The City is required to conduct all business during public meetings. The presiding officer is responsible for conducting those meetings in an orderly and efficient manner. Public Input will be taken in the following ways:

Email Input

Public comments must be received prior to the closing of the meeting record (at the time of adjournment unless otherwise noted) at the following: citycouncil@urbanaininois.us. The subject line of the email must include the words "PUBLIC INPUT" and the meeting date. Your email will be sent to all City Council members, the Mayor, City Administrator, and City Clerk. Emailed public comments labeled as such will be incorporated into the public meeting record, with personal identifying information redacted. Copies of emails will be posted after the meeting minutes have been approved.

Written Input

Any member of the public may submit their comments addressed to the members of the public body in writing. If a person wishes their written comments to be included in the record of Public Input for the meeting, the writing should so state. Written comments must be received prior to the closing of the meeting record (at the time of adjournment unless otherwise noted).

Verbal Input

Protocol for Public Input is one of respect for the process of addressing the business of the City. Obscene or profane language, or other conduct that threatens to impede the orderly progress of the business conducted at the meeting is unacceptable.

Public comment shall be limited to no more than five (5) minutes per person. The Public Input portion of the meeting shall total no more than two (2) hours, unless otherwise shortened or extended by majority vote of the public body members present. The presiding officer or the city clerk or their designee, shall monitor each speaker's use of time and shall notify the speaker when the allotted time has expired. A person may participate and provide Public Input once during a meeting and may not cede time to another person, or split their time if Public Input is held at two (2) or more different times during a meeting. The presiding officer may give priority to those persons who indicate they wish to speak on an agenda item upon which a vote will be taken.

The presiding officer or public body members shall not enter into a dialogue with citizens. Questions from the public body members shall be for clarification purposes only. Public Input shall not be used as a time for problem solving or reacting to comments made but, rather, for hearing citizens for informational purposes only.

In order to maintain the efficient and orderly conduct and progress of the public meeting, the presiding officer of the meeting shall have the authority to raise a point of order and provide a verbal warning to a speaker who engages in the conduct or behavior proscribed under "Verbal Input". Any one (1) or more of the Parties shall have the right to purchase such assets at their fair market value prior to any public sale. Such fair market value shall be determined by unanimous vote of the Policy Committee. If more than one (1) party wishes to purchase such assets or a particular asset for the fair market value, the matter will be decided by lot.

SECTION 16. INSURANCE

The Lead Agency shall procure and maintain, during the term of this Agreement or any extension thereof, sufficient property insurance to cover the replacement value of the Consortium equipment and all equipment loaned to Consortium, against all direct loss or damage. The cost of any such insurance shall be a cost of operating Consortium, to be borne by the Parties hereto in the same manner as other costs in accordance with this Agreement. The insurance shall name each member agency as additional insured under the liability policy procured.

SECTION 17. LIMITATIONS OF PERSONNEL

No employee shall have authority to commit, obligate or bind any party hereto to any contract or obligation unless specifically authorized by said party, except as provided for in this Agreement.

SECTION 18. AMENDMENTS

This Agreement may be amended in writing at any time by mutual agreement of all the Parties to the Agreement. Amendments shall refer back to this Agreement and to subsequent amendments, if any, on the same subject and shall specify the language to be changed or to be added. The execution of any amendment shall be authorized by passage of an appropriate ordinance or other proper and lawful corporate action by the corporate authorities of each party.

SECTION 19. ADDITIONAL MEMBERS

New members may only be added to the Consortium by a unanimous vote of the Policy Committee. New members shall pay an initial buy-in fee of 3 times the first year's membership fee payable as a one-time upfront payment or in annual installments within the first 5-years of membership. The new member is obligated to pay the full buy-in fee even if the new member terminates membership prior to the end of the 5-years.

The date of the notice shall be the third day after the date of mailing of notice is provided by mail. If the notice is provided by personal delivery, the date of personal delivery is the date of the notice.

The first two year's budget reflects phased costs of bringing the system online. Future budgets are expected to remain near the \$300,000 level, plus annual inflation.

Initial Projections have the per capita rate reducing to \$.48 in the third year.

The per capita would be set each year based upon the budget and expected contributors. For instance, if additional entities join the consortium, the per capita amount would be reduced by the added base amounts received.

