Sleeping Center Admission Requirements

Admission is open to all adults who require emergency shelter and obey the Sleeping Center rules. Minimum age is 18 years.

The Sleeping Center is low barrier. Although the Sleeping Center prohibits alcohol, marijuana, and illicit drugs on site, we do not test for use off-site. Admission is behavior based. If you are peaceful and obey the rules, you are admitted.

The Sleeping Center is an emergency shelter and should not be considered a permanent home. Our mission is to provide a temporary safe place for clients until they can arrange more permanent housing.

The City of Sweet Home and Family Assistance Resource Center Group do not and shall not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations.

Those who cannot follow the rules may be trespassed. Multiple or serious violations of the rules may result in extended trespass.

Is this applicable at this point?

Opening the Sleep Center

How to Open the Sleep Center:

1. Unlock the padlock on the emergency-exit gate.
2. Unlock the padlock on the main gate. Unlock the gate and tie it back to the fence.
3. Open the gatehouse and set out the check-in book.
4. Swab down the outside serving areas if necessary.
5. Set out the hot-water urns (residents will fill these with water) and any available foods.
6. In winter, set up the propane heaters in the Big Tent and/or the reception booth.
7. Empty the two wastebaskets in the gatehouse and beside the gatehouse steps.
8. Reload the black cabinet beside the gatehouse with clean dishes if available.
9. Check the office phone for messages; relay any messages when guests arrive.
10. Check Security's log; file any reports and other documents left on the desk in the gatehouse.

Conceptual policy:

Sleep Center Protocol for Dealing with Police Inquiries

Police officers often drop in at the Sleep Center to check on our general welfare.

Sometimes, though, they are looking for a person or persons in order to serve a summons or make an arrest. So when an officer appears at the gate, we usually ask, "Are you looking for someone in particular?"

If the answer is Yes, the officer will give a name. In this case, we should say whichever of the following applies:

- A. "That person has never registered at the Sleep Center."
- B. "That person registered in the past but no longer stays here."
- C. "That person stays here but is not in camp at this moment."
- D. "That person is present in camp right now. Would you like me to ask them to come to the gate, or shall I show you where they live?"

However, if the officer asks to look at the check-in book, that is, at the whole list of current residents, then privacy issues arise. On the one hand, since the Sleep Center is on city property, the police have a good right to know who is here. On the other hand, citizens have rights to freedom from surveillance without cause and freedom of association.

So if the officer asks to see the book, we can say, "We have concerns about privacy and freedom of association, so we would rather not show you our book. But we'd be glad to look up and write down for you any information we have, in the check-in book and elsewhere, about specific individuals."

If this does not satisfy, and the officer insists on seeing the book, then it is not worth injuring our relationship with the Police Department to require him to get a search warrant. At that point, we should show him the book.

How to Register a New Guest

1. Assemble for each person:
 - a. A manila folder
 - b. A double brad
 - c. A registration form
 - d. For a pet owner, Rules about Pets and Pet Registration forms
 - e. For a couple, Rules about Sharing Huts forms
 - f. An **HMIS release-of-information form**
2. Gather the laminated large-print rules plus the laminated photo of an inspection-ready hut-interior.
3. Determine the next Sleep Center ID number (check the most-current list on the bulletin board to the left of the Sleep Center desk). Print each registrant's first and last name and ID number on the identification tongue of their folder.
4. With each registrant, fill out the registration form. Read over the laminated rules (and the pet forms and/or hut-sharing forms if applicable) and point out details of the inspection-ready hut. Get signatures on all applicable forms. If the registrant is willing to sign the **HMIS form**, make sure the printed name is legible and add the registrant's date of birth.
5. Explain "unwritten rules," i.e. curfew and curfew exceptions; daily check-in responsibility; two-nights-out for huts and first-come-first-serve for overflow beds; volunteer, staff and security hours; shower service; device-charging slots.
6. Mention items usually available from the office: personal hygiene items, first aid supplies and common over-the-counter medications, toilet paper, tissues and cleaning supplies and the office phone for calls out and messages in.
7. Use the two-hole punch and the brad to fasten each new guest's forms (except the **HMIS** form) inside their folder at the top edge. Leave all folders on the desk in the Sleep Center cubicle. Place the HMIS form in the Executive Director's inbox.
8. Walk new guests around the camp, pointing out the common room with coffee-service area, sink and restrooms, the trash-bins around the square, the door to the showers in the service building and the fire gate.
9. Provide new guests with clean bedding and show them to their bed places.
10. Assign each new guest a bin from among the empty ones stored alongside the office-building ramp. Note the number of each bin assigned. Supply a **two-key lock** for each bin; retain one key and hang it in the tan key-box in the Exit office. Leave a note of the assigned bin numbers on the desk in the Sleep Center cubicle for the record-keeper.

