## **Welcome to Stevensville Town Council Chambers**

We consider it a privilege to present, and listen to, diverse views.

It is essential that we treat each other with respect.  
We expect that participants will:

- ✓ Engage in active listening
- ✓ Make concise statements
- ✓ Observe any applicable time limit

We further expect that participants will refrain from disrespectful displays:

- ✗ Profanity
- ✗ Personal Attacks
- ✗ Signs
- ✗ Heckling and applause

## **Guidelines for Public Comment**

Public Comment ensures an opportunity for citizens to meaningfully participate in the decisions of its elected officials. It is one of several ways your voice is heard by your local government. During public comment we ask that all participants respect the right of others to make their comment uninterrupted. The council's goal is to receive as much comment as time reasonably allows. All public comment should be directed to the chair (Mayor or designee). Comment made to the audience or individual council members may be ruled out of order. Public comment must remain on topic, and free from abusive language or unsupported allegations.

During any council meeting you have two opportunities to comment:

1. During the public comment period near the beginning of a meeting.
2. Before any decision-making vote of the council on an agenda item.

Comment made outside of these times may not be allowed.

Citizens wishing to speak during any public comment period should come forward to the podium and state their name and address for the record. Comment may be time limited, as determined by the chair, to allow as many people as possible to comment. Comment prior to a decision-making vote must remain on the motion before the council.

**Thank you for observing these guidelines.**

**Stevensville Town Council Meeting**  
**Minutes for**  
**THURSDAY, JUNE 11, 2020**  
**7:00 PM**

1. Call to Order and Roll Call

Roll Call: Mayor Dewey, Councilmembers Devlin, Holcomb, Vick and Michalson. Staff and members of the community were also present.

2. Pledge of Allegiance

3. Councilmember Vick made a motion to suspend council rules and limit Public Comment to 3 minutes, staying on topic, with Ms. Devlin seconding that motion. Mayor Dewey called for the vote, starting with Mr. Michalson "No," Vick "I" Holcomb "No," Devlin "I," Mayor votes "I" and the motion passes 3-2.

4. Public Comments

Steve Gibson, asked if the RFP has been sent out to the newspapers. It was clarified that the RFP for IT services would go out next Monday, for 2 weeks.

Mark Adams, 60 E 2<sup>nd</sup> St. Comments directed toward Ms. Devlin, emails read are public information, as long as you request for public information,

Stacie Barker, 104 Winslett. Concerned that not all correspondence is being read and her 1<sup>st</sup> amendment rights are being taken away because of social distancing guidelines being enforced. Social distancing is a recommendation, not a law. Read definition of "transparency." IT services are still being paid. (stopped for time of 3 min.)

Sue Devlin, 305 6<sup>th</sup> St. Spoke about Council members lying at the Board of Adjustments Meeting on 5/21/2020. We need to hold our elected officials accountable.

Leanna Rodabaugh, continued to read Ms. Barker's letter. Claims continue to keep coming up. When are we going to hold people accountable? The Mayor & Clerk have once again, overrode; Has not seen the attorney represent the town except to rack in a paycheck. Voiced her concerns to Ms. Devlin about Burnt Fork Place.

Leslie Tadvick, 509 Mission. It is now budget time and suggests to freeze all salaries. It would be fiscally irresponsible to hire, make additions or remodel.

Sheri Deitsch, 105 Winslett Ave. Continued to read Ms. Baker's letter. Why hold the Public Hearing on this project if minds are made up. I do see future lawsuits and we cannot afford these. We are the people voting officials into office and put on a time limit or cut off. We need to improve on communication in this town.

Terri Lackey, 517 S. This is a public building. I did not give you permission to put a sign on the door to wear a mask. You all need to stop social distancing.

5. Approval of Minutes

Approval of Bi-Weekly Claims

Claims #15988-16028 in the amount of \$37,939.03

Councilmember Vick made a motion to approve Claims #15988-16028 in the amount of \$37,939.03. The motion was then seconded by Councilmember Michalson. Mayor Dewey called for public comment, then called for the vote, starting with Councilmember Devlin "I," Holcomb "No," Vick "I," and Michalson "No." Mayor votes "I," and the motion passes 3-2.

6. Administrative Reports

- Airport Manager's Report

Airport Manager's Report is in the packet. A letter of resignation has been received as of yesterday. Construction on the parallel taxiway started on 6/1/2020. The airport received a \$30,000 CARES Airport Grant, which must be used for airport operating expenses.

- Building Department Report

Building Dept Report in the packet, which includes \$10,456.75 total fees collected and 18 total permits issued.

- Finance Report

Robert Underwood presented the Finance Report. This included an update on the special audit.

- Fire Department Report

Chief Motley presented the Fire Department Report, with 50 calls for the month of May, with 266 total calls for the year.

- Parks & Recreation Report

Bobby Sonsteng introduced himself as the new Parks & Recreation Director. He has updated the website, becoming familiar with the organization rather fast and preparing for the pool to open. Many programs are in the works.

- Police Department Report

Chief Marble gave the Police Report. Calls for service in March: 65, April: 91, May: 58.

- Public Works Report

George Thomas presented the Public Works Activity Report. Dustin Tribby is the newest hire. Leak locates were done the first week of May, with 50 leaks found. Spring Clean up was done. Replaced 5 trees on Main St.

- a. Discussion/Decision: Resolution No. 470, annexing a Tract of Land Located in Section 35, Township 9 North, Range 20 West, 26.06 Acres, CS #691110-R Tract 1-B

On March 12, Council decided to table Res. No. 470 with the intent to wait for a contract to come forward with Mr. Reeves. Since then, on June 5, Council took action to proceed with annexation without a contract for easement.

There were two questions in which were emailed from Ms. Devlin, pertaining to protecting the water, wetlands and pond protection. Mr. Kellogg wrote a response to both questions and Mayor Dewey read those responses. The owners, are in favor of annexation, with zone C-2, and would like to build a home and connect to municipal services. Ms. Michalson stated the reason he never submitted questions was because he stands the same as last week, would like to see a contract. Discussion continued.

Councilmember Vick made a Motion to approve Resolution No. 470, annexing with an Interim R-1. The motion was seconded by Ms. Devlin.

Mayor Dewey called for Public Comment.

Steve Gibson, read off statute 7-13-43-14, annexation statute. This happens in many other communities. The state does not mandate what other communities do, up to the Council. It is not in the state law, it states "may."

Marilyn Wolf, 300 Aspen. Discouraged annexing without a contract.

George Thomas, In the past, no property has been annexed without having the infrastructure in place.

Jeff Standard, worked on the Reeves project for a while. Contract for services has been done many times throughout Montana.

Mr. Vick would like to retract his original motion, Ms. Devlin concurred.

Councilmember Vick made a Motion to approve Resolution No. 470, annexing a Tract of Land Located in Section 35, Township 9 North, Range 20 West, 26.06 Acres, CS #691110-R Tract 1-B, while we continue researching. The motion was seconded by Ms. Holcomb. Mayor Dewey called for Public Comment, then called for the vote, with the motion passes unanimously, 4-0.

11. New Business
  - a. Discussion/Decision: Fire Department Volunteer Roster

Councilmember Vick made a Motion to approve the Fire Department Volunteer Roster. The motion was seconded by Ms. Holcomb.

Mr. Vick would like to add to his motion to provide back-pay to Asst. Fire Chief Lee Henderson dating back to April 1, as he has not received an honorarium.

Mr. Michalson asked about the honorarium pay included in the budget.  
Fire Chief Motley spoke about the current roster.

Dewey called for Public Comment, then called for the vote, the motion passed unanimously, 4-0.

- b. Discussion/Decision: Creating a permanent Parks & Recreation Director position and authorizing compensation

Mayor Dewey spoke to the creation of this new position, aiming to improve the overall public health and wellness of Stevensville's citizens and visitors. The administration has shifted from the Seasonal Pool Manager position to a Permanent Parks & Recreations Director position. We are budgeting to maintain the positions at a wage of \$17/HR.

Mr. Michalson would be in support of a part-time position. Ms. Devlin is in support of the position for the youth benefits.

Mayor Dewey called for Public Comment.

Steve Gibson, concerned about hiring and assuming we are going to receive the CARES Grant.

Sheri Dietsch, 105 Winslett. Concerned about the forethought of the position and the costs of needing more staff for children programming.

Stacie Barker, 104 Winslett. Requested information on Ordinance 144.

On the motion creating a permanent Parks & Recreation Director position and authorizing compensation of \$17/hr. Mayor Dewey called for the vote, Michalson "No," Vick "I," Holcomb "No," Devlin "I," Mayor "I," Motion passes 3-2.

- c. Discussion/Decision: Creating seasonal Park Attendant positions and authorizing compensation

Councilmember Vick made a motion to Creating seasonal Park Attendant positions and authorizing compensation. The motion was seconded by Ms. Devlin and Mayor Dewey called for the vote, Holcomb "No," Vick "I," Michalson "No," Devlin "I," Mayor "I," Motion passes 3-2.

**Stevensville Budget Workshop  
Minutes for  
TUESDAY, JUNE 16, 2020  
7:00 PM**

1. Call to Order and Roll Call

Roll Call: Councilmembers Michalson, Ms. Devlin & Ms. Holcomb. Mr. Vick is absent this evening. Staff and members of the community were also present.

2. Unfinished Business

Council had some questions about the handouts from the last meeting. Mayor Dewey provided information and feedback from those questions.

3. New Business

a. Discussion on the following budget items:

i. Public Works Department – Water, Wastewater, Streets, Cemetery’s

Public Works Director, George Thomas spoke on behalf of his department.

ii. Parks & Recreation Department

Parks & Recreation Director, Bobby Sonsteng reviewed the future activities for parks.

iii. Building Department

Mayor Dewey explained that Laura, the Utility Billing Clerk is the one currently working with the Building Dept., issuing permits. Mayor Dewey would like to implement a Neighborhood Services Position; This position would include the Building Inspector’s permit issuing and city planning and zoning. He would really like the Planning & Zoning Administrator’s position off his lap, for conflict interests and the time needed to review plans.

iv. Airport

Filling the Airport Manager’s position is a priority. Mayor Dewey informed Council that managing the airport is much more than an honorarium position, it is extremely time consuming. The liability of the airport is high and needs to be taken seriously.

