TO: City Council
 FROM: Brad Medrud, Planning Manager
 DATE: April 26, 2022
 SUBJECT: Ordinance No. O2022-001, Eleven County Island Annexations

1) Recommended Action:

Review the eleven County island annexations ordinance and schedule the ordinance for consideration by the City Council at their May 17, 2022 regular meeting.

2) Background:

Tumwater has twelve unincorporated “islands” within the City limits. These islands were formed over the last century as annexations occurred and some parcels were left out of the annexation for one reason or another. These parcels were usually excluded because the owner did not want to annex at that time. These islands continue to exist because there was no method available to annex them without a willing owner. The islands range in size from a single quarter acre residential lot to over a hundred acres. The largest island, Trosper Lake, has several hundred residents.

In 2020, the Washington Legislature enacted a new annexation process (Engrossed Senate Substitute Bill 5224) into that law specifically to address the issue of County islands, and City will be using this process for these annexations. This new legislation allows the City to annex County islands by entering into an Interlocal Agreement with the County.

The County Board of Commissioners and the City Council held a joint hearing on January 18, 2022 to approve an Interlocal Agreement setting out the process for annexing all twelve islands. The City Council approved the Interlocal Agreement on January 18, 2022 and the County Board of Commissioners approved the Interlocal Agreement on January 25, 2022.

Notice of Intent applications for the twelve annexations were submitted to the Boundary Review Board for Thurston County on February 16, 2022, by the City of Tumwater Thurston County Boundary Review Board Notice of Intent process.

The Boundary Review Board for Thurston County approved the waivers of the 45-day period allowed for the jurisdiction of the Boundary Review Board to be invoked and returned nine of the twelve annexations to the City of Tumwater for final action on March 7, 2022. The nine annexations included the following:

1. 984 Liberty Street Annexation
2. Dennis Street Annexation
3. Linwood Avenue Annexation
4. Pioneer Street North Annexation
5. Pioneer Street South Annexation
6. Quince Street North Annexation
7. Quince Street South Annexation
8. Rural Road South Annexation
9. Sapp Road Annexation

The Boundary Review Board for Thurston County returned the remaining three annexations to the City of Tumwater for final action on April 4, 2022 after the 45-day period allowed for the jurisdiction of the Boundary Review Board to be invoked was completed. The three

annexations included the following:

1. Liberty Street Annexation
2. Rural Road North Annexation
3. Trospen Lake Annexation

The next step in the process will be consideration and approval of two ordinances by the City Council.

The "Eleven County Islands" annexation ordinance (Ordinance No. O2022-001) will be considered by the City Council for the following eleven annexation areas on May 17, 2022:

1. 984 Liberty Street Annexation
2. Dennis Street Annexation
3. Linwood Avenue Annexation
4. Pioneer Street North Annexation
5. Pioneer Street South Annexation
6. Quince Street North Annexation
7. Quince Street South Annexation
8. Rural Road South Annexation
9. Sapp Road Annexation
10. Liberty Street Annexation
11. Rural Road North Annexation

A second ordinance for the Trospen Lake Island annexation (Ordinance No. O2022-002) will be considered by the City Council on June 7, 2022.

3) Policy Support:

County-Wide Planning Policy III: Promotion of Contiguous and Orderly Development, Provision of Urban Services, and Protection of Rural Areas

Comprehensive Plan Land Use Element Policy LU-2.4: Ensure new annexations adhere to the goals and policies of the City's Annexation Policy.

2021-2026 Council Goal: *"Annex the unincorporated islands to enhance public safety."*

4) Alternatives:

- ☐ Terminate the some or all of the annexations.

5) Fiscal Notes:

In consideration of the terms, conditions, covenants, and performances contained herein, it is mutually agreed by the Jurisdictions as follows:

WHEREAS, annexations are routinely applied for and put forth by the City; and

WHEREAS, County islands are those unincorporated County areas that are bounded on all sides by the City; and

WHEREAS, provision of services by the County to islands that are surrounded by the City results in an inefficient use of City and County resources; and

WHEREAS, there are currently 12 unincorporated County islands located within the boundaries of the City; and

WHEREAS, the annexation of these 12 County islands will provide greater efficiency of services; and

