City of Sweet Home Public Art Program Policies and Guidelines

The City of Sweet Home Public Art Program Policies and Guidelines are designed to guide the City's acquisition, retention, and deaccession of public art. The City Arts and Culture Committee will administer the Public Art Program, as outlined in the following policies and guidelines.

Goals and Objectives of the Public Art Program

- Develop a program which contributes to and enhances community identity and pride;
- Provide the highest quality artwork available, promoting excellence and demonstrating diversity and variety of media;
- Increase public exhibition opportunities for artists who live or work in the Sweet Home area;
- Encourage public participation and interaction with public spaces, kindling awareness of how surroundings impact experience;
- Enrich the public environment for both residents and visitors through incorporation of the arts.

Criteria of Artwork

Highest quality of aesthetic experience is the primary criterion for selection of public art in Sweet Home. The objective of the Public Art Policy is to develop a worthwhile, enduring and varied collection of artworks that enhances, enlivens and enriches the City while reflecting the values of the community. In the context of these objectives, the following guidelines apply:

<i>Media</i>	All visual art forms and materials will be considered.
<i>Style</i>	Artwork reflecting any school, movement, method style will be considered.
<i>Range</i>	Artwork may be functional or non-functional; conceptual or tangible; portable or site-specific; folk art, craft or fine art; temporary or permanently installed, borrowed or purchased.
<i>Theme</i>	The theme of public artworks must center on Sweet Home's natural environment, natural resources, or history.
<i>Character</i>	Artworks must be appropriate in scale, media, style and content to the project and environment to which they will relate.
<i>Permanence</i>	Consideration should be given to structural and surface integrity and should not require excessive maintenance and repair costs.

- Design Elements* In addition to meeting aesthetic requirements, public art may also be asked to serve as a means of defining architectural space, e.g. establish focal points, clarify, identify, indicate boundaries, modify, and/or enhance specific spaces.
- Public Safety/ Liability* Artworks and art places must be free of unsafe conditions or other factors bearing on public liability.
- Diversity* The Public Art Program should strive for diversity, reflecting the social, ethnic and cultural fabric of the City.

Selection of Artists

Artists will be chosen based on their qualifications as demonstrated by past work, past experience with public art, and successful completion of previous projects similar in scope and demand. Selected artwork will be original work completed by the submitting artist.

Specifically excluded are works completed by students under the supervision of art instructors or completed to satisfy course requirements.

Selection Methods

Artwork may be selected by purchase, commission, donation, or by contract with the artist as part of a design team. An artwork may also be selected for purchase on its own merit, independent of the artist. Types of selection are as follows:

- Direct Selection* Artist(s) chosen directly by Selection Jury
- Limited Competition* A small number of artists are invited by Selection Jury to submit proposals.
- Open Competition* All artists are welcome to apply, subject to limitations established by Selection Jury.
- Invitation* Based on reputation and experience, an artist is invited by the Selection Jury and paid to develop a proposal.
- Donation* Triggered by a citizen offer to contribute artwork to the Public Art Program, the Selection Jury will review the work in terms of whether it satisfies stated “Criteria of Artwork” elements, and whether a suitable and appropriate site exists to exhibit the artwork.

Selection Jury

The City Arts and Culture Committee will be responsible for coordination, selection, and purchase of artwork for the Public Art Program, using the procedures established and described in this document. The Committee will appoint members to the Selection Jury. Each Jury will be comprised of at least the following:

- A minimum of two arts professionals (specifically excluding dealers, agents, or representatives of artists applying to the Jury;)
- Two members of the Arts and Culture Committee, one serving as chair of the Jury and the other as a voting member. The Chair will vote only to break a tie
- One member of the community-at-large or neighborhood association, if applicable
- Two representatives of the department or area most closely aligned with the project under consideration

Duties and Responsibility of the Selection Jury

- Review, evaluate, and discuss credentials, proposals, and/or materials submitted by the artists.
- Via majority vote, recommend the award of the commission or decide to further investigate two or three finalists.
- If further investigation of finalists is decided, draft list of information and/or additional materials required. Conclude investigation as rapidly as possible, convene for further discussion and, via majority vote, recommend awarding of the commission.
- Inform the Arts and Culture Committee in writing of Selection Jury's decision to recommend, citing reasons for selection.
- If the Selection Jury cannot reach an agreement, the matter will be referred to the Arts and Culture Committee.
- The Selection Jury retains the right to make no selection if, in its opinion, there is insufficient merit among the submissions. If this occurs, the Arts and Culture Committee will determine whether to recommend that the project be abandoned, begin a new selection process, or take some other course of action.