4. Public Comments

Mr. Dewey called for Public Comment, and none at this time.

c. June 17, 2020 Public Hearing

**Stevensville Public Hearing  
Minutes for  
WEDNESDAY, JUNE 17, 2020  
6:30 PM**

1. Call to Order and Roll Call

Roll Call: Councilmembers Michalson, Ms. Devlin & Ms. Holcomb. Mr. Vick is absent this evening. Staff and members of the community were also present.

2. Pledge of Allegiance

3. Public Hearings

The public is invited this evening to welcome comments regarding the town's community housing need (public facilities, economic development, and housing need), including the needs of low-income persons, to be served by the proposed development of a low-income multifamily housing project known as Burnt Fork Place Apartments.

Jim Morton and Bob Robinson from Human Resource Council presented the housing architectural design and building plans. Ground water tests have been performed and the building foundations will be built up, to avoid water issues. The sight water will be contained on site, in a large shallow area, with DEQ regulations. This particular affordable housing development will serve seniors, disabled and victims of domestic violence. The income requirements were discussed. They plan on breaking ground mid-July and plan to finish June 2021.

Jim Tadvick, 509 Mission St, concerned that our current system has the capacity for this project and the future projects.

Bent Laursen, 102 Winslett Ave, this project will be bordering their property. Their crawl space is filled with water every spring.

Dave Thorson, 106 Winslett Ave, spoke about the ground water problems. The storage units are most likely the cause, as he was wondering if the engineers are considering affecting the water.

Kim French, 510 E 2<sup>nd</sup> #4, familiar with the area, as she grew up there and the basement was always flooded. Interested in who the investors are because anyone who lives on low-income standards, still cannot afford these figures. Anyone she knows who is disabled cannot afford this; How do we assure these are victims of domestic violence and \$34,000 can afford a nice house in a decent neighborhood.

Sheri Dietsch, 105 Winslett Ave, expressed concerns with the water issues, and the water table is high that she does not water her lawn. Ms. Dietsch questions when the water testing was done. The mayor is endorsing this project and does not care about what people think about the project.

Bill Jarvis, 285 Village Parkway, owns the property and business north of the project. Concerned with 16 units causing increased traffic.

Stacie Barker, 104 Winslett Ave, brought many concerns to the council about the project. When she was on Council in 2016, it was brought forth. She has water in her crawl space, and as soon as the storage unit was built, all that water went into the field, and into the backyards.

Leanna Rodabaugh, wondering why Council does not have a decision on this. The people of the town do not want this, and the Mayor is the only one that wants this.

Jane Schutz, 103 Winslett Ave, lives near the project. Every year someone builds, there is more flooding. At the Nicole Court meeting, they said we would have a chance. Everytown has had a chance to say "No," why Stevensville.

Tonya Eckert, 106 Winslett Ave, every year the water gets worse, no matter how much you build and detour the water, its not going anywhere. Spoke about black mold and low-income housing. That area is a swamp area, we don't want it and I think we can say no.

Leslie Tadvick, 509 Mission St, growing up, she rode her bike every in this town and was not allowed to go near the swamp. We don't know who is moving into these houses and who was on the Council that wanted this.

Mark Adams, 610 E 2<sup>nd</sup> St, lived in the same house for 66 years, with very few years not needing to pump the basement. The economics: The owners will pay taxes but those will not cover police, sewer, water...these kinds of people need jobs.

Kim French, 510 E 2<sup>nd</sup> #4, if you build all the water up, it's fine until rain and snowmelt, the houses below all are affected. Would like to know who is doing the perk tests because the natural Bitterroot River is below our feet.

John Kellogg, PCI. This project started in 2003, as Nicole Court. We are required to show DEQ that the water will not disperse any water off of the property.

Bill Perrin, 503 Charlos. When he was on Council, the mayor then and the rest of Council went up to Helena in favor of the project.

Jim Tadvick, 509 Mission, St, requested the public works director speak on behalf of the water system servicing that area.

Roll Call: Councilmembers Michalson, Ms. Devlin & Ms. Holcomb. Mr. Vick is absent this evening. Staff and members of the community were also present.

2. Unfinished Business

Council had some questions about the handouts from the last meeting. Mayor Dewey provided information and feedback from those questions.

3. New Business

a. Discussion on the following department budget items:

I. Police Department

Discussion on the costs of police uniforms. \$5,300 was spent last year on police uniforms, and with the recent new officers, the Police Dept. is requesting \$7,775. The COPS Grants is most likely not available this year. There will also be changes with the SRO officer funding. Salaries and Wages are projected at \$221,431. \$1,000 is projected with Drug Fines-Forfeitures and while the department will increase in officers, increasing the fines, the department is not designed to generate revenue.

II. City Attorney & Legal Services

Mayor Dewey explained there are two different expenditures for Legal Service, we have legal services for the town and we have prosecution services. Discussion on telephonically utilizing the attorney for council meeting to lower the yearly attorney fees. \$17,000 for legal service, while the prosecution services are uncontrollable. The two different costs are split up, so that Council can understand the separated costs, totaling \$35,000/YR.

III. City Court

Judge O'Connor spoke about the court fees and state-required training. They are Prosecution services totaling \$17,000.

IV. Fire Department

Chief Motley spoke about the Fire Department expenditures.

**Minutes for**  
**TUESDAY, JUNE 23, 2020**  
**7:00 PM**

1. Call to Order and Roll Call

Roll Call: Councilmembers Michalson, Ms. Devlin & Ms. Holcomb. Councilmember Vick participated through Zoom. Staff and members of the community were also present.

2. Unfinished Business

Mayor Dewey asked if Council they had any questions or feedback from the last Budget Workshop. A few councilmembers expressed their thoughts on the Police Department's Pay Matrix, employee raises based on merit verse COLA, the Mayor's and councilmember's honorarium. Mayor Dewey explained that employee retention is a concern, as we are asking employees to participate in exit interview

3. New Business

Mayor Dewey passed out a budget report for multiple years, '16/'17, '17/'18, '18/'19, '19/'20, and the Preliminary Budget '20/'21. This report was broken up by codes and funds. Revenue from the Alarm and Dump permits were not there this year, with the 2019-'20 Master Fee Schedule not being approved till later in the fiscal year. Chief Marble spoke about the unknown revenue from the school for the resource officer's position. Chief Motley spoke about the need to put \$25,000 toward an overhead door expansion. Public Works is desiring a storage building, as the Park and Recreation Dept. will be utilizing the storage building at Lewis & Clark Park.

Town of Stevensville

**RE: Safer streets for community**

Dear esteemed council members:

I am writing a letter to express my concern for the safety of our children and teenagers near Father Ravalli Park off of College street. I have worried and struggled with cars speeding down college even though the speed limit is 15 miles per hour for years. This park area is very busy with lots of small children and teens. There is a cut out in the back fence where children cross over from the neighborhood with Burnt Fork Market to the school. My neighbors also have expressed frustration, resorting to yelling at motorists and calling police at times. Anytime we have road work or construction, College street is used as a detour street which increases the traffic and speeding problems. We have had a police car parked near the park off and on to deter speeders, but this I believe, is a short term solution. There is a "blind spot" in the park near the entrance, where kids enter right onto the street, and I have witnessed several close calls where kids have had to jump back in order not to get struck by a speeding car. I am requesting to ask if the city could look into this and help find a resolution as I fear for the safety of my and other kids in our neighborhood. I'm wondering if it would be possible to reset the fence line to close the blind spot, or purchase extra sign age or digital signage to show motorshist feedback on how fast they are going?

I have enclosed pictures to show the "blind spot" near the park entrance. Thank you for your consideration and I look forward to your correspondence.

Sincerely,

Alli Bristow

Subject: Inappropriate response by the Clerk of the Town of Stevensville

To the President of the Town of Stevensville Town Council,

On June 12, 2020 I submitted an email to the Clerk, Mayor, members of the Council, and the Town's City Attorney.

As a result, the Clerk responded in a manner I believe is very inappropriate and wish to report the behavior in accordance with the Town's Code of Conduct Section B.5.

The email was sent to again draw your attention to the fact that the Presiding Officer, the Council and the staff are not following the Council Rules, rules which are implemented by a Council Resolution, rules which are created in accordance with state law.

The email and the Clerk's response are attached to this letter.

The Clerk responded in a manner that I consider to be very obnoxious, conceited, autocratic and imperious in manner.

Her response, "Dear Private American Citizen, Mr. Crews" is very condescending in nature. The fact that I signed my name to the email, "Jim Crews, Private American Citizen" simply means that I am acting as a Private American Citizen and nothing more. There is and was nothing more implied. I am a Private American Citizen, and as such am merely acting in that capacity.

Her response, "We, the administration...." clearly signifies an imperious or autocratic attitude that is unsuitable for the position of Town Clerk. As such it is condescending towards me and others who have seen this communication. It is not the kind of attitude that a Town Officer, who represents the People of the Town of Stevensville during the fulfillment of her duties as the Town Clerk should possess. The Clerk is a Town Officer and as such should conduct herself at all times when representing the Town of Stevensville.

In her response the Town Clerk states, "The behavior of many citizens and our own Council could be considered disrespectful to many and unlawful."

I have as of yet seen Chief Marble charge anyone for any crime committed at any council meeting, so I have to ask the clerk what aspect of citizen behavior and that of the Council are unlawful?

The Town Clerk does not meet the expectations of this Citizen of the Town of Stevensville as outlined in Chapter 2 of the Town of Stevensville Personnel Policy Manual. Expectations:

- Employees are expected to treat members of the **public**, co-workers, elected officials, vendors, colleagues, and other business contacts with respect and dignity.

