STAFF RECOMMENDATION: Approve/Deny Resolution.

**State of Minnesota
County of Watonwan**

RESOLUTION NO. 12.24.12

**RESOLUTION AMENDING ELECTRIC RATES EFFECTIVE
January 15, 2025**

WHEREAS, an analysis of the cost of providing electric service indicates the need for additional revenue;

NOW, THEREFORE BE IT FURTHER RESOLVED BY THE CITY COUNCIL OF ST. JAMES, MINNESOTA, that pursuant to the authority granted by section 3.02 of the City Code, the change for electrical service is hereby established according to the following schedule and conditions to take effect on the 15th Day of January each year and may be amended from time to time:

ST. JAMES MUNICIPAL ELECTRIC RATE SCHEDULE

Residential Service

APPLICABLE TO: Residential customers for all domestic uses in single-family dwellings and individually metered apartments within the service territory of the City of St. James including use of motors of not more than 5 horsepower individual capacity. Space heating and air conditioning shall be served under this schedule.

SERVICE AVAILABLE: Single-phase, 60 hertz, 120/240-volt 400-amp max., 3-wire, single meter.

	Current Rate	2025
Meter Charge (No KWH)	\$20.50	\$21.50
Energy Charge All KWH	\$.0820	\$.0860

METER DEPOSIT: Residential – rental units and contract for deed holders - \$200.00 deposit, interest will be paid annually at an interest rate set by the Minnesota Department of Commerce. Meter Deposit will be refunded to contract for deed holders at the time the contract for deed is paid in full and verification is provided to the city. Renters will have the meter deposit applied to the final bill, after renter has vacated the rental unit.

MULTIPLE DWELLINGS: Where residential service in an apartment building or other multiple units dwelling is measured through one meter, the minimum bill and base rate shall be multiplied by the number of apartments served. In houses where five (5) or more rooms equipped for living purposes are for rent, each five rooms or fraction thereof, exclusive of apartments, shall be counted as one (1) apartment.

Commercial Service

APPLICABLE TO: Any commercial, industrial, City, or farm load within the service territory of the City of St. James, for all purposes. Loads less than 50 KW.

SERVICE AVAILABLE: Single-phase, 60 hertz, 120/240-volt, 400-amp max., 3-wire, single meter. Three-phase, 60 hertz, three-phase, 240/120 V, 208 Y/120 V, OR 480 Y/277 V

	Current Rate	2025
Meter Charge		
Single-Phase	\$25.50	\$27.00
Three-Phase	\$43.00	\$45.00
Energy Charge All KWH	\$.0900	\$.0950

C & I Rate, Three-Phase

APPLICABLE TO: Any commercial, industrial, City, or farm load within the St. James service territory, for all purposes. Loads 50 KW and up. Any commercial Three-Phase load that reaches 50 KW for 2 months within a 12-month period shall be moved into the C & I Rate class. Any load that does not reach 50 KW in a 2-year period may be moved back to the Commercial Three-Phase class.

SERVICE AVAILABLE: 60 hertz, three phase, 240/120 V, 208 Y/120 V, or 480 Y/277 V. 4-wire, or standard primary voltage available at point of delivery. Special voltages may be provided at the discretion of the utility. Utility furnishes only one transformer bank and/or one meter.

	Current Rate	2025
Meter Charge	\$77.00	\$80.00
Energy Charge All KWH	\$.0463	\$.0479
Energy Charge – Primary	\$.0454	\$.0469
Demand Charge	\$14.30	\$15.30

METERED DEMAND: The metered demand for any month shall be the maximum kilowatt demand established by the consumer for any fifteen-minute interval during the month as indicated or recorded by a demand meter.

POWER FACTOR ADJUSTMENT: If the customer's average monthly power factor falls below 90%, leading or lagging, the utility may adjust the metered demand by the ratio of 90% to the measured average monthly power factor in percent. Example:

Metered Demand = 739 KW
 Average Month Power Factor = 73.0%
 Ratio = $90/73 = 1.2329$
 Adjusted Demand = $(739) (1.2329) = 911 \text{ KW}$

ADJUSTED DEMAND: The adjusted demand consists of the metered demand adjusted for power factor, if applicable.

