14. Board Reports
15. Adjournment

Welcome to Stevensville Town Council Chambers

We consider it a privilege to present, and listen to, diverse views.

It is essential that we treat each other with respect.

We expect that participants will:

- ✓ Engage in active listening
- ✓ Make concise statements
- ✓ Observe any applicable time limit

We further expect that participants will refrain from disrespectful displays:

- ✗ Profanity
- ✗ Personal Attacks
- ✗ Signs
- ✗ Heckling and applause

Guidelines for Public Comment

Public Comment ensures an opportunity for citizens to meaningfully participate in the decisions of its elected officials. It is one of several ways your voice is heard by your local government. During public comment we ask that all participants respect the right of others to make their comment uninterrupted. The council's goal is to receive as much comment as time reasonably allows. All public comment should be directed to the chair (Mayor or designee). Comment made to the audience or individual council members may be ruled out of order. Public comment must remain on topic, and free from abusive language or unsupported allegations.

During any council meeting you have two opportunities to comment:

1. During the public comment period near the beginning of a meeting.
2. Before any decision-making vote of the council on an agenda item.

Comment made outside of these times may not be allowed.

Citizens wishing to speak during any public comment period should come forward to the podium and state their name and address for the record. Comment may be time limited, as determined by the chair, to allow as many people as possible to comment. Comment prior to a decision-making vote must remain on the motion before the council.

Thank you for observing these guidelines.

**Stevensville Board of Adjustment Meeting/Public Hearing
Minutes for
THURSDAY, FEBRUARY 06, 2020
7:00 PM**

1. Call to Order and Roll Call

Roll Call: Mr. Michalson, Mr. Vick, Mr. Dewey, Ms. Devlin & Ms. Holcomb. Staff and members of the community were also present.

2. Discussion on the Following Items

Agency Exemption of Stevensville Municipal Code Chapter 10 § 10-166 – Landscaping; for Stevensville School District

The Town of Stevensville Landscape Ordinance Requirements, sections A, B and C were explained. The total landscaping required includes 18 trees and 17 shrubs. The School District's proposed landscaping includes 6 trees and 187 shrubs.

Jessica Holdren and Ryan Sallsbury from WGM presented the school district's proposed landscaping plan.

The exemption includes shrubs in the parking lot islands and the front facade, in place of the trees. The justification includes the parking lot landscape reduces visibility for law enforcement patrol ability. Parking areas are located away from Park Ave., reducing the need for screening. Therefore, the school is providing foundation planting beds to highlight entrances and visual appeal, low-water use and native species, flowering shrubs and perennials and shade trees in open grassy areas. Native plants were described as the proposed plants and shrubs.

Mr. Michalson clarified that 50 percent of the required landscaping shall consist of trees, and the school is requesting the exempt from that portion of the landscape requirement.

Mr. Dewey asked about the financial burden portion of the request, as far as the cost difference toward the school district for the number of trees purchased for the landscaping. Jessica from WGM, explained that while trees are fairly expensive, the cost difference is not substantial.

Currently, the parking lot is proposed to be a combination of asphalt and gravel. Mr. Dewey called for Public Comment, and none at this time.

3. Adjournment

Meeting adjourned at approximately 7:15 p.m.

APPROVE:

ATTEST:

Brandon E. Dewey, Mayor

Monica Hoffman, Town Clerk

Stevensville Town Council Meeting
Minutes for
THURSDAY, FEBRUARY 13, 2020
7:00 PM

1. Call to Order and Roll Call

Roll Call: Mayor Dewey, Councilmembers Holcomb, Devlin, Vick and Michalson were present. Staff and members of the public were also present.

2. Pledge of Allegiance

3. Approval of Minutes

- a. January 23, 2020 Public Hearing
- b. January 23, 2020 Town Council Meeting
- c. January 30, 2020 Committee of the Whole Meeting

Councilmember Michalson made a motion to approve minutes from January 23, 2020 Public Hearing, January 23, 2020 Council Meeting and January 30, 2020 Committee of the Whole Meeting. The motion was seconded by Councilmember Vick.

Discussion on the three sets of minutes. Will look into the motion clarification for the January 23, 2020 Council Meeting pertaining to changes on the Utility Billing Policies & Procedures.

Under January 23, 2020 Council Meeting minutes, Councilmember Michalson would like it added, under New Business: b. Council Meeting Attendance by City Attorney, he would like it added that Councilmember Holcomb, Vick and himself did not feel it was necessary for the attorney to be at every meeting.

