SECTION 2. SALARY PLAN

1. Effective July 1, 2021 (and paid retroactively upon execution of this Agreement), salary ranges for all SMEA personnel, except the Police Chief, will increase as follows:

- **Year 2** 3% COLA increase effective July 1, 2022;
- **Year 3** 2% COLA increase effective July 1, 2023;
- **Year 4** 2% COLA increase effective July 1, 2024.

SECTION 2.1 - EQUITY ADJUSTMENTS

1. The City promises to increase salaries for the Administrative Services Director and the Community Development Director in order to bring those salaries within the Proposed Maximum Monthly Salary included within the 2016 Compensation and Classification Study.
2. During the first full pay period in July 2021, the Administrative Services Director and Community Services Director's base salary shall receive an equity increase of 2.5%.

SECTION 2.2 - SALARY PLAN ADMINISTRATION

1. Employees regularly assigned a position in a classification shall by this Agreement be paid a salary within the range established for that position's classification. See Attachments.

SECTION 2.3 - SALARY PAYMENT

1. Salaries shall be paid biweekly. Routine paychecks shall be for the purpose of compensating for regular and other compensation owed employees.

SECTION 2.4 - SALARY OF NEW EMPLOYEES

1. The first step of the Salary Plan (Step A) is the minimum rate and shall normally be the hiring rate for the class. In cases where it is difficult to secure qualified personnel or if a person of unusual qualifications is to be appointed, the City Administrator may make the appointment at a salary level up through Step D. The City Council has the authority to make the appointment at salary level Step E.

SECTION 2.5 - INCREASE WITHIN RANGE

1. Every regular employee who is employed in a class for which there is a salary range shall have an anniversary date. All salary adjustments, except longevity pay,

are made effective upon the anniversary date or any time thereafter. The date of eligibility for subsequent salary adjustments, excluding longevity pay, shall be one year after the current year anniversary date, subject to promotion. The anniversary date should not be confused with the employee's service date (date used for calculation of vacation and longevity pay) nor with the employee's date of hire (the date upon which employee began working for the City – whether temporary, reserve, probationary, etc.).

2. The steps of each salary range shall be interpreted as follows:
 - a. The second step (B) is merit advancement. Employees may be advanced to the second step after completion of one year's employment in position. The one-year period shall be a probation/orientation period.
 - b. The third step (C), fourth step (D), fifth step (E) and sixth step (F) are merit advancements. Employees shall be eligible for advancement to their next step on their subsequent anniversary date.
 - c. To Achieve the sixth step (F) the employee must have worked three (3) years with the City of Sonora and a minimum of five (5) years with another Government or Tribal agency, for a total of eight (8) years' experience.
 - d. No other conditions will be necessary for members of SMEA to achieve the sixth step (F).

Example 1 - *Employee's anniversary date is August 1st. Employee went to Step "C" on August 1st, 2021, and would be eligible for Step D on August 1st, 2022.*

Example 2 - *Employee's anniversary date is August 1st. Employee is at Step "C" and reviewed for Step "D" for August 1st, 2021, anniversary date. At the Supervisor's discretion, the Employee is not advanced to Step "D" on August 1st, 2021, but subsequently advanced to Step "D" on January 1st, 2022. The Employee's anniversary date would remain on August 1st, and the Employee would be eligible for review on August 1st, 2022, for Step E. Advancement to steps are made upon the recommendation of the Department Head to the City Administrator.*

3. In any case, where, by reason of unusual circumstances, rigid adherence to the foregoing principles relating to salary adjustments would cause a manifest injustice, the City Council may make such order relating thereto as, in its discretion, is proper.
4. No advance in steps shall be automatic upon completion of the period of service outlined herein above, and all increases shall be made 1) on the basis of merit as established by the employee's work performance; 2) upon documentation by

evaluation; and 3) upon review and approval of the City Administrator. An increase of pay shall be withheld in cases of inferior work, lack of application, indifferent attitude, and any other sufficient reason.

5. Each salary adjustment shall become effective on the anniversary date of the employee, or at any time thereafter as explained in Section 2a. and 2b. Such salary adjustment shall be processed as of the beginning date of the pay period for which the adjustment becomes effective.
6. Employees shall receive longevity benefit after the completion of ten (10) years of service (from the service date), and each five (5) years thereafter. Such benefit shall be for two and one-half percent (2.5%) of the current salary for each five-year increment. For example, after ten (10) years the employee shall receive 2.5% increase over base salary, and after fifteen (15) years the employee shall receive an additional 2.5% for a total of 5.0% increase over base salary. The longevity benefit is automatic and is not based on merit.

SECTION 3. REDUCED WORK HOUR SCHEDULE

1. In the event a management employee desires a reduction in their work hour schedule, they must first make a written request to the City Administrator. If the City Administrator deems the request to have merit and be of mutual benefit to both the City and the employee, the request will be approved in writing. The employee's salary and all benefits (i.e., leave accruals, insurances, etc.) will be pro-rated to correspond to the hours worked.

SECTION 4. MANAGEMENT EDUCATION INCENTIVE

1. The City agrees to provide an increase to Association employees' base salary as an education incentive for those employees who have, or will, attain the following degrees:
 - Associates Degree – 2.5%
 - Bachelor's Degree - 5.0 %
 - Master's Degree/Certified Public Accountant 7.5%
 - Doctorate - 10.0%
2. Employee shall only be compensated for the highest degree obtained from a public or private post-secondary institution that has received state approval to award the above degrees; the incentive shall not be cumulative. For example, if on the effective date of the Agreement, an employee has attained a Bachelor's Degree, the employee's salary would increase by 5.0%. If the employee subsequently attains a Master's Degree, the employee's salary would increase 2.5%, for a total of 7.5%.

Multiple degrees at the same educational level will not be recognized. For example, an employee who has two Bachelor's Degrees will only receive compensation for one degree.

3. The education incentive shall be included in the employee's base pay and is considered reportable salary to PERS and taxable. Verification of the degree must be made to the City Administrator. The original degree or an original letter from the college granting said degree must be produced to receive the educational incentive benefit.

 - e. Employees who elect to add a new dependent(s) who have never been under the City's policy, may do so at the beginning of any calendar month.
