Mission Statement

The City of Sweet Home will work to build an economically strong community with an efficient and effective local government that will provide infrastructure and essential services to the citizens we serve. As efficient stewards of the valuable assets available, we will be responsive to the community while planning and preparing for the future.

Meeting Information

A possible quorum of the City Council may be in attendance at a Water Quality Question & Answer Session located at the Jim Riggs Community Center, 870 18th Avenue, Sweet Home, Oregon.

The public is invited to a Water Quality Question & Answer Session at the Jim Riggs Senior Center on Tuesday, December 5th from 5:30 PM to 7:30 PM conducted by the City. To try to give as many people as possible the opportunity to speak, all participants providing comments or asking questions will be given up to two minutes to speak. Each person may only sign up once.

This is a City of Sweet Home event and currently, there will be no other entities available for questions and answers at this session (including the US Army Corps of Engineers). Please keep all questions related to issues within Sweet Home's control to ensure we are able to share information and answer the questions asked.

On the day of the meeting, the City will be taking speaker sign-ups in advance of the meeting by phone (541-367-8969) or email (WQInfo@sweethomeor.gov) from 10:00 AM to 2:00 PM. You do not have to submit your questions or comments in advance if you are using this method, though you may if you would like. Your full name and address are required if you want to be placed in the queue.

If you will not be able to attend in person but would like to have your questions or comments read aloud at the meeting, you may also call or email on Tuesday, December 5th from 10:00 AM to 2:00 PM. Again, your full name and address are required if you want to be placed in the queue. Any pre-submitted questions lacking these pieces of information, or which contain profanity, personal attacks, or otherwise disruptive content will not be considered for inclusion in the queue.

Additional speakers will be allowed to register in person at the Jim Riggs beginning at 4:45 PM. Again, you do not have to submit your questions or comments in advance if signing up via this method. Sign-ups will close at 5:30 PM when the meeting begins. As with pre-registration, your full name and address will be required. All speakers will be called in the order of their registration. If we are not able to get to you and your questions by 7:30, we will plan to host another meeting.

Requests to sign up via any method listed above prior to 12/5 or outside the given hours will not be included.

We will attempt to live-stream the meeting via Microsoft Teams, but due to the IT capabilities at the Jim Riggs Center, there may be challenges with audio. We will not be accepting questions submitted through Teams during the meeting. We will make every attempt to record the meeting to be shared at a later date.

The location of the meeting is accessible to the disabled. If you have a disability that requires accommodation, advanced notice is requested by notifying the City Manager's Office at 541-367-8969.

We greatly appreciate everyone's patience as we work through this difficult time as a community, and we look forward to seeing and hearing you.
