4. CONSIDERATION OF ANY COUNCIL MEMBER REQUESTS TO PARTICIPATE IN THIS MEETING FROM A REMOTE LOCATION

5. INPUT FROM THE PUBLIC

Limited to 3 minutes per person - Resident addresses are requested but are not required to be given

6. DISCUSSION ITEMS

A. Mishicot Area Ambulance Coverage Plan

Summary: The Mishicot Area Ambulance Service (MAAS) is considering a partnership with the City of Two Rivers to provide ambulance coverage in its service area. On August 26, the MAAS Board voted to continue exploring a shared staffing approach with Two Rivers. No final agreement has been reached.

Under the concept being studied, Two Rivers Fire Department paramedics would provide ambulance transport throughout the MAAS service area, which is something that is already occurring regularly with understaffed shifts. The proposed staffing model calls for five additional Two Rivers firefighter/paramedic positions and the transfer of two MAAS ambulances and related equipment to the City. The proposed service area includes the Village of Mishicot and the Towns of Gibson, Mishicot, Two Creeks, Two Rivers, and Kossuth.

The September 28 work session will be Council's first discussion of the coverage plan. Staff will review the proposed service model, staffing and equipment needs, and financial implications. Council members will have an opportunity to identify concerns and provide direction on whether staff should continue working towards a formal agreement.

Recommended Action:

Discussion and direction to staff. No approval of a service agreement is requested at this work session.

7. ACTION ITEMS

A. 26-141 Resolution Approving Amendment No. 3 to WPPI Long-Term Power Supply 18-Year Contract Extension to 2073 (tabled from July 20, 2026 meeting)

Summary: At its July 20 meeting, the City Council considered a proposed amendment extending the Two Rivers Electric Utility's long-term wholesale power supply contract with WPPI Energy by 18 years, from 2055 to 2073. Council requested a work session before taking further action.

The proposal was first presented publicly at the June 15 Council meeting by WPPI staff. That presentation covered the reasons for the proposed 18-year extension, WPPI's long-term planning and financing needs, and future generation and transmission investments. Council members had an opportunity to ask questions and no action was requested at that meeting.

Council also received several written Briefs during June and July addressing the advantages and challenges of a long-term agreement, the support services WPPI provides beyond wholesale electricity, comparisons of local electric bills, and the City's record electric demand during the July heat wave. The July 20 agenda materials outlined considerations both for and against the extension.

The September 28 work session is an opportunity to discuss any questions that remain and what options the City would have if it did not extend the agreement. City staff and WPPI representatives will be available to respond. Following that discussion, Council may direct staff to place the proposed extension on a future agenda for a vote, or Council may vote on the extension at the September 28 work session.

Recommended Action:

Council may direct staff to place the proposed extension on a future agenda for a vote, or Council may vote on the extension at the September 28 work session.

8. ADJOURNMENT

Motion to dispense with the reading of the minutes of this meeting and adjourn

In accordance with the requirements of Title II of the Americans with Disabilities Act (ADA), the City of Two Rivers will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities. If you need assistance or reasonable accommodations in participating in this meeting or event due to a disability as defined under the ADA, please call the City Clerk's office at 920-793-5526 or email clerk@two-rivers.org at least 48 hours prior to the scheduled meeting or event to request an accommodation. For additional assistance, individuals with hearing or speech disabilities can call 711 and be connected to a telephone relay system.

It is possible that members of and possibly a quorum of governmental bodies of the municipality may be in attendance at the above stated meeting to gather information; no other action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
