Proclamation

WHEREAS, the City of Snoqualmie honors those, no matter how young or old, that make a positive difference in our community and our world; and

WHEREAS, the Empower Youth Network's Youth Suicide Prevention Program, which includes the #BeKindSV campaign, makes our schools, communities, and state stronger by facilitating meaningful change through simple acts of kindness; and

WHEREAS, any day, week, or month is a good time to remind all of us of the need to remember that compassion, empathy, humility, and respect are essential ingredients in the creation and maintenance of a kind and civilized society; and

WHEREAS, kindness is a fundamental part of the human condition which bridges the divides of race, religion, politics, and gender; and

WHEREAS, by knowing, understanding, and using our power of kindness, we have the ability to send out a positive ripple that may travel throughout the Snoqualmie Valley and beyond; and

WHEREAS, by fostering acts of kindness within our community, we help our residents develop a thoughtful foundation and perspective within themselves and those around them; and

WHEREAS, through simple acts of kindness, we can promote healthy behaviors and positive dynamics within our community; and

WHEREAS, we seek to cultivate caring, kindness, and compassion within our community.

NOW, THEREFORE, I Katherine Ross, Mayor of the City of Snoqualmie, do hereby proclaim November 2025 as

KINDNESS MONTH

in the City of Snoqualmie and recognize World Kindness Day on November 13, 2025.

APPROVED, this 27th day of October 2025

From: Drew Bouta, Director of Finance

Date: October 27, 2025

Subject: CLAIMS REPORT
Approval of payments for the period: October 2, 2025 through October 15, 2025

BACKGROUND

Per RCW 42.24.080, all claims presented against the city by persons furnishing materials, rendering services, or performing labor must be certified by the appropriate official to ensure that the materials have been furnished, the services rendered, or the labor performed as described, and that the claims are just, due, and unpaid obligations against the city, before payment can be made. Expedited processing of the payment of claims when certain conditions have been met allows for the payment of claims before the legislative body has acted to approve the claims when: (1) the appropriate officers have furnished official bonds; (2) the legislative body has adopted policies that implement effective internal control; (3) the legislative body has provided for review of the documentation supporting the claims within a month of issuance; and (4) that if claims are disapproved, they shall be recognized as receivables and diligently pursued. The City of Snoqualmie meets all requirements of this state law.

Pursuant to Snoqualmie Municipal Code (SMC) Chapter 3.85, all Claims, Demands and Vouchers against the city, provides that the Finance Director or her designee will examine all claims prior to payment and provide periodic reporting of the payments to the City Council for final approval. Per SMC 3.85.040, to meet these requirements, the Finance Director schedules payment of claims and payroll for monthly Finance & Administration Committee review followed by full City Council approval on the consent agenda. Per SMC 3.85.050, documentation supporting claims paid and the Finance Director's written report are made available to all city council members at City Hall for 48 hours prior to the Finance & Administration Committee meeting. Following the 48-hour review period, the Finance & Administration Committee considers the claims as part of its regular agenda and recommends to the full city council whether to approve or disapprove the claims. Consistent with these requirements, this report seeks City Council approval of payment of claims and payroll batches summarized in the table below.

ANALYSIS

All payments made during these periods were found to be valid claims against the city. The City's internal controls include certification of the validity of all expenditures by the appropriate department and an internal audit conducted by designated finance department staff who review all claims and payroll payments. Staff performs system validation and exception reviews to validate payroll records. The Finance Director performs a random sampling review of supporting documentation for claims payments to ensure validity, as well as regularly reviews its processes to ensure appropriate internal controls are in place. The City issues disbursements for claims and payroll via the following methods:

- Warrant: paper negotiable instruments, very much like, although legally distinct from, checks
- Commercial Credit Card: as authorized by Financial Management Policy
- Electronic Funds Transfer (EFT). EFTs are electronic banking transactions (no paper instrument) of two basic types: (1) Automated Clearing House (ACH) for Electronic Fund Transfer (EFT) and (2) Wire Transfers a direct transfer between bank accounts

The following table summarizes the claims and payments authorized by the Finance Director:

The foregoing amounts were budgeted in the 2025-2026 biennial budget, and sufficient funds are available to cover these payments, as appropriate. Details pertaining to the individual vendor payments are available in documentation provided for the Finance & Administration Committee and subsequent City Council review by accessing the following link on the city website: [Claims Report](#)

Summary

Introduction *

Brief summary.

Washington State Patrol (WSP) is currently transitioning from the Sector Client collision and citation operating system to TraCS. Washington State Patrol has set a goal of transitioning all agencies to TraCS by 2027. To begin training and implementation WSP sent a Data Sharing Agreement between the City and WSP.

Proposed Motion

Move to approve the Washington State Patrol for Data Sharing Agreement and authorize the Mayor to sign.

Background/Overview *

What was done (legislative history, previous actions, ability to hyperlink)

For decades Washington State Patrol (WSP) has been the housing entity of Sector Client. Sector is the data base utilized by all law enforcement agencies in the state to complete collision reports and issue criminal and traffic infractions. WSP is transitioning to the Traffic and Criminal Software (TraCS) a new data base that is more user friendly and better supported. This transition has begun with the goal of completion by 2027. The Snoqualmie Police Department is due to begin transition in February 2026. In preparation the department has completed several documents including a list of staff/users of the program. On September

29, 2025, the department received the TraCS Data Sharing Agreement which is an Interagency Agreement between the Snoqualmie Police Department and WSP. TraCS will be replacing the aging Sector Client program.

Analysis*

We are authorizing the City to enter into the agreement with WSP for the new TraCS data base as required by WSP as they transition away from Sector Client.

Budgetary Status*

This action has no budgetary implications.

Budget Summary

**TRAFFIC AND CRIMINAL SOFTWARE
DATA SHARING AGREEMENT
BETWEEN
WASHINGTON STATE PATROL
AND
Snoqualmie Police Department**

This Agreement is made and entered into by and between the Washington State Patrol, hereinafter referred to as WSP, and the Snoqualmie Police Department hereinafter referred to as the Agency (collectively referred to as "Party or Parties"). This Agreement is entered into under authority of the Revised Code of Washington 39.34 Interagency Agreements.

PURPOSE

The purpose of this Agreement is to provide the Agency listed above access to the WSP's Traffic and Criminal Software (TraCS). This Agreement defines roles and expectations regarding the Traffic and Criminal Software (TraCS) processes data sharing and use practices, and the method for resolving technical issues.

- ☒ A general authority Washington law enforcement agency as defined in Section 10.93.020 of the Revised Code of Washington

“WTSC” means the Washington Traffic Safety Commission.

2. Statement of Work

The Parties to this Agreement shall furnish the necessary personnel, equipment, material, or service(s) and otherwise do all things necessary for or incidental to the exchange of data as set forth in *Attachment A, Statement of Work and Data Security Requirements*.

3. Period of Performance

The period of performance shall commence on the date of the last signature and continue in full force and effect until terminated as provided herein.

4. Payment

This is a non-financial Agreement. In no event shall either Party seek compensation from the other Party for work performed under this Agreement.

5. Records Maintenance

Records and other documents, in any medium, furnished by one party to this agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. Except as outlined in this agreement or otherwise required by law, the receiving party will not disclose or make available this material to any third party without first giving notice to the furnishing party at least fifteen days in advance of the disclosure. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

6. Confidentiality

Except as set forth herein or otherwise required by law, the use or disclosure by either Party of any information concerning the other Party for purposes not directly connected with the administration of responsibilities for the services provided under this agreement is prohibited. Each Party shall maintain all information which the other Party specifies in writing as Confidential Information to the extent consistent with Washington State or federal law. The Agency shall have an appropriate agreement with its employees and all others with access to the system to this effect.

6.1 Safeguarding of Confidential Information:

Each Party shall not use or disclose Confidential Information in any manner that would constitute a violation of federal or Washington State law. Each Party agrees to comply with all applicable federal and state laws and regulations, as currently enacted or revised, regarding data security, personal information, and electronic data interchange of Confidential Information.

Each Party shall protect Confidential Information collected, used, or acquired in connection with this Agreement, against unauthorized use, disclosure, modification, or loss. Except as otherwise required by law, each Party shall ensure their directors, officers, employees, subcontractors, or agents use it only for the purposes of accomplishing the services set forth in this Agreement. Each Party and all other

authorized users with access to the system agree not to release, divulge, publish, transfer, sell, or otherwise make it known to unauthorized persons. Additional authorized users may be added to the system or may receive data upon execution of a data sharing agreement between the Parties, the execution of which shall require WSP advanced approval. Each Party agrees to implement physical, electronic, and managerial policies, procedures, and safeguards to prevent unauthorized access, use, or disclosure. The Contractor shall make corrections or amendments to the Personal Information as directed by WSP and incorporate those changes into all the copies maintained by the Contractor or their Subcontractors.

Each Party reserves the right to monitor, audit, or investigate the use of Confidential Information collected, used, or acquired by the other party through this Agreement. The monitoring, auditing, or investigating may include, but is not limited to, Salting. "Salting" is the act of introducing data containing unique but false information that can be used later to identify inappropriate disclosure of data.

Each Party shall notify the other Party in writing within 24 hours upon becoming aware of any unauthorized access, use, or disclosure. Each Party shall take necessary steps to mitigate the harmful effects of such use or disclosure. The Party whose data has been subject to any unauthorized access, use, or disclosure, is financially responsible for notification of the unauthorized access, use, or disclosure. The details of the notification must be approved by the other Party. Each Party agrees to defend, protect, and hold harmless the other party for any damages related to unauthorized use or disclosure by their officers, directors, employees, Subcontractors, or agents.

Any breach of this clause may result in termination of the Agreement, suspension of on-line access accounts, or the demand for return of all confidential information.

6.2 Release of Records to State Agencies

The WSP may release records to the WTSC for carrying out the purpose, powers, and duties of the WTSC as defined in RCW 43.59. The WSP may release records to other state agencies with an authorized purpose for receiving records upon request. The WSP will maintain data sharing agreements with external agencies receiving records governed by this agreement.

6.3 Release of Records for Human Subjects Research

"Research" means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge. Release of confidential records for research shall comply with state and federal human research review processes, as implemented by the Washington State Institutional Review Board.

7. Keep Washington Working / Immigration Law

Under Washington law, the WSP and its personnel are generally prohibited from enforcing federal immigration law. See RCW 10.93.160. Neither WSP nor any of its employees may contract in any way to provide civil immigration enforcement assistance. The purpose of this addendum is to make clear that the parties interpret the attached agreement as consistent with the Washington law, including RCW 10.93.160, in that WSP and its personnel shall not engage in any acts proscribed by Washington law.

Consistent with RCW 10.93.160 and Washington Executive Order 17-01, the parties to this agree not to use or share any information obtained from the WSP, its systems, or its personnel, with any third parties to support or engage in civil immigration enforcement activities.

8. Directive 22-12 Reproductive Health Care Rights

Prohibiting cooperation or assistance with out-of-state abortion and other reproductive health care investigations, prosecutions, or other legal actions

Pursuant to the provisions of RCW 9.02.110, RCW 9.02.120, and the Governor's Directive 22-12 dated June 30, 2022, the WSP is generally prohibited from cooperating with or providing assistance to out-of-state abortion and other reproductive health care investigations, prosecutions, or other legal actions.

Neither WSP nor any of its employees or subdivisions may contract in any way to provide civil or criminal cooperation or assistance with abortion and other reproductive health care investigations,

prosecutions or other legal actions, including through agreements for task force participation, mutual aid, data sharing, communications dispatch, or any other agreement that shares resources and/or provides data as described herein. WSP shall not use or share WSP resources and/or data, including any individuals' personal information ascertained by the WSP or its personnel, with any third parties to support or engage in abortion or other reproductive health care investigations, prosecutions, or other legal actions.

Therefore, to comply with Governor's directive 22-12 and applicable statutes, the Agency shall not use or share WSP resources and/or data, including any individuals' personal information ascertained by the WSP or its personnel, with any third parties or to support or engage abortion or other reproductive health care investigations, prosecutions, or other legal actions.

The prohibition on information sharing includes place of birth, present location, release date from detention, if applicable, reproductive health care history, and family members' names, absent a court order, judicial warrant, except as may be required by the Public Records Act (PRA), chapter 42.56 RCW. Incidents of disclosure of such personal information shall be considered a breach of this agreement and shall be reported to a designated WSP official.

9. Data Retention Notification

WSP will notify Agency when data sets have met the WSP requirements for destruction and provide Agency 14 (fourteen) days to export any data that they own before WSP submits a destruction request.

10. Independent Capacity

The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party. WSP staff providing services under the terms of this Agreement shall be under the direct command and control of the Chief of WSP or designee and shall perform the duties required by this Agreement in a manner consistent with WSP policy and regulations, applicable state and local laws, and the Constitutions of the State of Washington and the United States. The assignment of personnel to accomplish the purpose of this Agreement shall be at the discretion of the Chief of WSP or designee.

11. Agreement Alterations and Amendments

This agreement may be amended or altered upon execution of a written mutual agreement of the Parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties.

- 11.2 Changes to the points of contact information may be provided in writing by email to the other Party within 10 days of any such change and enter into a written amendment to memorialize such change.
- 11.3 Without need for written amendment, in its sole discretion, the WSP may require changes in data formats, report forms and other business rules. The Agency will be notified when any changes or updates to these requirements occur, and the Agency shall comply with any such changes.
- 11.4 WSP shall advise the Agency of any changes to *Attachment C, eTRIP Committee Training* within five (5) business days of the change taking affect, without need for written amendment.

12. Termination

Either party may terminate this Agreement upon 30 days' prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement before the effective date of termination.

13. Disputes

If a dispute arises under this Agreement, it shall be determined by a Dispute Board in the following manner: Each party to this Agreement shall appoint one member to the Dispute Board. The members so appointed shall jointly appoint an additional member to the Dispute Board. The Dispute Board shall review the facts,

agreement terms and applicable statutes and rules and make a determination of the dispute. The determination of the Dispute Board shall be final and binding on the parties hereto. As an alternative to this process, either party may request intervention by the Governor, as provided by [RCW 43.17.330](#), in which event the Governor's process will control.

14. Governance

This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington, and any applicable federal laws and WSP policy. The provisions of this Agreement shall be construed to conform to those laws and policy.

In the event of an inconsistency in the terms of this Agreement, or between its terms and any applicable statute, rule, or policy, the inconsistency shall be resolved by giving precedence in the following order:

1. The terms of this Agreement
2. Applicable state and federal statutes, rules, and WSP policy;
3. Statement of work; and
4. Any other provisions of the agreement, including materials incorporated by reference.

15. Assignment

The work to be provided under this Agreement, and any claim arising thereunder, is not assignable or delegable by either party in whole or in part.

16. Waiver

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a written amendment executed between the parties.

17. Hold Harmless

To the extent allowable by law, each Party shall defend, protect, and hold harmless the other Party from and against all claims, suits and/or actions arising from any negligent or intentional act or omission of that Party's employees, agents, and/or authorized subcontractor(s) while performing under this Agreement.

18. **Rights of Inspection** Each party shall provide right of access to the other party, its officers, or any other authorized agent or official of the state or federal government at all reasonable times, in order to monitor and evaluate the following: Performance, compliance, or quality assurance of internal policies and procedures, or records relating to the safeguarding, use, and disclosure of Confidential Information obtained or used as a result of this Agreement. Each party shall make available information necessary for the other party to comply with a client's right to access, amend, or receive an accounting of disclosures of their Confidential Information.

19. Subcontracting

Subcontractors are not anticipated under this Agreement. However, if Agency desires to subcontract any of the services herein, it must first obtain approval from the WSP. Consent shall not be unreasonably withheld. This clause does not include contracts of employment between a party and their personnel who have been assigned to work under this Agreement. Each party is responsible for ensuring that all terms, conditions, assurances, and certifications set forth in this Agreement are carried forward to any subcontracts.

"Subcontractor" means one not in the employment of a party to this Agreement, who is performing all or part of those services under this contract under a separate contract with a party to this Agreement. The terms "subcontractor" and "subcontractors" mean subcontractor(s) in any tier.

20. Severability

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this agreement, and to this end the provisions of this Agreement are declared to be severable.

21. **Termination of Access**

Each party may at its discretion disqualify an individual authorized by the other party from gaining access to data. Termination of access of one individual by either party does not affect other individuals authorized under this Agreement.

22. **Filing Requirements**

This Contract may be required to be filed with the Department of Enterprise Services pursuant to Chapter 39.26 RCW. No contract so filed is effective nor shall work commence under it until the tenth (10th) working day following the date of filing subject to DES approval.

23. **Governing Law**

This Contract shall be governed in all respects by the laws of the State of Washington. The jurisdiction for any action hereunder shall be the Superior Court for the State of Washington. The venue of any action hereunder shall be in the Superior Court for Thurston County, State of Washington

24. **Antidiscrimination - SB 5186**

- 25.1 **Nondiscrimination Requirement.** During the term of this Agreement, Agency shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, Agency shall give written notice of this nondiscrimination requirement to any labor organizations with which Agency has a collective bargaining or other agreement.
- 25.2 **Obligation to Cooperate.** Agency shall cooperate and comply with any Washington state agency investigation regarding any allegation that Agency has engaged in discrimination prohibited by this Agreement pursuant to RCW 49.60.530(3).
- 25.3 **Default.** Notwithstanding any provision to the contrary, WSP may suspend Agency may upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Agreement pursuant to RCW 49.60.530(3). Any such suspension will remain in place until WSP receives notification that Agency is cooperating with the investigating state agency. In the event Agency is determined to have engaged in discrimination identified at RCW 49.60.530(3), WSP may terminate this Agreement in whole or in part, and Agency may be referred for debarment as provided in RCW 39.26.200. Agency may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

25. **Supplier Diversity**

This contract is not subject to Subcontractor Payment Reporting.

26. **Agency Contacts**

The below-listed Contacts for each of the parties shall be responsible for and shall be the contact person for all communications and billings regarding the performance of this Agreement.

