Reason for Applying

I have reached a point in my life where it is time to focus my efforts on representing and improving my hometown in whatever capacity I am able to serve. My girls are now grown and it is time to step up and help others as well as be more active in the behind-the-scenes activities that make this town a great place to live.

Educational Background

Currently a senior at Tarleton State University. I expect to graduate in May 2022 with an Applied Science degree with a Business Administration concentration. I plan on continuing my education at Tarleton and pursue a master's degree in Quality and Engineering Management.
Graduated Stephenville High School May 1992

Occupational Background

I have been employed with TechnipFMC since August 28, 2000. I started as a machinist and have held several positions throughout my career. I am currently a Senior Supervisor and oversee the safety and production of 20+ direct reports on a daily basis. While striving to achieve financial goals for the company, our team is constantly aspiring to improve and look for leaner and better ways to deliver quality products to our customers that will exceed performance expectations under strenuous conditions.

Relevant Experience

We focus on teamwork and betterment for our customers on a daily basis. This requires intense focus, open and honest dialogue, and true collaboration to arrive at a destination that is best for everyone. This is important as being on a team and being willing to hear what others have to say and not be closed-minded to alternate opinions truly allows everyone in the group to contribute. No one person has all of the best ideas, but a diverse group of people who are willing to put personal agendas aside and focus on the task at hand will always deliver results. I am a firm believer in that and my experience in developing teams that work toward a common goal would be a valuable resource.

Community Involvement

Up to this point, the majority of my community involvement was through my children. Whether it be in the schools they were in at the time or working alongside the former percussion director, Michel Wimberly, for the last seven years as the percussion parent for the Yellow Jacket Band. As an employee of TechnipFMC, I have coordinated yearly highway trash pickups along the Northwest Loop that TechnipFMC employees and volunteers patrol. I am currently a member of the 2022 Leadership Stephenville class and a new volunteer for Meals on Wheels.

Small Business - Corporations, partnerships, sole proprietorships, or other legal entities; independently-owned; fewer than 20 employees or less than \$1,000,000 in gross receipts

Reason for Applying

I would like to apply my business knowledge, enthusiasm and experience in aviation to better the community's investments. I also want to help improve the experiences at Clark Regional for the taxpayers, visitors and industry that utilizes the airport directly and indirectly.

The airport is an economic hub and a huge asset to the community that I feel is often overlooked and undervalued. I want to put efforts into advocating for the economic impact that our airport has and the potential it has by working to insure the resources to continue this are available to maintain and to grow smart and effectively.

Educational Background

Reason for Applying

Economic development to grow and diversify Stephenville's economy is necessary to create more jobs, expand the tax base, and generate more revenue from local sales and property taxes without having to raise rates. Although I'm a strong believer in free market libertarian economics, I also recognize the value of government initiatives to promote economic growth and development. Having been a member of the SEDA Board of Directors for the past 4 years, I've been most impressed with the leadership of its President and Vice President and other Board members in promoting economic development and I wish to remain supportive of their efforts and those of the City Council as well. I believe the knowledge I've acquired in my graduate studies, as a participant in Stephenville's governance and through participation in community activities such as Leadership Stephenville and the Citizens Police Academy have helped and will continue to help in the making of decisions to advance Stephenville's best interests.

Note: I neither own a business myself nor have a financial interest in any other business in Stephenville or elsewhere. I am a widower but my late wife's relatives consider me to still be part of their family. My late wife's older sister owns the Santa Fe County Taco Company. Hence I checked "yes" to the question of whether or not I or "a family member" own a local business. I do not know the degree, if any, to which I am legally related to her.

September 1995 - May 1996: Temporary Network Trainer (Contracted by Semester) Wayne State College, Wayne, Nebraska 68787.

Supervisor: Dr. Bob McCue (402-375-7232).

Duties and Responsibilities: Supervised the computer labs, statistical analysis regarding computer lab usage and supervision of student lab monitors. Additional duties included training faculty and staff on the use of network software.

