Guidelines for Public Comment

Public Comment ensures an opportunity for citizens to meaningfully participate in the decisions of its elected officials. It is one of several ways your voice is heard by your local government. During public comment we ask that all participants respect the right of others to make their comment uninterrupted. The council's goal is to receive as much comment as time reasonably allows. All public comment should be directed to the chair (Mayor or designee). Comment made to the audience or individual council members may be ruled out of order. Public comment must remain on topic, and free from abusive language or unsupported allegations.

During any council meeting you have two opportunities to comment:

1. During the public comment period near the beginning of a meeting.
2. Before any decision-making vote of the council on an agenda item.

Comment made outside of these times may not be allowed.

Citizens wishing to speak during any public comment period should come forward to the podium and state their name and address for the record. Comment may be time limited, as determined by the chair, to allow as many people as possible to comment. Comment prior to a decision-making vote must remain on the motion before the council.

Thank you for observing these guidelines.

Mac Sosa, Chief of Police: for the truck.

Councilmember Barker: Claim #18245, Blade company, whole patch pot holes? This has already started.

Pam Sosa: I think that they have gotten the material.

Councilmember Barker: it is the material not already started?

Councilmember Michalson: I would like to suspend town council rules as far as brining up unscheduled items under council comments and bring it in front of claims if that is okay.

Mayor Gibson: we are on the claims right now.

Councilmember Barker:" we are on the claims right now.

Councilmember Michalson: that is what I mean bring it to the claims right now because it is part of the claims. I would like to ask for the following action, I request of propose for a C.O.W. meeting to address the following items. Line by line-item review of the budget, a review and revise purchasing policy, discuss developing a policy that address unpaid claims, Some of these items have been on the back burner a while and I think a C.O.W. meeting with an open discussion with out motions etc. would be a productive way of resolving them. It is my opinion that doing a C.O.W. meeting we would be spending less time at council meetings hashing this all out.

Mayor Gibson: I just have, I know that you said the budget what was the second. Oh, purchasing policy. The budget, prior to the next meeting, however you want to do it, we will get you the budget update, we will also have to do some budget amendments for the next meeting, and you want to have a separate meeting?

Councilmember Michalson: I want to have a committee of the whole meeting I think that we could have a better production if we do a review of the budget at a C.O.W. meeting, no motions.

Mayor Gibson: I don't have a problem with it, any public comment?

Councilmember Lowell: I took some time and went through just the general fund budget, and I think we are in trouble.

Mayor Gibson: let me, and Pam you can chime in, that is why we are waiting, we have to make some corrections, we have to make some budget amendments, you will get all of that.

Councilmember Lowell: is it revenue that hasn't been put in, because it is very low.

Mayor Gibson: from what I have seen so far, and this goes back even before me. For example it looks like we are short in revenue in building permits, and the reason for that was the school. There seems to be some confusion around the water and sewer fees, it looks like it is shorter than it should be. We are going to give all that to you and you can go through it however you want to.

Councilmember Lowell: I was just concerned about the general fund; we are very low. With the large amount on the audit and then the claims this time were \$100,000.00 and that is not leaving much money.

Mayor Gibson: we will go through it, but just keep in mind the audit is coming out of the CARES money, correct Pam?

Pam Sosa: we are actually taking the audit out of all funds, so the last two payments were just taken out of the general fund, so we are going to go back and make those corrections and take out of all of the funds.

Mayor Gibson: I am glad that you brought it up, we are aware of it.

Councilmember Lowell: okay, I was just concerned that we do not have the revenues that we should.

Pam Sosa: I think we will be okay, a lot of the revenues have not been entered yet that is still part of the process.

Mayor Gibson: so, how do we want to proceed with your.

Councilmember Michalson: would you guys like to have a C.O.W. meeting to do this?

Councilmember Barker: I guess I am kind of confused because we are still on the claims.

Councilmember Michalson: I could have waited for council comments. So that is why I asked.

Mayor Gibson: would you be okay with that and redo this on council comments, I think that you are right Councilmember Barker.

Councilmember Michalson: sure.

Councilmember Barker: #18264, Denning & Downing Associates I know that we are getting close to that so how many more payments to we have to them?

Pam Sosa: we should have one more payment after this.

Councilmember Barker: with that are we coming back to the public to let them know where we are standing with this.

Mayor Gibson: when the audit is done. We have to sit down and go through all of their findings, agree or disagree I would assume that most of them we would agree with and that will come to the council.

Councilmember Barker: I was just curios of how many more that we had, I thought that we were coming really close.

Mayor Gibson: we are doing two years now.

Mayor Gibson: any further council discussion? Public comment? Seeing none, Jenelle please take the vote.

Councilmember Barker: aye.

Councilmember Brown: aye.

Councilmember Lowell: aye.

Councilmember Michalson: aye.

Mayor Gibson: passes 4-0

9. Public Hearings

a. Final Plat Approval of Burnt Fork Estates Phase I

Mayor Gibson: introduced the public hearing, Final Plat Approval of Burnt Fork Estates Phase I. this is just for Phase I, previously known as Clover now is Sassafras.

Jeff Cyr: PCI representing Ilmar Estates and Aspen Acres, Jeff Jessop. The town of Stevensville reviewed Burnt Fork Estates a subdivision and approved the subdivision in April of 2021 with the 23 conditions attached to this plat. Items are attached to meet these conditions. Mr. Cyr read each condition 1-23 and discussed how each condition had been met. Spoke about water, waste water, internal subdivision roads, very little traffic calming was needed, structures would not have basements or crawl spaces, covenants will stipulate single level homes, updated traffic study will be provided for each phase, covenants should include living with wildlife. Each of these conditions have been met and approved by the prior council. The 80 acres mentioned on the DNRC paperwork is a clerical error on DNRC's part. They will have to correct that.

