STAFF COMMITTEE PREPARATION REPORT

Agenda Item:

A request to appear has been made by Autumn Love Tucki for reconsideration of the denial of her beverage operator's license application.

Summary and Background Information:

(Appropriate Documentation Attached)

Autumn L. Tucki applied for a bartender license for the 2026-2028 licensing period. The Chief of Police is recommending denial due to Ms. Tucki's answers on her application. Question #3 of the application asks, "Have you had any non-felony drug-related convictions or pending charges within the last 12 months?". Ms. Tucki responded "No", but publicly available records indicated Ms. Tucki was found guilty in Sauk County Circuit Court for operating with a Restricted Controlled Substance-1st and possessing a Controlled Substance as Ordinance on April 30th, 2026.

Fiscal Note:

The City has received \$50.00 for this license application.

Recommendation:

Reason for this Request: My application for an Operator Bartender license was denied. I filled the application to the best of my ability. It says I was denied due to me saying no on question #3. Since it's June and that had happened last year on April 29th technically that's over 12 months. I just thought I was filling it out correctly. Otherwise I would have said my case again. My apologies as I also have a learning disability. I will give any other information that I need to if necessary. This is an honest mistake.

June 11, 2026

Reference Autumn Tucki's application for Beverage Operator's License:

On June 11, 2026, I reviewed the Beverage Operator's License application submitted to the City of Tomah by Autumn Tucki. After my review of the application, I am recommending to the City of Tomah Common Council that the application be denied based on the information provided below.

Ms. Tucki completed an application that required answering several questions related to her request for a bartender's license renewal.

Question #3 is, "Have you had any non-felony drug-related convictions or pending charges within the last 12 months?" Ms. Tucki indicated, "No."

Ms. Tucki was arrested by the Sauk County Sheriff's Office on April 29, 2025, for Operating with Restricted Controlled Substance-1st, Possess Controlled Substance as Ordinance, and Possess Drug Paraphernalia. On April 30, 2026, Ms. Tucki was found guilty of Operate with a Restricted Controlled Substance-1st and Possess Controlled Substance as Ordinance. Based on information obtained from the Wisconsin Circuit Court Access public website, a judgement of conviction was ordered by Sauk County Circuit Court Judge, Michael Screnock, on April 30, 2026.

Accordingly, it is my recommendation to deny Ms. Tucki's application request.

Respectfully,

Eric M. Pedersen
Police Chief

Agenda Item:

A request to appear has been made by attorney Bryan I. Pierce on behalf of Blake Charles Larson for reconsideration of Blake's denial for a beverage operator's license.

Summary and Background Information:

(Appropriate Documentation Attached)

Blake C. Larson applied for a bartender license for the 2026-2028 licensing period. The Chief of Police is recommending denial due to Mr. Larson's arrest record. Question #2 of the application asks, "Do you have a history (2 or more) of non-felony alcohol-related convictions as long as the most current conviction or arrest is within the last 24 months?" Mr. Larson answered "No", but publicly available records indicate Mr. Larson was found guilty on October 16th, 2025, in Monroe County Circuit Court to "Operating While Intoxicated-1st Offense, Resisting/Failing to Stop, Negligent Operation of a Motor Vehicle, and Disorderly Conduct". Also noted was that Mr. Larson's blood alcohol concentration was .174. The legal alcohol limit is .08.

Fiscal Note:

The City has received \$50.00 for this license application.

Recommendation:

The Chief of Police has reviewed the application and recommended denial of this beverage operator's license as described in his attached letter.

Next meeting

Reason for this Request: I was confused as to the questions on the application. I indicated "Yes" to the question about the charge. I was convicted of those crimes. I was sentenced to probation and was discharged early on 6/4 for completing all my requirements including 40 hours of Community Service. This is my only criminal conviction of my life.

