G. Council Input and Communications

H. Adjournment

PUBLIC INPUT

The City of Urbana welcomes Public Input during open meetings of the City Council, the City Council's Committee of the Whole, City Boards and Commissions, and other City-sponsored meetings. Our goal is to foster respect for the meeting process, and respect for all people participating as members of the public body, city staff, and the general public. The City is required to conduct all business during public meetings. The presiding officer is responsible for conducting those meetings in an orderly and efficient manner. Public Input will be taken in the following ways:

Email Input

Public comments must be received prior to the closing of the meeting record (at the time of adjournment unless otherwise noted) at the following: citycouncil@urbanaininois.us. The subject line of the email must include the words "PUBLIC INPUT" and the meeting date. Your email will be sent to all City Council members, the Mayor, City Administrator, and City Clerk. Emailed public comments labeled as such will be incorporated into the public meeting record, with personal identifying information redacted. Copies of emails will be posted after the meeting minutes have been approved.

Written Input

Any member of the public may submit their comments addressed to the members of the public body in writing. If a person wishes their written comments to be included in the record of Public Input for the meeting, the writing should so state. Written comments must be received prior to the closing of the meeting record (at the time of adjournment unless otherwise noted).

Verbal Input

Protocol for Public Input is one of respect for the process of addressing the business of the City. Obscene or profane language, or other conduct that threatens to impede the orderly progress of the business conducted at the meeting is unacceptable.

Public comment shall be limited to no more than five (5) minutes per person. The Public Input portion of the meeting shall total no more than two (2) hours, unless otherwise shortened or extended by majority vote of the public body members present. The presiding officer or the city clerk or their designee, shall monitor each speaker's use of time and shall notify the speaker when the allotted time has expired. A person may participate and provide Public Input once during a meeting and may not cede time to another person, or split their time if Public Input is held at two (2) or more different times during a meeting. The presiding officer may give priority to those persons who indicate they wish to speak on an agenda item upon which a vote will be taken.

The presiding officer or public body members shall not enter into a dialogue with citizens. Questions from the public body members shall be for clarification purposes only. Public Input shall not be used as a time for problem solving or reacting to comments made but, rather, for hearing citizens for informational purposes only.

In order to maintain the efficient and orderly conduct and progress of the public meeting, the presiding officer of the meeting shall have the authority to raise a point of order and provide a verbal warning to a speaker who engages in the conduct or behavior proscribed under "Verbal Input". Any member of the public body participating in the meeting may also raise a point of order with the presiding officer and request that they provide a verbal warning to a speaker. If the speaker refuses to cease such conduct or

behavior after being warned by the presiding officer, the presiding officer shall have the authority to mute the speaker's microphone and/or video presence at the meeting. The presiding officer will inform the speaker that they may send the remainder of their remarks via e-mail to the public body for inclusion in the meeting record.

Accommodation

If an accommodation is needed to participate in a City meeting, please contact the City Clerk's Office at least 48 hours in advance so that special arrangements can be made using one of the following methods:

MEMORANDUM TO THE MAYOR AND CITY COUNCIL

Meeting: April 1, 2024 Committee of the Whole
Subject: An Ordinance Amending Urbana City Code Chapter 3.5 -- Ambulance Services
A Resolution Granting an Ambulance Service Franchise Agreement with Arrow Ambulance, LLC.

Summary

Action Requested

City Council is being asked to amend Chapter 3.5 of the Urbana City Code and subsequently authorize the Mayor to enter into a Franchise Agreement with an ambulance service provider, Arrow Ambulance, LLC.

Brief Background / Statement of the Issue

Chapter 3.5 of the Urbana City Code regulates ambulance services in the City of Urbana. In an effort to increase the quality of ambulance services in the City, the City explored the feasibility of amending the City Code to allow a more cooperative model of service delivery between the City and providers via a franchise agreement.

The current licensing service model permits any qualified ambulance service provider to be issued a license. Emergency Medical Service (EMS) calls in Urbana are currently rotated monthly between two ambulance license holders. In the past year, ambulances have provided a joint response to 2,900 Urbana Fire Department calls. The rotating license provider model often yields inconsistent levels of response on these calls. As an alternative, a franchise model would allow the City work collaboratively with one or more ambulance service providers to establish higher minimum service standards.

The City issued a Request for Qualifications in September 2022 seeking to understand the capacity, qualifications, and approach that an ambulance service provider could provide to meet the increased minimum service levels desired by the City. Based on the responses submitted, the City began discussions with Arrow Ambulance, LLC to explore the mutual feasibility of a prospective agreement. A considerable amount of time was spent exploring the feasibility of co-locating ambulances at the new fire stations. However, given the locations of the stations, the current conditions of existing stations, and the primacy of response time standards, that option was ultimately deemed infeasible.

Relationship to City Services and Priorities

Impact on Core Services

The Franchise Agreement establishes a floor for the minimum operational capacity and provision of services required by the ambulance service provider. This is expected to increase the quality of EMS services received by Urbana residents. The Agreement also requires a level of collaboration with the Fire Department that is expected to enhance and improve the City's ability to provide emergency fire, rescue, and EMS services.

Strategic Goals & Plans

This Ordinance and subsequent Agreement broadly works towards Strategies *1.2 Enhance and expand public safety resources* and *1.3 Promote community well-being* in the recently adopted 2024-2025 Mayor/Council Strategic Goals.

Discussion

Operations Impact

The City does not provide ambulance services. However, it does jointly respond with ambulance service providers to high acuity EMS calls. At the very least, the change to a franchise model should have no net effect on Fire Department operations. However, given the minimum vehicle and staffing requirements outlined in the Agreement, the City expects the Agreement to have positive outcomes on calls that receive a joint response.

Policy or Statutory Impacts

The Ordinance amending Section 3.5 of the Urbana City Code alters the section to allow for a franchising model of ambulance service delivery. The amending code retains the existing response time requirements. It also updates definitions and references, and eliminates now-defunct language. The amended Section 3.5 specifies minimum requirements of any ambulance service provider, and allows for additional requirements to be created in a franchise agreement.

Fiscal and Budget Impact

Per the terms of the Agreement, there shall be no cost to the City of Urbana for the provision of ambulance services by Arrow in the Service Area. To cover incidental costs incurred by the City of Urbana, the Agreement outlines an annual franchise fee of \$82,500 to be paid to Urbana. Additionally, under the term of the Agreement, Arrow will provide specified EMT training to the City at no cost.

Community Impact

As mentioned above, the intention behind the Franchise Agreement is to provide a higher level of EMS to Urbana residents. The Agreement requires that two dedicated ambulances and personnel be stationed in Urbana's Service Area at all times. This is expected to improve response times and on-scene care.

Recommendation

Staff recommends that City Council approve the Ordinance amending Chapter 3.5 of the Urbana City Code and subsequently approve the Resolution authorizing the Mayor to enter into a Franchise Agreement with an ambulance service provider, Arrow Ambulance, LLC.

Next Steps

If these items are approved, the Mayor will execute the Franchise Agreement. The date of the Mayor's signature will become the "Effective Date" of the Agreement. Arrow Ambulance will have six months from the Effective Date to being providing services as outlined in the Agreement (Date Services Begin). The 10-year term will begin on the "Date Services Begin".

Attachment A to the Franchise Agreement further allows Arrow Ambulance six months from the Date Services Begin to comply with the residential requirements of the Agreement so that they may establish sufficient facilities within the Service Area.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING URBANA CITY CODE CHAPTER 3.5 –
AMBULANCE SERVICES**

WHEREAS, the City of Urbana, Champaign County, Illinois (the “City”) is a home rule unit under and pursuant to Section 6(a) of Article VII of the Constitution of the State of Illinois, and is authorized to exercise any power and perform any function pertaining to its government and affairs, including the power to regulate for the protection of public health, safety, and welfare; and

WHEREAS, the Urbana City Council heretofore has adopted Urbana City Code Chapter 3.5 to protect the public health, safety, and welfare by regulating ambulance services in the City of Urbana; and

WHEREAS, the Urbana City Council finds that the best interests of the City of Urbana are served by amending Urbana City Code Chapter 3.5 to better protect the public health, safety, and welfare in the City of Urbana.

NOW, THEREFORE, BE IT ORDAINED by the City Council, of the City of Urbana, Illinois, as follows:

Section 1. Urbana City Code Chapter 3.5, “Ambulance Services” is hereby amended as set forth in Exhibit A, which is attached hereto and incorporated herein.

Section 2. Those sections, paragraphs, and provisions of the Urbana City Code that are not expressly amended or repealed by this Ordinance are hereby re-enacted, and it is expressly declared to be the intention of this Ordinance not to repeal or amend any portions of the Urbana City Code other than those expressly set forth as amended or repealed in this Ordinance. The invalidity of any section or provision of this Ordinance hereby passed and approve shall not invalidate other sections of provisions thereof.

Section 3. This Ordinance shall not be construed to affect any suit or proceeding pending in any court, or any rights acquired, or a liability incurred, or any cause or causes of action acquired or existing prior to the effective date of this Ordinance; nor shall any right or remedy of any character be lost, impaired, or affected by this Ordinance.

Section 4. Licenses granted for Ambulances Services under the previous version of the City Code shall be allowed to continue to operate until the Date Services Begin of the first franchise agreement between the City and an ambulance service provider, during which time, they may continue to operate under the Code, rules, and regulations in place when the License was issued.

Section 5. The City Clerk is directed to publish this Ordinance in pamphlet form by authority of the corporate authorities, and this Ordinance shall be in full force and effect from and after its passage.

This Ordinance is hereby passed by the affirmative vote, the “ayes” and “nays” being called, of a majority of the members of the Council of the City of Urbana, Illinois, at a meeting of said Council

PASSED BY THE CITY COUNCIL this Date day of Month, Year.

Chapter 3.5 AMBULANCE SERVICES

ARTICLE I. DEFINITIONS

Sec. 3.5-1. Definitions.

