3. THE TAX ABATEMENT

- 3.1 Tax Abated: The ad valorem property taxes on the increased taxable value of the Improvements above the Base Year Value shall be abated during the Abatement Period at the rate identified in Section 2.2, Tax Abatement Percentages.
- 3.2 Tax Abatement Percentages: The ad valorem taxes shall be abated only for the increased taxable value of the Improvements over the Base Year Value in an amount equal to the percentages listed below:

| Tax Abatement Year | Percentage of Tax Abated |
|--------------------|--------------------------|
| Year 1 | 100% |
| Year 2 | 80% |
| Year 3 | 80% |
| Year 4 | 80% |
| Year 5 | 80% |
| Year 6 | 50% |
| Year 7 | 50% |
| Year 8 | 50% |

- 3.3 Appraisal: It is understood, and agreed among the parties, that beginning Year 1 of the Abatement Period and continuing each year thereafter, as provided in law, the Premises, Building and any and all other Improvements shall be appraised by the Waller County Appraisal District. The appraisal shall be the market value of the property effective January 1 of each tax year, including the value of any partially completed Improvements.
- 3.4 Appraisal Protest: ADCW and CoreWorks shall have the right, jointly or severally, to protest any appraisals of the Building, Premises, Improvements, or any portion thereof, during the Agreement Term. Nothing in this Agreement shall affect either entity’s right to protest and/or contest any taxes assessed on the Building, Premises, Personal Property Improvements, or any other improvements, and the abatement percentages shall be applied to the amount of taxes finally determined to be due as a result of any such protest and/or contest.

- 3.5 Effect of Appraisal Protest: If ADCW or CoreWorks protests the certified appraised value of the Improvements, and the certified appraised value is reduced as a result of the protest, then the percentage of the abatement granted herein will be adjusted downward by the same percentage rounded to the nearest whole number. For example, if a protest results in the reduction of the property's certified appraised value by 6.6%, then the percentage of the tax abatement granted under this Agreement for the protest year would be decreased by the same percentage rounded to the nearest whole number. Therefore, the Tax Abatement Percentage would be reduced by 7%. The reduction only applies to the property for which the certified appraised value is reduced.
- 3.6 Taxes Not Abated: This Agreement does not abate the taxes for the underlying land, inventory, or supplies. This Agreement does not abate taxes for tangible personal property, unless such property is specifically identified as an Improvement. **This Agreement does not abate taxes for any tangible personal property located on the real property at any time before the commencement of the Abatement Period.** ADCW and CoreWorks shall be subject to taxation on all real and personal property not abated or otherwise exempted.

4. COMPANY PERFORMANCE OBLIGATIONS

- 4.1 Investment: ADCW shall invest, or cause to be invested, a cumulative amount of at least twenty-five million dollars (\$25,000,000) into the Project in Real Property Improvements by December 31, 2027. - 4.6 Premises Maintenance: Both ADCW and CoreWorks agree to maintain the Building and Premises, and any other constructed improvements in good repair and condition during the Agreement Term, and shall operate them in compliance with applicable health and safety laws and local regulations.

- 4.7 Job Creation: For the duration of this Agreement, CoreWorks shall employ an agreed number of persons as set forth below.
- a. Required Number of Employees: By the end of Year 2 of the Abatement Period, and continuing through December 31 of the final year of the Abatement Period, at least one hundred and four (104) new Employees must be employed at or based from the Premises. The Parties agree and understand that the number of Employees within a certain job class may increase or decrease and that CoreWorks will be in compliance with the Employee requirements so long as one hundred and four (104) new Employees are employed during the Abatement Period, as described herein, regardless of the number of new Employees in each position.
 - b. Waller County Applicants: Where there are qualified applicants, whose principal residence is within Waller County, Texas, CoreWorks shall make a good faith effort to employ such persons to fulfill its Employee obligations.  - e. Failure to Maintain Required Number of Employees: In the event that CoreWorks fails to maintain at least forty-nine percent (49%) of the required minimum number of Employees at the Premises in accordance with (and during the period set forth in) Section 4.7(a) for any consecutive ninety (90) calendar day period, the tax abatement granted by this Agreement will be reduced as a percentage based on the difference. The amount of the tax abatement granted by this Agreement for the tax year following the year in which the requirement was not met is reduced by the same percentage, rounded to the nearest whole number, as the percentage decrease in the actual number of Employees that is maintained in the consecutive ninety (90) calendar day period. For example, if the actual average number of Employees is reduced by 6.6% during a given year, then the percentage of the tax abatement granted for that year under this Agreement on the Improvements would be decreased by the same percentage, rounded to the nearest whole number reducing the abatement by 7%. Should CoreWorks not maintain the required number of employees, and reduce the taxable value of real or property as a result of tax protest, then the greater of the two shall be applied to the reduction.
 - f. Both ADCW and CoreWorks represent that there is no litigation pending against their respective entities for any violation under the Occupational Safety and Health Act.
- 4.8 Inventory: Beginning Year 1 of the Abatement Period, and for each year during the Abatement Period, CoreWorks shall maintain a minimum one million and five hundred thousand (\$1,500,000) rendered taxable inventory value at the Premises. The inventory value is determined as of January 1 of each tax year. CoreWorks agrees to render its personal property at the Premises for tax valuation purposes with the Chief Appraiser for the Waller County Appraisal District annually and within the deadline for filing renditions. CoreWorks shall give the WCAD any necessary permission required for the WCAD to

provide copies of CoreWorks' tax documents to the County for the purpose of verifying rendered inventory values. If CoreWorks fails to maintain the specified inventory values, CoreWorks shall not receive the Tax Abatement for the year in which it fails to maintain the specified inventory values.