Please see attached CCAP information indicating my early termination

Reference Blake Larsen's application for Beverage Operator's License:

On June 10, 2026, I reviewed the Beverage Operator's License application submitted to the City of Tomah by Blake Larsen. After my review of the application, I am recommending to the City Council that the application be denied based on the information provided below.

Mr. Larsen completed an application that required answering several questions related to his request for a bartender's license renewal.

Question #1 is, "Have you had any non-felony alcohol-related convictions or pending charges within the last 12 months?" Mr. Larsen indicated, "Yes."

Question #2 is, "Do you have a history (2 or more) of non-felony alcohol-related convictions as long as the most current conviction or arrest is within the last 24 months?" Mr. Larsen indicated, "No." Mr. Larsen was arrested by the Monroe County Sheriff's Office on May 11, 2025, after fleeing in a vehicle and failing to stop. Mr. Larsen was found guilty of Operating While Intoxicated-1st offense, Resisting/Failing to Stop (Traffic), Negligent Operation of a Motor vehicle, and Disorderly Conduct. Based on information obtained from the Wisconsin Circuit Court Access public website, Mr. Larsen had a blood alcohol concentration of .174 (.08 is legal limit). Mr. Larsen was found guilty of these charges by Monroe County Circuit Court Judge, Mark Goodman, with a date of conviction of October 16, 2025.

Accordingly, it is my recommendation to deny Mr. Larsen's application request.

Respectfully,

Eric M. Pedersen
Police Chief

Summary and Background Information:

(Appropriate Documentation Attached)

Christine M. Morrow applied for a bartender license for the 2026-2028 licensing period. The Chief of Police is recommending denial due to Ms. Morrow's conviction record. Question #3 of the application asks, "Have you had any non-felony drug-related convictions or pending charges within the last 12 months?". Ms. Morrow responded "Yes". Fiscal Note:

The City has received \$50.00 for this license application.

Reference Christine Morrow's application for Beverage Operator's License:

On June 8, 2026, I reviewed the Beverage Operator's License application submitted to the City of Tomah by Christine Morrow. After my review of the application, I am recommending to the City Council that the application be denied based on the information provided below.

Ms. Morrow completed an application that required answering several questions related to her request for a bartender's license renewal.

Question #3 is, "Have you had any non-felony drug-related convictions or pending charges within the last 12 months?" Ms. Morrow indicated, "Yes." Ms. Morrow received a possession of marijuana citation from the Monroe County Sheriff's Office on October 30, 2025. Based on information obtained from the Wisconsin Circuit Court Access public website, Ms. Morrow was found guilty of this charge by Monroe County Circuit Court Judge, Richard Radcliffe, with a date of conviction of January 13, 2026.

Accordingly, it is my recommendation to deny Ms. Morrow's application request.

Respectfully,

Eric M. Pedersen
Police Chief

Agenda Item:

A request to appear has been made by Heather A. Weihert for reconsideration of the denial of her beverage operator's license application.

Summary and Background Information:

(Appropriate Documentation Attached)

Heather A. Weihert applied for a bartender license for the 2026-2028 licensing period. The Chief of Police is recommending denial due to Ms. Weihert's background check findings. Public records show Ms. Weihert was found guilty in Monroe County Circuit Court for operating with a Restricted Controlled Substance-4th offense (felony) on June 27th, 2025.

Fiscal Note:

The City has received \$50.00 for this license application.

June 10, 2026

Reference Heather Weihert's application for Beverage Operator's License:

On June 10, 2026, I reviewed the Beverage Operator's License application submitted to the City of Tomah by Heather Weihert. After my review of the application, I am recommending to the City Council that the application be denied based on the information provided below.

Ms. Weihert completed an application that required answering several questions related to her request for a bartender's license renewal.

Question #6 is, "Have you had any felony convictions in the last 10 years involving alcohol or drugs?" Ms. Weihert indicated, "Yes." Ms. Weihert was arrested by the Sparta Police Department on December 4, 2021, for Operating with a Restricted Controlled Substance-4th offense (Felony). Based on information obtained from the Wisconsin Circuit Court Access public website, Ms. Weihert was found guilty of this charge by Monroe County Circuit Court Judge, Richard Radcliffe, with a date of conviction of June 27, 2025.