Mayor Dewey called for Public Comment, then the vote; 4-0 motion passes to approve the set of minutes, with those described changes.

4. Approval of Bi-Weekly Claims

- a. Claims #15681-15782

Councilmember Holcomb made the motion to approve the Bi-Weekly Claims #15681-15782. The motion was then seconded by Councilmember Devlin.

Councilmember Holcomb asked about #15741, it was clarified that the charge was for code books for the building department. #15760, it was clarified that those are stand-up desks which does not exceed the \$5,000 purchasing policy and were included in the budget in office supplies, segregated by department, depending on which department that employee works in. #15772, clarified that was a pump for the waste water treatment plant.

Councilmember Michalson, would like to revisit/revise the purchasing policy with a future COW meeting; The current policy states that 2 written quotes are required.

Mayor Dewey explained, per department are a line item in the budget, which is approved by Council for the expenditure level, not necessarily at the object level, which falls under the executive branch. The claims process is not necessarily seeking approval, it is the council's time to clarify the claims' accuracy and authorize a check to be made. Purchases are made through the Purchasing Policy, and in this case, research and quotes were made prior to purchases.

Councilmember Holcomb would like to review contracts, as we should not be under contract with Snow Mtn. Electric for more than 5 years; it was clarified that we are not in a contract with Snow Mtn. Electric, as each project is different.

Councilmember Michalson would like to see the use of the attorney as a future agenda item.

Councilmember Holcomb stated that she has not seen any payment as far as paying the Town for fireworks. Mayor Dewey stated that is not something you would see in the claims, as far as a reimbursement, which is money coming in, not money going out as a claim.

Councilmember Michalson asked about the phone bill.

Mayor Dewey called for the vote; 4-0 motion passes.

5. Administrative Reports

a. Airport Manager's Report

Airport manager, Katie presented her report.

b. Court Report

Included in the packet, the court's yearly report.

c. Building Department Report

d. Finance Report

Finance Officer's report is in the packet.

e. Fire Department Report

Fire Chief Motley presented the monthly report for the fire department.

f. Police Department Report

Included in the packet, the police department's monthly report.

g. Public Works Report

Public works supervisor, George presented his report.

6. Guests

7. Correspondence

8. Public Comments

9. Unfinished Business

a. Discussion/Decision: Resolution 387C, A Resolution Amending the Town Council Rules

Councilmember Michalson made a motion to approve Resolution 387C, A Resolution Amending the Town Council Rules. The motion was seconded by Councilmember Vick. The wording for the "30 days instead of a timely manner" wording will be changed. Mayor Dewey explained the "Consent Agenda" intent. It was clarified that the signature of two councilmembers over rules the 30-day attorney review. Mayor Dewey explained including Public Hearing into the meeting's Agenda rather than standing alone in its own scheduled Public Hearing meeting. The simplification of Rosenberg's Rules over the complexity of Robert's Rules was explained. It was consensus among councilmembers to keep Robert's Rules of Order in place.

Councilmember Michalson rescinded his prior motion.

Councilmember Vick made a motion to adopt Resolution 387d the council rules as written, with the exception of keeping Robert's Rules of Order language until a further meeting. The motion was seconded by Councilmember Michalson.

Mayor Dewey called for Public Comment.

Stacie Barker, 104 Winslett.

Concerned about the public's opportunity to comment on items when bundled together in the consent agenda.

Chief Motley.

Concerned about public interaction during public comment.

Councilmember Vick amended his motion to remove the consent agenda, the second on the amendment was from Councilmember Devlin. Mayor Dewey called for the vote on the amendment, 4-0, the amendment on the motion passes.

The motion on the floor stands to adopt Resolution 387d, with Robert's Rules of Order. Mayor Dewey called for the vote; Motion passes 4-0.

b. Discussion/Decision: Resolution 457a, amending Utility Billing Policies & Procedures Changes to the Utility Billing Policies & Procedures during the last meeting, conflict with the ordinance. The billing cycle still includes 30days.

Councilmember Michalson made the motion to approve Resolution 457a, amending Utility Billing Policies & Procedures. The motion was seconded by Councilmember Vick. It was decided that the billing policy is what needs to be changed in the billing policies, stipulating the 15-day grace-period. Mayor Dewey read: "Water/Sewer bills will be due 5 days after the billing date, after 30 days unpaid water/sewer bills become delinquent and a 5% fee may be added to all water and sewer bills considered in the delinquent status.