- 4.9 Records: ADCW and CoreWorks, as applicable, shall maintain written and/or digital records and supporting documentation relating to and sufficient to reasonably determine: i) the amount of the required investment into the Building and Premises, ii) the hire and termination date of each full-time Employees at the Premises, iii) employee records sufficient to determine whether and how many Employees have a principal residence in Waller County when hired, and iv) the creation, maintenance, and retention of full-time jobs at the Premises. Each entity shall maintain these records for the Agreement Term. The County's inspection shall be for the sole purpose of verifying the information contained in the compliance certifications due pursuant to Section 4.11. The County's review must be done during normal business hours, and no more than once per calendar year. The County shall not be permitted to photocopy any documentation during the inspection. ADCW and CoreWorks may withhold any information it reasonably deems to be confidential (subject to the requirements of any applicable statute). In the event that the County is unable to determine compliance because ADCW or CoreWorks denies access to the information, or information is withheld hereunder, then County may terminate this Agreement upon written notice to ADCW and CoreWorks. The County agrees it will make best efforts not to interrupt ADCW's or CoreWorks' business with such inspections.
- 4.10 Required Forms: ADCW and CoreWorks acknowledge that it is their individual responsibilities to file the Forms 50-116, 50-141, 50-142, the Waller County Tax Abatement Agreement Certification Form, and/or any other reasonably required documentation to verify personal property values and continued compliance for the granted tax abatement to the Waller County Appraisal District annually during the Abatement Period for so long as the law requires annual filing. The forms shall be timely filed in accordance with applicable law, and in no event filed later than the final extension allowed by law. Failure to do so and cure such default within thirty (30) days after receipt of notice of the same will result in the termination of this Agreement. Both entities shall reasonably cooperate with one another in connection with such documentation and reports.
- 4.11 Compliance Certification: ADCW and CoreWorks shall, before December 31 of each year, complete and submit to the WCAD the Waller County Tax Abatement Agreement Certification Form, certifying that each is in compliance with its respective obligations under the Agreement. CoreWorks shall specifically certify that is satisfies the Employment requirements set forth in Section 4.7, and the inventory requirements specified in Section 4.8. Both entities shall reasonably cooperate with one another other in connection with the annual certification.
- 4.12 Right of Access: ADCW and CoreWorks each agree that both the County and the WCAD shall have the reasonable right of access to the Premises and Building by their employees or agents after two (2) business days' prior written notice to inspect the Improvements to

ensure that the Improvements have been made or are being made in accordance with this Agreement. After completion of the Improvements, the County shall have the continuing right of reasonable access to ensure that the Premises and Building are thereafter maintained and operated in accordance with this Agreement, during the Abatement Period. The County agrees (i) to give CoreWorks written notice of its intent to inspect the Premises and Building at least two (2) business days prior to such inspections, (ii) that such inspections shall be during normal business hours, and (iii) CoreWorks shall be permitted to have a representative accompany the County's representative(s) at all times during such inspections. Inspections under this section are independent of any of County's other applicable authority to inspect for purposes of insuring compliance with applicable codes or ordinances. The County's inspections, if any, shall not constitute an acknowledgment or certification to either ADCW or CoreWorks, or any third party, that ADCW or CoreWorks followed federal, state, or local laws or regulations.

- 4.13 Relocation or Business Cessation: Both ADCW and CoreWorks must provide the County thirty (30) days written notice if their respective entities relocate or cease business activities. In the event of relocation or business cessation, unless the relocating or ceasing entity provides credible evidence to clearly indicate the date of relocation or business cessation, the County's determinate of a date of relocation or cessation shall be final and conclusive.
- 4.14 No Delinquent Taxes: Neither ADCW nor CoreWorks shall allow the ad valorem taxes due on any property it owns in Waller County, Texas, whether or not the property is subject to this Agreement, to become delinquent, provided that both entities are entitled to the appraisal protests provided for in Section 3.
- 4.15 No Decrease: ADCW and CoreWorks understand and agree that, notwithstanding the tax abatement granted under this Agreement, the amount of taxes due for the Premises or Building for any year during the Abatement Period will not be less than what was due to the County for the property's Base Year Value.

5. TERMINATION, DEFAULT, AND RECAPTURE

The decision as to whether to terminate this Agreement in its entirety, or only as to one or more defaulting parties is in the County's sole discretion.
- 5.4 Default: Default occurs when a party fails to perform their obligations in accordance with the Agreement. It includes, but is not limited to:

If the County determines that the Agreement will be terminated only as to the defaulting party, the Agreement will continue in force for the non-terminated parties.
- 5.8 Recapture, Interest, and Penalty: A terminated party shall pay to the County any and all property taxes that were abated, if any, during the years in which the terminated party was in default. The County shall provide the terminated party a written demand for the recaptured taxes, and the terminated party shall pay the recaptured taxes within 60 days of its receipt of the written demand. In addition, the County may charge the terminated party interest on any recaptured taxes, and on any other taxes delinquent at the time of

termination pursuant to Texas Tax Code Chapter 33. The County will not assess a penalty under Chapter 33 of the Texas Tax Code. The parties agree that interest is not a penalty.

- 5.9 Bankruptcy: If either ADCW or CoreWorks, or any permitted assignee files any petition for bankruptcy, then this Agreement shall be deemed to have automatically terminated one (1) day prior to the filing of the petition for bankruptcy, and upon such termination, all taxes previously abated under this Agreement for both ADCW and CoreWorks which have not been previously recaptured by the County shall be recaptured by the County in accordance with Section 5.3.
- 5.10 Other Remedies: County shall have the right to seek any remedy available at law to which it may be entitled, in addition to termination and/or recapture.

The County is not responsible for ensuring that an assignment is effective prior to January 1 of any given tax year, or for ensuring that any assignee is entitled to the benefits of this Agreement. WITNESSETH:

WHEREAS, the County proposes to hire the Engineer to perform design services to reconstruct Richards Road from Texas Department of Transportation Right of Way of US-290 Business to Texas Department of Transportation Right of Way of US-290 in Waller County, Texas, hereinafter called the “Project;”

WHEREAS, the Engineer has represented to the County that it is qualified and prepared to perform all of the services described in the Scope of Services, Appendices A, attached hereto and incorporated herein by reference as if copied herein verbatim (Scope of Services), and has submitted a proposal to provide professional engineering services for the Project;

WHEREAS, the County is satisfied that the Engineer is capable of performing the necessary services required for the Project and desires to contract with the Engineer to perform the services described in the Scope of Services;

WHEREAS, the provisions of Chapter 252, Texas Local Government Code, Competitive Bidding Law do not apply to the proposed agreement because the contract is for professional engineering services and the services were procured pursuant to Chapter 2254, Texas Government Code;

