Scope of Engagement Re: Proposed Issuance of Approximately \$941,586 City of Two Rivers (the "City") Water System Revenue Bonds, Series 2024 (Safe Drinking Water Loan)

Dear Mr. Buckley:

We are pleased to be working with you again as the City's bond counsel.

The purpose of this letter is to set forth the role we propose to serve and responsibilities we propose to assume as bond counsel in connection with the issuance of the above-referenced bonds (the "Bonds") by the City.

Role of Bond Counsel

Bond counsel is engaged as a recognized independent expert whose primary responsibility is to render an objective legal opinion with respect to the authorization and issuance of municipal obligations. As bond counsel we will: examine applicable law; prepare authorizing and closing documents; consult with the parties to the transaction, including the City's financial advisor (if any), prior to the issuance of the Bonds; review certified proceedings; and undertake such additional duties as we deem necessary to render the opinion. As bond counsel, we do not advocate the interests of the City or any other party to the transaction. We assume that the parties to the transaction will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction.

Subject to the completion of proceedings to our satisfaction, we will render our opinion that:

Mr. Gregory E. Buckley
August 8, 2024
Page 2

- 1) the City has authority to issue the Bonds for the purpose in question and has followed proper procedures in doing so;
- 2) the Bonds are valid and binding obligations of the City according to their terms; and,
- 3) the interest paid on the Bonds will be excludable from gross income for federal income tax purposes (subject to certain limitations which may be expressed in the opinion).

The opinion will be executed and delivered by us in written form on the date the Bonds are exchanged for their purchase price (the "Closing") and will be based on facts and law existing as of its date. Upon delivery of the opinion, our responsibilities as bond counsel will be concluded with respect to this financing; specifically, but without implied limitation, we do not undertake (unless separately engaged) to provide any post-closing compliance services including any assistance with the City's continuing disclosure commitment, ongoing advice to the City or any other party concerning any actions necessary to assure that interest paid on the Bonds will continue to be excluded from gross income for federal income tax purposes, or participating in an Internal Revenue Service, Securities and Exchange Commission or other regulatory body survey or investigation regarding or audit of the Bonds.

In rendering the opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation.

The services we will provide under this engagement are strictly limited to legal services. We are neither qualified nor engaged to provide financial advice and we will make no representation about the desirability of the proposed plan of finance, the feasibility of the projects financed or refinanced by the Securities, or any related matters.

Diversity of Practice; Consent to Unrelated Engagements

Because of the diversity of practice of our firm, the firm may be asked to represent other clients in matters adverse to the City, for example, in zoning, licensing, land division, real estate, property tax or other matters which are unrelated to our bond counsel work. Ethical requirements require that we obtain the City's consent to such representations. We do not represent you in legal matters regularly, although we may be called upon for special representation occasionally, and our bond counsel work does not usually provide us information that will be disadvantageous to you in other representations. We do not believe that such representations of others would adversely affect our relationship with you, and we have found that local governments generally are agreeable to the type of unrelated representation described above. Your approval of this letter will serve to confirm that the City consents and agrees to our representation of other present or future clients in matters adverse to the City which are not substantially related to the borrowing and finance area or any other area in which we have agreed to serve it. We agree, however, that your prospective consent to conflicting representation

Mr. Gregory E. Buckley

contained in this paragraph shall not apply in any instance where, as a result of our representation of the City, we have obtained proprietary or other confidential information, that, if known to the other client, could be used by that client to your material disadvantage. We will not disclose to the other client(s) any confidential information received during the course of our representation of the City. If you have any questions or would like to discuss this consent further, please call us.

We also want to advise you that from time to time we represent the purchaser of the Bonds, the State of Wisconsin, and various departments and agencies of the State (collectively, the "State") or other bond market participants such as the City's financial advisor, if any. In past and current transactions that are not related to the issuance of the Bonds and our role as bond counsel to the City, we may have served or be serving as bond counsel or other counsel to the State or the City's financial advisor. We may also be asked to represent the State or the City's financial advisor in future transactions that are not related to the issuance of the Bonds or our role as bond counsel to the City. Your approval of this letter will serve to confirm that the City consents to our firm undertaking representations of this type.