Mayor Dewey entertained the motion to amend the original motion, stating that the water/sewer bills to be due 15 following after the billing date. Mr. Michalson agreed to amend his original motion, while Ms. Devlin seconded that amendment.

Public Comment was called.

Chief Motley, Concerned about cash flow in the office.

Mayor Dewey then called for the vote; motion passes 4-0.

c. Discussion/Decision: Scheduled Town Hall closures on the 5th Friday of the month for staff & Council training

At the Town Council meeting on January 9th, Council approved the closure of Town Hall on the 5th Friday of the months that have more than 4 Fridays for the purposes of holding period training for staff and the council. The administration has received positive feedback from those whom attended the work sessions and the Mayor is proposing that Council adopts the concept permanently, which will allow future administrative training days to be held on the 5th Fridays (4/yearly).

Councilmembers described their experiences from the afternoon sessions.

The impact of closure was discussed, as well as the importance of all staff being able to attend the trainings, rather than excluding one employee out of the trainings. A half-day of training was also discussed.

Chief Motley spoke about his positive experience/benefit for the town, participating in the training the entire day.

Councilmember Vick made the motion to authorize the closure of Town Hall on the 5th Friday of those months having more than 4 Fridays, described as being quarterly, as an administrative day for Council and staff. The motion was then seconded by Councilmember Devlin.

Mayor Dewey called for public comment.

Stacie Barker, 104 Winslett.

Expressed disagreement with the closure of Town Hall when it is not a government holiday, as well as paying staff for trainings when not everyone, including Council members cannot always take time off to attend.

Chief Motley, the ability for organizations to provide trainings and development for the good of an organization only makes the organization better, to provide better service back out to the community is a benefit from only 4 days out of the year.

Mayor Dewey called for the vote, starting with Councilmember Holcomb "No," Michalson "No," Vick "Aye," Devlin "Aye." Mayor Dewey expressed his support in the program and broke the tie with a "Aye;" Motion passes 3-2.

10. New Business

a. Discussion/Decision: Resolution No. 468, Declaring Intent to Annex a Tract of Land Located in Section 35, Township 9 North, Range 20 West, 26.06 Acres, CS #691110-R Tract 1-B

Mayor Dewey explained this is the 26.06 acres in which the Town refused to exercise its first right of refusal. The Town Planning and Zoning Board has reviewed the Petition submitted and recommends that the Town Council proceed with the annexation. Approving the resolution

tonight will allow the administration to proceed with the public hearings, with the intent to annex the parcel of land legally owned by Jesse Reeves as described in Exhibit 1.

Councilmember Michalson made the motion to approve Resolution No. 468, Declaring Intent to Annex a Tract of Land Located in Section 35, Township 9 North, Range 20 West, 26.06 Acres, CS#691110-R Tract 1-B. The motion was then seconded by Councilmember Vick.

Councilmember Michalson, after a conversation with the attorney, the Town should add language, that the Town has access to those existing ponds and for future wells, in the form of a contract.

Mayor Dewey called for public comment, then the vote. The motion passes, 4-0.

b. Discussion/Decision: Resolution No. 469, Adopting a Master Schedule for Charges & Fees
Stevensville Municipal Code provides that usage rates, service charges, and license and permit fees be appropriately set by resolution of the Town Council. The master fees schedule was displayed. Council discussed the fee changes for the FY2020, including future details which will need to be worked out per department.

Stacie Barker, 104 Winslett.

Verified the electricity fee for the farmer's market event, for the entire span of the event; This includes the event fee plus the electricity fee for the entire year.

Councilmember Devlin made the motion to adopt Resolution No. 469, Adopting a Master Schedule for Charges & Fees. The motion was then seconded by Councilmember Vick.

Discussion continued on the Business License fees, as well as the fees going in to the General Fund. Councilmember Vick believes the businesses should benefit from the fee increases, and this can be done with the Economic Development fund.

Discussion continued with the player fees, increasing from \$2.50/player to \$3.00/player.

Mayor Dewey entertained the motion to amend the original motion, to retain the "per player fee" of \$2.50; Agrees to entertain the motion by Councilmember Holcomb. The motion was then seconded by Councilmember Michalson.

Carolyn Mickens, 211 Buck St. Disagrees with the fee, per player increase.