Rules About Pets

1. Only one pet per hut.
2. No diseased or aggressive pets, pregnant animals, litters of puppies, or dogs younger than 6 months.
3. Don't acquire a new pet while at the Sleep Center.
4. Provide detailed descriptions of pets, even those that are microchipped.
5. Service animals are recognized only if trained to perform work directly related to the owner's disability. Pets whose function is to provide comfort or emotional support do not qualify as service animals under the ADA.
6. Owners of dogs must show proof of their pets' vaccinations for rabies, parvovirus, and distemper within 14 days of registering at the Sleep Center
7. Dogs must be licensed by the Linn County within 30 days of registering.
8. Pick up and dispose of feces in the trash bins.
9. Never leave pets alone in the huts or assign them to someone else without permission of staff.
10. Pets must be leashed, tethered, or kenneled at all times when they are inside the Sleep Center.
11. The owners of pets that damage property by urinating or defecating in Conestoga huts or by clawing or chewing parts of the huts may be trespassed from the Sleep Center. This rule includes persons with disabilities.
12. Dogs that bark excessively may be trespassed from the Sleep Center.
13. Cruel or abusive treatment or neglect of any animal will result in the owner being trespassed from the Sleep Center and reported to Animal Control.

Finally, be aware of the cost of owning a pet. It costs money to feed and provide veterinary care for an animal. Pet ownership also makes it more difficult to access services like free lunches, ride a bus, seek medical care or meet with social service providers. Most landlords either charge a substantial damage deposit or simply will not rent to someone with a pet.

I understand and agree to abide by these pet rules

Standard Trespass Procedure

Guests not following Sleeping Center rules may be trespassed.

1. Volunteers, staff and security personnel (collectively “staff”) are authorized to trespass any guest for 24 hours for violating the rules of the Sleep Center.
2. When a guest violates Sleep Center rules, staff will give the guest verbal notification that they are trespassed. The rule violator will be asked to gather their things and exit the Sleep Center within ten minutes. If the guest is non-compliant or defiant, staff will remain with the guest as needed to maintain the peace of the Sleep Center and call the police to trespass the guest.
3. Staff will complete an Incident Report describing the behavior that led to the trespass. If an extended trespass is being requested, check the box accordingly and notify the guest that we are asking for more than 24 hours.
4. If time and situation allow, staff will give the guest a copy of the Incident Report. If the guest refuses to accept the Incident Report that will be noted as “refused” on the report.
5. If an Incident Report is available when police arrive, the police may review it for accuracy and may take the original.
6. Copies of the Incident Report will be provided to the security staff, placed in the Sleep Center’s 7-day folder and in the guest’s file
7. If requesting more than 24 hours, then approval is requested from the Deputy City Manager (or the City Manager). If an extended trespass is approved The incident report is delivered to the police department to document the incident for future reference as necessary.

Voluntary Exit for Rule Violations

Minor violations of Sleeping Center rules may sometimes be handled with a Voluntary Exit instead of a formal police-enforced trespass. Using the Voluntary Exit process avoids paperwork and also does not result in a police record. It should not be used for repeat offenses by the same client but is often easier than the formal process when the violation is minor.

Voluntary Exits should never be used in cases where physical altercations have occurred or where criminal laws have been broken.

The Voluntary Exit form is completed and signed by both the client and the staff member. A copy is placed in the client's file and the daily check-in roster should note that they took a voluntary exit.

Volunteer Duties

Evening Volunteer Duties at the Sleep Center

Under the normal operating hours of the Sweet Home Sleep Center, the center opens in the evening and closes at 9am the following morning. Clients may check-in to the Sleep Center for the night between opening time and 10pm. Entry after 10pm requires prior approval and prenotification of the night Security Officer.

Hours:

Volunteers serve in shifts each evening at the Sleep Center during check-in time:

-Summer check-in hours are 6-10 p.m.