As used in this chapter, unless the context otherwise requires, the terms specified in this article shall have the meanings ascribed to them in this article. Generally, terms mention in this chapter but not defined in this article, shall have the meaning ascribed to them in *Emergency Medical Services (EMS) Systems Act (210 ILCS/50)*.

Sec. 3.5-2. Ambulance defined.

Ambulance means any publicly or privately owned vehicle that is specifically designed, constructed, or modified and equipped, and intended to be used for, and is maintained or operated for the emergency transportation of persons who are sick, injured, wounded or otherwise incapacitated or helpless.

Sec. 3.5-3. Ambulance service defined.

Ambulance service means the operation of an enterprise that has as one (1) of its purposes the operation or use on the streets, alleys, or any public way within the City of Urbana or an ambulance that responds to emergency calls for the transportation of persons who are reported to be sick, injured, wounded, otherwise incapacitated or helpless.

Sec. 3.5-4. Emergency defined.

Emergency means a condition or situation in which an individual declares a need for immediate medical attention or when that need is declared by emergency medical personnel or a public safety official.

Sec. 3.5-5. Emergency call defined.

Emergency call means the request by any means for ambulance service to respond to an emergency.

Sec. 3.5-6. Emergency Dispatch call defined.

Emergency dispatch call means the request through the Champaign County 911 system (METCAD) for ambulance service to respond to an emergency.

Sec. 3.5-7. Emergency response business records defined.

Emergency response business records means those records that document the staff on duty for the ambulance service at any time, records that establish the staff's minimum qualifications required by this chapter, documents that record the number of responses to emergency calls, response times to emergency calls, maintenance records of the ambulance, phone logs indicating emergency calls for service; and such other documents, tape recordings, computer records or other media that contain information necessary or convenient for the fire chief (*defined in Section 8 Article III*) to determine if the ambulance service has complied or is complying with the provisions of this chapter and the rules and regulations promulgated pursuant to this section.

Sec. 3.5-8. Mutual aid agreement defined.

Mutual aid agreement means an intergovernmental or interagency agreement providing for shared and common assistance when requested by one (1) of the member agencies. The equipment and personnel provided by a mutual aid request may be predetermined for a particular type of incident or determined at the time of the request in consideration of available resources.

Sec. 3.5-09. Advanced provider defined.

Advanced provider means a person who has successfully completed an Illinois Department of Public Health approved course of instruction in advanced life support—mobile intensive care services and is currently certified by the Illinois Department of Public Health as an Emergency Medical Technician-Paramedic (EMT-P).

Secs. 3.5-10—3.5-29. Reserved.**ARTICLE II. AMBULANCE SERVICE FRANCHISE ADMINISTRATION****Sec. 3.5-30. Ambulance service franchises**

- (a) Any ambulance service responding to emergency dispatch calls in the city shall have a franchise agreement that regulates the obligations and responsibilities of the ambulance service as it relates to emergency dispatch and operational requirements.
- (b) The city may enter into one or more franchise agreements for ambulance services.
- (c) The City Administrator shall, from time to time, solicit a request for qualifications for ambulance services and subsequently enter into an agreement granting a franchise, in a number and manner that best meets the public safety needs of the city and its residents.
- (d) Unless otherwise stated in a franchise agreement, a franchised ambulance service shall comply with the minimal operational requirements set forth in Article III below.

Sec. 3.5-31. Ambulance service franchise required; exceptions.

- (a) Unless a franchise agreement is specifically not required by this section, no person either as owner, agent, or otherwise shall furnish, operate, conduct, maintain, advertise, or otherwise engage in ambulance service in the City of Urbana without an ambulance service franchise agreement required pursuant to this chapter by the city or in violation of the provisions set forth in Chapter 3.5 of the City Code.
- (b) No franchise agreement is required by:
 - (1) An ambulance service that has no maintenance, dispatch or storage facilities in the City of Urbana and which does not respond to an emergency within the city; or
 - (2) In the case of an emergency where the number of franchised ambulances available is determined by the fire chief to be insufficient to render the required emergency ambulance service, the fire chief or his designee may authorize non-franchise vehicles to operate as ambulances in response to the emergency. Any non-franchised vehicle authorized to operate under this provision shall comply with all requirements in Chapter 3.5, unless expressly waived by the fire chief.

- (c) In the event the ambulance service responds to emergencies within the city without a franchise or valid franchise agreement, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "General Provisions," section 1-18 "Minimum fine schedule for certain violations."

Sec. 3.5-32. Failure to preform and revocation of franchise

- (a) In addition to any fine issued pursuant to sections 3.5-31(c), 3.5-53(g), 3.5-54(b), or 3.5-56(a)(6) of this chapter, the fire chief may impose a fine against a franchised ambulance service for any violations of any the provisions of this chapter or any rules or regulations promulgated to implement the provisions of this chapter, in an amount no less than fifty dollars (\$50.00) or more than two thousand dollars (\$2,000.00), per occurrence.
- (b) In the event where a franchised ambulance service's inability to operate in accordance with the operational requirements of this code creates an imminent threat to the health, safety, or well-being of individuals, the fire chief may suspend the operation of such franchised ambulance service until the issues have been rectified. In the event only a single ambulance service franchise agreement has been executed and which service is suspended pursuant to this section, the fire chief may authorize a non-franchised ambulance service to provide services within Urbana for the period of suspension. Any non-franchised vehicle authorized to operate under this provision shall comply with all requirements in Chapter 3.5, unless expressly waived by the fire chief.
- (c) Unless otherwise modified by any additional terms set forth in a franchise agreement, the fire chief, may terminate an ambulance service franchise for either a failure to pay any fines within 120 days or for a failure to correct a suspension mentioned above within 120 days.

Sec. 3.5-33. Limitations of franchise.

- (a) No person, either as owner, agent or otherwise, shall operate or allow another to operate an ambulance to respond to an emergency call for or on behalf of a franchised ambulance service unless its use for such purpose is approved by the fire chief in accordance with the terms of the franchise agreement.
- (b) Any franchise agreement is not assignable to any party, unless explicitly provided for in a franchise agreement.

Secs. 3.5-34—3.5-49. Reserved.

ARTICLE III. AMBULANCE SERVICE OPERATIONAL REQUIREMENTS

Sec. 3.5-50. Ambulance availability, design, and equipment requirements.

- (a) Each franchised ambulance service shall provide coverage for the Urbana Fire Department's entire service area.
- (b) In addition to the coverage referenced above, each franchised ambulance service shall be required, at the direction of the fire chief, to respond with available ambulances to locations outside of the Urbana/Champaign city limits as part of a response to a request from the State of Illinois or another local governmental unit pursuant to any mutual aid agreement the city has with the State of Illinois or the said unit of local government. Said ambulance service shall not be entitled to reimbursement for the costs of its

response to said mutual aid request unless, and only to the extent that the city receives payments or reimbursement for said services.

- (c) Each ambulance used in a franchised ambulance service that may operate within Urbana shall meet the same design and equipment requirements that the ambulance would be required to meet in order to be licensed by the State of Illinois as an ambulance as those requirements are now or may hereafter be amended.
- (d) An ambulance shall be considered available for use by the franchised ambulance service if it is under the sole control of the ambulance service for its sole use and it is operational, stored and dispatched by the ambulance service from within Champaign/Urbana city limits or a location approved by the fire chief.

Sec. 3.5-51. EMT requirements.

- (a) When in use for emergency calls, each ambulance shall have as personnel in the ambulance either (1) emergency medical technician (EMT) and one (1) advanced provider or two (2) advanced providers.
- (b) A registered professional nurse (RN) / mobile intensive care nurse (MICN), registered professional nurse/field RN, or physician may be counted as an EMT-Paramedic (EMT-P) or EMT-Basic (EMT-B) for purposes of meeting this section.
- (c) Additional training requirements for operating within the Urbana city limits include the following:
 - (1) Each ambulance unit operating must be staffed by a minimum of one (1) EMT-P trained in:
 - a. Hazardous material awareness;
 - b. Technical rescue awareness;
 - c. Emergency response to terrorism, basic concepts;
 - d. National Incidents Management Systems (NIMS) compliant with certificates in IS 100, 200 and 700; and
 - e. All supervisory staff must be in compliance with NIMS with certificates in IS 300 and 400.
 - (2) All EMT-P's and EMT-B's shall be trained annually on the Urbana Fire Department's Incident Command System.
 - (3) All EMT-P's and EMT-B's shall have drivers training certification (fire service vehicle operation or emergency operator's course) within twenty-one (21) days of employment, and shall not be permitted to drive an ambulance until such certification has been obtained.
 - (4) Each franchised ambulance service shall provide a copy of documentation to the fire chief or designee showing annual certification of required training. The fire chief shall have the right to inspect the training records to ensure compliance with this section.

Sec. 3.5-52. Provision of ambulance service regardless of ability to pay or location of services.

Any ambulance service providing service within the City shall provide emergency service within the City of Urbana without regard to a person's ability to pay for such service or the location of requested services.

Sec. 3.5-53. Compliance with emergency dispatch procedures.

- (a) Each franchised ambulance service shall comply with all emergency dispatch procedures established by the city's fire department, the city's police department and any dispatching agency for the fire or police department.
- (b) If for any reason a franchised ambulance service is not able to comply with the operational requirements set forth in this article, it shall immediately report that status to the fire department in accordance with the fire chief's emergency dispatch procedures.
- (c) An ambulance service shall not respond to any requests for emergency assistance unless it is in compliance with the operational requirements set forth in this article, unless specifically authorized to respond by the fire chief as provided for in the fire chief's emergency dispatch procedures.
- (d) Personnel affiliated with a franchised ambulance service who wish to respond to an emergency scene in a vehicle other than an ambulance are required to:
 - (1) Identify their response over the metro fire frequency; and
 - (2) Be in compliance with all city, state, or federal laws and regulations in regards to emergency response; and
 - (3) Be in compliance with the current emergency medical dispatch system.
- (e) An ambulance service franchised to operate within the Urbana city limits shall have in place and utilize the current system used for emergency medical dispatch (EMD).
- (f) All 911 calls for medical response shall be disseminated by the dispatching agency for the fire or police department.
- (g) In the event the ambulance service fails to adhere to the emergency dispatch procedures provided in this section 3.5-53, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "general provisions," section 1-18 "minimum fine schedule for certain violations."

