CITY OF TENINO

2026 BUDGET

This budget has been adopted as required by the Revised Code of Washington (RCW) for the operation of the City during the Fiscal Year, January 1, 2026 through December 31, 2026. This budget will assist you in understanding the budget process as required for a municipal government, as well as the goals and priorities for the City of Tenino.

This document contains basic information outlining the operating plan for the upcoming year and is designed as a working document for City staff as well as an informational tool for the citizens of Tenino. Included are fund explanations and spending parameters, which will assist the readers in understanding the budgeting philosophy and city management policies for this fiscal year.

Please feel free to contact Tenino City Hall at (360) 264-2368 if you have any questions. Your comments and suggestions for improvement are welcome.

The Budgeting Process

The City of Tenino Comprehensive Plan is the foundation for the City's operations. The annual operating budget is the primary tool for resourcing the goals and directives of the citizens of the community, as expressed by their elected representatives, the City Council, and articulated via the Comprehensive Plan. The Council and Mayor together establish the financial planning for the ensuing fiscal year informed by the Comprehensive Plan.

The City of Tenino is an optional code city, and is required to format, adopt and implement an operating budget under the Revised Code of Washington (RCW), Chapter 35A. The City, as is required by statute, operates under cash basis accounting principles. What this means is that revenues are recognized when received, and expenditures are recognized when paid (with the sole exception of a 20-day period after the close of any fiscal year in which expenditures are appropriately accounted for in the previous year). Revenues and expenditures, as appropriated, will determine the level of service provided by each department within the City.

Annual appropriated budgets for the City of Tenino are adopted by fund, and expenditures may not exceed the appropriations. The budget constitutes the legal authority for the expenditure of funds. These appropriations lapse at the end of each fiscal year and cannot be carried forward, except within the Capital accounts. This necessitates the adoption of a new budget for each year.

Legal Requirements

The official legal calendar for the development and adoption of a budget is specified by State statute. The process must begin by the second Monday in September and must be completed by the last day of the current year. The calendar for 2027 has already been prepared and is available from the Clerk/Treasurer upon request.

Budgeting Policies

The following Financial Policies have been adopted by the City Council in a separate Resolution available for download from the City's website at: www.cityoftenino.us and are summarized here:

- A. General Policies. The City of Tenino's general financial policy goals seek to: 1) ensure the financial integrity of the City; 2) manage the financial assets of the City in a sound and prudent manner; 3) improve financial information for decision makers at all levels; 4) maintain and further develop programs to ensure the long term ability to pay all costs necessary to provide the level and quality of service required by the citizens of Tenino; and 5) maintain a spirit of openness and transparency while being fully accountable to the public for the City's fiscal activities.
- B. Cost Allocation Policy. All service rendered by, or property transferred from, one department, public improvement, undertaking, institution, or public service industry to another, shall be paid for at its true and full value by the department, public improvement, undertaking, institution, or public service industry receiving the same, and no department, public improvement, undertaking, institution, or public service industry shall benefit in any financial manner whatever by an appropriation or fund made for the support of another. (RCW 43.09.210)
- C. Debt Management Policy. Guidelines for debt financing that provide needed capital for equipment or infrastructure improvements while minimizing the impact of debt payments on current revenues.
- D. Operating Budget Policy. Guidelines for the management of the City's funds, revenues, expenditures, and accounting practices.
- E. Fund Balance and Reserve Policy. Guidelines for the establishment and maintenance of reserves, contingencies, and ending fund balances of the various operating funds at levels sufficient to protect the City's credit as well as its financial position from emergencies.
- F. Investment Policy. Investing public funds is highly regulated. These guidelines ensure the City complies with all Washington State statutes, laws, and regulations when investing public funds, and are mandatory for use by City

Officials whose duties involve the investment of public funds, where those statutes, laws, and regulations allow for discretion on the part of the City.

- G. Procurement Policy. The City desires a fair and open process for procurement of goods and services that is free from the potential for bias and conflict of interest. In addition, the City desires consistent and appropriate practices for solicitations and contracting. These guidelines are mandatory for use by City Officials whose duties involve procuring goods and services on behalf of the city.
- H. Capital Improvement Policy. The City reviews its Capital Facilities Plan on an annual basis and monitors the state of the City's capital equipment and infrastructure on a daily basis. This review and monitoring help the City Council in setting priorities for its replacement and renovation based on needs, funding alternatives, and availability of resources. These guidelines are mandatory for use by City Officials whose duties involve the operation and maintenance of City property, either real or personal property.
- I. Asset Management Policy. Once acquired, managing, and disposing of the City's property must be approached in as methodical a manner as the acquisition itself. These guidelines are mandatory for use by all City Officials, whether their duties specifically include the management of the City's assets, or not. All City Officials are charged with being ethical stewards of the public property entrusted to the City.

