## **Approve Minutes**

Motion by Yarrington, seconded by Lang to approve September minutes. All ayes. Motion carried.

## **Warden Update**

Nothing to report.

## **DNR Fish Survey 2025**

Tommy Hill provided a snapshot summary on the Fish Survey 2025. Weed growth and carp elimination has been successful in fish growth of Lake Tomah.

## **Weed Management**

Sediment Trap Update – Sediment trap is completed but still working on clean up.

Butts Park Forebay Maintenance – Discussion on getting bids from Solitude and another company that the Village of Warrens has used in the past.

Solitude curly-leaf pond weed application & permitting 2026 – Looking to permit up to 30 acres in 2026 for another round of weed application.

Weed Tool Removal Program – Still working out the details on this program

## **Adaptive Management**

Nothing to report.

## **Climate Change Task Force Update**

Nothing to report

## **Dam Lightning Strike Repair**

While repairs were being made, contractors broke a part and are now awaiting for new part.

## **Boat Dock Approvals**

No boat dock permits submitted. Discussion on possibly changing the docks size from 24" to 32". Will be working with Director Protz and PW Supervisor Kube on placing a new dock.

**Chemical Monitoring Stations**

Director Leis and Charmain Kiefer researched with suppliers on a chemical monitor station. There are no meters that will read 100% phosphorus. This type of monitoring is done by hand sample and sent to a lab.

**DNR Regulations on Ice Sinking Raffles**

Tommy Hill will need to research further and get back to the committee on the regulations.

**Chairman Updates**

Discussion on fixing the sign at the Winnebago boat landing. Working with Director Protz on the kayak launch. Reminder to submit receipts from the vendor or company in order to receive reimbursement.

**Adjourn – Next meeting will be held on January 15, 2026 at 5 pm.**

**Motion by Yarrington and seconded by Lang to adjourn the meeting. All ayes. Motion carried.**
