Business

1. Consideration of an action on a request to allow DeKalb County to utilize the GMC building for election purposes, requested by City Clerk Shavala Ames

City Clerk Shavala Ames presented a request from DeKalb County to use the GMC building as a polling location for upcoming countywide elections. The County would be responsible for setup and operations during the election period and recommended a usage fee of \$100 per day to cover facility access and any associated costs incurred by the City. City Manager Edmondson provided additional context, noting that this agreement would serve as an initial step toward broader collaboration with DeKalb County. He indicated that the City of Stone Mountain is expected to enter into a separate agreement with the County at a later date for the administration of its municipal election and that allowing the County to use the GMC facility not only supports the electoral process but also helps strengthen the City's working relationship with DeKalb County.

49 and Doraville have already opted in. Members of the governing body expressed concerns about
50 the potential implications for the City if it follows suit. Attorney Strickland offered legal insight,