Budget Development Process

The budget is developed through the cooperation of all department heads within the City, in conjunction with the budgetary policies adopted by the Council. Although state law dictates the minimum criteria which must be met, the criteria mandated deals primarily with deadlines for submission of information, notices, holding of public meetings, and adoption of the completed budget by ordinance.

The process for the creation of a budget in any given fiscal year is:

Beginning in August –

Clerk-Treasurer

1. Reviews year-to-date revenues and expenditures, current fiscal year projected to represent a 12-month total.
2. Comparison of the previous four years expenditures and revenues on a line-item basis.
3. Evaluating any trends revealed through historical data.

4. Projection of adjustments to on-going/predictable expenditures such as salary, benefits, insurance, utilities, communications, leases and long-term debt.
5. Evaluation of whether expenditures are on-going or are one-time events.
6. Request information from Department Heads for their projected needs in the coming year.

Department Heads

1. Review historical data to project expenditures variances anticipated for upcoming budget year.
2. Analyze departmental needs for upgrade of equipment or facilities, maintenance or replacement of equipment, capital expenditures.
3. Identify any projects or unmet needs/goals from prior year.
4. Present requests to Clerk/Treasurer.

In September & October –

Clerk-Treasurer

1. Present to the Mayor for review of a proposed preliminary budget for the upcoming fiscal year.
2. Budget discussions, negotiations and changes are made working with the Mayor and Department Heads.
3. Schedule and advertise workshops and Public Hearings to review budget requests, discuss financial options available, and determine if the budget requests from each department will allow the adoption of a balanced budget which will continue to provide an acceptable level of basic services.

Mayor

1. Present to the Council the Proposed Preliminary Budget along with the requests from the Department Heads.
2. Meet with the City Clerk/Treasurer and Department Heads to discuss, review and negotiate funding, projects and service parameters for the upcoming year.
3. Prepare a budget message to be included with the Preliminary Budget.

Department Heads

Meet with the Mayor and Clerk/Treasurer to review requests and discuss needs for the upcoming fiscal year; negotiate changes to the Proposed Preliminary Budget.

In November

1. Public hearings. By statute, the City must conduct a minimum of two Public Hearings in order to give the public an opportunity to comment.
2. Levy Certification. The Clerk/Treasurer must certify the Ad Valorem Tax Levy to the Clerk of the Board of the Thurston County Commission prior to the last day of November.

In December

1. The City Council must adopt a budget for the succeeding fiscal year by the last day of December of the current year.
2. The budget must be adopted by Ordinance, and the Ordinance must be given two readings prior to adoption.

*The Department Heads returned their Budget Estimates to the Clerk on **September 19, 2025**, and the Clerk provided revenue estimates to the Mayor on **October 1, 2025**. The Mayor presented the Executive Budget to the City Council at a Regular meeting thereof on October 28, 2025.*

GOVERNMENTAL STRUCTURE

Incorporated on July 19, 1906, Tenino operated under the laws applicable to a Fourth Class City until July 29, 1990. At that time, the Town of Tenino became a Non-Charter Code City. This was accomplished by adopting Ordinance 479 following the proper referendum measures. As such, the City of Tenino functions under RCW, Chapter 35A.

The City of Tenino has a Mayor/Council form of municipal government. This means the Mayor is the Chief Executive of the City, and the Council, comprised of five positions at large, is the legislative arm of the City Government. In this form of government, policy and administration is separated. All legislative and policy-making powers are vested in the Council. The administrative authority, including a veto power, is vested in the Mayor. Council elects a Council member to serve as Mayor Pro-Tempore in the event the Mayor is unavailable. The following is a short description of the responsibilities of these elected officials.

Mayor: In the City of Tenino, the Mayor does not have regular working hours. To keep abreast of City business, the Mayor makes regular contact with the department heads: the Clerk-Treasurer, the Public Works Director, and the Police Chief.

The Mayor is the authorized signatory for the City for many purposes, including: checks, ordinances, minutes, resolutions, proclamations, and contractual agreements of any kind. The Mayor is responsible for the conduct of all regular and special meetings, executive sessions, and sometimes administering oaths of office. With proper written notice, the Mayor may call a special council meeting.