Sec. 3.5-54. Monitoring emergency dispatch calls.

- (a) It shall be unlawful for any ambulance service to respond in or through the City of Urbana to a call for an ambulance made by an organized police or fire department or any such department's official dispatching agency unless a specific request is directed to the ambulance service by the organized police or fire department or any such department's official dispatching agency.
- (b) In the event the ambulance service responds to an emergency dispatch call in a manner other than as provided in this section 3.5-54, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "general provisions," section 1-18, "minimum fine schedule for certain violations."

Sec. 3.5-55. Immediate emergency response required.

Each franchised ambulance service shall immediately respond to any emergency call for an ambulance directed to that ambulance service and originated by the police or fire department or any such department's official dispatching agency. If the franchised ambulance service is not able to immediately respond to the emergency or is not able to respond with an appropriate or requested level of service, the franchised ambulance service shall immediately report this situation to the agency and shall follow the directions of that agency regarding the response.

Sec. 3.5-56. Response times.

- (a) *Response times.* Every franchised ambulance service operating within the Urbana city limits shall meet the following response criteria:
- (1) Response time is defined as the time between when a call is received and the time when the ambulance service arrives on the scene of the incident for which the call was made.
 - (2) The advanced life support/mobile intensive care (ALS/MIC) ambulance shall arrive at the scene of all calls categorized as class B, C, D, or E calls, as defined by the emergency medical dispatch system, within eight (8) minutes of the time the call was received by the ambulance service. This time criterion of eight (8) minutes response time for all class B, C, D or E calls must be met on at least ninety (90) percent of all such calls received during any reporting cycle. This applies to all ALS units on code response (lights and sirens).
 - (3) All other non-code responses to calls categorized as class A calls, as defined by the emergency medical dispatch system, shall arrive on scene within twelve (12) minutes of the time the call was received by the ambulance service. This time criterion must be met on at least ninety (90) percent of the calls received during any reporting cycle.
 - (4) Any ambulance service franchised to operate within the Urbana city limits shall provide to the fire chief a written bi-monthly report at the local emergency services advisory committee (LEMSAC) meeting.
 - (5) At the request of the fire chief, an audit of response times provided by an ambulance service shall be conducted in the manner directed by the fire chief.
 - (6) In the event the franchised ambulance service fails to meet the response times required by this section, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "general provisions," section 1-18, "minimum fine schedule for certain violations" for each call that falls outside the required response time criterion outlined in subsections (a)(2) and/or (a)(3) of this section.
- (b) *Exceptions to response time requirements.* In some cases, financial penalties and response time compliance reports may be waived by the fire chief in the exercise of the chief's sole discretion for the following instances:
- (1) Failure by dispatching agency to give accurate location information (including address or cross street) to responding unit;
 - (2) Weather conditions that impair visibility, create unsafe driving conditions, or block a normal route to the scene of the incident to which the ambulance service was dispatched;
 - (3) Wrong or incomplete address provided by the person requesting ambulance service assistance; or
 - (4) Unavoidable delays caused by conditions or circumstances out of the control of the responding ambulance service, including but not limited to road construction or train blocking railroad crossing.

Sec. 3.5-57. Obedience to traffic laws; exception—adherence to traffic laws.

- (a) No person shall operate an ambulance in a manner not conforming to the provisions of the State of Illinois motor vehicle laws, rule and regulations, and applicable city ordinances regarding the driving or operating of vehicles upon the public rights-of-way, except as otherwise provided in subsection (b) of this section.
- (b) Notwithstanding subsection (a) of this section, an ambulance driver may operate on a city public right-of-way in excess of the allowable speed limit when:
- (1) Responding to a bona fide emergency call that is believed to involve a serious risk to human life, health, or safety, or an imminent such risk; or

- (2) Directed to do so by a duly licensed physician when transporting a critically injured or ill patient to a hospital emergency facility or other emergency medical service provider; and
 - (3) The ambulance's audible and visual signals are operating.
- (c) An ambulance driver must operate an ambulance in such a manner so as to slow down the speed of or stop the ambulance in order to avoid an accident in the following circumstances:
- (1) When approaching an intersection of any type whether or not there is a traffic control sign or device in the direction of travel by the ambulance;
 - (2) When crossing into an oncoming lane of traffic;
 - (3) When directed by a law enforcement officer;
 - (4) In response to all stop signs or other traffic control signs or devices;
 - (5) At or on negative right-of-way intersections;
 - (6) At any blind intersection where lateral visibility in either direction is hampered or impaired;
 - (7) When the ambulance driver cannot visually account for all lanes of traffic in an intersection; or
 - (8) When other hazards, road conditions, construction work, and/or other activity is present.
- (d) An ambulance driver, without exception, must adhere to all State of Illinois laws concerning the operation of vehicles in duly designated school zones and/or when a school bus is present and stopped with some visible warning (stop arm extended, flashing red lights) present which indicates that the school bus is loading or unloading children. Under all circumstances, an ambulance driver must operate their ambulance with due regard for the safety of all persons.

Sec. 3.5-58. Right to inspect operational locations and ambulances.

The fire chief shall have the right to inspect all operational locations and ambulances proposed to be used or used by a franchised ambulance service that may operate within Urbana at any reasonable time and investigate the emergency response business records of the franchised ambulance service and staff to be used in the ambulance service at reasonable times, provided, however, that the fire chief shall not be allowed to inspect those portions of records that are prohibited from inspection by federal or state law. Should the ambulance service refuse to allow inspection of a portion of a record due to a federal or state law, the fire chief may require that the ambulance service specify the particular law that restricts inspection and shall be allowed to inspect those portions of the records that are not prohibited by law from disclosure.

Sec. 3.5-59 Ability to promulgate local rules and regulations

- (a) The fire chief is hereby granted the authority to promulgate local rules and regulations governing the emergency dispatch and operational standards for franchised ambulance service within Urbana in order to promote public health, safety and welfare.
- (b) Any local rules and regulations promulgated by the fire chief shall not conflict with state law of the provisions of this chapter and shall be considered supplemental to this chapter.
- (c) The fire chief shall provide a copy of any local rule or regulation promulgated pursuant to this section to the city clerk, any franchised ambulance service that may operate within the city, the police chief, and any official dispatching agencies at least seven (7) calendar days prior to such local rule or regulation taking effect.

Secs. 3.5-60—3.5-79. Reserved.

Chapter 3.5 AMBULANCE SERVICES

ARTICLE I. DEFINITIONS

Sec. 3.5-1. Definitions.

As used in this chapter, unless the context otherwise requires, the terms specified in this article shall have the meanings ascribed to them in this article. Generally, terms mention in this chapter but not defined in this article, shall have the meaning ascribed to them in *Emergency Medical Services (EMS) Systems Act (210 ILCS/50)*.

Sec. 3.5-2. Ambulance defined.

Ambulance means any publicly or privately owned vehicle that is specifically designed, constructed, or modified and equipped, and intended to be used for, and is maintained or operated for the emergency transportation of persons who are sick, injured, wounded or otherwise incapacitated or helpless.

Sec. 3.5-3. Ambulance service defined.

Ambulance service means the operation of an enterprise that has as one (1) of its purposes the operation or use on the streets, alleys, or any public way within the City of Urbana or an ambulance that responds to emergency calls for the transportation of persons who are reported to be sick, injured, wounded, otherwise incapacitated or helpless.

Sec. 3.5-4. Emergency defined.

Emergency means a condition or situation in which an individual declares a need for immediate medical attention or when that need is declared by emergency medical personnel or a public safety official.

Sec. 3.5-5. Emergency call defined.

Emergency call means the request by any means for ambulance service to respond to an emergency.

Sec. 3.5-6. Emergency Dispatch call defined.

Emergency dispatch call means the request through the Champaign County 911 system (METCAD) for ambulance service to respond to an emergency.

Sec. 3.5-7. Emergency response business records defined.

Emergency response business records means those records that document the staff on duty for the ambulance service at any time, records that establish the staff's minimum qualifications required by this chapter, documents that record the number of responses to emergency calls, response times to emergency calls, maintenance records of the ambulance, phone logs indicating emergency calls for service; and such other documents, tape recordings, computer records or other media that contain information necessary or convenient for the fire chief (*defined in Section 8 Article III*) to determine if the ambulance service has complied or is complying with the provisions of this chapter and the rules and regulations promulgated pursuant to this section.

Sec. 3.5-8. Mutual aid agreement defined.

Mutual aid agreement means an intergovernmental or interagency agreement providing for shared and common assistance when requested by one (1) of the member agencies. The equipment and personnel provided by a mutual aid request may be predetermined for a particular type of incident or determined at the time of the request in consideration of available resources.

Sec. 3.5-09. Advanced provider defined.

Advanced provider means a person who has successfully completed an Illinois Department of Public Health approved course of instruction in advanced life support—mobile intensive care services and is currently certified by the Illinois Department of Public Health as an Emergency Medical Technician-Paramedic (EMT-P).

Secs. 3.5-10—3.5-29. Reserved.**ARTICLE II. AMBULANCE SERVICE FRANCHISE ADMINISTRATION****Sec. 3.5-30. Ambulance service franchises**

- (a) Any ambulance service responding to emergency dispatch calls in the city shall have a franchise agreement that regulates the obligations and responsibilities of the ambulance service as it relates to emergency dispatch and operational requirements.
- (b) The city may enter into one or more franchise agreements for ambulance services.
- (c) The City Administrator shall, from time to time, solicit a request for qualifications for ambulance services and subsequently enter into an agreement granting a franchise, in a number and manner that best meets the public safety needs of the city and its residents.
- (d) Unless otherwise stated in a franchise agreement, a franchised ambulance service shall comply with the minimal operational requirements set forth in Article III below.

Sec. 3.5-31. Ambulance service franchise required; exceptions.

