RECOMMENDED ACTION FOR CONSENT AGENDA

Motion to approve the Consent Agenda with the various actions recommended

Section 10, ItemA.

Mr. Buckley stated that he had received communication from citizen Andre Robitaille regarding the November 4 Council minutes (Agenda Item A-3); specifically, Mr. Robitaille had expressed a concern about how comments during Input from the public, from he and Jeff Dahlke, were reported in the minutes. Mr. Buckley stated that, in response to that concern, he and the City Clerk had conferred on a modification to those minutes, which was distributed to each of the Council members just prior to the convening of tonight's meeting. Councilmember Bittner responded to the citizen allegations stating: he was the unknown Councilmember that disputed and challenged the claims of some of the things that they said about seeking a signature petition. He also stressed the fact that he discussed his actions with the city attorney to see if he was in violation of the code of conduct or of petition rights and as an elected official he has the rights to talk to the constituents of the community. He also stated he did not challenge them to sign and just wanted to sought their opinion of the situation.

Motion carried with a voice vote.

Motion made by Wachowski seconded by B. LeClair to approve the consent agenda with the amendment to the minutes as presented and to include Mr. Bittner's the comments in the minutes for tonight's meeting.

Voting Yea: Bittner, Brandt, B. LeClair, D. LeClair, Petri, Stechmesser, Wachowski

11. CITY COUNCIL - FORMAL ITEMS

A. Ordinance to amend Section 4-1-4 of the Municipal Code regulating Construction and Repair of Sidewalks within the City, based on the recommendation of the Public Works Director and the Public Works Committee

Recommended Action:

Motion to waive reading and adopt the ordinance

Mr. Wachowski made several suggestions about including in this ordinance amendment references to other sections of the City Ordinances that also relate to property owner responsibilities related to public sidewalks, such as clearance from trees and landscaping plantings on private property bordering sidewalks, and City policies related to sidewalk repairs necessary because of the roots on public, terrace trees. Mr. Buckley suggested that such issues might be addressed in an informational brochure, which could be shared with residents to advise them on such matters. Mr. Heckenlaible suggested that staff and the Public Works Committee could give this matter further review.

Motion carried with a voice vote.

Motion made by B. LeClair seconded by Wachowski to refer this item to the Public Works Committee to revise with changes as recommended by the Council. Voting Yea: Bittner, Brandt, B. LeClair, D. LeClair, Petri, Stechmesser, Wachowski

B. Consider Agreement with Search Consultant to Assist With City Manager Recruitment and Selection

Recommended Action:

CITY OF TWO RIVERS BUSINESS AND INDUSTRIAL DEVELOPMENT COMMITTEE

COMMUNITY DEVELOPMENT AUTHORITY Tuesday, November 26, 2024, 5:15 PM 3rd Floor City Council Chamber – City Hall

1. Call to Order

The meeting was called to order by BIDC and CDA Chair Greg Coenen at 5:15 PM.

2. Roll Call

BIDC members present were Greg Coenen, Shannon Derby, David Kalista, Tracey Koach, Keith Lyons, Scott Stechmesser and Dan Wettstein. BIDC members absent and excused: Betty Bittner and Tom Christensen. Mr. Buckley noted that there was a quorum of the BIDC present (7of 9 members).

CDA members present were Greg Coenen, David Kalista, Tracey Koach, Keith Lyons, Shannon Derby and Scott Stechmesser.. CDA members absent and excused: Betty Bittner. Mr. Buckley noted that there was a quorum of CDA present (6 of 7 members).

Others present were Gregory Buckley, City Manager, and Matt Heckenlaible, City Engineer/Public Works Director.

3. CDA Action Items Pertaining to Sandy Bay Highlands Subdivision Phase 3 (Note: CDA Actions on These Items Occurred in Different Order Than They Appeared on the Agenda)

A. Conveyance of Phase 3 Home Sites from the City to the CDA. Mr. Buckley stated that, following review by the WI Department of Administration, and upon recommendation of the City Engineer and the Plan Commission, the City Council on November 18, 2024 gave final approval to the plat for Phase 3, and approved a resolution authorizing the conveyance of the 32 residential lots comprising Phase 3 to the CDA for marketing and sales.