The Mayor is also responsible for ensuring departmental compliance with all statutes, ordinances, resolutions, and policies adopted by the City. At the discretion of the Mayor, all or some of these duties can be delegated to the appropriate department head. All city employees who are not protected by Civil Service guidelines are considered “at will”, and work at the pleasure of the Chief Executive, the Mayor.

The Mayor is the official representative of the City for various groups, committees and associations. A representative from the Council may be appointed by the Mayor to serve in his/her place in these various organizations.

Mayor Pro-Tempore: Each January, the Council elects one member from their number to serve as Mayor Pro-Tempore in the event the Mayor is not available. The Mayor Pro-Tempore presides at meetings of the council, administers oaths, and signs instruments in the absence of the Mayor. A council member acting as Mayor Pro-Tempore generally retains his/her council member vote. The Mayor Pro-Tempore generally serves only in a bona fide emergency situation, or when the Mayor’s absence is known beforehand and will be temporary. If a vacancy in the office of the Mayor occurs, a Temporary Mayor would be appointed by the council.

Council: The Council is comprised of five members at large, who are elected by the constituents of the City of Tenino. As such, they are the legislative body of the City. It is

the duty of the Council to gather information, discuss and make decisions regarding official City policy and law (ordinance). Regular meetings are held twice a month on the second and fourth Tuesdays. This schedule exceeds the state statutory requirements of a minimum of one meeting per month. Public hearings required by RCW 35A.33.070 are conducted by the Council and officiated by the mayor. Council also adopts ordinances; passes resolutions; sets utility rates, user fees, license and permit fees, and ad valorem taxes; sets staffing levels and employee salaries; and authorizes the mayor to enter into contractual agreements. Council adopts the annual budget and reviews the annual report. All final decisions regarding annexations, zoning amendments, subdivisions, comprehensive plan amendments, and street vacations are made by Council. Payment of all vouchers is approved by Council. A majority vote of the Council, along with proper public notice, may call a special meeting or an executive session.

Fund Accounts

The City of Tenino is a general-purpose government that provides public safety, street improvements, parks and recreation, health and social services, and general administrative services. The City owns and operates both a water and a sewer utility system.

The accounts of the City are organized based on funds, each of which is considered a separate accounting entity, that identify the City's assets, liabilities, fund equity, revenues (income) and expenditures (expenses), as appropriate. The City resources are allocated to, and accounted for, in these individual funds, depending on their intended purpose. Governmental fund operating statements focus on measuring changes in financial position, rather than net income. They present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets (cash).

Governmental Type Fund (000 to 199 series):

These are the primary operating funds of the City of Tenino. The General Fund accounts for all financial resources except those required or elected to be accounted for in another fund. By statute, all funds numbered 000-199 are “rolled” into a single fund for reporting purposes via the Annual Financial Report.

Fund 001 – General Fund

REVENUES

The general government fund is comprised of revenues received from a combination of taxes, state-shared revenues, and miscellaneous fees derived from charges for services. The following is a summary of these types of revenues:

TAXES

Property Taxes (Ad Valorem Tax)

The Thurston County Treasurer acts as the official agent to collect all property taxes levied within Thurston County for all taxing authorities. Collections are distributed by the 10th day of the month following the receipt of the collections. Property tax revenues are recognized when cash is collected. Delinquent taxes are considered fully collectible because a lien affixes to the property when taxes are levied.

Retail Sales Taxes

The retail sales tax rate within the City of Tenino is 8.3%, of which the City realizes 1.3%.

Gambling/Local Criminal Justice Taxes

There are three establishments in the City that currently offer pull-tab gaming. Predicting revenues from these have been difficult because of the uncertainty of the economy and the citizen participation in gambling.

Business Utility Taxes

Utility taxes vary on a year-to-year basis. The City assesses a 6% Utility Tax and a 2% Business & Occupation (B&O) Tax.

LICENSES/PERMITS

Business Licenses and Permits

Charges for business licenses are processed through the Washington State DOR for renewals. The City is now a full partner in the Washington State Department of Revenue's Business License Service. The State Department of Revenue will issue a Tenino Endorsement to the State Business License and will remit all fees for the endorsements to the City.

Franchises

The City of Tenino currently has four telecommunication franchises: Comcast and Verizon for rights-of-way and cell tower land leases.