The Contacts for the Agency are:	The Contacts for the WSP are:

27. Public Disclosure

The Agency acknowledges that WSP is subject to Chapter 42.56 RCW and that this contract shall be a public record as defined in the Public Records Act. Any specific information claimed by the Agency to be proprietary information must be clearly identified as such. To the extent consistent with Chapter 42.56 RCW, the WSP shall maintain the confidentiality of all such information marked as proprietary information. If a public records request is received pursuant to Chapter 42.56 RCW for documents related to this agreement, the WSP will give the contractor ten days' written notice at the Agency's last known address before releasing any documents the Agency has marked as proprietary information. It is the Agency's responsibility to take legal action to obtain an injunction prior to the expiration of the ten days' notice. The Agency will indemnify, defend, and hold harmless the WSP for release of documents related to this contract as required by law. Nothing contained in this Section or any other portion of this agreement affects or modifies the WSP's obligation to disclose public records under Chapter 42.56 RCW or other applicable law.

If the Agency receives a public records request under Chapter 42.56 RCW for any records containing Data subject to this Agreement, Agency agrees to notify the WSP RMD Public Records Officer within five (5) business days and to follow the procedure set out in this section before disclosing any records. The WSP Public Records Officer can be contacted at pubrecs@wsp.wa.gov.

The Agency must provide a copy of the records with proposed redactions to WSP within the time frame required by WSP. WSP will respond within ten (10) business days of receipt of the redacted records to identify concerns with disclosure of the records, propose any changes to the Agency's redactions, or request more time if needed. If the Agency disagrees with any of WSP's concerns or proposed changes, the Agency must notify WSP of that disagreement and provide WSP with a minimum of fifteen (15) business days to obtain a restraining order or injunction under RCW 42.56.540 before disclosing any records.

28. Force Majeure

Neither Party shall be liable to the other or deemed in default under this Agreement if and to the extent that such Party's performance of this contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, floods, epidemics, or other similar occurrences. Notification: If either Party is delayed by force majeure, said Party shall provide written notification within forty-eight (48) hours. The notification shall provide evidence of the force majeure to the satisfaction of the other Party. Such delay shall cease as soon as practicable and written notification of same shall be provided. The time of completion shall be extended by contract modification for a period of time equal to the time that the results or effects of such delay prevented the Party from performing in accordance with this contract. Rights Reserved: The state reserves the right to cancel the Agreement during the time of force majeure, and Agency shall have no recourse against WSP.

29. Electronic Signatures

A signed copy of this document or any other ancillary document transmitted by facsimile, email, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this document or such an ancillary document for all purposes. Approved signatures shall include wet ink scanned signatures, or certified electronic signatures. Uncertified electronic signatures are not considered valid signatures and shall not be accepted by the WSP.

30. All Writings Contained Herein

This Agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto. Notwithstanding any provision to the contrary, in no event shall any unilateral documents such as 'click-through agreements,' software or web-based application terms and conditions, or any other unilateral agreement not specifically incorporated herein modify the terms and conditions of this Contract.

IN WITNESS WHEREOF, the parties have executed this Agreement.

Title: Mayor		Title: IT Division Commander	

The Agency shall furnish the necessary personnel, equipment, material, or services and otherwise do all things necessary incidental to the performance of work as set forth below.

This Attachment documents the security requirements for transferring, accessing, and protecting WSP's network or data shared under the terms of this Agreement.

1. Description of Data

TraCS has two primary parts:

Part One: The TraCS Client application is used by law enforcement officers and prosecutors across the state of Washington to collect data and to create, print, and file electronically NOI/NOCC, PTCR, DUI Arrest Reports, Warnings/Correction Notices, Tow/Impound Forms, and Marine Law Enforcement Vessel Inspection and Warning forms.

Part Two: The second part is all the eTRIP Committee partner agency applications that receive and process the data collected on the NOI/NOCC, PTCR, DUI Arrest Reports, Warnings/Correction Notices, Tow/Impound Forms, and Marine Law Enforcement Vessel Inspection and Warning forms either through TraCS (or on paper forms).

2. Agency Responsibilities

The Agency certifies that it operates computers to create or review NOI/NOCC, PTCR, DUI Arrest Reports, Warnings/Correction Notices, Tow/Impound Forms, and Marine Law Enforcement Vessel Inspection and Warning forms pursuant to federal, state, and local requirements using TraCS Client. Under this Agreement the responsibilities of the Agency are:

- A) The Agency shall designate LASA as the primary contact for TraCS and who will receive TraCS Administrator training. The LASA shall:
 - Accept modifications to the TraCS Client;
 - Document and submit recommendations for modification of TraCS via the change request process;
 - Manage the connection(s) needed to move data between the TraCS Client to the TraCS database;
 - Provide support for Agency users and reviewers;
 - Update required Agency processes with the parameters of TraCS.
 - Contact WSP Information Technology Division Customer Services to initiate a work order for problem resolution and tracking.
- B) Agency support staff will install TraCS Client software on Agency-owned equipment. The Agency will not share the TraCS Client with others.
- C) The Agency will adhere to the TraCS application standards for the computing environment as published by WSP. The Agency will make its electronic reporting equipment and system secure and prevent unauthorized use. The Agency will ensure Agency equipment maintains current virus checking software. If the Agency equipment becomes infected, the Agency will take all necessary steps to remove the virus and ensure the virus is not transmitted to the TraCS server located at and maintained by WSP.
- D) Agency users and reviewers will transfer PTCRs, NOIs, and NOCCs electronic records regularly and promptly. All Agency users and reviewers will adhere to the training program.
- E) The Agency will be responsible for all required hardware and software purchased for the Agency use of the TraCS Client application and the transmittal of electronic records to WSP, including Agency personnel, operating, maintenance, and data transmission costs. Any costs associated with the Agency interfacing with the TraCS database through JINDEX will be the responsibility of the Agency.

3. WSP Responsibilities

- a. WSP will provide TraCS Client software to the Agency at no charge. Maintenance of the TraCS Client application is provided by a 3rd party vendor Technology Enterprise Group, Inc. (TEG) and the WSP, including maintaining TraCS baseline code, compliance with the business rules, data formats, and standardized forms. WSP will provide a secure environment for electronic data; and retain this data according to federal and state laws and regulations. WSP will also provide the Agency with any evasive action required to protect the TraCS computing environment from significant risk.
- b. WSP will create LASA Accounts; train the LASA; and assist the LASA in administration of agency accounts.
- c. WSP will provide a change request/control process via the ServiceNow application; coordinate change requests describing issues or enhancements through the eTRIP Committee; and provide notification of application modifications.
- d. WSP will transmit NOIs and NOCCs to AOC; and transmit PTCRs to WSDOT and DOL via the JINDEX application.
- e. WSP reserves the right to review and approve Agency equipment security measures; and to suspend or withhold service until such matters are corrected to the reasonable satisfaction of WSP. This includes validation of current virus checking software packages.
- f. WSP will support eTRIP Committee sanctioned training.
- g. WSP Information Technology Division Customer Services will provide first level telephone support twenty-four (24) hours-a-day, seven (7) days-a-week to assist the Agency in resolving problems with the TraCS application. This support is limited to resolutions for routine questions on the TraCS Client application and processes, including troubleshooting and password resets, and using pre-defined policies and procedures. Items not immediately resolved by WSP/ITD/CSU will be escalated to the WSP/ITD/TraCS Support; this higher level of support is provided during regular business hours, Monday through Friday.

Data provided within the context of this Agreement may be confidential, private or may contain sensitive details about PTCRs, notice of infractions (NOI), and notice of criminal citations (NOCC).

4. Use of Data

Except as otherwise outlined in this agreement or required by law, the data provided by either party shall be used and accessed only for the limited purposes of carrying out activities pursuant to this Agreement as described herein. The data shall not be duplicated or disclosed to any third except as authorized in Section 6.1 of the Agreement. Each party shall not use the data provided for any purpose not specifically authorized under this Agreement.

The party to this Agreement that receives personal information from another state agency must protect it in the same manner as the original agency that collected the information pursuant to [Executive Order 00-03](#).

5. Rights in Data

The State of Washington shall be the copyright owner, for all purposes under Title 17 U.S.C., of all data which originates from this Agreement. Data shall include, but not be limited to reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, or sound reproductions. Ownership includes the right to use, copyright, patent, register, and transfer these rights.

6. Security of Data

Each party shall take due care to protect the shared data from unauthorized physical and electronic access, as described in this Agreement, to ensure the parties are in compliance with all appropriate federal laws, Criminal Justice Information Services (CJIS) Security Policy as appropriate, and

applicable provisions of the State of Washington Office of the Chief Information Officer (OCIO) security standards.

7. Data Handling Requirements

The handling requirements and protective measures for (Restricted) Confidential data while it is in motion and at rest are as follows:

a. GENERAL ACCESS:

Access to the TraCS System is based on business need-to-know. It is explicitly authorized by the WSP data owner to specific individuals.

b. Transmission of Data:

- i. Electronic file transfer— Secure file transfer (encrypted) required.
- ii. Transmission by mail—Traceable delivery required (e.g., messenger, federal or commercial carrier, certified, return receipt mail).
- iii. Transmission by facsimile to a facility that is not secure is prohibited
- iv. Electronic Mail – Encrypted files/data attached to email required
- v. Portable Storage Media, e.g., CDs, DVDs, USB flash drives, tapes, etc. – Encryption Required

c. Print:

Store in a secured, lockable enclosure.

d. Copying:

Photocopying, equipment use, electronic storage devices to process the photocopied/scanned image. Any electronic storage devices in the photocopying equipment must be either wiped or destroyed upon termination of this agreement

e. Media Disposal:

- i. Printed materials (reports and documents): Destruction is required (recycling is prohibited). Crosscut shredding of printed material is approved. The use of certified, marked, and locked bins to hold printed material until it is shredded is appropriate.
- ii. Removable magnetic or optical storage media (tape, diskettes, CDs): Media must be destroyed or deposited in certified bins specifically designated for magnetic media or "cleaned" using a U.S. Department of Defense-standard data cleaning program and then may be reused. Note: Inoperable electronic media must be destroyed. For example, failed hard disks are not returned to the manufacturer, but are destroyed.

f. Physical Security of Data:

Access to areas containing the data must be physically restricted. Data must be locked when left unattended.

g. Electronic Data at Rest:

If there is a need for data to be stored on any of the Recipient's devices, the Agency must assure unauthorized access cannot take place, including but not limited to session locks with password protection when the computer is on and left unattended. Data stored on non-WSP equipment must be encrypted.

h. Authentication of User Identity:

- i. Authentication from inside a WSP facility for the Agency staff to access internal LAN and computer systems requires user ID and password.
- ii. Authentication for the Agency staff from a location outside of a WSP facility requires strong authentication (e.g., digital certificates, hardware, tokens, biometrics, etc.) is required.

i. Data Recovery:

Loss of the data or equipment. Legal notification to WSP's contract manager is required.

j. Data/Media Disposal:

Upon completion of work, the data collected must be destroyed or returned to WSP. Certification of Data Disposition form (*Attachment D*) is required.

k. Systems Management:

Contractor shall ensure all systems, including portable systems are maintained with all best security practices equal to WSP's including but not limited to:

- Install and maintain commercially available antivirus program
- maintain current levels of security patches on operating systems
- utilize firewalls
- utilize FIPS 140-2 certified encryption software with proper configurations
- maintain physically secure areas for information systems
- monitor logs
- utilize an established incident plan
- report incidents involving WSP data

DATA CLASSIFICATION DECLARATION

Data described in this data sharing agreement is assessed to be in the following data (confidentiality) classification:

☒ **CONFIDENTIAL**

A data classification for data that, due to its sensitive or private nature, requires limited and authorized access. Its unauthorized access could adversely impact the agency legally, financially or damage its public integrity.

Summary

Introduction *

Brief summary.

The purpose of this agenda bill is for Council to review and approve the purchase of replacement servers to upgrade the server infrastructure.

Proposed Motion

Move to approve the purchase contract with Trace3 for the Server Upgrades Project

Background/Overview *

What was done (legislative history, previous actions, ability to hyperlink)

As a part of our "right size" efforts for the city's network upgrade from last year, we are due to upgrade our server infrastructure. As with our network infrastructure upgrade, we are also setting the stage for a more robust system that will limit downtime for our servers by reusing equipment that is still in good working order for a new failover site that can take over during an emergency if the datacenter goes down.

Analysis *

The IT Department will upgrade our servers to improve resiliency. Current production servers will move to a backup site. This will help keep cost to a minimum by cycling production servers.

Budgetary Status*

Funds have already been authorized in the current biennial budget.

Budget Summary

As part of the 2025-26 Biennial Budget, the City incorporated \$1,115,600 in capital purchases within the Information Technology Fund (#502). Currently, \$189,840 has been spent for capital purchases within this fund, with no contracts outstanding. After incorporating the proposed \$63,788 Trace3 contract for server upgrades, \$861,972 remains for capital purchases (please see the table below or on the next page). If AB25-097 for server storage is also approved, then \$791,469 remains for capital purchases. Therefore, sufficient appropriation exists within the 2025-2026 Biennial Budget (Information Technology Fund (#502) - Capital) to fund the contract.

RE: Region 14 ESC RFP No. 12-22 Systems and Information Management Software

Dear Sir/Madam,

EC America, Inc., a wholly owned subsidiary of immixGroup, Inc. (and affiliate of immixTechnology, Inc.), is pleased to submit this response to the Request for Proposal (RFP) No. 12-22 Systems and Information Management Software. Enclosed, please find our submission in response to your requirements. We have proposed a model that will allow Region 14 ESC to provide NCPA customers with access to the specific products currently requested, while allowing for expansion to a broad range of technology suppliers and integration partners that can continue to grow as needed through the life of the contract.

EC America submits this bid as Prime Contractor and is solely responsible for performance under the terms and conditions of the contract. EC America shall be solely responsible for all reporting and fee remittance requirements under the proposed award.

Thank you for considering the EC America team for this opportunity; we look forward to working with you in support of this effort.

Sincerely,

Chauncey Kehoe
Contract Manager, SLED Program

Tab 1 – Master Agreement

General Terms and Conditions

- ◆ Customer Support
 - The vendor shall provide timely and accurate technical advice and sales support. The vendor shall respond to such requests within one (1) working day after receipt of the request.
- ◆ Disclosures
 - Respondent affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.
 - The respondent affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.
- ◆ Renewal of Contract
 - Unless otherwise stated, all contracts are for a period of three (3) years with an option to renew for up to two (2) additional one-year terms or any combination of time equally not more than 2 years if agreed to by Region 14 ESC and the vendor.
- ◆ Funding Out Clause
 - Any/all contracts exceeding one (1) year shall include a standard “funding out” clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity’s current revenue only, provided the contract contains either or both of the following provisions:
 - Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract.
- ◆ Shipments (if applicable)
 - The awarded vendor shall ship ordered products within seven (7) working days for goods available and within four (4) to six (6) weeks for specialty

items after the receipt of the order unless modified. If a product cannot be shipped within that time, the awarded vendor shall notify the entity placing the order as to why the product has not shipped and shall provide an estimated shipping date. At this point the participating entity may cancel the order if estimated shipping time is not acceptable.

- ◆ Tax Exempt Status
 - Since this is a national contract, knowing the tax laws in each state is the sole responsibility of the vendor.
- ◆ Payments
 - The entity using the contract will make payments directly to the awarded vendor or their affiliates (distributors/business partners/resellers) as long as written request and approval by NCPA is provided to the awarded vendor.
- ◆ Adding authorized distributors/dealers
 - Awarded vendors may submit a list of distributors/partners/resellers to sell under their contract throughout the life of the contract. Vendor must receive written approval from NCPA before such distributors/partners/resellers considered authorized.
 - Purchase orders and payment can only be made to awarded vendor or distributors/business partners/resellers previously approved by NCPA.
 - Pricing provided to members by added distributors or dealers must also be less than or equal to the pricing offered by the awarded contract holder.
 - All distributors/partners/resellers are required to abide by the Terms and Conditions of the vendor's agreement with NCPA.
- ◆ Pricing
 - All pricing submitted shall include the administrative fee to be remitted to NCPA by the awarded vendor. It is the awarded vendor's responsibility to keep all pricing up to date and on file with NCPA.
 - All deliveries shall be freight prepaid, F.O.B. destination and shall be included in all pricing offered unless otherwise clearly stated in writing
- ◆ Warranty
 - Proposal should address the following warranty information:
 - Applicable warranty and/or guarantees of equipment and installations including any conditions and response time for repair and/or replacement of any components during the warranty period.

- Availability of replacement parts
 - Life expectancy of equipment under normal use
 - Detailed information as to proposed return policy on all equipment
- Products
 - Vendor shall provide equipment, materials and products that are new unless otherwise specified, of good quality and free of defects
- Construction
 - Vendor shall perform services in a good and workmanlike manner and in accordance with industry standards for the service provided.
- ◆ Safety
 - Vendors performing services shall comply with occupational safety and health rules and regulations. Also all vendors and subcontractors shall be held responsible for the safety of their employees and any conditions that may cause injury or damage to persons or property.
- ◆ Permits
 - Since this is a national contract, knowing the permit laws in each state is the sole responsibility of the vendor.
- ◆ Indemnity
 - The awarded vendor shall protect, indemnify, and hold harmless Region 14 ESC and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the vendor, vendor employees or vendor subcontractors in the preparation of the solicitation and the later execution of the contract.
- ◆ Franchise Tax
 - The respondent hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes.
- ◆ Supplemental Agreements
 - The entity participating in this contract and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the participating entity and awarded vendor.

◆ Certificates of Insurance

- Certificates of insurance shall be delivered to the Public Agency prior to commencement of work. The insurance company shall be licensed in the applicable state in which work is being conducted. The awarded vendor shall give the participating entity a minimum of ten (10) days notice prior to any modifications or cancellation of policies. The awarded vendor shall require all subcontractors performing any work to maintain coverage as specified.

◆ Legal Obligations

- It is the Respondent's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.

◆ Protest

- A protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm CST. Protests shall be filed with Region 14 ESC and shall include the following:
 - Name, address and telephone number of protester
 - Original signature of protester or its representative
 - Identification of the solicitation by RFP number
 - Detailed statement of legal and factual grounds including copies of relevant documents and the form of relief requested
- Any protest review and action shall be considered final with no further formalities being considered.

