Guidelines for Public Comment

Public Comment ensures an opportunity for citizens to meaningfully participate in the decisions of its elected officials. It is one of several ways your voice is heard by your local government. During public comment we ask that all participants respect the right of others to make their comment uninterrupted. The council's goal is to receive as much comment as time reasonably allows. All public comment should be directed to the chair (Mayor or designee). Comment made to the audience or individual council members may be ruled out of order. Public comment must remain on topic, and free from abusive language or unsupported allegations.

During any council meeting you have two opportunities to comment:

1. During the public comment period near the beginning of a meeting.
2. Before any decision-making vote of the council on an agenda item.

Comment made outside of these times may not be allowed.

Citizens wishing to speak during any public comment period should come forward to the podium and state their name and address for the record. Comment may be time limited, as determined by the chair, to allow as many people as possible to comment. Comment prior to a decision-making vote must remain on the motion before the council.

Thank you for observing these guidelines.

RECITALS

WHEREAS, the Town is authorized to enter into contracts for legal services under Section 7-5-4301, Montana Code Annotated (“MCA”);

WHEREAS, the Town held a Town Council Meeting on January 8, 2026 and voted to open a Request for Qualifications (“RFQ”) for Town Attorney services;

WHEREAS, the Town posted a RFQ on its website following the January 8, 2026 Town Council Meeting;

WHEREAS, the Town published a notice of RFQ in the Bitterroot Star on January 13, 2026;

WHEREAS, the Mayor recommended for approval this Agreement to the Town Council; and,

WHEREAS, the Town Council approved this Agreement on February 9, 2026;

NOW THEREFORE, the terms of this Agreement are as follows:

RE: Engagement of Lindley Law, LLC – Town of Stevensville, MT Civil Attorney Contract

TERMS

1. **Scope of Work:** This agreement that the scope of Lindley Law, LLC's representation will be assisting the Town of Stevensville (the "Town") with general civil matter, board, and Town department advising; contract drafting, review, and negotiation; resolution and ordinance drafting and/or review; general in-house municipal civil counsel services (department and board advising, contract drafting and negotiation, land use municipal advising, municipal facilities and public works advising, risk assessment and prevention, labor and employment law, and finance issues) and may include civil litigation matters not covered by insurer assigned defense counsel and acting as a liaison with insurer assigned defense counsel. Upon request, Lindley Law, LLC may also assist with advising municipal law enforcement with risk prevention training.
2. **Duration.** This Agreement shall be for 2 years from the effective date, after which the Agreement may be extended automatically unless either of the Parties notify the other in writing of its intent to not renew this Agreement prior to end of the initial 2 year period. If no notice of intent to not renew this Agreement is given, this Agreement shall thereafter extend for 1 additional year, beginning on the day after the last day of the 2 year period.
3. **Responsible Parties.** Christine Lindley will be the attorney responsible for work performed on the Town's behalf, and Lindley Law, LLC's Assistant/Office Manager, Tammy Lindley, will be an additional point of contact related to these services.
4. **Fees.** The fees for Lindley Law, LLC's services will be as follows:
 - Attorney's legal fees for this scope of work for the Town would be at the rate of \$150 per hour, billed in 6-minute intervals. Legal assistant's fees for this scope of work would be at the rate of \$50 per hour, billed in 6-minute intervals.
 - Reimbursement of attorney travel mileage at the rate of \$0.35 per mile (2026 rate) and \$45 per hour travel time (billed in 6-minute intervals). reimbursed) and round-trip at \$22.62 to be reimbursed. Lindley Law, LLC will strive to keep these fees economical for the Town, and this mileage estimate is subject to change upon Lindley Law, LLC's relocation to Ravalli County.

When fees are earned pursuant to this engagement letter/agreement, the fees become the property of Lindley Law, LLC.