WHEREAS, the Jurisdictions want to facilitate an orderly transition of services associated with the islands proposed to be annexed, including, but not limited to emergency services, public works, and permit processing; and

WHEREAS, the City and County want to ensure a seamless transition of review of permit applications that were initiated in the County, but then transferred to the City upon annexation; and

WHEREAS, RCW 35A.14.296 authorizes any code city to annex unincorporated areas pursuant to a jointly approved interlocal agreement with the county; and

WHEREAS, the legislative findings in RCW 35A.14.296 state, "The legislature finds that city annexations of unincorporated areas within urban growth areas will be more efficient and effective if the county and city develop a jointly approved interlocal agreement so as not to create illogical boundaries or islands of unincorporated territory"; and

WHEREAS, RCW 35A.14.296 requires that any affected adjacent jurisdictions, such as fire districts, be notified of the intent to annex any areas served by the fire district. Nine of the twelve County islands that the City is proposing to annex are within the service area of the McLane Black Lake Fire Department; and

The City shall assume the responsibility for expending these fees to address the impact or complete the mitigation appropriate to the project for which they were collected. This shall not apply to school mitigation fees or agency fees.

6. Development Bonds.

The County will identify any development bonds that are active within the proposed annexation areas. Upon annexation and when identified for transfer under the terms of the January 28, 2008 Interlocal Agreement as amended on January 7, 2014, these bonds will be transferred to the City for administration in accordance with the terms of the bond.

7. Notification of Potentially Affected Jurisdictions.

Consistent with the requirements of RCW 35A.14.296, the City transmitted this Agreement to any potentially affected adjacent jurisdiction, including the appropriate fire district, to allow for a 30-day comment period on May 20, 2021.

8. Maintenance of Residential Zoning.

Consistent with the requirements of RCW 35A.14.296, the City agrees that for a period of five years, any parcel zoned for residential development within the annexed areas shall:

- A. Maintain a zoning designation that provides for residential development; and
- B. Not have its minimum gross residential density reduced below the density allowed for by the zoning designation for that parcel prior to annexation.

9. Public Outreach.

The City shall assume responsibility for completing all required public notifications pursuant to RCW 35A.14.296. In addition, the City shall assume responsibility for holding any public meetings, open houses, drafting of Frequently Asked Question flyers and other informational materials, and public hearings. 10. Effective Date of Annexation.

The jurisdictions mutually agree that the effective date of the annexation, as described and agreed to in this agreement, shall be the date of the City's adoption of its annexation ordinance.

11. Term.

The term of this Agreement shall be effective upon the Effective Date and shall expire two years after the Effective Date unless extended by the agreement of the Jurisdictions.

12. Indemnification and Hold Harmless.

- A. To the extent permitted by law, each Jurisdiction agrees to indemnify, defend, and hold harmless the other Jurisdiction, their officers, officials, employees, agents, and volunteers from and against any and all claims, demands, damages, losses, actions, liabilities, expenses, and judgments of any nature whatsoever, including without limitation, court and appeal costs and attorneys' fees, to or by any and all persons or entities, including without limitation, their respective agents, licensees, or representatives, caused by or arising out of any negligent act, errors, or omissions, of that Jurisdiction, its employees, agents, or volunteers or arising out of, in connection with, or incident to that Jurisdiction's performance or failure to perform any aspect of this Agreement.

- B. The Jurisdictions waive their immunity under the Washington State Industrial Insurance Act, Title 51 RCW, to the extent required by this indemnification and hold harmless provision. Provided, however, the foregoing waiver shall not in any way preclude a Jurisdiction from raising such immunity as a defense against any claim brought against a Jurisdiction by any of the Jurisdiction's respective employees. This waiver has been mutually negotiated by the Jurisdictions.
- C. The provisions of this section shall survive the completion or expiration of this Agreement or termination whether termination is by one or all Jurisdictions.
- D. The Jurisdictions agree to support each other in pursuing these purposes and responsibilities and operate in good faith and partnership in carrying them out. Risk and accountability shall be shared to the extent possible by the Jurisdictions.

13. Amendments.

This Agreement may be amended as needed by mutual written agreement of the Jurisdictions as executed by each Jurisdiction's authorized governing authority as provided in Chapter 39.34 RCW.