Mayor Gibson: we will go to public comment, keep in mind that this is only Phase I. After public comment we will ask the council for a motion and our attorney Mr. Overstreet is here to answer any questions you may have.

PUBLIC COMMENT

Marilyn Wolff, 300 Aspen Trail, Stevensville. This morning, the biggest problem that I have with Phase 1 is the fact that I wanted to go back to how that happened, and that goes back to the MFE. In the past I had talked with DEQ and the supervisor for that time when the MFE was approved. Her letter is in that packet, it was addressed to Jeff Standard at PCI. I wanted to talk to her again because what wasn't provided was the actual DEQ form. I wanted to know who signed it. It was signed on July 16, 2021, and it says that it was signed by Craig Capra, the town representative. He is a town representative for HDR. Did the town council at the time know about this, I think that it was put around the town and the problem with that is that this form says that they have to have legal water and sewer. Burnt Fork Estates and Creekside Meadows are in a not a place of use for those two things. They are hooking up to Creekside Meadows, I don't think that the town council was able to vote on that. I think that John Kellogg at the time knew that. Mr. Kellogg has been both involved in the development of Creekside Meadows and Burnt Fork Estates. My suggestion to the town council if you should vote to approve this, to prevent future misuse of the MFE form for future phases of Burnt Fork Estates, the town needs an independent engineer. In my opinion I think that there are still some conditions that have not been met. I am hoping that the remaining 9 phases are not a money draining cost for the town and the county taxpayers.

Jenelle Berthoud, town clerk: read public comment. This public comment will be a part of these meeting minutes.

11. New Business

a. Discussion/Decision: Final Plat Approval of Burnt Fork Estates Phase I

Mayor Gibson: introduced new business item final plat approval of Burnt Fork Estates Phase I.

Councilmember Michalson: I make a motion to approve final plat approval of Burnt Fork Estates Phase I.

Councilmember Barker: 2nd.

Councilmember Michalson: in our possession we have a letter in front of us that was to Ms. Dowdell. There are seven conditions mentioned, in your expert opinion have they met the conditions are you satisfied?

Greg Overstreet: yes, the additional items that they included, the application was shanty and incomplete and there were huge gaps in the information. The town wanted to give the developers a fair chance to come to this hearing and have all of that information instead of sandbagging and we told them what we thought they were, and they came back and provide some document. And so yes, I think that they have provided the information that they were required to provide.

Councilmember Michalson: again, this is all to do with the previous administration, nothing to do with us here?

Greg Overstreet: I don't answer questions like that.

Mayor Gibson: in regard to the confusion with the MFE, yes that was signed by the contracted engineer in 2021 and DEQ approved it in March of 2022. Nothing has been done regarding MFE's or anything else. Nothing has moved forward with any other part of Burnt Fork Estates.

Councilmember Lowell: how about lighting for this subdivision is there going to be lights there.

Mayor Gibson: if I recall, there wasn't any requirements for Phase I there will have to be if future phases are developed just like any other lighting district.

Councilmember Lowell: when you included our farm in the 80 acres I was as little confused.

Mayor Gibson: I don't believe that they included your farm, this goes way back to 2004 when Ellison did Creekside Meadows they failed to do the transfer but this is not 80 acres, it is 57.48 Burnt Fork has nothing to do with Creekside Meadows has nothing to do with your farm. It is going to have to be corrected by DNRC.

Councilmember Brown: I noticed on your set of covenants that you are recording is just for Phase I and did notice a small problem there, you have Jeff Jessop signing as President and it says Aspen Acres, LLC, in the notary block it says Jeff Jessop, Burnt Fork Enterprises LLC.

Greg Overstreet: I can address this, I noticed a similar issue earlier, it has been corrected by the developer. There is an operation agreement for the LLC that we did not have in the original application that I did ask for and did receive. Those operating agreements do allow Mr. Jessop or any other members of the LLC do just that. It was a missing link and was later provided to us.

Councilmember Brown: but he says that he is signing on behalf of Aspen Acres and in the notary block on behalf of Burnt Fork Enterprises LLC.

Greg Overstreet: okay, I thought that you were talking about the previous issue.

Councilmember Brown: this is a separate issue, it is on page 69 of the packet, they might want to look at that, the notary is saying that he signed on behalf of Burnt Fork and not as Aspen Acres.

Greg Overstreet: I appreciate that I don't think that it is going to make a difference, I don't think that it has anything to do with the final plat and it being denied.

Councilmember Brown: I know, it is just needs to be addressed.

Mayor Gibson: there has been a motion and a 2nd. Any public comment? Seeing none, Jenelle please take the vote.

Councilmember Barker: aye.

Councilmember Brown: I feel that it is a conflict of interest for me there for I need to abstain.

Councilmember Lowell: aye.

Councilmember Michalson: aye.

Mayor Gibson: passes 3-0 with 1 abstain.

12. Board Reports

Councilmember Michalson: P&Z Board meeting was on Tuesday. We discussed the growth policy and the Main Street Grant. Jenelle was nice enough to stay after work and give us an update on the grant that would be used to update the growth policy. The town will republish the RFP to take bids. Our goal is to send it to the council by the end of October.

Mayor Gibson: Jenelle and I have talked, and we are going to contact Montana League of Cities and Towns and see if there is any other way to get this out there.

13. Town Council Comments

Councilmember Michalson: I would like to propose a Committee of the Whole meeting to do a line by line of the budget, to review and revise the purchasing policy, discuss and develop a policy to address unpaid claims.

