Honorable Mayor Brandon Dewey
Council Member Robin Holcomb

It is my understanding that the Town of Stevensville is seeking qualified candidates for vacancies on the Town Council. I am a resident of Ward 2 and have followed the on-going turmoil within our Town government for many years and, therefore, I am very aware of the issues that the Town is currently facing. It would be an honor to serve as a Council member for my community, representing our citizens not only in Ward 2, but all of Stevensville. I believe I possess the necessary skills, abilities, education and training that will be beneficial in moving the Town forward.

I will listen, research, seek citizen input and ask questions prior to making decisions. I am not affiliated with one side or another and have no personal or hidden agendas. It is my sincere hope that I can help bridge the divide and restore the town's sense of pride and trust in government.

I am not new to community service; I have always stepped up to do what is right, not for myself, but for others. I believe in community and country first. In 2002, I proudly joined the United States Navy, serving my country through 2007. The skills and discipline I learned during my service are valuable traits I carry forward in every aspect of my life today. The Navy's core values are an integral component of what I bring to the Town of Stevensville if I were chosen to serve the citizens of Stevensville, they are: Honor, Courage and Commitment. For me, these translate to:

- **Honor:** I am accountable for my professional and personal behavior. I will be mindful of the privilege I have to serve my fellow Americans.
- **Courage:** Courage is the value that gives me the moral and mental strength to do what is right, with confidence and resolution, even in the face of temptation or adversity.
- **Commitment:** The day-to-day duty of every man and woman in the Department of the Navy is to join together as a team to improve the quality of our work, our people and ourselves.

I still live by these core values; and although I have been in veteran status since 2007, I still "represent the fighting spirit of the Navy, and those who have gone before me to defend Freedom and Democracy around the world".

In addition to my military service, I served as a volunteer firefighter for the Towns of Kinsey and Pinckard, AL and the community of Ewell, AL from 2008 until moving to the Stevensville area in 2015, to which I still volunteer today as a firefighter and Advanced EMT. I became a volunteer firefighter to help my community and make a difference; I am committed to protecting property, saving lives and administering aid when needed.

If I am fortunate enough to be selected, I will serve to the best of my abilities and I will put the citizens, businesses, and property owners first. If appointed, it is my goal to foster respect up and down the chain of command; to care for the personal and spiritual well-being of the Town of Stevensville; to show respect toward all people without regard to race, religion or gender; always strive for positive change and improvement; and exhibit the highest degree of moral character, professional excellence, quality, and competence in all that actions.

Dempsey Vick - 231 Barbara Street, Stevensville, MT 59870

03/19/23

I feel I would be an asset to the Town governance and hope that you will consider me for the vacant seat, as I would be honored to serve the community of Stevensville as a Town Council member. In closing, let me reiterate, I understand the importance of community, working together, and respect for our differences and the role God plays in life. I look forward to continuing my inherent desire to serve others and to expand my role in the Stevensville community as a Council representative.

Respectfully,

Dempsey Vick
