Provisional ballots are set aside for separate tallying. Votes remain provisional until the eligibility of the voter has been established by the Prince George's County Board of Elections and the Board of Elections Supervisors.
- 3. The Town Clerk shall announce the closing of polls five minutes before 7:00 p.m. on Election Day. Any resident wishing to observe the tallying may remain inside the polling station when the doors are locked. No one shall be permitted to enter or re-enter the polling station while tallying is in progress.
- C. Vote Count Observation and Decorum: After the last voter has voted and the polls have closed, and before the canvassing or counting begins, candidates and members of the public may be permitted to enter the room where the votes will be counted. Once the counting begins, the door to the counting room will be closed and no one will be allowed to enter until the votes have been tallied. Once inside the room, anyone wishing to leave will not be readmitted until the counting has concluded. The use of electronic devices, other than those being used by the Board of Supervisors of Elections for counting, will not be permitted in the polling room during the counting of the votes. Anyone who violates the restrictions set forth herein may be, at the discretion of the election judges, ejected from the proceedings.

If paper ballots are used:

- 1. The ballot box key shall be returned to the Elections Supervisor Chair by the Town Clerk to open the ballot boxes.
- 2. The Elections Supervisor Chair shall remove ballots from the ballot box and organize them for tallying assisted by other members of the Board of Supervisors of Elections.
- 3. The Elections Chair shall read out aloud how each ballot was voted, including write-in votes and ballot questions (if any).
- 4. Two members of the Board of Supervisors of Elections will independently tally the votes cast for each candidate and results of each ballot question.
- 5. In the case of an irregular or potentially spoiled ballot, the Elections Supervisor Chair shall consult with two other members of the Board of Supervisors of Elections to determine if the ballot is valid or spoiled in accordance with criteria detailed in this ordinance and the election procedures manual of the Town of Upper Marlboro. If spoiled, the ballot shall be marked "void" and set aside. A designation of a voided ballot shall be ratified by a majority of all supervisors prior to certification and shown to any challenger but shall not leave the hand of the member of the Board of Supervisors of Elections.
- 6. When all regular ballots are tallied, the Elections Supervisor Chair shall open the sealed envelopes with absentee ballots and count them. The absentee ballots shall be added to the tally of regular ballots. The result is compared with the tallied check marks on the

- County voter registration list and the Town supplemental voter list to ensure that the total number of voters agrees with the total number of ballots cast.
- 7. Provisional votes shall be tallied separately and set aside until the qualification of each provisional voter can be verified.
- 8. Voted ballots shall be placed in envelopes, sealed and signed across the seal by three members of the Board of Supervisors of Elections. Said envelopes, marked voter registration list and Voter Authorization Cards shall be kept in a secure place until they are delivered to the Prince George's County Board of Elections for certification.
- 9. Tally sheets shall be verified, signed and dated by the Elections Supervisor Chair and members of the Board of Supervisors of Elections. Tally sheets, together with spoiled ballots, those not distributed and not used shall be placed in envelopes, sealed, signed across the seal by at least three members of the Board of Supervisors of Elections and returned to the Town Clerk.

If voting machines are used:

- 1. The Elections Chair, with two other members of the Board of Supervisors of Elections, shall open the voting machines and unroll the tally sheets.
- 2. The machine count shall be verified by at least two members of the Board of Supervisors of Elections. Under the supervision of the Elections Chair, members of the Board of Supervisors of Elections shall tally record sheets from each voting machine once the machine votes have been tallied, the Elections Chair shall open the sealed envelopes with absentee ballots and count them. The absentee ballots shall be added to the tally of regular ballots. The result is compared with the tallied check marks on the County voter registration list and the Town supplemental voter registration list to ensure that the total number of voters agrees with the total number of ballots cast.
- 3. Provisional votes, cast by paper ballot, must be tallied separately, and returned separately to the Prince George's County Board of Elections to be certified.
- 4. Tally sheets shall be verified against the total count of the signed voter authorization cards, a count of check marks on the County voter registration list, and a count of checks on the Town supplemental registration list.
- 5. Voting machine tally sheets and absentee ballots shall be placed in envelopes, sealed, and signed across the seal by at least three members of the Board of Supervisors of Elections.
- 6. Voting machines shall be locked and sealed and keys placed in a sealed envelope for safekeeping until the voting machines are picked up by the vendor.