Mayor Gibson: Jenelle how would we do this?

Jenelle Berthoud: I first want to refer back to Pam if the audit is not complete and they haven't moved everything, do you want that to take place first and then you guys are looking at having a C.O.W. meeting?

Mayor Gibson: that is what I would suggest, what we found out today. We thought that the audit would be done March 9th and that is not the case, we don't know when they are going to be done.

Pam Sosa: they are requesting additional information.

Mayor Gibson: I don't have any issue with this, but as Jenelle said would you be open to wait until we are done with that part and then schedule.

Jenelle Berthoud: I can get with Pam and see when we are at that final and then go from that.

Councilmember Michalson: I would like to review rather than bog down everything.

Councilmember Lowell: is it just the revenue Pam that needs working on or is he also working on the expenditures.

Pam Sosa: it is both.

Mayor Gibson: it is both, and again we are going back to 2020 and it is kind of complicated. \$220,000.00 in the general fund from the sale of the land seems to have been spent. Okay that is what we will do is that okay with you Mr. Michalson?

Councilmember Michalson: that works fine.

Councilmember Barker: I just had a couple of citizens come to me about 2nd and Main it is really hard to get out on we know that it is a problem there, maybe there is a way to get a hold of department of transportation.

Mayor Gibson: I don't mean to interrupt, I met with the department of transportation in August and I met with the main person and they said that they would get back to us, they have not done that. In the next two weeks I am contacting the director of MDOT and point this out, we talked about Main and 2nd, Logan and Burnt Fork, walking bridge, what they did say in August about 2nd and Main is that they needed to do a traffic count. There are options: There needs to be another stop sign on Eastside, 2nd and Main.

Councilmember Barker: it is only going to get worse, with the subdivisions and the industrial park on Eastside HWY. it is only going to get worse. It is really hard, you know that they are not stopping at that 4-way stop.

Mayor Gibson: what I would suggest, is that the four of you and will give you the contact name for MDOT. I would hope that you would contact.

Councilmember Barker: as the public, they don't always get to see the packets, I would like to see the department heads at least the first council meeting of the month come back and give us a review.

Mayor Gibson: that is fine, Jenelle please make note of it and we will talk to the department heads.

Councilmember Barker: I think that it is very important for the public to hear it and not just see it in the packet.

Mayor Gibson: so, starting the first meeting in April we will start that, Jenelle please make note of that. April 13th, first meeting.

Mayor and Council, I may be unable to attend Thursday's public hearing. My comments are attached. Please add them to the public comments.

Thank you, Jim Kalkofen, 287 Birch Lane, Stevi

Mayor Steve Gibson
Council President Bob Michalson
Council Members

The following comments relate to the March 9, 2023 public hearing regarding Phase One of the Burnt Fork Estates proposed subdivision.

This project request should NOT be permitted. Reasons follow:

1. When this subdivision was originally proposed, the Council imposed a condition that prior to any construction that a booster pump be installed. To my knowledge this has NOT occurred.
2. During a public meeting, the developer revealed a plat showing single story home lots to not block neighbor's views of the Bitterroot or Sapphire Mountains. The Phase 1 request indicates some R-1 lots would be exclusively for single story homes. A plat map should be printed for Council approval prior to voting.
3. Phase 1 lot sizes show different square footage measurements and revised lot locations from the original approved plat. The new request for Phase 1 assumes that these lots and descriptions can be arbitrarily changed from the original. Why? And How? Can this be?
4. Following up Item Number 3 above, the mayor's letter of May 11, 2021 states, "If the applicant proposes to change the plat after preliminary plat approval but before the final plat approval, the applicant shall submit the proposed changes, all supporting documents, and required fee to the Town of Stevensville for review." The response by the developer's consultant, John Kellogg, addresses this by stating, "No changes are proposed." I submit realigning Phase 1 lot sizes and shapes are changes that must be reviewed by the Town in advance of voting on the developer's Phase 1 request.
5. Until the Town knows it can adequately handle increased sewage loads and has the ability to provide water, this project should remain in its existing state.
6. Until water rights and place of use (BFE has neither) are resolved for this piece of ground, nothing should move forward.

7. Before voting on Phase 1, a matter of concern is the arbitrary name change of an existing Stevensville Street. The original Creekside development by Mr. Ellison listed the street coming off Creekside Drive between Syringa and Aspen Trail as Clover Lane. Clover was also the name on the original BFE plat. The current Town map labels that street Tamarack Trail. The Phase 1 plat now lists the street as Sassafras Street. What right does a developer have to pick a name that has no bearing on Town maps or past history of the land in question? I feel a hearing on a Town street name change must be held prior to any action on the request before the Council today.
8. I am unable to locate an updated traffic impact study, as requested by the Town preliminary approval. A 3-year old traffic study seems totally inadequate.
9. Not being an engineer, I would appreciate an explanation from the Town public works director on Condition Number 19. It states, "...with the exception of storm water facilities which shall be owned, operated and maintained by the Town of Stevensville. Common areas with storm water facilities shall be fenced." It appears the description of "ponds" as used when the development first came to light now means storm water facilities. Why would a developer assume the Town own, operate and maintain such an area? Has the Town budgeted such a long-term endeavor? What about liability? Future berm repair? Future culverts, piping, weed mitigation, etc? This matter needs more light shined on it prior to any approvals.

Many unanswered questions exist. Until they are researched and approved in advance, then and only then should the Council address any action about this proposal. The current request deserves a definite "NO" vote.