STATE SHARED REVENUES

The State of Washington acts as the Agent for the City in respect to the disbursement of the City's portion of State-generated revenues. The most significant of these revenues are:

City Assistance	Criminal Justice	Marijuana Enforcement
DUI Enforcement	Liquor Excise Tax	Liquor & Cannabis Board

CHARGES FOR SERVICES

General Services

The City of Tenino charges for services, such as providing police reports, fees for planning services and park facility charges.

FINES & FORFEITURES

MISCELLANEOUS REVENUE

Miscellaneous Revenue

The City of Tenino receives some miscellaneous income for things such as interest for investing resources, camping fees, use of the Quarry House, and miscellaneous donations. Additionally, beginning balances are considered “revenues” in the year in which they are carried forward.

The City has its own Planning Commission, which is comprised of five members and is responsible for the review of all applications received for zoning and land use

issues. These issues include zoning variances, conditional use permits, short plats, large lot subdivisions and boundary line adjustments. The Planning Commission presents recommendations to the Tenino City Council for final approval on all issues except street vacations. The Planning Commission meets on the second Wednesday of every month in Council Chambers at City Hall.

The City contracts with the Thurston Economic Development Council (EDC) for professional services related to the promotion of, and planning for, economic development within the Tenino Urban Growth Area.

The City also contracts with the Thurston Visitor and Convention Bureau, doing business as “Experience Olympia and Beyond” for advertising and marketing support.

Mental & Physical Health

Mental and Physical Health services are available to the citizens of Tenino through an intergovernmental agreement with the Thurston County Department of Social and Health Services. This agreement allows for social services to assist in the treatment of alcoholism and drug dependency.

Fees for public health services are calculated on a per capita basis. Social services are calculated based upon a percentage formula of the liquor excise taxes received by the City.

Culture and Recreation

There are two organizations that provide culture and recreational facilities for the City of Tenino, not including public works, which follows this section. The two organizations included in this section are:

Library

Library services for the City are obtained through an agreement with the Timberland Regional Library services. In exchange for building operation and maintenance by the City, materials and staffing are provided by the Timberland Regional Library.

Tenino Depot Museum

Staffed and operated through volunteer members of the South Thurston County Historical Society (S.T.C.H.S), the Tenino Depot Museum is housed in the former Northern Pacific Train Depot, which was acquired by the City and relocated to its present location within the Tenino City Park. The Museum is constructed of Tenino Sandstone, and has been placed adjacent to the old Prairie Line. This abandoned rail spur was purchased by the Thurston County Parks and Recreation Department in 1994 to be used as part of the Yelm to Tenino Rails-to-Trails program.

In 2002, the STCHS organization received a donation of a building that served as the Ticknor School from Thurston County Fire District #12. In 2003, the building was moved from its site in the Skookumchuck Valley to the Tenino City Park adjacent to the Depot Museum and has become part of that historic display. The 1923 Great Northern Caboose was added in 2020.

Tenino Quarry House

The Tenino Quarry House serves as the Community Center for Tenino and is the meeting place for a variety of clubs and organizations as well as classed under the Tenino P.A.R.C. and recreation program. This building is located within the scenic City Park, adjacent to the Quarry Swimming Pool. The Quarry House was the office for the Tenino Sandstone Company and remains in its original location. The building was constructed with rough sandstone pillars at the entrance. A few paces from the steps are the remnants of a once elaborate sandstone porch. Every Monday and Tuesday, Senior Services of South Sound provides hot lunches for Senior Citizens using Quarry House facilities.

General Parks

The City of Tenino has approximately 55 acres of land designated as parks. Most of this property is located along the southern boundary of the City and is bisected by the abandoned Tenino to Yelm Prairie Line, as described above. Tenino's park facilities meet the recommendations for park sizes as established by the National Recreation and Parks Association. The park facilities are maintained and under the supervision of the Public Works Department. Programming and Rentals are by Tenino P.A.R.C. and recreation.

The West end of The City Park is the site of the former Tenino Stone Company. The only remnants of which are the Quarry House Community Center and the Quarry Swimming Pool.

In 2010 the land above the Quarry Pool was acquired from Weyerhaeuser to protect the forest and hillside behind the pool. This acquisition is the result of a multi-year project working with Weyerhaeuser; funding was provided by State and Federal Grants and fundraising activities of local volunteers.

In 2024 an additional 60 Acres was acquired by the City to expand the City Parks trail system. This was made possible by a donation from Angela J. Bowen Conservancy Foundation.

