Purpose of this RCA:

The purpose of this Request for Council Action is to seek authorization for the City Manager or Designee to sign a Property Line Adjustment Application affecting City Property. The affected properties are the City of Sweet Home Public Works Yard and the adjacent Family Assistance and Resource Center Group (FAC) facility.

Background/Context:

In 2022 and 2023, the City of Sweet Home assisted FAC with the acquisition of property, a flag lot adjacent to the City's Public Works Yard, which was then owned by Linn County, and the development of a facility on that property to serve residents of the City. A portion of the County owned property was partitioned off, and Linn County deeded the property to FAC. An agreement was made by the City of Sweet Home, Linn County, and FAC regarding access to the properties. Since the existing driveway (the 'flagpole' of the property) was deemed inadequate both for FAC's needs, as well as Linn County's, the City offered an easement through its property. That easement was later approved and has been functioning as the sole access into FAC's property. Current plans are in place for the access easement to be improved and serve as access into a RV dump station that Linn County has proposed to be built on its property. See the attached site map as well as Linn County Sweet Home IGA Exhibit 1.

In addition, the City has long had plans to eventually widen 24th Avenue so that it may serve as access to the property north of the adjacent railroad tracks, as well as the City-owned property beyond (the Quarry property). To further this plan, the City made an agreement with property owners at the corner of 24th Avenue and Main Street to swap property and widen the City right-of-way. Continuing this plan will require some additional land from the Public Works Yard, as well as a portion of the land that is now owned by FAC.

This property line adjustment seeks to move a portion of FAC's property, the 'flagpole' of their flag lot, to the City of Sweet Home's adjacent property. This strip of land is impacted by stormwater and wetlands and is neither usable or necessary for FAC or Linn County's development—the easement through the City's property provides everything those properties need. However, the property is usable by the City, in that it would allow the City to widen 24th Avenue in the future.

FAC has already agreed to this property line adjustment, and a land survey has been completed for this purpose. Since this application affects City property, it may only be signed by someone authorized by the City Council to do so.

The Challenge/Problem:

Should the City Council authorize the signing of this application?

Stakeholders:

- Sweet Home City Council. As the owner of Parcel 1, the City of Sweet Home, through its elected representatives, the City Council, is responsible for any land use applications affecting the properties. The City will benefit from the ability to widen 24th Avenue in the future.
- Family Assistance and Resource Center Group. FAC benefits from the access easement that the City gave through its property. FAC have agreed to the property line adjustment.

Issues and Financial Impacts:

The Property Line Adjustment will require surveying and filing recording documents with the county. We anticipate that the costs will be under \$1,000.

Elements of a Stable Solution:

Authorization to sign the Property Line Adjustment application.

Options:

1. Do Nothing. Leave the property as a flag lot.
2. Approve and authorize the City Manager or designee to sign Application PLA24-02 as presented.
3. Recommend a different configuration of property lines for City of Sweet Home and Family Assistance and Resource Center. Staff would take these recommendations and revise the proposed property line adjustment map for review at a future Council meeting.

Recommendation:

Staff recommends option 2, Motion to approve and authorize the City Manager or designee to sign Application PLA24-02 as presented.

Councilor Richards moved to approve the consent agenda. President Pro Tem Mahler seconded the motion. The motion carried unanimously.

Recognition of Visitors & Hearing of Petitions

Calvin Ames requested additional time to address code compliance concerns. City Manager Young invited him to meet with her the following week to discuss collaborating on improvements moving forward.

a) Information Only - Sweet Home Fire District Updates

Chief Tyler stated that the Sweet Home Fire District would soon be signing an agreement with the United States Forest Service to enhance the local wildland program. He noted that a partnership with the National Forest Foundation (NFF) supporting the agreement would allow for the hiring of several employees to provide control line work and improve wildfire response for the community.

New Business

a) Request for Council Action – City Attorney Contract Extension

City Manager Young stated that City Attorney Snyder offered to extend his retirement date until the City Council selected a new City Attorney and the proposed extension was to formalize the offer.

Councilor Gourley moved to approve the City Attorney contract extension. President Pro Tem Mahler seconded the motion. The motion carried unanimously.

b) Resolution No. 8 for 2024 – Various “Stop” Signs

City Manager Young stated that the stop sign additions under consideration had been sent to the Public & Traffic Safety Committee and recommended for approval by the City Council by same. She noted that some locations City Council had initially identified were still under review.