Vicki Motley, 318 9th St. Disagrees with the Town being in the porta-a-potty business, Alarm System Permit fees & False Alarm fees.

When an ordinance comes forward, the fees will be discussed; Tonight's meeting is to adopt the fee schedule.

Jeff Motley, Not in favor for False Alarm fees.

Councilmember Vick verified that the fee is for an automated system, which continually goes off.

With that and no more public comment, Mayor Dewey called for the vote and the motion passes, 4-0.

11. Executive Report

Mayor Dewey gave his Executive Report.

12. Town Council Comments

Councilmember Vick commended the law enforcement on handling the situation in Missoula yesterday, with no one getting hurt and keeping everyone in that area safe.

13. Board Report

Councilmember Michalson spoke about the Planning and Zoning Board meeting and Councilmember Vick spoke about the Airport Board meeting.

14. Adjournment

Meeting adjourned at approximately 9:06 p.m.

Re: Sewer Line Issues - 108 Main Street, Stevensville
Our File No.: 8764-004

Dear Town Council and Mayor Dewey:

Our firm represents Duane Bell (“Duane”), a resident of Stevensville and the owner of the Mini Market & Laundry Center, Inc., located at 108 Main Street in Stevensville. This letter is to refresh your knowledge of the consistently problematic sewer line that runs from Duane’s business, and to request the Town of Stevensville immediately fix the sewer line for his property; reimburse Duane for his efforts to maintain the Town’s sewer line, and; to mitigate potential damages caused by the sewer line’s illegal and faulty construction.

Background:

Since the time Duane took ownership of the property 36 years ago, the sewer line has been nearly a predictable aggravation to Duane – a fact, as you know, that he has regularly made known to the Town. For the entire duration of his ownership of the Mini Market, the sewer line that runs from the business is constantly sluggish, clogs and sludge backs up the line with a six to eight week frequency.

The problem initially came to Duane’s attention shortly after he purchased the property. Early on in his ownership of the property, when the sewer line became clogged, Duane purchased a snake, a sewer blowout balloon along with gallons of drano and hundreds of gallons of hot water to remedy the situation. Not long after the problem reoccurred, and despite his continued and conscientious maintenance of his sewer line, the problems continued - problems he constantly informed the Town of long ago, and was either ignored by, and/or deceived, by the Town about the cause of the problems.

After having owned the property for a few years, and continually dealing with this issue, Duane suspected that his sewer line was shared with the building on a neighboring property. Duane’s own business is a Mini Market and Laundromat, and the waste water that flowed from his business from dirty laundry water and general waste water likely wasn’t the cause of the frequent and heavy clogging in the sewer line. However, the neighboring property has a building that has been the site

of different restaurants over the time period of Duane's ownership of the Mini Market. These restaurants, who were heavy users of grease as part of their food production, would cause sewer blockages. Duane reasonably concluded that the constant issues with the sewer line were probably caused by the very likely fact that his sewer line is shared with the neighboring restaurant building. Again, facts and problems he continually reached out to the Town for help on and was told his sewer lien wasn't shared.

Further, Duane noted that when the neighboring restaurant building was closed for two years, he experienced no problems with the sewer and drains. Not only does this indicate that the restaurant building caused the clogging, it shows that the sewer line is over-loaded by the two businesses sending their waste water down the same line. Again, facts and problems he continually reached out to the Town for help on and was told his sewer line wasn't shared.

Duane has had telephone and written communications with the Ravalli County Environmental Health Department, Stevensville City Council, and conversations with Mayor Brandon Dewey, and explained his problem and his conclusion. The response he received was that no one had any knowledge of the sewer lines from the two buildings being connected. There was no offer to research his matter, or any credence given to his logical conclusions.

Approximately two years ago while cleaning out the drain with a sewer blowout balloon, the balloon broke off due to fatigue from so many uses and flushed approximately 20 feet down the drain. Twenty feet of drain line had to be removed to retrieve the balloon. Again due to frustration of having to tear out 20 feet of drain with major expenses, Duane called and questioned George Thomas about the Long Riders Bar-B-Que drain connecting to the Mini Market. His response was again "it does not connect to your line, it goes directly to the City main according to the City sewer diagram".