There are also four ball fields, picnic/play areas, primitive overnight camping facilities, and the multi-user concession/bathroom facilities that were completed during 1994.

Staffing

Salaries, wages, and personnel-related benefits are largely paid from the General Fund, although cost-allocation policies require that some staffing costs are borne by the fund that is receiving the staff support. Regardless of which fund is being supported, the City has a single Salary Schedule that is approved by the City Council and is adopted along with this budget.

Fund 002 - Pool

At the request of the City Council, the Quarry Pool is separated from the General Fund for accounting. The Quarry Pool is part of the Park System maintained and supervised by Public Works. This pool is the actual site of the sandstone quarry for the Tenino Stone Company. Abandoned when quarrying activities struck the aquifer, the old quarry has been developed into a swimming pool. The eastern end of the quarry has been filled and developed into a wading pool and splash pad area, which qualifies as a swimming pool by the health department standards, including chlorinated water. The quarry remains in its natural state and is available for swimming during the operating hours of the pool. When a lifeguard is on Duty. Portions of it are approximately 70 feet deep, and still contain the quarrying equipment that was abandoned when the aquifer was struck. Since the pool is fed by springs into the aquifer, it is classified as an inland lake. Funding to operate the pool is derived from donations, entrance fees during pool operating hours and transfers from the General Fund. The pool is open July-September.

Fund 003 – Tenino Reserve Academy

Established in 2019, The Tenino Reserve Academy provides a regional training venue for Reserve Police Officers. The Academy is fully accredited by the Washington State Criminal Justice Training Commission and is operated as a cooperative venture with resources from cities and counties within an approximately 75-mile radius. The first graduating class saw Reserve Officers from both the Lewis and Thurston Counties Sheriffs Departments, the Tenino Police Department, the Toledo Police Department, and other regional law enforcement agencies. The Academy is funded primarily through tuition fees but is augmented by both monies and “in-kind” goods and services provided by participating agencies.

The remaining 13 miles are comprised of 4 designated as Major Collector, and 9 as Local Access. The City is responsible for the maintenance of these roadways.

Most of the Local Access roadways within the city have a chip-sealed surface, and serve relatively light traffic loads, with the exception of Garfield, Howard, Lincoln and Central Streets, which are part of the local school bus route and receive heavy traffic.

In previous years there have been modest amounts held in this fund to defray unexpected expenditures.

This is an important fiscally responsible tool. The City recognizes that it is especially important to have reserve funds in times of financial instability and commits to contributing to this fund on an annual basis even if the contribution is minimal.

Note: *The State Auditor requires that all “Special Revenue Funds” be “rolled up” and reported as part of the General Fund. So, even though Funds 002, 003, 101, 102, and 109 are managed on a day-to-day basis as separate funds, at the end of the year, the amounts in these funds are reported as part of the General Fund (001) as shown on the City’s Annual Financial Report.*

The Capital Improvement projects for the fiscal year of 2025 are the RCO Grant for Ballfield Reno

Proprietary Fund Type (400 series):

These funds are classified as Enterprise Funds and account for operations that are organized to be self-supporting through user charges. Enterprise Funds are established to account for operations that are financed and operated in a manner similar to private business, where the intent is that the costs of providing goods or services to the general public on a continuing basis must be financed or recovered through user charges. State law requires these funds to be totally self-supporting.

Fund 401 – Water Fund

The Water Fund is a proprietary fund type. This fund is used for the provision of water services, and the maintenance and upkeep of the City water system.

As a proprietary type fund, this Fund is required by state law to be totally self-supporting, through the implementation of user fees. Revenues are primarily based on fees for water; other revenue comes from hook-up charges, late fees, hydrant rentals, and investment interest. When necessary for capital projects, the Water Fund may legally apply for, and receive, loans and/or grants. Any such loans must be repaid from revenues received through the provision of services from the Fund. Appropriations for expenditures include supplies, utilities, salaries, benefits, inter-fund transfers, and miscellaneous charges.

Fund 402 - Water Capital Improvement

The Water Capital Improvement Fund is a Capital Project Fund type. As such, this fund will be used for the development and implementation of improved water facilities for the City of Tenino.

Revenue for the Fund are received from new hookup fees for new construction as well as transfers from Fund 401 and any interest earned from investments.

Fund 403 - Stormwater Fund

The Stormwater Fund is a Special Revenue Fund type. Created in 1995 as a result of identified needed capital facilities improvements through the Comprehensive Plan, this fund has been established for use in planning, design, and construction of a new stormwater drainage system.