◆ Force Majeure

- If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer

period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

- The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders and regulation of any kind of government of the United States or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty

◆ Prevailing Wage

- It shall be the responsibility of the Vendor to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the purchaser. It shall further be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly.

◆ Termination

- Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

◆ Open Records Policy

- Because Region 14 ESC is a governmental entity responses submitted are subject to release as public information after contracts are executed. If a vendor believes that its response, or parts of its response, may be exempted from disclosure, the vendor must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, the respondent must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s).

- The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 14 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the respondent are not acceptable. Region 14 ESC must comply with the opinions of the OAG. Region14 ESC assumes no responsibility for asserting legal arguments on behalf of any vendor. Respondent are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Exceptions to the Master Agreement General Terms & Conditions

The following proposed changes are intended to supersede the Master Agreement General Terms & Conditions contained in Tab 1 of RFP 12-22, Systems and Information Management Software. For convenience, EC America, Inc. has included a copy of the original terms and conditions immediately following these exceptions.

Please contact Chauncey Kehoe at (703) 639-1565 or Chauncey_Kehoe@immixGroup.com with any questions or concerns.

Section	Exception/Request
Customer Support	Request that the current language be removed in its entirety and replaced with: <i>“The vendor shall provide timely and accurate technical advice and sales support to Region 14 ESC staff, NCPA staff and participating agencies. Terms of vendor’s customer support will default to each manufacturer’s commercial terms.”</i>
Shipments	Request that the current language be removed in its entirety and replaced with: <i>“Vendor shall deliver said materials purchased on this contract to the Member issuing a Purchase Order. Terms of vendor’s delivery period will default to each manufacturer’s commercial terms.”</i>
Warranty	Request that the current language in the Products bullet point be removed in its entirety and replaced with: <i>“All supplies, equipment and services shall be subject to the manufacturer’s standard commercial warranties.”</i>
Indemnity	Request that the current language be removed in its entirety and replaced with: <i>“If a third party makes a claim against Ordering Activity that the Software directly infringes any patent, copyright, or trademark or misappropriate any trade secret (“IP Claim”); Contractor will (i) assist in defending Ordering Activity against the IP Claim at Contractor’s cost and expense, and (ii) pay all costs, damages and expenses (including reasonable legal fees) finally awarded against Ordering Activity by a court of competent jurisdiction or agreed to in a written settlement agreement signed by Contractor arising out of such IP Claim; provided that: (i) Ordering Activity promptly notifies Contractor in writing no later than sixty (60) days after Ordering Activity’s receipt of notification of a potential claim and (ii) Ordering Activity provides Contractor, at Contractor’s request and expense, with</i>

Section	Exception/Request
	<i>the assistance, information and authority necessary to perform Contractor's obligations under this Section.</i> <i>Notwithstanding the foregoing, Contractor shall have no liability for any claim of infringement based on (a) the use of a superseded or altered release of the Software if the infringement would have been avoided by the use of a current unaltered release of the Software, (b) the modification of the Software, (c) the use of the Software other than in accordance with the Documentation or this contract, or (d) any materials or information provided to Contractor by Ordering Activity, for which Ordering Activity shall be solely responsible. If the Software is held to infringe or are believed by Contractor to infringe, Contractor shall have the option, at its expense, to (a) replace or modify the Software to be non-infringing, or (b) obtain for Ordering Activity a license to continue using the Software. If it is not commercially reasonable to perform either of the foregoing options, then Contractor may terminate the Program license for the infringing Software and refund the license fees paid for the Software upon return of the Software by Ordering Activity. This section states Contractor's entire liability and Ordering Activity's exclusive remedy for any claim of infringement."</i>

Tab 2 – NCPA Administration Agreement

This Administration Agreement is made as of April 19, 2022, by and between National Cooperative Purchasing Alliance (“NCPA”) and EC America, Inc. (“Vendor”).

Recitals

WHEREAS, Region 14 ESC has entered into a certain Master Agreement dated April 19, 2022, referenced as Contract Number 01-137, by and between Region 14 ESC and Vendor, as may be amended from time to time in accordance with the terms thereof (the “Master Agreement”), for the purchase of Systems and Information Management Software;

WHEREAS, said Master Agreement provides that any state, city, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution, other government agency or nonprofit organization (hereinafter referred to as “public agency” or collectively, “public agencies”) may purchase products and services at the prices indicated in the Master Agreement;

WHEREAS, NCPA has the administrative and legal capacity to administer purchases under the Master Agreement to public agencies;

WHEREAS, NCPA serves as the administrative agent for Region 14 ESC in connection with other master agreements offered by NCPA

WHEREAS, Region 14 ESC desires NCPA to proceed with administration of the Master Agreement;

WHEREAS, NCPA and Vendor desire to enter into this Agreement to make available the Master Agreement to public agencies on a national basis;

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, NCPA and Vendor hereby agree as follows:

◆ General Terms and Conditions

- The Master Agreement, attached hereto as Tab 1 and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.
- NCPA shall be afforded all of the rights, privileges and indemnifications afforded to Region 14 ESC under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to NCPA under this Agreement including, but not limited to, the Vendor’s obligation to provide appropriate insurance and certain indemnifications to Region 14 ESC.
- Vendor shall perform all duties, responsibilities and obligations required under the Master Agreement in the time and manner specified by the Master Agreement.
- NCPA shall perform all of its duties, responsibilities, and obligations as administrator of purchases under the Master Agreement as set forth herein, and Vendor acknowledges that NCPA shall act in the capacity of administrator of purchases under the Master Agreement.
- With respect to any purchases made by Region 14 ESC or any Public Agency pursuant to the Master Agreement, NCPA (a) shall not be construed as a dealer, re-marketer, representative, partner, or agent of any type of Vendor, Region 14 ESC, or such Public

Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Region 14 ESC, any Public Agency or any employee of Region 14 ESC or Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by the Public Agency to (i) comply with procedures or requirements of applicable law, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. NCPA makes no representations or guaranties with respect to any minimum purchases required to be made by Region 14 ESC, any Public Agency, or any employee of Region 14 ESC or Public Agency under this Agreement or the Master Agreement.

- The Public Agency participating in the NCPA contract and Vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this contract i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this contract is exclusively between the Public Agency and Vendor. NCPA, its agents, members and employees shall not be made party to any claim for breach of such agreement.
- ◆ **Term of Agreement**
 - This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the obligation to pay all amounts owed by Vendor to NCPA through the termination of this Agreement and all indemnifications afforded by Vendor to NCPA shall survive the term of this Agreement.
- ◆ **Fees and Reporting**
 - The awarded vendor shall electronically provide NCPA with a detailed quarterly report showing the dollar volume of all sales under the contract for the previous quarter. Reports are due on the fifteenth (15th) day after the close of the previous quarter. It is the responsibility of the awarded vendor to collect and compile all sales under the contract from participating members and submit one (1) report. The report shall include at least the following information as listed in the example below:

Entity Name	Zip Code	State	PO or Job #	Sale Amount

Total _____

- Each quarter NCPA will invoice the vendor based on the total of sale amount(s) reported. From the invoice the vendor shall pay to NCPA an administrative fee based upon the tiered fee schedule below. Vendor's annual sales shall be measured on a calendar year basis. Deadline for term of payment will be included in the invoice NCPA provides.

<u>Annual Sales Through Contract</u>	<u>Administrative Fee</u>
0 - \$30,000,000	2%
\$30,000,001 - \$50,000,000	1.5%
\$50,000,001+	1%

- Supplier shall maintain an accounting of all purchases made by Public Agencies under the Master Agreement. NCPA and Region 14 ESC reserve the right to audit the accounting for a period of four (4) years from the date NCPA receives the accounting. In the event of such an audit, the requested materials shall be provided at the location designated by Region 14 ESC or NCPA. In the event such audit reveals an under reporting of Contract Sales and a resulting underpayment of administrative fees, Vendor shall promptly pay NCPA the amount of such underpayment, together with interest on such amount and shall be obligated to reimburse NCPA's costs and expenses for such audit.

◆ General Provisions

- This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.
- Awarded vendor agrees to allow NCPA to use their name and logo within website, marketing materials and advertisement. Any use of NCPA name and logo or any form of publicity regarding this contract by awarded vendor must have prior approval from NCPA.
- If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any administrative fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which such party may be entitled.
- Neither this Agreement nor any rights or obligations hereunder shall be assignable by Vendor without prior written consent of NCPA, provided, however, that the Vendor may, without such written consent, assign this Agreement and its rights and delegate its obligations hereunder in connection with the transfer or sale of all or substantially all of its assets or business related to this Agreement, or in the event of its merger, consolidation, change in control or similar transaction. Any permitted assignee shall assume all assigned obligations of its assignor under this Agreement.
- This Agreement and NCPA's rights and obligations hereunder may be assigned at NCPA's sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform NCPA's obligations hereunder
- All written communications given hereunder shall be delivered to the addresses as set forth below.

Tab 4 – Vendor Profile

Please provide the following information about your company:

◆ **Company's official registered name.**

EC America, Inc.

◆ **Brief history of your company, including the year it was established.**

immixGroup, founded in 1997 and purchased by Arrow Electronics in 2015, was established to serve as a bridge between government customers and commercial IT manufacturers and service providers. immixGroup focuses exclusively on the public sector (which represents 99% of our business) and we are currently one of the leading value-added distributors of enterprise IT products for U.S. federal, state, local and educational institutions.

We are recognized as a public sector innovator, developing and delivering programs designed to ensure the success of large government programs and contract vehicles such as NASA's SEWP V, GSA's Multiple Award Schedules, DoD ESI BPAs, and a variety of state and local government contracts such as NCPA, OMNIA Partners, Ohio STS, California CMAS, Texas DIR, and NASPO Value Point, to name a few.

Our strong network of industry and manufacturer partnerships with more than 300 leading original equipment manufacturers (OEMs) and 1,200 technology resellers and service providers span every socio-economic category and technology specialization. Through immixGroup's innovative programs and services, our channel partners can access the resources they need to successfully deliver IT solutions to public sector customers to help them carry out their initiatives and achieve their objectives. One such innovation is the SLED Support Center (SSC) that was recently launched where dedicated resources provide engineering support, market intelligence, and compliance and contract expertise. The SSC also offers access to flexible capital solutions that help bridge budgeting and funding gaps in government cycles.

As part of our comprehensive Supply Chain Risk Management (SCRM) plan, immixGroup's proprietary Trusted Supplier Program guarantees the authenticity of every product we deliver while meeting legal and regulatory requirements to ensure our government customers can buy with confidence, mitigating the risk of receiving counterfeit or potentially tainted products and parts.

immixGroup is certified to the International Organization for Standardization's (ISO) 9001:2015 standard without design, and complies with a strict, proprietary quality management system ("immixGroup Quality Management System" or "iQMS") built around our core business processes, such as maintaining price lists, providing quotes to our government customers, processing purchase orders, invoicing and confirming customer satisfaction.

We have deep knowledge and experience supporting all phases of the government acquisition life cycle. We specialize in providing contracting models, systems and services to complex enterprise technology companies and the government agencies they serve. Our rapid growth, leading reputation and diverse capabilities are the result of highly efficient operations and a business model focused on empowering

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal or quotation.

partners. Our consistent, significant year-over-year revenue growth is a prime indicator of immixGroup's financial strength and stability.

immixGroup's staff is widely respected and relied upon for its professional, ethical business approach. Our success is based upon the leadership of a highly experienced management team and our ISO-certified processes for training new professionals to support our growth. Our current staff has deep expertise in meeting each customer's specific requirements and in the technology required to satisfy those needs.

It is this dedicated focus on serving the government that makes immixGroup the partner of choice for nearly every federal government agency, numerous states and local agencies, and a growing number of leading IT vendors.

Products and Solutions

immixGroup's Market Intelligence Team closely monitors IT trends and the changing requirements of our public sector customers and strives to offer access to the technology solutions they want and need. We are continually evaluating and expanding our relationships with leading and emerging technology companies to offer our public sector customers a wide range of technical capabilities and customizable solutions. We focus on best of breed technology portfolios that span all modern platforms, whether delivered in the cloud (private, hybrid/multi-cloud), at the edge or in the data center, in these categories:

- Business Operations
- Data Intelligence
- Compute
- Virtualization
- Networking
- Storage
- DevOps
- Security

Dedicated teams support our largest manufacturers such as NetApp, Palo Alto, Riverbed and Dell.

Reseller Partners

immixGroup serves as a relationship manager for our network of more than 1,200 solution providers and resellers to ensure the government's requirements are successfully met and our reseller partners understand what those requirements encompass.

Contract management is our forte and our contracts are accessible to our reseller partners. We streamline the time required to provide critical technology to government end-users at reduced prices through a wide range of government contract vehicles and the federal, state, and local level.

As a small business success story our self, we understand the importance of working with small businesses in serving the government's procurement needs. immixGroup supports its small business reseller partners by providing business infrastructure, technical resources, and financing options.

Parent Company

immixGroup's parent company, Arrow Electronics (NYSE: ARW), headquartered in Centennial, Colorado, is a global distributor of products, services, and solutions to industrial and commercial users of electronic components and enterprise software. Arrow Electronics guides innovation forward for more than 200,000 of the world's leading manufacturers and service providers of technology used in homes, business and daily life. Through a network of more than 349 locations worldwide, Arrow brings electronics and information technology to enterprises in industrial and commercial markets including aerospace and defense, transportation, finance, health and manufacturing. Arrow distributes products across many categories including lighting, power management, data center infrastructure, cloud services (public, private, hybrid, virtual) and the many new technologies of the internet of things (IoT). As the public sector arm of Arrow, immixGroup is able to leverage Arrow's manufacturer and partner relationships and its extensive operational efficiencies to deliver state-of-the-art technology to government agencies.

◆ **Define your standard terms of payment.**

immixGroup payment terms are net 30 days after receipt of invoice.

◆ **Who is your competition in the marketplace?**

immixGroup competitors are other Value-Added Distributors in the public sector market, including Carahsoft, TD Synnex, Avnet, and Ingram Micro.

♦ **What differentiates your company from competitors?**

After two decades in the public sector market, immixGroup is a well-known and highly regarded industry veteran with a comprehensive, customizable array of offerings designed and proven to enable government procurement professionals to gain access to and more easily transact with technology providers. immixGroup built, and continues to build, its track record of success by leveraging core competencies: SLED Support Center, Government and Technology Knowledge, Strategic Supplier Relationships, Depth and Breadth, and Automation. These core competencies have driven our success on contracts we currently hold and will enable us to deliver value for Region 14 ESC/NCPA and its customer base. Each competency is described below.

SLED Support Center

immixGroup with its parent company, Arrow Electronics, have established the SLED Support Center, as shown in **Figure 1** below, to provide direct support to channel partners and suppliers to better meet the demands of SLED customers. The SSC provides support in two ways: (1) Value added services to drive opportunities in the SLED marketplace and (2) deal support through flexible financing options, partner utilization, and contract support. The SSC utilizes personnel both in the field and from within our offices in McLean, VA. With our engineering and integration resources, we are able to build custom solutions (hardware and software) specific to the end-user needs. This integration capability allows us to provide scalable deployment of predetermined configurations to multiple end-user centers.

Figure 1: SLED Support Center (SSC)

Sales – Dedicated, in-territory sales experts who can assist in understanding the market, end-user requirements and how to ensure a smooth order and delivery process.

SLED Compliance – Legal and compliance professionals who are familiar with the requirements of doing business with this market and can provide assistance in negotiating terms and conditions on behalf of our suppliers and partners.

Contracts – We manage and are constantly expanding our broad portfolio of SLED contracts to provide more opportunities for our suppliers and partners to access this marketplace.

Partners – We work with nearly 1,000+ active SLED partners who we help match up with our suppliers and negotiate arrangements that are mutually beneficial to all parties.

Marketing – Our broad portfolio of marketing services enables suppliers and partners to reach their target markets more effectively, through events, webinars, social media outreach and digital marketing.

Market Intelligence – Skilled analysts do ongoing research to understand what drives end-user IT decisions which is shared with partners and suppliers so they can target their efforts more efficiently.

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal or quotation.

Engineering – Access to our labs for custom configuration and testing as well as deployment and implementation assistance limits risk to end-users.

Revenue Management – Flexible financing options allow partners and suppliers to meet the unique purchasing requirements of government.

Government & Technology Industry Knowledge

immixGroup is a thought leader in the federal and state/local level technology markets and brings a unique perspective to industry discussions as a distributor of complex, enterprise level IT products. Our executives frequently participate on industry panels, train managers from leading technology companies, and write articles on the issues affecting the public sector IT landscape. These include technology and acquisition trends, the impacts of budget tightening on public sector agencies and contractors, and new delivery and licensing models (such as XaaS and cloud-based utility license models). Our internal team of market intelligence consultants and analysts researches the public sector's business and technology requirements to identify likely fits between the public sector's needs and the COTS products we represent. We analyze this information, align it with product and procurement trends, and systematically share it with our public sector customers and manufacturers. This facilitates a productive dialogue between buyers and sellers and ensures products are acquired with future needs in mind.

This unique perspective has resulted in direct relationships between immixGroup and hundreds of leading and emerging technology manufacturers - the critical vendors that can meet the requirements of NCPA's customers and deliver the flexibility, functionality, and performance the public sector needs for the future. Our thought leadership is a foundational competency that serves as a key differentiator in helping cash-strapped customers with complex requirements secure the necessary technologies under new usage and licensing models. We expect a continued need for this expertise in the future and see the NCPA program as a key contract vehicle for accessing such technologies and solutions for state and local government customers.