Mr. Heckenlaible then reviewed the layout of the Phase 3 subdivision, including the 32 lots, the three outlots to be retained in City ownership, and the easement areas impacting some of the residential lots to be offered for sale. He also described work being done under the current contract for extending utility and street infrastructure into Phase 3, noting that such infrastructure will make 26 of the 32 lots in Phase 3 available for development in the Spring of 2025.

Mr. Buckley reviewed the draft pricing plan for the lots, noting that it was the City Council's intention that pricing for the 26 lots generate approximately \$1,700,000, a sum sufficient to recover the principal cost of \$1,476,953 for infrastructure, plus an estimated \$204,408 for realtor commissions and estimated \$13,000 for title insurance and closing costs. He noted, and members Derby and Stechmesser affirmed, that the City Council expects such cost recovery to be pursued in lot pricing, and that no significant discounting of lot prices should be pursued without first consulting with the City Council.

Following discussion, Koach moved, supported by Lyons, for the CDA to accept the conveyance of the Phase 3 lots from the City. The motion was approved by unanimous voice vote.

B. Consider Pricing Structure for Phase 3 Lots. Mr. Buckley noted that the prices for lots,

BIDC and CDA November 26, 2024 Page 2

as listed on the sheet distributed to committee members, reflected input from realtor Amy Townsend, as well as the revenue expectations identified by the City Council. Following discussion, Koach moved, supported by Derby, to approve the lot prices as presented. There was consensus that any incentives for spec home construction would need to be considered by the CDA on a case-by-case basis.

C. Consider Listing Agreement for the Phase 3 Lots. Mr. Buckley distributed a list of "Key Points" of a proposed listing agreement for the Phase 3 lots with Amy Townsend of Berkshire Hathaway/Starck Real Estate. Chairman Coenen requested that the CDA vote first on whether to enter into a listing agreement with Ms. Townsend of Berkshire Hathaway/Starck Real Estate, then address the required exclusions to the listing and the commission/fee structure separately.

Lyons moved, supported by Koach, to authorize the City Manager to enter into a listing agreement with Berkshire Hathaway/Starck Real Estate for a period starting as soon as possible and ending on March 31, 2025 for the Phase 3 lots, with additional direction for the City Manager to issue a request for proposals for realtor services, to allow consideration of alternative realtor proposals by the CDA prior to the end of the identified listing period. The motion was approved by a unanimous voice vote.

Chairman Coenen asked for a separate motion on exclusions to the listing agreement. Koach moved, supported by Lyons, to specify that exclusions shall include offers from any licensed builders who intend to build spec homes, for lots priced at \$57,900 or \$62,900 that are addressed in purchase contracts signed by representatives of the CDA and the buyers not later than January 15, 2015. The motion was approved by a unanimous voice vote.

Chairman Coenen asked for a separate motion on the commission/fee structure to be included in the listing agreement. Stechmesser moved, supported by Koach, to approve a commission structure calling for payment of 9 percent to the listing realtor/6 percent to the buyer's realtor, on split commissions and payment of 12 percent on sales where the listing realtor, Ms. Townsend, procures the buyer. In addition, an administrative fee of \$295 is to apply to all sales that go through the realtor. The motion was approved by a unanimous voice vote.

D. Consider Protective Covenants to be Applicable to the Phase 3 Lots. Mr. Buckley and Mr. Heckenlaible reviewed a mark-up of the Phase 2 Covenants, modified to serve as covenants for Phase 3. They noted that, while the covenants generally provide for development of traditional single-family homes on all of the lots in Phase 3, there is language allowing the CDA the options of pursuing a residential Planned Unit Development to include Block 2, Lots 17, 18 and 19, located at the far northwest corner of the subdivision.

Following discussion, Lyons moved, supported by Koach, to approve the proposed Phase 3 Protective Covenants, subject to review by the City Attorney, and to authorize revisions by the City Attorney, subject to approval by the City Manager on behalf of the CDA, if such revisions are not considered substantive as to the nature of development allowed in the subdivision. The motion was approved by a unanimous voice vote.