WHEREAS, the County has determined and found that it would be in the best interest of the County to delegate to LJA Engineering, Inc. (“LJA”) supervisory and management authority over the Engineer; and

WHEREAS, the Engineer will control the methods and means in performing the work set out in the Scope of Services;

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

- 1. General
 - a. In performing professional engineering services under this Agreement, the Engineer will function solely and exclusively for the benefit of the County and not for the

- benefit of the Engineer for the Project or any other party. All services rendered by the Engineer under this Agreement shall be performed under the supervision of LJA. The Engineer shall render services in accordance with generally accepted professional standards of competent engineers practicing in the same or similar locality and under the same or similar circumstances and professional license and use that degree of care and skill to comply with all applicable laws and regulations.
- b. The Engineer shall be responsible for the professional quality, technical accuracy and the coordination of all deliverable documents and services furnished by the Engineer under this Agreement. The Engineer shall, without additional compensation, correct or revise all errors and omissions in its documents. Reuse of the documents and deliverables for any purpose other than that for which such deliverables were originally prepared, or alteration of such documents or deliverables without the written verification or adaptation by Engineer for the specific purpose intended, shall be at County's risk. All title blocks and engineer's seal, if applicable, shall be noted and made according to Texas Administrative Code.
 - c. At the County's request, the Engineer will collaborate with LJA and County personnel to facilitate the implementation of a Project Database within the County's Electronic Document Management System. The Electronic Document Management System will provide electronic management that shall govern the distribution and file copies of all Project related correspondence, reports, plans, and technical data. The County and the Engineer will use this system to facilitate the effective electronic exchange of Project information and documents with members of the design team and other interested stakeholders.
 - d. The Engineer will collaborate with LJA and County personnel to facilitate the maintenance of the Project Database. Project files shall be entered into the database by the Engineer on a timely basis and made available by LJA and the County at all times for performance of daily Project activities. Other documents, including those used for legal review, audit requests/requirements, and open records request purposes, shall be entered by the County staff assisting the Engineer team. The Engineer shall also ensure that all Project files are appropriately entered into the database:
 1. At all critical milestones;
 2. At established periodic intervals; and
 3. Following completion of the work as a final Project record, including applicable record drawings.
 - e. County may provide information, reports, studies, site characterizations, advice, instructions, and similar information in its possession relating to the Project ("County Data"). Engineer may reasonably and in good faith rely upon the accuracy of County Data provided by County or any third party designated by County. However, Engineer will not ignore the implications of information furnished to Engineer and shall make reasonable inquiries if County Data as furnished appears to be incorrect or incomplete. Engineer makes no representations or warranties as to the quality, accuracy, usefulness, or completeness of any Services to the extent Engineer relies on County Data. Engineer, its officers, directors, and employees shall have no liability

whatsoever with respect to the use of unreliable, inaccurate, or incomplete County Data.

2. Scope of Services

The services to be provided herein in regard to the Project are defined in Appendices A (“Scope of Services”).

3. Compensation and Payment

a. The Engineer shall be entitled to payment of the lump sum amount of **\$265,596.00** for services to perform the tasks delineated in Appendix A-1. Development of the plans for the Project will be the responsibility of the Engineer. The Engineer shall submit plans for County review at 30%, 60%, 90% and 100% completion, unless modified in writing by County. The County shall review and provide the Engineer comments to the submittals within 20 working days of receipt. The County will pay the Engineer commensurate to the plan submittal completion based upon the County’s assessment. The Engineer will not receive further payment until the County is satisfied with the Engineer’s responses to the review comments. The services necessary to perform the tasks delineated in Appendix A-2 shall be paid based on hourly rates and the County shall not be obligated to pay in excess of **\$52,940.00** for the services described in Appendix A-2. The Engineer shall not be obligated to perform further services hereunder once the Scope of Services delineated in Appendices A-1 and A-2 have been performed.

(1) All hourly billing for the services defined in Appendix A-2 and any additional services not included in the Scope of Services under this Agreement, including changes in the contractual scope of work and revision of work satisfactorily performed, will be performed only when approved in advance and authorized by the County, and will be reimbursed at the raw salary rates in effect at that time, times a multiplier as set forth below, to the extent that such direct salary costs and subcontracts are reasonable and necessary for the performance of such services. The reimbursable hourly raw salary rates cannot exceed those set forth in Appendix B. The Engineer shall also be entitled to expense reimbursement as set forth in Appendix B, provided that miscellaneous expenses, if any, may be reimbursed hereunder only when LJA determines that incurring such expenses is not required as part of the original Scope of Services and provides written approval of such expense in advance of it being incurred. Payment will be made on the basis of certified time and expense records and in accordance with those payment procedures set forth in subparagraph b., below. Billing rates will have a 3.00 multiplier on raw salary rates.

(2) Where Subconsultants are employed by the Engineer to perform additional services not within the original Scope of Services, the Engineer will be reimbursed for Subconsultants' salaries and hourly rates, including overtime rates, on the same basis as described for the Engineer's own personnel in subparagraph a. (1), of this Paragraph. Reimbursement to the Subconsultant for non-salary costs incurred by

Subconsultants will be on the same basis as if the costs were incurred by the Engineer. Total contract amounts shall include Subconsultant fees.

- b. It is understood and agreed that monthly payments will be made to the Engineer by the County based on the following procedures: On or about the fifteenth day of each month during the performance of services hereunder and on or about the fifteenth day of the month following completion of all services hereunder, the Engineer shall submit to the County the invoice electronically showing the amounts due for services performed during the previous month, set forth separately for work under this Agreement and for additional services (accompanied by supporting certified time and expense records of such charges in a form acceptable to the County Auditor). The fee, as determined by the methods described herein, includes out-of-pocket costs of Engineer for delivery services, parking, mileage at IRS rate and document printing. Travel expenses submitted for reimbursement must be incurred in accordance with County's travel policy. All expenses submitted by Engineer shall be subject to approval by County prior to reimbursement.

LJA shall review such invoices and approve them within ten (10) calendar days with such modifications as are consistent with this Agreement and forward same to the County Engineer, who will forward to the County Auditor. The County shall pay each such invoice as approved by the County Auditor within twenty (20) calendar days after the County Auditor's approval of same. Invoices are due and payable net 30 days from receipt.