5. **Costs Not Included in Fees.** For litigation matters, all filing fees, postage, experts, depositions, reporters, process servers, and/or other court costs will be billed to the Town and are not included in the above-described rates. 7. **Conflicts.** As Lindley Law, LLC only has a preliminary understanding of the Town's scope of work, but not a comprehensive list of all pending cases, transactions, and/or regulatory drafting matters, we are not aware of any current conflicts that would preclude our representation of the Town. As Ravalli County was attorney Christine Lindley's client in the past, there may be some conflicts that could arise, however, we have not identified any conflicts that would initially prohibit this scope of representation. We reserve the right to continuously run conflict checks during the scope of this representation, and reserve the right to notify the Town if we become aware of a conflict that would prohibit our representation on any matter.
8. **Modification.** This Agreement may be modified if the Parties enter into a written and signed modification in compliance with Section 7-5-4308, MCA.
9. **Cooperation.** By accepting the terms of this Agreement, the Town agrees to cooperate and participate in the conduct of Lindley Law, LLC's

representation of the Town and to truthfully and immediately notify Lindley Law, LLC of anything that could affect its work for the Town.

10. Termination. Either the Town or Lindley Law, LLC may terminate this Agreement at any point by giving the other party reasonable notice in writing prior to terminating this Agreement.

11. Severability. Should any provision(s) of this instrument be held to be void or unenforceable for any reason, such fact shall not render invalid the remaining provisions of this instrument.

12. Entire Agreement. This executed Agreement supersedes, negates, and renders void all prior agreements, understandings, and interpretations of this Agreement's terms and constitutes the final Agreement of the Parties.

RE: Cover Letter and Initial Request for Qualifications Information

To Whom it May Concern,

Thank for considering this letter of initial interest in and qualifications for contract counsel for the Town of Stevensville (the “Town”). My current understanding is the Town has a contract prosecutor and the Request for Qualifications (“RFQ”) (attached and incorporated by reference herein) deals exclusively with civil issues. My specialization in law has been primarily in local government, land use, real estate, contract, and general counsel/employment law advising and litigation. Based on this, I believe I am a good candidate for serving in this capacity.

I have been an attorney for nearly two and a half years, having served as Ravalli County’s Deputy Civil Attorney, then in private practice at a larger firm, and now in my own practice at Lindley Law, LLC. I am experienced with the broad range of areas of law that touch on civil local government operations and would love to serve this community. As detailed in my attached résumé, my practice has ranged from local government contracting, land use, finance, elections, infrastructure, and labor and employment law, and I have had substantial experience in litigation including one civil bench trial this last summer. I am familiar with some issues that have faced the Town. However, it has been my experience that one cannot be familiar with all issues and perspectives facing a local government entity until one actually begins working for that entity.

Pursuant to the RFQ, I would like to be considered for the following practice areas:

- General municipal law advisory
- Labor/employment, training and personnel investigations
- Tax (federal, state, local)
- Housing Authority/HUD [I am only somewhat familiar with this practice area, and am willing to become proficient at this area of law through research and/or training.]
- Workers compensation (public entity employer)
- Election procedures and law
- Urban Run-off
- Solid waste/recycling
- Telecommunications (advisory and administrative proceedings)
- Bankruptcy [I am only somewhat familiar with this practice area, and do not claim proficiency to be able to litigate this presently, but am willing to become proficient for general advising/litigation strategy purposes, and am familiar with some individuals who practice this area who I could contact if needed by the Town.)
- Code enforcement

RE: Cover Letter and Initial Request for Qualifications Information

- Disability issues/FEHA/ADA
- Bidding and Procurement
- Montana Public Records
- Special Districts

Litigation Defense, including but not limited to:

- Public entity tort claims
- Labor and employment matters
- Public safety defense
- Construction law/public works/prevaling wage matters [I am somewhat familiar with prevailing wage, but am willing to become proficient in this area as needed by the Town.]
- Writ litigation and appellate procedures

Real Property, including but not limited to:

- Condemnation/eminent domain
- Unlawful detainer/eviction (commercial) [I am familiar with some issues and case-law related to commercial unlawful detainer/eviction, however, most of my involvement with commercial leasing has not ended in an unlawful detainer/eviction actions. I am willing to become more specialized in this area as needed by the Town.]
- Development/redevelopment
- Land use/environmental/hazardous materials/brownfields
- Storm water discharge
- Water Use, including laws, regulations, and local issues
- Real estate transaction/commercial document preparation
- Foreclosure [I am familiar with this area of law, but have not had to initiate a foreclosure previously. I am willing to become proficient in this area as needed by the Town.]