MEMORANDUM

TO: City Council

Gregory E. Buckley La Laboratory City Manager FROM:

DATE: November 27, 2024

SUBJECT: Agreement Between City and Blue Heron Condominium Association

I am bringing the above-cited agreement back in front of the Council for its consideration at the December 2 meeting. As you are aware, this agreement addresses provision of certain limited City services within the Blue Heron Condominium Association, where the street and utility infrastructure is all private property.

While the City is not legally required to provide the services addressed in this agreement, there is precedent where the City has entered into similar agreements with other local condo associations to provide several of the services addressed in this agreement, including: routine flushing of the private water and sewer mains within the development and City emergency response to clear blockages in the private sewer mains. In addition, the City made a specific commitment, back when this condo development received City approval for construction in 1992, that the City would be responsible for repair and maintenance of the sewer lift station that serves Blue Heron. Another service to be provided—Fall leaf collection from along the edges of the private streets within the condo association property—is addressed in this Agreement, but is not currently in the agreements with other condo associations.

A big part of the rationale for this agreement is that, while the infrastructure within the condo association is privately owned and a private responsibility, the condominium owners pay the same utility rates as everyone else in the City, and feel that what they pay as ratepayers should get them at least some of the routine utility maintenance services (paid for through water and sewer utility bills) and leaf pickup services (paid for through the Environmental Fee that supports the Solid Waste utility, including leaf collection services) as other local ratepayers.

While the terms for this agreement have been pretty much hammered out between the parties, there is one remaining "sticking point:" language related to video inspection of the sanitary sewer mains within the development (Section 4 of Agreement). The City initially proposed that a video inspection of those mains be performed early in the term of the contract, to identify "baseline conditions." It was initially proposed that the Condo Association contract and pay for such an inspection and report, but after further discussion City staff agreed for the utility to arrange for and cover the cost of that initial inspection, with a copy of the resulting report to be furnished to the condo association.

The condo association then sought contract language assuring that the City would do similar inspections in the future, consistent with its practice in the public sewer system. The City proposed language to this effect, but also sought to be held harmless from any claims that might arise from its failure to do such future video inspections of the private sewer mains. That "hold harmless" language was a concern to the condo association.

The attached proposed Agreement, marked up to show recent changes related to the above issue, addresses the matter of video inspections by having the City commit to doing a video inspection **ONCE** during the ten-year term of the contract, within 18 months of signing the contract. This is based on our Public Works Director's professional opinion, shared at a joint meeting of the condo association board and the Council Finance Committee back in October, that "best practices" for such inspections would be to video-inspect relatively new sewer mains like those at Blue Heron on a ten-year cycle. Then, the proposed language makes clear that the City has **NO OBLIGATION** to conduct any more video inspections during the term of the contract, nor during any of the "automatic one-year extensions" that can occur, per Section 16B of the contract, if the parties fail to sit down and negotiate a new agreement prior to the end of the initial 10-year term.

This seems a reasonable solution to this matter, and it conveys the message that, if any additional video inspections of those private sewer mains are to be done by the City in the future, such service will need to be addressed in a new services agreement.

This latest version of the proposed agreement has been provided to the officers of the Blue Heron Condominium Association, and I expect that they will be present at Monday's meeting for discussion.

I recommend City Council of the agreement, as presented, as the City's final offer in this matter.

AGREEMENT FOR PROVISION OF CERTAIN CITY AND UTILITY SERVICES AND WAIVER AND RELEASE OF CLAIMS

Agreement entered into as of this ____ day of October___, 2024, by and between the City of Two Rivers, Wisconsin a municipal corporation (the "City") and the Blue Heron Condominium, An Expandable Condominium Owners Association, LTD., with its principal place of business at P.O. Box 144, Two Rivers, WI 54241 and 1527 Deer Brook Drive, Two Rivers, Wisconsin 54241 (the "Association").