April 1992 - July 1995: Administration Technician II, Special Projects Assistant, Classification and Treatment Division of the Texas Department of Corrections-Institutional Division (TDCJ-ID, Huntsville, Texas).

Supervisor: Mr. Bob Moore (903-437-6448).

Duties/Responsibilities: Performed data analysis on special projects, coordinated county compliance with state parole requirements, conducted surveys on Victim Impact Statements in conjunction with the Crime Victim's Clearinghouse and Pardons and Paroles Division (PPD). I assisted in compiling statistics on volunteer programs. Summarized proposed legislation in regards to potential impact on the prison system, and represented TDCJ-ID at the Governor's Conference for Crime Victims. Assisted the Attorney General's office in collecting records for the defense of TDCJ employees involved in inmate lawsuits and in tracking Victim Impact Statements. Answered inmate correspondence, and assisted the Records and Social Services Department wherever needed.

June 1993 - August 1993: Museum Guide, Sam Houston State University, Sam Houston Memorial Museum, Huntsville, Texas.

Supervisor: Dr. Pat Nolan (409-294-1832).

Duties/Responsibilities: Historical interpretation.

October 1990 - December 1991: Seasonal Worker II, Texas Parks and Wildlife, Starr Family State Historical Site, Marshall, Texas.

Supervisor: Ms. Sandy Peterson.

Duties/Responsibilities: Developed educational programs, drafted grant applications, performed public relations, acted as liaison between the Chamber of Commerce and the regional and state offices of the Texas Department of Parks and Wildlife, and provided guided tours of the site.

August 1990: Temporary Consultant for the Carnegie History Center (CHC), Tyler, Texas.

Supervisor: Board of Directors (Mr. Bill McGinnis, President).

Duties/Responsibilities: Trained new director of CHC as well as assisting with public relations during transitional period.

September 1989 - July 1990: Executive Director, Carnegie History Center (CHC), Tyler, Texas.

Supervisor: Board of Directors (Mr. Bill McGinnis, President).

Duties/Responsibilities: This position incorporated the duties of museum educational director with additional duties of total facility resource management. This included the development and implementation of programs for enhancing minority relations and encouraging cultural diversity within the community. I worked with the Board of Directors on preparing budget requests and allocations. I was liaison between Museum Board and the Tyler Chamber of Commerce and the Tyler Main Street Program.

Employment, continued:

October 1987 - August 1990:

Educational Director and Volunteer Coordinator, Carnegie History Center, Tyler, Texas

Supervisor: Mr. Geoffrey Willbanks.

Duties/Responsibilities: Developed educational programs; drafted grant applications developed fund-raising activities. I performed public relations activities; acted as a liaison between Carnegie History Center, Chamber of Commerce, City of Tyler, Smith County Commissioners, surrounding School Districts, other historical organizations, civic organizations, and other museums across Texas and the United States. I gave presentations to civic organizations, the Tyler Chamber of Commerce, historical societies, schools, other museums across Texas and various other organizations. Also, I co-produced two audio-visual programs. Coordinated volunteer activities for Jr. High, High School, adults, and senior citizens, and assisted the director, curator, registrar, and exhibit designer.

January 1985 - September 1987: Community Services Coordinator, Tyler Metropolitan YMCA.

Supervisor: Mr. Jerry Russell.

Duties/Responsibilities: Developed and implemented the After School Child Care Program. This program operated at ten elementary schools within the Tyler Independent School District. I was responsible for all phases of program operation including working with the Texas Department of Human Services in licensing school facilities for the program. I performed all aspects of human resource management (including personnel management, minority recruiting, affirmative action, and minority relations). Also, I developed educational programming; raised funds (through United Way and writing grant proposals) and enrollment of students into the program. I supervised summer camping and summer child-care programs for the YMCA.