Clearly the Clerk does not treat all members of the public with Respect and Dignity as read by her demeanor in the email response to this Citizen.

The Clerk is also insubordinate to the Town Council in her response to this citizen by making the following statement, “The behavior of many citizens and our own Council could be considered disrespectful to many and unlawful.”

The Town Council has defined insubordination in the Town of Stevensville Personnel Policy Manual, in the definitions.

- **Insubordination** –Anyone that threatens or assaults an elected official, town officer or supervisor, disobeys, challenges the order of a legally empowered town officer or supervisor, *treats with contempt or is disrespectful in language or deportment toward an elected official*, town officer or supervisor *when the elected official, town officer or supervisor is in the execution of their office commits insubordination.*

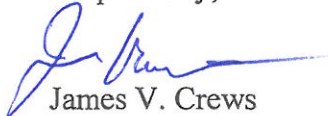

*Insubordination includes knowingly disobeying Council Resolutions/Policies*, the Town of Stevensville Municipal Code, the Montana Code Annotated and Federal Law.

The Town Clerk has acted in an insubordinate manner towards the Council and has not met the expectations as outlined in the Town of Stevensville Personnel Policy Manual.

The Town Clerk should be charged with Insubordination and a violation of the Expectations in the Town of Stevensville Personnel Policy Manual and a violation of 46.E of the Town of Stevensville Personnel Policy Manual.

Additionally the Town Clerk should be charged with a violation of the Professionalism Policy, 46.A.1) in that her contact with certain Citizens of the town reflects poorly on the town by the autocratic and imperious attitude assumed by the Town Clerk in that she shows a great deal of disrespect towards certain Citizens and the Town Council of the Town of Stevensville.

Respectfully,

James V. Crews

**Subject:** Improper procedure during Council meeting June 11, 2020

Last night's motion by Council Member Vick during council comment, it was not in accordance with Council Rules, regarding the limitation of the length of public comment. Neither was the original motion at the start of the meeting.

In accordance with Council Rules, Part V, Section 1, paragraph 1, the council must suspend council rules in order to discuss administrative business that is not of significant public interest and take action.

The Presiding Officer obviously did not recognize the significance of suspending Council Rules, and neither did the Council.

The motion made by Council Member Vick was not in accordance with Council Rules. A motion must be made to request a suspension of Council Rules to consider an administration action that is not of significant public interest.

Many of the public believe that this item would have been of significant public interest. And the motion was improper.

Studying council rules, only public hearing comments may be limited per the Council Rules.

This needs to be corrected as an agenda item for the next council meeting.

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Ms. Hoffman,

With all due respect, as the Clerk one of your jobs is to assist the Mayor in assembling the council packet.

With that in mind, any Clerk should read the packet, realize that pertinent documentation is missing, notify the mayor and proceed to complete the packet. Because you and the Mayor have been advised that the supporting documentation is missing, you should be on that trail like a hound dog chasing a raccoon.

It is irresponsible not to have all of the supporting documentation available for the Council and the Public to review such documentation prior to the council meeting.

Its called doing your homework. If a council member is not asking these questions, then perhaps they need to abstain from voting and from the conversation. As far as I can tell, the document does not exist. I was the Council President at the time and have no personal records of this document. If it exists, obviously someone thinks it does, because it was referenced on the agenda. So a failure to supply the document is a deprivation of the Right to Know and the Right to Participate as the council and the Citizenry are being denied the information.

(If the document exists, and there is no record of a vote by the council, it is null and void.)

Especially if a request has been made by the Council President, along with the rest of the council has every right in the world to see this document along with all the council members, and the fact that at least one citizen has requested the document.

How does anyone know who signed it, what does it entail? The cost and because all change orders are required to be voted on by the council, there should be a record of the Ayes, and Noes, in accordance with state law, town ordinance and Council Resolutions.

As for requesting a copy of the public record, according to federal law, an email is sufficient for a request. I do not have time, nor do I desire to fill out paperwork for something that should already be in the packet. I get the run around from town hall enough not to have to deal with the bureaucratic, imperious and autocratic controls placed on the Citizens. Your job, is to support the council.

The Clerk of the council. In virtually all of Montana's 129 municipal governments, the clerk is critical to communication and coordination between the two branches of government., The town clerk usually serves the the recording clerk for the council responsible for posting the legally required notice of the council meetings and the preparation of the legally required minutes of the council meetings. This simplified explanation in in section 2.103 of the Montana Municipal Officials Handbook.

2.4067 of the handbook.

Putting the agenda together, publishing and distributing it along with the supporting documents in a timely fashion is an important responsibility of the presiding officer, usually the mayor, which is most often accomplished with the help of the town clerk.

If the supporting documentation is not available, then the item should be tabled until such time as it is available for sufficient review.

As you folks are not willing to gather the supporting documentation, then I am going to, along with other folks suggest that this item should be tabled. It makes no sense to me to publish the agenda item if the document is not available.

With all due respect,

Jim Crews

Private American Citizens, Mr. Crews.

Your last email was read. I was not aware that particular master service agreement between the Town and Stevensville and HDR, dating back to 2016 was not available to the citizens. The administration at this time is back-logged with many Request for Public Records. Since I have been here, the protocol for any requests for public information have been: a citizen submits a request by filling out that form (physical copy located here at Town Hall or a digital copy accessible on our website) then submitting that in-person or sent via email. An email to the Town Clerk, two days ago, requesting them to "produce" something immediately, rather than partaking in the process everyone is asked to do, followed by reminding anyone who works for the public your rights under the Constitution is very unprofessional; The administration is aware of your rights. No one in this administration has denied any citizen their Right To Know that I know of since I have been here. I would be happy to provide any council member or citizen with any documents; one that note, I do not appreciate your email being labeled: "missing supporting documentation in the council packet," as nothing is missing. This particular document has already been requested for, therefore, if you wish to fill out or email me a Request for Public Records, I will be happy to address your request at the same time.

To all concerned,

This is my second request to have the supporting documentation uploaded for review by the public and by the council for tomorrow nights meeting.

Please produce a copy of the agreement between the Town of Stevensville and HDR Engineering that was signed on April 4, 2016 for consideration at the meeting. Also, the minutes of the council meeting where this agreement was approved by the council. This is a Right To Know issue under the State Constitution.

We the Citizens have a right to see these documents as they are the basis for a decision that must be made and public comment must be allowed.

To the Clerk,

Could you please upload a copy of the following document including council minutes when this was approved by the council at that time. It is pertinent to the discussion regarding Agenda Item A of New business in the upcoming Council Meeting. Also, when was this project bid and when did the council award this contract in an open meeting of the Council? When did Council authorize this and who signed the agreement?

This Task Order pertains to an Agreement by and between the Town of Stevensville, MT, (“OWNER”), and HDR Engineering, Inc. (“ENGINEER”), dated April 4, 2016, (“the Agreement”).

July 2, 2020

Dear Mayor Dewey,

It saddens me greatly that I am submitting to you my resignation notice; my last day will be July 15, 2020. While I tried very hard to weather the storm of negativity and hostility, I simply do not have the energy or strength to continue to listen to more lies, defend myself and subject myself to the existing working conditions at Town Hall. Further, I cannot work for an organization where certain members of the legislative branch outwardly and vocally do not support staff or the Mayor. What is very concerning to me and should be to the public, is I am now the 3<sup>rd</sup> Town Clerk in about 2 ½ years that has resigned due to the bad behavior and rude treatment of staff by the same certain Council members and their family and friends. Because of this, I am providing several examples that would not normally be included in a resignation letter, in hopes that the next Clerk is not subject to the same rude, insulting and unbearable working conditions.

There is a small handful of citizens, who are facilitating the recall effort and are friends of Council member Bob Michalson, who have harassed me and other staff at Town Hall for many months now. We have repeatedly asked them to stop their bad behavior and as a last resort effort, drafted an open letter to Council and the citizens of Stevensville asking that they discontinue the abuse. This letter unfortunately had no effect on their behavior and may have actually increased the negativity we experience at Town Hall.

Leslie Tadvick, a citizen and close friend of Mr. Michalson's stood up during Public Comment and requested all employees resign. We, the Town Hall staff, have done nothing wrong or illegal. We only assume that we were asked to resign because we support and work in the same building as the Mayor, who Mr. Michalson and his friends are currently and aggressively attempting to recall.

Leanna Rodabaugh, another close friend of Mr. Michalson constantly posts on Facebook comments that are half-truths, twisted facts, outright lies, and cruel in nature against my supervisor, Mayor Brandon Dewey and staff.

The final straw happened on June 30<sup>th</sup>, when Council member Bob Michalson hand delivered to me a letter filed against me by citizen Jim Crews. Ironically, Mr. Crews is well known at Town Hall for constantly harassing staff for years. Mr. Crews, usually calls requesting information, complaining about everything and sending employees on wild goose chases. They usually are for little things such as, *I received an advertisement in the mail, can you check to see if they have a business license or there are flyers on the light poles on Main St,*

*remove them* or sharing another situation that he feels is against code or something staff or the Mayor did that he feels is against the law. While these situations described are legitimate, the tone and agenda behind these calls are not acceptable. No one should have to be constantly yelled at and belittled, as Town Hall employees are by Mr. Crews. Mr. Crews and his friends have this belief that we, as staff are supposed to drop what we are doing to attend to his/their wants and needs, every other day.

In summary, I can no longer work in unhealthy working conditions created by the Council President and his family and friends. I believe you, as the Mayor, have tried to help, but understand that you have no control over what Council President Bob Michalson or certain citizens say or do.

Discussion/Decision: Services Agreement between the Town of Stevensville and First Call Computer Solutions for Managed IT Services

Beyond delivering reliable computer solutions to our customers, First Call's goal is to create and maintain a satisfying business relationship for both parties.

First Call and our customers should be allies working together to benefit one another, not opponents trying to overcome the other. A Master Customer Agreement is nothing more than a tool to help the organizations satisfy one another.

This Agreement must be signed by both parties one time prior to Agreements, Orders or Statement of Works being fulfilled.