- (a) Unless a franchise agreement is specifically not required by this section, no person either as owner, agent, or otherwise shall furnish, operate, conduct, maintain, advertise, or otherwise engage in ambulance service in the City of Urbana without an ambulance service franchise agreement required pursuant to this chapter by the city or in violation of the provisions set forth in Chapter 3.5 of the City Code.
- (b) No franchise agreement is required by:
 - (1) An ambulance service that has no maintenance, dispatch or storage facilities in the City of Urbana and which does not respond to an emergency within the city; or
 - (2) In the case of an emergency where the number of franchised ambulances available is determined by the fire chief to be insufficient to render the required emergency ambulance service, the fire chief or his designee may authorize non-franchise vehicles to operate as ambulances in response to the emergency. Any non-franchised vehicle authorized to operate under this provision shall comply with all requirements in Chapter 3.5, unless expressly waived by the fire chief.

- (c) In the event the ambulance service responds to emergencies within the city without a franchise or valid franchise agreement, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "General Provisions," section 1-18 "Minimum fine schedule for certain violations."

Sec. 3.5-32. Failure to preform and revocation of franchise

- (a) In addition to any fine issued pursuant to sections 3.5-31(c), 3.5-53(g), 3.5-54(b), or 3.5-56(a)(6) of this chapter, the fire chief may impose a fine against a franchised ambulance service for any violations of any the provisions of this chapter or any rules or regulations promulgated to implement the provisions of this chapter, in an amount no less than fifty dollars (\$50.00) or more than two thousand dollars (\$2,000.00), per occurrence.
- (b) In the event where a franchised ambulance service's inability to operate in accordance with the operational requirements of this code creates an imminent threat to the health, safety, or well-being of individuals, the fire chief may suspend the operation of such franchised ambulance service until the issues have been rectified. In the event only a single ambulance service franchise agreement has been executed and which service is suspended pursuant to this section, the fire chief may authorize a non-franchised ambulance service to provide services within Urbana for the period of suspension. Any non-franchised vehicle authorized to operate under this provision shall comply with all requirements in Chapter 3.5, unless expressly waived by the fire chief.
- (c) Unless otherwise modified by any additional terms set forth in a franchise agreement, the fire chief, may terminate an ambulance service franchise for either a failure to pay any fines within 120 days or for a failure to correct a suspension mentioned above within 120 days.

Sec. 3.5-33. Limitations of franchise.

- (a) No person, either as owner, agent or otherwise, shall operate or allow another to operate an ambulance to respond to an emergency call for or on behalf of a franchised ambulance service unless its use for such purpose is approved by the fire chief in accordance with the terms of the franchise agreement.
- (b) Any franchise agreement is not assignable to any party, unless explicitly provided for in a franchise agreement.

Secs. 3.5-34—3.5-49. Reserved.

ARTICLE III. AMBULANCE SERVICE OPERATIONAL REQUIREMENTS

Sec. 3.5-50. Ambulance availability, design, and equipment requirements.

- (a) Each franchised ambulance service shall provide coverage for the Urbana Fire Department's entire service area.
- (b) In addition to the coverage referenced above, each franchised ambulance service shall be required, at the direction of the fire chief, to respond with available ambulances to locations outside of the Urbana/Champaign city limits as part of a response to a request from the State of Illinois or another local governmental unit pursuant to any mutual aid agreement the city has with the State of Illinois or the said unit of local government. Said ambulance service shall not be entitled to reimbursement for the costs of its

response to said mutual aid request unless, and only to the extent that the city receives payments or reimbursement for said services.

- (c) Each ambulance used in a franchised ambulance service that may operate within Urbana shall meet the same design and equipment requirements that the ambulance would be required to meet in order to be licensed by the State of Illinois as an ambulance as those requirements are now or may hereafter be amended.
- (d) An ambulance shall be considered available for use by the franchised ambulance service if it is under the sole control of the ambulance service for its sole use and it is operational, stored and dispatched by the ambulance service from within Champaign/Urbana city limits or a location approved by the fire chief.

Sec. 3.5-51. EMT requirements.

- (a) When in use for emergency calls, each ambulance shall have as personnel in the ambulance either (1) emergency medical technician (EMT) and one (1) advanced provider or two (2) advanced providers.
- (b) A registered professional nurse (RN) / mobile intensive care nurse (MICN), registered professional nurse/field RN, or physician may be counted as an EMT-Paramedic (EMT-P) or EMT-Basic (EMT-B) for purposes of meeting this section.
- (c) Additional training requirements for operating within the Urbana city limits include the following:
 - (1) Each ambulance unit operating must be staffed by a minimum of one (1) EMT-P trained in:
 - a. Hazardous material awareness;
 - b. Technical rescue awareness;
 - c. Emergency response to terrorism, basic concepts;
 - d. National Incidents Management Systems (NIMS) compliant with certificates in IS 100, 200 and 700; and
 - e. All supervisory staff must be in compliance with NIMS with certificates in IS 300 and 400.
 - (2) All EMT-P's and EMT-B's shall be trained annually on the Urbana Fire Department's Incident Command System.
 - (3) All EMT-P's and EMT-B's shall have drivers training certification (fire service vehicle operation or emergency operator's course) within twenty-one (21) days of employment, and shall not be permitted to drive an ambulance until such certification has been obtained.
 - (4) Each franchised ambulance service shall provide a copy of documentation to the fire chief or designee showing annual certification of required training. The fire chief shall have the right to inspect the training records to ensure compliance with this section.

Sec. 3.5-52. Provision of ambulance service regardless of ability to pay or location of services.

Any ambulance service providing service within the City shall provide emergency service within the City of Urbana without regard to a person's ability to pay for such service or the location of requested services.

Sec. 3.5-53. Compliance with emergency dispatch procedures.

- (a) Each franchised ambulance service shall comply with all emergency dispatch procedures established by the city's fire department, the city's police department and any dispatching agency for the fire or police department.
- (b) If for any reason a franchised ambulance service is not able to comply with the operational requirements set forth in this article, it shall immediately report that status to the fire department in accordance with the fire chief's emergency dispatch procedures.
- (c) An ambulance service shall not respond to any requests for emergency assistance unless it is in compliance with the operational requirements set forth in this article, unless specifically authorized to respond by the fire chief as provided for in the fire chief's emergency dispatch procedures.
- (d) Personnel affiliated with a franchised ambulance service who wish to respond to an emergency scene in a vehicle other than an ambulance are required to:
 - (1) Identify their response over the metro fire frequency; and
 - (2) Be in compliance with all city, state, or federal laws and regulations in regards to emergency response; and
 - (3) Be in compliance with the current emergency medical dispatch system.
- (e) An ambulance service franchised to operate within the Urbana city limits shall have in place and utilize the current system used for emergency medical dispatch (EMD).
- (f) All 911 calls for medical response shall be disseminated by the dispatching agency for the fire or police department.
- (g) In the event the ambulance service fails to adhere to the emergency dispatch procedures provided in this section 3.5-53, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "general provisions," section 1-18 "minimum fine schedule for certain violations."

Sec. 3.5-54. Monitoring emergency dispatch calls.

- (a) It shall be unlawful for any ambulance service to respond in or through the City of Urbana to a call for an ambulance made by an organized police or fire department or any such department's official dispatching agency unless a specific request is directed to the ambulance service by the organized police or fire department or any such department's official dispatching agency.
- (b) In the event the ambulance service responds to an emergency dispatch call in a manner other than as provided in this section 3.5-54, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "general provisions," section 1-18, "minimum fine schedule for certain violations."

Sec. 3.5-55. Immediate emergency response required.

Each franchised ambulance service shall immediately respond to any emergency call for an ambulance directed to that ambulance service and originated by the police or fire department or any such department's official dispatching agency. If the franchised ambulance service is not able to immediately respond to the emergency or is not able to respond with an appropriate or requested level of service, the franchised ambulance service shall immediately report this situation to the agency and shall follow the directions of that agency regarding the response.

Sec. 3.5-56. Response times.

- (a) *Response times.* Every franchised ambulance service operating within the Urbana city limits shall meet the following response criteria:
- (1) Response time is defined as the time between when a call is received and the time when the ambulance service arrives on the scene of the incident for which the call was made.
 - (2) The advanced life support/mobile intensive care (ALS/MIC) ambulance shall arrive at the scene of all calls categorized as class B, C, D, or E calls, as defined by the emergency medical dispatch system, within eight (8) minutes of the time the call was received by the ambulance service. This time criterion of eight (8) minutes response time for all class B, C, D or E calls must be met on at least ninety (90) percent of all such calls received during any reporting cycle. This applies to all ALS units on code response (lights and sirens).
 - (3) All other non-code responses to calls categorized as class A calls, as defined by the emergency medical dispatch system, shall arrive on scene within twelve (12) minutes of the time the call was received by the ambulance service. This time criterion must be met on at least ninety (90) percent of the calls received during any reporting cycle.
 - (4) Any ambulance service franchised to operate within the Urbana city limits shall provide to the fire chief a written bi-monthly report at the local emergency services advisory committee (LEMSAC) meeting.
 - (5) At the request of the fire chief, an audit of response times provided by an ambulance service shall be conducted in the manner directed by the fire chief.
 - (6) In the event the franchised ambulance service fails to meet the response times required by this section, the city may issue a notice of violation and a fine in the amount provided in chapter 1, "general provisions," section 1-18, "minimum fine schedule for certain violations" for each call that falls outside the required response time criterion outlined in subsections (a)(2) and/or (a)(3) of this section.
- (b) *Exceptions to response time requirements.* In some cases, financial penalties and response time compliance reports may be waived by the fire chief in the exercise of the chief's sole discretion for the following instances:
- (1) Failure by dispatching agency to give accurate location information (including address or cross street) to responding unit;
 - (2) Weather conditions that impair visibility, create unsafe driving conditions, or block a normal route to the scene of the incident to which the ambulance service was dispatched;
 - (3) Wrong or incomplete address provided by the person requesting ambulance service assistance; or
 - (4) Unavoidable delays caused by conditions or circumstances out of the control of the responding ambulance service, including but not limited to road construction or train blocking railroad crossing.