Strategic Supplier Relationships

immixGroup sees significant value in securing direct relationships with its manufacturer partners instead of working through third-party distributors for product access. While immixGroup has access to more than 300 different IT manufacturers (around 100 of which offer top cybersecurity products and services), it is our direct relationships with key vendors that bring a heightened level of manufacturer access and the accompanying capability to support NCPA's purpose and drive value to its customer base. As the owner of the intellectual property involved, the manufacturer is uniquely positioned to drive product roadmaps in sync with ever-evolving commercial standards in the industry. By working directly with the manufacturer, immixGroup establishes an accurate and timely flow of information to communicate details on product descriptions, functionality, warranties and support, and other key characteristics such as energy savings and accessibility. We gather and maintain this information through our ISO-certified business processes and share it with our public sector customers as they plan and execute their mission-critical procurements. These direct relationships also ensure traceability throughout the supply chain and guarantee authenticity and remediation in the event counterfeit or damaged products are discovered. immixGroup has taken a leading role in developing a program to meet the public sector's emerging standards in this area.

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal or quotation.

The manufacturer-provided intelligence also includes product install-base details and historical sales across both products and customers; immixGroup leverages this data to identify opportunities to work with customers to deliver strategic sourcing opportunities. This may involve consolidation of purchases to achieve greater discounts from manufacturers, co-terming warranty and support to reduce multiple procurement cycles and provide enhanced support to all users (usually at no additional cost), and product upgrades to ensure enterprise systems are interoperable and current.

Depth & Breadth

immixGroup presently has active distribution and reseller agreements with large, established manufacturers, as well as many smaller and emerging manufacturers and service providers. We prioritize direct, authorized, and strategic relationships with these technology partners, allowing us to offer our customers a remarkable range of technical capabilities and customizable solutions spanning a full range of IT products and services. Our direct manufacturer relationships are led by manufacturer-focused account management teams assigned by technology groups. Dedicated teams support our largest manufacturers such as NetApp, Palo Alto, Riverbed, and Fortinet. Other Sectors focus on best-of-breed technology portfolios including, Business Operations, Data Intelligence, Compute, Virtualization, Networking, Storage, DevOps, and Security.

We leverage our market intelligence analysts, executives, and account management teams to identify new technologies and work diligently to secure their products within our product portfolio offerings. Our success now leads to many new manufactures proactively seeking relationships with immixGroup, often as complimentary products to those offered by existing manufacturers, as well as to position new technologies within the market. Over the past five years we have averaged approximately 30 new supplier relationships per year.

Automation

immixGroup leverages automation to deliver efficiency and high standards of customer service while maintaining quality and lowering transaction costs. Automation is at the heart of every immixGroup ISO-certified process, including price list updates, technology refreshes, quoting, order processing, tracking, invoicing, customer satisfaction, and payment.

Our e-Commerce Strategy is built around two principles. First, we electronically transmit the business documents that support the procurement and fulfillment process (such as quotes, purchase orders, and invoices) between immixGroup and our manufacturer partners. This is our proven, scalable business-to-business (B2B) operation. Second, we provide product information (such as technology specifications, pricing, shipment information, order status, and open invoices) in near real-time through immixGroup's Web portal. Our Web portal architecture allows us to rapidly set up and customize a portal to provide the needed documentation to authorized portal visitors.

immixGroup's core competencies, as well as our successful track record and deep experience with public sector contracts, align well with NCPA. We strongly believe a contract award to immixGroup will drive achievement of the objectives set forth in this RFP, and we look forward to establishing a mutually beneficial relationship.

◆ **Describe how your company will market this contract if awarded.**

We understand that the ultimate success of this contract for both immixGroup and NCPA will heavily depend on marketing efforts; immixGroup has a large and experienced marketing department which will actively market the NCPA contract directly to customers, Suppliers, and Partners with a rollout of these activities:

- Online Promotion
 - Co-branded press release (within 30 days of award)
 - Host and record an informational webinar to be made available to our Supplier and Partner community on-demand introducing the NCPA contract
 - Dedicated contract website
 - Product-specific educational webinars
 - Social amplification through immixGroup's SLED team
 - Customer- and Vendor-facing electronic brochure (PDF downloadable version on immixGroup's website)
- Trade Show Presence
 - Annual participation in the National Institute of Government Purchasing (NIGP) Conference where immixGroup will provide attendees with contract handouts and contract line card information
 - Annual participation in EDUCAUSE events where immixGroup will advertise respective NCPA contracts
 - immixGroup will be conducting twelve webinars throughout the year with varying topics and will include NCPA contract highlights during sessions
- Advertising
 - Participation at supplier and reseller events where immixGroup will highlight the benefits of the NCPA contract
 - Conference-specific hard copy handouts
 - Social and Public Media outreach such as promoting the contract, events, and/or news on LinkedIn, Facebook, and Twitter
 - Continuation of the SLED 101 series in the government sales insider blog – blog post on benefits of NCPA contract

immixGroup's process emphasizes marketing information through the channel – our partners are the ones speaking daily with the customer community and we amplify our market presence by supporting their efforts. We will provide marketing kits to partners to help them promote the contract vehicle with specific messaging approved by NCPA; the kits will include sample tweets, a contract FAQ, customer talking points, a link to the contract website, and a press release for the partner to publish. We will begin implementing these activities within 90 days of award and continue to execute these marketing plans throughout the life of the contract to maintain a high level of awareness within the industry.

◆ **Describe how you intend to introduce NCPA to your company.**

In addition to our marketing activities, immixGroup's implementation plan includes action items across multiple business units designed to boost engagement and speed up the ramp-to-revenue timetable.

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal or quotation.

Sales Teams

- Meet with awarded manufacturers to design and execute a tailored SLED strategy
- Develop a tailored training package for manufacturers' sales teams, inclusive of NCPA approved cobranded collateral
- Execute lead generation activities in efforts to build out sales pipelines

Partner Alliances

- Work to strengthen depth and breadth of initial award: liaise with partners and service providers in our channel network to add eligible dealers to the contract
- Publicize award in monthly partner newsletter
- Identify synergistic relationships between resellers and manufacturers so to offer a one-stop-shop contract for potential customers utilizing preferred resellers

Contracts/Programs

- Work to strengthen depth and breadth of initial award: liaise with additional suppliers on the immixGroup line card to add eligible suppliers to the NCPA vehicle
- Establish reporting and fee remittance workflow in immixGroup systems
- Set up contract profile and pricelists in immixGroup systems
- Work with marketing team to develop and launch contract brochure, dedicated webpage in our corporate website
- Create training curriculum and present materials to sales team, Supplier(s), and partners

Sales team training in the immixGroup organization is centralized through our award-winning, ISO-certified corporate training program, immixUniversity. immixUniversity offers instructor-led training along with 24/7/365 access to online courses and organizational knowledge banks. Continuous learning is a highly valued practice at immixGroup and upon award, the immixGroup Contracts/Programs team will develop a curriculum to educate the salesforce, including authorized partners, on how to market the new contract. This course will serve to raise awareness of the NCPA contract, instruct reps in how to drive revenue through the vehicle, and ensure compliance on all orders received under the contract.

◆ Describe your firm's capabilities and functionality of your on-line catalog / ordering website.

immixGroup will create a dedicated page on our public website providing NCPA members access to key contract details:

- Supplier(s) supported on contract
- Real-time pricing access
- Key contacts and ordering instructions
- Authorized participating dealers

immixGroup will handle all NCPA orders through mail, phone, facsimile, EDI, XML, or email communication.

immixGroup, while a distributor, does not warehouse products. Rather, immixGroup relies on the manufacturer or another manufacturer's authorized source of supply, for stocking and drop shipping products directly to the customer. Fill rate, service level and out of stock metrics reside with the manufacturer and/or source of supply.

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal or quotation.

♦ **Describe your company's Customer Service Department (hours of operation, number of service centers, etc.)**

immixGroup's commitment to customer satisfaction is demonstrated throughout its core business processes, from order processing and tracking to invoicing and beyond; all customers who have product delivered to them through immixGroup are tracked in our ISO-certified Quality Management System. immixGroup maintains several work instructions and policies surrounding ensuring customer service and customer satisfaction. On a monthly basis we measure our efforts regarding follow up with customers to ensure receipt of product, ensure satisfaction with order process, and to offer assistance where appropriate. In all cases our metrics are on target and better than industry standards.

immixGroup is committed to providing customers the following support services free of charge:

- Timely and accurate quarterly sales reports, based on current offerings and prices
- Timely dispatch of up-to-date hard and soft copy ordering guides
- Commercially available technical specifications, either on-line or in hard copy form, for any product available on our contracts, per a customer's request
- Configuration analysis to determine the suitability, correctness and availability of our offerings to the customer's requirement

Further, immixGroup account teams provide acknowledgement within four (4) business hours of receipt of a quote request or purchase order; validated purchase orders are generally processed within 24 hours. Order receipt methods include mail, phone, and electronic means such as facsimile, e-mail, or other internet-based communications. Order status reports are available on-demand by contacting your account manager.

The standard hours of operation for our customer service department are 8:30-5:30 EST, Monday through Friday. However, it has been our experience that the processing of orders and the need for customer and technical service spikes throughout the course of the year, reflecting various fiscal year ends. As such, we use a cross-trained workforce to adapt to high-volume workloads and provide extended coverage when needed to ensure that resources are available to customers as-needed during non-work hours, especially during End of Month (EOM) and End of Quarter (EOQ).

♦ **Green Initiatives (if applicable)**

- **As our business grows, we want to make sure we minimize our impact on the Earth's climate. We are taking every step we can to implement innovative and responsible environmental practices throughout NCPA to reduce our carbon footprint, reduce waste, conserve energy, ensure efficient computing, and much more. To that effort we ask respondents to provide their companies environmental policy and/or green initiative.**

immixGroup adheres to the green initiatives established by its parent company, Arrow Electronics, Inc., in their efforts to bring environmental sustainability to technology and electronics. The Arrow Environmental Policy, part of our umbrella Corporate Social Responsibility program, is focused on using technology to prevent environmental damage and allow us to live more sustainably. Examples of this policy in action include work with the Denver Zoo to sponsor recycling of technology products and the sponsorship of DigiTruck, a mobile classroom that can operate off-grid in remote areas. Further, immixGroup offices are located in a LEED green certified office building. For a full accounting of the

Arrow Corporate Social Responsibility program, including our Environmental Policy, please visit <https://www.arrow.com/en/about-arrow/corporate-social-responsibility>.

- ◆ **Anti-Discrimination Policy (if applicable)**
 - **Describe your organizations' anti-discrimination policy.**

immixGroup is committed to a work environment in which all individuals are treated with respect and dignity. Upon request, immixGroup will set up a meeting to allow Region 14 ESC to view immixGroup's Anti-Discrimination Policy.

- ◆ **Vendor Certifications (if applicable)**
 - **Provide a copy of all current licenses, registrations, and certifications issued by federal, state and local agencies, and any other licenses, registrations, or certifications from any other governmental entity with jurisdiction, allowing respondents to perform the covered services including, but not limited to, licenses, registrations, or certifications. Certifications can include M/WBE, HUB, and manufacturer certifications for sales and service.**

Tab 8 – Value Added Products & Services

immixGroup's extensive network of supplier and reseller relationships could provide Region 14 ESC and eligible NCPA entities with significant additional value during the term of the proposed contract. We look forward to the potential expansion of Region 14 ESC and NCPA's access to our full line of Suppliers and 1,200+ Resellers should those additional capabilities be required and appreciate the opportunity to work together with you to bring software and SaaS solutions and other enterprise technology products to State, Local, and Education entities across the country.

immixGroup understands that additional documentation would be needed for any value-add products or services to be considered for official inclusion on the initial award of this solicitation. For informational purposes only, we have included immixGroup's Vendor Line Card as a contract value add. The available brands include hundreds of additional Suppliers from our focused technology groups.

Should we receive an award on this RFP response, immixGroup does not expect the material included in this section to result in an award of any additional Suppliers. Because our business model is built to establish and then expand Supplier availability on contract vehicles, we have provided this information solely to offer Region 14 ESC the full potential of immixGroup's long-term contribution to NCPA entities beyond the initial breadth and depth of the offering provided in our official RFP response.

Value Added Reseller Snapshot

As mentioned above, immixGroup has over 1,200 public sector resellers. 700 of those resellers are dedicated to serving State, Local and Education agencies. These resellers are located throughout the U.S. and pride themselves on offering onsite support. Below is a snapshot of some of the resellers that provide services in support of products.

You can review immixGroup's comprehensive list of resellers [here](#) including those that are classified as 8(a) contractors, Veteran-Owned Small Businesses (VOSBs), Service-Disabled Veteran-Owned Small Businesses (SDVOSBs), Small Disadvantaged Businesses (SDBs), Woman-owned Small Businesses (WOSBs), HUBZones, and others.

Required Clauses for Federal Assistance provided by FTA

Item 6.

ACCESS TO RECORDS AND REPORTS

Contractor agrees to:

- a) Maintain all books, records, accounts and reports required under this Contract for a period of not less than three (3) years after the date of termination or expiration of this Contract or any extensions thereof except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case Contractor agrees to maintain same until Public Agency, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.
- b) Permit any of the foregoing parties to inspect all work, materials, payrolls, and other data and records with regard to the Project, and to audit the books, records, and accounts with regard to the Project and to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed for the purpose of audit and examination.

FTA does not require the inclusion of these requirements of Article 1.01 in subcontracts. Reference 49 CFR 18.39 (i)(11).

CIVIL RIGHTS / TITLE VI REQUIREMENTS

- 1) Non-discrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, Section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, Section 202 of the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12132, and Federal Transit Law at 49 U.S.C. § 5332, Contractor or subcontractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, marital status age, or disability. In addition, Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.
- 2) Equal Employment Opportunity. The following Equal Employment Opportunity requirements apply to this Contract:
 - a. Race. Color. Creed. National Origin. Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal Transit Law at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable Equal Employment Opportunity requirements of U.S. Dept. of Labor regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor, 41 CFR, Parts 60 et seq., and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of this Project. Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, marital status, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor agrees to comply with any implementing requirements FTA may issue.
 - b. Age. In accordance with the Age Discrimination in Employment Act (ADEA) of 1967, as amended, 29 U.S.C. Sections 621 through 634, and Equal Employment Opportunity Commission (EEOC) implementing regulations, "Age Discrimination in Employment Act", 29 CFR Part 1625, prohibit employment discrimination by Contractor against individuals on the basis of age, including present

and prospective employees. In addition, Contractor agrees to comply with any implementing requirements FTA may issue.

- c. Disabilities. In accordance with Section 102 of the Americans with Disabilities Act of 1990, as amended (ADA), 42 U.S.C. Sections 12101 *et seq.*, prohibits discrimination against qualified individuals with disabilities in programs, activities, and services, and imposes specific requirements on public and private entities. Contractor agrees that it will comply with the requirements of the Equal Employment Opportunity Commission (EEOC), "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 CFR, Part 1630, pertaining to employment of persons with disabilities and with their responsibilities under Titles I through V of the ADA in employment, public services, public accommodations, telecommunications, and other provisions.
 - d. Segregated Facilities. Contractor certifies that their company does not and will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not and will not permit their employees to perform their services at any location under the Contractor's control where segregated facilities are maintained. As used in this certification the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion or national origin because of habit, local custom, or otherwise. Contractor agrees that a breach of this certification will be a violation of this Civil Rights clause.
- 3) Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding or negotiation, made by Contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor's obligations under this Contract and the regulations relative to non-discrimination on the grounds of race, color, creed, sex, disability, age or national origin.
- 4) Sanctions of Non-Compliance. In the event of Contractor's non-compliance with the non-discrimination provisions of this Contract, Public Agency shall impose such Contract sanctions as it or the FTA may determine to be appropriate, including, but not limited to: 1) Withholding of payments to Contractor under the Contract until Contractor complies, and/or; 2) Cancellation, termination or suspension of the Contract, in whole or in part.

Contractor agrees to include the requirements of this clause in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

DISADVANTAGED BUSINESS PARTICIPATION

This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, "*Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*", therefore, it is the policy of the Department of Transportation (DOT) to ensure that Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in the performance of DOT-assisted contracts.

- 1) Non-Discrimination Assurances. Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Contractor shall carry out all applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may

result in the termination of this Contract or other such remedy as public agency deems appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph. (See 49 CFR 26.13(b)).

- 2) **Prompt Payment.** Contractor is required to pay each subcontractor performing Work under this prime Contract for satisfactory performance of that work no later than thirty (30) days after Contractor's receipt of payment for that Work from public agency. In addition, Contractor is required to return any retainage payments to those subcontractors within thirty (30) days after the subcontractor's work related to this Contract is satisfactorily completed and any liens have been secured. Any delay or postponement of payment from the above time frames may occur only for good cause following written approval of public agency. This clause applies to both DBE and non-DBE subcontractors. Contractor must promptly notify public agency whenever a DBE subcontractor performing Work related to this Contract is terminated or fails to complete its Work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that Work through its own forces, or those of an affiliate, without prior written consent of public agency.
- 3) **DBE Program.** In connection with the performance of this Contract, Contractor will cooperate with public agency in meeting its commitments and goals to ensure that DBEs shall have the maximum practicable opportunity to compete for subcontract work, regardless of whether a contract goal is set for this Contract. Contractor agrees to use good faith efforts to carry out a policy in the award of its subcontracts, agent agreements, and procurement contracts which will, to the fullest extent, utilize DBEs consistent with the efficient performance of the Contract.

ENERGY CONSERVATION REQUIREMENTS

Contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plans issued under the Energy Policy and Conservation Act, as amended, 42 U.S.C. Sections 6321 *et seq.* and 41 CFR Part 301-10.

FEDERAL CHANGES

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Contract between public agency and the FTA, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this Contract.

INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The provisions include, in part, certain Standard Terms and Conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth in the preceding Contract provisions. All contractual provisions required by the DOT, as set forth in the most current FTA Circular 4220.1F, dated November 1, 2008, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor agrees not to perform any act, fail to perform any act, or refuse to comply with any public agency requests that would cause public agency to be in violation of the FTA terms and conditions.

NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

Agency and Contractor acknowledge and agree that, absent the Federal Government's express written consent and notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, the Federal Government is not a party to this Contract and shall not be subject to any

obligations or liabilities to agency, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract.