WHEREAS, the City Council of the City has established a policy under which the City provides certain maintenance services to privately owned water and sewer facilities of condominiums and other developments, subject to certain terms and conditions, including a waiver and release of liability against the City; and

WHEREAS, the Association desires to enter into an agreement for provision of such services by the City, and for Fall leaf collection along the private roadways within the Association, subject to the terms and conditions of this Agreement;

NOW, THEREFORE, it is hereby agreed by and between the parties hereto as follows:

- 1. The Association has requested, and the City hereby agrees to provide the Association, routine flushing services to water mains and sanitary sewer mains owned by the Association, at the Blue Heron Condominium Development, described in Exhibit A attached hereto and made a part hereof, on the same terms and in the same manner as the City provides such service for publicly owned water and sanitary sewer mains in other areas of the City.
- 2. In addition, the City shall provide emergency services in the event the sewer mains in the Blue Heron Condominium Development become blocked. Such emergency services shall consist of using City's personnel and equipment to make a reasonable effort to clear such blockage. In the event that the blockage cannot be cleared by the City, the Association will be required to make arrangements with outside resources to address such blockage.
- 3. The City accepted responsibility for the sanitary sewer lift station that serves the Blue Heron Condominium Development in 1992, upon recommendation of its Plan Commission. The City shall be responsible for all maintenance, operational, and capital costs associated with said lift station.

- 4. The City shall have the sanitary sewer system within the Development inspected by means of closed-circuit televising (CCTV) equipment or other method that will provide real-time documentation as to the condition of the sanitary sewer system. Such inspection shall be completed within eighteen months following the date of execution of this Agreement. Additional such inspections shall be completed by the City in the future, when other such inspections are completed in the area. The City shall not be subject to any claims or liability if it declines to make such additional inspections. It is agreed that the City shall have no obligations regarding the maintenance or repair of the sanitary sewer system within the Development beyond what is expressly stated in this Agreement. A copy of the inspection report resulting from such an inspection shall be provided to the Association upon written request. The City shall not be responsible for any additional such inspections during the term of this Agreement, or during any of the automatic one-year extensions of this Agreement as addressed in Section 16B hereof.
- 5. The Association will be responsible for repairing all water main and sanitary sewer main defects, including but not limited to, leaks, breaks, inoperable equipment and valves, access structures, adjustments, and covers which are identified during routine flushing service, inspections, or during emergency service responses.
- 6. In addition, the City shall collect leaves from along the edges of the private roadways (identified as Blue Heron Drive and Deerbrook Drive) within the development, on the same schedule, terms, and manner as Fall leaf collection services are provided to properties abutting public streets in other areas of the City.
- 7. The Association hereby grants to the City an easement providing the City with access to the private roadways identified herein and extending for a distance of six feet past the edge of pavement on those roadways as necessary for the City to provide the services identified above.
- 8. If the services identified herein are provided by the City, the Association, for itself, its heirs, personal and legal representatives, successors, and assigns, including any condominium unit owners, waives and releases any and all claims, damages, causes of action, or liabilities of any natures whatsoever, known or unknown, ("Claims") against the City, its officers, officials, agents, and employees arising therefrom, relating to or arising from the

- provision of such services, except only such claims as arise from the reckless or intentional acts of a City employee or the City, and shall indemnify and hold the City harmless from any such Claims.
- 9. This provision shall not be deemed a waiver of the limitation of amounts recoverable against the City, its officers, officials, agents, and employees provided under § 893.80(3) of the Wisconsin Statutes or other applicable law, nor shall it be deemed a waiver of the City's ability to claim immunity as provided in § 893.80(4) of the Wisconsin Statutes, or other applicable law. In addition, this provision does not constitute a waiver of the requirements imposed by § 893.80 of the Wisconsin Statutes, or any other applicable law, for bringing claims against the City, its officers, officials, agents, or employees.
- 10. The Association agrees to obtain and maintain at all times insurance providing coverage against any claims of the kind described in Section 8 hereof, if available, on terms and with policy limits and insurers acceptable to the City. The City shall not be liable under this Agreement for any damages covered by such insurance.
- 11. The invalidity of any provision of this Agreement or portion of a provision shall not affect the validity of any other portion of this Agreement, or the remaining portion of the applicable provision. Each provision is separable.
- 12. The Association agrees that it shall comply with all applicable state, federal and local laws, rules and regulations in the construction, operation and maintenance of its sewer and water facilities.
- 13. Except as specifically set forth herein, nothing herein expressed or implied is intended or shall be construed to confer upon or give to any other person or entity other than the parties hereto and their successors and assigns any rights or remedies under or by reason of this Agreement. Neither party to this Agreement shall be deemed to be the agent of the other, except as expressly stated herein.
- 14. The Association may not assign its rights or obligation under this Agreement without the written consent of the City.
- 15. This Agreement shall bind and inure to the benefit of the parties hereto, their heirs, personal and legal representatives, successors, and assigns.
- 16. This Agreement shall remain in full force and effect for a term of ten (10) years following signature by the City and the Association; provided further that:

