Americans with Disabilities Act

The City of Stonecrest does not discriminate on the basis of disability in its programs, services, activities, and employment practices. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact the ADA Coordinator, Sonya Isom, as soon as possible, preferably 2 days before the activity or event.

The bicycle pedestrian trail plan has been adopted. City Engineer Hari Karikaran stated the recommendation is divided into three categories; sidewalks, bicycle & trail master plan and spot projects. The adopted plan is hundreds of pages and is located on the city's website under Major Plans. The City Engineer gave an additional review of the plan as well as a review of the map, showing the trail.

Mayor Jazzmin Cobble stated as we prepare for the capital improvement budget, you will see some of the priorities are based on budget and confirm work from more than one project. These plans are also helpful in showing the needs for grants.

b) Analysis of road paving unit costing.

Mayor Pro Tem Turner stated in the past there have been questions about monies that are left over and if contracts can be extended. City Manager Scruggs also responded to public comments. It was stated the bid packages include firm numbers.

Mayor Pro Tem Turner led a discussion on Panola Shoals.