Sincerely,

Jim Kalkofen

The application form shall request information as to the full name and address of the applicant, as well as all information necessary to determine if the applicant meets the statutorily established qualifications to fill the office.

The Town Clerk will review the written application in order to determine if an applicant meets the minimum qualification to fill the office as specified by State Law.

A list of all applicants, as well as a status of their eligibility, will be submitted by the Town Clerk to Town Council at its next regularly scheduled or special meeting after the application deadline. Each Town Council Member is entitled to select for interview or nomination a final slate of candidates.

All members of the Town Council who choose to apply for the Office of Mayor via the application process shall recuse themselves from the interview and selection process. The remaining members of the Town Council will complete the interview and selection process.

All applicants shall be interviewed using the same interview questions, without the presence of another applicant. No applicant shall be afforded an advance copy of the interview questions.

7. Safety and Health

A. Safety Policy

The Town of Stevensville is committed to the safety and health of our employees, members, and work sites. We are responsible for providing the resources necessary for employees to follow the Montana Safety Culture Act and other safety regulations related to our work. We will strive to set expectations for continual improvement as a safe Montana business.

Employee recommendations to improve safety and health conditions will be given thorough consideration. It is the policy of the Town of Stevensville that employees report unsafe conditions and do not perform work tasks if the work is considered by them to be unsafe.

No such report will result in retaliation, penalty or other disincentive; however, employees will be held accountable for not reporting such incidences. Management will promote and influence safe behavior by both positive reinforcement of correct and safe work practices, and by disciplinary action for those who willfully or repeatedly work in an unsafe manner.

For this program to be successful, the injured employee must report all injuries to their immediate supervisor on the same day of the incident.

If an employee notices a potential hazard, they should notify the responsible supervisor so that the appropriate corrective action can be identified and implemented.

Employees must use safe driving habits and wear seat belts while traveling in Town of Stevensville vehicles. Employees should not operate or use equipment if they are not authorized or do not have the appropriate licensure.

Authorized passengers in Town vehicles should be Town employees or individuals conducting business on behalf of the Town. Any exception of authorized passengers and uses requires prior written approval from the Mayor or Human Resources.

B. Workers Compensation

Workers' compensation insurance is fully paid by Town of Stevensville and covers all employees. If an employee receives a workplace injury/illness he/she must report it to their immediate supervisor on the same day of the injury/illness. Failure to do so may result in a loss of benefits.

C. Return to Work

Town of Stevensville believes employees are its most important asset. Town of Stevensville is committed to assisting our injured employees to return to work as soon as medically appropriate. There are many ways to implement a Return to Work program that meets the needs of both Town of Stevensville and an injured employee. When practical, focus will be to modify the employee's existing position and/or work schedule temporarily, or to create a position to accommodate the temporary physical restrictions identified by the treating medical provider. If the injury results in permanent restrictions, Town of Stevensville will follow the provisions of the American's with Disabilities Act.

Please advise your treating medical provider of our Return to Work Program so they are able to design a temporary, transitional duty assignment to allow return to work as soon as possible.

16. Work Schedule and Breaks

A. Work Week/Work Schedule/Over Time

The Town of Stevensville's core business hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday. Most employees are expected to adhere to this schedule, however as described herein, alternative schedules may be considered by the Supervisor and the Mayor.

(The Police Department is exempt from this paragraph).

The workweek will begin on Saturday at 12:00 a.m. and end on Friday at 11:59 p.m. Should it be necessary for any employee to work a schedule outside the normal work schedule in support of required work needed by the Town of Stevensville, the employee will be authorized in writing by the responsible supervisor and approved by the Mayor prior to commencing the alternative work schedule.

Non-exempt employees working over 40 hours per week will be paid overtime at one and one-half times their hourly wage rate.

If the Mayor, Supervisor and/or their designee and the employee agree, the non-exempt employee can elect to accumulate compensatory time (comp. time) for use as time-off at a future date at a rate of one and one-half times the number of hours worked over the 40-hour work week.

Non-exempt employees must receive authorization to work planned overtime or comp time hours in writing from their supervisor, prior to working the additional hours.

The Mayor and/or appropriate supervisor may authorize employees to work Overtime/Comp Time via a Blanket Overtime/Comp Authorization. Those employees are required to report their Overtime/Comp Time worked weekly to their Supervisor/ Mayor either by special report or via a Time Sheet.

Maximum accruals of compensatory time shall be limited to 60 hours for regular employees. After maximum accrual, overtime compensation shall be paid. Any unused, accrued comp time hours will be paid to non-exempt employees upon termination of the employment relationship.

Unscheduled overtime must at a minimum be authorized verbally by the responsible supervisor, followed by written confirmation of the authorization. The Mayor is to be informed of all unscheduled overtime authorized by the responsible supervisor via an Overtime Authorization Form.

Overtime is based on actual hours worked. Time off for sick leave, annual leave or any leave of absence will not be considered hours worked for the purpose of overtime.

Exempt employees are allowed to earn Compensatory time hour for hour, but will not be allowed to be paid for this time if leaving this exempt position. A maximum of 60 hours of compensatory time can be accumulated yearly and cannot be carried over.

B. Meals and Breaks

Employees may take one 15-minute break when they are scheduled to work four consecutive hours. Break periods are paid but may not exceed 15 minutes per four consecutive hour period. All employees are authorized to take an un-paid lunch period of at least thirty (30) minutes per day. The length of time for a given lunch period will be agreed upon between the employee and their immediate supervisor and should not interfere with the employee's performance or needs of the organization. The normal lunch period is one hour unless otherwise specified. Exception - The Police Department is authorized to take a 30-minute, paid lunch break. Refer to the Police Policy Manual.