- A. The Association and the City hereby declare their intent to meet and review the terms of this Agreement within the six-month period preceding the end of such ten-year period, with the intent of negotiating a new Agreement; and
- B. If neither party to this Agreement notifies the other party of its intention to not renew this Agreement, at least 120 days in advance of its ten-year anniversary, then this Agreement shall be automatically extended for an additional one-year term; this Agreement shall similarly be automatically extended for one-year terms thereafter if such notice to notice to not renew is not provided at least 120 days in advance of the end of any such one-year extension; and
- C. Either party to this Agreement may terminate this Agreement at any time, without cause, upon 120 days written notice to the other party.

MEMORANDUM

TO:

City Council

FROM:

Gregory E. Buckley

City Manager

DATE:

November 27, 2024

SUBJECT:

Budget Resolutions

The attached budget resolutions are unchanged from those that were handed out on Monday night, with the exception of the General Fund Budget, which reflects the changes we discussed on Monday night, specifically:

Reducing 2025 Revenue from Transfers from Other Funds:	(\$ 42,000)
Increasing 2025 Revenue from Building Permits	\$ 10,000
Increasing 2025 Revenue from Plumbing Permits	\$ 5,000
Increasing 2025 Revenue from Other Permits	\$ 5,000
Reducing 2025 Budgeted Contingency	\$ 20,000

This results in a net reduction in total 2025 General Fund expenditures of \$20,000, compared to what was shown in the Budget books and hearing notice: \$12,510,657 vs. \$12,530.657.

I also want to point out that, while the 2025 Budget as presented reflects my goal of not increasing the City's share of the total tax levy, we DO have some room for increasing the levy under our State-imposed levy limit. For 2024 taxes in support of the 2025 Budget, the City could levy an additional \$45,018. Using a provision in the law that allows the City to carry forward unused levy capacity from last year, there is another \$65,887 of levy capacity available to the City.

That's a total of \$110,905 in additional levy capacity that is available, some or all of which could could be used to build a small surplus into the 2025 budget. It would amount to an increase of 2 percent in the City's tax levy and assessed tax rate. It would be a prudent thing to do, from a fiscal standpoint, but taxpayers are already looking at a pretty hefty increase in their tax bills—see attached example that I plan to share at the meeting on Monday night.

Resolution Approving Business Improvement District Levy and Assessment Rate for 2025

WHEREAS, the City of Two Rivers has established a Business Improvement District (BID) for purposes of funding a portion of the Main Street Program; and

WHEREAS, the BID has a long-established BID assessment at the rate of \$1.425 per thousand dollars assessed value, subject to a minimum assessment of \$100 per assessable parcel and a maximum assessment of \$2,500 per assessable property owner located within the BID; and

WHEREAS, by action of the BID Board at a meeting held on November 28, 2022 a recommendation of a new BID assessment be established at the rate of \$2.00 per thousand dollars assessed value, subject to a minimum assessment of \$100 per assessable parcel and a maximum assessment of \$2,500 per assessable property owner located within the BID; and

WHEREAS, by action of the BID Board at a meeting held November 11, 2024 a recommendation of a new BID assessment be established at the rate of \$1.77 per thousand dollars assessed value, subject to a minimum assessment of \$100 per assessable parcel and a maximum assessment of \$2,500 per assessable property owner located within the BID; and

WHEREAS, the Main Street Organization has developed a 2025 budget that anticipated BID levy support in the amount of \$54,843 which would result from a BID assessment rate of \$1.77 per thousand dollars of assessed value, levied against the assessable properties in the BID;

NOW, THEREFORE, BE IT RESOLVED, that the City Council hereby authorizes a 2024 BID assessment in support of the 2025 budget at the rate of \$1.77 per thousand dollars assessed value, subject to a minimum assessment of \$100 per assessable parcel and a maximum assessment of \$2,500 per assessable property owner located within the BID, as recommended by the concurrence of the BID Board.
