### Work Session

- 1. 5:00 p.m. (45 min) – Regional Tolling Survey Results.** In February, DHM Research conducted a survey of Portland Metro region voters regarding tolling in the region. The survey was conducted to gauge public opinion about congestion and road quality in the Portland metro region, assess general awareness of tolling and its purpose, assess awareness and support of current ODOT tolling plans, and gauge interest in alternative methods to fund transportation. Representatives from DHM will provide Council with an overview of the survey results.
- 2. 5:45 p.m. (15 min) – Council Chambers Technology Upgrade Completion.** Over the past 16 months, the City has collaborated with Tualatin Valley Community Television (TVCTV) and the Metro Area Communications Commission (MACC) to enhance the audio, video, streaming, and overall production quality of council meetings. The final outcome of these efforts is a significantly improved, multi-camera production experience for the public,

facilitating remote access for public engagement. Staff will highlight the work done and the results.

3. **6:00 p.m. (30 min) – 2024 City Council Advance Summary Report.** The Council and Executive Management Team gathered on January 26 & 27, 2024 for the annual City Council Advance. Tonight's discussion will include a summary of the work of the two days and a review of the 2024 Council Priorities and Outcomes.
  4. **6:30 p.m. (30 min) – Council Meeting Agenda Review, Communications & Roundtable.** Council will review the agenda for the March 25 City Council meeting and brief the Council on issues of mutual interest.