This **MASTER CUSTOMER AGREEMENT** (the "**Agreement**") is entered into as of April 23, 2020 ("**Effective Date**") between First Call Computer Solutions ("**FCCS**") and Town of Stevensville ("**Customer**").

**1. SCOPE OF AGREEMENT.** This Agreement serves as a master agreement and applies to Customer's Service and Product purchases or subscriptions from FCCS. No Product or Services will be provided under this Agreement alone, but may require the execution of a "**Services Agreement**", "**Product Order**", or "**Statement of Work**" (collectively the "**Services**"). The parties hereby further agree that the parties may execute multiple Services under this Agreement. In the event of any conflict between the terms of the Services and those of this Agreement, the terms of the Services will prevail.

**2. TERM AND TERMINATION.** This Agreement will begin on the Effective Date and will continue until each Services expires or is terminated. FCCS may: (a) terminate a specific Order if Customer fails to pay any applicable fees due for that Services within 30 days after receipt of written notice from FCCS of non-payment; and/or (b) terminate this Agreement or any Services if Customer commits any other material breach of this Agreement and fails to cure such breach within thirty (30) days after receipt of written notice from FCCS. If any Services are terminated, Customer will promptly pay FCCS for Services rendered, and expenses incurred through the termination date. FCCS may terminate any license granted for a Deliverable (as defined below) if (i) Customer does not pay FCCS for that Deliverable in accordance with this Agreement, or (ii) if Customer materially breaches any part of Section 4 of this Agreement.

**3. PAYMENT AND DELIVERY.** Customer will pay FCCS all fees due upon receipt of an invoice specifying the amounts due ("**Fees**"). If payment is not received on or before any invoice due date FCCS reserves the right to charge an administrative fee calculated at a minimum rate of one and one-half percent (1.5%) per month from the date due until paid in full. Customer shall pay all expenses, including actual attorneys' fees, incurred by FCCS or its representatives in enforcing its rights under this Agreement, provided that FCCS is successful on the merits. Unless otherwise stated in Services, Customer agrees to pay or reimburse FCCS for all actual, necessary, and reasonable expenses incurred by FCCS in performance of such Services, which are capable of verification by receipt. FCCS will submit invoices to Customer for such fees and expenses either upon completion of the Services, or at stated intervals, in accordance with the applicable Services.

#### **4. PROPRIETARY RIGHTS AND CONFIDENTIALITY.**

**4.1. Work Product Ownership.** The parties acknowledge and agree that any works, ideas, systems, programming code, or other materials prepared and delivered by FCCS (collectively the "**Work Product**") in the course of providing Services will not be considered "works made for hire" under the copyright laws of the United States and that all rights, title and interests with respect to such materials shall remain with FCCS. Customer shall be entitled to use said Work Product only as a licensee of FCCS, which license shall remain in effect during the term of this Agreement.

**4.2. Mutual Confidentiality.** This Section sets out the terms for identification of information which is considered confidential and proprietary by a party (the "**Discloser**"), and restrictions against use and disclosure of such Confidential Information after disclosure to the other party (the "**Recipient**").

(a) **Definition.** The term "**Confidential Information**" means all proprietary or confidential information that is disclosed to the Recipient by the Discloser, and includes, among other things (i) any and all information relating to products or services provided by a Discloser, its customer-related and financial information, source and executable code, flow charts, drawings, techniques, specifications, development and marketing plans, strategies, forecasts, and sales and marketing materials; (ii) the Product; and (iii) the terms of this Agreement. Confidential Information does not include information that Recipient can show: (A) was rightfully in

Recipient's possession without any obligation of confidentiality before receipt from the Discloser; (B) is or becomes a matter of public knowledge through no fault of Recipient; (C) is rightfully received by Recipient from a third party without violation of a duty of confidentiality; or (D) is or was independently developed by or for Recipient.

(b) **Disclosure Restrictions.** Recipient may not disclose Confidential Information of Discloser to any third party without the prior written consent of Discloser and shall make reasonable attempts to prevent

any unauthorized disclosure by its employees, agents, contractors and consultants.

## 5. ALLOCATION OF RISK

**5.1. Disclaimer of Damages.** EXCEPT FOR VIOLATIONS OF SECTION 4, NEITHER PARTY, NOR ITS AFFILIATES AND LICENSORS, ARE LIABLE TO THE OTHER PARTY, OR ITS AFFILIATES OR LICENSORS, FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE WORK PRODUCT (INCLUDING WITHOUT LIMITATION LOST PROFITS, LOST COMPUTER USAGE, AND DAMAGE OR LOSS OF USE OF DATA), EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND IRRESPECTIVE OF THE NEGLIGENCE OF EITHER PARTY OR WHETHER SUCH DAMAGES RESULT FROM A CLAIM ARISING UNDER TORT OR CONTRACT LAW.

**5.2. Limitation of Liability.** EXCEPT FOR VIOLATIONS OF SECTION 4, FCCS'S LIABILITY FOR DIRECT DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT IS LIMITED TO THE GREATER OF THE AMOUNT PAID OR PAYABLE BY CUSTOMER FOR THE APPLICABLE WORK PRODUCT OR SERVICE IN THE MONTH PROVIDED

**5.3. Injunctive Relief.** Both parties acknowledge that their violation of Section 4 may cause the other party immediate and irreparable harm. In the event of such breach, the breaching party agrees that the other party may seek, in addition to any and all other remedies available at law, an injunction, specific performance or other appropriate relief.

## 6. SERVICES-SPECIFIC TERMS.

**6.1. All Necessary Rights.** If, as part of FCCS's performance of Services, FCCS is required to use, copy or modify any third party system (hardware, software or other technology) provided or licensed to Customer, then prior to FCCS's performance of such Services, Customer will acquire all rights necessary for FCCS to perform such Services.

**6.2. Limited Warranty.** FCCS warrants that the Services performed will be of a quality conforming to generally accepted practices that are standard within the IT services industry for a period of thirty (30) days from completion of the Services under the applicable Statement of Work. Customer's exclusive remedy and FCCS's entire liability under this warranty will be for FCCS to re-perform any non-conforming portion of the Services within a reasonable period of time, or if FCCS cannot remedy the breach during such time period then refund the portion of the fee attributable to such nonconforming portion of the Services. This warranty will not apply to the

extent Customer, its contractors or agents have modified any Deliverable, unless otherwise authorized by FCCS in writing. **THIS WARRANTY AND CONDITION IS IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS. THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

**6.3. Hardware or Software.** Customer may, from time to time, purchase/acquire or subscribe Hardware and/or Software ("OEM Product") from FCCS in whole or in part of Services. In such cases, FCCS is acting as a reseller for a third party. All restrictions, and other terms pertaining to the OEM Product are found only in the applicable agreement provided by the original equipment manufacturer (OEM) of the OEM Product (the "OEM Agreement"), and such OEM Agreement is only between Customer and the OEM. Services providing OEM Product shall only be effective upon written acknowledgment and acceptance of such Services by FCCS.

**7. NO WARRANTY.** EXCEPT FOR WARRANTIES PROVIDED BY THE OEM IN THE OEM AGREEMENT, THE OEM PRODUCT IS PROVIDED "AS IS", WITH ALL FAULTS. FCCS SPECIFICALLY DISCLAIMS ALL WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND QUIET ENJOYMENT.

**7.1. Change Management.** The scope of the Services provided by FCCS is defined in the agreement for Services. Any change in the scope of the Services must be mutually agreed in writing by both parties. Any changes in the scope of work for the Services may be subject to a change in the associated price for the services.

## 8. INSURANCE AND RELATIONSHIP

**8.1. Insurance.** FCCS will provide and maintain during its rendition of the Services, but only for losses arising out of FCCS's work for Customer:

- (a) Worker's Compensation and related insurance as prescribed by the law of the state applicable to the employees performing such Services;
- (b) Employer's liability insurance;
- (c) Comprehensive/commercial general liability insurance;
- (d) Comprehensive motor vehicle liability insurance, including coverage for owned, hired, leased, and rented vehicles.

**8.2. Independent Contractor.** Nothing in this Agreement will be construed to make either party an employer, employee, agent or partner of the other, and

this Agreement will not be construed to create rights, express or implied, on behalf of or for the use of any party other than FCCS and Customer. All of the Services performed by FCCS will be performed as an independent contractor. FCCS will perform such Services under the general direction of Customer, but FCCS will have sole discretion to determine the manner, method and means of performing such Services subject to the provisions of this Agreement and applicable Statement of Work.

**8.3. Non-Solicitation or Hiring.** Customer understands that FCCS has gone through considerable time and expense in training, orienting, and equipping its employees with the knowledge and experience to perform their duties. To protect its relationships with its customers, FCCS has restricted its employees from soliciting FCCS customers after said employee is no longer employed by FCCS. Customer also agrees that it shall not retain any former employee of FCCS, without the prior written consent of Company, to perform any Services which are substantially similar to those provided by FCCS. Customer understands that a violation of this provision by Customer may also be deemed a tortious interference with FCCS' employment contract with its employee.

**8.4. Mutual Indemnity.** Each party will indemnify, defend and hold harmless the other party from all claims, liabilities or expenses for physical damage to real property or tangible personal property and bodily injury, including death, to the extent caused by the negligence or willful misconduct of the indemnifying party's employees or contractors arising out of this Agreement and while at the Customers premises. The foregoing indemnities are contingent upon the party seeking indemnity giving prompt written notice to the indemnifying party of any claim, demand or action, and cooperating with the indemnifying party in the defense or settlement of any such claim, demand or action.

## 9. MISCELLANEOUS/OTHER PROVISIONS.

**9.1. Severability.** Should any provision of this Agreement be invalid, or unenforceable, the remainder of the provisions will remain in effect. In the event of a dispute, the prevailing party in any litigation or arbitration will be entitled to recover its attorneys' fees and cost incurred from the other party.

**9.2. Notices.** Unless otherwise provided, notices to either party will be in writing to the address indicated above, or as later amended, and deemed effective when received.

