Service Boundaries define the geographic area for which each Contractor is primarily responsible for providing outreach services to clarify service responsibility and avoid duplication or gaps in outreach services. Service Boundaries will also be used for determining each Contractor’s official service population for annual statistical reporting to the State Library of Oregon, and applications for state and federal library funding.

14.3. **COORDINATION OF SERVICE ACROSS BOUNDARIES.** Service Boundaries shall not be used to deny access to materials, resources and services for Eligible Users. Requests for specific services by schools or other community organizations located within a Service Boundary, and received by a library in a different Service Boundary, will be referred to a library within the requester’s Service Boundary. Partnerships or other coordinated services may be agreed on by multiple libraries to better serve the public if the library within the requester’s Service Boundary is not able to meet the need.

14.4. **SERVICE POPULATIONS.** Each Contractor’s service population shall consist of the population residing within the defined Service Boundary, as defined within this Agreement. WCCLS shall update service population estimates on an annual basis only for the purpose of annual statistical reporting and applications for state and federal library funding. Service population estimates will be provided to Contractors in time to fulfill State Library of Oregon statistical reporting requirements.

14.5. **MODIFICATIONS RESULTING FROM ANNEXATION.** If during the term of this Agreement a city Contractor annexes ~~an area-land~~ within their Urban Planning Area Agreement, the previously unincorporated service area and corresponding population will be reassigned to the city Contractor. Within a two-year period of the annexation, the annexed ~~area-land~~ will fully transition to the city Contractor for library service. During the transition period, library service shall be provided in accordance with a service transition plan developed by the affected Contractors, with support from the County, and the funding distribution for affected ~~areas-lands~~ will be reviewed. At the conclusion of the transition period, the annexed ~~area-land~~ shall be fully transitioned to the city Contractor for purposes of service

responsibility, service population reporting, and funding.

14.6. OTHER MODIFICATIONS TO SERVICE BOUNDARIES. No other changes to Service Boundaries shall be made for the term of this Agreement.

15. COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT. No person shall be denied the benefits of or be subjected to discrimination in any program, service, or activity provided by County personnel, Contractors, or consultants on the grounds of race, color, national origin, English proficiency, age, disability, religion, marital status, familial status, sex, gender, gender identity, sexual orientation, or source of income. Contractors and subrecipients acknowledge that they are aware of federal, state, and local non-discrimination requirements. Washington County contracts and subrecipient agreements include the non-discrimination clauses required by federal statute and executive orders and their implementing regulations.

15.1. CONTRACTOR COMPLIANCE. Contractors will:

15.1.1. Post notice that free language assistance is available;

15.1.2. Use document translation and/or interpretation services upon request of the user;

15.1.3. Ensure that library card applications are available to users in [the multiple language options provided by WCCLS, Safe Harbor Languages](#), at a minimum printing them upon request;

15.1.4. Post notice and make interpretation services available for any public meetings related to library governance, such as library advisory boards.

15.2. WCCLS COMPLIANCE. WCCLS will:

15.2.1. Provide signage to libraries of Contractors indicating that free language assistance is available;

15.2.2. Provide access to translation and interpretation services to the libraries of Contractors who do not already have access to this service;

15.2.3. Provide library card applications in Safe Harbor Languages;

15.2.4. Work towards providing an online payment interface in Safe Harbor Languages.

16. FUNDING ALLOCATIONS. As compensation to Contractor for the services to be provided pursuant to this Agreement, WCCLS agrees to distribute funds to Contractor on the basis set forth in this section.

16.1. PURPOSE OF FUNDS. By receipt of funds from WCCLS, each Contractor agrees to expend those funds to provide library services in accordance with the established Base Service Levels and Cooperative Service Agreements. In the event that WCCLS future funding allocations are reduced to the extent that Base Service Levels cannot be met, WCCLS and Contractors will determine mutually agreeable service levels to be provided. Contractors must spend all funds received from WCCLS on library operations to fulfill Base Service Levels before expending funds on other allowable costs. Allowable costs for city Contractors include indirect costs, also known as overhead or administrative charges, and building lease costs for all Contractors. Once Base Service Levels are met, funds received from WCCLS may be used to support the development of a local fund balance as allowed per local policy or a fund balance to support up to four months of total annual Contractor expenditures for base library service, whichever is less. Funds received from WCCLS cannot be used for capital improvements including but not limited to new building construction, land acquisition, permanent improvement of buildings or building systems, or major repairs or deferred maintenance that extends the useful life of the facility. Routine building maintenance and minor repairs necessary to maintain safe, accessible and functional library facilities as well as expenditures related to furniture, fixtures, and movable equipment are allowable costs.

16.2. FUND BALANCE. The Board of County Commissioners, WCCLS and the Contractors are committed to a strategy that balances fiscal prudence with service delivery to meet community needs. WCCLS will maintain a minimum fund balance of three months of total annual expenditures. As projected annual expenditures increase, the total minimum fund balance will increase proportionately. This is an exception to Washington County's Budget Contingency and Reserve Policy (Administrative Policy 411), which is authorized by the Board of County Commissioners, as per Section 3 of Policy 411.