BILLING DEMAND: The demand to be billed shall be the adjusted demand for the month but not less than 50% of the highest adjusted demand during the preceding 11 months.

PRIMARY METERING: The utility will furnish and install primary metering when service is taken by the consumer and metered at primary voltage. The consumer owns and installs all necessary primary and transformers beyond point of service. A 2% discount will apply to the energy portion of the bill to allow for losses and investment return.

If service is taken at primary voltage (that is, customer owns primary and transformers) and metered at secondary voltage, a 1% discount will apply to the energy portion of the bill to allow for investment return.

Street Lighting

	Current Rate	2025
Customer Charge	\$20.50	\$21.50
Energy Charge	\$.0820	\$.0860

Security Lighting

	Current Rate	2025
Metered Charge 70 Watt LED	\$6.50	\$6.50
Unmetered Charge 70 Watt LED	\$8.50	\$8.50

CONDITIONS AND PROVISIONS APPLICABLE TO ALL CUSTOMERS

1. Prompt Payment Provisions: All charges are net. If the bill is not paid or received by mail by the due date, a late payment charge of 8.0% of the balance due will apply. If the due date falls on a Saturday, Sunday, or Holiday, the due date will be the next working day.

**MINNESOTA HOUSING FINANCE AGENCY
MINNESOTA CITY PARTICIPATION PROGRAM**

**PROGRAM APPLICATION
COMMITMENT AGREEMENT**

THIS APPLICATION AND AGREEMENT (this “Agreement”) is between City of St. James with its office at 1205 6th Ave South, Saint James, MN 56081 and Minnesota Housing Finance Agency ("Minnesota Housing"), with its office at 400 Wabasha Street North, Suite 400, St. Paul, MN 55102.

RECITALS:

A. Minnesota Housing, under the provisions of Minn. Stat. §474A.061, Subd. 2a is authorized to issue qualified mortgage bonds, as that term is used in the Internal Revenue Code of 1986, as amended (the “Code”), on behalf of the City, and it will issue bonds for that purpose (the “Bonds”).

B. The City applying to participate is a Minnesota city, county, city or county housing and redevelopment authority, economic development authority, port authority or a consortium of local government units, as defined by Minnesota Statutes §474A.061, Subd. 2a(c).

C. Minnesota Housing has implemented Minnesota Housing Finance Agency Minnesota City Participation Program (the "Program") and will use the proceeds from the issuance of the Bonds to fund the Program.

D. The City has requested and received a set-aside of funds from the Program.

E. The City wishes to obtain a commitment by Minnesota Housing to direct Minnesota Housing’s designated Master Servicer (the “Master Servicer”) to purchase mortgage notes ("Mortgages") that will be originated by a lender or lenders that meet Minnesota Housing requirements for participation in programs funded by qualified mortgage bonds (collectively, the "Lender”).

F. Mortgages that the Master Servicer purchases pursuant to the commitment requested by the City must only be for residences located within a geographic area to be established and designated by the City.

G. Minnesota Housing is willing to issue a commitment agreeing to purchase Mortgage-Backed Securities backed by Mortgages that are (i) originated by the Lender; (ii) purchased by the Master Servicer; (iii) in accordance with the terms and conditions of this Agreement, the Program, and the Start Up Procedural Manual to be supplied by Minnesota Housing (the "Procedural Manual"), the provisions of which are hereby incorporated by reference into this Agreement as if set forth in full herein; and (iv) made to borrowers with adjusted incomes not exceeding the greater of 80 percent of statewide or area median income as calculated by Minnesota Housing.

NOW, THEREFORE, in consideration of the covenants contained in this Agreement, Minnesota Housing and the City agree as follows:

1. **City Requirements.** All Mortgages submitted to Minnesota Housing for purchase under the Program must comply with all of the requirements of the Program, the Start Up Procedural Manual and this Agreement.

2. **Commitment and Commitment Amount.** The City, which applied in January 2025 for a commitment, hereby requests that Minnesota Housing cause its Master Servicer to purchase Mortgages that have been originated by the Lender and meet the requirements of, and are made in accordance with the provisions of, this Agreement, the Program, and the Procedural Manual. Minnesota Housing, by accepting this Agreement, commits to the purchase of those Mortgages in the aggregate principal amount (the "Commitment Amount") to be determined and allocated

by Minnesota Housing in accordance with Minnesota Statutes §474A.061, Subd. 2a(d), and provided to the City.