I have worked well with the Town's current prosecutor, Kierra "Kiki" Smethers, in the past and she has agreed to be one of my local government attorney references. I have also contacted Bill Fulbright, Ravalli County Attorney, and Charles "Nicho" Hash, Lewis and Clark County Chief Civil Deputy Attorney, both of whom I have worked with in the past and have agreed to be local government attorney references for me.

I would be the responsible attorney and primary contact for this scope of work, and my office manager/legal assistant, Tammy Lindley, would be an additional contact. My practice is not presently large enough to impede my ability to serve the Town's interests effectively.

The scope of Lindley Law, LLC's services, should this request for qualifications be acceptable to the Town and a signed agreement with substantially similar terms is entered into, would be general civil matter, board, and Town department advising; contract drafting, review, and negotiation; resolution and ordinance drafting and/or review; general in-house municipal civil counsel services (department and board advising, contract drafting and negotiation, land use municipal advising, municipal facilities and public works advising, risk assessment and prevention, labor and employment law, and finance issues) and may include civil litigation matters not covered by insurer assigned defense counsel and acting as a liaison with insurer assigned defense counsel. Upon request, we may also assist with advising municipal law enforcement with risk prevention training, with input from the Town's prosecuting attorney.

RE: Cover Letter and Initial Request for Qualifications Information

My fees for this scope of work for the Town would be \$150 per hour, billed in 6-minute intervals. My legal assistant's fees for this scope of work would be \$50 per hour, billed in 6-minute intervals. This is a significant reduction from my usual fees, and even more of a reduction in my fees compared to when I was at a larger firm, to make this more affordable for the Town.

I also request the Town reimburse my travel mileage at the rate of \$0.35 per mile (2026 rate) and \$45 per hour travel time (billed in 6-minute intervals). My primary office and residence is in Missoula, and one-way for my travel to Town Hall at its shortest distance is 32.3 miles (\$11.31 to be reimbursed) and round-trip at \$22.62 to be reimbursed. I am often in the Bitterroot Valley area and will strive to keep these fees economical for the Town.

I carry my own malpractice insurance and pay for my own continuing legal education requirements. A certificate of insurance is attached with my malpractice coverage limits. If additional malpractice coverage is required for this work, I would request the Town pay for the additional increased coverage under my policy or purchase a separate policy for its purposes.

For litigation matters, all filing fees, postage, experts, depositions, reporters, process servers, and/or other court costs will be billed to the Town and are not included in the above-described rates. For transactional matters, all closing costs, postage, title reports (if needed), and/or recording fees will be billed to the Town and are not in the above-described rates.

As we only have a preliminary understanding of the Town's scope of work, but not a comprehensive list of all pending cases, transactions, and/or regulatory drafting matters, we are not aware of any current conflicts that would preclude my representation of the Town. As Ravalli County was my client in the past, there may be some conflicts that could arise, however, I have not identified any conflicts that would initially prohibit this scope of representation. We reserve the right to continuously run conflict checks during the scope of this representation, and reserve the right to notify the Town if we become aware of a conflict that would prohibit my representation on any matter.

If the above properly sets forth terms acceptable to the Town, please notify me in writing so I can provide a draft agreement with substantially similar terms for your review. Please feel free to contact me if you have any further questions regarding this. Thank you for your time and consideration.

Sincerely,

/s/ Christine Lindley