Sec. 3.5-57. Obedience to traffic laws; exception—adherence to traffic laws.

- (a) No person shall operate an ambulance in a manner not conforming to the provisions of the State of Illinois motor vehicle laws, rule and regulations, and applicable city ordinances regarding the driving or operating of vehicles upon the public rights-of-way, except as otherwise provided in subsection (b) of this section.
- (b) Notwithstanding subsection (a) of this section, an ambulance driver may operate on a city public right-of-way in excess of the allowable speed limit when:
- (1) Responding to a bona fide emergency call that is believed to involve a serious risk to human life, health, or safety, or an imminent such risk; or

- (2) Directed to do so by a duly licensed physician when transporting a critically injured or ill patient to a hospital emergency facility or other emergency medical service provider; and
 - (3) The ambulance's audible and visual signals are operating.
- (c) An ambulance driver must operate an ambulance in such a manner so as to slow down the speed of or stop the ambulance in order to avoid an accident in the following circumstances:
- (1) When approaching an intersection of any type whether or not there is a traffic control sign or device in the direction of travel by the ambulance;
 - (2) When crossing into an oncoming lane of traffic;
 - (3) When directed by a law enforcement officer;
 - (4) In response to all stop signs or other traffic control signs or devices;
 - (5) At or on negative right-of-way intersections;
 - (6) At any blind intersection where lateral visibility in either direction is hampered or impaired;
 - (7) When the ambulance driver cannot visually account for all lanes of traffic in an intersection; or
 - (8) When other hazards, road conditions, construction work, and/or other activity is present.
- (d) An ambulance driver, without exception, must adhere to all State of Illinois laws concerning the operation of vehicles in duly designated school zones and/or when a school bus is present and stopped with some visible warning (stop arm extended, flashing red lights) present which indicates that the school bus is loading or unloading children. Under all circumstances, an ambulance driver must operate their ambulance with due regard for the safety of all persons.

Sec. 3.5-58. Right to inspect operational locations and ambulances.

The fire chief shall have the right to inspect all operational locations and ambulances proposed to be used or used by a franchised ambulance service that may operate within Urbana at any reasonable time and investigate the emergency response business records of the franchised ambulance service and staff to be used in the ambulance service at reasonable times, provided, however, that the fire chief shall not be allowed to inspect those portions of records that are prohibited from inspection by federal or state law. Should the ambulance service refuse to allow inspection of a portion of a record due to a federal or state law, the fire chief may require that the ambulance service specify the particular law that restricts inspection and shall be allowed to inspect those portions of the records that are not prohibited by law from disclosure.

Sec. 3.5-59 Ability to promulgate local rules and regulations

- (a) The fire chief is hereby granted the authority to promulgate local rules and regulations governing the emergency dispatch and operational standards for franchised ambulance service within Urbana in order to promote public health, safety and welfare.
- (b) Any local rules and regulations promulgated by the fire chief shall not conflict with state law of the provisions of this chapter and shall be considered supplemental to this chapter.
- (c) The fire chief shall provide a copy of any local rule or regulation promulgated pursuant to this section to the city clerk, any franchised ambulance service that may operate within the city, the police chief, and any official dispatching agencies at least seven (7) calendar days prior to such local rule or regulation taking effect.

AMBULANCE SERVICE FRANCHISE AGREEMENT

THIS AMBULANCE SERVICE FRANCHISE AGREEMENT (the “Agreement”) is entered into this ____ day of March, 2024 (“Effective Date”) by and between the City of Urbana, Champaign County, Illinois, a municipal corporation (“Urbana”), and ARROW AMBULANCE, LLC, a subsidiary of Carle Health Care, Incorporated, an Illinois not-for-profit corporation (“Arrow”).

P R E A M B L E

WHEREAS, Arrow is engaged in the business of providing ambulance service and is necessarily equipped, staffed, licensed, and qualified to provide said service within the limits of Urbana’s service area, as defined below; and

WHEREAS, Urbana is a municipal corporation that has the authority to enter into a franchise agreement for the operation of ambulance services within the corporate limits of Urbana; and

WHEREAS, in an effort to improve the services, response times, and healthcare outcomes of its constituency, Urbana desires to enter into a franchise agreement with Arrow to be the primary provider of ambulance services and respond to emergency and non-emergency medical calls within the service area defined below; and

WHEREAS, Arrow agrees to provide such services pursuant to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the above-mentioned recitals, which are incorporated herein by this reference, and other valuable consideration, the adequacy and receipt of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1 OBLIGATIONS OF ARROW

- 1.1 Arrow agrees to furnish two (2) dedicated ambulances, stationed as provided in this agreement, staffed by two (2) paramedics, and two (2) emergency medical technicians (“EMTs”) (collectively, “Personnel”) on a twenty-four (24) hours/seven (7) days per week basis within the service area of the Urbana Fire Department, which includes Urbana’s corporate limits, those areas of the University of Illinois Urbana-Champaign (“UIUC”) campus and South Farm within Urbana’s corporate limits, and any other individually contracted properties as mutually agreed upon (“Service Area”). Arrow agrees to respond promptly to all ambulance calls within the limits of the Service Area. Arrow agrees that said ambulances and Personnel shall promptly respond to all dispatches within the Service Area and in mutual aid or other response as required by statute. Arrow agrees that they will receive their primary dispatches at the direction of the Champaign County 911 system (METCAD). Arrow agrees that Arrow Emergency Communications Center may also be utilized secondary to METCAD.
- 1.2 Due to certain Arrow Personnel being assigned to ambulances that will work collaboratively with and around Urbana staff and Urbana property, Arrow agrees that the Personnel proposed to be assigned to those dedicated ambulances shall be screened by a review process by the Fire Chief. At the conclusion of the review process, Arrow agrees not to assign specific Personnel upon request of the Fire Chief.
- 1.3 Arrow agrees that the minimum qualifications for consideration for the Personnel assigned to staff the two dedicated ambulances will be as follows:
 - 1.3.1 - Paramedic: Licensed for a minimum of two years.

- 1.3.2 - EMT: Licensed for a minimum of one year.
- 1.3.3 - Additional Required Training: Hazardous Materials Awareness, Technical Rescue Awareness, Emergency Response to Terrorism Basic Concepts, Traffic Incident Management, and National Incident Management System (NIMS) IS 100, IS 200, and IS 700, or equivalence thereof.
- 1.4 Due to certain Arrow personnel being assigned to ambulances that will work collaboratively with and around Urbana staff and Urbana property, Arrow agrees that the Personnel assigned to the dedicated ambulances according to this Agreement shall comply with operational standards as reasonably determined by the City and the City's workplace codes of conduct. In any event where operational and code of conduct standards vary between Arrow and the City, the Director of Arrow and the Fire Chief shall mutually agree to an acceptable procedure or practice.
- 1.5 Due to certain Arrow personnel being assigned to ambulances, that will work collaboratively with and around Urbana staff and Urbana property Arrow agrees that upon request and after discussion with the Fire Chief, any Personnel assigned to such dedicated ambulances shall be replaced after a replacement is identified or immediately be removed from staffing such Ambulances if an identified significant behavior violation exists.
- 1.6 Should Arrow and Urbana mutually agree to station an ambulance at a Fire Station, or any other Urbana facility, Arrow and Urbana shall enter into a separate Agreement that outlines any additional expectations and responsibilities of the parties. Said Agreement shall be executed by the signatories contained herein.
- 1.7 Arrow agrees that the operations of the ambulance service shall meet current Urbana ambulance franchising guidelines and ordinances, as amended from time to time.
- 1.8 Arrow agrees that the dedicated ambulances and related Personnel will be located within the Service Area at an agreed to location(s). Arrow will provide, when available, backfill with at least one Advanced Life Support ("ALS") unit at a location within the Service Area during such time that another emergency call occurs before the dedicated ambulances are able to return to service.
- 1.9 Arrow agrees that the Personnel assigned according to this agreement may be required to complete basic reports within the Urbana Fire Records Management System for calls within the Service Area that do not warrant a Fire Department response. These reports shall include, but not be limited to, the basic National Fire Incident Reporting System (NFIRS), or its successor.
- 1.10 Arrow agrees that all ambulance emergency operations conducted in Urbana, under the Agreement, will be conducted by ALS qualified paramedics and equipment, as defined in 210 ILCS 50/3.10(a).
- 1.11 Arrow agrees to respond to emergency situations at the request of the Incident Commander of the Urbana Fire Department, such as Hazmat or special situations.
- 1.12 Arrow agrees to maintain radio monitoring, transmitting capabilities, and if desired, to share Automated Vehicle Location (AVL) with the Champaign County 911 Dispatch Center and Urbana Fire Department at all times and to take primary direction and dispatch from the same.
- 1.13 Arrow agrees to provide reports, such as response times, on-scene time, number of responses, and others agreed to by Arrow and Urbana on emergency calls in the Service Area. The format and detail of the report shall be established at the discretion of Arrow. Under no circumstance shall any protected health information ("PHI") as defined by the Health Insurance Portability and Accountability Act ("HIPAA") be contained in these reports.

- 1.14 Arrow agrees to provide, at no cost to Urbana, all disposable and non-disposable ALS and Basic Life Support (“BLS”) supplies and equipment necessary to provide and maintain Advanced-EMT (“A-EMT”) non-transport services for all fire apparatus under this Agreement. The equipment shall include all equipment in use by the Urbana Fire Department at the time of this Agreement, which may include but not be limited to medications, oxygen equipment, c-collars, 4x4s, trauma supplies, backboards, cervical immobilization devices, splints, and suction devices.
- 1.15 Arrow agrees to provide, directly through Carle Regional EMS (CREMS), at no cost to Urbana, initial EMT-Basic, and A-EMT training, and provide ongoing continuing education and training to maintain licensure.