Memorandum

To: Mayor Marlin and Council Members
CC: Carol Mitten, Phyllis Clark
From: Sanford Hess
Regarding: Ordinance Amending an Inter-Governmental Agreement with the Champaign
County Geographic Information System Consortium (CCGIS)
Date: November 28, 2022

This Ordinance will signify Urbana's approval for the Village of St. Joseph to join the CCGISC as a member. The IGA describes the purposes of the CCGISC, the member responsibilities, and the funding contributions.

Because the funding of the CCGISC is divided by population among its members, adding more members helps share the costs more widely. (Please note that the final page of the IGA reflects only 2003 and 2004.) The memo from the CCGISC shows the buy-in amount that the Village will contribute initially, and then their yearly amounts will be computed following the normal methods.

Following existing practices, all parties to the IGA must approve each modification – that is the reason for this ordinance.

ORDINANCE NO. 2022-##-###**AN ORDINANCE AMENDING THE INTERGOVERNMENTAL AGREEMENT FOR THE CREATION OF THE CHAMPAIGN COUNTY GEOGRAPHIC INFORMATION SYSTEM CONSORTIUM**

WHEREAS, the aforesaid municipalities and The Board of Trustees of the University of Illinois now seek to amend the aforesaid IGA to include the Village of St Joseph, a copy of which is appended hereto.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS, as follows:

The defaulting party shall continue to be responsible to pay its assigned share of the cost of Consortium as determined in accordance with this Agreement for the ensuing nine (9) months following the termination of GIS services. If the defaulting party, within the nine (9) month period, pays all amounts due and the costs incurred by the Consortium in updating the information in relevant databases, GIS services to the party shall be reinstated.

However, should any of the Parties elect to withdraw its participation in and support of Consortium, then Consortium may continue in operation for the benefit of the remaining Parties if a minimum of two (2) of the Parties elect to continue their participation.

SECTION 13. EQUIPMENT; USE AND OWNERSHIP; LOAN EQUIPMENT

All equipment purchased for Consortium shall be purchased, utilized and disposed of by the Lead Agency and held in trust for Consortium use. Any Member agency may, with approval of the Policy Committee, loan property or equipment to the Lead Agency for the use of Consortium. Such property shall continue to be owned by the member agency, and the Lead Agency shall keep written records of such loaned equipment. If the party owning

the loaned equipment wishes to withdraw it from Consortium service, that party may do so provided that, if in the opinion of the Consortium Director, the property is essential to Consortium and requires replacement to ensure consistency and proper functioning of Consortium, then such loaned equipment shall be withdrawn only after providing a reasonable notice of withdrawal to the other Parties.

SECTION 14. RIGHTS OF TERMINATING PARTY TO CONSORTIUM ASSETS

A party terminating its participation in this Agreement shall continue to maintain its financial interest in all equipment purchased for the Consortium operation prior to the date of that member's termination. Such equipment or proceeds derived from the disposition of the equipment shall continue to be used for the continued operation of Consortium until Consortium is dissolved.

SECTION 15. DISPOSITION OF CONSORTIUM ASSETS UPON DISSOLUTION

Upon dissolution of Consortium, all assets held in trust by the Lead Agency on behalf of the Parties of this Agreement will be sold and the proceeds, after deducting all costs of sales and any unpaid obligations relating to such assets or operating expenses of Consortium, shall be divided among all Parties to this Agreement in accordance with the proportion that the amount of funding of that party bears to the total during the period of time from the date of membership until the date that Consortium is dissolved. Any one (1) or more of the Parties shall have the right to purchase such assets at their fair market value prior to any public sale. Such fair market value shall be determined by unanimous vote of the Policy Committee. If more than one (1) party wishes to purchase such assets or a particular asset for the fair market value, the matter will be decided by lot.

SECTION 16. INSURANCE

The Lead Agency shall procure and maintain, during the term of this Agreement or any extension thereof, sufficient property insurance to cover the replacement value of the Consortium equipment and all equipment loaned to Consortium, against all direct loss or damage. The cost of any such insurance shall be a cost of operating Consortium, to be borne by the Parties hereto in the same manner as other costs in accordance with this Agreement. The Lead Agency shall procure and maintain liability and worker's compensation insurance for Consortium operations in accordance with insurance purchase standards for its other operating departments. The insurance shall name each member agency as additional insured under the liability policy procured.