14. Termination.

This Agreement may be terminated when the terminating Jurisdiction provides written notice to the other Jurisdiction at least 90 days prior to its intended withdrawal from this Agreement. Following a termination, the Jurisdictions are mutually responsible for fulfilling any outstanding obligations under this Agreement incurred prior to the effective date of the amendment or termination.

15. Dispute Resolution.

The Jurisdictions mutually agree to use a formal dispute resolution process such as mediation, through an agreed-upon mediator and process, if agreement cannot be reached regarding interpretation or implementation of any provision of this Agreement. All costs for mediation services would be divided equally between the Jurisdictions. Each Jurisdiction would be responsible for the costs of their own legal representation. The jurisdictions must first seek a remedy under this section in good faith prior to any legal action in court to enforce the terms of this Agreement.

Any action of lawsuit in equity, or judicial proceeding arising out of this Agreement shall be instituted and maintained only in a court of competent jurisdiction in Thurston County, Washington or in the superior court of either of the two nearest judicial districts pursuant to RCW 36.01.050.

18. Severability.

If one or more of the clauses of this Agreement is found to be unenforceable, illegal, or contrary to public policy, the Agreement will remain in full force and effect except for the clauses that are unenforceable, illegal, or contrary to public policy.

19. Entire Agreement.

The Jurisdictions agree that this Agreement is the complete expression of its terms and conditions. Any oral or written representations or understandings not incorporated in this Agreement are specifically excluded.

20. Non-Waiver of Rights.

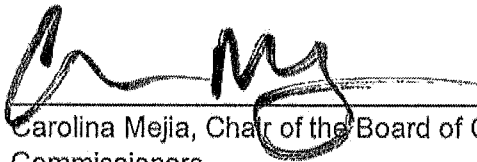

The Jurisdictions agree that failure to declare any breach or default immediately upon the occurrence thereof, delay in taking any action in connection with, or the forgiveness of the nonperformance of any provision of this Agreement does not constitute a waiver of the provisions of this Agreement.

21. Equal Opportunity to Draft.

The Jurisdictions have participated and had an equal opportunity to participate in the drafting of this Agreement. No ambiguity shall be construed against any Jurisdiction upon a claim that that Jurisdiction drafted the ambiguous language.

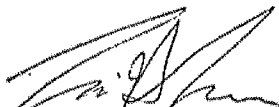

IN WITNESS WHEREOF, the Jurisdictions hereto have caused this Agreement to be executed by the dates and signature herein under affixed.  SUBJECT: Ordinance No. O2022-002, Trosper Lake Island Annexation

1) Recommended Action:

Review the Trosper Lake County island annexation ordinance and schedule the ordinance for consideration by the City Council at their June 7, 2022 regular meeting.

2) Background:

Tumwater has twelve unincorporated “islands” within the City limits. These islands were formed over the last century as annexations occurred and some parcels were left out of the annexation for one reason or another. These parcels were usually excluded because the owner did not want to annex at that time. These islands continue to exist because there was no method available to annex them without a willing owner. The islands range in size from a single quarter acre residential lot to over a hundred acres. The largest island, Trosper Lake, has several hundred residents.

In 2020, the Washington Legislature enacted a new annexation process (Engrossed Senate Substitute Bill 5224) into that law specifically to address the issue of County islands, and City will be using this process for these annexations. This new legislation allows the City to annex County islands by entering into an Interlocal Agreement with the County.

The County Board of Commissioners and the City Council held a joint hearing on January 18, 2022 to approve an Interlocal Agreement setting out the process for annexing all twelve islands. The City Council approved the Interlocal Agreement on January 18, 2022 and the County Board of Commissioners approved the Interlocal Agreement on January 25, 2022.

Notice of Intent applications for the twelve annexations were submitted to the Boundary Review Board for Thurston County on February 16, 2022, by the City of Tumwater Thurston County Boundary Review Board Notice of Intent process.