ARTICLE 2 OBLIGATIONS OF URBANA

- 2.1 Urbana grants Arrow a franchise to operate ambulance services within Urbana’s Service Area.
- 2.2 Urbana agrees that it will not enter into any additional franchise agreements with an ambulance service provider within the Service Area for the duration of this Agreement. Nothing in this contract shall be construed as a limitation on private requests for ambulance service providers that are not responding to an emergency call in the Service Area.
- 2.3 Urbana acknowledges and understands that the ambulances stationed in Urbana may be sent for use in major Emergency Medical Services events or events that would overtax the normally available resources in other parts of Champaign County.

ARTICLE 3 FINANCIAL OBLIGATIONS

- 3.1 There shall be no cost to Urbana for the provision of ambulance services by Arrow in the Service Area. Arrow shall have the sole and exclusive right, authority, and duty to bill and collect reasonable fees from patients for all services rendered by Arrow and shall be entitled to keep and retain all such fees. Charges to the patient for services provided by Arrow will be determined by Arrow.
- 3.2 For the first year of the initial term of this Agreement, Arrow agrees to pay an annual franchise fee of \$82,500 to Urbana. The annual franchise fee shall be increased by 3% a year for each successive year of the initial term of this Agreement and each year of any renewal period. Payment for the annual franchise fee is due within thirty (30) days of the beginning of each contract year.
- 3.3 The amounts to be paid hereunder represent the fair market value as established by arm’s-length negotiations by the parties and have not been determined in any manner that takes into account the volume or value of any potential referrals between the parties. No amount paid hereunder is intended to be, nor will it be construed to be, an inducement or payment for the referral of patients by any party to any other party or their respective affiliates. In addition, the amounts charged hereunder do not include any discount, rebate, kickback, or other reduction in charges, and the amount charged is not intended to be, nor will it be construed to be, an inducement or payment for referral of patients by any party to any other party or their respective affiliates.

ARTICLE 4 TERM

- 4.1 The term of this Agreement shall commence on the Date Services Begins (as defined in Section 4.4) and shall continue for a period of ten (10) years (“Initial Term”). Thereafter, this Agreement shall automatically renew for periods of ten (10) years (each a “Renewal Term”) unless either party provides notice of its intent to not renew the Agreement as follows: a verbal notice of intent to terminate provided

three hundred and sixty-five (365) days in advance followed with a written notice to be delivered no later than one hundred and eighty (180) days prior to the end of the Initial Term and/or then-current Renewal Term. For avoidance of doubt, in the event that a verbal notice is provided but is not followed by a written notice, then this Agreement shall continue in effect as set forth above. Initial Term and each Renewal Term shall be referred to herein as the “Term”.

- 4.2 This Agreement may be terminated as follows:
- 4.2.1 In the event Urbana and Arrow mutually agree in writing, this Agreement may be terminated on terms and dates stipulated therein.
- 4.2.2 Either party may terminate for cause if the other party commits a material failure or delay to timely perform any term or provision of this Agreement. Such a failure or delay shall constitute an “event of default” of this Agreement. The party who commits an event of default must, upon receipt of written notice of the existence of such event of default, immediately commence to cure, correct, remedy, or deny such event of default. If a such event of default is cured within thirty (30) days, the event of default shall not be deemed as “default” under this Agreement. If a default is not cured within thirty (30) days the event of default shall be deemed a default under this Agreement and the non-defaulting party shall have the right to terminate this Agreement immediately upon notice. Except as herein provided, the parties shall have all remedies available under applicable law.
- 4.3 Upon termination of this Agreement, no party shall have any further obligations hereunder as to the other party, except obligations accruing prior to the date of termination. Nothing in this clause shall preclude seeking damages from the breaching party.
- 4.4 Date Service Begins is defined as the date that Arrow starts providing the services outlined in this Agreement and shall in no event be more than six (6) months from the Effective Date.

ARTICLE 5 INSURANCE AND INDEMNIFICATION

- 5.1 Insurance. Arrow shall maintain, for the term of this Agreement and any renewal period, at its sole cost and expense, the following:
- 5.1.1 General liability coverage in an amount not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate for all services rendered pursuant to this Agreement.
- 5.1.2 Professional liability and abuse and molestation coverage, in an amount not less than one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) aggregate for all services rendered pursuant to this Agreement.
- 5.1.3 Auto Liability coverage including owned, non-owned, and hired autos and un/underinsured motorist, with limits not less than one million dollars (\$1,000,000).
- 5.1.4 Workers’ Compensation and Employer’s Liability coverage (limits of \$1,000,000/\$1,000,000/\$1,000,000) and include a waiver of subrogation in favor of Urbana.
- 5.1.5 Employment Practices Liability coverage with limits not less than one million dollars (\$1,000,000).

- 5.1.6 Excess or Umbrella Liability coverage with an amount not less than two million dollars (\$2,000,000) that follows all underlying forms.
- 5.1.7 City of Urbana is required to be named as additional insured on a primary/non-contributory basis with a waiver of subrogation regarding the coverages required herein.
- 5.1.8 Arrow shall provide a Certificate of Insurance evidencing such insurance coverage to Urbana within thirty (30) days of execution of this Agreement. Policies are required to be with insurance companies qualified to do business in the State of Illinois and rated A-VIII or better in the current A. M. Best rating guide.
- 5.2 Indemnification. Arrow agrees to defend, indemnify, and hold Urbana harmless from any and all claims made against Urbana relating to or arising from the acts or omissions of the employees or agents of Arrow rendered pursuant to this Agreement, including all court costs, expenses, judgments, and reasonable attorney's fees incurred as a result thereof. Notwithstanding anything to the contrary in this section, Arrow shall not be liable to Urbana for consequential, exemplary, or punitive damages. The indemnification provisions of this section are in addition to, and not in lieu of, any common law rights of contribution existing under the laws of the State of Illinois, which Urbana may have against Arrow or its agents or employees.

ARTICLE 6 GENERAL PROVISIONS

- 6.1 Independent Contractor. It is understood and agreed that each party and its respective directors, officers, employees, agents, representatives, successors, assigns, and subcontractors (collectively referred to as a party's "Representatives") are acting as independent contractors in all respects. Neither party nor its Representatives are employing the other. Neither party nor its Representatives shall at any time be considered employees or servants of the other, nor shall the relationship be one to which the doctrine of "respondent superior" applies. Accordingly, it is understood and agreed that neither party nor its Representatives shall have any claim against the other party for vacation, sick leave, retirement, social security, worker's compensation, disability or unemployment benefits, or other employee-type benefits of any kind.
- 6.2 Amendments. This Agreement may be amended only by an instrument in writing signed by the parties hereto.
- 6.3 Assignment. No party may assign this Agreement, nor any portion of it, without the prior written consent of the other party.
- 6.4 Conflict of Interest. Urbana hereby warrants that there is no conflict of interest between its other contracts and other activities to be performed by Arrow.
- 6.5 Corporate Compliance. Arrow adheres to a corporate compliance program, the purpose of which is to ensure that all federal, state, and local laws and regulations are followed. It includes a commitment to uphold a high standard of ethical and legal business practices and to prevent misconduct. Urbana acknowledges Arrow's commitment to corporate compliance, and the parties agree to conduct its services in accordance with applicable legal authority.
- 6.6 Warranty of Non-Exclusion. Arrow represents and warrants to Urbana that neither it nor any of its officers, directors, employees, nor agents (referenced collectively as "it" in this paragraph) (i) is currently excluded, debarred, or otherwise ineligible to participate in any federal programs, including but not limited to federal healthcare programs as defined in 42 USC §1320a-7b(f) (the "federal health care programs"); (ii) is convicted of a criminal offense related to the provision of health care items or services; (iii) has been excluded, debarred or otherwise declared ineligible to

participate in any federal program; and (iv) is under investigation or otherwise aware of any circumstances that may result in being excluded from participation in any federal program. This shall be an ongoing representation and warranty during the term of the Agreement. Arrow shall immediately notify Urbana of any change in the status of the representation and warranty set forth in this section. Any breach of this section shall give Urbana the right to terminate the Agreement immediately for cause.

6.7 Entire Agreement. This Agreement supersedes all previous contracts, agreements, or understandings between the parties with respect to the same subject matter and constitutes the entire agreement between the parties hereto, and Arrow and Urbana shall not be entitled to benefits other than those herein specifically enumerated.

6.8 Notices. All notices, demands, requests, consents, approvals, or other instruments required or permitted by this Agreement shall be made in writing by an officer, attorney, or authorized agent of the party and shall be addressed to the other party as follows:

If to Urbana:

Demond Dade

6.9 Execution. This Agreement and any amendments thereto shall be executed in two copies on behalf of Arrow, and Urbana, by an official, or officials, of each, specifically authorized to perform such executions. Each copy shall be deemed an original, but both originals together constitute one and the same instrument.

6.10 Governing Law. This Agreement shall be construed and governed by the laws of the State of Illinois. The venue of any dispute between the parties shall be Champaign County, Illinois.

6.11 Interpretation. The paragraph headings used herein are for convenience purposes only and do not constitute matters to be construed in interpreting this Agreement. The parties hereto acknowledge and agree that: (i) each Party has reviewed the terms and provisions of this Agreement; (ii) the rules of construction to the effect that any ambiguities are resolved against the drafting party shall not be employed in the interpretation of this Agreement; and (iii) the terms and provisions of this Agreement shall be construed fairly as to both parties hereto and not in favor of or against either party, regardless of which party was generally responsible for the preparation of this Agreement.

6.12 Marketing. Urbana shall not use any Carle or Arrow trademarks or its name in any promotional or advertising material unless review and approval of the intended use shall first be obtained from Arrow. Arrow, likewise, shall not use the trademarks or the names of Urbana as being part of their operation other than simply to state that they provide services to Urbana. Arrow agrees to work with

Urbana for the design and branding of the ambulances and uniforms for Personnel assigned according to this Agreement.