**9.3. Pricing.** First Call is not liable for pricing errors. If an order is placed for a product that was incorrectly priced, we will cancel your order and credit you for any charges. In the event that we inadvertently ship an order based on a pricing error, we will issue a revised invoice to

you for the correct price and contact you to obtain your authorization for the additional charge, or assist you with return of the product.

**9.4. Verification.** Upon FCCS's written request, Customer will provide FCCS with a certification signed by an officer of Customer verifying that Product is being used pursuant to the terms of this Agreement, including without limitation the licensed capacity of the Product. FCCS may, at its expense, audit Customer's use of Product to confirm Customer's compliance with this Agreement. Any such audit will be conducted during regular business hours at Customer's facilities and will not unreasonably interfere with Customer's business activities. If an audit reveals that Customer has underpaid Fees to FCCS, Customer will pay such underpaid Fees. If the underpaid Fees exceed five percent (5%) of the Fees paid, then Customer will also pay FCCS's reasonable costs of conducting the audit.

**9.5. Assignment.** Customer may not assign this Agreement or any rights granted in this Agreement to any third party, except with the prior written consent of FCCS.

**9.6. No Waivers.** Failure of a party to require performance by the other party under this Agreement will not affect the right of such party to require performance in the future. A waiver by a party of any breach of any term of this Agreement will not be construed as a waiver of any continuing or succeeding breach.

**9.7. Force Majeure.** Any delay or failure of any party to perform any obligation under this Agreement caused by governmental restrictions, labor disputes, storms or natural disasters, emergency, or other causes beyond the reasonable control of the party, will not be deemed a breach of this Agreement. This provision does not apply to the payment of monies or any breach of Section 4.

**9.8. Entire Agreement.** This Agreement, together with each Service, constitutes the entire agreement between Customer and FCCS, and supersedes any prior or contemporaneous negotiations or agreements, whether oral or written, concerning this subject matter. This Agreement, and each Service, may be modified only in a mutually signed writing between Customer and FCCS. In the event of a conflict between this Agreement, any Service, the terms of the Service will control, followed by the terms of the applicable Service and then this Agreement.

**9.9. Referencing.** Customer agrees that FCCS and its Affiliates may refer to Customer as a customer of FCCS, both internally and in externally published media.

# Master Customer Agreement

**9.10. Governing Law. ANY CONTROVERSY OR CLAIM ARISING OUT OF OR RELATING TO THE SERVICES, WORK PRODUCT AND/OR THIS AGREEMENT WILL BE VENUED IN THE STATE OF MONTANA FOURTH JUDICIAL DISTRICT, MISSOULA COUNTY. THE PARTIES AGREE THAT SAID COURT SHALL HAVE JURIDICSION OVER ANY SUCH CLAIMS AND IS THE PROPER VENUE FOR ANY DISPUTES ARISING UNDER THIS AGREEMENT.**

**9.11. Survival. Sections 2, 4, 5, 6 and 7 will survive the termination or expiration of this Agreement. The prevailing party in any litigation proceeding is entitled to recover, from the other party, its reasonable attorneys' fees and necessary costs incurred in such proceeding.**

This Agreement is effective only upon execution by FCCS and Customer. Each party hereto warrants and represents that this Agreement constitutes the legal, valid and binding obligation of such party as of the Effective Date.

Good Evening Mayor,

I know that the agenda has already been sent out. I am hoping to have an amendment made. I have attached a letter that I received today from Dempsey Vick, as well as evidence of this concerns. As you can see, there are Code Of Conduct violations, Oath of Office violations and Improper Influence all conducted by Robert Michalson against Dempsey Vick. This is of great importance and can not wait until our July meeting. As I am aware, these violations must be handled by the Council. Please let me know what you need from me, or if this is an item that can be added at this time.

Thank you,

Jaime

Councilmembers Devlin and Holcomb,

I am reaching out to you to request help in an issue that I have been having with Councilmember Michaelson since his return to the council in January. Since his return, he has made attempts to sway my vote in council matters while stating "I don't tell you guys how to vote" and has followed that up with rude and uncalled for text messages in an attempt to bully and shame me because of how I voted. I have received numerous messages from him that could be construed as harassment or bullying.

I have made several attempts to show Mr. Michaelson respect, but he does not show the same back to me. When I disagree with him on an agenda item or if I challenge his ideas, he becomes irate and is typically inconsolable.

Again, I am reaching out in an attempt for all of us to find a way to come to a resolution so that we can all work together as one governing body.

Thank You  
Dempsey Vick  
Councilmember Ward 2

It is the policy of the Town of Stevensville to expect, promote, and uphold the highest protocol of conduct from its elected and appointed officials. For local government and democracy, the Mayor, Councilmembers, Board members and Town staff are dedicated to promoting values, integrity, and committed to governing efficiently and effectively. After taking the Oath of Office as a Councilmember and Mayor, they agree to conduct themselves in accordance with the following Code of Conduct (Code).

## **A. CONDUCT GUIDELINES**

Elected and appointed officials have the responsibility to take the high road on conduct and to treat everyone as they would like to be treated. This Code is designed to describe the manner in which all elected and appointed officials should treat one another, Town staff, constituents, and others they come into contact with while representing the Town of Stevensville. Stevensville's Town Council adopts this Code to assure that all elected and appointed officials, while exercising their office, conduct themselves in a manner that will instill public confidence and trust in the fair operations and integrity of Stevensville's Town government. The term "Members" referenced throughout this Code includes elected and appointed officials, Town Board and Commission members as well as Town staff.

### **1. General**

The professional and personal conduct of Members while exercising their office must be above reproach and avoid even the appearance of impropriety. Members shall refrain from abusive conduct, personal charges or verbal attacks upon the character or motives of other members of Council, Boards, Committees, Commissions, staff or the public.

Members shall perform their duties in accordance with the processes and rules of order established by the Town Council with respect, courtesy and integrity.

Members shall support the maintenance of a positive and constructive workplace environment for its members, the Mayor, Town staff and for citizens and businesses dealing with the Town. Members shall conduct themselves when dealing with Town employees to, in no way, create the perception of inappropriate direction to staff.

The Council or individual Council members and Board members shall not attempt to supersede the Administration's powers and duties.

### **2. Elected and Appointed Officials' Conduct with Each Other in Public Meetings**

Elected and appointed officials are individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. All have chosen to serve in public office in order to preserve and protect the present and the future of the Town of Stevensville. In all cases, this common goal should be acknowledged even though individuals may not agree on every issue by doing the following.

issues not related to the topic at hand.

- h. Members should not disrupt other Members during discussions and from performing their respective roles.

#### 4. Elected and Appointed Officials' Conduct with Town Staff

Governance of the Town of Stevensville relies on the cooperative efforts of elected and appointed officials who set policy and the Town staff who implement and administer the Council's policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community. The Town of Stevensville has a Personnel Policy in place for all Town employees. That Policy should be used in conjunction with this Code of Conduct.

- a. Treat all staff as professionals. Clear, honest communication that respects the abilities, experience, and dignity of each individual is expected. Poor behavior towards staff will not be tolerated. The employees of the Town of Stevensville are also expected to adhere to this Code.
- b. Do not disrupt Town staff from performing their jobs. Elected and appointed officials should not disrupt Town staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met. Do not attend Town staff meetings unless requested by staff. Even if the elected or appointed official does not say anything, his or her presence may imply support, show partiality, intimidate staff, and/or hamper staff's ability to do their job objectively.
- c. Never publicly criticize an individual employee. Elected and appointed officials should never express concerns about the performance of a Town employee in public, to the employee directly, or to the employee's manager. Comments about staff performance should only be made to the Mayor through private correspondence or conversation.
- d. Prudent Councilmembers will take care to deal with staff and department heads through the Mayor to avoid any possibility of disrupting the supervisory chain of command. The individual likely to be compromised in such a circumstance, as too often occurs in municipal government, is not the Councilmember nor the Mayor but the staff member or department head, who is, after all, supervised by the Mayor. Members have the same rights and access to information as the general public. However, limitations to staff resources must be considered. Staff will make every effort to ensure that general information will be available online. Requests that may require substantial staff time must be approved by the Mayor. If the Mayor is not available, he shall be copied on or informed of such request. When in doubt about what staff contact is appropriate, Members must consult with the Mayor. Materials related to an item under the Council's or Board's consideration, supplied to a Member, will be made available to all members so that all have equal access to information.
- e. Attorney-Client Relationship: The Town Attorney represents the Town and not individual Members. Members cannot not establish a personal attorney-client relationship with the Town Attorney. Members shall not seek to establish an attorney-client relationship with the Town Attorney for personal purpose. Members may contact the Attorney in accordance with

into believing that their individual opinion is that of the entire Membership, unless a vote has been taken on that issue and the Member's opinion is the same as the decision made by the Membership. Likewise, no Member should make a statement in writing that implies it is the position of the entire Membership.

- d. Members shall not make any personal comments about other Members. It is acceptable to publicly disagree about an issue, but it is unacceptable to make derogatory comments about other Members, their opinions or actions.
- e. Members are constantly being observed by the community every day that they are in office. Their behaviors and comments serve as models for proper deportment in the Town of Stevensville. Honesty and respect for the dignity of everyone should be reflected in every word and action taken by a Member, 24 hours a day, seven days a week. It is a serious and continuous responsibility.

## B. SANCTIONS

### 1. Behavior and Conduct

The Stevensville Code of Conduct expresses standards of conduct expected for Members of the Stevensville Town Council, Mayor, Boards and Town staff. Members themselves have the primary responsibility to assure that conduct standards are understood and met, and that the public can continue to have full confidence in the integrity of government. Additionally, the responsibility to intervene, when the actions of Members appear to be in violation of this Code, falls on all Members.

### 2. Councilmembers

It is the responsibility of the Council to educate and, when necessary, discipline other Councilmembers who violate this Code. Discipline shall be progressive, from the least punitive to the most punitive measures, unless the Council believes that the progressive discipline does not provide the appropriate sanction because of the gravity of the offense, or because the Council does not believe the sanction would deter future misconduct. In all instances, the totality of the circumstances shall be taken into consideration in resolving the matter, including the intent of the one accused of wrongdoing.

