6. ACTION ITEMS

A. 26-151 Review of City of Two Rivers Water Fluoridation Program and Action to Place on Future Agenda for Formal Consideration and Final Action

Summary: At its July 27 work session, the City Council conducted an initial review of the City's long-standing community water fluoridation program. Two Rivers has fluoridated its public water supply since the early 1950's, and the recent July discussion represented the first formal Council review of the practice in over seven decades.

Council reviewed information regarding public health considerations, current research, costs, operational and employee safety considerations, individual choice versus government mandates, and the experiences of other communities that have discontinued fluoridation.

No action was taken at the July work session. Council members expressed a desire for additional time to research the issue, speak with constituents, consider the information presented, and learn more before providing Staff with final policy direction.

This follow-up work session is intended to provide Council members an opportunity to share what they have learned, discuss constituent feedback, ask any remaining questions, and further deliberate the future of the City's water fluoridation program.

Recommended Action:

Motion to place the future of the City's community water fluoridation program on the September 8, 2026 City Council agenda for formal consideration and final action.

7. ADJOURNMENT

Motion to dispense with the reading of the minutes of this meeting and adjourn

In accordance with the requirements of Title II of the Americans with Disabilities Act (ADA), the City of Two Rivers will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities. If you need assistance or reasonable accommodations in participating in this meeting or event due to a disability as defined under the ADA, please call the City Clerk's office at 920-793-5526 or email clerk@two-rivers.org at least 48 hours prior to the scheduled meeting or event to request an accommodation. For additional assistance, individuals with hearing or speech disabilities can call 711 and be connected to a telephone relay system.

It is possible that members of and possibly a quorum of governmental bodies of the municipality may be in attendance at the above stated meeting to gather information; no other action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