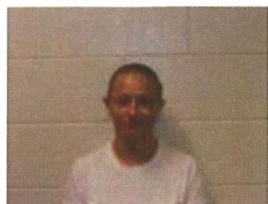

Accordingly, it is my recommendation to deny Ms. Weihert's application request.

Respectfully,

STAFF COMMITTEE PREPARATION REPORT

Agenda Item:

A letter has been submitted by Payton Mehne to explain her position for reconsideration of the denial of her beverage operator's license application.

Summary and Background Information:

(Appropriate Documentation Attached)

Ms. Mehne applied for a bartender license for the 2026-2028 licensing period. The Chief of Police is recommending denial due to Ms. Mehne's answer that she gave in her application. Question #7 of the application asks, "Do you presently have any outstanding fines, forfeitures, penalties, assessments or user fees owed to the City of Tomah?" Ms. Mehne responded "No". Janice Nicholson, Tomah Municipal Court Clerk, verified Ms. Mehne owes the City of Tomah \$957.50 on a payment plan for an Operating While Intoxicated arrest in the City on March 4th, 2026.

Fiscal Note:

The City has received \$50.00 for this license application.

Recommendation:

The Chief of Police has reviewed the application and recommended denial of this beverage operator's license per his attached letter.

Respectfully submitted by:

Nicole Jacobs
Tomah City Clerk

Committee: Committee of the Whole & Common Council

Meeting Date: July 13 and 20, 2026

July 8, 2026

To Whom It May Concern,

My name is Payton Mehne, and I am writing to respectfully appeal the denial of my bartender's license.

A few months ago, I received an OWI, which resulted in my application being denied. Since then, I have taken responsibility for my actions by attending my required court appearance, paying my fines, and taking the necessary steps to ensure I remain on a better path. This is my first offense of this nature, and I am committed to learning from this mistake and making better decisions moving forward.

Obtaining my bartender's license is extremely important to me because it allows me to keep my job, provide for my family, and maintain my primary source of income. Continuing to work will also enable me to meet my financial obligations, including paying my fines and working toward reinstating my driver's license.

Unfortunately, I will be unable to attend the Committee hearing on Monday, July 13, 2026, as I will be attending my grandfather's funeral. I sincerely apologize for my absence. However, I will be present at the City Council meeting the following Monday to continue my appeal and answer any questions the Council may have.

I understand that earning this license is a privilege, not a right, and I am willing to comply with any conditions or requirements the City or Council believes are appropriate. I respectfully ask that you consider my circumstances, my efforts to take responsibility, and my commitment to moving forward in a positive direction.

Thank you for your time, consideration, and understanding. I truly appreciate the opportunity to have my appeal considered.

Sincerely,

Payton Mehne

Reference Payton Mehne's application for Beverage Operator's License:

On June 10, 2026, I reviewed the Beverage Operator's License application submitted to the City of Tomah by Payton Mehne. After my review of the application, I am recommending to the City Council that the application be denied based on the information provided below.

Ms. Mehne completed an application that required answering several questions related to her request for a bartender's license.

Question #7 is, "Do you presently have any outstanding fines, forfeitures, penalties, assessments or user fees owed to the City of Tomah?" Ms. Mehne indicated, "No."

Ms. Mehne was arrested by the Tomah Police Department on March 4, 2026, for Operating While intoxicated. Ms. Mehne is currently on a payment plan through the Tomah Municipal Court. Tomah Municipal Court Clerk, Janice Nicholson, verified that Ms. Mehne currently owes the City of Tomah \$957.50.

Accordingly, it is my recommendation to deny Ms. Mehne's application request.

Respectfully,

Eric M. Pedersen
Police Chief
Tomah Police Department