16.3. FUNDING DISTRIBUTION. WCCLS shall determine the total payment to be made to each Contractor during the term of this Agreement by using the method set forth in Section 16 and based on figures set forth in EXHIBIT C "Library Funding Allocations" and EXHIBIT D "Library Funding Allocation Methodology." Funding distributions to Contractors shall be provided through the following mechanisms.

16.3.1. LIBRARY FUNDING ALLOCATION. Library funding allocations will be determined based on the FY26-27 funding allocations determined through the Funding and Governance Project presented in EXHIBIT C "Library Funding Allocations" and adjusted annually based on the procedures outlined in Section 16.3.2.

16.3.2. REVENUE-BASED ESCALATION OR REDUCTION OF ALLOCATIONS. Escalation or reduction of annual funding allocations for Contractors and WCCLS will be determined based on the net percentage increase or

decrease in total projected revenue. Should total revenue combine for a net percentage increase over the previous fiscal year, funding allocations will be increased by that net percentage increase amount. Should total revenue combine for a net percentage decrease over the previous fiscal year, funding allocations will be decreased by that net percentage decrease amount. Net percentage increase or decrease in total projected revenue will be determined in accordance with Sections 16.3.2.1 and 16.3.2.2.

16.3.2.1. **TOTAL PROJECTED REVENUE.** For the purpose of establishing funding allocations each year, Total Projected Revenue will be determined according to the following formula: [Projected Local Option Levy Revenue + Projected Delinquent Local Option Levy Taxes + Projected County General Fund Transfer] = Total Revenue. ~~Projected County General Fund Transfers are determined through the County's annual budget process.~~ The County acknowledges the historical importance of General Fund support in the success of the library cooperative. The County is committed to allocation of General Fund in addition to the Local Option Levy revenue to support base service levels, with the understanding that projected County General Fund Transfers are determined through the County's annual budget process.

Commented [LT2]: New change

16.3.2.2. **NET PROJECTED REVENUE INCREASE OR DECREASE.** Net projected increase or decrease to total revenues will be determined according to the following formula: [Total Projected Revenue – Estimated Actual Total Revenues for the Current Fiscal Year] / [Estimated Actual Total Revenue for the Current Fiscal Year]\*100 = Net Increase or Decrease to Total Projected Revenue. Estimated actual total revenue for the current fiscal year will be based on year-to-date actual revenues and financial forecasts prepared as part of the County's annual budget process.

16.3.2.3. **NOTIFICATIONS OF ALLOCATIONS.** WCCLS will provide Contractors with a written notice of forecasted allocation no later than January 31 annually, for the following fiscal year. The forecasted allocation will be based upon assessed value information and financial forecasts provided to the Board of County Commissioners in public meetings by Washington County staff.

16.3.3. **REVENUE FROM USER FEES.** Contractors and WCCLS may collect fees from users as allowed through Cooperative policy. Revenue from user fees will be retained by the Party who collects the fees. After deducting the cost for fee collection, revenue can only be used for allowable costs.

16.3.4. **ADJUSTMENTS IN FUNDING DISTRIBUTIONS.** Except as described

in Section 14.5. No increases to funding allocations will be made in response to Contractor's opening a library service outlet prior to July 1, 2031. No decreases to funding allocations will be made in response to a Contractor's closing a library service outlet prior to July 1, 2031, as long as Contractor continues to operate one service outlet that meets Base Service Levels.

16.3.4.1. NOTIFICATION OF ADJUSTMENTS. WCCLS shall notify the Contractors in writing of any adjustments under this Section as soon as possible and no later than January 31.

16.3.5. DISTRIBUTION SCHEDULE. WCCLS shall make quarterly distributions to all Contractors on July 15, October 15, January 15, and April 15 of each fiscal year during the term of this Agreement. If any distribution date falls on a weekend or County-recognized holiday, distribution shall be made on the next business day.

## 17. SHARED ACCOUNTABILITY COMMITMENTS

17.1. PURPOSE OF SHARED ACCOUNTABILITY COMMITMENTS. The Parties agree that maintaining transparency, communication, and shared responsibility is essential to the effective operation of Cooperative library services. This section outlines high-level commitments related to reporting, communication, and addressing issues with the goal of reaching compliance in a collaborative manner.

17.2. SHARED REPORTING COMMITMENTS. The Parties agree to participate in a collective reporting process that supports system-wide understanding of service levels, financial stewardship, and fulfillment of responsibilities under this Agreement. At intervals established through the Library Leadership Group and Executive Board, and no less than annually, each Contractor and WCCLS will provide information sufficient to demonstrate compliance with agreements related to the use of library funds and delivery of Base Service Levels. The type and format of information to be shared shall be developed collectively and documented in an attachment or guidance adopted by the Library Leadership Group and Executive Board. This guidance will be adopted by January 31, 2027.