The Boundary Review Board for Thurston County approved the waivers of the 45-day period allowed for the jurisdiction of the Boundary Review Board to be invoked and returned nine of the twelve annexations to the City of Tumwater for final action on March 7, 2022. The nine annexations included the following:

1. 984 Liberty Street Annexation
2. Dennis Street Annexation
3. Linwood Avenue Annexation
4. Pioneer Street North Annexation
5. Pioneer Street South Annexation
6. Quince Street North Annexation
7. Quince Street South Annexation
8. Rural Road South Annexation
9. Sapp Road Annexation

The Boundary Review Board for Thurston County returned the remaining three annexations to the City of Tumwater for final action on April 4, 2022 after the 45-day period allowed for the jurisdiction of the Boundary Review Board to be invoked was completed. The three

annexations included the following:

1. Liberty Street Annexation
2. Rural Road North Annexation
3. Trosper Lake Annexation

The next step in the process will be consideration and approval of two ordinances by the City Council.

The "Eleven County Islands" annexation ordinance (Ordinance No. O2022-001) will be considered by the City Council for the following eleven annexation areas on May 17, 2022:

1. 984 Liberty Street Annexation
2. Dennis Street Annexation
3. Linwood Avenue Annexation
4. Pioneer Street North Annexation
5. Pioneer Street South Annexation
6. Quince Street North Annexation
7. Quince Street South Annexation
8. Rural Road South Annexation
9. Sapp Road Annexation
10. Liberty Street Annexation
11. Rural Road North Annexation

A second ordinance for the Trosper Lake Island annexation (Ordinance No. O2022-002) will be considered by the City Council on June 7, 2022.

3) Policy Support:

County-Wide Planning Policy III: Promotion of Contiguous and Orderly Development, Provision of Urban Services, and Protection of Rural Areas

Comprehensive Plan Land Use Element Policy LU-2.4: Ensure new annexations adhere to the goals and policies of the City's Annexation Policy.

2021-2026 Council Goal: "Annex the unincorporated islands to enhance public safety."

4) Alternatives:

- ☐ Terminate the annexation.

CITY**

THIS INTERLOCAL AGREEMENT ("Agreement") is entered into pursuant to the authority of Chapter 39.34 RCW in duplicate originals between the City of Tumwater, a State of Washington municipal corporation ("City") and Thurston County, a political subdivision of the State of Washington ("County"); collectively referred to as "Jurisdictions" and individually as "Jurisdiction."

In consideration of the terms, conditions, covenants, and performances contained herein, it is mutually agreed by the Jurisdictions as follows:

WHEREAS, annexations are routinely applied for and put forth by the City; and

WHEREAS, County islands are those unincorporated County areas that are bounded on all sides by the City; and

WHEREAS, provision of services by the County to islands that are surrounded by the City results in an inefficient use of City and County resources; and

WHEREAS, there are currently 12 unincorporated County islands located within the boundaries of the City; and

WHEREAS, the annexation of these 12 County islands will provide greater efficiency of services; and

WHEREAS, the Jurisdictions want to facilitate an orderly transition of services associated with the islands proposed to be annexed, including, but not limited to emergency services, public works, and permit processing; and

WHEREAS, the City and County want to ensure a seamless transition of review of permit applications that were initiated in the County, but then transferred to the City upon annexation; and

WHEREAS, RCW 35A.14.296 authorizes any code city to annex unincorporated areas pursuant to a jointly approved interlocal agreement with the county; and

WHEREAS, the legislative findings in RCW 35A.14.296 state, "The legislature finds that city annexations of unincorporated areas within urban growth areas will be more efficient and effective if the county and city develop a jointly approved interlocal agreement so as not to create illogical boundaries or islands of unincorporated territory"; and

WHEREAS, RCW 35A.14.296 requires that any affected adjacent jurisdictions, such as fire districts, be notified of the intent to annex any areas served by the fire district. Nine of the twelve County islands that the City is proposing to annex are within the service area of the McLane Black Lake Fire Department; and

WHEREAS, RCW 35A.14.296 empowers McLane Black Lake Fire Department to be a party to the Interlocal Agreement by providing written notice within 30 days of the May 20, 2021 letter from the City of Tumwater; and

WHEREAS, the McLane Black Lake Fire Department provided the City with written notice on September 5, 2021, that it does not wish to be a party to this interlocal agreement; and

WHEREAS, the County and City held a duly noticed joint public hearing on this interlocal agreement on January 18, 2022 as required by RCW 35A.14.296(3).