#### Possible Penalties and Sanctions may include:

- a. An informal censure by the Council, which would only be made as part of a motion in a public meeting.
- b. A formal censure by the Council, which would be made by motion in a public meeting and then published in the newspaper as a public notice.
- c. Attendance at counseling or mediation sessions.
- d. Any other sanctions available by law by an appropriate tribunal.

## TITLE 45. CRIMES

### CHAPTER 7. OFFENSES AGAINST PUBLIC ADMINISTRATION

#### Part 1. Bribery and Corrupt Influence

## Threats And Other Improper Influence In Official And Political Matters

**45-7-102. Threats and other improper influence in official and political matters.** (1) A person commits an offense under this section if the person purposely or knowingly:

(a) (i) threatens harm to any person, the person's spouse, child, parent, or sibling, or the person's property with the purpose to influence the person's decision, opinion, recommendation, vote, or other exercise of discretion as a public servant, party official, or voter;

(ii) threatens harm to any public servant, to the public servant's spouse, child, parent, or sibling, or to the public servant's property with the purpose to influence the public servant's decision, opinion, recommendation, vote, or other exercise of discretion in a judicial or administrative proceeding;

(iii) threatens harm to any public servant or party official, the person's spouse, child, parent, or sibling, or the person's property with the purpose to influence the person to violate the person's duty or to prevent the public servant or party official from accepting or holding any public office;

(iv) privately addresses to any public servant who has or will have official discretion in a judicial or administrative proceeding any representation, entreaty, argument, or other communication designed to influence the outcome on the basis of considerations other than those authorized by law;

(v) as a juror or officer in charge of a jury receives or permits to be received any communication relating to any matter pending before the jury, except according to the regular course of proceedings; or

(b) injures the person or property of a public servant or injures the servant's spouse, child, parent, or sibling because of the public servant's lawful discharge of the duties of the office or to prevent the public servant from discharging the public servant's official duties.

(2) It is no defense to prosecution under subsections (1)(a)(i) through (1)(a)(iv) and (1)(b) that a person whom the offender sought to influence was not qualified to act in the desired way, whether because the person had not yet assumed office or lacked jurisdiction or for any other reason.

(3) A person convicted under this section shall be fined not to exceed \$50,000 or be imprisoned in the state prison for a term not to exceed 10 years, or both.

All,

These generic requests for information are beginning to hinder our already overwhelmed workflows. We're currently working in overdrive to compile a 9-page discovery request for the Tribbensee case that is due to plaintiff's attorney by the end of the month. Our defense attorneys need considerable time to review the documents that we will provide prior to sending them out.

**Mr. Michalson:** This is my final request that you send all requests for information and materials to me rather than interacting directly with staff. Any future requests that are not addressed directly to me will not be acknowledged nor fulfilled.

All audios, meeting minutes, and packets for the immediate past (back to 2014) are available online. Please make sure you exhaust the online resources before submitting a request. When you submit a request for information not found on our website, please include some sort of specificity and background with your request, including why the information is needed. Information requests sent to me do not need to include an email chain of multiple staff members or Council, either. Sending the request to me directly is sufficient.

I appreciate your cooperation.

Thank you,

Mr. Michalson,

I'm sorry to inform you but your expectations on turn around are not something I can accomplish in that time period, as I have other projects needing my attention in line to complete by the end of today. If you can drop off a thumb drive, that would be helpful. I have other projects I'm working on that have other time sensitive timelines. I am forwarding this list of requests to the Mayor for direction.

Brandon,

I don't think a 5:00 o'clock meeting start time for next weeks special meeting is feasible. Some council members would have to make previous arrangements with there employers to be there. Is the town going to pay fellow Holcomb's wages?. Most of the public also works until 5:00. I would suggest a 6:30 start up time and put less on the agenda.

**THE PUBLIC HAS A RIGHT TO KNOW.**

 The councils objections to virtual meetings was because the public was overwhelming in favor of not having meetings without the right to participate in person. 3 months worth of agenda's doesn't need to be done in one meeting. Your lack of respect once again in your emails shows your true colors. It's no wonder some council members don't want to reply to you. Don't bother responding back with your tirades.

Mr. Michalson,

There is 3 months' worth of business on the agenda to complete because of your objection to virtual meetings. All councilmembers were given ample notice about the meeting in order for you to make arrangements to attend, and no objections have been raised until now. Because there was no response to the initial proposal to hold the meeting at 5:00, we moved forward with publishing public notices stating 5:00 in the paper.

The 5:00 meeting will proceed as scheduled.

Thank you,

Jamie, What you and Dempsey did to robin and I is unacceptable. You owe each of us a public apology tonite.

I have no idea what you are talking about. I have not done anything to either one of you. I dont owe anyone anything and demanding for such is unacceptable. I will not be bullied by you Bob

Look at the agenda you signed against me. Do you have any proof for your accusations?

Yes I have proof. We will address this at tonight's meeting.

It's your name on the agenda. Do you even know what the mess your in?

I am making the choice to not have this discussion with you. And you making demands of an apology or assuming that I am in a mess only validates your poor behavior. As I stated, we will discuss this at tonight's meeting.

Just casually coming back to vote on a budget you had no part of tells me your priorities as a ward 2 council member is construed. Over twenty people voiced there opinions at a public hearing also wed. Your absence speaks volumes for your so called leadership.

It's become apparent that the town council is failing in its duties to uphold the laws and budget. The mayor has cost the town so much \$\$ it's unbelievable. He has cost the town on the bids at the SRE building (Turkey Creek Fencing). The Snow removal, (\$29,000). The Fireworks (\$4500), The First call contract (\$79,000). And now the council just gave him the town's checkbook. Are you all comfortable with that?. I am not. It is the COUNCIL who is responsible for every penny of the taxpayers money. Not Dewey, Not Robert. Its Dempsey Vick, **Robin Turjan Holcomb** and Jamie Devlin and myself who must be held accountable. The public put their trust in us and we are failing them terribly. Its black and white. I don't know how to move forward on gaining the hard working folks trust back. To think last nite's actions are o.k is so sad. It really is. That is my rant of the day. Take care and be safe everyone.

Nice to see the Robin Holcomb, Jamie Devlin and **Dempsey Vick** are all looking out for the town of Stevensville. What a disgrace for town government. This mayor just got spent \$75000 with out council approval. Now you giving authority to him witch he should not have by what the law says. As a town we need to pass a petition around to have you all removed. Your not following the laws and not representing the town of Stevensville.

And to top that off, The Mayor had our attorney on speakerphone last nite. Did he get it approved by the Council President?. Did we not just make a decision as a council to not have him at our meetings unless it was pre-approved?. Are we not over budget in this dept? Again Mayor dewey abuses the council time and again and we are all just fine with it. Im sick of it. I asked to look at the mayor payroll last week and got stonewalled. Each and every taxpayer should email there council member and let them know this is wrong. Until YOU the people speak up, nothing changes.

Being a member of stevensville's town council comes with many responsibilities. We set the resolutions and laws that govern the town. It is our job to set and implement the annual budget. When the system breaks down as it has and the laws are not followed, then it is the COUNCIL'S job to enforce the rules. If this or any council sees a wrong and allows it to happen then we are also breaking the law. Last thursday was a prime example. The mayor failed to do his duty with a 3yr. \$79,000 contract that was not approved. The council did its job and voted the contract down. Now it is the Mayor who is responsible for the \$2,100 bill not the hard working tax payers of stevensville. It is moments like these that make me proud to serve each and everyone of you.

## Affidavit

I, Dempsey Vick, citizen of the Town of Stevensville, and Stevensville Town Councilmember, hereby affirm under penalty of perjury, that the following statements and screenshot messages included are true and correct.

Stevensville citizen and Town Councilmember Robert Michalson, also known as Bob Michalson Town of Stevensville Council President. He uses his official title and positions to improperly influence how I feel about Town of Stevensville, Town Council business and how I chose to vote on agenda items. If I disagree or chose to vote differently than Mr. Michalson, he becomes upset with me and progressively uses varying degrees of bullying tactics and threats in order to get me to vote his way and influence the outcome of the vote. He also engages his friends and family to put additional pressure on me for the same reasons. Specific high profile instances include a resolution which was brought forward by myself and Council member Jaime Devlin regarding disciplinary consideration for Mr. Michalson and the highly contested Information Technology First Call contract and miscellaneous budget items earlier in 2020. When I recently missed a budget meeting due to a friend visiting from out of state, he used intimidation and insults to try and shame me. Most recently, I asked fellow Council members Jaime Devlin and Robin Holcomb for help to address Mr. Michalson's bullying behavior. ~~The June 25, 2020 agenda was revised to include an item to discuss and possibly discipline Mr. Michalson. Prior to the meeting, Mr. Michalson emailed me stating the item should be off the agenda because there wasn't supporting evidence, even though the written evidence was included in the Council packet.~~ Mr. Michalson continues to make statements to me about this item and others for the sole purpose of intimidating me as a Council member. DU

These actions described above and content of the screenshot message examples provided below violates:

**Montana Code Annotated Section 45-7-102 Threats and Other Improper Influence in Official and Political Matters - 45-7-102.** Threats and other improper influence in official and political matters. **PRELIMINARY BUDGET  
FOR FISCAL YEAR 2021  
JULY 1, 2020 TO JUNE 30, 2021**

TOWN OF STEVENSVILLE, MONTANA

# Executive Summary

June 30, 2020

Stevensville Town Council:

We are pleased to present to you the Proposed Budget for Fiscal Year 2020-2021 (FY21). This budget represents the thoughtful work of dozens of people in developing the spending plan for our organization for the coming fiscal year. Stevensville is a vital, growing and changing community. As the community we serve changes, we must aim to evolve and consider new approaches in how we provide services and operate.