-Fall and Spring check-in hours (November and March) are 5-10 p.m.

-Winter check-in hours (Dec, Jan, Feb) are 4-10 p.m.

Other volunteers serve in the mornings, helping clients to leave on time, inspecting huts, and doing necessary cleaning and organizing.

Roles and Responsibilities:

Especially early in the evening, it is helpful to divide roles into gate volunteer and office volunteer. Some nights a shower volunteer is also needed. However, roles may change and overlap, and it is good for folks to work as a flexible team as the flow of people, the weather, and various issues change. Volunteers may change roles from one time to another and are encouraged to do so. We want as many folks “cross-trained” as possible.

Below is a description of the volunteer duties in these 3 categories:

Gate Volunteer Duties:

Check with the office to see if anyone has been trespassed and is therefore not allowed entry. The gatehouse is available to volunteers monitoring the gate. Mark people coming through the gate as present, write the time they arrived next to their name on the list. Make note of people who leave throughout your shift and if they return.

Check the previous night's list for available overflow space in the 8 bedroom for males and the 2 bed hut for women, which are provided on a first-come-first served basis. If no one was assigned a bed in the men's overflow space the night before, then another person can be assigned that bed. Otherwise, an overflow bed is given first to the occupant who stayed in a bed the night before. If that person is not at the gate at 6pm, then the bed can be given to someone else. Write the names of those in overflow as they are assigned a bed. The yellow tents are also provided on a first-come-first-serve basis and can be used for single women, single men or couples as needed.

It is OK to have clients wait until their space is assigned or a hut is ready, or you are sure there is space for them. They can wait either by the gate or in the meeting room but should not move around the center. A turn-over of space occurs at 6pm. When the gate opens at 5pm or 4pm, a person without an assigned space will have to wait until 6pm if all beds in the overflow space were full the night before. If at 6pm, the previous night's occupant has not arrived, then the turnover can occur.

There are often many people at the gate at opening time. If someone comes through that is not on the previous night's list, ask that person to step aside until you have finished with those waiting at the gate. If there is an open bed in the overflow, then the person waiting may be able to fill it. Ask those waiting if they have been clients previously and have therefore been registered. If yes, assign an open bed. If no, write their name on the list and then take them to the office for an intake interview.

If overflow beds are full, other clients can wait for an "overnighter" hut that is not going to be occupied on a given night by someone who would regularly be there. Those are usually assigned at 9:30, so someone told that an overflow bed is not available can always call or come back at that time.

If someone comes to the gate to visit a client of the sleep center, ask them to wait outside the gate while you check to see if the client is in. It is best not to tell the visitor whether or not the client is in until you get an OK from the client. The client can choose whether or not to greet the visitor outside the gate. Client visitors are not allowed entry into the sleep center.

During lulls in people entering, you may assist other volunteers in cleaning out huts, dealing with used bedding, etc. And don't hesitate to walk around and talk to clients. Just keep monitoring the gate. If the weather is bad, you can go into the office and keep an eye on the gate through the window.

Office Volunteer Duties:

Register new clients and go over the Sleep Center Rules with them. (Note whether or not they have a pet. A pet requires signature on the Pet Rules form.) Tell them what is available to them while they are staying at the center. Walk them to their sleeping space. If registrant is in need of a bin, set up a bin assignment. Monitor office window for requests. Check dinner calendar and meeting room for preparedness. If a dinner is scheduled, ask if help is needed serving. (There are some who bring dinner but do not stay to serve. In this case, help serve or assign someone to help serve. Use gloves.)

After 6pm, check with the Gate Volunteer to see if there are new people staying in the overflow bed or in a hut. If yes, then they will need fresh bedding. Check if there is used bedding in the space. If so, that bedding will need to be transferred to the service building. To do that, retrieve gloves from the office and move the bedding to the laundry room. Then get clean bedding from the laundry room for the person who will sleep on that space tonight. In summer, provide one sleeping bag, 2 blankets and a pillow. In winter, two sleeping bags, at least 2 blankets and a pillow may be needed, depending on conditions.