SECTION 17. LIMITATIONS OF PERSONNEL

No employee shall have authority to commit, obligate or bind any party hereto to any contract or obligation unless specifically authorized by said party, except as provided for in this Agreement.

SECTION 18. AMENDMENTS

This Agreement may be amended in writing at any time by mutual agreement of all of the Parties to the Agreement. Amendments shall refer back to this Agreement and to subsequent amendments, if any, on the same subject and shall specify the language to be changed or to be added. The execution of any amendment shall be authorized by passage of an appropriate ordinance or other proper and lawful corporate action by the corporate authorities of each party.

SECTION 19. ADDITIONAL MEMBERS

New members may only be added to the Consortium by a unanimous vote of the Policy Committee. New members shall pay an initial buy-in fee of 3 times the first year's membership fee payable as a one-time upfront payment or in annual installments within the first 5-years of membership. The new member is obligated to pay the full buy-in fee even if the new member terminates membership prior to the end of the 5-years.

New members shall agree in writing to all the terms of this Agreement before membership becomes effective.

SECTION 20. EFFECTIVE DATE

This Agreement shall be effective as to each member on the date such member executed the Agreement.

SECTION 21. NOTICES

Notices hereunder shall be provided personally or by first class mail to the Chancellor of the University and to the Chief Administrative Officer of each party and to the attorney representing each party. The date of the notice shall be the third day after the date of mailing of notice is provided by mail. If the notice is provided by personal delivery, the date of personal delivery is the date of the notice.

SECTION 22. COUNTERPARTS

This Agreement may be signed in several counterparts, each of which shall be considered an originally executed agreement for all purposes.

IN WITNESS WHEREOF, the Parties have hereunto set their hands and seals to this Agreement as of the dates below indicated.

The first two year's budget reflects phased costs of bringing the system online. Future budgets are expected to remain near the \$300,000 level, plus annual inflation.

Initial Projections have the per capita rate reducing to \$.48 in the third year.

The per capita would be set each year based upon the budget and expected contributors. For instance, if additional entities join the consortium, the per capita amount would be reduced by the added base amounts received.

To: CCGISC Policy Committee
From: Leanne Brehob-Riley, GIS Director
Date: October 21, 2022
Re: CCGISC Membership for the Village of St Joseph

The Village of St Joseph has requested to become a member agency of the Champaign County GIS Consortium. Per Section 19 of the IGA, upon acceptance of membership by a **unanimous** vote of the CCGISC Policy Committee meeting, new members shall pay an initial buy-in fee of 3 times the first year's membership fee payable as a one-time upfront payment or in annual installments within the first 5-years of membership. New members are obligated to pay the full buy-in fee even if the new member terminates membership prior to the end of the 5-years.

The membership fee is determined by the CCGISC Municipal Funding Formula as approved with the annual budget. Please note, the base rate base rate for the *initial* municipal member with a population less than 5,000 was determined to be \$3,000 by the CCGISC Policy Committee at the January 18, 2019 meeting. Annually approved percent membership increases/decreases shall be applied to the base and per capita rates of all municipal members, regardless of population.

CCGISC MUNICIPAL MEMBER FUNDING FORMULA

The funding formula for the CCGISC municipal members is as follows:

$$\text{Base Rate} + (\text{Population} * \text{Per Capita Rate}) = \text{Membership Assessment}$$

Using this formula and the guidance provided in Section 19 of the IGA, the initial buy-in fee for the Village of St Joseph is \$17,572.50. Distributing this cost over 5 years results in a first-year total of \$9,372. Details are provided in the table below.

Village of St. Joesph				
2020 Population		Annual Membership*		
	<u>Base Fee</u> <i>(Population < 5000)</i>	<u>Per Capita Rate</u>	<u>Per Capita Amount</u>	<u>Annual Membership Total</u>
3,810	\$3,000	\$0.75	\$2,857.50	\$5,857.50
		Initial Buy-In Costs**		
<u>Annual Membership Total</u>		<u>Buy-In Period</u> <i>(years)</i>	<u>Buy-In Cost Total</u>	
\$5,857.50		3	\$17,572.50	
First Year Total***				
<i>Annual Membership Total+ (Buy-In Cost Total / 5 year pay back period)</i>				\$9,372.00

* Municipal Membership is calculated using a base and per capita rate. \$3,000 is the base fee for municipalities with a population < 5,000. The per capita rate is the same for all municipal member agencies. Membership fees are subject to annual percent increases as approved by the CCGISC Policy Committee. Population determined from decennial census or per a certified special census.