- c. It is expressly understood and agreed that the County has available the total maximum sum of **\$318,536.00** as hereinafter certified available for the purpose of satisfying the County's obligations under the terms and provisions of this Agreement. The County shall not be liable under any circumstances or any interpretations hereof for any costs under the Agreement except for those certified available for this Agreement by the Waller County Auditor, as evidenced by the issuance of a purchase order by Waller County for the certified amount. Once the funds are expended for the purpose of satisfying the County's obligations under the terms and provisions of this Agreement, the County shall have no further obligations nor shall the Engineer be required to perform further services hereunder.

4. Time of Performance

It is understood and agreed that time is of the essence for performance of the Engineer's services under this Agreement and services shall be performed as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

5. The County's Option to Terminate

- a. The County has the right to terminate this Agreement at its sole option at any time, with or without cause, by providing written notice of such intention to terminate and by

stating in said notice the "Termination Date." Upon such termination, the County shall compensate the Engineer in accordance with Paragraph 3., above, for those services that were provided under this Agreement prior to its termination and that have not been previously invoiced to the County. The Engineer's final invoice for said services will be presented to and paid by the County in the same manner set forth in Paragraph 3. b., above.

- b. Termination of this Agreement and payment in settlement as described in subparagraph a. of this Paragraph shall extinguish all rights, duties, obligations, and liabilities of the County and the Engineer under this Agreement and this Agreement shall be of no further force and effect; provided, however, such termination shall not act to release the Engineer from liability for any previous default either under this Agreement or under any standard of conduct set by law. No termination of this Agreement shall have the effect of terminating the Engineer's obligations under Sections 7 (Delays and Damages), 8 (Inspection of the Engineer's Books and Records), 12 (Appearance as Witness), or 15 (Indemnification).
- c. If the County shall terminate this Agreement as provided in this Paragraph, no fees of any type, other than fees due and payable at the Termination Date, shall thereafter be paid to the Engineer.
- d. The County's rights and options to terminate this Agreement, as provided in any provision of this Agreement shall be in addition to, and not in lieu of, any and all rights, actions and privileges otherwise available under law or equity to the County by virtue of this Agreement or otherwise. Failure of the County to exercise any of its rights, actions, options or privileges to terminate this Agreement as provided in any provision of this Agreement shall not be deemed a waiver of any rights, actions or privileges otherwise available under the law or equity with respect to any continuing or subsequent breaches of this Agreement or of any other standard of conduct set by law.
- e. Copies of all completed and partially completed documents prepared under this Agreement shall be delivered to the County upon the Engineer's receipt of termination payment when and if this Agreement is terminated.

6. Source of Fee Payments

The County intends to pay for design and construction with the proceeds from the sale and issuance of bonds. It is expressly acknowledged that all payments owing for Engineering services performed under this Agreement shall be made solely from this source of funds for financing design and construction of the Project. The County shall be under no liability under this Agreement to make payment to the Engineer from any other source. In addition, the County reserves the right, at its sole discretion, at any time prior to issuance by the County of the written notice to proceed, to terminate this Agreement and in the event of such termination, the Engineer shall not be entitled to any payment, nor have any claim for compensation or damages resulting from such cancellation. In no event shall the liability of the County under this Agreement exceed the amount hereunder certified as available by the County Auditor.

7. Delays and Damages

Except as otherwise provided herein, the Engineer agrees that no other charges or claims for damage shall be made by it against the County for any delays or hindrances occurring during the progress of the Engineer in providing to the County the services specified in this Agreement.

8. Inspection of the Engineer's Books and Records

County shall have the right, during normal business hours, to inspect, copy and audit at any time, and from time to time, all of Engineer's files, books, records, costs, and expenses pertaining to the Program. The County will conduct an audit on an annual basis, or more frequently at its sole discretion. If County elects to audit Engineer's files, books, records, costs, and expenses pertaining to the Program, and the audit discloses a discrepancy of one percent (1%) or more from the payment applications or invoices, then, in addition to repaying County all sums owing, Engineer shall pay the cost of the audit. Any such audit or examination may be undertaken by County or its contracted representative at reasonable times during normal business hours and in conformance with generally accepted auditing standards upon five (5) business days' notice to Engineer.

9. Personnel, Equipment, and Material

- a. The Engineer represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for performance of the services required under this Agreement and that the Engineer shall furnish and maintain, at its own expense, adequate and sufficient personnel and equipment, in the opinion of LJA, to perform the services when and as required and without delays. It is understood that LJA will approve assignment and release of all key engineering personnel and that the Engineer shall submit written notification of all key engineering personnel changes monthly for LJA's approval prior to the implementation of such changes. Services described in this Agreement shall be performed under the direction of an engineer licensed to practice professional engineering in the State of Texas.
- b. All employees of the Engineer or Subconsultants hired by the Engineer shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of the Engineer or Subconsultant of the Engineer who, in the opinion of LJA, is incompetent or by his conduct becomes detrimental to the Project shall, upon request of LJA, immediately be removed from association with the Project.
- c. Except as otherwise specified, the Engineer shall furnish all equipment, transportation, supplies, and materials required for its operations under this Agreement.

10. Subletting

The Engineer shall not sublet, assign, or transfer all or any part of the services in this Agreement without the prior written approval of the County. Even in the case of a permitted sublet, Engineer shall remain responsible under this Agreement for the work.

11. Conferences

At the request of LJA, the Engineer shall provide appropriate personnel for conferences at its offices, or attend conferences at the various offices of LJA, or at the site of the Project. LJA and the County are permitted to inspect the Engineer site Project offices.

12. Appearance as Witness

If requested by the County, or on its behalf, the Engineer shall prepare such engineering exhibits and plats as may be requested for all hearings and trials related to the Project and, further, it shall prepare for and appear at conferences and shall furnish competent expert engineering witnesses to provide such oral testimony and to introduce such demonstrative evidence as may be needed throughout all trials and hearings with reference to any litigation relating to the Project. Compensation for trial preparation and appearance by the Engineer in courts regarding litigation matters will be made in accordance with the provisions of Paragraph 3. a. (1), above.