Frustrated, and determined to resolve the matter, in late May/early June of 2018, Duane met with Mayor Brandon Dewey about the plugged sewer lines and grease spillage from the neighboring restaurant and was promised a prompt response. However, with more than 5 weeks passing with no response, on July 9, 2018, Duane sent a letter to Ravalli County Environmental Health, providing a copy to the Town Council requesting the sewer issues be resolved. A copy of that letter is enclosed for your information. Again, facts and problems he continually reached out to the Town for help on and was essentially ignored.

In fact, George Thomas, Superintendent of Stevensville Water Works came to the Mini Market after seeing the letter and informed Duane **again** that the Long Riders Bar-b-Que had its own sewer line connecting to the main sewer line and said if he thought otherwise to prove it.

Seeing that the Town was of no help, in July 2019, Duane hired Browns Septic Services, Inc., from Florence, Montana to camera the sewer line, which cost Duane \$500. On July 13, 2019 Duane scoped the lines and discovered the lines are in fact connected. With permission of the owner of Long Riders Bar-b-Que, toilet paper was flushed down their toilet and witnessed by three people running the camera from Browns Septic entering the Mini Market drain at least 6 different times. The operator of the camera from Browns Septic said that if needed for legal reasons, they would

confirm and testify on what they witnessed. On July 17, 2019, Duane called Mayor Brandon Dewey and was immediately advised by the Mayor that the phone call was being put on speaker phone and that Superintendent of Stevensville Water Works, George Thomas, was sitting next to him and that they were looking at the main sewer diagrams. To Duane's shock, on that phone call they both confirmed that Long Riders Bar-B-Que sewer line connects to his line and **NOT** to the City main. Duane was also told at that time it was not the City's problem, but was between he and Eric Hayes, the owner of the Long Riders Bar-B-Que property. Rather than arguing with the Mayor even though he did not agree, he told the Mayor that he had been lied to for over 30 years, and would in deed talk to Eric Hayes, which he did. Duane never received any explanation for the Town's misrepresentations and misconduct for all those years.

On July 19, 2019 Duane talked to Eric Hayes regarding the issues with the Long Riders Bar-B-Que property. He assured Duane it would be torn down by fall. It is now seven months later, and the building is still standing and in use. It is Duane's understanding that the current Long Riders Bar-B-Que building was supposed to be removed to provide additional parking for the adjacent Blacksmith Brewing Company. Both businesses are owned by the same party. The Brewery is not in compliance with the requirements for parking that were part of the approvals for the Brewery's expansion. If the Brewery acts according to the requirements of the expansion, and removes the restaurant building, Duane's problem may be solved, in that he will no longer share a sewer line with the restaurant building. Again, however this has not occurred, and Duane still has to deal with the same sewer annoyance that he began with over thirty-five years ago.

A picture of the properties is as follows:

Duane has dealt with a terrible situation with his sewer line far longer than is reasonable to ask of any business. He has respectfully requested assistance from the Town of Stevensville. When assistance was withheld, he worked to understand and solve the problem. Now, the Town is fully aware of the sewer line issue, and it is time for the Town to uphold its legal obligations to Duane, one of Stevensville's long-time business owners. The treatment Duane has received from the Town regarding the problems have, both literally and figuratively, been disgusting.

Requested Action.

Duane is asking that the City water be shut off immediately to the Long Riders Bar-B-Que, that they take up and install their own sewer line on their property and connect to the main City sewer line pursuant to Montana law. Eric Hayes has had seven months to install the new sewer line or tear it down as he has told Duane - he has done neither.

Also, Duane requests he be compensated for his efforts in maintaining the faulty sewer line in the amount of Six Thousand Dollars (\$6,000.00). He requests payment for his labor in clearing the sewer line each time, for the very reasonable amount of \$30.00 an incident. On the low end, he calculates that he had to unclog the sewer line at least 200 times over the last 36 years. Compared to the hourly fee a plumbing contractor would charge, possibly up to a \$100 dollars an hour, Duane's request of \$30.00 an incident is very conservative estimate of compensation for Duane's services. And also compensation for the fee Browns Septic Service, Inc charged Duane to camera the sewer line in the amount of \$500.

This expense could have been easily avoided if the Town had researched the sewer line upon his request, and confirmed to him that yes, the Town's plans show that the sewer lines are connected.

Thus, the total reimbursement is \$6,500.00 plus attorney's fees.