Contractor agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS

Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Contract or the FTA assisted project for which this Contract Work is being performed.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

Federal Funds Certifications

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. The following certifications and provisions may be required and apply when a Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

- Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

- Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

- Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

- Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended— Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

- Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

- Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:
 - No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of congress, or employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

- If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and all subrecipients shall certify and disclose accordingly.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

CERTIFICATION OF ACCESS TO RECORDS

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts,

and transcriptions. The right also includes timely and reasonable access to offeror's personnel for the purpose of interview and discussion relating to such documents

Item 6.

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted in the pages above. It is further acknowledged that offeror agrees to comply with all federal, state, and local laws, rules, regulations and ordinances as applicable.

Summary

Introduction*

Brief summary.

This is the update to the Snoqualmie Valley School District's Capital Facilities Plan for 2025-2030 which enables the city to collect updated school impact fees on behalf of the District.

Proposed Motion

Move to approve Resolution xxxx adopting the Snoqualmie Valley School District No. 410 Capital Facilities Plan 2025-2030

Background/Overview*

What was done (legislative history, previous actions, ability to hyperlink)

The City of Snoqualmie adopted Ordinance 826 in 1998, providing for the assessment and collection of school impact fees for new construction. Section 1 of the ordinance is codified as Chapter 20.10 of the Snoqualmie Municipal Code. Chapter 20.10 SMC establishes school impact fees and requires the district to submit an annual update to its six-year Capital Facilities Plan,

an updated fee calculation/revised fee schedule; and an annual report on the school impact fee account, showing the source and amount of all moneys collected, earned, or received, and the public improvements that were financed in whole or in part by impact fees. The District's Capital Facilities Plan (CFP) is the basis for the school impact fee and contains the details of how the fee is calculated. The City's Comprehensive Plan provides that the update of the District's Capital Facilities Plan be approved by the City Council by Resolution. The updated school impact fees are adopted separately by ordinance. This action is to adopt the District's updated Capital Facilities Plan by resolution.

Analysis*

The Snoqualmie Valley School District submitted the required information to the City, including the updated Capital Facilities Plan ("CFP"), updated fee calculation (in the updated CFP), revised fee schedule (in the updated CFP), and an annual report. The adoption of the Ordinance establishing school impact fees for 2026 in accordance with the Snoqualmie Valley School District No. 410 Capital Facilities Plan 2025-2030 will change the school impact fee for average single-family residences from \$10,187.76 to \$13,126.84 (an increase of \$2,939.08), and for multifamily residences from \$6,170.35 to \$6,170.35 (no change). The 2025-2030 Capital Facilities Plan would be effective on January 1, 2026.

Budgetary Status*

This action has no budgetary implications.

Budget Summary

The City budgeted \$200,000 in the School Impact Fee Fund (#020) within the 2025-26 Biennial Budget. If incurred through the permitting of a new residence, these fees would be received by the City and wholly remitted to the Snoqualmie Valley School District. The increase in impact fees is unlikely to require any budgetary adjustments.

RESOLUTION NO. 1728

A RESOLUTION OF THE CITY OF SNOQUALMIE, WASHINGTON, ADOPTING THE SNOQUALMIE VALLEY SCHOOL DISTRICT NO. 410 CAPITAL FACILITIES PLAN, 2025-2030

WHEREAS, the City of Snoqualmie Comprehensive Plan provides that the annual update of the Snoqualmie Valley School District No. 410's Capital Facilities Plan shall be deemed incorporated by reference in the City of Snoqualmie Comprehensive Plan upon adoption by City Council by resolution; and

WHEREAS, the City Council has reviewed Snoqualmie Valley School District No. 410's Capital Facilities Plan 2025-2030, approved by the Snoqualmie Valley School District No. 410 Board of Directors on June 5, 2025, and has determined it should be adopted.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the City Council of the City of Snoqualmie, Washington, that the Snoqualmie Valley School District No. 410 Capital Facilities Plan 2025-2030, as attached hereto as Exhibit A, is hereby adopted.

PASSED by the City Council of the City of Snoqualmie, Washington, this 27th day of October 2025.

Katherine Ross, Mayor

Section 1. Executive Summary

The Snoqualmie Valley School District (“District”) has developed this Six-Year Capital Facilities Plan (“Plan”) in compliance with the State of Washington's Growth Management Act and King County Code 21A.43. This plan, based on data from spring 2025, aligns with previous capital facilities plans but is not the only plan for the District's needs.

For impact fees to be collected in unincorporated King County, the King County Council must adopt this plan. The District includes the cities of Snoqualmie, North Bend, and part of Sammamish, each of which has adopted a school impact fee policy similar to the county model.

The District updates this plan regularly, adjusting the fee schedule as necessary (see Appendix A for current calculations).

The Plan sets a “standard of service” for capacity, reflecting current student/teacher ratios the District aims to maintain. While the plan includes class size reductions for K-3, it does not account for further reductions in other grades as per Initiative 1351, which has not been funded by the state. Future updates will consider these changes as funding becomes available.

It should also be noted that although the State Superintendent of Public Instruction establishes square foot guidelines for capacity funding criteria, those guidelines do not account for the **actual** program needs in the District. The Growth Management Act and King County Code 21A.43 authorize the District to adjust the standard of service based on the District's specific needs.

In general, the District's current standard provides the following (see Section 2 for additional information):

School Level	Target Average Student/Teacher Ratio
Elementary	20 Students
Middle	27 Students
High	28 Students

Capacity for 2025-26: The District's permanent capacity is 6,599 students, with an additional 2,003 of capacity in portable classrooms to accommodate students. Enrollment for Fall 2024 was 6,815 FTE (which includes approximately 63 FTE served either out of district or via alternative programming). The District anticipates a slight decrease in enrollment through 2025-2026, followed by growth in later years. Projections show a 0.2% overall decrease to 6,803 students by 2030. However, variables such as housing growth in North Bend, potential zoning and housing construction changes to address future population growth in King County, and changes in enrollment trends may influence these projections.

The state’s 2010 House Bill 2776 mandated full-day kindergarten by 2018, doubling the classroom needs for kindergartners. Additionally, the bill required K-3 class sizes to be reduced to 17 students, further increasing classroom demand. These changes, alongside growing enrollment, have escalated the need for permanent classroom space across all grade levels. The largest growth continues in Snoqualmie Ridge and North Bend. Census data shows Snoqualmie grew by 32.3% and North Bend by 31.8% over the past decade. Both cities expect further housing growth, while other areas will see minimal changes unless annexations occur.

Previous Capacity Expansions: Notable past expansions include Cascade View Elementary (2005), Twin Falls Middle School (2008), Mount Si High School (2009), Timber Ridge Elementary (2016), and Mount Si High School's replacement (2019). However, a significant portion of elementary capacity is still housed in portable classrooms, which currently provide the equivalent of two additional elementary schools' worth of space.

Citizen's Committee Recommendations: Following the completion of the Timber Ridge and Mount Si school additions, made possible by the District's most recent bond proposal (2015), the District started to assess its ongoing facility needs.

To evaluate current and future requirements and prioritize projects for potential upcoming bond measures, the District established a citizen's committee. This committee was tasked with reviewing the District's facilities needs, particularly in relation to evolving educational requirements, projected enrollment growth, building conditions and safety. The committee's goal was to develop a long-term facilities plan which would effectively communicate the district's future facility needs and improvements over the next 20 years.

Based on these considerations, the committee recommended the full rebuilding and expansion of North Bend Elementary and Fall City Elementary. This recommendation was driven by factors such as projected enrollment growth, the high number of portable classrooms in use, equitable learning spaces when compared to newer buildings, and the age and location of these schools. Replacing these older facilities will not only accommodate future growth but also reduce the current reliance on portables. Both schools are among the District's oldest, and replacing them will resolve long-standing maintenance issues, improve overall facility conditions, and provide more equitable learning environments on par with other schools in the District. The committee specifically recommended full replacements rather than remodels, as the benefits of new construction – such as addressing current needs in their entirety – far outweigh the slightly higher costs compared to a remodel. A full replacement allows for the design and installation of systems and components that fully meet the District's needs, whereas a remodel would only be able to address a portion of those needs.

The committee also recommended the replacement and expansion of Snoqualmie Middle School. This school, like the elementary schools, lacks equitable facilities and learning spaces when compared to the District's other middle schools. Moreover, a significant number of classrooms have doors that open to the exterior, creating ongoing safety and security concerns considering increasing incidents in public schools.

In 2024, the School Board formally accepted the recommendations of the Citizen's Facilities Advisory Committee and has begun planning for the potential bond measures to support these projects.

See Section 6 for further details on the District's capacity planning.

Section 2. Current District "Standard of Service"
(as defined by King County Code 21A.06)

In accordance with King County Code 21A.06, each school district is required to establish a "standard of service" to determine its overall capacity. This standard accounts for factors such as program year, class size, the number of classrooms, students, special needs programs, and other district-specific considerations. Relocatable units (i.e., portable classrooms) may be included in capacity calculations using the same standards as permanent facilities.

The following outlines the District's current standard of service, which reflects programs and educational opportunities that directly impact building capacity. Note that some buildings' permanent capacities have been adjusted to accommodate special programs. The standard of service incorporates class size reductions at the K-3 level but does not yet include potential reductions for other grades per Initiative 1351, which, though approved by voters in 2014, has not been funded by the state. Future updates will consider these changes as funding becomes available.

Standard of Service for Elementary Students

- Average target class size for grades K – 2: 17 students
- Average target class size for grade 3: 17 students
- Average target class size for grades 4-5: 27 students
 - Weighted Average for K-5 based on the above: 20 students
- Special Education for students with disabilities may be provided in a self-contained classroom. Average target class size: 12 students

The District's goal is to provide a standard of service of 17 students per classroom for kindergarten through grade 3, and 25 students per classroom in grades 4 through 5. However, the state currently funds grades 4 and 5 at 27 students per classroom.

Identified students will also be provided other special educational opportunities in classrooms designated as follows:

- Resource rooms
- Computer rooms
- Multi Language Learners (MLL)
- Education for disadvantaged students (Title I)
- Highly Capable education
- District remediation programs
- Learning assisted programs
- Transition rooms
- Behavior and other social, emotional programming
- Mild, moderate and severe disabilities
- Preschool programs

Standard of Service for Secondary Students

- Average target class size for grades 6-8: 27 students
- Average target class size for grades 9-12: 30 students
- Average target class size for Two Rivers School: 20 students
- Special Education for students with disabilities may be provided in a self-contained classroom. Average target class size: 12 students

Identified students will also be provided other special educational opportunities in classrooms designated as follows:

- English Language Learners (ELL)
- Resource rooms (for special remedial assistance)
- Computer rooms

Room Utilization at Secondary Schools

Full utilization of teaching stations is not possible due to program schedules, specialized room requirements, and teachers needing planning space.

For building capacity calculations, the District uses a standard utilization rate of 83% (5 out of 6 periods) for middle schools.

In the 2019-20 school year, Mount Si High School adopted a 7-period schedule, with teachers teaching 5 of those periods. This results in a room utilization rate of 71%, but as enrollment increases, teachers will move to shared classrooms in certain areas, which will slightly raise utilization to approximately 75%. The State does not fund the extra planning period provided to teachers in the 7-period day. Due to this and the lower room utilization, the class size for capacity purposes (and financial purposes) at Mount Si has been increased from 27 to 30 students. Future updates may adjust class size and room utilization rates based on schedule and/or funding changes.

Section 3. Inventory and Evaluation of Current Permanent Facilities

For the 2025–26 school year, the District’s total student capacity is projected at 8,626, which includes 6,599 permanent classroom seats and 2,027 temporary (portable) classroom seats. As of October 2024, enrollment for facility planning purposes was 6,752 students. Total October 2024 enrollment—including students enrolled in alternative educational programs and out-of-district placements—was 6,815 full-time equivalents (FTE).

Capacity calculations at the elementary, middle, and high school levels are based on current service standards. Changes in instructional programs, student support needs (such as special education), and current facility use have led to adjustments in capacity at some schools. A summary table follows, detailing the current permanent capacity by school, organized by level and name.

A broader overview of districtwide capacity and enrollment projections for the next six years is provided in Section 7.

The physical condition of District facilities was evaluated as part of the 2023 State Study and Survey of School Facilities, conducted in accordance with WAC 180-25-025. This report, which is updated as facilities are modernized, is incorporated herein by reference.

Section 4. Relocatable (Portable) Classrooms

For a definition of relocatables and permanent facilities, see Section 2 of King County Code 21A.06.

The District currently utilizes 93 portable classrooms, which account for approximately 23% of total classroom capacity. However, 36% of elementary capacity is in portables – equivalent to more than two full elementary schools. While the expansion of Mount Si High School and reopening of Snoqualmie Middle School reduced reliance on portables at the secondary level, ongoing enrollment growth may require the District to acquire or relocate additional portables for elementary schools over the next six years.

Portables offer short-term flexibility for fluctuating enrollment and program needs. All new and modernized school sites are designed to accommodate portables if needed. However, portables are not intended as a long-term solution, and the District remains committed to reducing the percentage of students housed in them.

Portable classroom costs vary significantly depending on location, permitting, and use. An additional 10 portables are used for specialized programs and districtwide services and are not available for general classroom use.

The former Two Rivers School facility, vacated in 2021, is undergoing renovation and will reopen in Fall 2025 as an early learning center. This project will relocate preschool programs from Snoqualmie Elementary and increase capacity to serve students in these programs.

Section 5. Six-Year Enrollment Projections

The District partners with Flo Analytics (FLO) to forecast student enrollment over a six-year period. FLO provides low, middle, and high-range projections based on historical growth, future housing developments, birth rates, economic trends, and other contributing factors.

According to FLO's 2024 mid-range projection, districtwide enrollment is expected to decline slightly – by 12 students (0.2%) – over the next six years. Elementary enrollment, however, is projected to grow by 139 students (4%) during that same period. Middle and high school enrollment is expected to decline as the recently smaller elementary cohorts advance through the system.

Enrollment data has been adjusted starting in 2016 to reflect Washington State House Bill 2776, which mandated full-day kindergarten. While this change did not increase student headcount, it effectively doubled the number of classrooms needed for kindergarten.

The District acknowledges that near-term projections may be influenced by several variables, including housing growth in North Bend, potential zoning and housing construction changes to address future population growth in King County, and changes in enrollment trends.

*** The district experienced large increases in Running Start enrollment for grades 11-12 recently. It is still too early to determine if this is a trend or an anomaly based on current circumstances (construction, high school schedule, etc.) Future enrollment will continue to be monitored and projections may be adjusted in subsequent updates to the Capital Facilities Plan.

Section 6. Six-Year Planning and Construction Plan

To meet ongoing and future capacity challenges and facilities needs, the District plans to:

- Construct new permanent elementary school capacity
- Rebuild and expand Snoqualmie Middle School
- Use portable classrooms where other solutions are not feasible
- Acquire land to expand transportation facilities

Elementary School Capacity Needs

Despite adding Timber Ridge Elementary in 2016, nearly all elementary schools still exceed their permanent capacity. Currently, 36% of elementary students are housed in portables, and some schools—like Snoqualmie, Fall City, and North Bend—have around 50% of their capacity in portable classrooms. In addition, growth at the elementary level is projected to continue.

Portables offer only short-term relief. Further expansion is constrained by land availability, building codes, and limitations in shared spaces like restrooms, parking, and specialist classrooms.

Future elementary school construction is expected to focus on replacing aging buildings with larger facilities that expand capacity and reduce reliance on portables.

Citizens' Facilities Advisory Committee Recommendations

In 2020, the District formed the Citizens' Facilities Advisory Committee to evaluate long-term solutions. In 2023, the committee prioritized:

- 1. Rebuilding and expanding Fall City and North Bend Elementary Schools**
 - Both are the oldest in the District and have the highest portable use.
 - North Bend Elementary must be replaced due to its location in a floodway, which limits renovation.
 - These two projects would eliminate 29 portable classrooms and support future growth.
- 2. Rebuilding Snoqualmie Middle School**
 - A new facility on District-owned property at Snoqualmie Ridge would enhance safety, and provide instructional spaces that meet current educational needs and are more comparable to the district's other middle schools, while reducing transportation demands, while also reducing the utilization of approximately 10-15 portable classrooms.

Additional recommendations for future phases of the long-term plan would include modernization or replacement of Opstad Elementary, Snoqualmie Elementary and Chief Kanim Middle School. The existing Snoqualmie Middle School would also be repurposed for other district uses.

A 7th elementary school may also be considered if enrollment exceeds projections.

In 2024, the School Board accepted these recommendations and plans to survey the community on a future bond to fund these projects.

Current and Ongoing Projects

The district currently provides required preschool services to students who qualify at Snoqualmie Elementary School. As part of the 2015 bond, the District is converting the former Two Rivers School into an Early Learning Center. This facility will serve the growing special education needs of the District and increase capacity for typically developing peers to be a part of preschool programming. This facility will also serve an expanded daycare program to help support district staff with young children. It is expected to open in Fall 2025.

Transportation Facility Needs

The District must also address its outdated transportation facility, which is insufficient for current and future needs. While recent driver shortages have obscured this issue, hiring more staff will highlight capacity limitations. Though a transportation facility was considered in the 2015 bond, it was excluded due to cost.

The District now plans to identify and secure land for a future transportation facility. While these costs are not eligible for impact fee funding, they are a key part of the District's long-term planning.

Section 7. Six-Year Classroom Capacities: Availability/Deficit Projections

The table below summarizes the District's projected permanent and portable capacity throughout the duration of this Plan.

Despite the opening of Timber Ridge Elementary in 2016, the District continues to face permanent capacity shortages at the elementary level, with 36% of elementary students still housed in portable classrooms.

To address long-term needs, the District plans to rebuild and expand North Bend Elementary by 2030 and Fall City Elementary by 2031. Each project would replace portables used by approximately 300 students with permanent classrooms. With the completion of the North Bend Elementary school planned for 2030, the percentage of elementary students housed in portable classrooms would be reduced to 29%, with an additional reduction once Fall City Elementary is completed.

At the secondary level, the expansion of Mount Si High School (MSHS) has significantly increased permanent capacity for grades 9-12, and also benefited middle school capacity. A replacement of Snoqualmie Middle School would replace portables used by 200-340 students, depending on the service location of Meadowbrook School (previously Parent Partnership).