** The buy-in fee considers the initial capital/data development cost incurred by the Consortium. It is calculated as three times the cost of the initial membership year. The fee can be paid upfront or over the first 5 years of membership.

***Assumes buy-in costs paid over 5 years.

REVISIONS - CCGISC INTERGOVERNMENTAL AGREEMENT (IGA)

A unanimous vote to extend membership to the Village of St Joseph requires approval of the following revisions to IGA – *revisions indicated in red.*

Subsequent to this memo, the IGA with proposed revisions is provided for your reference. The IGA revisions were reviewed by Champaign County State's Attorney's Office.

RECOMMENDATION

CCGISC staff has the capacity to support an additional member agency. The additional revenue will help to offset future membership increases necessary to support anticipated expenditure increases related to personnel costs (COLA and health insurance) and building rental fees resulting from the pending move from the Brookens Administrative Center to the County Plaza in 2024. In addition, granting membership to St Joseph will extend county-wide coordination and cooperation per the Consortium mission. As such, I recommend the CCGISC Policy Committee vote to unanimously approve CCGISC membership for the Village of St Joseph and the IGA revisions as presented.

MEMORANDUM

TO: Mayor Diane Wolfe Marlin and City Council Members

FROM: Elizabeth Hannan, Finance Director
Alyana Robinson, Financial Analyst

DATE: December 8, 2022

SUBJECT: 2022 Property Tax Levy

Introduction: Several Ordinances are transmitted with this report, as follows –

1. An Ordinance levying taxes for 2022. These taxes will be received in calendar year 2023.
2. An Ordinance that allows for a reduction (abatement) in the corporate purpose tax levy to produce a total tax rate of \$1.3499, which is the current tax rate.
3. An Ordinance abating debt service payments for the 2014 general obligation bonds. Debt service will be paid from the Local Motor Fuel Tax Fund.

Background:

Estimated Property Tax Levy: On November 21, 2022, the City Council approved Resolution No. 2022-11-086R, A Resolution Estimating the Tax Levy. The estimated levy was \$9,415,492, which is an increase of 11.71% over the current tax levy. Because the increase exceeded 5%, the City advertised and held a public hearing on Monday, December 5, in accordance with the Truth in Taxation law.

Estimate of Equalized Assessed Valuation (EAV): Staff will use a preliminary estimate of the EAV based upon the County assessor's preliminary abstract of assessments, which does not include any reductions that may be made by the Board of Review. The estimate is \$697,495,554. This EAV would be an increase of 11.71% from the EAV upon which the extended levy for 2021 was based.

Tax Rate: The Mayor recommends a tax rate for this year's levy of \$1.3499, which is the current City of Urbana tax rate. The rate was decreased from \$1.355 beginning with the 2017 tax levy. While the City's portion of the total tax levy is only about 13% of the total, this is important to trying to achieve a tax rate competitive with neighboring communities and can affect property values and economic development opportunities.

At this rate, City taxes for an owner-occupied home are estimated as follows –

Property Value	City Property Tax at \$1.3499*
\$100,000	\$369
\$150,000	\$594
\$200,000	\$819
\$250,000	\$1,044

*City property tax = EAV (property value / 3), less owner occupied exemption (\$6,000), divided by \$100, multiplied by tax rate

Purposes for Which the City Levies Taxes: The City levies taxes for “corporate purposes” (the General Operating Fund), the Library, and Police and Fire pensions. The levies for specific purposes are approved by the City Council when the final tax levy Ordinance is approved.

Pension Levies: Levies for Police and Fire Pension Funds are based on the funding plan approved by the City Council in the City’s Financial Policies. The benefits are dictated by State statute and the current funding policy reflects a balanced approach to covering the City’s long-term pension obligations while avoiding higher costs that could arise from failing to address unfunded liabilities and affect the City’s ability to provide services in the long-term. The City Council approved the updated Financial Policies on June 18, 2018 (2018-06-023R). The policy can also be found in the annual budget on page 16.

There is a significant change in levies for Police and Fire pensions. However, this does not change the total amount of the levy that was included in the resolution estimating the tax levy. The information provided with the estimated levy was based on the pension funding transition plan developed in 2018. The final actuarial report was provided in the meantime, and indicates that after four years, the transition is complete. The new funding amounts are based on the actuarial recommendation to achieve full funding over the next 16 years.