The FY21 budget does not raise the tax levy assessed in Town of Stevensville. Last year, increases in property values have caused a reduction in the number of mills assessed. Many residents will continue to see lowered lighting district assessments as we spend down cash balances in these funds. Water and Sewer rates are likely to change according to a cost-of-service rate study that the Town is performing. The administration will propose those rate changes to the Council in the Fall of 2020.

**Continued Growth** – Our community’s most recent evidence of continued growth includes the US Census data showing an estimated population increase of 4.4% this year, on top of the 4.3% increase for last year. We see strong building permit activity and increased traffic counts and congestion on Town streets. Much of our budget recommendation is made in response to the prolonged growth that Stevensville continues to experience. In order to maintain service levels and perform the work necessary to accomplish our goals, we must expand our staff in key areas.

## 2021 Proposed Budget

### *Revenues*

#### Property Taxes

With the growth of the Town, expected service levels, and the strategic initiatives, it may eventually be necessary to increase the property tax mill levy. This would be necessary to address the needs of the expanding Town while funding ongoing operations with sustainable revenues. In total, our Budget levies 97.64 mills on all taxable property within City limits.

#### Charges for Services

Rather than increase property taxes, the administration evaluated the services that were being most utilized, and fee supported. We believe it is fair to reason that the average taxpayer in Stevensville should not necessarily foot the bill for services that they largely do not utilize. This primarily relates to parks and recreation, events, and business/commercial activities. This budget increased many of the charges for services in order to avoid a property tax increase in FY20. The Council is being asked to adopt new fee structures and increases to our charges for services. The parks usage and recreation programs, event permitting, and business licensing had fee structure changes, which will increase revenue. The new alarm system permits and false alarm fees, organic waste dump fees, and code non-compliance fees are recommended fee adoptions or changes.

### Utility Rates

The Town continues to study rates for our water and sewer systems. For the FY20 budget, the last of the 5-year rate increase series was included. Presentation of the studies should occur during the later part October and finalized rate changes will be presented in resolutions to be adopted in late November or early December.

### Expenditures

#### Staffing

In order to take a strategic approach to staffing, we implemented a re-organization plan to address staffing levels across all departments in the organization. We continue to focus on critical need areas to help us maintain service levels, including general government, parks & recreation, and community development. The Budget adds 1.8 FTE in the changing year.

	Recommended		
	Current FY20	Changes FY21	FY21 Total
<b>General Government</b>	2.10	0.80	2.90
<b>Public Safety</b>	6.20	0.00	6.20
<b>Public Services</b>	5.75	0.00	6.75
<b>Public Welfare</b>	2.30	1.00	3.30
<b>Total</b>	<b>16.35</b>	<b>1.80</b>	<b>19.15</b>
<b>Net FTE % Increase From Pervious Year</b>			<b>17%</b>

The positions are the addition of 1 FTE in the Community Development Department and .80 FTE in the Administration. The Community Development position will assist in increasing the Town's responsiveness to Planning & Zoning issues as well as building permit processing. These are areas that the Town currently inadequately staffs. The Administration will bring on administrative clerical assistance 4 days/week to aid in increased workload of the main office.

#### Operating Budgets

Many factors have caused changes in operational budgets. These changes vary by fund. Growth, inflation, capital projects, and strategic priorities have influenced increases in operating costs. This increase is in many areas and throughout most departments.

#### Capital

FY21 has over \$2.3 Million in capital expenditures. A large share of these expenditures is for the pavement replacement project on the Airport. The Town continues to work towards water capacity projects that aid in the Town's water storage and well-field capacity. These infrastructure projects will be outlined in a Preliminary Engineering Report included in the FY21 budget. In addition to these major projects, there is planned road maintenance, equipment replacements and building improvements.

**Total Budget**

The chart below illustrates the total appropriations proposed in the FY21 budget by activity. Most expenditures this year are attributed to the Airport and Public Works efforts.

**The General Fund**

The General Fund is used to account for all financial resources of the Town that are not required to be segregated into a separate fund. The General Fund is the most complex fund; it receives the most numerous sources of revenue and supports the highest number of departments. The table below shows the General Fund breakdown of the budget by department:

### **Reserves**

The FY21 budget has an increase in total fund balances mainly due to a reduction in costs, and a surplus carry over. The General Fund reserve will maintain about 35% of expenditures. In Special Revenue and Enterprise funds, efforts have been made to maintain a reasonable fund balance based on the operating conditions and circumstances of the fund.

### **Conclusion**

In closing, we are thankful to the Council, community members and staff who participated in the many processes that resulted in this budget. Staff spent many hours discussing the strategies which helped guide our priorities for FY21, and we believe that the FY21 Proposed Budget will allow us to continue to operate and advance the Town of Stevensville.

Working together, we have consistently found innovative ways to deliver services and invest in our community in fiscally responsible ways. We are a resilient, enterprising, and creative community. The FY21 Proposed Budget is an achievable plan to provide efficient and effective services and to achieve the Council's vision and priorities for the Town of Stevensville.

Respectfully,

*Brandon E. Dewey*, Mayor

*Robert Underwood*, Finance Officer

# Budget Summary

# Budget Summary

Municipal budgets serve several important functions. In addition to laying out a spending plan for the town, and allocating resources to meet the diverse needs of the community, Stevensville’s budget:

- Is a principal policy and management tool for the town’s administration, reflecting and defining the annual work program; and
- Provides a framework for the town to accomplish its vision and strategic plan; and
- Reflects core town values of integrity, leadership, service, and teamwork.

This Budget Summary provides information about the town, along with information about the budget process, revenues, expenditures, and town programs and services. It is intended to provide an accessible, transparent way of learning about the town budget, while accurately showing how the town invests its resources.

## Background

The Town of Stevensville is located in the north-central area of the Bitterroot Valley and lies within Ravalli County, Montana. Ravalli County encompasses over 2,000 square miles, bordering Idaho to its south and Missoula County to the north. The Town encompasses an area approximately 2 square miles with its next-closest municipality being the City of Hamilton, approximately 21 miles from our outermost boundary. Stevensville is located 29 miles south of Missoula. Named to honor territorial governor Isaac Stevens, the Town was established in 1841 and incorporated in 1899 after Montana was admitted into the United States in 1889.

Stevensville is home to Stevensville Public Schools – the fighting Yellowjackets. The local newspaper is the Bitterroot Star, and the Town is served by the Stevensville Municipal Airport and Missoula International Airport.

The Town has seen large amounts of growth in the last five years going from a population of under 1,800 to over 2,000. The US Census Bureau estimated Stevensville’s population to be 2,025 in 2018. The median age is 35.6 and 17.6% of the population is over age 65. Currently, the median household income is \$34,282 and approximately 16.5% of the population are below the poverty level.

## Budget Process

The Town plans for the long-term needs of our community through a number of efforts and studies. These documents are usually developed by consultants and staff, with numerous public hearings and advisory board meetings prior to their formal adoption by the Council. Once adopted, we work diligently to implement the recommendations and changes outlined in the plans. The starting point is the Growth Policy and then the other master plans that have been developed for each area of concern or study. Along with these documents, the capital improvement plan is used to budget for capital projects.

## Funding Structure

To better understand this budget document a basic understanding of the structure, often-used terms, and fund types is helpful. The Town's operating expenditures are organized into the following hierarchical categories: Activities, Departments, Divisions, and Budget Units.

**Activity:** Activity represents the highest level of summarization used in the Town's financial structure. This level is primarily used for entity-wide financial reporting and for summarization in this budget document.

**Department:** Department is the second level of summarization used in the Town's financial structure. The function classification represents a grouping of related operations and programs aimed at accomplishing a broad goal or providing a major service.

**Division:** Department can be further split into divisions which are usually associated with functioning work groups that have more limited sets of work responsibilities. Their primary purpose is organizational and budgetary accountability.

**Budget Unit:** Divisions may be further subdivided into budget units. A budget unit is used to account for a specific service performed within a division in the pursuit of individual goals and objectives. A budget unit is aimed at accomplishing a specific service or regulatory program for which a government is responsible.

For example, to account for the expenses of operating the Wastewater Treatment Plant the Town uses the following financial structure:

<b>Activity:</b>	<b>Public Works</b>
<b>Department:</b>	<b>Wastewater</b>
<b>Division:</b>	<b>Treatment</b>
<b>Budget Unit:</b>	<b>Operations</b>

**Funds:**

The activities are funded through various means that are accounted for within specific funds. The Town has a comprehensive fund plan for financial accounting in accordance with the provisions of the recommendations of the National Council on Governmental Accounting as outlined in their publication Governmental Accounting, Auditing, and Financial Reporting (GAAFR), which is the standard accounting guide for local governments.

Governmental funds are a group of funds that account for activities associated with the Town's basic operations. This group of funds uses a modified accrual basis of accounting and focuses on operating revenues and expenditures.

*General Fund:* The General Fund is used to account for all financial resources of the Town, except for those required to be accounted for in another fund. The General Fund supports such basic services as the Legislative Branch, Judicial Branch, General Administration, Police, Fire, Finance, Recreation, and Public Works services. The Town's General Fund is financed heavily by property taxes, which provide nearly half of the General Fund revenue.

*Special Revenue Funds:* Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts, or for major capital projects) that are legally restricted to expenditure for specific purposes.

*Debt Service Funds:* Debt Service Funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

*Capital Project Funds:* Capital Project Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds).

**Proprietary Fund Types**

Proprietary funds are a group of funds that account for activities that are often seen in the private sector and are operated in a similar manner as in the private sector. This group of funds uses a full accrual basis of accounting and focuses on net income and capital maintenance.

*Internal Service Funds:* Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments on a cost-reimbursement basis.

*Enterprise Funds:* Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises--where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

### **Fiduciary Fund Types**

Fiduciary funds are trust and agency funds that account for assets held by a governmental unit in a trustee capacity or as an agent for individuals, private organizations, other governmental units, or other funds. These include expendable trust funds, non- expendable trust funds, pension trust funds, and agency funds.

