## **Notice that a Majority Quorum of the Urbana City Council may be attending:**

### **BerryDunn Public Safety Review Moderated Town Hall Event**

The City of Urbana announces a town hall event for community members to meet with staff from BerryDunn, a national consulting firm. The City of Urbana is working with BerryDunn to evaluate its public safety service delivery model. This project involves considering which services are to be provided by the police and fire departments, and which services are more appropriate for an alternative response model.

The town hall will be held on Tuesday, May 9, 2023, at The Stone Creek, located at 2502 S. Race Street in Urbana from 5:30 to 7:30 pm. The event will give the public an opportunity to explore community thoughts on public safety and to explore alternative response models. The event will be facilitated by staff from BerryDunn.

Additionally, those who wish to get involved or to track project progress can access the Social Pinpoint site that BerryDunn has set up for this project. The link to the project can be found on the City's website at <https://www.urbanaininois.us/psreview> or here: <https://berrydunn.mysocialpinpoint.com/urbana-community-safety-review>.

A majority of a quorum of the Urbana City Council may be in attendance.

No official action will be taken.