An employee may not use a break or meal period to arrive late or depart work early except under occasional, special circumstances, approved by their immediate supervisor.

C. Flexible Working Schedule

Employees may be allowed to work a flexible work schedule, as approved by their supervisor, outside of the core business hours of 8:00 am to 5:00 pm. Flexible work schedules should be developed departmentally to maintain standard business hours for each unit. All flexible arrangements must be cost neutral and contribute to customer service, productivity and employee morale. The decision to allow a flexible schedule is at the sole discretion of the Town of Stevensville and may not be appealed through the Grievance procedure.

Flexible schedules may include variations in daily beginning and ending work time periods, or a compressed work week providing those schedules comply with state and federal wage and hour laws. Employees desiring flexibility (outside the traditional 8:00 am to 5:00 pm work day), should work directly with their immediate supervisor to detail their adjusted work schedule.

The ultimate goal is that the adjusted flexible schedule will still allow for the employee to meet job requirements and the goals of the Town of Stevensville. Supervisors will be a part of the development, approval and enforcement of flexible work arrangements. If the supervisor deems that the flexible work arrangement is not in alignment with the overall organizational goals, they may not approve a flexible schedule, or may revoke the privilege at any time by advising the employee.

Supervisors shall examine the effect of a flexible schedule for one employee as to the effects on the remaining employees within a department.

Employees must follow the meals and breaks policy regardless of their set schedule. Considerations and accommodations need to be made in flex schedules for conferences, meetings, travel, leave, holidays, maintenance issues, special projects, etc. Refer to the **Holiday Policy** for flexible schedules of less than 5, 8-hour shifts/week.

An exempt employee is allowed hour for hour compensatory time. When in position of which you earn compensatory time, that employee should use earned compensatory time or lose it if leaving that position. Compensatory time will not carry over year to year.

C. On- Call and After Hours Call-outs

Employees who are called back to work will be paid at their regular rate until they have worked 40 hours in a workweek at which time, they will be paid at their overtime rate.

If the employee fails to give such notification, the absence may be charged to leave without pay. Absence in excess of three (3) consecutive days without receipt of proper notification by the Town of Stevensville from the employee may be considered to have voluntarily terminated employment with the Town of Stevensville, unless the failure to give such notification was due to circumstances beyond the control of the employee.

When an employee fails to report to work, the immediate supervisor, or their designee may attempt to contact the employee via phone. If they fail to answer, the supervisor, or their designee may attempt to contact their emergency contact and/or request a welfare check.

Leave requests of four days or less are made with the department supervisor a minimum of two days in advance of the requested time off. If the employee is a department Supervisor, your leave request is made directly to the Mayor and/or their designee. If approved, the department Supervisor will notify the Mayor and/or their designee of the dates of the employee's leave.

The annual leave will be approved after considering the best interest of the Town of Stevensville, the employee's unit, and the employee's request. Employees who need to use annual leave due to extenuating circumstances before they finish the qualifying period may ask their Supervisor, the

Mayor and /or their designee to grant paid annual leave with the understanding that their leave balance will be affected if their employment is terminated before completing the qualifying period. Should two employees request the same period of vacation, their Supervisor or the Mayor /or their designee has discretion regarding the approval of the leave requests.

An employee, who has passed the six-month qualifying period and has separated from the service of the Town of Stevensville for any reason, shall be entitled upon termination to cash compensation pay-out for accrued and unused vacation leave. The payout will be based upon the employee's salary at time of termination.

19. Sick Leave

A. Accrual of Sick Leave:

All regular full-time employees earn sick leave from the first day of employment; however, they are not entitled to use paid sick leave until they have been employed continuously for the qualifying period of 90 days. Employees who are sick before they finish the qualifying period may take leave without pay. Sick leave is earned at a rate of eight (8) hours per month, without restriction as to the number of hours that may be accumulated. For calculating sick leave, 2,080 hours (52 weeks X 40 hours) equals one year. Sick leave must be credited at the end of each pay period. Employees may not accrue sick leave while in a leave-without-pay status.

Regular part-time employees earn a prorated amount of sick leave if they have worked the qualifying period. Temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period. Short-Time Workers do not accrue leave.

An employee who has passed the 90-day qualifying period and who separates employment from the Town of Stevensville shall be entitled upon termination to cash compensation pay- out for the unused leave equal to one-fourth the accumulated sick leave. The payout will be based upon the employee's salary at the time of termination.

Sick Leave may not be used to supplement Annual Leave.

B. Requesting Sick Leave

All requests to use sick leave for purposes of medical appointments should be made to the immediate supervisor, with as much advance notice as possible.

Notification of absence because of illness will be given to the immediate supervisor, via a phone call prior to the start of the employee's shift. The supervisor will notify appropriate staff of the absence. If an employee's immediate supervisor is unavailable for the day, the employee is to notify the supervisor's designee or the Mayor or their designee. The immediate supervisor may grant permission for alternative notifications or have additional requirements in regard to notification. The employer will take appropriate steps to ensure notification to employees of the names and telephone numbers of the designated individuals.

If the employee fails to give such notification, the absence may be charged to leave without pay. Absence in excess of three (3) days without receipt of proper notification by the employer from the employee may constitute just cause for immediate discharge, unless the failure to give such notification was due to circumstances beyond the control of the employee.

Employees shall not be coerced, intimidated, or adversely persuaded to transfer their accrued sick leave to the receiving employee. Doing so may result in disciplinary action up to and including termination.