Districtwide, 23% of classrooms are projected to be in portables in the 2025-26 school year. With planned elementary capacity additions, this percentage is expected to drop to 21% by 2030, with additional decreases once Fall City Elementary and Snoqualmie Middle School projects are completed.

The District remains committed to reducing the current reliance on portable classrooms and will continue to assess future elementary capacity needs.

Section 8. Impact Fees and the Finance Plan

By law, impact fees cannot fully fund new school capacity needs; they may only cover a portion of the costs associated with growth. The impact fee formula ensures new development contributes to the facilities required to serve the students it generates. These calculations are based on student generation factors, which calculate the average number of students generated per new single-family or multi-family unit, derived from recent local data.

The student generation factor is applied to anticipated construction costs (construction-only, not total project costs) over the six-year span of this Plan. The result is the per-dwelling unit cost of providing school capacity for new housing. This amount is then reduced by expected State match funds and the present value of future tax revenues from existing school construction bond debt service which the new homeowner will be paying.

King County and the cities of Sammamish, Snoqualmie, and North Bend require that local communities cover 50% of this adjusted cost. Therefore, the final proposed impact fee reflects this mandated reduction, after the additional discounts noted above.

Due to these adjustments, impact fees alone are insufficient to fund school construction. Most funding must come from locally approved bonds.

A small amount of funding may also come from State School Construction Assistance Program or "State Match" funds. For example, the District received State Match funds for the Timber Ridge Elementary and Mount Si High School projects, which covered only about 11% of total costs, just over the amount of sales tax charged on public school construction. Thus, state funding has a very limited role in addressing school facility needs.

The District's finance plan for 2025–2030 includes secured funds from the 2015 bond and current impact fees but will require additional bonds. The District owns undeveloped land in both Snoqualmie and North Bend that could support future schools and must also plan for expanded transportation facilities.

Future updates to this Plan will include revised construction project and funding details, as they develop and change.

¹ Listed here are estimated total project costs as adjusted for cost escalation through anticipated bid year. Impact fees are only be calculated on 'construction costs'. Costs backed out of the total project cost to arrive at 'construction cost' represent about 25-30% of the total project cost. These costs include design/engineering fees, sales tax, permitting, inspection, insurance and construction management costs, as well as furnishings and equipment for the building. The difference in cost is summarized below.

Added Elementary School Capacity:

Estimated total project cost = 121,800,000 Estimated cost of construction = \$96,700,000

² State Matching funds calculated based off of estimates provided by OSPI in March 2025

Cost Estimates and State Match Availability

To estimate construction costs, the District is using actual costs from recent portable acquisitions, adjusted for inflation. The elementary capacity project estimate is based on NAC Architecture's data from recent bid awards, with inflation projected through the project's midpoint. Other project costs are internally estimated using current market rates and preliminary designs.

The District has updated its estimate of potential State matching funds from OSPI, which are available for:

1. New construction for 'unhoused' students (those in non-permanent facilities), and
2. Modernization or replacement of facilities not renovated in 30+ years.

Matching funds for new construction are grouped by K-8 and 9-12 grade bands. The District is not currently eligible for 'unhoused' construction funding since middle school capacity offsets elementary students in portables. Due to recent enrollment declines at the elementary level, currently one out of 5 students are served in portable classrooms, with that percentage growing to 23% over the next few years. As seen in Section 7, the total unhoused students for K-8 is still over 400 (586 of unhoused elementary, offset by 176 of surplus permanent capacity at the middle school level). And yet, the state formula based solely on square footage does not qualify the district for any funding for unhoused students. We assert that the state formula for funding is antiquated, as it does not calculate unhoused students currently for the district. In addition, it does not account for the numerous required programs and services that are incorporated into schools and require space to operate.

Modernization funding is site-specific, and buildings qualify 30 years after any construction or renovations have occurred. Current estimates suggest state match would cover only 0-2% of construction costs for North Bend and Fall City Elementary schools, both last renovated in 1999. By 2031, when full eligibility is expected, matching funds may rise to 6-7% of the current project cost, but overall project cost inflation would outpace any financial benefit of delaying construction in order to access those potential state matching funds.

The District maintains that the state's funding formula is inadequate, providing less than 10% of actual costs—and urges reform to better align with current construction realities.

Appendix A: Composite Student Generation Factors

Ordinance No. 10162, Section R. Page 5: lines 30 thru 35 & Page 6: line 1:

“Student factors shall be based on district records on average actual student generation rates for new developments constructed over a period of not more than five (5) years prior to the date of the fee calculation: provided that, if such information is not available in the district, data from adjacent districts, districts with similar demographics, or county wide averages may be used.”

In 2024, the FLO Analytics analyzed student generation rates within Snoqualmie Valley and found the following rates:

For purposes of the impact fee calculation, the district is using its own rate for single-family dwellings.

Multi-family developments can vary widely, and the number of students generated depends on the nature of the developments, including affordability, location, number of bedrooms, and even proximity to local schools. Some of the larger market rate multifamily developments in the FLO Analytics study were not fully constructed/occupied at the end of 2023 (the outside date of the study period), so the true student generation rates from those developments are not currently known. As such, while the District is using its own rate for multi-family units, the District has chosen to employ a discretionary adjustment to the calculated multi-family school impact fee to keep the fee at the same amount as the fee calculated in 2024, as we monitor the district data set for another year.

The District will continue to revisit this analysis in the next update to the Capital Facilities Plan.

Finally, local cities and jurisdictions updated their comprehensive plans to facilitate the delivery of middle housing expected future King County housing needs. Given constraints on available developable land, potential changes to zoning, density and annexation might be necessary to accommodate that housing growth. This would potentially impact both the student generation rates and the capital facilities needed to house additional future students. The District will continue to monitor these impacts on future updates to the Capital Facilities Plan.

Summary

Introduction *

Brief summary.

The purpose of this agenda bill is for Council to review and approve the purchase of a new storage appliance as a part of the server infrastructure upgrade.

Proposed Motion

Move to approve the purchase contract with Trace3 for the Storage Upgrade Project

Background/Overview *

What was done (legislative history, previous actions, ability to hyperlink)

During the review of our current server environment, a choice was made in the past to purchase hyperconverged servers (servers with the storage onboard to deliver services) to improve performance of virtual desktops used by city staff. As we are no longer using virtual desktops and have moved to laptops for compute, it is no longer necessary to use these more expensive servers, and we can "carve out" the storage to another appliance.

Analysis*

As a part of our server upgrade, we are moving the storage portion of the server upgrade to a standalone storage appliance rather than having onboard storage. This saves costs and to make our systems more modular and resilient. This appliance will all replace the current production file servers. We can reuse the current files server storage at our back site for resiliency.

Budgetary Status*

Funds have already been authorized in the current biennial budget.

Budget Summary

As part of the 2025-26 Biennial Budget, the City incorporated \$1,115,600 in capital purchases within the Information Technology Fund (#502). Currently, \$189,840 has been spent for capital purchases within this fund, with no contracts outstanding. After incorporating the proposed \$70,504 Trace3 contract for server storage, \$855,256 remains for capital purchases (please see the table below or on the next page). If AB25-090 for server upgrades is also approved, then \$791,469 remains for capital purchases. Therefore, sufficient appropriation exists within the 2025-2026 Biennial Budget (Information Technology Fund (#502) - Capital) to fund the contract.

COOPERATIVE PURCHASING MASTER AGREEMENT

Master Agreement No: 23020

Pure Storage, Inc.
(hereinafter "Contractor")

and

State of Washington
(hereinafter "Participating State")

WASHINGTON CONTRACT No.: 05820

This Participating Addendum for the above referenced Master Agreement ("Participating Addendum") is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency ("Enterprise Services") and Pure Storage, Inc., a Delaware Profit Corporation ("Contractor") and is dated and is dated and effective as of February 01, 2024 or the date of last signature, whichever is later. This Participating Addendum shall terminate upon the expiration or the termination of the Master Agreement, as amended, unless the Participating Addendum is terminated sooner in accordance with the terms set forth herein

RECITALS

- A. Pursuant to Legislative authorization codified in RCW 39.26.060, Enterprise Services, on behalf of the State of Washington, is authorized to participate in cooperative purchasing agreements to develop master agreements to procure goods and/or services and to make such competitively solicited and awarded contracts available to Washington state agencies and designated eligible purchasers consistent with terms and conditions set forth by Enterprise Services.
- B. Enterprise Services timely provided public notice of the competitive solicitation process conducted by the above-referenced lead state through Washington's Electronic Business Solutions (WEBS) system.
- C. The above-referenced Lead State, as part of its competitive solicitation process, evaluated all responses to its procurement and identified Contractor as an apparent successful bidder and awarded a Master Agreement to Contractor.
- D. Enterprise Services has determined that participating in this Master Agreement is in the best interest of the State of Washington.

- E. The purpose of this Participating Addendum is to enable eligible purchasers, as defined herein, to utilize the Master Agreement as conditioned by this Participating Addendum.

A G R E E M E N T

NOW THEREFORE, in consideration of the mutual promises, covenants, and conditions set forth herein, the parties hereto hereby agree as follows:

1. **SCOPE:** This Participating Addendum covers the competitive procurement for Computer Equipment, Peripherals & Related Services led by the State of Minnesota for use by state agencies and other entities located in the Participating State authorized by that state's statutes to utilize state contracts with the prior approval of the State's chief procurement official.

AWARDED BANDS:

Band 3, Servers and Storage

2. **PARTICIPATION:** Use of specific NASPO ValuePoint cooperative contracts by agencies, political subdivisions and other entities (including cooperatives) authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State chief procurement official. Issues of interpretation and eligibility for participation are solely within the authority of the State chief procurement official. Pursuant to this Participating Addendum, the Master Agreement may be utilized by the following ("Purchasing Entities" or "Purchasers"):
 - (a) WASHINGTON STATE AGENCIES. All Washington state agencies, departments, offices, divisions, boards, and commissions.
 - (b) WASHINGTON STATE INSTITUTIONS OF HIGHER EDUCATION (COLLEGES). Any the following specific institutions of higher education in Washington:
 - (a) State universities – i.e., University of Washington & Washington State University;
 - (b) Regional universities – i.e., Central Washington University, Eastern Washington University, & Western Washington University
 - (c) Evergreen State College;
 - (d) Community colleges; and
 - (e) Technical colleges.
 - (c) CONTRACT USAGE AGREEMENT PARTIES. The Master Agreement also may be utilized by any of the following types of entities that have executed a [Contract Usage Agreement \(CUA\)](#) with Enterprise Services:
 - Political subdivisions (e.g., counties, cities, school districts, public utility districts, ports) in the State of Washington;
 - Federal governmental agencies or entities;
 - Public-benefit nonprofit corporations (i.e., § 501(c)(3) nonprofit corporations that receive federal, state, or local funding); and
 - Federally-recognized Indian Tribes located in the State of Washington.

By placing an order under this Participating Addendum, each Purchasing Entity agrees to be bound by the terms and conditions of this Participating Addendum, including the Master Agreement. Each Purchasing Entity shall be responsible for its compliance with such terms and conditions.

3. PARTICIPATING STATE MODIFICATIONS OR ADDITIONS TO MASTER AGREEMENT:

- 3.1. **WASHINGTON'S ELECTRONIC BUSINESS SOLUTIONS (WEBS) SYSTEM:** Within seven (7) days of execution of this Participating Addendum, Contractor shall register in the Washington State Department of Enterprise Services' Electronic Business Solutions (WEBS) System at [WEBS](#). Contractor shall ensure that all of its information therein is current and accurate and that, throughout the term of the Master Agreement, Contractor shall maintain an accurate profile in WEBS.
- 3.2. **WASHINGTON'S STATEWIDE PAYEE DESK:** To be paid for contract sales, Contractors must register with Washington's Statewide Payee Desk. Washington state agencies cannot make payments to a contractor until it is registered. Registration materials are available here: [Receiving Payment from the State](#).
- 3.3. **CONTRACT SALES REPORTING:** Contractor shall report total contract sales quarterly to Enterprise Services, as set forth below.
- (a) **REPORTING.** Contractor shall report quarterly Contract sales in Enterprise Services' [Contract Sales Reporting System](#). Enterprise Services will provide Contractor with a login password and a vendor number. The Contractors point of contact for reporting and processing of the administrative fee is:

Name:	Katie Lefebvre, Public Sector Contracts Specialist, III
Address:	2555 Augustine Drive, Santa Clara, CA 95054
Telephone:	(630) 863-9428
Email:	klefebvre@purestorage.com

- (b) **DATA.** Each sales report must identify every authorized Purchasing Entity by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The "Miscellaneous" option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasing Entities specified herein during the term of this Participating Addendum. Refer sales reporting questions to the Primary Contact set forth below. If there are no contract sales during the reporting period, Contractor must report zero sales.
- (c) **DUE DATES FOR CONTRACT SALES REPORTING.** Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all sales invoiced during the applicable calendar quarter:

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	CONTRACT SALES REPORT	
		DUE BY	PAST DUE
1	January 1 – March 31	April 30	May 1
2	April 1 – June 30	July 31	August 1
3	July 1 – September 30	October 31	November 1
4	October 1 – December 31	January 31	February 1

3.4. **VENDOR MANAGEMENT FEE:** Contractor shall pay to Enterprise Services a vendor management fee ("VMF") of 1.25 percent on the purchase price for all contract sales (the purchase price is the total invoice price less applicable sales tax) authorized by this Participating Addendum.

(a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

Amount owed to Enterprise Services = Total contract sales invoiced (not including sales tax) x .01250.

(b) The VMF must be rolled into Contractor's current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.

(c) Enterprise Services will invoice Contractor quarterly based on contract sales reported by Contractor. Contractor shall not remit payment until it receives an invoice from Enterprise Services. Contractor's VMF payment to Enterprise Services must reference the following:

- Invoice number associated with payment
- This Washington Contract No.: **05820**
- The NASPO Master Agreement No.: **23020**
- The year and quarter for which the VMF is being remitted, and
- Contractor's name as set forth in this Contract, if not already included on the face of the check.

(d) Contractor's failure accurately and timely to report total net sales, to submit timely usage reports, or to remit timely payment of the VMF to Enterprise Services, may be cause for Enterprise Services to suspend or terminate this Participating Addendum or exercise any other remedies as provided by law.

(e) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases.

(f) For purposes of the VMF, the parties agree that the initial management fee is included in the pricing. Therefore, any increase or reduction of the management fee must be reflected in contract pricing commensurate with the adjustment.

3.5. **CONTRACTOR REPRESENTATIONS AND WARRANTIES:** Contractor makes each of the following representations and warranties as of the effective date of this Participating Addendum and at the time any order is placed pursuant to the Contract. If, at the time of any such order, Contractor cannot make such representations and warranties, Contractor shall not process any orders and shall, within three (3) business days notify Enterprise Services, in writing, of such breach.

(a) **QUALIFIED TO DO BUSINESS.** Contractor represents and warrants that Contractor is (a) in good standing; (b) qualified to do business in the State of Washington; and (c) registered with the Washington State Department of Revenue and the Washington Secretary of State.

(b) **TAXES.** Contractor represents and warrants that Contractor is current, in full compliance, and has paid all applicable taxes owed to the State of Washington.

(c) **LICENSES; CERTIFICATIONS; AUTHORIZATIONS; & APPROVALS.** Contractor represents and warrants that Contractor possesses and shall keep current during the term of this

Contract all required licenses, certifications, permits, authorizations, and approvals necessary for Contractor's proper performance of this Contract.

- (d) **SALES TAX.** Contractor represents and warrants that, for all sales to Purchasing Entities in the State of Washington, Contractor shall calculate, collect, and remit, as appropriate, the applicable state and local sales tax on all invoices.
- (e) **WAGE VIOLATIONS.** Contractor represents and warrants that, during the term of this Contract and the three (3) year period immediately preceding the award of the Contract, it is not determined, by a final and binding citation and notice of assessment issued by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction, to be in willful violation of any provision of Washington state wage laws set forth in RCW 49.46, 49.48, or 49.52.
- (f) **CIVIL RIGHTS.** Contractor represents and warrants that Contractor complies with all applicable requirements regarding civil rights. Such requirements prohibit discrimination against individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (g) **EXECUTIVE ORDER 18-03 – WORKERS' RIGHTS (MANDATORY INDIVIDUAL ARBITRATION).** Contractor represents and warrants that Contractor does NOT require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers. Contractor further represents and warrants that, during the term of this Participation Agreement, Contractor shall not, as a condition of employment, require its employees to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.
- (h) **OCIO POLICY & SECURITY COMPLIANCE:** Contractor represents and warrants, that to the extent the following applies to products provided under this Participating Addendum, that Contractor shall use commercially reasonable efforts to provide applicable supporting documentation and assist the Purchasing Entities with verifying that the products comply with the Washington Office of the Chief Information Officer (OCIO) statewide information technology policies and other local information technology policies as applicable to the Purchasing Entity. Policies applicable to the Washington State Agencies are located on the OCIO website at <https://ocio.wa.gov/policies>. Prior to final execution of a Washington State Agency's Order with a Contractor, the Contractor's Solution(s) may be subject to a Security Design Review performed by Washington Consolidated Technology Services to ensure compliance with the State security policies.
- (i) **GREEN/SUSTAINABLE.** Contractor represents and warrants that Contractor shall endeavor to supply and delivery goods in alignment with the State of Washington's green/sustainability strategy which, at a minimum is designed to minimize the use of unnecessary product packaging, reduce the use of toxic chemicals, and offer Purchasers, where practicable, 'green products' that provide equivalent performance. Accordingly, Contractor should review the below list of applicable state policies and standards and use commercially reasonable efforts to meet these requirements when supplying goods and services under this Participating Addendum:

1. APPLICABLE POLICIES

- a. [Electronic Products Recycling Program](#). Contractor shall adhere to Washington State's Electronic Products Recycling Program and its requirements to both manufacturers and retailers of electronic equipment, per [E-Cycle WA](#), [70A.500 RCW](#), and [173-900 WAC](#).

