Re: Application of Shiv Stone Inc. for rezoning and SLUP at 3310, 3320 and 3330

Dear Neighbors:

Please be advised that the applicant will be requesting a deferral at tonight's planning commission meeting. We will be seeking a deferral for several reasons. You may recall I mentioned at the neighborhood meeting that one of the partners in the applicant's company along with his wife was severely injured in the New Zealand volcano explosion. Tragically, his wife passed away from her injuries and he is still in New Zealand and his hopeful recovery will take far longer than anticipated.

As for the project itself, based on the comments received, we are going back to the drawing board to remove the assisted living portion and considering adding other retail and office uses to go along with the gas station/convenience store. Hopefully we can come up with a concept that will be more palatable to the community.

Sincerely,

LOBER & DOBSON, LLC
