NAME, CHAIR

(This is not to be signed until the following meeting by the chair after they have been approved under the consent agenda item. For example, if you have your first meeting on 11/16/22, those minutes taken will be presented under consent agenda at your next meeting (ex. 2/15/22) Once they have been reviewed by the board and motion/second/all carried made, they would be available for signing by the Chairman. Then we would be able to file, add to website). Minutes cannot be given out until they have been approved by the board. This is to ensure there are not any discrepancies on the notes taken.