The Master Servicer will only purchase Mortgages pursuant to this Agreement securing property that, and borrowers who, satisfy the requirements and provisions of this Agreement, the Program, and the Procedural Manual. The City acknowledges that the commitment is effective upon the approval thereof by Minnesota Housing and the delivery of a copy of this Agreement by Minnesota Housing to the City.

3. **Lender Qualifications.** Lenders must meet Minnesota Housing requirements for participation in programs funded by qualified mortgage bonds.

4. **Commitment Term.** The term of this Agreement and the City's participation in the Program (the "Commitment Term") will commence on January 16, 2025 and shall continue through November 30, 2025. This Agreement, and the City's participation in the Program, will automatically terminate, without the need for any action by either party hereto, at the end of the Commitment Term.

5. **Set-Aside Term.** The Commitment Amount will be set-aside and held by Minnesota Housing for the sole use by the City for a period of time to be established by Minnesota Housing, in its sole option and discretion, provided, however, that time period will not be less than six months (the "Set-Aside Term") commencing on a date to be selected and specified by Minnesota Housing. Minnesota Housing will notify the City in writing of the date on which the Set-Aside Term commences.

Any portion of the Commitment Amount not reserved for the purchase of qualifying Mortgages as of the end of the Set-Aside Term shall be canceled and returned to Minnesota Housing for redistribution under the Program. In addition, any portion of the Commitment Amount reserved for Mortgages that are not delivered to the Master Servicer for purchase within the time period delineated in the Procedural Manual for that purchase, will be canceled and Minnesota Housing will redistribute that amount under the Program. Minnesota Housing may make any funds available to the Program at the end of the Commitment Term for mortgage loans that are eligible to be financed with proceeds of the Bonds.

6. **Commitment Fees.** There is no commitment fee payable by the City for the commitment by Minnesota Housing to the purchase by the Master Servicer of qualifying Mortgages.

7. **Purchase Price.** The purchase price of each Mortgage to be purchased by the Master Servicer pursuant to this Agreement will be as set forth in the requirements of the Procedural Manual and posted on Minnesota Housing's website.

8. **Mortgage Terms.** The terms and conditions for all Mortgages, including but not limited to the interest rate, will be set from time to time by Minnesota Housing, at its sole option and discretion, and communicated to the Lender in accordance with the procedures set forth in the Procedural Manual.

9. **Area Limitation.** Minnesota Housing, pursuant to this Agreement, is required to purchase only those Mortgages that are for residences located within a geographic area to be established and designated by the City.

10. **Servicing.** The servicing of Mortgages shall be the sole responsibility of the Master Servicer or one or more other entities that Minnesota Housing may designate in its sole discretion.

11. **Contract Documents.** The purchase by the Master Servicer of each Mortgage pursuant to Minnesota Housing's commitment is a contract consisting of this Agreement and the provisions and requirements contained in the Procedural Manual, with all amendments and supplements thereto in effect as of the date of Minnesota Housing's acceptance of this Agreement.

12. **Paragraph Captions and Program Headings.** The captions and headings of the paragraphs of this Agreement are for convenience only and will not be used to interpret or define the provisions thereof.

13. **Applicable Law.** This Agreement is made and entered into in the State of Minnesota, and all questions relating to the validity, construction, performance and enforcement hereof will be governed by the laws of the State of Minnesota.

14. **Agreement Conditional Upon Minnesota Housing Approval.** This Agreement will be a binding obligation of Minnesota Housing upon its execution by Minnesota Housing and delivery of a copy of the same to the City; provided, however, Minnesota Housing may, in its sole option and discretion, any time on or after January 16, 2025 revoke such obligation and terminate this Agreement if the City has not fully executed and returned a fully executed original hereof to Minnesota Housing. That revocation and termination will be accomplished and evidenced by Minnesota Housing notifying the City thereof by way of a “Certified Letter - Return Receipt Requested” addressed and delivered to the City. Upon revocation and termination this Agreement will be null and void and of no force or effect.

