**Presentation of Fire District #2 Annual Report- Brendan Tobin**

Council President Baldwin introduced Fire District #2 Commissioner Brendan Tobin who is here to give a recap of their annual report.

Mr. Tobin introduced himself as the Fire Commissioner of Tinton Falls Fire District #2. He began his presentation by giving a brief history of the fire service in Tinton Falls. The Tinton Falls Fire Company #1 was established in 1932 with a truck donated by the Eatontown Fire Department. He noted that Fire Company #1 is 100% volunteer staffed and is equipped with two engines known as "rescue pumpers" as well as a heavy rescue truck. Northside Engine Co.

#4 is also 100% volunteer staffed, which consists of several 3<sup>rd</sup> and 4<sup>th</sup> generation responders. Mr. Tobin gave a brief explanation of the equipment they use, which includes a cascade system that allows air bottles to be refilled on site for continued operations. He explained that in Fire District #2 both station 1 and station 4 are privately owned by the respective fire companies. He discussed some of costs that go into running a fire department; and stated that the average cost for fire service per home in Tinton Falls is just \$.94 a day. This is made possible because of the amazing men and women who volunteer their time and service. He discussed the tax rate in district 2 and mentioned that it is lower now than it was in 2012 when they first joined the Board. Within the last few years, they were able to increase their training budget, add more volunteers and purchase a new truck with zero debt or bonding. Their 2019 District Budget is \$902,780 with nearly 70 volunteers. Since 2012, the number of volunteers has increased from 57 to 70. Fire District #2 covers the area from Newman Springs Road to the northern half of Tinton Avenue. They continue to answer more calls each year, as of September 30<sup>th</sup> Northside Engine has run 334 calls. Mr. Tobin also discussed the additional growth and development at Fort Monmouth and other areas of the Borough which will eventually cause an increase in the numbers of calls for service. Mr. Tobin praised the brave men and women who volunteer their time and service to ensure the overall safety of Tinton Falls and the neighboring community. Councilwoman Fama thanked Mr. Tobin for a fantastic presentation and expressed her gratitude for all of those who volunteer their time to serve Tinton Falls.