17.3. ONGOING COMMUNICATION. In addition to formal notice requirements for library closures laid out in Section 12.6.2, each Contractor and WCCLS agree to share information with Contractors as early as practical when local decisions or circumstances may reasonably affect Cooperative-wide services. Communications should be documented in writing for clarity and transparency with all Contractors. This may include, but is not limited to, matters regarding fulfillment of roles and responsibilities, compliance with shared policies or local policy, and/or funding or service changes that may impact services. The intent of this communication is to support early awareness, facilitate Cooperative planning, and maintain alignment

across the Cooperative.

17.4. COOPERATIVE PROCESS FOR ADDRESSING ISSUES. If questions or concerns arise regarding a Contractor's or WCCLS's current ability to meet obligations under this Agreement or Cooperative-wide policies, the Parties agree to follow a collaborative problem-solving process:

17.4.1. INITIAL DIALOGUE. The Parties affected will first meet to clarify the issue, share information, and mutually determine whether adjustments or supports are needed.

17.4.2. COLLABORATIVE REVIEW. If further review is required, the matter may be brought to the Library Leadership Group for operational problem-solving or the Executive Board for problem-solving involving funding or governance issues. Issues will be brought before the Library Leadership Group or Executive Board according to the bylaws established outside of this Agreement.

17.4.3. ESCALATION ONLY WHEN NEEDED. If the issue cannot be resolved collaboratively, it may be elevated to County Administration and, if necessary, to the Board of County Commissioners for guidance, consistent with existing governance roles.

17.4.4. DOCUMENTATION. Resolutions or next steps agreed upon by the Parties will be documented for shared understanding and future reference.

## 18. TERMINATION.

18.1. The County may terminate this Agreement effective the end of any fiscal year upon sixty (60) days' written notice if, ~~in the County's sole and reasonable discretion, continuation of the Agreement is not in the public interest or~~ sufficient funds are not appropriated or otherwise available.

Commented [LT3]: New change

18.2. Each Contractor may terminate this Agreement effective the last day of a given fiscal year upon sixty (60) days' written notice to the County.

18.3. County and any individual Contractor may terminate participation in this Agreement separately. ~~And Any~~ individual termination shall have no bearing or effect on the Agreement between remaining Parties and County, and the Agreement shall remain in full force and effect.

18.4. Upon delivery of a notice of termination under Sections 18.1 or 18.2, this Agreement shall remain in full force and effect through the end of the applicable fiscal year. During such period, the County shall continue to provide funding and each Contractor shall continue to provide library services in accordance with this Agreement, unless the Parties agree otherwise in writing.

19. **INSURANCE.** Each Contractor shall maintain comprehensive general liability insurance or adequate reserves in a program of self-insurance covering personal injury and property damage for the Contractors, its employees and agents.

20.1. If the indemnifying party is a unit of local government, such indemnification shall be subject to the limitations of liability for public bodies set forth in the Oregon Tort Claims Act, ORS 30.260 to 30.302, and the Oregon Constitution. The parties agree to promptly notify the other in writing of any such claim or demand to indemnify and agree to cooperation with each other in a reasonable manner to facilitate the defense of any such claim or demand.

## EXHIBIT B: Library Service Boundary Methodology

Library Service Boundaries are used to define the specific geographic area for which each Partner is responsible for providing base services, as well as provide a means for calculating each Partner's service population. The methodology for establishing Service Boundaries follows the following steps:

1. **Partition the County into distinct geographic units.** 100% of the County is partitioned into distinct geographic units using Washington County Assessment & Taxation voter precincts<sup>1</sup> so as to align with Partner municipal boundaries.
2. **Assign each geographic unit to one or more Partners.** Each geographic unit is assigned to one or more Partner service areas according to the following decision-tree:

**EXHIBIT D: Library Funding Allocation Methodology**

Library Funding Allocations for FY2026-2027 were determined according to a funding allocation methodology developed as part of the WCCLS Funding and Governance Project. The funding allocation methodology is intended to support base service levels in a way that acknowledges operational differences resulting from past funding levels while moving towards a more consistent level of investment in each Partner library. The methodology, outlined in the figure below, follows the following steps:

1. The population within a Partner’s service boundary is estimated<sup>1</sup> and rounded down to the nearest multiple of 2,500<sup>2</sup>.
2. The rounded service population is used to determine the number of funding units<sup>3</sup> allocated to each Partner as described in Figure 1.
3. The allocated funding units are multiplied by a dollar per unit<sup>4</sup> to arrive at the base allocation for each Partner.
4. Non-profit Partners serving unincorporated areas of the County are allocated an additional dollar amount per facility square-foot to support the cost of maintaining library facilities.

Figure 2: Methodology for calculating Library Funding Allocations

<sup>1</sup> 2022 American Community Census population data

<sup>2</sup> Population intervals of 2,500 are used to reduce the funding allocation formula’s sensitivity to population estimates and stabilize funding allocations.

<sup>3</sup> The funding units correlate to a number of full-time equivalent (FTE) units to be allocated in addition to a base allocation of 4 FTE units, the minimum requirement outlined in the base service levels. Funding units above the base 4 FTE were assigned based on additional service population above 5,000 people according to the relationship of 4.5 FTE per 10,000.

<sup>4</sup> The dollar per unit was established by calculating the average costs for city Partners (\$128,000).