Revenues received within this fund are through inter-fund transfers from Fund 401 and interest received from investments.

Stormwater work is often times part of street improvements.

Fund 410- Sewer Fund

The Sewer Fund is a proprietary fund type. This fund is used for the provision of sewer services and the maintenance and upkeep of the City sewer system.

As a proprietary type fund, this Fund is required by state law to be totally self-supporting, through the implementation of user fees. Revenues are primarily based on fees for sewer; other revenue comes from hook-up charges, late fees, and investment interest. When necessary for capital projects, the Sewer Fund may legally apply for, and receive, loans and/or grants. Any such loans must be repaid from revenues received through the provision of services from the Fund.

Appropriations for expenditures include supplies, utilities, salaries, benefits, inter-fund transfers, debt services and miscellaneous charges.

In 2022 the City of Tenino contracted for a utility rate study. The results of that study were provided to the City in December of 2022 and the recommendations of that study continue to be incorporated into this budget.

Fund 421 - Sewer Capital Improvement Fund

The Sewer Capital Improvement Fund is a Capital Project Fund type. This fund was created when the City was building its wastewater treatment plant and the sewer collection system to connect customers to the plant and was originally known as the Sewer Construction Fund. Now that construction is complete, the system must be maintained and improved. As such, this fund is now used exactly like the other capital improvement funds, but for the express purpose of making capital expenditures to both the wastewater treatment plant, the collection system, and other capital expenditures in support of sewer operations.

Fund 422 - Sewer Reserve Fund

The Sewer Reserve Fund is a Debt Service Fund. This fund was created for the accumulation of resources to enable payments of principal, interest, and related costs for the city's outstanding long-term (bonded) debt from USDA Water and Sewer Bond.

Revenues for this fund are received through inter-fund transfers from Fund 410 (Sewer fund). All other revenues are received from investment interest only.

USDA requires a monthly transfer of funds from the Sewer Fund sufficient to cover the cost of all principal and interest payments for each year and to maintain a minimum balance in this fund of \$100,000.00.

Fund 631 – Municipal Court Trust Fund

The Court Trust Fund is a fiduciary type of fund that is used to account for assets held by the City as an agent of the State Court System.

Whenever the Tenino Municipal Court imposes a fine or fee, the City collects those fines or fees from the defendant and deposits those monies into the City's Court Trust Fund. Once a month, this fund is reconciled with the agencies in whose name the City is holding those funds in trust. Approximately 2/3's of these funds are then released to those agencies and approximately 1/3 is then disbursed to the City of Tenino General Fund.

Letter to the editor: Tenino deserves better leadership

Posted

Wednesday, November 5, 2025 3:16 pm

I've reached my breaking point.

After eight years serving on the Tenino City Council, I've seen our community through challenges and triumphs but never have I witnessed such dysfunction, lack of transparency, poor process, disrespect and lack of leadership as we're seeing today under Mayor Dave Watterson.

Our city is adrift.

We are mere weeks from the end of 2025, and Tenino still hasn't begun the months-long process required to adopt a budget. The mayor is nowhere to be found when it comes to doing the hard work of governance. Yet, somehow, he always finds time to post online, often to mock, attack or belittle others who have differing views than him. When you govern, you govern for all and not just those who agree with you.

Recently, Mayor Watterson crossed a line no public official should ever cross. He posted online making fun of the widow of a man who was recently killed, an act that was not only cruel but deeply shameful.

Charlie Kirk's death was tragic. His widow, Erika, is enduring unimaginable grief. Instead of showing compassion or respect, the mayor has chosen to ridicule her publicly. This comes after his earlier refusal to lower the city flag in honor of Mr. Kirk's passing.

That's not leadership. It's cruelty.

Our mayor's behavior reflects everything that is wrong with our politics today: people twisting small details into hateful narratives, attacking those they don't understand and mistaking cruelty for courage. You don't have to know someone personally to show empathy. You don't have to agree with someone to treat them with dignity.

7. Tenino deserves better. Our residents deserve leaders who focus on fixing problems, not stirring up drama. They deserve leaders who lead with integrity, not cynicism.

Mayor Watterson, you've embarrassed this city long enough. You've disrespected the people you were elected to serve, and you've undermined the very decency that holds our small community together.

If you care at all about Tenino, or about basic human compassion, then do the right thing and resign. Step aside and let this city heal.

Tenino is better than this. It's time our leadership reflected that.
