Subject: Application Gas Station/Convenience Store/Liquor Outlet 5961 Chupp Way

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Greetings,

I regret having to write to you about a proposed gas station within 500 feet of my front door.
I prefer to contact the City of Stonecrest only in praise of an employee or your actions.

Unfortunately, my situation is such that it is necessary for me to for my concerns to you. During the third week of October, I received a letter indicating notice of special land use permit application. The application has been submitted to the City of Stonecrest for land within 500 feet of my front door. This letter was only sent to some of the residents within 500 feet of the proposed site. Our Homeowners Association wasn't notified until after the meeting was held with Brady Hughes and Shane Lanham therefore, attendance consisted of a few residents of Wellington Manor and Tiburon.

The property location is 5961 Chupp Way, Lithonia, GA 30038, The proposed development is for a Convenience Store & Retail with 8 Fuel Pumps & Alcohol. I attended the meeting held via Zoom and was greatly distressed that the City of Stonecrest accepted an application for a business in a residential area. Has anyone from the City of Stonecrest physically visited this location prior to the application to consider rezoning? This is a residential neighbor with one entry and exit which is Fairington Drive.

The following gas stations and liquor stores are in the vicinity of my home:

Nnn Petroleum .5 miles
QuikTrip 1.3 miles
Murphy USA 1.2 miles
BP 1.3 miles
Citgo 1.6 miles
Shell 1.5 miles

Chervon 1.9 miles

Texaco 2.0 miles

Exxon 2.1 miles

*Most recently a QuikTrip is being built on the corner of Covington Hwy & Lithonia Industrial Blvd

State Wine & Liquor 1.3 miles

Fairington Wine and Spirits 1.2 miles

New Era Drive Thru 1.6 miles

Lithonia Package Store 1.9 miles

Panola Package Store 2.0 miles

Salem Package Store 2.1 miles

These establishments are listed to indicate **we do not want a gas station near our home**. I'm concerned with an increase in crime, trash (Fairington Road and Fairington Drive are littered with trash daily), environmental hazards and safety for myself and other community members. This gas station will not increase the value of my home. Within the vicinity of the proposed gas station is a day care. What consideration is given for the safety of the children enrolled in this establishment? Stonecrest is oversaturated with liquor stores, dollar stores, gas stations etc that are not enhancing this vicinity of Stonecrest. If anything, this land should be considered for green space or residential. As a 20+ year resident of Lithonia/Stonecrest I'm distressed greatly that the City of Stonecrest would consider this application for such a business on such a small street/intersection.

I'm requesting that this application isn't approved. I do not want this gas station/convenience store/liquor outlet due to crime, litter, decreasing my property value, and traffic congestion on 5961 Chupp Way, Stonecrest, GA! I care about what happens in my community!

Sincerely,
Stephanie Garrison

Good evening City of Stonecrest,

We Oppose:

LAND USE PETITION: SLUP-20-007 & SLUP-20-008 PETITIONER:
Fairington Road Center LLC c/o Brady Hughes, Mahaffey Pickens Tucker, LLP
LOCATION: 5961 Chupp Way CURRENT ZONING: M (Light Industrial) Zoning District
PROPOSED DEVELOPMENT: Requesting Special Land Use Permit for the development of convenience store with accessory fuel pumps and alcohol outlet.

We **oppose** the Special Land Use Permit. There are too many establishments like this in the area already like Dollar General, Family Dollar, Shell Marathon, BP, Chevron, etc. There is no need for this land use petition to be approved. Gas stations with c-store and alcohol outlets should never be in the heart of our neighborhoods, please drive by this area you will see many living communities, day care, and church. I am humbly asking the City of Stonecrest to deny this petition.

Best Regards,
Rhonda Care

Good morning to council and members of City of Stonecrest,

Hope everyone is well!

Please imagine yourself in my shoes and waking up to a gas station and a liquor store that you and your kids can see from your window and your doorstep. Please come see this site. Gas stations with c-store and alcohol outlets should never be in the heart of our neighborhoods, please drive by this area you will see many living communities, day care, and church. Good afternoon to council and members of City of Stonecrest,

Hope everyone is well!

We would like to iterate this. Please imagine yourself in my shoes and waking up to a gas station and a liquor store that you and your kids can see from your window and your doorstep. We have over 200 signatures and counting for this petition. Please come see this site. This is not a safe nor family safe. The fact this is even proposed is extremely ridiculous from the City of Stonecrest. Please take this matter into extreme seriousness.

Good evening City of Stonecrest,

Hope all is well!

I am a citizen of the City of Stonecrest and proudly live here. We have an outsider coming in, who does not live here or care for us, wanting to pollute our city with crime and injustice. This is extremely unjust. Please imagine yourself in my kids shoes running into flowing traffic while riding my bike. Put yourself into my shoes to see drunks walking near our neighborhoods. We need to keep our city and area safe. Please reject this petition, as it should have never made its way this far. I am extremely concerned for anyone who says yes to this. Business is one thing and safety of our community is another thing. Please choose the right side as you have an impact on the great good of our community. I appreciate you for reading this and hope we can reside on the right path of this petition.

I'm respectfully asking the planning and zoning and the council to deny this petition. This gas station and c-store will block our entry in our community and bring in more traffic and congestion. This will increase traffic violations on Chupp Way, will have to increase police patrol in the area, and add traffic signal lights inside Chupp Way. We feel this type of business of selling fuel, beer and wine, and being open late hours, will be a safety and pollution/environmental concern for our children and adult residents. A lot of residents walk, run, and bike in this area. This business will increase traffic, attract additional transients to the area, will encourage loitering, increase crime, and will bring chemical, noise, light, and trash pollution to our neighborhood.