15. **Issuance of Bonds.** The City hereby authorizes Minnesota Housing to issue, on behalf of the City, qualified mortgage bonds, as that term is used in the Code, in an amount equal to the Commitment Amount, and Minnesota Housing agrees to issue those bonds if and when federal law authorizes and Minnesota Housing deems it is economically feasible to do so.

ELECTRIC SERVICE POLICY

STANDARD OPERATING PROCEDURES

TEMPORARY SERVICE.

It shall be the responsibility of the property owner or the contractor, for the installation of the temporary meter pedestal and all other equipment necessary for a temporary service. The line and load shall be the responsibility of the property owner. The City of St. James Electric Department shall not install any temporary service, but the Electric Department will install necessary connection equipment, only to the appropriate vault.

The property owner shall be responsible for any equipment use, wire, poles and all other equipment from the transformer, required to hook-up the temporary service.

The City of St. James Electrical Department shall furnish all necessary meters and transformers, only at the voltage deliverable at that location.

All temporary services shall be approved by the City Electrical Department before commencing with the construction and before energizing of the temporary service.

SERVICE CONNECTION FEE.

Unless otherwise specified in these policies and procedures, the City Electrical Department shall charge the cost of materials, plus 15% of any additional cost incurred for the installation of a service line (overhead or underground) from the transformer to the meter socket.

OVERHEAD CONSTRUCTION – COMMERCIAL & RESIDENTIAL SERVICES.

The City Electrical Department may provide overhead equipment at the discretion of the Light Superintendent. If approved, the City Electrical Department shall install all the necessary transformers to the distribution system for a new service. The cost for the new service shall be set at the discretion of the Light Superintendent.

If a property owner wishes to upgrade an existing service, the cost shall be charged according to the Service Connection Fee outlined in this policy.

In the event that new wire must be used for the upgrading of an existing service, the cost shall be charged according to the Service Connection Fee outlined in this policy.

UNDERGROUND CONSTRUCTION – NEW DEVELOPMENT & MUNICIPAL IMPROVEMENTS.

All new development area will have underground primary cable, secondary cable and house services. The City Electrical Department will provide and install pad mounted transformers, secondary pedestals, primary cable and other equipment necessary to service the new area.

For underground construction performed in conjunction with the electric system improvement plan developed by the City Electrical Department, the City Electrical Department shall furnish and install the primary cable, service pedestals, transformer pads and other necessary equipment required in the area being converted.

If the event a property owner wishes to upgrade an existing underground service in a new development area, or as part of the municipal electric system improvement plan, the cost shall be charged according to the Service Connection Fee outlined in this policy.

UNDERGROUND CONSTRUCTION – INDIVIDUAL CONVERSION.

A customer desiring conversion from existing overhead service to underground, which is not part of the municipal electric system improvement plan, shall make a written request to the Light Superintendent. The Light Superintendent shall obtain the necessary easements and schedule the installation.

The customer shall pay for the cost of conversion from overhead to underground or upgrading existing underground. The cost shall be charged according to the Service Connection Fee outlined in this policy.

Underground installation construction shall occur between the months of April and October, and construction may be started earlier than April or extended past October at the discretion of the Light Superintendent.

The City Electrical Department reserves the right to refuse to place underground facilities where, in its judgement, such is not acceptable.

UNDERGROUND CONSTRUCTION – COMMERCIAL AND INDUSTRIAL.

The City Electrical Department will provide the transformer for commercial and industrial service and the customer shall pay 100% of the cost.

The City Electrical Department shall order all transformers, and all transformer locations, KVA size, primary voltage and all other transformer specifications must be approved by the Light Superintendent.

The City Electrical Department will install the primary cable, primary and secondary terminations, and the primary and secondary luges, and the City Electrical Department will install the transformer pad. The customer will be responsible for the secondary wire and associated equipment.

Charges for a single phase commercial and/or industrial service shall be charged according to the Service Connection Fee outlined in this policy.

Underground installation construction shall occur between the months of April and October. Construction may be started earlier than April or extended past October under extenuating circumstances at the discretion of the Light Superintendent.

The City Electrical Department reserves the right to refuse to place underground facilities where, in its judgement, such is not acceptable.