*Trust Funds:* Trust Funds are used to account for assets held by a governmental unit in a trustee capacity. These include (a) expendable trust funds, (b) permanent trust funds, and (c) pension trust funds. Trust Funds are supported by donations and interest income.

### **Budget Policies**

State statute provides the “Local Government Budget Act” in MCA 7-6-4001. This section of the law was adopted by the 2001 Legislature to replace the “Municipal Budget Law” and other various sections of code that related to town finances. See detailed Fiscal Policies in Appendix B. The law limits the amount of expenditures to approved appropriations, requires reporting to the State after final budgets and tax levies are adopted, and provides for a detailed preliminary and final budget adoption within the confines of the State determined property tax assessment time-table. The Budget must be “balanced”, and the Town can use fund balance as a resource to balance the budget. Fund balance should not be used as a long-term approach to balance the budget. Planned uses of fund balances should be limited.

It is also appropriate to use fund balance when fund balances have increased beyond the reserve requirements due to higher than anticipated revenues. In this circumstance, the use of fund balances will be used for one-time expenditures, not ongoing operating costs. In all circumstances, it is important to retain sufficient undesignated fund balance for unforeseen circumstances. The Town’s budget encompasses both the operating budget and the capital improvement budget. Each budget unit includes amounts appropriated for both operating expenses and capital items

### **Basis of Budgeting**

The basis of budgeting and accounting refers to when a transaction or related event is recognized in an agency’s budget, or in the operating statement, both of which follow GAAP principles. All governmental funds (including the general, special revenue, debt service and capital projects funds) use modified accrual as both the basis of budgeting and for accounting/financial reporting. Under the modified accrual system, revenues are recognized in the accounting period in which they become “measurable and available.” “Measurable” means the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to pay liabilities of the current period. Property tax is reported as a receivable and deferred revenue

when the levy is certified and as a revenue when due for collection in the subsequent year. An allowance for estimated uncollectible taxes is included in the estimated tax needed to balance the budget.

The basis of accounting for proprietary funds is full accrual, where revenues are recognized when earned and expenditures when they are incurred. The basis of budgeting for proprietary funds is full accrual with the exceptions of depreciation and amortization. For capital assets and capital purchases, funds are budgeted from a perspective of the actual cash outlay required (cash basis).

## **Financial and Reserve Policies**

The following financial policies are established to provide direction in the fulfilling of duties and responsibilities in the Town of Stevensville. The following is a summary of the policies that have a direct impact on the budget process, a complete listing of Fiscal Policies to be adopted with the budget are in Appendix B.

### ***Long-range Planning***

The Town needs to have the ability to anticipate future challenges in revenue and expense imbalances so that corrective action can be taken before a crisis develops. To provide town officials with pertinent data to make decisions for multi-year policy direction, the Finance Officer prepares revenue and expenditure forecasts. These forecasts will identify changes in revenue and expenditures due to projected new development in the Town, program changes, asset replacement schedules and capital projects coming online.

### ***Capital Planning, and Asset Inventory and Condition Assessment***

The Town annually prepares its Capital Improvement Program to plan capital projects and equipment need for a five-year period. The plan is created on the fund basis and reviews all capital needs greater than \$5,000.

### ***Revenue Policies***

The Town values a diversified mix of revenue sources to mitigate the risk of volatility. The major source of revenue for the General Fund is property tax, which comprised 53% percent of total General Fund revenue in 2020. Since property values are impacted by the economy and housing market, it is important to make every effort to improve the diversity of the Town's revenue sources. Tax dollars should support essential town services that benefit and are available to everyone in the community (such as parks, police and fire protection). For services that largely or solely benefit individuals, the Town should recover full or partial costs of service delivery through user fees.

*Use of One-time and Unpredictable Revenues* - One-time revenues should be used only for one-time expenditures and not for ongoing expenditures. By definition, one-time revenues cannot be relied on in future budget years. Appropriate uses of one-time revenues include early debt retirement, capital expenditures that will reduce operating costs or address deferred capital needs, and special projects that will not incur ongoing operating costs.

### ***Expenditure Policies***

Expenses should always be for Town operations and strategic goals. Department heads and the Finance Department monitor expenditures. All expenditures must comply with Town laws, rules and regulations and have proper support and authorization.

### ***Debt Capacity, issuance and management***

The Town shall evaluate and consider the following factors in analyzing, reviewing and recommending the issuance of obligations before presenting a proposal to the Council and voters as needed:

1. Purpose, feasibility and public benefit of the project
2. Impact on debt ratios generally applied by rating agencies
3. Availability of appropriate revenue stream(s)
4. Aggregate debt burden upon the Town's tax base, including other entities' tax supported debt
5. Analysis of financing and funding alternatives, including available reserves from other Town funds

### ***FY 2021 Budget Summary***

The Town of Stevensville's Fiscal year 2021 budget shows a \$1.6 million increase in revenue of 71% and increase in expenditures of about \$1.5 million (56%). The major factors impacting revenue are charges for services, and the estimated 6% growth in taxable value, The Fiscal Year 2021 budget has \$2.3 million in capital expenditures. The major capital expenditures affecting FY21 budget are large airport projects and water capacity projects that aid in the in the Town's water storage and capacity. Beyond major projects, there is planned road maintenance, vehicle replacements and building improvements.

## FY2021 Revenues

Overall, revenues are estimated at \$4.02 million, this reflects an increase in revenues over the prior year. For the General Fund, taxes make up 52% of the revenue sources followed by intergovernmental revenue.

## FY2021 Appropriations

Expenditures, often called “Appropriations,” are classified under one of six major categories: Personnel & Benefits, Operating Expense, Capital, Debt Service, Transfers, and Other Financing Uses. The graph below shows the relative percentage of the FY20 budget expenditures for all funds.

In general, governmental agencies see their largest percentage of expenditures as personnel. With our growing Town, there is a need for more infrastructure spending. The General Fund personnel expenses are a much higher percentage, at 65%. There are fewer capital items in the General Fund than all the funds as a whole.

## FY2021 Staffing Changes

We strive to maintain service levels with our growing community. We have a strategic approach to staffing this year and have developed staffing plans to address our staffing needs on a citywide level. Going forward, we hope these plans will become more refined and predictable for the organization and community,

# Fund Summaries

# Fund Summaries

The purpose of fund summaries is to capture and detail the financial condition of each Town fund. A fund summary provides information on revenues, expenditures and ending funds available. In addition, it functions as a planning mechanism, as it allows expenditures to be matched to available revenues and/or fund balance. Fund summaries also identify components of funds available and anticipated uses. It is important to note that sources and uses are always balanced because a fund's sources either are expended, become restricted, committed or assigned, or become unrestricted (unreserved or undesignated) funds available.

Town funds can be divided into three categories: governmental funds, proprietary funds and fiduciary funds. By maintaining separate funds, the Town is able to comply with laws that require certain money to be spent for specific purposes.

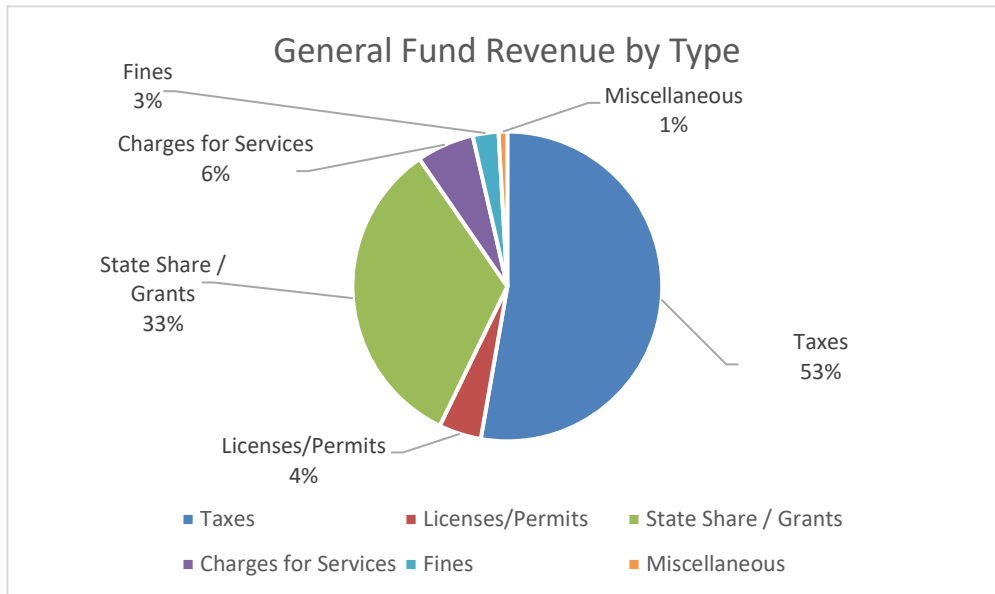

## General Fund

The General Fund is used to account for all financial resources of the Town, except for those required to be accounted for in another fund. The General Fund supports such basic services as the General Administration, Police, Fire, Finance, Recreation, and Library services.

## Revenues

The Town's General Fund is financed heavily by property taxes, which provide over half of the General Fund revenue. Other revenue sources include: licenses and permits, intergovernmental revenue, charges for services, fines and forfeitures, interest on investments, operating transfers, and miscellaneous revenues. We are estimating the General Fund to generate \$788,624 in total revenue, with 53% is from property taxes, 32% from the State Entitlement share and 10% for charges for services. The following chart shows the breakdown of estimated revenues.

## Expenditures

This year's General Fund budget has \$848,662 in expenditures. Personnel expenses are the highest portion at \$546,686 followed by operations of \$289,976. The capital expenditures are \$12,000. The break down by percentage is below:

## Fund Balance

The General Fund balance at the beginning of the budget year is higher than expected due to increases in revenues and an expected carry forward of nearly \$100,000. These are on-time monies and should be and have been allocated as such. Remaining one-time funds are being used for other capital and non-capital items. The FY21 proposed budget, we have estimated to have will have a 35-40% reserve at the end of the fiscal year.