In revitalizing the YMCA's Youth and Government program in Tyler area high schools, I was able to work with governmental officials, lawyers, and judges in training the students for miscellaneous offices, various aspects of the law, the procedures in creating legislation, and the effects of the law on citizenry and the criminal justice system. Students from these high schools replicated positions in the legislature, executive, and judicial branches of the government. The students participated in district as well as state competition in Austin, Texas. As a result of the success of this program I became involved in planning, and other support duties for the program on a statewide basis, as well as the actual implementation of the program throughout East Texas.

I acted as a liaison between YMCA, Chamber of Commerce, City of Tyler, Smith County Commissioners, surrounding School Districts, civic organizations, United Way of Tyler, and other YMCA's across Texas: gave presentations to civic organizations, the Tyler Chamber of Commerce, United Way, schools and school boards, other YMCA's across Texas and various other organizations.

Small Business - Corporations, partnerships, sole proprietorships, or other legal entities; independently-owned; fewer than 20 employees or less than \$1,000,000 in gross receipts

Reason for Applying

I believe recreational opportunities for children and adults are central to a happy and healthy community. I have spent my entire professional career growing sport opportunities for youth athletes as well as advocating for collegiate athletes. I have lived in several small communities all over the country and have watched parks and recreation departments grow and evolve to suit the growing needs of the community. I am applying so I can advocate for the recreation and leisure department and help maintain, grown and evolve our offerings to meet the needs of our community. I believe a strong commitment to recreation and wellness is essential to any community.

Healthcare - Provider of goods and services contributing to the care of others

Reason for Applying

I would like to become more involved in community matters. Although I have not attended a city council meeting, I do watch the live meetings online. My daughter is very active in SPARD and my husband volunteers coaching for multiple teams. I would like to be involved in an advisory board for SPARD to improve the experience for our youth.

Educational Background

BS in biomedical science - Tarleton state university

Medical doctorate - UTMB Galveston

Occupational Background

Cross timbers orthopedics - since august 2020 (orthopedic surgeon)

I held many job positions when attending Tarleton state university from 2007-2010 and was employed by the university as a tutor and supplemental instructor.

Relevant Experience

Involved in student government at Tarleton and in medical school at UTMB

Community Involvement

We have not yet been able to have or hold positions in the community as this is our second year here. However, my husband coaches multiple SPARD teams, we are involved in supporting the optimist club auction, chamber banquet, Cross timbers family services banquet, and multiple other charitable causes in the community.

Education - Serving in higher education at high school level or beyond

Reason for Applying

Literacy and public libraries are very important to me. My wife and I relocated to Stephenville last year after spending the previous 13 years in Illinois. We are settling into the community and I am wanting to be involved in serving the community . Due to the pandemic, we were not able to get involved last year. We recently bought a house in the Walking Horse subdivision so I am registered to vote in Texas and Erath County but I don't think I can vote in Stephenville anymore.

Educational Background

Phd in English Literature, Texas A&M University

MA in English Literature, Texas A&M University

BA in English Literature, University of Wyoming

Occupational Background

Department Head and Professor, English and Languages, Tarleton State, 2020-Present

Interim Department Chair and Professor, English, Western Illinois University, 2019-2020

Director, University Writing Center, Western Illinois University, 2018-2019

Assistant and then Associate Professor, Western Illinois University, 2007-2018

Instructor of Book History, Book History Workshop, Texas A&M University, 2005-Present

Curator for Outreach, Cushing Memorial Library and Archives, Texas A&M University, 2004-2007

Relevant Experience

I have a great deal of experience working with, in, and around books and libraries both as a professor of English and a curator for outreach for a special collections library. In particular, my work in the library focused on outreach activities to the university and surrounding communities, including but not limited to exhibitions, publications, tours, public programming, media interviews, etc.

I have served on, as well as chaired, an extensive number of committees in my years in higher education.