20. Leave Without Pay

A. General Use

Leave without pay (LWOP) may be approved by the immediate supervisor or their designee on a case-by-case basis. LWOP is usually requested when an employee has exhausted all applicable leave balances and has a need to be away from their employment. The immediate supervisor or their designee may require an employee to use all appropriate accrued leave or compensatory time before approving LWOP.

However, an employee cannot be required to exhaust annual leave balances for reasons of illness unless the employee agrees per § 2-18-615 MCA.

Depending upon the circumstances, employees still in their probationary period may be allowed to take LWOP. However, if leave is granted, their probationary period may be extended by the amount of time taken during the leave.

B. Leave accrual during LWOP.

Vacation and sick leave accrue on a prorated basis during leave-without-pay. Employees will not be allowed to use sick or annual leave and will not receive holiday pay while on leave-without-pay status.

1. Normally health insurance will not be paid by the Town of Stevensville during a period of leave without pay that is 5 working days or more unless approval for additional coverage is approved by the Mayor or their designee.
2. The employee may choose to continue insurance coverage during the leave by paying the Town of Stevensville the premiums on a monthly basis.
3. If the employee fails to continue the insurance coverage, the insurance may be canceled. Should it be canceled, the employee may be subject to policy restrictions, upon returning to work.

Providing false or misleading information or reasons to justify leave-without-pay may result in disciplinary action up to and including termination. LWOP is at the sole discretion of the Town of Stevensville and is not subject to the Grievance procedure.

LWOP in excess of two (2) consecutive weeks may be granted for any cause as determined by the immediate supervisor, the Mayor and/or their designee in their sole discretion so long as it doesn't

violate any laws, regulations or policies set forth in this manual. Employees may be granted LWOP for a specified time generally not to exceed one hundred eighty (180) calendar days during their employment period.

Whenever possible, the employee should provide their supervisor or their designee with at least 30 days' notice so workloads/tasks can be covered. To request LWOP, employees must provide their supervisor, or their designee the beginning and ending dates of the leave and the reason for the requested leave.

A probationary employee may have his/her probationary period extended by the same amount of time as required for serving on jury duty.

An employee who received notice of jury duty or witness service must notify his/her supervisor immediately in order that arrangements may be made to cover the position. The Town of Stevensville reserves the right to request that an employee who is called for jury be excused if their absence would create a hardship on the operational effectiveness of the department to which they are assigned.

The employee is responsible to present the issued check for all jury or witness fees to the Clerk/Human Resource Representative. Reimbursement for mileage and actual expense fees are not required to be forfeited to Town of Stevensville. The employee may keep any witness fees or court payment if the services are performed on the days of his/her regularly scheduled days off.

23. Public Office Leave

Employees must return to work within 10 days following the completion of the service unless they are unable to return due to an illness that has been certified by a medical doctor. The Town of Stevensville will comply with all relevant restrictions and guidelines provided within the Hatch Act, (5 U.S.C. 7321 through 7326, as amended).

24. Military Leave

The Town of Stevensville shall comply with all provisions outlined in the Uniformed Services Employment and Reemployment Rights Act, (USERRA, 38 USC Sec. 4031 et seq) as well as all relevant state laws (to include MCA 10-1-1009) covering members of the Montana Army and Air National Guard.

An employee who is a member of the Montana National Guard or any United States military force or Reserve Corps and who has been an employee for a period of six months shall be given leave of absence with pay for a period of time not to exceed 120 hours in a calendar year. Unused leave may roll to the next calendar year, not to exceed 240 hours total for the calendar year. Any excess leave, beyond 240 hours, will be forfeited. Military Leave can be for attending regular encampments, training cruises, and similar training programs of the military forces of the United States.

Employees employed less than six months are entitled to unpaid leave for the purposes listed above. Employees using Military Leave must report it as such on their timesheets and have prior approval for leave. This leave will not be charged against the employee's annual leave.

25. Bereavement Leave

In case of a death in the immediate family, an employee will be granted three days of Bereavement Leave that will not be charged to the employee's accumulated sick leave or annual leave. If additional time is required, an employee may be allowed additional days for bereavement purposes via the use of sick leave or annual leave, with prior supervisor's approval. (See definitions for immediate family)

In case of a death of a family member, outside the immediate family, or another person with prior supervisor's approval, an employee will be granted one day of Bereavement Leave that will not be charged to an employee's sick leave or annual leave. If additional time is required, an employee may be allowed additional days for bereavement purposes via the use of annual leave.

26. Maternity Leave

The Town of Stevensville conforms to the Pregnancy Discrimination Act (Civil Rights Act of 1964 as amended, Title VII, Section 701), as well as relevant pregnancy leave in Federal, State and Local Statutes.

It is unlawful for an employer to terminate a woman's employment because of the woman's pregnancy, refuse to grant to the employee a reasonable leave of absence for the pregnancy; or deny to the employee who is disabled as a result of pregnancy any compensation to which the employee is entitled as a result of the accumulation of disability or leave benefits accrued pursuant to plans maintained by the employer, provided that the employer may require disability as a result of pregnancy to be verified by medical certification that the employee is not able to perform employment duties; or require that an employee take a mandatory maternity leave for an unreasonable length of time.

The Town of Stevensville will grant the employee a reasonable leave of absence for pregnancy but will not require an employee take a mandatory maternity leave for an unreasonable length of time. Employees should notify their supervisor or the Mayor and/or their designee of a desire to take Maternity Leave upon confirmation of pregnancy. As soon as reasonable, the employee should report the expected due date, the estimated leave of absence, and anticipated complications that may affect current leave requests.

Upon signifying intent to return to work at the end of the leave of absence, the employee will be reinstated to the original job and/or equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other benefits.