13. Compliance with Laws

The Engineer shall comply with all applicable federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. II. Authority

This Agreement is entered into pursuant to the authority granted in Section 130.911 of the Local Government Code. This Agreement is funded by state funds appropriated by the State Legislature.

III. Grant

In consideration of the various obligations to be undertaken by Grantee, Comptroller awards Grantee the amount of \$ 500000.00 to be disbursed to Grantee for the purposes of funding a Rural Sheriff's Office Salary Assistance Grant, subject to the following:

1. The cost of providing a salary increase includes:

3. The increase in a salary is measured based on the salary provided on the last day of the entity's fiscal year ending prior to the first year the entity received grant funds under the Program.
4. Grantee may only use grant funds for the legally required nonmonetary benefits and taxes for a salary if the Grantee provides the minimum annual salary required by Section V.A of this Agreement, if applicable. Grantee may not reduce a salary below a minimum salary required by Section V.A in order to use grant funds for legally required nonmonetary benefits and taxes for that salary.

3. Determination of whether an employee is an additional employee is based on whether the position existed on the last day of the entity's fiscal year ending prior to the first year the entity received grant funds under the Program.
4. For the additional position to be eligible for salary increases funded by the Grant, it must be an eligible salary increase under Section V.B.1 of the Agreement.

F. Minimum Hourly Wage Calculation. If a person described in Section V.A of this Agreement is a part-time or hourly employee, or holds a dual office or otherwise divides work hours between a position described in Section V.A and another position, the minimum annual salary required by Section V.A. may be converted to a minimum hourly wage and will apply only to the hours of work performed for a position described in Section V.A as follows:

1. for an employee with a 40-hour work week, the minimum hourly wage shall be the product of:

- a. the minimum annual salary Section V.A; and
 - b. a quotient:
 - i. the numerator of which is equal to the number of hours the employee normally works performing duties for a position described in Section V.A each week, not to exceed 40; and
 - ii. the denominator of which is equal to 40; and
2. for an employee with a county adopted work period as authorized by the Fair Labor Standards Act, 29 U.S.C.A § 207(k), the minimum hourly wage shall be the product of:
- a. the minimum annual salary described in Section V.A; and
 - b. a quotient:
 - i. the numerator of which is equal to the number of hours the employee normally works performing duties for a position described in Section V.A each period, not to exceed the number of hours that are nonovertime as determined under the Fair Labor Standards Act; and
 - ii. the denominator of which is equal to the number of hours that are nonovertime as determined under the Fair Labor Standards Act.

G. Salary Increase on Hourly-Wage Basis. A person whose salary increase may be paid with grant funds under Section V.B.1 of this Agreement may be paid an increase in hourly wages if they are paid an hourly wage rather than an annual salary.

H. Temporary Employees. Grantee may hire an employee with a predetermined termination date but may not use grant funds for contract labor.

I. Administrative Costs. Neither indirect costs nor direct administrative costs of Grantee are allowable under the Agreement.

J. Expenditure of Grant Funds. Subject to Section VI.D of this Agreement (Pre-award Costs), Grantee shall expend the funds during the grant period. Funds for purchases are considered expended when Grantee is legally obligated to expend the funds in accordance with 34 TAC §16.303(d).

VI. Payment

A. Advance Payment. Comptroller shall disburse the grant funds as soon as practicable following the Effective Date. By making advance payment, Comptroller does not waive any requirements for the reimbursement of costs. Upon Comptroller's request, Grantee shall submit records in support of reimbursement requests.

B. Deposit of Funds. Whenever possible, grant funds must be deposited and maintained in insured, interest-bearing accounts. Interest earned on grant funds is not considered program income, and Grantee must use any accrued interest for grant purposes only and on allowable costs under this Agreement.

C. Eligibility for Cost Reimbursement. Comptroller will reimburse Grantee for necessary and reasonable allowable costs paid by Grantee in performance of this Agreement. Allowable costs are restricted to costs that comply with the Agreement, TxGMS, and state law. The parties agree that all the requirements of TxGMS apply to this Agreement, including the criteria for allowable costs.

- D. **Pre-award Costs.** Comptroller will reimburse Grantee for pre-award costs provided (a) the costs are incurred during the portion of Grantee's fiscal year in which this grant period occurs that precedes the date of award, if any, and (b) the costs are allowable under the terms of this Agreement.
- E. **Return of Unspent Funds.** Grantee agrees to return to Comptroller any unspent grant funds upon termination or expiration of the Agreement, and Grantee will return any such funds in accordance with Comptroller instructions.

VII. Reporting and Compliance

- A. **Compliance Reports.** Grantee shall submit a compliance report certifying compliance and detailing expenditures of grant funds using Comptroller's electronic form no later than 30 days following the expiration or termination of this Agreement. Comptroller may request supporting documentation regarding expenditures and any other information required to substantiate that grant funds are being used for the intended purpose and that Grantee has complied with the terms, conditions, and requirements of the applicable statute, the Agreement and 34 Texas Administrative Code, Chapter 16, Subchapter D. Grantee shall submit any information requested by Comptroller within fourteen (14) calendar days of the request.
- B. **Remedies for Non-Compliance.** If Comptroller finds that Grantee has failed to comply with the terms and conditions of this Agreement or any other requirement described in Part III, Sections 1 through 4, Comptroller may:
1. require Grantee to cure the failure to comply to the satisfaction of Comptroller;
 2. require Grantee to return the grant funds or a portion of the grant funds;
 3. withhold grant funds from the current grant or future grants to be received by Grantee pending correction of the deficiency;
 4. disallow all or part of the cost of the activity or action that is not in compliance;
 5. terminate the Agreement in whole or in part;
 6. bar Grantee from future consideration for grant funds under 34 Texas Administrative Code, Chapter 16, Subchapter D; or
 7. exercise any other legal remedies available to Comptroller under this Agreement, at law, in equity, or otherwise.

VIII. Equipment

Equipment purchased with grant funds is subject to the use, management, and disposition requirements of Texas Grant Management Standards. See Texas Grant Management Standards, Equipment, for applicable requirements. Grantee must obtain written disposition instructions from Comptroller when equipment acquired under the award is no longer needed, unless the per unit fair market value of the equipment is less than \$10,000. Firearms, whether equipment or supplies, are Controlled Assets, as defined by TxGMS, and must be tracked and secured by Grantee.