Canvassing absentee ballots:

1. The official receiving an absentee ballot shall note date and time of receipt and initial on the front of the envelope. If a date stamp is used, the stamp is endorsed with the initials of the person accepting receipt. The envelope shall not be opened by anyone at time of receipt. The ballots received prior to the closing of the polls will be placed in a locked file. Ballots received at the town office will be delivered to the custody of the Town Clerk as soon as practicable. The name of the person doing this will be entered in the register described below.

- 2. On election day, the Board of Election Supervisors will maintain all absentee ballots in a separate, secure file box with the related application materials until the polls close. No absentee ballot received by mail can be counted unless it was postmarked no later than Election Day.
- <u>D. Recount and Tie Votes</u>: The Board of Commissioners has jurisdiction and power to hear and determine any appeals, to review and correct the actions of the Board of Election Supervisors and to order the recanvassing, recounting and re-certification of the results of any election. The Board of Supervisors of Elections may conduct a recount if it discovers or suspects a defect or error in its procedures prior to the deadline for certifying the results in accordance with the Charter. In the case of a tie vote, the Board of Commissioners shall order and provide a run-off election between the tied candidate within twenty-one (21) days of the initial election.
- <u>E. Announcement of Election Results</u>: The Elections Supervisor Chair shall announce the five candidates receiving the highest number of votes as Commissioners-elect or the candidate in a special election with the highest vote. The Elections Supervisor Chair shall also announce the results of any Ballot Questions.
- <u>F. Statement of Election Results</u>: After the closing of the polls, the Board of Supervisors of Elections shall determine the vote cast for each candidate or question and shall, no later than 12:00 Noon on Thursday immediately following the election, certify the results of the election to the Clerk of the Town who shall record the results in the minutes of the next Town Meeting of the Board of Commissioners. The five candidates for Commissioners receiving the highest number of votes in a general election shall be declared elected.

G. Certifying Election Results and Eligibility to Serve:

- 1. After tallying the votes, the voter registration lists, Voter Authorization Cards, and voted ballots, shall be retained by the Town for a period of at least six (6) months or in accordance with any approved and applicable records retention schedules.
- 2. The Charter does not confer upon the Board of Election Supervisors the power or responsibility for determining whether a successful candidate is qualified to serve, as distinct from initially determining whether a qualified candidate is qualified to stand for election at the time a petition is filed. Section 82-7 of the Charter empowers the Board of Commissioner to be the judge of the election and qualification of its members and Section 82-25 affords any person who feels aggrieved by the actions of the Board of Supervisors of Elections with the right to appeal the action to the Board of Commissioners. Therefore, the Board of Election Supervisors certifies elected candidates to the Clerk based exclusively upon the votes cast by registered voters qualified to vote, but certification is without prejudice to the jurisdiction of any other appropriate body or court to ascertain the eligibility of the successful candidate to serve in the capacity to which the individual was elected.

Section 9 Ballot Questions

Pursuant to Ordinance 2019-08, the sitting Board of Town Commissioners may, by Resolution or the qualified voters may petition to add non-binding questions to an election ballot to receive

advice or input from the Town's voters on different topics. Said Resolution should list each question and provide detailed background information and a statement as to why this topic is important. The Resolution should be approved no more than thirty (30) days prior to the election date. Ballot questions shall be included in the sample ballot and posted in a paper of general circulation, or other suitable form of public outreach.