Councilor Sanchez moved to approve Resolution No. 8 for 2024. Councilor Richards seconded the motion. The motion carried unanimously.

Reports of Committees

Councilor Sanchez stated she recently met with the Family Assistance and Resource Center (FAC) Advisory Committee and was pleased to note that almost 30 clients had been housed following their stay at the facility.

Reports of City Officials

City Manager's Report

City Manager Young thanked staff and the Park & Tree Committee for their recent efforts leading to a successful Arbor Day and Kid to Park Day. She noted that there was a tentative Budget Committee meeting scheduled for May 29th. She highlighted that she filed a declaration of support for a proposed motion to intervene in a future Green Peter Reservoir drawdown.

City Manager Young stated that swings would be installed in Sankey Park before the summer. She noted that staff would host a community meeting on May 2nd to discuss a proposed park at 42nd Avenue and Osage Street. She highlighted that Sweet Home was currently the only municipality in Linn County to be compliant with the Department of Environmental Quality (DEQ) recycling requirement in 2024 and thanked Sweet Home Sanitation for their partnership in that success.

Mayor's Report

No report was given.

Department Director Reports

President Pro Tem Mahler asked of updates regarding the Traffic Safety Officer position. Chief Ogden replied that two officers would be graduating from the police academy in May so the position could be implemented fully once they were authorized to patrol independently.

Council Business for Good of the Order

Councilor Sanchez wished the community a Happy Passover. She noted the upcoming primary election on May 21, 2024, and the final day to register to vote on April 30th.

Mental Health Awareness Month 2024 Proclamation

WHEREAS, mental health is essential to everyone's overall health and well-being; and

WHEREAS, all Americans experience times of difficulty and stress in their lives; and

WHEREAS, promotion and prevention are effective ways to reduce the burden of mental health conditions; and

WHEREAS, there is a strong body of research that support user-friendly tools that all Americans can access to better handle challenges, and protect their health and well-being; and

WHEREAS, mental health conditions are real and prevalent in our nation; and

WHEREAS, with effective treatment, those individuals with mental health conditions can recover and lead full, productive lives; and

WHEREAS, each business, school, government agency, faith-based organization, health care provider, veteran's groups and citizen has a responsibility to promote mental wellness and support prevention efforts; and

WHEREAS, Sweet Home, as well as the nation as a whole, is finally returning to a more normal routine, it is important to remember that feeling anxious, confused, overwhelmed or powerless remain as common problems and are quite normal. By limiting media consumption, staying connected with loved ones and staying active we can maintain our mental health as we try to protect our physical health; and

WHEREAS, the Linn County Mental Health Advisory Board and the City of Sweet Home Community Health Committee are emphasizing that there is no health without mental health by being involved with Public Service Announcements, Health Fairs, public speakers, and various trainings regarding mental health issues;

NOW, THEREFORE, I, Susan Coleman, do hereby proclaim May 2024 as Mental Health Awareness Month in Sweet Home. As the Mayor, I also call upon the citizens, governmental agencies, public and private institutions, businesses, and schools in Sweet Home to recommit our community to increasing awareness and understanding of mental health, the steps our citizens can take to protect their mental health, and the need for appropriate and accessible services for all people with mental health conditions.

Proclaimed this 7th Day of May, 2024.

REQUEST FOR COUNCIL ACTION

Title: Request for Council Action – Resolution No. 9 for 2024 – Updating Non-Represented Management Salary Schedules

Preferred Agenda: May 14, 2024

Submitted By: Cecily Hope Pretty, Administrative Services Director

Reviewed By: Kelcey Young, City Manager

Type of Action: Resolution Motion Roll Call Other

Relevant Code/Policy: City Budget

Towards Council Goal: Infrastructure, Be an Effective and Efficient Government, Rejuvenate Essential Services, Economic Strength, Image Building

Attachments: Resolution No. 9 for 2024; Current & Proposed Salary Schedules

Purpose of this RCA:

To seek City Council approval for an updated non-represented management salary schedules.

Background/Context:

The City of Sweet Home respects and appreciates its employees and recognizes the important role they play in the organization and the community’s success. The need to retain and recruit quality employees and candidates is directly related to the compensation offered. The City Council, by Charter, must approve compensation modifications for City personnel.