27. Parental Leave

The Town of Stevensville will provide Paid Parental Leave (PPL) to eligible employees for parents to bond and care for a newborn child or a child placed for adoption. Eligible employees are regular or probationary status employees employed at least 180 consecutive calendar days. In the event both parents, including established domestic partners, are employed by the same department, both may take PPL at the same time.

Eligible employees are entitled to a maximum of 6 continuous work weeks of PPL in a calendar year. No employee may be absent on PPL for more than 6 calendar weeks in a calendar year, regardless of work schedule. For employees working part time with regular, irregular, or intermittent schedules, paid hours of PPL during the six-week period will be based on the average hours worked in the six weeks immediately prior to the date PPL is to commence. There is no limit on how many times an eligible employee may use PPL during the course of their employment.

Requests to use PPL should be submitted in writing to the employee's supervisor and Human Resources Department with as much notice as possible. HR and the supervisor will work together to coordinate the use of PPL with other approved leave requests. PPL must be taken continuously commencing with the birth or placement of a child for adoption. PPL will count concurrently against Family and Medical Leave for employees eligible. PPL must be exhausted before use of other paid leave or leave without pay. When a holiday falls during an employee's PPL the employee will be paid for the legal holiday instead of PPL.

28. Family Medical Leave

It is the policy of the Town of Stevensville to offer limited Family Medical Leave benefits to its employees as described below.

An eligible employee can take up to 12 weeks of leave per year if he/she has worked for at least 1,250 hours within the previous 12 months and have been employed for 12 months.

Family Medical Leave can be taken for the following reasons:

- The birth or placement of a child for adoption or foster care,
- The serious health condition of a spouse, child or parent, or

Town of Stevensville Personnel Policy Manual

- An employee's own serious health condition

Employees are required provide at least a 30-day notification of intent to use Family Medical Leave whenever possible.

Employees can choose to use their vacation leave instead of taking leave without pay during the 12-week period. (An employee cannot be required to exhaust annual leave balances for reasons of illness unless the employee agrees per § 2-18-615 MCA.)

Employees will only be provided a total of 12 weeks in a rolling 12-month period looking back from the first day of the leave request. (For example: If an employee took 12 weeks leave beginning July 1, 2012 and requested to take 12 weeks leave beginning May 1, 2013, the request would be denied because the employee used 12 weeks looking back from May 1, 2012 through April 30, 2013.)

Upon request of your Supervisor and/or the Mayor/Human Resource Representative, employees must provide certification explaining the serious health condition or the family member's condition. It should detail:

- The date on which the condition began
- The probable duration of the condition
- Appropriate medical facts regarding the condition
- A statement that the employee is needed to care for a spouse, parent or child
- A statement that the employee's own health condition makes it impossible for him or her to work

These reports are confidential and will remain in the employee's medical personnel file.

If the Town of Stevensville is not satisfied with the certification, it may require a second opinion at our expense. In the event of conflicting opinions, a third provider will be retained, also at our expense, to render a binding decision.

Under certain conditions, employees who are designated as "key" may be denied job restoration rights. These employees must be in the highest paid 10% of the work force and their absence must mean a substantial economic loss to the organization. If a person designated as "key" still takes family leave, the Town of Stevensville will pay the health care premiums, but no guarantees are made about returning them to the positions they left.

An employee who fails to return to work on his or her regularly scheduled workday after the pre-approved leave without pay period will be considered to have voluntarily resigned unless the leave period is extended, in advance, by the Mayor. Providing false or misleading information or reasons to justify a Family Medical Leave absence may result in discipline, up to and including termination. Family Medical Leave provisions indicate that at the Town of Stevensville discretion, health care premiums may be recovered from employees who do not return to work.

29. Breast Feeding in the Workplace

Women returning from maternity leave who wish to continue breastfeeding or expression of milk for their child(ren) will be provided a private space (other than a toilet stall) with suitable lighting and electricity, if necessary, for pumping apparatus.

- The selection of the space will be made on a case-by-case basis in consultation with the employee.
- Standard break times will be primarily utilized with additional unpaid break time(s) provided as mutually agreed upon.
- Additionally, the Town of Stevensville will make every effort to provide suitable facilities for milk storage during the employee's daily work period.
- All requirements listed in MCA 39-2-215, 39-2-216, 39-2-217 will be complied with.

30. Performance Management and Evaluations

Regular employee performance evaluations are provided to non-probationary employees. The evaluations report progress and allow correction of any deficiencies, recognize employee strengths and special abilities as well as provide an opportunity to discuss areas that need improvement.

Annual appraisals and evaluations should provide an ongoing performance record. This may be used as a supportive documentation for personnel actions such as promotions or demotions. They also provide employees an opportunity to discuss personal goals, Town of Stevensville goals and means for improvement. Annual evaluations provide an opportune time to formulate or update the employees' job descriptions.

Probationary employees will receive informal feedback throughout their probationary period. The supervisor or the Mayor and/or their designee may at their discretion formally evaluate the probationary employee at the end of the probationary period at which time the employee will be advised of his or her status (regular or terminated.)

The employee's immediate supervisor or the Mayor and/or their designee will complete the evaluation using their job description, and the Town of Stevensville personnel policy manual as the appraisal basis. The employee is encouraged to complete a preliminary self-appraisal to prepare for the evaluation meeting. The employee and the evaluator shall schedule a conference to discuss the employee's job performance and the job description. The conference will provide the opportunity for the employee to work with their supervisor or the Mayor and/or their designee to develop the employee's understanding of the position, annual goals, training needs, budget restraints/needs and improvement plan. If the employee, their supervisor or the Mayor and/or their designee do not agree on an evaluation result, the employee may respond in writing within 10 working days and attach the statement to the performance evaluation form.