As bond counsel, we will not assume or undertake responsibility for the preparation of an Official Statement or other disclosure document with respect to the Bonds, nor are we responsible for performing an independent investigation to determine the accuracy, completeness or sufficiency of any such document. However, if a disclosure document is prepared and adopted or approved by the City, we will either prepare or review any description therein of: i) Wisconsin and federal law pertinent to the validity of the Bonds and the tax treatment of interest paid thereon and (ii) our opinion.

Fees

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing, (ii) the duties we will undertake pursuant to this letter, (iii) the time we anticipate devoting to the financing, and (iv) the responsibilities we assume, we estimate that our fee as bond counsel would be approximately \$11,400, including all expenses. Such fee and expenses may vary: (i) if the principal amount of Bonds actually issued differs significantly from the amount stated above, (ii) if material changes in the structure of the financing occur, or (iii) if unusual or unforeseen circumstances arise which require a significant increase in our time, expenses or responsibility. If at any time we believe that circumstances require an adjustment of our original fee estimate, we will consult with you. It is our understanding that the City is responsible for our fee.

If, for any reason, the financing is not consummated or is completed without the rendition of our opinion as bond counsel, we will expect to be compensated at our normal hourly rates for time actually spent, plus out-of-pocket expenses. Our fee is usually paid either at the Closing out of proceeds of the Bonds or pursuant to a statement rendered shortly thereafter. We customarily do not submit any statement until the Closing unless there is a substantial delay in completing the financing.

Limited Liability Partnership

Our firm is a limited liability partnership ("LLP"). Because we are an LLP, no partner of the firm has personal liability for any debts or liabilities of the firm except as otherwise required by law, and except that each partner can be personally liable for his or her own malpractice and for the malpractice of persons acting under his or her actual supervision and control. As an LLP we are required by our code of professional conduct to carry at least \$10,000,000 of malpractice insurance; currently, we carry coverage with limits substantially in excess of that amount. Please call me if you have any questions about our status as a limited liability partnership.

Conclusion and Request for Signed Copy

If the foregoing terms of this engagement are acceptable to you, please so indicate by returning a copy of this letter dated and signed by an appropriate officer, retaining the original for your files. If we do not hear from you within thirty (30) days, we will assume that these terms are acceptable to you, but we would prefer to receive a signed copy of this letter from you.

We are looking forward to working with you and the City in this regard.

Very truly yours,

QUARLES & BRADY LLP

Section 3. Terms of the Bonds. The Bonds shall be designated "Water System Revenue Bonds, Series 2024" (the "Bonds"); shall be dated their date of issuance; shall be numbered one and upward; shall bear interest at the rate of 2.365% per annum; shall be issued in denominations of \$0.01 or any integral multiple thereof; and shall mature on the dates and in the amounts as set forth in Exhibit B of the Financial Assistance Agreement and in the Bond form attached hereto as Exhibit A as it is from time to time adjusted by the State of Wisconsin based upon the actual draws made by the Municipality. Interest on the Bonds shall be payable commencing on May 1, 2025 and semiannually thereafter on May 1 and November 1 of each year. The Bonds shall not be subject to redemption prior to maturity except as provided in the Financial Assistance Agreement.

The schedule of maturities of the Bonds is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices.

Section 4. Form, Execution, Registration and Payment of the Bonds. The Bonds shall be issued as registered obligations in substantially the form attached hereto as Exhibit A and incorporated herein by this reference.

The Bonds shall be executed in the name of the Municipality by the manual signatures of the City Manager and City Clerk, and shall be sealed with its official or corporate seal, if any.

The principal of, premium, if any, and interest on the Bonds shall be paid by the Municipal Treasurer, who is hereby appointed as the Municipality's Bond Registrar.

Both the principal of and interest on the Bonds shall be payable in lawful money of the United States of America by the Bond Registrar. Payment of principal of the final maturity on the Bond will be payable upon presentation and surrender of the Bond to the Bond Registrar. Payment of principal on the Bond and each installment of interest shall be made to the registered owner of each Bond who shall appear on the registration books of the Municipality, maintained by the Bond Registrar, on the Record Date and shall be paid by electronic transfer or by check or draft of the Municipality (as directed by the registered owner) and if by check or draft, mailed to such registered owner at his or its address as it appears on such registration books or at such other address may be furnished in writing by such registered owner to the Bond Registrar.