Section 6 of the City Charter states, “The Council shall fix the compensation of all City officers and employees.”

SHMC 2.48.030 states, “Personnel rules shall be adopted and amended by resolution of the City Council. The rules shall provide means to recruit, select, develop and maintain an effective and responsive work force and shall include policies and procedures for employee hiring and advancement, training and career development, job classification, salary administration, retirement, fringe benefits, discipline, discharge and other related activities.”

The City’s Personnel Policy 3(c) states, “To ensure that the City’s salary ranges and pay plan are as competitive as possible, salary data studies may be done approximately every three (3) years. Salary information from equivalent public entities will be compared with the City’s salary schedule and pay plan. Department Heads should notify the City Manager when conditions warrant a study of certain positions. The City Manager shall conduct or have conducted the appropriate studies and, if feasible, submit a recommendation to the City Council. Any adjustments to the pay plan must be approved by the City Council.”

The Challenge/Problem:

The City's current Public Works Director has elected to step down to an interim Assistant Director position, leaving the department without a department head. At the same time, the engineering needs of the City are growing along with its population and demands on infrastructure, necessitating a more robust engineering program. The addition of engineering duties to the Public Works Director position is necessary to attract and retain a qualified department head as well as ensure the continued professional development and retention of engineering staff, and proper oversight of engineering contractors. The proposed salary range allows for competitive recruitment in the municipal engineering field.

Stakeholders:

1. **Citizens:** Citizens deserve competent, qualified personnel and excellence in the City's Executive Team.
2. **City Council:** City Council can empower the recruitment of high quality employees through salary administration who will deliver on City Council goals and City programs.
3. **City Staff:** Desirable candidates will be attracted to Sweet Home and motivated to remain on staff; non-management staff will benefit from well-qualified hires and longevity in high quality management.

Issues and Financial Impacts:

The fiscal year 2024 budget can absorb the proposed adjustment for the Public Works Director/City Engineer. Additionally, with the re-organization of upper management in the Public Works Department as well as acquisition of grant funding to offset capital project costs, the department will realize savings in fiscal years 2024 and 2025.

Elements of a Stable Solution:

A fiscally responsible method to improve connectivity between two of the City's greatest natural resources that takes advantage of outside funding opportunities to the greatest extent possible.

Options:

1. Do Nothing: The new salary range will not be approved and current recruitment efforts will halt.
2. Amend the Resolution: Suggest an alternative to the resolution as proposed.
3. Approve the Resolution: Move to approve Resolution No. 9 for 2024 updating salary schedules.

Recommendation:

Staff recommends Option 3: Move to approve Resolution No. 9 for 2024 updating salary schedules.

RESOLUTION NO. 9 FOR 2024

A RESOLUTION UPDATING SALARY SCHEDULES FOR NON-REPRESENTED MANAGEMENT EMPLOYEES.

WHEREAS, the City of Sweet Home wishes to formally adopt a revised salary plan for its Non-Represented Management employees; and

WHEREAS, the City of Sweet Home Charter requires City Council to “fix the compensation of all City officers and employees”;

NOW, THEREFORE, the City of Sweet Home resolves as follows:

The attached salary schedules for Non-Represented positions are adopted for positions currently authorized as shown in Exhibit A.

This resolution replaces Resolution No. 24 for 2023 and shall be effective immediately upon passage by the City Council and by signature of the Mayor. The salary increases shall not be retroactive.

PASSED by the City Council and approved by the Mayor this 14th day of May, 2024.

Attachments: Resolution No. 10 for 2024

Purpose of this RCA:

To seek City Council approval to adopt language limiting the City’s liabilities related to recreational use of public trails and/or structures in public easements and unimproved right-of-way in the City of Sweet Home.

Background/Context:

In 2023, the Oregon Court of Appeals issued a decision in *Fields v. City of Newport* that posed significant challenges to the historically understood definitions of recreational immunity in the state and opened municipalities up to significant liabilities related to their public trails and structures. While Governor Kotek signed temporary legislation in the 2024 Legislative Session to restore some immunity to cities, ORS 105.668 provides a mechanism via adoption of an ordinance or resolution for cities with a population under 500,000 to “opt in” to certain liability protections. To date, the City of Sweet Home has not opted in to these protections, which would significantly limit potential claims related to the use of public trails and/or structures in public easements and unimproved right-of-way within City limits.