The employee, their supervisor or the Mayor and/or their designee will sign and date the evaluation form. If the employee refuses to sign the evaluation form, documentation of their refusal will be added to their evaluation. The employee's signature will indicate that the employee has reviewed the

evaluation with their supervisor or the Mayor and/or their designee and understands the comments contained within the evaluation.

Annual performance evaluations form the basis for an employee's merit increase.

31. Discipline

The Town of Stevensville, at its discretion, may investigate and take disciplinary action upon learning of a suspected violation of federal, state or local laws, the Town of Stevensville rules and/or regulations, employee conduct/behavior/performance standards, the Town of Stevensville policies, or other conduct not in the best interests of the Town of Stevensville.

The supervisor and/or the Mayor or their designee will notify the employee of the suspected violation and will then perform an investigation. Employees may be placed on administrative leave (with or without pay) pending investigation. All employees shall be briefed on Garrity Rights when necessary.

- The employee will be notified in writing of the suspected violation or misconduct, will be included in the investigative process and allowed to share their account of the suspected violation or misconduct in question before discipline is issued.
- At the sole discretion of the Town of Stevensville the supervisor, the Human Resource Representative, the Mayor and/or their designee will conduct the investigation including employee interviews.

The supervisor and/or Mayor/HR Representative will meet with the employee and provide him/her with the letter. All terminations must be approved by the Mayor.

The Town strives to ensure fair and honest treatment of all employees. Supervisors, managers, and employees are expected to treat each other with mutual respect and are encouraged to offer positive and constructive criticism.

If employees disagree with established rules of conduct, policies, or practice, they may express their concern through a grievance process. No employee shall be penalized, formally or informally, for voicing a complaint in a reasonable, professional manner using the grievance process. While a formal grievance process is in place, employees are encouraged to first discuss any issue informally with their immediate supervisor.

A. Scope

Any costs involved in alternative dispute resolution shall be split equally between the employer and the employee.

33. Telephone Use

While at work, employees are expected to exercise the same discretion in using personal cell phones as they use with company phones. Excessive personal calls/texts during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees should restrict personal calls during work time and use phones only during scheduled breaks or lunch periods. Employees should be courteous of co-workers and others in the work area when holding personal phone calls at work.

B. Town of Stevensville Issued Cell Phone Use

The Town of Stevensville may determine to issue individual cellular phones to employees. It is the Town of Stevensville policy that employees who are issued or use a company cell phone understand the phones are issued for business use. Employees are expected to make every effort to not exceed the current contracted allowed minutes and/or data usage.

E. Compensating non-exempt employees for travel time

Time spent traveling throughout the State of Montana is always a time-consuming endeavor. It is important for all Town of Stevensville non-exempt employees to understand how they are compensated for travel time. Different situations may determine if the travel time is work time or not. The following variations are described in the administrative rules of Montana (24.16.1010, ARM) promulgated by the Montana Department of Labor:

1. Home to work

Travel from home to work is not work time. This is true whether an employee works at a fixed location or at different job sites.

2. Home to Work in Another City

Special One-day Assignment - All time spent traveling to another city/town would be considered work time except for the travel from home to public transportation, such as a bus depot. This would be the normal home to work travel. The usual mealtime would be non-compensated also.

F. Travel all in the day's work

Time spent by an employee in travel as part of their principal activity, such as travel from job site to job site during the workday, must be counted as hours worked. If the employee goes home instead of returning to the employer's premises from the last job site, this travel is home-to-work travel and is not time worked. If an employee is required to report at a meeting place to receive instructions or to perform other work there, or to pick up and carry tools, the travel time from the designated place to the workplace must be counted as hours worked.

G. Travel Away from Home Community

Travel that keeps an employee away from home overnight is travel away from home and is clearly work time when it cuts across the employee's workday (employee is simply substituting travel for other duties). This time is not only hours worked on regular working days during normal working hours, but also during the corresponding hours on nonworking days. For example, if an employee normally works 8AM to 5PM Monday through Friday, the travel time during these hours on Saturday and Sunday is also counted as work time. If the employee requests to drive their car in place of public transportation that has been offered, this travel time is counted as hours worked only to the extent of time it would have taken to travel if the employee had been using public transportation.

H. Work Performed While Traveling

d. Discussion/Decision: The Homeowners of Creekside Meadows is requesting the developers of Phase 1 Burnt Fork Estates utilize their approved Logan Lane access, not Creekside Drive during construction.

Neighborhood Town Street Problem

March 13, 2023

As neighbors of the proposed Burnt Fork Estates development, we are extremely concerned about the impact of construction and heavy equipment vehicles if allowed to utilize Creekside Drive during Phase One construction.

We strongly feel the Council should discuss and review the safety issues outlined below and demand the developers utilize their approved Logan Lane access, not Creekside Drive.

Construction vehicles cannot turn around on the lane leading into Phase One. They must continue through the entire Creekside neighborhood to return to Logan. Creekside Dr has no outlet and is one-way in and out town street.

*The streets are already in need of tender loving care with massive cracks in the pavement. Heavy construction trucks would exacerbate the problem and be costly to repair.

Construction vehicles would also be forced to park along Creekside streets, limiting traffic. This would affect fire trucks, ambulances and local traffic.

Thank you Town of Stevensville Council for considering the request of neighbors who have signed this petition.

*A street survey of serious pavement cracks on 3/13/23 found 46 curb to curb 100% cracks, 30/75% cracks, 19/50% cracks, and 10/less than 50% cracks. Four sewer metal covers and 3 water main covers are involved.