2. Compliance with Previous Interlocal Agreements.

The City and County entered into an Interlocal Agreement on January 28, 2008 and amended the Interlocal Agreement on January 7, 2014, to establish the orderly transition of services following an annexation. These Interlocal Agreements address several areas, including land use review, permit processing, records transfer, etc. These Interlocal Agreements will remain in effect and are attached to and incorporated into this Agreement.

3. Public Works Projects.

The County will provide the City a list and project descriptions for any ongoing or pending public works projects within the proposed annexation areas.

4. Open Permits.

The County will compile and transfer to the City a list of ongoing permits within the proposed annexation areas, including but not limited to land use and building permits.

5. Unexpended SEPA Mitigation Fees.

The County will compile a list of projects within the proposed annexation areas with unspent SEPA mitigation fees. Upon annexation, such fees shall be transferred to the City, except for fees collected for other agencies and school district. The City shall assume the responsibility for expending these fees to address the impact or complete the mitigation appropriate to the project for which they were collected. This shall not apply to school mitigation fees or agency fees.

6. Development Bonds.

The County will identify any development bonds that are active within the proposed annexation areas. Upon annexation and when identified for transfer under the terms of the January 28, 2008 Interlocal Agreement as amended on January 7, 2014, these bonds will be transferred to the City for administration in accordance with the terms of the bond.

7. Notification of Potentially Affected Jurisdictions.

In addition, the City shall assume responsibility for holding any public meetings, open houses, drafting of Frequently Asked Question flyers and other informational materials, and public hearings. The County shall attend the annexations meetings in support of city staff. The joint County and City public hearing shall be on January 18, 2022.

10. Effective Date of Annexation.

The jurisdictions mutually agree that the effective date of the annexation, as described and agreed to in this agreement, shall be the date of the City's adoption of its annexation ordinance.

11. Term.

The term of this Agreement shall be effective upon the Effective Date and shall expire two years after the Effective Date unless extended by the agreement of the Jurisdictions.

12. Indemnification and Hold Harmless.

- A. To the extent permitted by law, each Jurisdiction agrees to indemnify, defend, and hold harmless the other Jurisdiction, their officers, officials, employees, agents, and volunteers from and against any and all claims, demands, damages, losses, actions, liabilities, expenses, and judgments of any nature whatsoever, including without limitation, court and appeal costs and attorneys' fees, to or by any and all persons or entities, including without limitation, their respective agents, licensees, or representatives, caused by or arising out of any negligent act, errors, or omissions, of that Jurisdiction, its employees, agents, or volunteers or arising out of, in connection with, or incident to that Jurisdiction's performance or failure to perform any aspect of this Agreement.

- B. The Jurisdictions waive their immunity under the Washington State Industrial Insurance Act, Title 51 RCW, to the extent required by this indemnification and hold harmless provision. Provided, however, the foregoing waiver shall not in any way preclude a Jurisdiction from raising such immunity as a defense against any claim brought against a Jurisdiction by any of the Jurisdiction's respective employees. This waiver has been mutually negotiated by the Jurisdictions.
- C. The provisions of this section shall survive the completion or expiration of this Agreement or termination whether termination is by one or all Jurisdictions.
- D. The Jurisdictions agree to support each other in pursuing these purposes and responsibilities and operate in good faith and partnership in carrying them out. Risk and accountability shall be shared to the extent possible by the Jurisdictions.

13. Amendments.

This Agreement may be amended as needed by mutual written agreement of the Jurisdictions as executed by each Jurisdiction's authorized governing authority as provided in Chapter 39.34 RCW.

14. Termination.

This Agreement may be terminated when the terminating Jurisdiction provides written notice to the other Jurisdiction at least 90 days prior to its intended withdrawal from this Agreement. Following a termination, the Jurisdictions are mutually responsible for fulfilling any outstanding obligations under this Agreement incurred prior to the effective date of the amendment or termination.

15. Dispute Resolution.

The Jurisdictions mutually agree to use a formal dispute resolution process such as mediation, through an agreed-upon mediator and process, if agreement cannot be reached regarding interpretation or implementation of any provision of this Agreement. All costs for mediation services would be divided equally between the Jurisdictions. Each Jurisdiction would be responsible for the costs of their own legal representation. The jurisdictions must first seek a remedy under this section in good faith prior to any legal action in court to enforce the terms of this Agreement.

16. Jurisdiction Representative.