The Fire Pension Fund is currently 95.31% funded, based on the actuarial value of assets. The recommended contribution is \$1,026,180. Of that total, 8.12% will be funded from personal property replacement tax (PPRT), consistent with State law, and the remaining \$942,854 will be funded through the tax levy.

The Police Pension Fund is currently 66.90% funded on an actuarial basis. The recommended contribution is \$2,639,198. Of that total, 8.12 % will be funded from PPRT, leaving \$2,424,895 to be funded through the tax levy.

The following chart compares the transition plan funding recommendations for the 5th year to the recommended funding amounts in the actuarial report. These estimates are for total funding, including the portion from PPRT.

	Transition Plan	Actuarial Report	Difference
Police Pension	2,591,000	2,639,198	(48,198)
Fire Pension	<u>1,615,000</u>	<u>1,026,180</u>	<u>588,820</u>
	<u>4,206,000</u>	<u>3,665,378</u>	<u>540,622</u>

Because of historically strong investment performance in the Fire Pension Fund, there is a significant decrease in contributions, some of which can be applied to the higher Police Pension Fund contribution. The remainder may be used to support a variety of services in the City's General Fund. While this will not eliminate the need for future revenue increases, it will mitigate that need.

Investments in both funds were consolidated into the Downstate Police and Fire Pension Investment Funds over the past year. Staff will continue to recommend funding based on the City's financial policies, with the goal of 100% funding at the end of a total of 20 (now 16) years, rather than the minimum required by State law. Pension fund contributions may fluctuate over time.

Pursuant to State law, 8.12% of the total funding requirement will be met by using personal property replacement tax (PPRT) revenues. The total funding requirements and portions from PPRT are detailed below.

Taxes for these funds would be levied as follows:

	Police Pension Fund	Fire Pension Fund
Funding requirement per policy	\$2,639,198	\$1,026,180
PPRT portion (8.12%)	(\$214,303)	(\$83,326)
Levy amount for 2022	\$2,424,895	\$942,854

Urbana Free Library: The Mayor recommends a levy of \$3,919,466, which is an increase of about 5% over the 2021 tax levy. Property tax revenue is responsible for the vast majority of recurring revenues for the Library General Fund. This increase is needed to allow the Library to maintain current services, based upon the FY2023 budget.

Corporate Purposes: Remaining revenues generated by property taxes would be allocated to the General Operating Fund, where they would be used to pay for basic City services, such as police and fire protection, and public works services. The recommended levy for corporate purposes is \$2,128,277. This is higher than anticipated at the time the estimated levy was presented to Council. The increase is due to the adjustments to the pension levies. When the final levy is extended, this component of the levy will be reduced to achieve the desired tax rate. The actual increase will be lower, but that amount will not be determined until the tax levy is extended by the County Clerk in the spring.

Abatements: An Ordinance authorizing the County Clerk to abate (reduce) the tax levy to maintain the current tax rate based on the final EAV (which is not known when the City Council approves the levy) is included in this Council packet. This directs the County Clerk to abate the corporate purpose levy to produce a final tax rate of \$1.3499. This allows the City to maximize property tax revenue at the current tax rate.

A levy for debt service was approved when bonds were issued in 2014 for Windsor Road improvements. That levy will be fully abated and the debt service will be paid from the Local Motor Fuel Tax Fund. A separate Ordinance provides for that abatement.

All general obligation debt (GO) is backed by the City's taxing authority and the County Clerk is directed to levy for debt service when the bonds are issued. Since GO debt has a lower cost of borrowing due to the lower risk, GO debt is often used for financing, even when another source of funds will be used to pay the debt service. This results in a need to abate the debt service payments annually.

Fiscal Impact: The tax levy is likely to result in an increase of about \$881,051 in revenue available for basic City services, assuming the Board of Review reduces assessments by about 2%. However, this could vary considerably. This will be factored into the updated financial forecast used for determining strategy for the budget for FY2024. The City will be continuing on the path towards fully funding Police and Fire pensions, consistent with the City's current policy on pension funding.

Alternatives:

1. Approve these Ordinances establishing the property tax levy and related abatements for 2022.
2. Direct staff to make modifications and bring the Ordinances for final approval at a Special City Council Meeting on December 19.

Recommendation: Approve these Ordinances establishing the property tax levy for 2022.