The Challenge/Problem:

Without adopting a resolution or ordinance as allowed by ORS 105.668(3), the City remains open to legal liabilities related to claims resulting from recreational use of public trails and structures.

Stakeholders:

1. **Citizens:** Citizens will benefit from City policy that limits negative financial impact.
2. **City Council:** City Council has the power to limit liabilities and ensure that public facilities remain open for public use without concern for claims.
3. **City Staff:** Staff can continue to develop the public trail system without undue concern for claims related to use of public trails and structures.

Issues and Financial Impacts:

There are no issues identified. The financial impact of approval is positive in limiting potential lawsuits against the City.

Elements of a Stable Solution:

A decision that takes advantage of benefits in existing laws and protects the City of Sweet Home from unnecessary liabilities.

Options:

1. Do Nothing: The City will continue to be subject to certain liabilities related to recreational use.
2. Amend the resolution: Propose alternative language to modify the resolution.
3. Approve the resolution: Move to approve Resolution No. 10 for 2024 limiting claims arising from recreational use of public trails or structures.

Recommendation:

Staff recommends Option 3: Move to approve Resolution No. 10 for 2024 limiting claims arising from recreational use of public trails or structures.

RESOLUTION NO. 10 FOR 2024

A RESOLUTION LIMITING CERTAIN CLAIMS ARISING FROM RECREATIONAL USE OF PUBLIC TRAILS AND/OR STRUCTURES IN PUBLIC EASEMENTS AND UNIMPROVED RIGHT-OF-WAY IN THE CITY OF SWEET HOME.

WHEREAS, ORS 105.672 to 105.688 provide certain immunities for owners of publicly-owned and/or privately-owned land when landowners allow such land to be used for recreational purposes; and

WHEREAS, the “recreational immunity law,” ORS 105, has been modified by the Oregon State Legislature numerous times including an important change through the 2024 session Senate Bill 1576 which became effective March 27, 2024; and

WHEREAS, ORS 105.668(2) limits certain lawsuits against a city, adjacent property owner(s), and certain non-profit groups and their volunteers that arise from recreational use of trails or structures in public easements or unimproved rights-of-way; and

WHEREAS, the immunities from liability contained in ORS 105.668(2) apply only to cities with a population of 500,00 or more; and

WHEREAS, ORS 105.668(3) authorizes cities with a population of less than 500,000 to take advantage of the immunities provided in ORS 105.668(2) by adopting either an Ordinance or Resolution to “opt in” to the provisions under ORS 105.668; and

WHEREAS, the City of Sweet Home owns, operates, and maintains a public trail system; and

WHEREAS, public trails are an important public amenity that provide recreational opportunities and support a healthy community; and

WHEREAS, the City encourages private property owners to dedicate easements to the public for use as recreational trails; and

WHEREAS, the City encourages private groups and volunteers to construct and maintain certain public trails and/or structures in public easements and/or unimproved rights-of-way; and

WHEREAS, the City believes it is important to protect and support the activities of City, private parties, community groups, and volunteers that make the trails available for public use; and

WHEREAS, the City desires to adopt the immunities from liability provided under ORS 105.668 to further the public interest by protecting and supporting efforts and activities of the City, property owners, and parties that create and maintain trails and make such trails available for public use;

NOW, THEREFORE, the City of Sweet Home resolves as follows:

1. Findings. The above recitals are hereby incorporated as findings.
2. Limitation on Liability. Pursuant to ORS 105.668(3), the City hereby adopts the limitation on liability provided under ORS 105.668(2). Without otherwise limiting the generality of the immediately preceding sentence, personal injury and/or property damage resulting from and/or arising out of the use of a trail that is in a public easement and/or unimproved right-of-way, and/or from the use of structures in a public easement and/or unimproved right-of-way, by a user on foot, horseback, bicycle, and/or other non-motorized vehicle or conveyance, does not give rise to a private claim or right of action based on negligence against any of the following: (a) City of Sweet Home; (b) City's officers, employees, and/or agents to the extent the officers, employees, and/or agents are entitled to defense and indemnification under ORS 30.285; (c) the owner(s) of land abutting the public easement or unimproved right-of-way; and/or (d) a non-profit corporation and its volunteers for the construction and maintenance of the trail or the structures in a public easement or unimproved right-of-way. For purposes of the Resolution, "structures" means improvements in a trail, including, without limitation, stairs and bridges, that are accessible by a user on foot, horse, bicycle, and/or other non-motorized vehicle or conveyance; "unimproved right-of-way" means a platted or dedicated public right-of-way over which a street, road, or highway has not been constructed to the standards and specification of the City and for which the City has not expressly accepted responsibility for maintenance.
3. Exceptions. The immunities granted under Section 2 of this Resolution from a private claim or right of action based on negligence do not grant immunity from liability for the following: (a) except as provided in Section 2(b), to a person that receives compensation for providing assistance, services, and/or advice in relation to conduct that leads to a personal injury or property damage; (b) for personal injury or property damage resulting from gross negligence and/or reckless, wanton, or intentional misconduct; and/or (c) for an activity for which a person is strictly liable without regard to fault.
4. Severability. For purposes of this Resolution, the singular includes the plural and the plural includes the singular; the word "or" is not exclusive and the words "include," "includes," and "including" are not limiting. Any reference to a particular law, statute, rule, regulation, code, or ordinance includes the law, statute, rule, regulation, code or ordinance as now in force and hereafter amended. The provisions of this Resolution are severable. If any section, subsection, sentence, clause, and/or portion of this Resolution is for any reason held invalid, unenforceable, and/or unconstitutional, such invalid, unenforceable, and/or unconstitutional section, subsection, sentence, clause, and/or portion will (a) yield to a construction permitting enforcement to the maximum extent permitted by applicable law, and (b) not affect the validity, enforceability, and/or constitutionality of the remaining portion of this resolution.

This Resolution shall be in full force and effective immediately upon passage by the City Council and signature of the Mayor.

PASSED by the City Council and approved by the Mayor this 14th day of May, 2024.

SUBJECT: Community and Economic Development Department Report for April 2024

The Community and Economic Development Department (CEDD) consists of the City's Building, Planning, Engineering, Economic Development, Code Enforcement, and Parks and Recreation programs. The following is a summary of activities and notes on current projects from April 1st to April 30th, 2024.

1. BUILDING

- Summary of Building Program Permits Issued.

Permit Category	April, 2024	March, 2024	2024 YTD	2023 Total	2019-2023 Annual Average
Residential 1 and 2 Family Dwellings	3	0	4	12	24.8

Value Estimate of All Permits	\$1,368,265.00	\$137,606.00	\$2,381,532.82	\$10,728,408.94	\$19,600,417.90
Fees Collected	\$17,710.97	\$3,672.78	\$36,530.36	\$133,127.61	\$246,251.26

- Developments of note: For your reference, below are some developments of note that were previously reported. Changes are noted with **bold text**.
 - Duck Hollow Phase III Subdivision: 51-lot single-family home subdivision located adjacent to the existing Duck Hollow Subdivision (41st Avenue and Long Street). This subdivision received planning approval in 2020, however there was a long delay due to wetlands regulations administered by the Oregon Department of State Lands. State approval has been granted, and construction is expected soon.
 - Live Oak Subdivision: 8-lot single-family home subdivision located between the two existing portions of Live Oak Street. The subdivision was approved in 2021, however the property changed hands, which delayed development. The new owner is planning on constructing 8 duplexes (16 housing units) on the lots. Development of the road and infrastructure is complete, and construction of the first buildings has begun.
 - Foothills Ridge Subdivision: 21-lot single-family home subdivision located at the west end of Foothills Drive. This subdivision was approved in 2021, however the owner has run into delays with his engineering firm, and recently applied for an extension. The construction timeline is unknown.
 - Santiam River Development Phase 1 : 42-lot single-family home subdivision located at the north end of Clark Mill Road. Planning approval was granted at the beginning of this year, however some of the property is being sold to a different developer. It is unknown when construction will begin.
 - Clear Water Subdivision: 18-lot single-family home subdivision located on the west side of 45th Avenue, just north of Kalmia Street. Planning approval was granted in June. Road, sidewalk, and other infrastructure construction is complete.
 - Domino's Pizza is under construction at the northwest corner of Main Street and 22nd Avenue. **Staff have been told that modular commercial building will be placed on site on May 20th.**
 - Coulter Subdivision: The Sweet Home Planning Commission recently approved a 157-lot low-density residential subdivision located at 43rd Avenue and Coulter Lane. This subdivision will be built in four phases; however it is unclear when construction will start. The property includes wetlands, and development will require mitigation and permitting through the Department of State Lands, which will likely decrease the number of lots that are ultimately developed. The initial phase is unhindered by wetlands and will likely move forward as soon as market conditions warrant construction.