Section 10 Additional Items, Meetings, Penalties and Disqualifications

- <u>A. Assistance To Voters</u>: Any registered voter who requires assistance to vote by reason of blindness, disability, or inability to read the English language or write may be given assistance by a person of the voter's choice, not to include the voter's labor union or employer. Any person rendering assistance pursuant to this subsection shall execute a certification to be included in the instructions.
- <u>B. Voting Secrecy</u>: The Board of Elections shall provide an enclosure to vote that ensures secrecy in the marking of the ballots and shall count the ballots only after the close of the polls as scheduled.
- C. Meetings. The Board of Elections may meet at regular intervals and may hold special meetings as may be required and all such meetings shall be publicly advertised and open to the public in accordance with the Md. Open Meetings Act. The Board's internal deliberations are generally governed by Robert's Rules of Order, Revised.
- D. Disputes and Appeals. Upon appeal of an action of the Board of Supervisors of Elections, the Board of Commissioners will attempt to resolve any disputes over candidate or voter qualifications, voter registration and related matters by hearing at which witnesses may be asked to appear and provided sworn testimony. Affected persons may be advised or accompanied by legal counsel. The Board may also draw upon the investigative unit of the Town Police for additional information it needs to develop facts for decision.
- <u>C. Penalties</u>: Any person who shall violate any of the provisions of this Article shall, upon conviction, be sentenced to pay a fine of not more than one thousand dollars (\$1,000) or be sentenced to imprisonment for not more than six (6) months, or both, in the discretion of the court. Any person who:

D. Disqualifications. Any officer or employee of the Town government who is convicted of a misdemeanor under the provisions of this Section shall immediately upon conviction thereof cease to hold such office or employment.

Section 10 Severability

If any section, subsection, paragraph, sentence, clause, or word contained in this Ordinance shall be declared invalid for any reason, such decision shall not affect the remaining portion of this Ordinance, which shall remain in full force and effect and to this end the provisions of the Ordinance are hereby declared to be severable.

AND BE IT FURTHER ORDAINED AND ENACTED, by the Board of Commissioners for the Town of Upper Marlboro, Maryland, that this Ordinance 2023-01 shall replace and repeal Ordinance 2001-02 (Elections).

MEMORANDUM

To: Board of Town Commissioners

From: Kyle Snyder, Town Administrator

Date: Tuesday, February 14th, 2023

Re: Anticipated Town Revenues & Taxes FY 2024

Commissioners.

Accurately projecting the revenues expected by the Town is essential to ensure that the priorities and plans for the coming year can be realized. As you are aware, our Town revenue source falls under the below four categories:

- Property Taxes This category includes residential and commercial property taxes, income tax, business personal property tax, and public utility taxes.
- Fines, licenses, and permits This category includes parking fees and fines, the Town's business licensing program, and other small fees.
- Intergovernmental Revenue This category includes funding from other levels of government in the form of grants, rebates for Town services, and other small remittances.
- Miscellaneous Revenue This category includes small services rendered by Town Hall staff that have an associated fee, Event Revenue, and transfers from the Reserve Fund.

Items to Note:

We will be increasing the revenues for Parking Meters and Fines in FY24 based on this year's performance. Details→

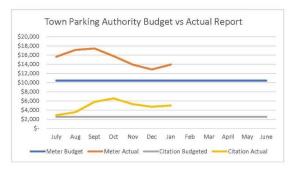

We will see a small increase in property tax revenue with the Phase 2 annexation, along with the scheduled incremental property tax increases.

It is not anticipated that the Vacant Property Tax program will yield much income and will be incorporated into the Property Tax category.

We are waiting on reports from the State to be able to project Entertainment Tax Revenues.

We are closely tracking the speed camera revenues now that all four planned cameras are deployed on Old Crain Hwy and Old Marlboro Pike to have a good projection for FY2024.

Currently, at \$0.34 per \$100 assessed value, the Town of Upper Marlboro has one of the lowest residential property tax rate of any other municipality in the State. As you may be aware, the other year, the Board of Commissioners unanimously passed Resolution 2021-11 which enacted a Multi-Year Town Tax Rate Step Program. This Resolution proposed the first tax increase to residential properties in the past 40 years to help offset the Town's dependence on parking meter income and allow the Town to provide high-quality municipal services. Tax rates in this Resolution for FY22 were then made official in the FY22 Budget Ordinance. Unless the Board objects, staff will be utilizing the below rates in the FY24 Budget Planning, and they will be formally approved with the FY24 Budget Ordinance to be approved in June.