- 6.13 Statement of Non-Discrimination. Both parties are committed to providing services to the citizen of Urbana in a manner that is free of discrimination and harassment.
- 6.14 Severability. If any term, covenant, or condition contained in this Agreement is deemed to be invalid, illegal, or unenforceable, then the rights and obligations of the parties hereto shall be construed and enforced with that term, covenant, or condition limited so as to make it valid, legal or enforceable to the greatest extent allowed by law, or, if it is totally invalid, illegal or unenforceable, then as if this Agreement did not contain that particular term, covenant, or condition. In such event, the remaining provisions of the Agreement shall be valid and enforceable to the extent permitted by law.
- 6.15 Successors and Assigns. This Agreement shall extend to and be binding upon the heirs, personal representatives, successors, and assigns of the parties. This provision, however, shall not be construed to permit the assignment of this Agreement by any party except as may be permitted hereby.
- 6.16 Survival of Covenants. The terms, covenants, conditions, representations, and warranties contained in this Agreement shall survive the execution and delivery of this Agreement.
- 6.17 Third Party Rights. Except as otherwise expressly stated herein, the parties agree that they do not intend to create any enforceable rights in any third parties under this Agreement and that there are no third-party beneficiaries to this Agreement.
- 6.18 Waiver of Breach. The waiver by either party of a breach or violation of any provision of this Agreement shall not operate as, or be construed to be, a waiver of any subsequent breach of the same or other provisions hereof.
- 6.19 Compliance with Laws. All parties agree to comply with all laws, statutes, regulations, certification requirements, or enactments of any governmental authority that are applicable to this Agreement. Under no circumstances shall this Agreement be deemed an inducement for referrals or business whatsoever, the sole purpose being to contract for commercially reasonable and necessary services. In the event of a change in the Medicare or Medicaid statutes, regulations, general instructions and their application or any administrative or judicial ruling that would render this Agreement illegal in any manner, either party may, upon written notice, propose an amendment to the Agreement to bring it into compliance. If the parties are unable, within thirty (30) days thereafter, to agree on such amendment or otherwise restructure the relationship to come into compliance in a manner that does not have a material negative impact on one of the parties, then the parties may terminate this Agreement upon thirty (30) days' further written notice.
- 6.20 HIPAA Compliance. Each party agrees that it will comply in all material respects with all federal and state-mandated regulations, rules, or orders applicable to privacy, security, and electronic transactions, including, without limitation, regulations promulgated under Title II Subtitle F of the Health Insurance Portability and Accountability Act (Public Law 104-191) ("HIPAA"). Furthermore, the parties shall promptly amend this Agreement to conform with any new or revised legislation, rules, and regulations to which either party is subject now or in the future, including, without limitation, the Standards for Privacy of Individually Identifiable Health Information or similar legislation (collectively, "Laws") in order to ensure that both parties are at all times in conformance with all Laws. If, within thirty (30) days of either party first providing notice to the other of the need to amend the Agreement to comply with Laws, the parties, acting in good faith, are (i) unable to mutually agree upon and make amendments or alterations to this Agreement to

meet the requirements in question, or alternatively, (ii) the parties determine in good faith that amendments or alterations to the requirements are not feasible, then the parties may terminate this Agreement upon thirty (30) days' prior written notice.

6.21 Force Majeure. Neither party shall be liable to the other for failure to perform its respective obligations under this Agreement if and to the extent that such failure results from causes beyond the non-performing party's reasonable control, including without limitation such causes as strikes, lockouts, riots, fires, floods or other weather conditions, natural disasters, acts of God, acts of public enemy, or any regulations, orders or requirements of any duly authorized governmental body or agency and occurs despite the non-performing party's best efforts to avert such failure.

IN WITNESS WHEREOF, the duly authorized officers and representatives of Arrow and Urbana have executed this Agreement below.

ATTACHMENT A
INITIAL IMPLEMENTATION AND RESIDENCY AGREEMENT

WHEREAS, Section 1.8 of the Ambulance Services Franchise Agreement between Arrow and Urbana states: “Arrow agrees that the dedicated ambulances and related Personnel will be located within the Service Area at an agreed to location(s). Arrow will provide, when available, backfill with at least one Advanced Life Support (“ALS”) unit at a location within the Service Area during such time that another emergency call occurs before the dedicated ambulances are able to return to service; and

WHEREAS, Arrow and Urbana have contemplated entering into an agreement for the use of a Fire Station for use by Arrow; and

WHEREAS, Urbana is unable to provide the required amount of space until certain station construction and facility improvement projects are completed; and

WHEREAS, Arrow and Urbana wish to continue to explore the feasibility of entering into an agreement for the use of a Fire Station by Arrow.

NOW, THEREFORE, in consideration of the conditions contained herein, the above-mentioned recitals, which are incorporated herein by this reference, and other valuable consideration, the adequacy and receipt of which are hereby acknowledged, the parties agree as follows:

1. From the Date Services begin until the date Urbana Fire Stations 2 and 3 construction is completed, Urbana grants Arrow a temporary waiver of the requirement in Section 1.8 that requires the location of the dedicated ambulances to be within the Service Area, provided that all other provisions of the Agreement and standards set by City ordinance are met.
 - 1.1 Station construction completion shall be evidenced by a certificate of occupancy being issued for both stations.
 - 1.2 Pursuant to Section 1.3 of the Agreement, Arrow shall report no less than bi-weekly for response times metrics, as set forth *in Section 3.5-5.6 Response Times* in City Ordinance.
2. Should Arrow be unable to meet the requirements of this agreement or City Ordinance, with special attention to response times mentioned above, it shall have 90 days to comply with Section 1.8 of the Agreement.

IN WITNESS WHEREOF, the duly authorized officers and representatives of Arrow and Urbana have executed this Agreement below.

MEMORANDUM TO THE MAYOR AND CITY COUNCIL

Meeting: April 1, 2024 Committee of the Whole
Subject: An Ordinance Amending Schedule H of Section 23-93 of the Urbana Local Traffic Code Requiring Stop Signs at a Certain Intersection (Trails Drive at Myra Ridge Drive)

Summary

Action Requested

City Council is being asked to pass the attached ordinance that would require both directions of traffic on Trails Drive to stop before entering the intersection at Trails Drive and Myra Ridge Drive, converting the intersection to an all-way stop.

Commission Recommendation

During its January 9, 2024 meeting, the Traffic Commission unanimously voted to recommend the stops signs on Trails Drive, converting the intersection at Trails Drive and Myra Ridge from a two-way stop to an all-way stop as proposed in the attached ordinance. The unapproved minutes from this meeting are attached, along with a location map for illustration.

Relationship to City Services and Priorities

Impact on Core Services

Traffic control at the intersection of streets is a core service provided by the City, as stated in Section 23-21 of City Code: “It shall be the general duty of the city traffic engineer to determine the installation and proper timing and maintenance of traffic-control devices, ... to plan the operation of traffic on the streets and highways of this city.”

Strategic Goals & Plans N/A

Previous Council Actions N/A

Discussion

Additional Background Information

Public Works has received concerns that motorists stopped at this intersection do not have adequate visibility of eastbound traffic on Trails Drive. These concerns were reviewed by the Engineering Division and it was found that, due to the significant curvature of Trails Drive and visual obstructions like parked cars and houses, the intersection sight distance for motorists stopped at this intersection falls short of the distance recommended by the Illinois Department of Transportation.

Stop signs for each direction of Trails Drive at Myra Ridge Drive were installed in January as a temporary regulation, according to Section 23-22 of City Code.

Recommendation

City Council is asked to pass the attached ordinance that would require traffic on Trails Drive to stop before entering the intersection at Trails Drive and Myra Ridge Drive.

Next Steps

If the attached ordinance is passed, staff will update Schedule H of Section 23-93 accordingly.

ORDINANCE NO. 2024-04-_____

**AN ORDINANCE AMENDING SCHEDULE H OF SECTION 23-93
OF THE URBANA LOCAL TRAFFIC CODE
REQUIRING STOP SIGNS AT A CERTAIN INTERSECTION
(TRAILS DRIVE AT MYRA RIDGE DRIVE)**

WHEREAS, the City of Urbana (“Urbana”) is an Illinois home rule unit of local government pursuant to Section 6 of Article VII of the Illinois Constitution of 1970 and the statutes of the State of Illinois; and

WHEREAS, the City of Urbana has adopted a local traffic code, which is set forth in its ordinances as Section 23.1 et seq.; and

WHEREAS, the City of Urbana, pursuant to the aforesaid traffic code, has the authority to install and maintain traffic-control devices on its streets.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Urbana, Illinois, as follows:

Section 1. Schedule H of Section 23-93, entitled "Stop Signs Pursuant to Section 23-93" of Article VIII of the Urbana Local Traffic Code, shall be and is hereby amended by ADDING to that schedule the following intersections where drivers of vehicles shall be required to stop before entering the intersections:

<u>Name of Street</u>	<u>Direction</u>	<u>Intersecting Street</u>
Trails Drive	Eastbound	Myra Ridge Drive
Trails Drive	Westbound	Myra Ridge Drive

Section 2. All ordinances, resolutions, motions, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

Section 3. This Ordinance shall not be construed to affect any suit or proceeding pending in any court, or any rights acquired, or a liability incurred, or any cause or causes of action acquired or existing prior to the effective date of this Ordinance; nor shall any right or remedy of any character be lost, impaired, or affected by this Ordinance.

Section 4. The City Clerk is directed to publish this Ordinance in pamphlet form by authority of the corporate authorities, and this Ordinance shall be in full force and effect from and after its passage and publication in accordance with Section 1-2-4 of the Illinois Municipal Code.

This Ordinance is hereby passed by the affirmative vote, the “ayes” and “nays” being called, of a majority of the members of the Council of the City of Urbana, Illinois, at a meeting of said Council.

MEMORANDUM TO THE MAYOR AND CITY COUNCIL

Meeting: April 1, 2024 Committee of the Whole
Subject: A Supplemental Resolution for Improvement under the Illinois Highway Code (State Motor Fuel Tax for Philo Road Resurfacing)

Summary

Action Requested

City Council is being asked to pass the attached supplemental resolution to appropriate \$370,000 of additional State Motor Fuel Tax (State MFT) funds for the Philo Road Resurfacing project.