IX. Indemnification

TO THE EXTENT ALLOWED BY THE CONSTITUTION AND THE LAWS OF THE STATE OF TEXAS, GRANTEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND COMPTROLLER, AND/OR ITS OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM, ANY ACTS OR OMISSIONS OF GRANTEE OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE AGREEMENT, INCLUDING ANY PURCHASE ORDERS ISSUED UNDER THE AGREEMENT. THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. GRANTEE AND COMPTROLLER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

X. General

- A. **Audit Requirements.** Funds allocated in connection with this Agreement are considered to be state financial assistance for the purpose of determining the audit requirements under the Texas Grant Management Standards. If an audit is required to comply with the requirements of Texas Grant Management Standards, Grantee shall complete an audit at the end of Grantee's fiscal year. Grantee agrees that in the event of any audit findings related to state awards provided by Comptroller, Grantee will inform Comptroller within two (2) business days following Grantee's receipt of any written audit findings or reports (whether in draft or final form), and thereafter submit any documentation related to the audit findings upon Comptroller's request (including, but not limited to, a copy of the final audit report, a response to the current status of the prior year's questioned costs, copies of management letters written as a result of the audit, and action plans, if any).
- B. **Texas Public Information Act.** Grantee understands that Comptroller will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. - C. **Funding Limitation.** The Agreement shall not be construed as creating a debt on behalf of Comptroller in violation of Article III, Section 49a of the Texas Constitution. All obligations of Comptroller under the Agreement are subject to the availability of grant funds. The Agreement is subject to termination or cancellation, either in whole or in part, without penalty to Comptroller if such funds are not appropriated or become unavailable.
- D. **Right to Audit.** The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Agreement or indirectly through a subcontract under the Agreement. The acceptance of funds directly under the Agreement or indirectly through a subcontract under the Agreement acts as acceptance of the authority of the state auditor (or any successor agency), under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information

Comptroller reserves the right to direct grantee to retain documents for a longer period of time or transfer certain records to Comptroller custody when it is determined the records possess longer term retention value.
- F. **Force Majeure.** Neither Party shall be liable to the other for any delay in, or failure of performance, of any requirement included in this Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing Party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, pandemic/quarantine orders or other causes that are beyond the reasonable control of either Party and that by exercise of due foresight such Party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such Party is unable to overcome.

- J. **No Waiver.** This Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to either Party as an agency or political subdivision of the State of Texas or otherwise available to the Party. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities available to a Party under this Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.
- K. **Survival.** The expiration or termination of this Agreement shall not affect the rights and obligations of the Parties accrued prior to the effective date of expiration or termination and such rights and obligations shall survive and remain enforceable.
- L. **Severability.** If one or more provisions are deemed invalid, illegal, or unenforceable for any reason, such invalidity, illegality or unenforceability shall not affect any other provision and this Agreement shall be construed as if the invalid, illegal or unenforceable provision had never been contained herein.
- M. **Governing Law and Venue.** This Agreement is governed by and construed under and in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under this Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is other identified in a statute that directly names or otherwise identifies its applicability to the contracting state agency.
- N. **Termination for Convenience.** Comptroller may terminate this Agreement, in whole or in part, for convenience without the payment of any penalty or incurring any further obligation or liability to Grantee. Comptroller's termination for convenience under this section may be for any reason or no reason at all.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Salesforce-PROD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Salesforce-PROD

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to kaite.guerrero@cpa.texas.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

**INTERLOCAL AGREEMENT FOR LAW ENFORCEMENT PATROL
SERVICES BETWEEN WALLER COUNTY AND WALLER COUNTY MUNICIPAL
UTILITY DISTRICT NO. 55**

This INTERLOCAL AGREEMENT FOR LAW ENFORCEMENT PATROL SERVICES, hereinafter referred to as "Agreement," is made by and between Waller County, a political subdivision of the State of Texas, hereinafter referred to as the "County," and Waller County Municipal Utility District No. 55, a political subdivision of the State of Texas, hereinafter referred to as the "District."

WHEREAS, the County is a duly organized political subdivision of the State of Texas engaged in the administration of county government and related services for the benefit of the citizens of Waller County, Texas, and is authorized to enter interlocal agreements on behalf of the Waller County Sheriff's Office; and

WHEREAS, the Waller County Sheriff's Office, hereinafter referred to as "Waller County Sheriff's Office" and/or "Sheriff's Office," is a duly organized agency of Waller County engaged in the providing of law enforcement and related services for the benefit of citizens of Waller County, Texas, including the citizens residing within the respective boundaries of the District; and

WHEREAS, the District is a political subdivision of the State of Texas, created pursuant to Article XVI, Section 59 of the Texas Constitution and operating pursuant to Chapters 54 and 49 Texas Water Code as amended; and

WHEREAS, pursuant to Section 49.216, Texas Water Code, the District may contract to employ peace officers with the power to make arrests when necessary to abate the commission of, among other things, any offense against the laws of the State of Texas. The County is authorized to provide law enforcement services to the District pursuant to Texas Government Code Section 791.011(c)(2); and

WHEREAS, the County and the District further covenant that all payments mandated by this Agreement do fairly compensate the County for the furnishing of law enforcement services; and

WHEREAS, the County and the District desire to improve the efficiency and effectiveness of local governments by contracting for supplemental services of patrol and other law enforcement services as specified elsewhere herein; and

WHEREAS, the District seeks to provide additional law enforcement and related

services for the benefit of citizens within its boundaries, described in the attached **Exhibit B**; and

WHEREAS, the County and the District mutually desire to be subject to the provisions of the Interlocal Cooperation Act of the V.T.C.A. Government Code, Chapter 791; and

NOW THEREFORE, the County and the District, for the mutual consideration hereinafter stated, agree and understand as follows:

I. PURPOSE

The purpose of this Agreement is to provide additional law enforcement services to ensure the peace and safety of the citizens of the County particularly within the territorial confines of the District, as described in **Exhibit B**, and to provide such a public benefit through the deployment of County property and personnel as deemed appropriate by the Waller County Sheriff's Office.

