#### Supplemental Page to Conditional Use Permit Application 2500 Garfield Street, Two Rivers, WI

The property owner NSH 1 Hamilton Drive LLC ("Applicant") makes this application for the purposes of obtaining a conditional use permit ("CUP") for the use of the property located at 2500 Garfield (tax parcel # 147-011-005-6) (the "Property") for assisted living for the elderly, congregate housing for the elderly and/or residential care facility for the elderly. The property is zoned Institutional Public Facilities District (IPF). A skilled nursing facility is operated by NSH Two Rivers LLC under the name of Hamilton Health Services on the tax parcel and as a nursing home is a permitted use under Section 10-1-32 of the Two Rivers Ordinances.

An assisted living facility/residential care facility (RCAC) is also operated on the parcel by NSH Two Rivers Northland LLC under the name of Northland Lodge Assisted Living. These uses seemingly require a conditional use permit as assisted living facilities for the elderly, congregate housing for the elderly, and residential care facilities for the elderly under the ordinance. In conjunction with a zoning inquiry for an upcoming refinancing, the Applicant discovered that the CUP issued to a prior owner of the real estate (TR Real Estate LLC) on July 7, 2003, included a condition that the CUP would lapse upon a change in ownership. The Applicant acquired the Property in 2019 as part of a financially distressed sale via a receivership action, and as the 2019 transaction involved Applicant taking assignment of the prior term loan credit and security agreement with the existing lender, this was not discovered until the current zoning inquiry.

Operations have not significantly changed since the Applicant's acquisition. The Northland Lodge facility has up to 39 residents and 12-15 employees. The intensity of use is consistent with the prior usage and there have been no significant changes to the buildings or ground since the 2019 application, nor are any anticipated in connection with this application. The Applicant believes that it is otherwise in compliance with all applicable zoning and site requirements.

Applicant and the two operators in the facilities are part of the North Shore Healthcare (NSH) group. Based in Milwaukee, NSH operates 70 nursing and assisted living facilities in Wisconsin, Minnesota, Michigan and North Dakota.

# MEMO

**DATE:** December 19, 2024 **TO:** Two Rivers City Council and City Manager Greg Buckley **FROM:** Amanda Baryenbruch, City Clerk/Human Resources Director **SUBJECT:** Holiday Pay Revisions

## **Background:**

Currently, City departments operate with varying work schedules, including 8-hour, 9-hour, and 10-hour workdays. As a result, there is a disparity in how holiday pay is applied across departments. To address these differences, a more uniform and transparent approach to holiday pay is necessary. This change will ensure consistency in holiday compensation while maintaining fairness for all employees, regardless of their specific department's work schedule.

## Proposed Changes:

## 1. Holiday Pay Bank:

Each employee will receive 64 hours of holiday pay annually. This will reflect the eight recognized holidays observed by the City each year. Employees will have this time placed into a holiday bank that they can use throughout the year.

## 2. Floating Holidays:

Employees currently receive two personal days per year. These two days will now be added to their holiday bank and will be available as "floating" holidays. Floating holidays can be used at the employee's discretion or to offset additional hours worked, depending on their specific department's schedule.

### 3. Holiday Pay Tracking:

This policy will also enable better tracking of holiday pay usage. If an employee works on a holiday, they will be able to use their holiday pay at a later date. The new system will accurately record when the employee takes that holiday, improving transparency and reducing discrepancies in time off tracking.

## 4. Forfeiture of Unused Hours:

Any holiday hours remaining in an employee's holiday bank at the end of the year will be forfeited and will not be paid out. This encourages employees to use their allotted holiday time and ensures that unused hours do not accumulate or result in financial liabilities for the City.

# CITY CLERK / HUMAN RESOURCES

1717 E. Park Street P.O. BOX 87 Two Rivers, WI 54241-0087

## Rationale:

This modification to the holiday pay policy is essential to:

- Ensure fairness across all departments, accounting for different work schedules (8, 9, or 10 hours per day).
- Provide employees with the flexibility to manage their holiday time, while allowing them to take advantage of floating holidays based on their work schedule.
- Improve the tracking of holiday time off, ensuring that all records are accurate and aligned with actual holiday usage.
- Promote consistency in the City's approach to holiday pay, reducing confusion and potential inequities.

## Conclusion:

The proposed changes to the holiday pay policy will streamline the City's approach to holiday compensation, reflect the varying work schedules across departments, and improve tracking and transparency of holiday time off. I recommend that the City Council approve this policy change to ensure fair and equitable treatment for all employees.

Thank you for your attention to this matter.

# Chapter 8 – Time Away from Work

# 8.01 Holidays *Effective Date:* 1/30/2023

The City recognizes the following paid holidays:

New Year's Day Memorial Day Independence Day Labor Day Thanksgiving Day Friday after Thanksgiving Christmas Eve Christmas Day

Whenever one of the above-designated holidays occurs on a Saturday, the Friday immediately preceding shall <u>generally become be observed as</u> the official holiday. Whenever a designated holiday occurs on a Sunday, the Monday immediately following shall <u>generally become be observed as</u> the official holiday.

The City may, <u>however</u>, deviate from this weekend substitution <u>protocol and designate a different day for</u> <u>observation of the holiday</u>. <u>if needed</u>.

Either Christmas Eve or New Year's Eve, in lieu of Christmas Eve, may be taken as a paid holiday at the discretion of the department head., but not both days. It is understood that minimum staffing should be available on both days to provide necessary municipal services.

Regardless of an employee's normal work hours, they will receive eight hours of paid time off for each of the eight above-referenced City holidays. If an employee's normal workday exceeds 8 hours, they may use floating personal leave (see Section 8.02, below) to supplement holiday pay for the remainder of their normal workday. For example, if an employee works four ten-hour shifts per week, they may—but are not required to—use two hours of personal leave time to supplement the eight hours of paid time off they receive for a particular holiday pursuant to this section.

#### Provisions for employees who are required to work on an observed holiday date:

Holidays are not used until earned and cannot be carried over from year to year. Police management personnel may not elect to receive pay in lieu of taking holiday time off.

Holiday time for eligible part-time employees is pro-rated based on the total hours worked in the prior year.