2. PROHIBITED MATERIALS

- a. [Expanded polystyrene](#). Contractor shall adhere to Washington State Department of Ecology's ban on expanded polystyrene void filling packaging (packing peanuts). This will expand to additional expanded polystyrene products July 1, 2024.

3. PROCUREMENT PRIORITIES

- a. [Nonmercury-Added Products](#). State Agencies and institutions of higher education are directed to purchase products that contain no mercury or the least amount of mercury-added compounds or components where commercially available and economically feasible.
- b. [Electronics Products Purchasing Preference](#). State Agencies and institutions of higher education are directed to purchase applicable electronics (e.g., servers, computers and displays, imaging equipment, mobile phones, and televisions) with an [EPEAT](#) Registry listing at the Bronze level or higher, or products that meet another environmental standard that reduces the use of hazardous substances.
- c. [Recycled Product Procurement](#). State Agencies and institutions of higher education are directed to purchase printer models that will efficiently utilize one hundred percent recycled content white cut sheet bond paper.

3.6. **CONTRACTOR'S SALES AUTHORITY; PURCHASE ORDERS; & INVOICES:**

- (a) **CONTRACTOR'S SALES AUTHORITY.** Pursuant to this Participating Addendum, Contractor is authorized to provide only those goods/services set forth in the Master Agreement as conditioned by this Participating Addendum. Contractor shall not represent to any Purchaser hereunder that it has any authority to sell any other materials, supplies, services and/or equipment.
- (b) **INVOICES.** Contractor must provide a properly completed invoice to Purchaser. All invoices are to be delivered to the address indicated in the purchase order. Each invoice must include the:
 - Washington Contract Number 05820;
 - Lead State Master Agreement Number 23020;
 - Contractor's statewide vendor registration number assigned by the Washington State Office of Financial Management (OFM);
 - Applicable Purchaser's order number; and
 - The applicable volume discounts.

3.8. **TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.**

(a) **TERMINATION.** The Purchaser may terminate Purchase Orders: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in the Purchase Order; and (c) as otherwise expressly provided for in the Purchase Order. The Purchase Orders shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate the Purchase Order as provided in subsection (b) below without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

(b) **TERMINATION FOR NONAPPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW.** Enterprise Services may suspend or terminate this Participating Addendum and Purchasers may suspend or terminate applicable Purchase Orders, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchaser, if Enterprise Services or, as applicable, Purchaser reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Participating Addendum or applicable Purchase Order; or (b) that a change in available funds affects Purchaser's ability to pay under the applicable Purchase Order. A change of available funds as used in this section includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this provision, Purchaser will reimburse Contractor for Goods properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, Purchaser will have no obligation or liability to Contractor.

(c) **TERMINATION FOR PUBLIC CONVENIENCE.** The Purchasers, for public convenience, may terminate the Purchase Order; Provided, however, that such termination for public convenience must, in the Purchaser's judgment, be in the best interest of the State of Washington; and Provided further, that such termination for public convenience shall only be effective upon sixty (60) calendar days prior written notice; and Provided further, that such termination for public convenience shall not relieve any Purchaser from payment for Goods/Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, Purchaser shall have no obligation or liability to Contractor.

(d) **PURCHASER OBLIGATIONS – EXPIRATION.** Upon expiration of this Participating Addendum, Purchaser shall accept and take delivery of all outstanding and not yet fulfilled Purchase Orders and pay Contractor the price as set out in the Master Agreement. Notwithstanding any provision to the contrary, in no event shall a Purchaser's Purchase Order pursuant to this Participating Addendum that is executed prior to expiration of this Participating Addendum allow for Contractor to provide Goods and/or Services more than twelve (12) months beyond the expiration date of the Master Agreement.

(e) **CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION.** Upon expiration or termination of this Participating Addendum, Contractor shall: (a) continue to fulfill its

warranty obligations with respect to any Goods and/or Services sold hereunder and all provisions of the Participating Addendum that, by their nature, would continue beyond the expiration, termination, or cancellation of the Participating Addendum shall so continue and survive; and (b) promptly return to Purchaser all keys, badges, and other materials supplied by Purchaser for the performance of any Purchase Order entered into pursuant to this Participating Addendum.

4. **LEASE AGREEMENTS**: Any Purchaser that desires to lease equipment pursuant to the Master Agreement, must have the authority to do so. This Participating Addendum does not provide independent authorization for Purchaser to lease equipment. In addition, state agencies and institutions of public higher education are not authorized to lease equipment pursuant to the Master Agreement and should consult with DES Technology Leasing.
5. **PRIMARY CONTACTS**: The primary contact individuals for this Participating Addendum are as follows (or their named successors):

6. **SUBCONTRACTORS**: Subcontractors, referred to in the Master Agreement in part as Partners, are not authorized to accept payment directly from Purchasers. Contractor shall not subcontract, assign, or otherwise transfer its obligations under the Master Agreement and this Participating Addendum without Enterprise Services' prior written consent. Violation of this condition shall constitute a material breach establishing grounds for termination of this Participating Addendum.
 - (a) **SUBCONTRACTOR AUTHORIZATION.** Contractor is authorized, upon approval by Enterprise Services, to utilize its Subcontractors to provide service support to Purchasers hereunder; *provided*, however, that such participation shall be in accordance with the terms and conditions set forth in the Master Agreement and this Participating Addendum. Contractor shall maintain a list of such Subcontractors utilized for this Participating Addendum, and upon request, promptly provide Enterprise Services with such list and any updates. Parameters for approval by Enterprise Services are included in Exhibit A.
 - (b) **CONTRACTOR RESPONSIBILITY FOR SUBCONTRACTORS.** Contractor shall be responsible to ensure that all requirements of the Master Agreement (including, but not limited to, insurance requirements, indemnification, Washington state business registration, etc.) flow down to any and all Subcontractors. In no event shall the existence of a subcontract between Contractor and its Subcontractor operate to release or reduce Contractor's liability to the Participating State or any Purchaser for any breach of the Master Agreement or this Participating Addendum. As to Participating State and Purchasers hereunder, Contractor shall have full and

complete responsibility and liability for any act or omission by Contractor's Subcontractors.

- (c) SMALL, DIVERSE, AND VETERAN BUSINESS INCLUSION GOALS. Contractor shall make reasonable commercial efforts to include WA small, diverse, and veteran businesses as Subcontractors, as defined by [RCW 39.26.010 \(22a\)](#), [RCW 39.26.010 \(22b\)](#), and [RCW 43.60A.190 \(2\)](#)

7. CONTRACTOR'S AUTHORIZED FULFILLMENT PARTNERS: Authorized Fulfillment Partners, referred to in the Master Agreement in part as Partners, are authorized to accept payment directly from Purchasers. Contractor shall not subcontract, assign, or otherwise transfer its obligations under the Master Agreement and this Participating Addendum without Enterprise Services' prior written consent. Violation of this condition shall constitute a material breach establishing grounds for termination of this Participating Addendum.

- (a) AUTHORIZED FULFILLMENT PARTNER AUTHORIZATION. Contractor is authorized, upon approval by Enterprise Services, to utilize its Authorized Fulfillment Partners to provide sales and service support to Purchasers hereunder; *provided*, however, that such participation shall be in accordance with the terms and conditions set forth in the Master Agreement and this Participating Addendum. Contractor shall maintain a list of such Authorized Fulfillment Partners utilized for this Participating Addendum, and upon request, promptly provide Enterprise Services with such list and any updates. Parameters for approval by Enterprise Services are included in Exhibit A.
- (b) CONTRACTOR RESPONSIBILITY FOR AUTHORIZED FULFILLMENT PARTNERS. Contractor shall be responsible to ensure that all requirements of the Master Agreement (including, but not limited to, insurance requirements, indemnification, Washington state business registration, etc.) flow down to any and all Authorized Fulfillment Partners. In no event shall the existence of a subcontract between Contractor and its Authorized Fulfillment Partner operate to release or reduce Contractor's liability to the Participating State or any Purchaser for any breach of the Master Agreement or this Participating Addendum. As to Participating State and Purchasers hereunder, Contractor shall have full and complete responsibility and liability for any act or omission by Contractor's Authorized Fulfillment Partner.
- (c) PURCHASER PAYMENT REGARDING CONTRACTOR'S AUTHORIZED FULFILLMENT PARTNERS. Notwithstanding any provision to the contrary, the parties understand and agree that for any contract sales or service provided pursuant to the Master Agreement and this Participating Addendum, Purchaser payment shall be made directly to Contractor as the awarded vendor pursuant to the competitive procurement; *provided*, however, that, in the event any such sales or services are performed by a Authorized Fulfillment Partner for Contractor, Contractor may instruct such Purchaser to make payment for such sales or services to Contractor's identified Authorized Fulfillment Partner. Regardless of whether Contractor instructs a Purchaser to make such payment to Contractor's Authorized Fulfillment Partner, Contractor shall remain responsible for performance.
- (d) CONTRACT SALES REPORTING. Notwithstanding any provision to the contrary, Contractor shall report to Enterprise Services total contract sales, delineated by purchaser, made by each individual Authorized Fulfillment Partner, and also report

total contract sales, delineated by purchaser, on a consolidated Contractor 'roll-up' basis. Contractor shall maintain records supporting such reports in accordance with the Master Agreement's records retention requirements.

- (e) SMALL, DIVERSE, AND VETERAN BUSINESS INCLUSION GOALS. Contractor shall make reasonable commercial efforts to include WA small, diverse, and veteran businesses as Authorized Fulfillment Partners, as defined by [RCW 39.26.010 \(22a\)](#), [RCW 39.26.010 \(22b\)](#), and [RCW 43.60A.190 \(2\)](#)

8. **ORDERS:** Unless the parties to the applicable purchase order agree in writing that another contract or agreement applies to such order, any order placed by a Purchaser for goods/services available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions of) the Master Agreement as conditioned by this Participating Addendum.

9. **TRAVEL COSTS:** Travel costs, if any, must be approved by Purchaser and set forth in the Purchase Order; *Provided*, however, that any such costs must be in accordance with the Washington Office of Financial Management's State Administrative & Accounting Manual (SAAM).

10. **GENERAL:**

- 8.1. TIME IS OF THE ESSENCE. Time is of the essence for each and every provision of this Contract.
- 8.2. INTEGRATED AGREEMENT; MODIFICATION. This Participating Addendum and Master Agreement, together with its exhibits, set forth the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. This Participating Addendum may not be modified except in writing signed by the Parties.
- 8.3. AUTHORITY. Each party to this Participating Addendum, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Participating Addendum and that its execution, delivery, and performance of this Participating Addendum has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 8.4. ELECTRONIC SIGNATURES. An electronic signature or electronic record of this Participating Addendum or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Participating Addendum or such other ancillary agreement for all purposes.
- 8.5. COUNTERPARTS. This Participating Addendum may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Participating Addendum at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Participating Addendum.

	Contract No.:	05820
Pure Storage, Inc. 2555 Augustine Drive Santa Clara, CA 95054	Amendment No.:	1
	Effective Date:	May 1, 2024

FIRST AMENDMENT
TO
NASPO VALUE POINT PARTICIPATING ADDENDUM No. 05820
COMPUTER EQUIPMENT, PERIPHERALS & RELATED SERVICES

This First Amendment (“Amendment”) to Contract No. 05820 is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency (“Enterprise Services”) and Pure Storage, Inc., a Delaware Profit Corporation (“Contractor”) and is dated as of February 1, 2024.

RECITALS

- A. Enterprise Services and Contractor (collectively the “Parties”) entered into that certain Contract No. 05820 for Computer Equipment; Peripherals & Related Services dated effective as of February 1, 2024 (“Contract”).
- B. The amendment set forth herein is within the scope of the Contract.
- C. The Parties now desire to amend the Contract as set forth herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Contract, as previously amended, as follows:

- 1. **TRADE-IN.** The following provision is added as a new subsection of the Contract in the Contractor Representations and Warranties section:
 - j. Customers may trade-in equipment when making purchases from the contract. A trade-in shall be negotiated between the Purchaser and the Contractor. Purchasing entity must return used hardware and accessories associated with the discount (Trade-In Units”) to Contractor. Purchasing Entity is obligated to actively seek current fair market value when trading in equipment, and to keep accurate records of the process.
- 2. **NONDISCRIMINATION.** The following provision is added as a new subsection of the Contract in the General Provisions section:
 - 8.6. **NONDISCRIMINATION.**

- (a) Nondiscrimination Requirement. During the term of this Contract, Contractor, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, Contractor, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which Contractor, or subcontractor, has a collective bargaining or other agreement.
 - (b) Obligation to Cooperate. Contractor, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that Contractor, including any subcontractor, has engaged in discrimination prohibited by this Contract pursuant to RCW 49.60.530(3).
 - (c) Default. Notwithstanding any provision to the contrary, Enterprise Services may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until Enterprise Services receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), Enterprise Services may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.
 - (d) Remedies for Breach. Notwithstanding any provision to the contrary, in the event of Contract termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. Enterprise Services and/or Purchasers shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe Enterprise Services and/or Purchasers for default under this provision.
3. NO CHANGE OTHER THAN AMENDMENT. Except as amended herein, the Contract is unaffected and remains in full force and effect.
4. INTEGRATED AGREEMENT; MODIFICATION. This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. In the event of any conflict between this Amendment and the

Contract or any earlier amendment, this Amendment shall control and govern. This Amendment may not be modified except in writing signed by the Parties.

5. **AUTHORITY.** Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
6. **ELECTRONIC SIGNATURES.** An electronic signature or electronic record of this Amendment or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Amendment or such other ancillary agreement for all purposes.
7. **COUNTERPARTS.** This Amendment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Amendment at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Amendment.

SECOND AMENDMENT

TO

NASPO PARTICIPATING ADDENDUM CONTRACT No. 05820
COMPUTER EQUIPMENT, RELATED PERIPHERALS & SERVICES (NVP)

This Second Amendment (“Amendment”) to Contract No. 05820 is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency (“Enterprise Services”) and PURE STORAGE, INC., a Delaware Profit Corporation (“Contractor”) and is dated as of October 1, 2024.

RECITALS

- A. Enterprise Services and Contractor (collectively the “Parties”) entered into that certain Contract No. 05820 dated effective as of 2/1/2024 (“Contract”).
- B. The Parties previously amended the Contract as follows:
 - (1) Added sections for Trade-Ins and Nondiscrimination.
- C. The Parties now desire to amend the Contract to include a ‘pay equality provision’ as required by the Washington State Legislature. See [LAWS OF 2023, ch. 475](#), § 919(4).
- D. The amendment set forth herein is within the scope of the Contract.

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Contract as follows:

- 1. PAY EQUALITY. The following provision is added to the end of section 3.5 (Contractor Representations and Warranties) as a new subsection:
 - (j) WASHINGTON STATE PAY EQUALITY FOR ‘SIMILARLY EMPLOYED’ INDIVIDUALS. Contractor represents and warrants that, among Contractor’s employees, ‘similarly employed’ individuals are compensated as equals. For purposes of this provision, employees are similarly employed if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed. Contractor may allow differentials in compensation for Contractor’s workers based in good faith on any of the following: a seniority system; a merit system; a system that measures earnings by quantity or quality of production; a bona fide job-related factor or factors; or a bona fide regional difference in compensation levels. A bona fide job-related factor or factors may include, but is not limited to, education, training, or experience that is: consistent with business necessity; not based on or

derived from a gender-based differential; and accounts for the entire differential. A bona fide regional difference in compensation level must be consistent with business necessity; not based on or derived from a gender-based differential; and account for the entire differential. Notwithstanding any provision to the contrary, upon breach of warranty and Contractor's failure to provide satisfactory evidence of compliance within thirty (30) days, Enterprise Services may suspend or terminate this Contract and any Purchaser hereunder similarly may suspend or terminate its use of the Contract and/or any agreement entered into pursuant to this Contract.

- 2. NO CHANGE OTHER THAN AMENDMENT. Except as amended herein, the Contract is unaffected and remains in full force and effect.
- 3. INTEGRATED AGREEMENT; MODIFICATION. This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. In the event of any conflict between this Amendment and the Contract or any earlier amendment, this Amendment shall control and govern. This Amendment may not be modified except in writing signed by the Parties.
- 4. AUTHORITY. Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 5. ELECTRONIC SIGNATURES. An electronic signature or electronic record of this Amendment or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Amendment or such other ancillary agreement for all purposes.
- 6. COUNTERPARTS. This Amendment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Amendment at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Amendment.

Summary

Introduction *

Brief summary.

This agenda bill seeks City Council adoption of the proposed ordinance (Exhibit A) adopting compost use and procurement policies

Proposed Motion

Move to approve Ordinance 1307 amending Snoqualmie Municipal Code Title 8 related to compost procurement.

Background/Overview *

What was done (legislative history, previous actions, ability to hyperlink)

In 2022, the state legislature enacted legislation requiring that cities that provide organic material collection services under

Chapter 70A.205 RCW or that have residential populations greater than 25,000 adopt a compost procurement ordinance

(RCW 43.19A.150).

Any city required to adopt such an ordinance must also develop strategies to inform residents about the

value of compost
and how the city uses compost for its own project. Such cities must also submit annual reports to the Department of Ecology by March 31 of each year on the previous year's compost procurement activities. These compost procurement requirements are intended to strengthen the market for the increasing amount of compost generated statewide by requiring local governments to plan for the use of compost in landscaping projects, construction and postconstruction soil amendments, and other projects

Analysis*

The proposed ordinance would adopt compost use and procurement policies for the City that are consistent with the requirements set forth in state law.

Budgetary Status*

This action has no budgetary implications.

Budget Summary

Exhibit A

8.50.010 Purpose.

This chapter is adopted for the following purposes:

- A. To substantially increase the procurement of recycled content products by the City of Snoqualmie by diverting methane-producing organic materials from landfills to productive uses of organic material wastes, including compost and finished product materials,
- B. To provide for local preference in procurement of compost to support the economic viability of compost diversion programs,
- C. To support the use of compost in landscaping and as a soil amendment for the benefits of moisture retention, weed suppression, natural nutrients, prevention of soil erosion, and stormwater filtration.