2. PLANNING

- Summary of Final Decisions of Planning Division Applications:

Application Type	April, 2024	March, 2024	2024 YTD	2023 Total	2019-2023 Annual Average
Adjustments	0	1	1	1	N/A

Vacation	0	0	0	1	0.2
Variance	0	0	1	4	3.0
Zoning Map Amendment	0	0	1	2	2.2

- 1 Land Use Application was submitted in April.
- 3 Land Use Applications are pending final approval.
- 10 Fence Permits were issued in April.
- 0 Temporary RV Permit was issued in April.
- The City received a grant from the State to update our Transportation System Plan and create an Area Plan for the undeveloped land on the north side of the City. The project is fully underway and expected to be complete by June 30th.
- Work is now underway on the City's Housing Production Strategy. This project is grant funded and fulfills a State requirement.
- The Planning Commission last met on March 21st. Due to a lack of applications, there is currently no scheduled meeting in May.

3. ECONOMIC DEVELOPMENT

- The City is seeking interest from developers for a public-private-partnership with the City at the Quarry Property. A Request for Interest (RFI) has been published to solicit interest that will fit with the City's goals for the property. The RFI closes on June 5th.
- The consensus of a recently convened community group is that Sweet Home should follow the community vision process that Independence described by restarting SHARE, a previous revitalization effort. Staff are working with community partners on the next steps of this effort.
- The first phase of implementing the Downtown Streetscape and Parking Plan is underway. Staff have drafted plans to convert 10th and 13th Avenues between Long and Main Streets to one-way parking to allow for additional parking and the EV charging station. The Council recently approved changing these streets to one-way southbound traffic. Staff have finalized the parking plan. The next step is to restripe the streets and install signs and delineators. This is expected to be complete by June 30th.

- The EV Charging Station project was delayed by concerns raised by Pacific Power, but construction has begun and is expected to be complete by May 31st.

4. CODE COMPLIANCE

- Summary of Actions.

The City's Code Compliance Officer responds to complaints submitted through the City's website, and actively patrols the City and works to resolve identified code violations. This position is currently vacant, with little to no work taking place in April.

5. PARKS

- The Park and Tree Committee last met on April 17th. Their next meeting will be May 15th, 2024.
- Work continues on updated the Parks System Master Plan. It was expected to be complete by June 30, 2024, however recent requests by the consultant may delay adoption until the end of July, 2024.
- Staff have applied for a grant from the Oregon Park and Recreation Department for Phase III of Sankey Park improvements, which will include a replacement structure for the now-demolished bandstand and trail connections to the upper portion of the park. The application has passed the first review, and Staff gave a presentation to the grant review committee on June 27th. Staff recently received an award letter for this grant. Staff and the Park & Tree Committee are continuing to solicit and gather donations. A Request for Proposals was issued for the engineering design work, and recently closed. Staff will negotiate a contract with the winning bidder, and bring it to Council for approval at the May 28, 2024 Council meeting.
- Design work is underway for a new park adjacent to City Hall. The Park will include a donated playground structure and dog park.
- The City's Arbor Day and Kid to Park Day was celebrated on April 20th at Sankey Park. The event took place without any problems, and had a successful turnout.

6. OTHER PROJECTS

- Willow Street Neighborhood LID: Staff have finalized a financing plan, and recently received approval from the financing agency. A Request for Proposals was issued, however new information on current conditions has come to light which requires the RFP to be reissued. The City is utilizing its Engineer-of-Record contract to do the initial engineering design, after which an RFP for construction will be issued.
- The ODOT Foster Lake Sidewalk Project: Construction is nearly complete. Staff are working with the Railroad and ODOT on a plan to construct the portion that lies under the railroad trestle.
- Engineering on the 2nd Avenue/Holley Road pedestrian crossing, which is funded by a Safe Routes to School Grant, is complete and a Request for Proposals for the work has been issued. A contract for the remaining work has been signed, and the contractor has ordered materials and equipment. This project has been delayed by ODOT permitting, however permits were recently granted, and Staff are working with the contractor to get the project moving again. Construction was completed, however some of the new concrete work did not pass ODOT's inspection. Staff are working with the contractor to get the problem corrected.