Section 5. Security for the Bonds. The Bonds, together with interest thereon, shall not constitute an indebtedness of the Municipality nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Debt Service Fund hereinafter continued, and shall be a valid claim of the registered owner or owners thereof only against such Debt Service Fund and the revenues of the System pledged to such fund, on a parity with the pledge granted to the holders of the Prior Bonds. Sufficient revenues are hereby pledged to said Debt Service Fund, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Prior Bonds, the Bonds and any Parity Bonds as the same becomes due.

Section 6. Funds and Accounts. In accordance with the Act, for the purpose of the application and proper allocation of the revenues of the System, and to secure the payment of the principal of and interest on the Prior Bonds, the Bonds and Parity Bonds, certain funds of the System which were created and established by a resolution adopted on March 15, 2004 are hereby continued and shall be used solely for the following respective purposes:

- (a) Revenue Fund, into which shall be deposited as received the Gross Earnings of the System, which money shall then be divided among the Operation and Maintenance Fund, the Debt Service Fund, the Depreciation Fund and the Surplus Fund in the amounts and in the manner set forth in Section 7 hereof and used for the purposes described below.
- (b) Operation and Maintenance Fund, which shall be used for the payment of Current Expenses.
- (c) Debt Service Fund, which shall be used for the payment of the principal of, premium, if any, and interest on the Prior Bonds, the Bonds and Parity Bonds as the same becomes due, and which may contain a Reserve Account established by a future resolution authorizing the issuance of Parity Bonds to secure such Parity Bonds.
- (d) Depreciation Fund, which may be expended for repairs, replacements, new construction, extensions, or additions to the System. Any money on deposit in the

Depreciation Fund not required during the current Fiscal Year for purposes of the Depreciation Fund, may be transferred to the Surplus Fund.

- (e) Surplus Fund, which shall first be used whenever necessary to pay principal of, premium, if any, or interest on the Prior Bonds, the Bonds and Parity Bonds when the Debt Service Fund shall be insufficient for such purpose, and thereafter shall be disbursed as follows: (i) at any time, to remedy any deficiency in any of the Funds provided in this Section 6 hereof; and (ii) money thereafter remaining in the Surplus Fund at the end of any Fiscal Year may be transferred to any of the funds or accounts created herein or to reimburse the general fund of the Municipality for advances made by the Municipality to the System or for any other lawful purpose.

Section 7. Application of Revenues. After the delivery of the Bonds, the Gross Earnings of the System shall be deposited as collected in the Revenue Fund and shall be transferred monthly to the funds listed below in the following order of priority and in the manner set forth below:

- (a) to the Operation and Maintenance Fund, in an amount equal to the estimated Current Expenses for such month and for the following month (after giving effect to available amounts in said Fund from prior deposits);
- (b) to the Debt Service Fund, an amount equal to one-sixth (1/6) of the next installment of interest coming due on the Prior Bonds, the Bonds and any Parity Bonds then outstanding and an amount equal to one-twelfth (1/12) of the installment of principal of the Prior Bonds, the Bonds and any Parity Bonds coming due during such Bond Year (after giving effect to available amounts in said Fund from accrued interest, any premium or any other source), and any amount required by a future resolution authorizing the issuance of Parity Bonds to fund a Reserve Account established therein;
- (c) to the Depreciation Fund, an amount determined by the Governing Body to be sufficient to provide a proper and adequate depreciation account for the System; and
- (d) to the Surplus Fund, any amount remaining in the Revenue Fund after the monthly transfers required above have been completed.

Transfers from the Revenue Fund to the Operation and Maintenance Fund, the Debt Service Fund, the Depreciation Fund and the Surplus Fund shall be made monthly not later than the tenth day of each month, and such transfer shall be applicable to monies on deposit in the Revenue Fund as of the last day of the month preceding. Any other transfers and deposits to any fund required or permitted by subsection (a) through (d) of this Section, except transfers or deposits which are required to be made immediately or annually, shall be made on or before the tenth day of the month. Any transfer or deposit required to be made at the end of any Fiscal Year shall be made within sixty (60) days after the close of such Fiscal Year. If the tenth day of

any month shall fall on a day other than a business day, such transfer or deposit shall be made on the next succeeding business day.