8.50.020 Definitions.

- A. "Compost Products" shall have the meaning defined in RCW 43.19A.010, as now or hereinafter amended.
- B. "Finished Compost Product" or "finished product" means a product created with "composted material" as defined in RCW 70A.205.015(3) as now or hereafter amended. Finished Compost Products include, but are not limited to, 100% finished compost or blends that include compost as a primary ingredient. Mulch is considered a Finished Compost Product if it contains a minimum of sixty percent composted material. Bark is not a Finished Compost Product.

8.50.030 City use of Compost.

- A. The City shall plan for the use of compost where practicable and feasible in its City maintained landscaping areas, construction project soil amendments; and postconstruction soil amendments.
- B. The City shall plan for the use of compost where practicable and feasible to prevent erosion and promote vegetation growth.
- C. The City shall plan for use of compost where practicable and feasible to improve the stability and longevity of City rights-of-way.
- D. Consistent with the currently adopted and future adoptions and amendments of the King County Surface Water Design Manual and National Pollutant Discharge Elimination System (NPDES) Phase II Permit, the City shall plan for use of compost to filter stormwater runoff, and in low-impact development and green infrastructure to filter pollutants and keep water on-site.

8.50.40 Local Purchasing.

- A. City Departments shall consider purchasing finished compost products from companies that:
 - 1. Procure compost products locally within King County;
 - 2. Are certified by nationally recognized organizations like the US Composting Council;
 - 3. Are permitted by the local health jurisdiction; and
 - 4. Produce compost products that are derived from municipal solid waste compost programs and meet quality standards comparable to standards adopted by the Department of Transportation or adopted by rule by the Department of Ecology.
- B. Notwithstanding subsection (A, B, and C) of this Section, the City of Snoqualmie shall not be required to procure, use, or require the use of compost, and may use an alternative material if:
 - 1. Compost products are not available to purchase;
 - 2. Compost products are not available within a reasonable time or distance to the location where the work is being performed;
 - 3. Available compost products do not comply with existing purchasing standards in Title 2 of the Snoqualmie Municipal Code,
 - 4. Available compost products do not comply with federal, state, or local health, quality, and safety standards; or
 - 5. Compost purchase prices are not reasonable or competitive.
- C. If compost meeting the criteria in 2.80.040(A) is not available, preference for compost procurement must be given to products sourced as close as possible to the City of Snoqualmie. Proof that locally produced compost was not available at the time of purchase or was cost-prohibitive must be documented.
- D. The local preference requirement in this chapter must be incorporated, whenever relevant, into any contracts entered into by the City of Snoqualmie.
- E. The local preference authorized in this chapter controls over any conflicting City purchasing policies.
- F. The Parks and Public Works Department, or its successor Department, is delegated with authority to provide any reporting to the State of Washington required by RCW 43.19A.150(5), as now or hereinafter amended.

ORDINANCE NO. 1307**AN ORDINANCE OF THE CITY OF SNOQUALMIE, WASHINGTON,
AMENDING SNOQUALMIE MUNICIPAL CODE TITLE 8, RELATED TO
COMPOST PROCUREMENT, PROVIDING SEVERABILITY, AND
ESTABLISHING AN EFFECTIVE DATE**

WHEREAS, the State of Washington found that landfills are a significant source of emissions of methane, and to reduce methane emissions associated with organic materials, there is a benefit to diverting organic materials from landfills to productive uses of organic material wastes; and

WHEREAS, as more organic materials are diverted and recycled, it is critical that compost be procured by local jurisdictions and other local entities to support the economic viability of these processes and programs; and

WHEREAS, it is well established that the use of compost in landscaping and soil amendment has many benefits such as moisture retention, weed suppression, natural forms of nutrients, stopping soil erosion, and

WHEREAS, as a result of these findings, the Washington State Legislature enacted Engrossed Second Substitute House Bill (ESSHB) 1799 in March of 2022; and

WHEREAS, the goal of ESSHB 1799 is to increase the diversion of organic materials going to landfills by “encouraging cities and counties to procure more of the compost and finished compost products created from their organic material” in order to reduce emissions; and

WHEREAS, ESSHB 1799 added a new section to Chapter 43.19A of the Revised Code of Washington (RCW), now codified as RCW 41.19A.150, which requires all cities, towns and counties with populations of 25,000 or more or smaller jurisdictions where organic materials collection services are provided at least 26 weeks of the year to adopt a compost procurement ordinance to implement provisions of RCW 43.19A.120; and

WHEREAS, House Bill 2301 modified the ESSHB 1799 reporting requirements; and

WHEREAS, the City of Snoqualmie's organic materials collection services are provided at least 26 weeks of the year and is therefore required to implement such an ordinance.

NOW, THEREFORE, BE IT HEREBY ORDAINED by the City Council of the City of Snoqualmie, Washington, as follows:

Section One. Addition of Chapter 8.50. A new Chapter 8.50 entitled "Compost Procurement" is hereby added to Title 8 "Health and Safety" of the City of Snoqualmie Municipal Code, as set forth in Exhibit A.

Section Two. Severability. If any provision of this Ordinance or its application to any person or circumstance is held invalid, the remainder of the Ordinance or the application of the provision to other persons or circumstances is not affected.

Section Three. Authority to Make Corrections. The City Clerk and the codifiers of this Ordinance are authorized to make necessary corrections to this Ordinance including, but not limited to, the correction of scrivener's clerical errors, references, ordinance numbers, section/subsection numbers, and any references thereto.

Section Four. Effective Date. This Ordinance shall be in full force and effect five days after publication.

PASSED by the City Council of the City of Snoqualmie, Washington this 27th day of October 2025.

Ordinance For AB25-095.docx

Summary

Introduction *

Brief summary.

This ordinance seeks to amend SMC 5.04.015(B), as required in RCW 35.90.080, by increasing the minimum licensing threshold for out-of-city businesses from \$2,000 to \$4,000, under which an out-of-city business would not have to pay a business license fee, and establishing an increase in the threshold every four years based on the change in the June-to-June Consumer Price Index (CPI-U) during that period.

Proposed Motion

Move to approve Ordinance xxxx amending the minimum licensing threshold for out-of-city businesses in SMC 5.04.015(B).

Background/Overview *

What was done (legislative history, previous actions, ability to hyperlink)

RCW 35.90.080 (2017, EHB 2005) requires cities that impose a general business license to develop and adopt a single business licensing ordinance, consistent across all cities, with the help of the Association of Washington Cities (AWC). This “model” ordinance, as it is known, is required to contain a minimum licensing threshold (i.e., mandatory provision of state law) under which a business would not have to pay a business licensing fee. In 2018, the model ordinance established a \$2,000 minimum licensing threshold, as measured by the annual value of products, gross proceeds of sales, or gross income, for out-of-city businesses.

Analysis*

In 2024, the general business community requested a review of the model ordinance given the dramatic increase in online sales and deliveries. As a result, the AWC established a working committee to review the proper minimum licensing threshold for out-of-city businesses. The intent of this ordinance is to adopt the model ordinance, as amended by the committee, increasing the minimum licensing threshold for out-of-city businesses to \$4,000 effective January 1, 2026, and establishing an increase every four years based on the change in the June-to-June Consumer Price Index (CPI-U) during that period.

Budgetary Status*

This action has complex budgetary implications.

Budget Summary

Business license revenue will likely decrease due to this change. However, it will be dependent on the action of the businesses earning revenue within the City, but not located in the City, as to whether these anticipated decreases are actually incurred.

Based on the reported annual income for out-of-City businesses, 101 businesses fall between the old \$2,000 threshold and the new \$4,000 threshold. If all of these businesses opt out of obtaining a business license, the City would receive \$3,465 less in business license revenue.

Fiscal Impact Screenshot

2026 City Business License Model Threshold update

Effective January 1, 2026

What are the main changes to the model threshold?

The main change in the update would make a one-time increase to a higher threshold to \$4000 for out-of-city businesses from the current \$2,000 threshold, effective January 1, 2026.

Other changes include:

- Every four years thereafter, the threshold would have an automatic periodic increase based on cumulative inflation.
- The rates of inflation would be calculated using the Consumer Price Index-U (CPI-U) Western for June of each year compared to the previous year for the previous four years.
- The rate of inflation would be calculated as zero in any year in which inflation was negative and capped at 5% per year or 20% over four years if inflation exceeded those amounts.
- To make the threshold easier to administer, the cumulative inflation amount would be rounded to the nearest \$100.

Could my city still require a no fee registration for out-of-city businesses below the threshold?

Cities retain the local option of requiring a no-fee registration for out-of-city businesses below the threshold.

Was the definition of “engaging in business” changed?

No, the definition of engaging in business has not changed since the 2018 model was adopted.

What are the deadlines for all cities with business licenses to adopt the 2026 model threshold?

Cities with a business license **must** adopt the model by **January 1, 2026**.

However, cities that currently partner with the state’s Business Licensing Service (BLS) for business licensing administration must adopt it by mid-October 2025, because they must **provide BLS 75-day notice** of any changes to their business licenses, including this mandatory change.

What if my city has a higher threshold?

Cities can choose to enact a higher threshold. The \$4,000 city threshold for out-of-city businesses is the minimum level that every city must enact.

What if my city wants to have a threshold that applies to in-city businesses in addition to the out-of-city business threshold?

The \$4,000 threshold level for out-of-city businesses is a mandatory minimum threshold that every city business license city must adopt, but the law does not impact the city’s authority to have exemptions or other thresholds.

Cities can continue to require a license for businesses located in the city without regard to the threshold (unless the city chose to exempt these businesses).

Cities can also choose to enact a separate threshold exemption that applies to in-city businesses.

Who should my city notify when the model is adopted?

BLS partner cities: Send a completed Change Request Form to BLS notifying them of the update
All other cities: Email Sheila Gall, AWC (sheilag@awcnet.org) so we can track updates.

How will businesses find out about the changes?

Consider providing information on changes to your business license by adding information to your license renewal letter, sending a letter to your potentially impacted businesses, updating information on your city’s website or presenting to your local chamber.

Background on the 2018 model threshold

In the 2017 session, EHB 2005 (RCW 35.90) passed requiring three actions by cities with business licenses and local B&O taxes. The law required cities to make changes to business licensing, including requiring cities with business licenses to establish a workgroup to create a model business license threshold by July 2018 for adoption by all business license cities by January 1, 2019.

**2018 model ordinance for local business licenses
– minimum threshold**

The 2018 model included a mandatory definition of “engaging in business” and a \$2000 minimum threshold (or occasional sale) exemption to establish when out-of-town or transient businesses are required to be licensed. All business license cities adopted the model by January 1, 2019 (RCW 35.90.080).

ORDINANCE NO. 1308**AN ORDINANCE OF THE CITY OF SNOQUALMIE, WASHINGTON AMENDING THE MINIMUM LICENSING THRESHOLD FOR OUT-OF-CITY BUSINESSES IN SNOQUALMIE MUNICIPAL CODE 5.04.015(B); AND PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.**

WHEREAS, the City of Snoqualmie is a non-charter optional municipal code city as provided in Title 35A RCW, incorporated under the laws of the state of Washington; and,

WHEREAS, RCW 35.90.080 requires cities that impose a general business license to develop and adopt a single business licensing ordinance, consistent across all cities, with the help of the Association of Washington Cities (AWC); and,

WHEREAS, the single business licensing ordinance, otherwise known as the “model ordinance”, is required to contain a minimum licensing threshold as stated in RCW 35.90.080(2)(b); and,

WHEREAS, the model ordinance originally established a \$2,000 minimum licensing threshold, as measured by the annual value of products, gross proceeds of sales, or gross income, for out-of-city businesses; and,

WHEREAS, Snoqualmie City Council adopted Ordinance No. 1211 on December 10, 2018, which amended Section 5.04.15 and 5.04.030(I) of the Snoqualmie Municipal Code to reflect the provisions of the model ordinance, including the minimum licensing threshold; and,

WHEREAS, in 2024, a committee led by AWC was convened to reconsider the minimum licensing threshold; and,

WHEREAS, the committee recommended and updated the model ordinance increasing the minimum licensing threshold for out-of-city businesses from \$2,000 to \$4,000 and establishing an increase every four years based on the change in the June-to-June Consumer Price Index (CPI-U) during that period; and,

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SNOQUALMIE, WASHINGTON,
DOES HEREBY ORDAIN AS FOLLOWS:**

Section 1. Section 5.04.015(B) Amended. Section 5.04.015(B) of the Snoqualmie Municipal Code is hereby amended and adopted to read as follows (amendments shown in strikethrough/italics for ease of reference):

5.04.015(B) Business License

Except as provided otherwise herein, the fee for issuance and renewal of an annual business license shall be based on the number of employees, including the owner, engaging in any business or activity within the city during each taxable year in any business or activity as follows:

Number of Employees	Fee
0-2	\$25.00
3-10	\$50.00
11-25	\$115.00
26-50	\$250.00
51-100	\$500.00
101 or higher	\$500.00

Notwithstanding the fee schedule above, for the purposes of the annual business license required by this chapter, for any person or business whose annual value of products, gross proceeds of sales, or gross income of the business in the city is equal to or less than ~~\$2,000~~ \$4,000 and who does not maintain a place of business within the city, the fee for the annual business license shall be \$0.00. *This threshold amount will be adjusted every forty-eight months on January 1, by an amount equal to the increase in the Consumer Price Index ("CPI") for "West Urban, All Urban Consumers" (CPI-U) for each 12-month period ending on June 30 as published by the United States Department of Labor Bureau of Labor Statistics or successor*

Ordinance No.

agency. To calculate this adjustment, the current rate will be multiplied by one plus the cumulative four-year (forty-eight month) CPI increase using each 12-month period ending on June 30 of each prior year and rounded to the nearest \$100. However, if any annual CPI increases are more than five (5) percent, a five (5) percent increase will be used in computing the annual basis and if any of the annual CPI decreased during the forty-eight-month period, a zero (0) percent increase will be used in computing the annual basis.

Section 2. Effective Date. This ordinance shall be effective on January 1, 2026.

Section 3. Corrections by City Clerk or Code Reviser. Upon approval of the City Attorney, the City Clerk and the code reviser are authorized to make necessary corrections to this ordinance, including the correction of clerical errors; references to other local, state or federal laws, codes, rules, or regulations; or ordinance numbering anti section/subsection numbering.

Section 4. Severability. If any one or more section, subsection, or sentence of this ordinance is held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portion of this ordinance and the same shall remain in full force and effect.

PASSED by the City Council of the City of Snoqualmie, Washington, this 10th day of November 2025.

10.36 Electric Motorcycles

**Public Safety Committee
October 6, 2025**

10.36 Electric Motorcycles

RCW 46.04.332 Motor-driven Cycle

- "Motor-driven cycle" means every motorcycle, including every motor scooter, with a motor that produces not to exceed five brake horsepower (developed by a prime mover, as measured by a brake applied to the driving shaft). A motor-driven cycle does not include a moped, a power wheelchair, a motorized foot scooter, or an electric personal assistive mobility device.

Electric Motorcycles

- Electric Motorcycles are not legal to operate on any public road, sidewalk, bike lane, park, or trail (even if they have a taillight or blinkers).
- To be made street legal, the owner would need to obtain a license plate, registration, and insurance, much like a normal motorcycle.
- An electric motorcycle (e-motorcycle) is a motorcycle that uses an electric motor instead of a gasoline engine. E-motorcycles can reach higher speeds than electric bikes, which are typically limited to 20 mph or less. E-motorcycles can reach speeds of up to 100 mph or more.
- They are to be used on motorized trails and are similar to dirt bikes.

Snoqualmie City Council

2025 Legislative Priorities

COMMUNITY DEVELOPMENT

Community Center Expansion: Requesting ~\$5M in county/state funding to help expand Snoqualmie's community center and add a swimming pool. This will address over-capacity issues at our community center, provide an opportunity for all children in our city the chance to learn to swim, so they will be safe when recreating in our rivers, and provide health and wellness, senior, youth, and aquatics programs.

Affordable housing: Expand financing options for affordable housing. Greater flexibility to cities with less than 25,000 in population for affordable housing policies. Dedicate current funding and explore new funding options, such as the real estate excise tax to address needs across the housing continuum including home ownership, senior, workforce, affordable and permanent supportive housing.

PUBLIC SAFETY

Recruitment and Retention: Provide funding tools to assist small municipalities recruit and retain first responders including behavioral health specialists.

Juvenile Access Law: Revise existing legislation to allow police to speak with minors, upon consent by their parent or legal guardian, unless the minor or the parent/legal guardian request an attorney. Parental authority may be withdrawn at any time, but this allows the police to (1) investigate threats quickly and (2) ascertain whether there are mitigating factors such that the arrest of the minor is not necessary or warranted. This is a modification to ESHB 1140.

Community Behavioral Health: Seek increased investment in community behavioral health treatment funding. Both capital start-up and operational expenses, including crisis stabilization, outpatient, forensic behavioral health, and student mental health support. New facilities must take into consideration first and secondary public safety service impacts, offsetting mutual aid costs as appropriate.

PUBLIC WORKS and TRANSPORTATION

I-90 and Highway 18 interchange: Ensure preservation of prior legislative appropriations funding for the Snoqualmie Parkway and SR 18.

Continue to engage the local jurisdictional input through the established advisory committee.

Snoqualmie Parkway jurisdiction transfer: Ensure alignment of utilization of infrastructure with taxing jurisdiction. The parkway is a transportation system connector between Highway 18 and State Route 202. The majority of its utilization is through regional commercial trucks. In order to align usage with revenue source, the parkway should be transferred to state control and maintenance.

FINANCE and ADMINISTRATION

Tax Appropriations: Cities are where most of the state's tax revenue is generated. In fact, cities are where most businesses operate, and where 94% of gross state product is generated. It's a wise investment for the state to continue sharing revenues with cities. Cities need the state to continue this commitment and explore ways to strengthen revenue sharing in ways that benefit both cities and the state, including but not limited to liquor profit sharing and liquor excise tax sharing, municipal criminal justice assistance account, fire insurance premium tax sharing, real estate excise tax (REET), sales tax and property tax.