II. TERM

TERM AND RENEWAL

This Agreement shall begin on January 1, 2026 and for the first year term last until December 31, 2026. The second year term will begin on January 1, 2027 and go to December 31, 2027. The Parties agree that upon expiration of this initial two year term (and any subsequent renewal terms), this Agreement shall automatically renew each year for subsequent twelve (12) month periods beginning on the first (1st) day of January of each year and ending on the following thirty first (31st) day of December, unless and until this agreement is terminated in accordance with the provisions herein under the caption "TERMINATION."

TERMINATION

Written notice is required for any party desiring to terminate this Agreement. The Agreement may be terminated at any time for cause or no cause, by either party giving thirty days (30) days written notice to the other party to the identified Notice Addresses provided in this Agreement. The notice must be made by U.S. Postal Service, Certified Mail, Return Receipt Requested.

III. CONSIDERATION FOR SERVICES AND FINANCIAL PROVISIONS

CONTRACT FUNDING AMOUNT

In consideration for the services provided by the County, the District agrees to fully fund and reimburse the County for such expenses in the amount as set forth on **Exhibit A** hereto. The County shall provide to the District, no later than sixty (60) days prior to the expiration of any term (original or renewal) of this Agreement, an updated **Exhibit A** setting forth proposed changes to such expenses, if any, that would apply to the immediately following renewal term.

INDIRECT FEE

The District understands and agrees that administrative duties are required to ensure compliance with this Agreement, and that those duties may not be quantifiable in the same way as patrol duties and operating expenses. The creation of an indirect-fee line will allow the County to be fairly compensated for these activities. The indirect fee shall be invoiced in equal installments to the District within the routine quarterly invoice, but the annual amount may not exceed more than 15% of the total amount in **Exhibit A**.

BILLING

The County Auditor's Office will invoice the District on a quarterly basis and the amount billed shall be due from the District's current revenues within 30 days of the receipt of an invoice from the County. Such invoice will be forwarded to the District in care of the bookkeeper for the District, currently:

Vanessa Hernandez
Myrtle Cruz, Inc.
3401 Louisiana St #400
Houston, TX 77002

CHANGE OF ADDRESS

The District is responsible to notify the County if a change of billing address should become necessary.

SUSPENSION OF SERVICES

The County Auditor's Office shall notify the Waller County Sheriff's Office if the District becomes delinquent in payment of the contracted funding. Payment shall be considered delinquent if the District fails to make payment to the County within thirty (30) days after the receipt of a quarterly invoice. The Sheriff's Office shall notify the District to discuss the non-payment. If the delinquent payment status continues, then the County may suspend services to the District for non-payment and County shall be entitled to terminate this Agreement. The Sheriff's Office will identify a date

on which the services will be suspended and will notify the District by telephone and in writing (to the Notice addresses provided in this Agreement) of the date service will be suspended. If the District is delinquent for more than sixty (60) days, the District may be charged an additional penalty of 10% of the past-due bill.

If service by County to the District has been suspended for non-payment and the District subsequently becomes current on payments/penalties owed to County under this Agreement, it is the responsibility of the District to contact the County Auditor's Office and the Sheriff's Office to confirm receipt of payment and that services are reactivated. The District will not receive credit for time which service is suspended for non-payment.

IV. SCOPE OF SERVICES

TACTICAL COMMAND AND CONTROL NOT AFFECTED

Nothing in this agreement shall be construed to affect the Waller County Sheriff's Office's tactical command and control of its officers. District acknowledges that the peace officers affected by this agreement are not private security. The peace officers are public law enforcement officers operating under the Waller County Sheriff's Office's command.

SCOPE OF SERVICES

The County affirms and approves the authority of the Waller County Sheriff's Office to provide one or more peace officers, as deemed appropriate by the Sheriff's Office, to devote 50% of their working time, with the total number of hours per month to be set forth in this agreement and, thereafter, may be adjusted by the District as set forth below, to provide law enforcement services within the District's geographical boundaries in Exhibit B. These law enforcement services are intended to be patrol services. It is the intent of this Agreement that 50% of the peace officers' working time should be spent within the District.

The District acknowledges that tasks and duties other than patrol will be required of peace officers outside of the geographical boundaries in **Exhibit B**, and that such tasks and duties, including but not limited to duties such as administrative work and appearing in court, are a necessary part of providing law enforcement services in the District.

The District further acknowledges that the Sheriff's office may direct the peace officers assigned to the District to other areas in response to emergencies or other circumstances as needed. Such directives are to be considered de minimis and

contemplated within the scope of services due to the split costs as detailed in **Exhibit A**.

The County and the Sheriff's Office agree that the patrol services to be furnished pursuant to this Agreement are in addition to the regular on-duty peace officer services furnished within the District's geographical boundaries, and that in no event shall the services furnished hereunder alter, impact or lessen the routine patrol services that are otherwise provided in the District.

PATROL UNIT

In exchange for the provision of one or more Patrol Unit(s), the District agrees to pay the County a sum, per unit, totaling 50% of the reasonable and necessary expenses, more fully described in **Exhibit A** hereto, with the exception of the vehicle costs. The District shall bear the full expense of the vehicle costs for the first year term of January 1, 2026 to December 31, 2026. Subsequent to the first year term split of 50%/50% and every year after, the District will pay the standard 90% of the fees as detailed in **Exhibit A-1**. The payments made by the District to the County shall be used by the County for reasonable and necessary law enforcement equipment and requirements to support the law enforcement efforts of the Patrol Unit. A Patrol Unit at a minimum consists of: (1) the Sheriff's Deputy (personnel), (2) the equipment and vehicle necessary to support the Deputy, and (3) direct and non-direct support services.

The District's payments in **Exhibit A and A-1** are for a 50% share of the patrol unit's time, as further detailed in this agreement.

The County agrees that each peace officer will be properly insured while operating the patrol vehicle in accordance with Section 612.005(b) of the Texas Government Code, and any other applicable laws.

NUMBER OF PATROL UNITS

Until otherwise notified in writing by the District, the County acknowledges that the District has determined that one (1) Deputy Sheriff Patrol Unit will be funded through this Agreement.

