- (a) The Chief of Police, or their designee, upon finding that less than the prohibited number of nuisance activities have occurred within any twelve (12) month period at or near a property or rental unit, as defined in the Code of Ordinances, or within the defined confines of any business establishment within the City limits may serve a written warning letter to the residential property owner, business property owner and/or lessee, and/or business operator of the property/business declaring that such property/business may be declared a nuisance property.

 - (6) A statement that failure to abate the nuisance as ordered, pay the estimated cost, or timely appeal will result in the charge being certified to the County Auditor for collection as other taxes and assessments against the property.

139.04 ENFORCEMENT

(a) On regulatory violations such as fire code, health code, zoning code, property maintenance code, building or electrical codes that are required to be corrected within the time period specified on the notice or be considered a violation, if the owner or operator is determined to have begun the corrective process in a timely manner and provide supply or repair options that requires additional time to be repaired or remediated, additional time may be granted for the completion of such measures.

(b) Any violation investigated as a nuisance activity will not count as a nuisance activity under this ordinance if the owner can demonstrate the call for service is proactively made by the owner, operator, employee, or tenant provided that it either occurred in the presence or view of the owner.

139.05 ABATEMENT OF NUISANCE AND COLLECTION OF COSTS.

(a) If no abatement occurs by the owner, operator, employee, or tenant after the designated time period for remediation following the service of a notice as provided for in Section 139.03, the City may enter the property and remediate the nuisance and the residential property owner, business property owner and/or lessee, and/or business operator of the property/business will be assessed the costs of abatement. If more than one person received a notice declaring a property a nuisance, the costs of abatement will be divided equally.

(b) The costs of abatement will be calculated based on the hourly wage of each participating City employee multiplied by the number of hours it is estimated will be required to abate the nuisance. The minimum charge shall be two (2) hours for each participating City employee.

(c) If the abatement is not to be performed by a City employee, the cost of abatement by any third party or contractor hired by the City shall be used to determine the cost of abatement plus a ten (10) percent City administrative cost.

(d) If the party noticed fails to abate the nuisance, pay the costs of abatement, or file an appeal within the time period designated in the notice, the City may assess the cost of abatement against the property. Should the City elect this option, the City shall provide notice to the owner of the nuisance property of the City's intent to assess the costs of abatement against the owner's property at least thirty (30) days before such costs are certified to the County Auditor for assessment against the property, and such notice shall contain a description of the nuisance activity that is the basis for the notice of intent to assess the property, and the cost to abate. Any election of the City under this subsection does not affect or limit the City's right or authority to bring criminal prosecution under this ordinance.

139.06 RETALIATION

If an occupant or person associated with the occupant feels that they have been intimidated or discouraged from in good faith reporting crime, disorder or regulatory violations to the City of Springdale they should file a complaint with the City. Such complaint will be investigated and a written report of the findings will be submitted to the City Administrator.

An investigation by the City can look for the following actions which may be indicative of potential harassment, intimidation, or discouragement of reporting a crime, disorder or regulatory violation:

- (a) The specific raising of their rent after a potential violation is reported by them to the City;
- (b) Discipline or termination after a violation is reported to the City;
- (c) Reducing or denying of their services after a potential violation is reported to the City;
- (d) Verbal harassment or threats;
- (e) Ordering a person to not call the police, fire or other City services without calling management first.

Such presumption can be rebutted by the preponderance of the evidence that the actions taken by the owner, landlord or operator was based upon good cause. "Good cause" as used in this subsection means that an owner, landlord or operator must show good cause for his or her actions, other than one related to or caused by the operation of this section.

139.07 RIGHT OF APPEAL.

(a) A person who receives notice and order referred to in Section 139.03(b) may appeal such notice and order by submitting a written request for reconsideration to the Chief of Police within ten (10) days of receiving the notice and order. Such written request shall include the reasons the person feels that warning, notice or order is not justified or that the person should not be named in the notice and any mitigating circumstances.

(b) If the Chief of Police finds that the facts do not support the notice and order based on the information provided he shall rescind the notice and order. Otherwise, the Chief of Police shall advise the person in writing that the request for reconsideration has been denied and that the person may appeal to the Board of Zoning Appeals. The person may appeal the denial of the request for reconsideration by submitting a letter to the Board of Zoning Appeals setting forth the reasons for appeal. The Board of Zoning Appeals shall conduct their meeting consistent with the procedural processes outlined in Section 153 of the Code of Ordinances. The Board of Zoning Appeals after reviewing the facts, shall render a decision as to whether the notice and order shall stand and notify the parties in writing.

(c) During the appeal process, the City has the right to abate further nuisances and to assess the costs providing the City ultimately prevails in the appeal process.

(d) If a person appeals the Chief of Police's decision, the requirement to pay the costs of abatement is stayed until a final decision is rendered.

139.08 FAILURE TO PAY ABATEMENT COSTS.

(a) No person shall fail to abate the property or pay the abatement costs assessed under Section 139.03 within the prescribed period of time described therein unless a proper appeal is filed. Each thirty (30) day period a person fails to abate the property or pay the abatement costs is a separate violation. A person found guilty under this section is not relieved of the duty to abate the property or pay the abatement costs.

(b) Whoever violates this Section is guilty of failure to abate or pay the abatement costs, a misdemeanor of the first degree and shall receive a fine in an amount not less than \$100.00 per violation.

(c) The City is permitted to abate the property, or take action to assess the abatement costs against the property regardless of whether the City pursues a criminal action under this section.

139.09 EFFECT ON CITY AUTHORITY.

(a) The declaration of a nuisance property, an order to abate a nuisance or the assessment of costs by the City on a property, do not affect or limit the City's right or authority to bring criminal prosecution or other legal action against any person for violation of the City's ordinances.