If you fail to remedy this situation by February 20, 2020, our office will advise Duane of his legal rights and remedies, including, but not limited to, filing suit for damages with the Court, seeking a Writ of Mandamus directing the Town of Stevensville to uphold its responsibilities and City Ordinances by updating the sewer lines so that the Mini Market and Long Riders Bar-B-Que are serviced separately, or, requiring the restaurant building be torn down, and to compensate Duane for his labor and expenses in maintaining the sewer line. Further, we may also advise Duane that he may petition for a Writ of Prohibition, wherein the Court prohibits Long Riders Bar-B-Que's business license, business operations and use of the sewer line, since the business is not compliant with the expansion agreement for Blacksmith Brewing Company. Be advised that a successful petition brings the petitioner the abilities to seek out further damages from the Town of Stevensville, and compensation for court and legal fees. If you again ignore Duane's situation, we will advise Duane to pursue all the above described legal remedies and related damages.

Further, Article II, Section 18 of the Montana Constitution ("State subject to suit") says "[t]he state, counties, cities, towns, and all other, local governmental entities shall have no immunity from suit for injury to a person or property, except as may be specifically provided by law by a two-thirds vote of each house of the legislature." And individual governmental officials can be held personally liable for acts that violate and impede a person's use of property without due process.

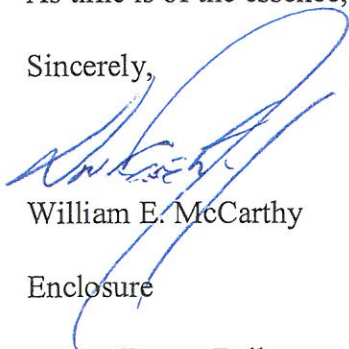

It is also worth noting that the Town's purposeful and grossly negligent conduct on concealing these issues from Duane have tolled and paused the statute of limitations of Duane's claims, and adds to arguments of potential personal liability of the officials.

The above notwithstanding, we do believe that Duane and the Town of Stevensville's sewer line issue can be solved by the Town moving forward by removing the illegal sewer line of Long Riders Bar-B-Que, installing its own legal line connecting to the Stevensville main sewer line, and compensating Duane for all his labor, costs and efforts for taking action that were responsibilities of the Town of Stevensville.

Please feel free to call me at (406) 721-3400, or email me at wmccarthy@wordenthane.com with any questions going forward. If you have legal counsel, please forward this letter onto them and have them contact me immediately, and I will be happy to discuss this matter with them.

As time is of the essence, I look forward to your immediate response.

Sincerely,

William E. McCarthy

Enclosure

July 9, 2018

Jenni Frase, R.S.
Ravalli County Environmental Health
215 South 4th Street, Ste D
Hamilton, MT 59840

Attention Jenni Frase:

As per our phone conversation and your direction for me to fill out an official complaint due to the fact that I had met with the Mayor, Brandon Dewey, and talked about both of the issues approximately 5 weeks ago. He said he would get back with me in a few days to go over the issue. I have yet to hear from him by phone or in person. This is why I was forced to call you due to the nature of the 2 complaints.

See attached Letter.

Issue #1:

The grease from the hood of the Long Riders BBQ is dripping oil onto the roof and is running off the roof onto my parking area and alleyway. Cars are driving through it as well as people walking through it, tracking it everywhere. It is attracting flies and bees and is a health issue. It has started to run to the middle of the alley and then west to the city sidewalk. The hood must be cleaned and my alley power washed.

WORDEN THANE P.C.

JAN 23 2020

Issue #2:

There is a possibility that the sewer line of the Long Riders BBQ connects into my sewer line at the Mini Market & Laundry Center underneath my new addition. 32 years ago the sewer line at the main plugged up and was dug up by the city. There was concern by 4 different gentlemen, Bruce Parks – town superintendent, Si Gonzales - owner of the store, George Chilcott, and another gentleman, who all agreed that there was a possibility that their sewer line comes over and connects to mine before going to the main.

Also, through my observation, during the stretch that the building next door was closed for two years, there were no problems with the sewer and drains. A perfect example of the situation is what happened with the drains at the Plum Loco and Viva Oaxaca restaurant in Stevensville. There is a simple solution that will take less than 10 minutes and cost nothing. Simply run a snake out of the drain clean out at the Long Riders BBQ. Then have a locator come follow the snake. It will either go directly east or northeast to the Mini Market which is totally illegal. At that point we will know who is right and address the situation as needed if any.