It is the express intent and determination of the Governing Body that the amounts transferred from the Revenue Fund and deposited in the Debt Service Fund shall be sufficient in any event to pay the interest on the Prior Bonds, the Bonds and any Parity Bonds as the same accrues and the principal thereof as the same matures, and to fund the Reserve Account as required in connection with future Parity Bonds.

Section 8. Deposits and Investments. The Debt Service Fund shall be kept apart from monies in the other funds and accounts of the Municipality and the same shall be used for no purpose other than the prompt payment of principal of and interest on the Prior Bonds, the Bonds and any Parity Bonds as the same becomes due and payable. All monies therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34, Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes. The other funds herein created (except the Water System SDWLP Project Fund) may be combined in a single account in a public depository selected in the manner set forth above and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes.

Section 9. Service to the Municipality. The reasonable cost and value of services rendered to the Municipality by the System by furnishing water services for public purposes shall be charged against the Municipality and shall be paid in monthly installments as the service accrues, out of the current revenues of the Municipality collected or in the process of collection, exclusive of the revenues derived from the System; that is to say, out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses. The reasonable cost and value of such service to the Municipality in each year shall be equal to an amount which, together with other revenues of the System, will produce in each Fiscal Year Net Revenues equivalent to not less than the annual principal and interest requirements on the Prior Bonds, the Bonds, any Parity Bonds and any other obligations payable from the revenues of the System then outstanding, times the greater of (i) 110% or (ii) the highest debt service coverage ratio required with respect to any obligations payable from revenues of the System then outstanding. However, such payment out of the tax levy shall be subject to (a) approval of the Public Service Commission, or successors to its function, if applicable, (b) yearly appropriations therefor, and (c) applicable levy limitations, if any; and neither this Resolution nor such payment shall be construed as constituting an obligation of the Municipality to make any such appropriation over and above the reasonable cost and value of the services rendered to the Municipality and its inhabitants or to make any subsequent payment over and above such reasonable cost and value.

Section 10. Operation of System; Municipality Covenants. It is covenanted and agreed by the Municipality with the owner or owners of the Bonds, and each of them, that the Municipality will perform all of the obligations of the Municipality as set forth in the Financial Assistance Agreement.

Section 11. Additional Bonds. The Bonds are issued on a parity with the Prior Bonds as to the pledge of revenues of the System. No bonds or obligations payable out of the revenues of the System may be issued in such manner as to enjoy priority over the Bonds. Additional obligations may be issued if the lien and pledge is junior and subordinate to that of the Bonds. Parity Bonds may be issued only under the following circumstances:

(a) Additional Parity Bonds may be issued for the purpose of completing the Project and for the purpose of financing costs of the Project which are ineligible for payment under the State of Wisconsin Safe Drinking Water Loan Program. However, such additional Parity Bonds shall be in an aggregate amount not to exceed 20% of the face amount of the Bonds; or

(b) Additional Parity Bonds may also be issued if all of the following conditions are met:

(1) The Net Revenues of the System for the Fiscal Year immediately preceding the issuance of such additional bonds must have been in an amount at least equal to the maximum annual interest and principal requirements on all bonds outstanding payable from the revenues of the System, and on the bonds then to be issued, times the greater of (i) 1.10 or (ii) the highest debt service coverage ratio to be required with respect to the Additional Parity Bonds to be issued or any other obligations payable from the revenues of the System then outstanding. Should an increase in permanent rates and charges, including those made to the Municipality, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such additional bonds or during that part of the Fiscal Year of issuance prior to such issuance, then Net Revenues for purposes of such computation shall include such additional revenues as a registered municipal advisor, an independent certified public accountant, consulting professional engineer or the Wisconsin Public Service Commission may calculate would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.

(2) The payments required to be made into the funds enumerated in Section 6 of this Resolution must have been made in full.

(3) The additional bonds must have principal maturing on May 1 of each year and interest falling due on May 1 and November 1 of each year.

(4) The proceeds of the additional bonds must be used only for the purpose of providing extensions or improvements to the System, or to refund obligations issued for such purpose.