Community Involvement

I have been involved with the community in Illinois primarily through giving public talks, including speaking on Shakespeare at the Unitarian Universal Fellowship, serving as guest "expert" for the Macomb Public Library Mystery Book Club, serving as game design judge for a community celebration of Lizzie Magie, participating in focus/research group for cycling initiative in Macomb, judging academic rodeo essay for county fair in central Texas. I also participated in and assisted with the local community garden in Macomb.

General Public - Defined as those persons having no economic interest other than a normal consumer

Reason for Applying

Recently relocated my family to the area and I am interested in applying my skills and experience to the community in which I anticipate living in for the duration. I believe that citizens should serve as they can, when they can to achieve long term effects beneficial to the health of the community. I am currently at a point in my life when I can serve and see this as an opportunity to serve the interests of my family by serving the community so it can achieve long term objectives beneficial to all.

Educational Background

Post-graduate degree from American Public University in International Peace and Conflict Resolution.

Post-graduate degree from Biola University in Religion and Science.

Bachelors degree from Embry-Riddle Aeronautical University degree in Aeronautical Science.

Occupational Background

Currently perform as a Bell 407 and 206L1/3/4 maintenance pilot for functional quality capability as well as part 135 rapid medical transit unscheduled charter services in the rural communities of Texas. After retiring I served overseas as a King Air Captain (B200) for surveillance mission of counter-IED in support of OIF coalition forces in Iraq. As a qualified PC I flew reconnaissance missions and was responsible for the safety of 4 crew and providing near real-time surveillance in a conflict zone. I am also retired after 21 years in the USMC. During that time, I performed in various roles and responsibilities to include but not limited to serving as diplomatic liaison with senior military and government leadership to achieve U.S. national and security objectives. I was a mission commander for American Embassy King Air (B200) to extend U.S. presence and influence in South East Asia. Served in aviation combat requirements development by advising senior leadership on equipment purchases compatible with USMC warfighting doctrines and interoperability with other services. Performed as a flight instructor and combat mission qualified UH-1N (Bell 212) pilot. Completed two shipboard deployments to the Middle East and South East Asia. Served as subject matter expert, flight safety and standards, ground training, and simulator systems coordinator for UH-1N. Lead logistics officer and aviation maintenance manager for composite aircraft/helicopter squadron.

Relevant Experience

As a an active member of the aviation community with a wide range of rotary and fixed wing experience I can utilize that background and current participation as a resource for aviation decision making. As a master's graduate I frequently conducted extensive research at libraries and have for many years sought out the resources made available at libraries in many states. As a father of two

younger children, an outdoor enthusiast, and a proponent of healthy living I have been and remain concerned about the availability, planning, and capabilities of outdoor recreation and greenspaces that are provided to the community at large.

Item 1.

Community Involvement

Being new to the area I have yet to actively engage in the community. In Gillespie County I participated as a concerned citizen in various discussions on issues such as, property tax, city zoning ordinances, the DOT highway bypass proposal, and the Permian Highway pipeline by keeping informed, providing input, and voting.

Reason for Applying

I have lived in Stephenville since 2015, when I moved here for my job with Tarleton State University. My daughter is close to graduating from Stephenville Hight School and I am wanting to become more involved in my community in an official role. With my daughter graduating soon, I will be able to dedicate my time and talent more so than I would have in the past.

Stephenville is unique in that it is made up of different communities of people, within a growing population that is continually expanding and changing. We have people that are local and have generational roots here, we have transplants that maybe came for college and fell in love with the community and want to raise their families here and then we have college students who are here for 4-6 years and bring a unique outlook and have quite a bit of disposal income to use here. I am one of those that came here after researching the school districts for my daughter and the community. I was able to find a job at the university and I love the fact that the town is growing but still puts an emphasis on retaining the small town feel and focus of community and home.

Educational Background

Bachelors in Business from Midwestern State University

Masters in Communication from Tarleton State University

Occupational Background

I work in the Alumni Association of Tarleton State University, as the Assistant Director.

I spent many years in the corporate finance world in downtown Dallas in accounting with World Travel BTI.