If a hut is available because someone has been out the past two nights, then at 6 pm, that hut will be turned over to 1) a woman who stayed the previous night in the women's overflow hut or 2) the longest continuous person in the men's overflow room. Check the past check-in sheets to figure out who can move into the open hut. Check the newly open hut for condition. With gloves on, take bedding in the hut to the laundry room. If there are any personal belongings in hut, transfer them to that person's bin. If space is available in their bin, empty contents of tub on porch in the bin as well. Move the bin to the front of the office building. Sweep hut. Notify the next person that they can move their bedding and bin to the hut. If they do not have a bin, assign them an available bin.

Other duties include keeping a list of needed office items, including items made available for clients, empty/fill dishwasher, wipe down tables in common room, restock bathroom and common room with supplies as needed, answer the phone, talk with people in the meeting room, etc. If someone calls the office asking for a client, ask them to hold while you check on whether the client would like to accept the call. Do not confirm the presence of a client directly to the caller. Record a message if unsure. If a community member brings a donation to the sleep center, ask them for contact information and record the donation in the donation folder on the Alliance desk. Note that clients are not allowed in the office without an appointment.

Shower Volunteer Duties:

Shower days are decided in advance. A third volunteer will cover supervising the showers when showers are available.

- Unlock the shower doors in the service building.
- Check showers for soap/shampoo/conditioner (extras may be under the sink in the hallway).
- Check stack of towels/washcloths in hallway (more can be found in the laundry room.)
- Clothes hamper in the hallway is for used towels.
- Check that the laundry room door is locked.
- Check for gloves.
- Check the previous night's shower list.
- Check spray bottle of bleach solution (1 TBSP bleach per quart water).

Go to meeting room with signup sheet for the showers and begin filling in names for showers in 15min time slots (10 minutes for shower and 5 minutes for undressing/dressing). Priority will be given to people who did not shower most recently. Spray the floor of shower between each person with bleach solution. After the last shower, spray down the entire shower and wipe the walls and floor dry (wear gloves). Lock the shower doors and return the list of shower takers to office so that the next volunteer can reference it if needed. Access to the bathrooms in the service building is until 10pm, so the service building door remains unlocked until then. While the showers are occupied, you may go around the center to remind people next on list that their turn is almost up.

A Word about Rule Enforcement:

All volunteers are responsible for rule enforcement as needed. If an argument starts among clients, it is best to head it off. Ask instigator(s) to back away or take a walk. If they refuse, then you may ask them to leave for the night on a trespass. If this is the case, fill out an Incident Report form. If safety is a concern at any time, call 911. For non-emergency police support, call the non-emergency dispatch number (509-527-1960).

Amendment for Extended Opening Hours

During the COVID-19 pandemic, the Sleep Center is open 24/7. The WWAH Exit Homelessness staff work on site between the hours of 8am and 6pm. Volunteer hours during this time remain from 6pm to 10pm. Since people are allowed to stay at the

Sleep Center throughout the day, check-in is not required. The gate to the Sleep Center remains closed at all times. Volunteers open the gate for people returning to the Sleep Center if they go out during the day. They are allowed to enter only if they are on the list from the previous night. If they are not on the list, then beginning at 6pm, give them a spot according to the Gate Volunteer Duties instructions above. Note that during the pandemic, the men's overflow space is limited to 4-6 beds. Also, there are no "overnighter" loans of unoccupied huts for a night. Before 10pm, a volunteer takes attendance in the Sleep Center for the night. This may require a walk around the Sleep Center to confirm and place a check mark by the name of all people staying at the Sleep Center. This attendance list is transferred to an Excel spreadsheet on the office computer and printed out for 1) the night Security Officer at 10pm and 2) the morning Exit staff. Attendance data is also distributed by email to the Executive Director, Sleep Center Manager and a few other WWAH Board members. Because of the tight space in the common room, people are only allowed to enter for access to the bathroom, sink, coffee table, cellphone lockers, and pass-through window. No loitering in the common room is allowed and social distancing is expected. Entrance to the building requires wearing a face covering. Lunch and dinner are served through the passthrough window. For the winter, 2 yellow warming tents with propane heaters are set up outside for people to warm up. Please check with the office for rules concerning the warming tents. The office is often busy, and it helps to have two people to assist. Among the tasks are cleaning and sanitizing the common room, answering the gate, serving people through the pass-through window with food or other items, supplying the bathroom and common room with supplies as needed (soap, paper towels, toilet paper), answering the phone, etc. Please see a list on the bulletin board in the office for suggestions of chores that can be done.