Section 12. Sale of Bonds. The sale of the Bonds to the State of Wisconsin Safe Drinking Water Loan Program for the purchase price of up to \$941,987 and at par, is ratified and confirmed; and the officers of the Municipality are authorized and directed to do any and all acts, including executing the Financial Assistance Agreement and the Bonds as hereinabove provided, necessary to conclude delivery of the Bonds to said purchaser, as soon after adoption of this

Resolution as is convenient. The purchase price for the Bonds shall be paid upon requisition therefor as provided in the Financial Assistance Agreement, and the officers of the Municipality are authorized to prepare and submit to the State requisitions and disbursement requests in anticipation of the execution of the Financial Assistance Agreement and the issuance of the Bonds.

Section 13. Application of Bond Proceeds. The proceeds of the sale of the Bonds shall be deposited by the Municipality into a special fund designated as "Water System SDWLP Project Fund." The Water System SDWLP Project Fund shall be used solely for the purpose of paying the costs of the Project as more fully described in the preamble hereof and in the Financial Assistance Agreement. Moneys in the Water System SDWLP Project Fund shall be disbursed within three (3) business days of their receipt from the State of Wisconsin and shall not be invested in any interest-bearing account.

Section 14. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the Municipality may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the Municipality; provided, however, that no amendment shall permit any change in the pledge of revenues derived from the System or the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 15. Defeasance. When all Bonds have been discharged, all pledges, covenants and other rights granted to the owners thereof by this Resolution shall cease. The Municipality may discharge all Bonds due on any date by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest of the U.S. Government, or of a commission, board or other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Bonds to its maturity or, at the Municipality's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the Municipality's option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for.

Section 16. Rebate Fund. Unless the Bonds are exempt from the rebate requirements of the Internal Revenue Code of 1986, as amended (the "Code"), the Municipality shall establish and maintain, so long as the Bonds and any Parity Bonds are outstanding, a separate account to be known as the "Rebate Fund." The sole purpose of the Rebate Fund is to provide for the

payment of any rebate liability with respect to the Bonds under the relevant provisions of the Code and the Treasury Regulations promulgated thereunder (the "Regulations"). The Rebate Fund shall be maintained by the Municipality until all required rebate payments with respect to the Bonds have been made in accordance with the relevant provisions of the Code and the Regulations.

The Municipality hereby covenants and agrees that it shall pay to the United States from the Rebate Fund, at the times and in the amounts and manner required by the Code and the Regulations, the portion of the "rebate amount" (as defined in Section 1.148-3(b) of the Regulations) that is due as of each "computation date" (within the meaning of Section 1.148-3(e) of the Regulations). As of the date of this Resolution, the provisions of the Regulations specifying the required amounts of rebate installment payments and the time and manner of such payments are contained in Sections 1.148-3(f) and (g) of the Regulations, respectively. Amounts held in the Rebate Fund and the investment income therefrom are not pledged as security for the Bonds or any Parity Bonds and may only be used for the payment of any rebate liability with respect to the Bonds.

The Municipality may engage the services of accountants, attorneys or other consultants necessary to assist it in determining the rebate payments, if any, owed to the United States with respect to the Bonds. The Municipality shall maintain or cause to be maintained records of determinations of rebate liability with respect to the Bonds for each computation date until six (6) years after the retirement of the last of the Bonds. The Municipality shall make such records available to the State of Wisconsin upon reasonable request therefor.

Section 17. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 14, until all of the Bonds have been paid in full as to both principal and interest. The owner or owners of any of the Bonds shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the Municipality, the Governing Body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the Municipality, its Governing Body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 18. Continuing Disclosure. The officers of the Municipality are hereby authorized and directed, if requested by the State of Wisconsin, to provide to the State of Wisconsin Safe Drinking Water Loan Program and to such other persons or entities as directed by the State of Wisconsin such ongoing disclosure regarding the Municipality's financial condition and other matters, at such times and in such manner as the Safe Drinking Water Loan Program may require, in order that securities issued by the Municipality and the State of Wisconsin satisfy rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended and as it may be amended from time to time, imposed on brokers and dealers of municipal securities before the brokers and dealers may buy, sell, or recommend the purchase of such securities.

Section 19. Conflicting Resolutions. All ordinances, resolutions (other than the Prior Resolutions), or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage. In case of any conflict between this Resolution and the Prior Resolutions, the Prior Resolutions shall control as long as any of the respective Prior Bonds are outstanding.