I worked 5 years in Healthcare as the Executive Assistant, head of HR and as the Public Relations officer for Stephens Memorial Hospital in Breckenridge. I also headed up the Foundation Board of Directors for fundraising and community relations.

Relevant Experience

I currently work with the Tarleton State University Alumni Association Board of Directors.

Previous work with the Board of Directors of the Stephens Memorial Hospital as well as the Foundation Board of Directors for the hospital.

Education - Serving in higher education at high school level or beyond

Reason for Applying

I think it is important that a member of the Board of Adjustment be an excellent reader, fair-minded adjudicator, and a reliable worker (someone you can count on). With a Ph.D. in English, I am a close and careful reader and interpreter of ordinances and laws. Also, I bring the skills of diplomacy and rationality to the position. I have been a member of this Board for several years, so I bring to it institutional memory, plus an expert knowledge of protocol and Robert's Rules of Order. I have chaired this Board successfully, faithfully, and expertly for the last several years. It would be my honor and pleasure to continue to serve the city of Stephenville in this capacity. In over eleven years, I have only missed one meeting (due to my attending a professional conference out of town).

Educational Background

I have a Doctorate of Philosophy (in English) from UNT, a Masters of Art in English from UNT, an MA in Biblical Studies from Dallas Theological Seminary, and a Bachelor of Fine Arts in Radio/TV/Film from TCU. I have taught at the college-level for over 30 years.

Occupational Background

I earned my Ph.D. in 1999. I am a Full Professor at Tarleton State University. I have worked at Tarleton since 2006.

Relevant Experience

I have been a member of the Board of Adjustment either as an alternate, member, or Chair since 2010. I own 3 houses in Stephenville. I know the process and workings of city government, especially this appellate Board. I have studied law and am a former president of several organizations (Texas College English Association, South Asian Literary Association, Conference of College Teachers of English, and Rotary Club). Currently I am the treasurer of the Texas Association of Creative Writing Teachers and the South Asian Literary Association.

Community Involvement

I am a 2-time president of the Stephenville Rotary Club, especially involved with coordinating the youth scholarships (to both high school students and university students). I am the longtime host of a weekly radio program (The Beatles and Beyond) on Tarleton Public Radio (90.5 FM) and the announcer of the Tarleton State University marching band. I once ran for city council and am an active participant in local politics. I have a long track record of working well with people of all persuasions, political or otherwise. I have been the emcee of a few Veterans Day Parades in Stephenville, but am also active in statewide, national, and international organizations, having served as president of both the Conference of (Texas) College Teachers of English and the

international South Asian Literary Association. I am currently serving on the national College English Association Board of Advisors.

Education - Serving in higher education at high school level or beyond

Reason for Applying

My husband and I just recently moved to Stephenville (June, 2021), when I started a new position at Tarleton State University. I was active in my community when I lived in Macomb, IL (1993-2017), and for the four years we lived in Marshall, MN, I volunteered at the local Farmers' Market and served on the public library governing board. While I enjoyed the library board and would be willing to serve in that capacity again in Stephenville, if needed, I am hoping to do something different and the Main Street Advisory Board sounds interesting and like something I would enjoy.

Educational Background

Bachelor's degree in Political Science - University of Central Arkansas

Ph.D. in Political Science - Vanderbilt University

Occupational Background

Currently, I am the Associate Provost and Associate VP for Curriculum and Faculty Affairs, and Dean of Faculty at Tarleton State. Prior to coming to Tarleton, I was the Dean of the College of Arts, Letters, and Sciences at Southwest Minnesota State University.

From 1993-2017, I was a faculty member at Western Illinois University, then moved into the role of department chair from 2008 until I moved to Minnesota in 2017.

