor Austin Hull, noting that recognition is being planned for his 27 years of service.

3. Review RFQ for RV Campground and City Beach Parking Lot Design and Engineering.

Mr. Welker updated the Commission on the design process, emphasizing their role in reviewing proposals and providing feedback. Draft project objectives were presented, with discussion centered on budget priorities—particularly the high cost of individual sewer

hookups. A centralized dump and water-fill station was suggested as a cost-saving alternative, potentially allowing funds for a public restroom. The Commission observed that planned improvements are expected to boost appeal, increase reservations, and enhance the gateway experience to City Beach. Commissioners emphasized the importance of designing upgrades that serve both visitors and the local community.

Mr. Welker requested three commissioners to serve on the project advisory work group. Commissioner Bohall volunteered, while Commissioners Long and DeLucchi were invited to participate. Additional information will be provided to support their decision.

4. JER Operations Update

Recreation Facility Supervisor Ryan Wells reported that the new Court Reserve platform, JER membership program and newsletter are live. A JER volunteer program will launch in October to extend operating hours. Staff are also developing youth and adult pickleball programs and pursuing school partnerships to boost youth participation.

New Business

5. Travers Park / JER Grand Opening: Commission support in planning & execution

Mr. Wells, shared plans for a grand opening of the James E. Russell Sports Center on October 4th, 2025. The outline for the event included an open house with tennis and pickleball activities, demonstration showcasing the new court covering system, highlighting the facility's versatility for events beyond sports, a Selkirk sponsor tent, coffee and donuts in the community room, food trucks outside and a playground ribbon cutting.

Ideas to enhance the event included a radar gun serving contest, ball machines, and a Parks & Rec information table. Commissioners were invited to volunteer for shifts at the table.

6. Learning Trail - Installation Event (pending delivery of material and United Way availability)

Mr. Welker provided an update on the Learning Trail project, which will provide an interactive and educational experience for families at the new Travers Park playground.

7. Downtown Revitalization Phase 3 Citizen Advisory Committee

Mr. Welker informed Commissioners that Phase 3 of Downtown Revitalization will require a design review committee. The Commission considered representation. Following discussion, a motion was made and approved to appoint Commissioner Jansen as the Commission's representative.

Motion made by Commissioner Bohall, Seconded by Chair Long.

Voting Yea: Commissioner Donenfeld, Commissioner Janssen, Commissioner Delucchi, Chair Long, Commissioner Bohall, Commissioner Siemers

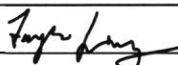

General Announcements/Comments

No new agenda items were proposed.

Adjourn

Meeting was adjourned at 3:47 pm

I presided over the meeting and can confirm that minutes, prepared by the Board Clerk and City Staff Liaison, were approved by the Parks and Recreation Commission during their regular meeting held on 10/8/2025.

Taylor Long, Chair

Kami Omodt, Board Clerk