Brief Background

The City utilizes State MFT funds for a project by first passing a resolution through Council to appropriate an amount. The Illinois Department of Transportation (IDOT), which oversees the State MFT program, verifies that the City will have an adequate balance in its State MFT fund throughout the life of the project before approving the appropriation. Adequate State MFT funds must be appropriated before the City can enter engineering agreements or construction contracts that are paid with State MFT.

Relationship to City Services and Priorities

Impact on Core Services N/A

Strategic Goals & Plans N/A

Previous Council Actions

The original project budget in the FY22 Capital Improvement Plan (CIP) was \$1,600,000. The original State MFT resolution for \$1,600,000 for this project was passed on December 13, 2021 as Resolution No. 2021-12-048R. In the FY24 CIP, the project budget was increased to \$3,600,000. The project page in the FY24 CIP is included as an attachment, for your reference.

Discussion

Additional Background Information

As described in the FY24 CIP, this project initially included resurfacing segments of Philo Road, Colorado Avenue, and Anderson Street. Through design, resurfacing was not recommended as a feasible treatment for Anderson Street, so it was removed from the project. Philo Road and Colorado Avenue were designed as one project, but each street segment will be constructed separately due to fund balance constraints. Philo Road is scheduled for construction in 2024 (with a

target bid opening date of April 12, 2024), and Colorado Avenue is scheduled for construction in 2025.

Fiscal and Budget Impact

The design engineering budget for this project is \$334,095, and the construction budget for Philo Road is \$1,600,000. This leads to a total of \$1,934,095 of State MFT funds required for design engineering services and Philo Road construction. Since the original State MFT resolution only appropriated \$1,600,000, at least \$334,095 of additional appropriations are required before proceeding with Philo Road construction. To provide a 10% contingency, staff recommends appropriating an additional \$370,000 with a supplemental State MFT resolution.

Recommendation

City Council is asked to pass the attached supplemental resolution to appropriate \$370,000 of additional State MFT funds for the Philo Road Resurfacing project.

Next Steps

If the attached resolution is passed, staff will submit the resolution to IDOT and proceed with the bid opening for the Philo Road Resurfacing project. A subsequent supplemental State MFT resolution will be required prior to bidding Colorado Avenue construction, after the construction budget is verified by final design and construction documents.

RESOLUTION NO. _____

A RESOLUTION APPROVING AN INCREASE IN THE NUMBER OF LIQUOR LICENSES IN THE CLASS A DESIGNATION FOR YELLOW RABBIT LLC D/B/A YELLOW RABBIT, 136 WEST MAIN STREET, URBANA, ILL.

WHEREAS, the City Council has adopted Urbana City Code Section 3-42 to establish limits on the number of liquor licenses issued in the City; and

WHEREAS, Section 3-42(c) of the Urbana City Code provides that a majority of the corporate authorities then elected to office have to approve the creation of a new license; and

WHEREAS, an application for a liquor license in the Class A designation has been submitted to the Local Liquor Commissioner; and

WHEREAS, the City Council finds that the best interests of the City are served by increasing the number of liquor licenses in the Class A designation by one for Yellow Rabbit LLC d/b/a Yellow Rabbit, 136 West Main Street, Urbana, Ill.

NOW, THEREFORE, BE IT RESOLVED by the City Council, of the City of Urbana, Illinois, as follows:

The maximum number of liquor licenses in the Class A designation is hereby increased by one for Yellow Rabbit LLC d/b/a Yellow Rabbit, 136 West Main Street, Urbana, Ill. The schedule of maximum number of authorized licenses for the respective classification maintained by the Local Commissioner shall reflect such increase.

MEMORANDUM FROM THE OFFICE OF THE MAYOR TO THE URBANA CITY COUNCIL

Meeting: April 1, 2024, Committee of the Whole Meeting
Subject: Increasing the Number of Class A Liquor Licenses for Yellow Rabbit LLC d/b/a Yellow Rabbit, 136 West Main Street, Urbana, Ill.

Summary

Action Requested

City Council is asked to approve the attached resolution that would increase the number of Class A liquor licenses in the City of Urbana.

Brief Background

Yellow Rabbit LLC, doing business as Yellow Rabbit, has applied for a Class A (Retailer's On-premises Consumption) liquor license for their establishment at 136 West Main Street in Urbana.

Relationship to City Services and Priorities

Impact on Core Services N/A

Strategic Goals & Plans N/A

Previous Council Actions

In all instances, City staff first reviews the liquor license application. If it receives the Mayor's endorsement, it is then forwarded to the City Council for their final approval to grant the license.

Discussion

Additional Background Information

A Class A license permits the sale and service of all alcoholic liquor for on-premises consumption only, either by the drink or in original package form, on the licensee's premises unless otherwise specified. Additionally, the licensee may choose to allow individuals aged 18, 19, and/or 20 in the public areas of the premises with prior written notice to the local commissioner.

Selling, serving, or letting others sell, serve, or offer alcoholic beverages in the city is not allowed without the required license or if it doesn't comply with the specific license class and its conditions.

Anyone responsible for a liquor-licensed premises must quickly report any disturbances, violence, or issues on the property to the police. License holders must also keep their premises, surrounding areas, and nearby spaces clean and free of litter. The Liquor Commissioner can issue a notice to address litter, and if it's not fixed within 24 hours, the license could be revoked, or other legal action may be taken.

Recommendation

City Council is asked to approve the Class A liquor license for Yellow Rabbit LLC d/b/a Yellow Rabbit, 136 West Main Street, Urbana, Ill.

Next Steps

If the attached ordinance is approved, the Deputy Liquor Commissioner will prepare and issue a Class A liquor license for Yellow Rabbit LLC d/b/a Yellow Rabbit, 136 West Main Street, Urbana, Ill. with an expiration date of June 30, 2024.

MEMORANDUM FROM THE OFFICE OF THE MAYOR TO THE URBANA CITY COUNCIL

Meeting: April 1, 2024 Committee of the Whole
Subject: Ward Maps Discussion

Summary

Action Requested

City Council is being asked to review the maps submitted, narrow the list of maps under consideration, and commit to the remainder of the review and selection process.

Brief Background / Statement of the Issue

The official population of the City of Urbana decreased approximately seven percent as a result of Census 2020, from 41,250 people in 2010 to 38,336 in 2020. City Council ward boundaries now must be adjusted to reflect the Census 2020 count and to rebalance the population among the seven City Council wards. This redistricting must be completed before the November 2024 petition filing deadline for the April 2025 municipal election. The goal is to have a new ward map drawn and approved by the Urbana City Council by May 2024.

The City invited the public to submit maps utilizing the [Dave's Redistricting](#) (DRA) web app. City Legal has reviewed the seven maps submitted. City Council may select one of the maps submitted, make alterations to a proposed map, or propose an entirely new map. Note: None of the maps were submitted by City Council members or the Mayor.

Relationship to City Services and Priorities

Impact on Core Services

Establishing a City Council ward map is an essential governmental function and is necessary in order to conduct municipal elections.

Strategic Goals & Plans

N/A

Previous Council Actions

The City Council adopted Resolution 2023-12-095R *A Resolution Adopting Redistricting Guidelines* at the [December 11, 2023 City Council Meeting](#).

Discussion

Policy or Statutory Impacts

The drawing of district maps must comply with all federal, state, and case law. A map created with the adopted guidelines would follow applicable law.

The attached *Review of Submitted Ward Maps* uses the DRA criteria to evaluate the maps against the adopted guidelines. Each map had different strengths and weaknesses relative to population variance, compactness, and minority representation. While no submitted map was immediately rejected on a legal basis, a legal review of Maps 2, 4, and 6 raised potential concerns about meeting the “reasonably compactness” criteria.

Recommendation

City Council is being asked to review the maps submitted, narrow the list of maps under consideration and finalize the remainder of the review process.

Next Steps

- April 1: Presentation of submitted maps, review and discussion of proposed selection process (COW)
- April 8: Ward map review and discussion (Council)
- April 15: Ward map review and selection of up to three finalists (COW)
- April 16-30: Ward map Public Comment Period on finalists
- May 6: Discussion, selection, and vote on final ward map (COW)
- May 13: Approval of ward map (Council)

Ward maps will continue to be a discussion item at future Committee of the Whole and City Council meetings until a consensus is reached.

Map 1 Submitter Narrative Excerpt

The stated objectives for this remapping are daunting, because of potentially conflicting goals. We need the map to meet the official requirements based on the 2020 census. Yet also, in order to be fair and to reduce the likelihood of further mandatory redistricting in 2030, we would like the result to represent 7 equally populated districts according to our best estimate of the actual current population. (adjusted per the upcoming partial special census)

For District 2 in particular this creates problems for anyone hopeful of solving this, since most of the population gained is currently in that district. My approach was to first redraw borders within the most concentrated area of surplus, so that the adjusted population could be more evenly divided between multiple wards.

From this starting point I then made adjustments so that finally:

A) the maximum variation in population according to 2020 census was within the required 10% (reduced from the current 36.7% variation to 8.4%)

B) the maximum variation for the adjusted population (including the estimates for the partial special census) were not only under 10%, but as close to equal as possible without violating condition (A). For my best result as proposed here, this variation is 3.5 %

Any portions which seem non obvious, or more jagged than they might be, are done specifically to allow this solution to work, specifically to distribute the adjusted (uncounted) population into multiple wards, which i believe is the only way to meet both goals simultaneously.

Map 7 Submitter Narrative Excerpt

I wanted to strike a balance between keeping existing districts largely intact, creating more compact districts, and regaining population equality. Each district is largely composed of the same area and population that they were composed of, with the notable exception of the partial enclave in northeast Urbana, containing landmarks such as the post office, ALDI or Walmart, bounded on the east by High Cross Road. Notably, districts 4, 6 and 7 are more compact than they were. The only time precincts are split are for population equality purposes, and to the best of my knowledge, all incumbents (from the provided landmark data in DRA) are in their current ward.

I have been redistricting for 4 years, and am a member of the Princeton Gerrymandering Project's mapping corps, as well as a resident of Urbana.