Relevant Experience

As mentioned above, I served on a public council (Marshall-Lyon County Public Library) in Marshall, MN, and enjoyed getting to know the community and contributing my experience with the university library to the board. I was also a volunteer at the local farmers' market, which was held weekly and actively sought grants to support low income people. The farmer's market could distribute tokens for EBT (food stamps) funds, that could be spent at the farmer's market for fresh produce from the vendors who would accept them... which was almost all of them. I served as a volunteer to run the EBT cards and distribute tokens to people at the market, and then collect them from vendors at the end of the market and record their sales from tokens. The market's administrator would distribute the equivalent cash funds to the vendors monthly. There were also grant funds to distribute different tokens ("The Power of Produce" tokens) worth \$2 to children aged 4-12 to spend at a vendor's stall on fruits or vegetables. Children could collect a \$2 token each week and save up if they wanted something pricier like a pumpkin in the fall. I helped keep track of the children who signed up and distribute the tokens to them, and again, collect those from vendors at the end of the day and record their sales for reimbursement from grant funds. Although I do not know that the Stephenville Farmers' Market is handled by the Main Street Advisory Council, I do know how events can promote downtown activity.

Lastly, and this is purely an observation on my part, both my children attended universities where the town and university worked closely together to promote activities in the community when the

university held events. For instance, at Truman State University, there was a *huge* craft and vendor fair in downtown Kirksville, MO the weekend of family weekend at the university. The university is about half the size of Tarleton but there would be a huge influx of people to town that weekend. Similarly, my daughter who went to Iowa State benefited from the relationship between merchants in town and the university when she served as the editor-in-chief of the student published fashion magazine there. And this wasn't just merchants donating things... this was collaborative relationships that benefited merchants as well. When I was at Western Illinois University, those sorts of relationships were starting to be developed (a picnic for incoming students hosted by the community), but there were a lot more opportunities to develop those partnerships. I have only been at Tarleton since July 1, so do not know what is already taking place, but those experiences and observations make me more more interested in the Main Street Advisory Council at this time.

Reason for Applying

I recently moved to Stephenville for employment and I want to be more involved in my new community. I believe that becoming a part of the board or be on council is a great way to help make a difference. I am eager to learn more about this community and how I can help. I have past experience as a Graduate Student Senator for Student Government Association at my college. I can easily switch my voter registration to Stephenville and am willing do so in order to meet requirements to sitting on the board.

Healthcare - Provider of goods and services contributing to the care of others

Reason for Applying

35 years of experience work in Health Care and Education with both for profit and non profit agencies. I feel my background in marketing and promoting programs, connecting resources and Managing Medicaid Enrollment Broker Program would align with the Senior Centers goals to build out services. I enjoy working with our Senior Population.

I am not clear on how to answer a couple of the questions? Have you ever attended a Board or Council meeting? Yes, multiple Board and Council meetings in my services area, none at the City of Stephenville. Are you a property owner within the community? Yes, outside the City Limits.

Educational Background

BBA Marketing, Tarleton State University and DSHS Certified Community Health Worker (CHW) , Certified AAA Evidence Based Program Educator and Volunteer Agrilife Educator.

Occupational Background

Education, marketing, managing community collaborations, managing grants, facilitator, project and program manager.

Relevant Experience

Served on multiple boards and coalitions in Tarrant County. In Erath County, member of the Homelessness Helps Coalition, Community Resource Collaboration Group (CRCG), EC3 Coalition and AgriLife Advisory Board. In Johnson County, Co Chair of Programs, Johnson County Resource Network meeting, Mayor's Community Task Force and AgriLife Advisory Board.

Community Involvement

As the Texas Health Program Manager, Community Health Improvement we funded two Community Impact Grants in Erath County. These focus on addressing the needs of our 40+ community members facing depression/anxiety, food insecurities and navigation to resources. Misc. volunteer duties at the Stephenville COVID Vaccine Hub. THR recently received a grant that includes Erath County to provided education, listening sessions and vaccines. Assisted with the Community Health Needs Assessment, doing key informant interviews, recruitment for focus groups. Providing updates, education and seeking input from the Southern Region Leadership Council. This Council has five members representing Erath County