Respectfully,

Duane Bell

Agenda Item: 11a, New Business

Discussion/Decision: Annual Review of Position Descriptions requested by Councilmember Michalson

Other Council Meetings

Exhibits

a. Organizational Chart & Position Descriptions

This agenda item provides Council with the ability to review the position descriptions for all positions within the organization.

Background:

In January, Councilmember Michalson requested an annual review of position descriptions within the organization. To aid the Council in their review, the attached organizational chart was developed and linked to each of the position descriptions for the Town.

In compiling the packet, it appears that most position descriptions were reviewed and re-approved by the Town Council no later than August of 2018. However, there are some vacant positions on the organizational chart with their respective position descriptions that have not yet been approved, nor have they been authorized through the budgeting process. They are included in this packet as placeholders for future needs and will be more thoroughly discussed in the FY2021 Budget.

Board/Commission Recommendation: Applicable - Not Applicable

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities or limitations to perform the essential functions. Work is performed primarily in office, vehicle and outdoor settings, in all weather conditions, including temperature extremes, during day and night shifts. Work is often performed in emergency and stressful situations. Individual is exposed to hearing alarms and loud noise, hazards associated with fighting fires and rendering emergency medical assistance, including smoke, noxious odors, fumes, chemicals, liquid chemical, solvents and oils.

The employee works near moving mechanical parts and in high, precarious places and is occasionally exposed to wet and/or humid conditions, fumes, or airborne particles, toxic or caustic chemicals, risk of electrical shock, and vibration.

SELECTION GUIDELINES

Formal application; review of education and experience; appropriate testing and interviews; oral interview; background check; physical agility; final selection and pre-employment medical examination.

NOTE: Appointees will be subject to completion of a standard probationary period as outlined in the Town of Stevensville Personnel Policy.

The examples of duties are intended only as illustrations of the various types of work performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

The job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

TOWN OF STEVENSVILLE
FIRE DEPARTMENT POSITION DESCRIPTION

Class Title: Assistant Fire Chief
Department: Fire
Date: 6/9/2016

GENERAL PURPOSE

Performs a variety of technical, administrative, and supervisory work in assisting the planning, organizing, directing and implementing fire prevention, suppression and emergency medical services to prevent or minimize the loss of life and property by fire and emergency medical conditions. Performs fire, rescue and emergency medical services.

SUPERVISION RECEIVED

Works under the general guidance and direction of the Fire Chief.

SUPERVISION EXERCISED

Supervises all officers and firefighter/EMT positions, either directly or through other officers.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Shall act as Fire Chief during absence of Fire Chief, as assigned.

Supervises officers in their assigned duties.

Reviews, evaluates, develops and implements programs, policies and procedures for various departmental operations including training and fire prevention.

Directs and participates in major departmental programs.

Carries out duties in conformance with Federal, State, County and City laws and ordinances.

Assists in the planning and implementation of Fire and EMS programs for the Department in order to better carry out the policies and goals of the Department.

Assists Fire Chief in direction of departmental in-service training activities.

Maintains departmental discipline and the conduct and general behavior of personnel.
Prepares and submits periodic reports to the Fire Chief regarding the Department's activities.

Assigns personnel and equipment to such duties and uses as the service requires.

Demonstrates superior seamless customer service, integrity, and commitment to innovation, efficiency, and fiscal responsibility as it relates to the Departments budget and operations.

Attends monthly officer meetings and trainings.

Completes necessary incident reports when required, following direction of the Department SOP.

Annually participates in a performance evaluation conducted by the Department's designee.

PERIPHERAL DUTIES

Maintains involvement in development of the Department's budget and keeps up to date with periodic budget reports.

Meets with elected or appointed officials, other Fire/EMS officials, community and business representatives and the public on all aspects of the Department's activities.

Attends conferences and meetings to keep abreast of current trends in the field; represents the Fire Department in a variety of local, county, state and other meetings.

Serves as a member of various Department committees.

Efficiently and effectively fills open positions through recruiting initiatives.

DESIRED MINIMUM QUALIFICATIONS

Education and Experience:

- (A) Graduation from high school or GED equivalent.
- (B) Five (5) years prior work experience as a firefighter, including 2 years of supervisory duties which must have been equivalent to Lieutenant or higher.
- (C) Completion of FFI or equivalent
- (D) Completion of FFI as a Crew Leader or equivalent.
- (E) Completion of FFI as a Coach or equivalent.
- (F) 40 Hours of Instructional Training from the previous calendar year.

