Property owner Taylor Kanute of Harbin Street LLC is requesting a rezone of property **O S.** Harbin Drive, Parcel R73763, of SOUTH SIDE ADDITION, BLOCK 19, LOT 15, of the City of Stephenville, Erath County, Texas, from (B-2) Retail and Commercial Business to (PD) Planned Development. request and approval of the Planned Development will be considered at the April 2021 meeting

Steve Killen, Director of Development Services, briefed the Commission on the case. This case was being heard tonight in order to evaluate the conceptual plan and provide direction to the applicant in regard to the Commission's desires for the project. The intended project for the requested zoning is for the construction of mixed-use, planned development with attached residential and limited commercial (retail/restaurant/office) fronting on Harbin Street.

Taylor Kanute, applicant, explained to the Commission that the desire was to develop the 7 acres on Harbin Drive which would consist of 5.5 acres to be set apart for 62 Townhomes and 1.5 acres for retail, restaurants and commercial. He presented to the commission for their review, a conceptual drawing that was modeled after townhomes that have been built on Floral Street in Stephenville earlier in the year.

Commissioner Lesley voiced his concern regarding water run-off and drainage pond placement.

No formal action was taken at this time.