Classification	FY 22 Rates	Current FY 23 Rates	Proposed FY 24 Rates	Classification Description
Residential Property Tax	\$0.30	\$0.34	\$0.38	Residential Only zoned properties
Commercial Property Tax	\$0.54	\$0.56	\$0.57	Commercially zoned properties
Business Personal Property	\$0.50	\$0.53	\$0.55	What individual business owners pay
Public Utility Tax	\$1.50	\$1.75	\$2.00	Pepco, Verizon, WSSC, Comcast, ect.
Vacant Property Tax	N/A	\$1.25	\$1.50	Confirmed/Registered Vacant Properties
Agricultural Use	N/A	\$0.25	\$0.25	Properties used for farming (only 1)

With Town residential property taxes increasing \$0.04 to \$0.38 per \$100 assessed value, the Town will still have the 2nd lowest in the County, with only the City of College Park being lower at \$0.315 per \$100 assessed value(there are two municipalities with rates between CP and UM, however, they also charge a flat fee to all properties in addition to the tax). The City of College Park does not have its own police department to fund, as UMD Campus Police have a large amount of jurisdiction within the municipality. The Town of Colmar Manor has the highest tax rate in the County, at \$0.92 per \$100 assessed value.

Tax Increase Effect on a Residential Property: The owner of an average-assed valued home within the Town will see a roughly \$80 increase in Town taxes with this proposed tax increase.

MEMORANDUM

To: Board of Town Commissioners

From: Kyle Snyder, Town Administrator

Date: Tuesday, February 14th, 2023

Re: FY2023 Mid-Year Budget Adjustment

Commissioners,

As you are aware the Town has to adjust its approved annual Budget from time to time as different expenditures and revenues come in. Now that the Town has a dedicated bookkeeper on staff, we have been able to conduct a deep dive into the line items to ensure expenditures are being placed under the correct category, especially in the General Government Budget as it is usually the "catch-all" for Town operations and purchases. Now that the Speed Camera program is fully operational with several months of data, we are conformable with shifting some expenditures under that program besides just the vendor payments. Below are some highlights of the planned Mid-Year Budget Adjustment.

General Government

- Moving \$50,000 from salaries to the Human Resources Services line item as the HR firm is providing the Grant Administration services, not a hired staff person as planned.
- Moving Funding from the Happy Leaf Arts Festival to cover overages in the Old Crain Highway Centennial, Tree Lighting & Christmas Town, and Trunk or Treat.
- Shifting funding from Gen Gov Salaries to cover overages in operating line items (Town Hall Maintenance, Supplies, Utilities, ect).
- Merchant Services Fees are higher than budgeted for a good reason, we are charged fees when credit cards are used for purchase. With stronger than anticipated parking meter revenue, we have seen more Merchant Services Fees being charged.

Public Safety & Speed Cameras

- Shifting unspent officer salaries to other line items (Vacant officer position for 4 months).
- Shifting one police officer's salary fully under the speed camera program.
- Shifting a vehicle purchase under the speed camera program.
- Shifting other miscellaneous expenditures under the speed camera program.

Public Works

- Shifting unspent salaries from the vacant crewmember position to level out some of the operational line items.
- Adding lease payment from the larger truck the Board purchased the other year that is now expected to be delivered in the next month or so.

Grants

• Add the grant funds received this year including the Pepco Resiliency Grant, the LPR Grants, and the \$20,000 Bond Bill reimbursement from the pocket park purchase last year.

How can revenue from the Speed Camera fines be used?

Revenue must first be used to recover the costs of implementing and administering the Speed Camera Program. The balance must be used for public safety, including pedestrian safety programs.

If the balance after recovering program costs is greater than 10 percent of the total revenue for a political subdivision for that fiscal year, any funds that exceed that 10 percent total must be remitted to the Comptroller to be placed in the General Fund of the State.