(G) Current CPR for Healthcare Providers Certification & Basic First Aid Certification.

TOWN OF STEVENSVILLE

PUBLIC WORKS POSITION DESCRIPTION

Title Class: Public Works Supervisor

Department: Public Works

Date:8/27/2018

GENERAL PURPOSE

Performs complex supervisory, administrative and professional work in planning, organizing, directing, and supervising the Public Works Department, including, environment, street, parks, cemetery, traffic control, and other public works projects and programs.

Supervision Received

Works under the broad policy guidance and direction of the Mayor

Supervision Exercised

Exercises supervision over maintenance and professional staff as assigned

Essential Duties and Responsibilities

These job functions are the essential duties of the position and are not all-inclusive of all the duties the incumbent may be assigned.

This position will assume full management responsibility for all Public Works Department services, programs, operations and activities including engineering, streets and traffic, parks, cemetery, and fleet services.

The incumbent will manage the development and implementation of Public Works Department goals, objectives, policies, and priorities for each assigned service area; establish, within Town policy, appropriate service and staffing levels; and allocate resources accordingly.

The Public Works Director will continuously monitor and evaluate the efficiency and effectiveness of service delivery methods and procedures; assess and monitor work load, administrative and support systems, and internal reporting relationships; identify opportunities for improvement, and direct the implementation of changes.

This position will be responsible to ensure that Public Works Department personnel are selected, trained, motivated, and evaluated. The position will also provide or coordinate staff training, coach employees to correct deficiencies, implement discipline and termination procedures, and develop staff development programs.

The incumbent will plan, direct, and coordinate, through subordinate level managers, the Department's work plan; meet with management staff to identify and resolve problems; assign projects and programmatic areas of responsibility, and review and evaluate work methods and procedures.

The Public Works Supervisor will represent the Public Works Department to other Town departments, elected officials, and outside agencies; explain and interpret Public Works Department programs, policies, and activities; negotiate and resolve sensitive, significant, and controversial issues.

The incumbent will coordinate Department activities with those of other Town departments and outside agencies and organizations; provide staff assistance to the Mayor and Town Council; and prepare and present staff reports and other necessary correspondence. The position will participate on a variety of boards and commissions; attend and participate in professional group meetings; and stay abreast of new trends and innovations affecting the work of the Department.

The position will be responsible to respond to and resolve difficult and sensitive inquiries and complaints.

This position will manage and participate in the development and administration of the Public Works Department budget; direct the forecast of additional funds needed for staffing, equipment, materials, and supplies; direct the monitoring and approve expenditures; direct the preparation of and implement budgetary adjustments as necessary.

The Public Works Supervisor is responsible to abide by the Town of Stevensville and department work practices established for specific job assignment and occupations. Furthermore, the position is required to ensure that all employees within the department are following all Town safety standards and protocol.

DESIRED MINIMUM QUALIFICATIONS

Education and Experience

- (A) Three years of progressively responsible public works services or related experience including two years of management and supervisory experience.
- (B) High school graduation or GED required; college degree preferred but not required.

License or Certificate

- (A) Must possess a valid driver's license with acceptable driving record at the time of hire or have the ability to obtain a valid MT driver's license within six months of hire.
- (B) Must possess a CDL endorsement.

Necessary Knowledge, Skills, and Abilities

- (A) Organization and management practice skills as applied to the analysis and evaluation of public works programs, policies, and operational needs
- (B) Program development and administration abilities
- (C) Knowledge principles and techniques used in emergency disaster situations
- (D) Knowledge of advanced principles of municipal engineering services
- (E) Knowledge of current and future trends affecting public works
- (F) Principles of supervision, management, motivation and leadership
- (G) Knowledge of pertinent Federal, State, and local laws, codes, and regulations
- (H) Strategic planning skills
- (I) Strong oral and written communication skills
- (J) Ability to lead and maintain a positive and harmonious work environment
- (K) Abilities in complex decision making
- (L) Ability to foster innovation and change
- (M) Skills in conflict management
- (N) Skills in finance and budgeting related to field and government needs

PHYSICAL DEMANDS

Ability to work in a standard office environment using completer equipment, with ability to travel to different sites and locations. May at times be exposed to outdoor environment including hot and cold temperatures, dirty, dusty, smelly environments, some mechanical or electrical hazards, confined spaces and possible exposure to chemicals.