HOURS WORKED BY PATROL UNIT

The number of "working time" hours (every two weeks) by the Patrol Unit is eighty (80) hours. The District and the County will agree to the work shifts for each Patrol Unit by separate written notice. The Waller County Sheriff's Office will manage the schedule of each Patrol Unit so that the Patrol Unit has 50% of its working hours, 40 hours during a two-week period or 20 hours per week, within the District. District

understands that a Patrol Unit may have a certain number of undefined hours in which the Patrol Unit may be needed to attend court hearings, training, meetings, or have routine employee-related absences which may reduce the number of direct patrol hours. If possible and within personnel and budgetary limits, the County may assign a substitute Patrol Unit to District to provide service in the absence of the assigned Patrol Unit.

The Sheriff's Office will provide information to District of Deputy absences in writing on a quarterly basis. In addition, the District may at any time request materials documenting the hours worked by a Patrol Unit in order to determine the number of direct patrol hours within the District, and the County shall provide said documentation upon this request. Any such materials or documentation provided shall be kept confidential. The District's right to request and inspect work logs or similar materials documenting hours as created by this Agreement shall expire thirty (30) days after the termination of this agreement.

As used herein, the phrase "working time" means those hours designated by the Sheriff's Office in which its commissioned peace officers are assigned to provide additional law enforcement services in the Area pursuant to this Agreement. During such working time, the peace officers shall perform law enforcement services as normally provided when working directly for the Sheriff's Office. The Sheriff's Office shall retain control and supervision of the peace officers performing services under this Agreement to the same extent as the Sheriff's Office does with its other peace officers that are working outside the District's Area. The peace officers must always comply with the laws of the State of Texas and act within the scope of the General Orders and Standard Operating Procedures of the Sheriff's office. The peace officers shall not enforce "district policies" or "house rules" of the District; provided, however, the peace officers shall enforce District Rules and Regulations adopted pursuant to Section 54.205 of the Texas Water Code and published in accordance with Sections 54.206 through 54.208 of the Texas Water Code.

OVERTIME

Any time worked by a Deputy in excess of eighty (80) hours bi-weekly is considered overtime. Overtime costs will be administered in accordance with the Waller County attendance/leave-time/overtime policies as they apply to non-exempt law enforcement personnel. District and the Sheriff's Office will establish an overtime protocol designed to help manage overtime costs. The Waller County Sheriff's Office will use its best efforts to notify District prior to the scheduling of planned overtime. District agrees to compensate the County for reasonable and customary overtime costs; and the County agrees that overtime costs shall be

incurred only when determined to be reasonably necessary to affect the purposes and intent of this agreement. Such costs will be added to the quarterly invoice to District.

ABSENCES

The District understands and agrees that the nature of hiring personnel will include a certain amount of employee absences, each Patrol Unit will receive County employee benefits, including holiday, sick, vacation, personal, compensation time that will be incorporated in their eighty (80) hours bi-weekly service hours, thus reducing the amount of direct patrol hours to District. The Sheriff's Office will use its best-efforts to notify District prior to the scheduling of planned absences. If possible and within personnel and budgetary limits, the Sheriff's Office may assign a substitute Patrol Unit to District to provide service in the absence of the assigned Patrol Unit. Sheriff's Office will provide information to the District of patrol deputy absences.

RECORDS, DATA, AND OTHER INFORMATION

The terms "records," "data," "information," and "materials" are inclusive of each term and substituted throughout, and are meant to include any type of recorded information generated by the Sheriff's Office, including but not limited to the examples of audio-visual records, photographic images, camera roll, body worn camera footage, patrol reports, notes, and other memoranda.

The Parties acknowledge that the Sheriff's Office, in the performance of law enforcement duties, may generate or obtain access to confidential and protected information, including but not limited to Criminal History Record Information (CHRI), Personally Identifiable Information (PII), and law enforcement reports, records, or investigatory materials. Pursuant to applicable federal and state laws, including but not limited to the CFR 28, the Texas Code of Criminal Procedure, the Texas Public Information Act (Chapter 552 of the Texas Government Code), and the Federal Privacy Act (5 U.S.C. § 552a), the Sheriff's Office is strictly prohibited from disclosing CHRI, PII, or any related law enforcement-sensitive materials, except as authorized by law.

Nothing in this agreement shall be construed to entitle the District to records, data, or other information that the County or Sheriff's Office is required to restrict as a matter of law. All records created by the Sheriff's Office are subject to applicable law, including but not limited to the Texas Public Information Act. No privileges, including but not limited to attorney client and investigative privileges are waived by this agreement.

Nothing in this agreement shall be construed to grant access to any systems, data, or communications governed by the FBI Criminal Justice Information Services (CJIS) Security Policy. All CJIS data shall remain under the exclusive control of the Sheriff's Office.

This agreement does not create an entitlement to any records or data whatsoever created by the Sheriff's Office Deputies in the course and scope of their duties.

All records generated by the Sheriff's Office shall remain the property of the Sheriff's Office, and the Sheriff's Office shall maintain, retain, distribute, and destroy said records in accordance with their internal policy and as authorized by law. Any Sheriff's Office records shared with the District shall remain the property of the Sheriff's Office. District acknowledges that it does not have any ownership or control rights whatsoever over data, records, and other information generated by the Sheriff's Office, and in particular, has no right through this agreement to body worn camera footage. District shall maintain all Sheriff's Office records as confidential. District shall destroy the records, data, and information shared by the Sheriff's Office upon request.

The District shall not act as an intermediary or represent the Sheriff's Office in responding to requests for records generated by the Sheriff's Office. The District shall not distribute any data or records from the Sheriff's Office to third parties without prior agreement from the Sheriff's Office.

In the event the District inadvertently obtains Sheriff's Office records, they shall immediately notify the Sheriff's Office, and shall return and/or destroy said records upon request.

The District may request in writing general statistical or summary data regarding deputy activity within the district such as materials documenting the hours worked by a Patrol Unit without making a Public Information Act request or subpoena. However, such requests shall not include or imply entitlement to raw video footage, criminal history record information (CHRI), personally identifiable information (PII), investigative records, or any other information protected by law. The Sheriff's Office may also, at its discretion and in compliance with applicable law, provide non-confidential summary data or statistical reports to the MUD District. The purpose of these reports and data is to demonstrate patrol activity levels and performance metrics.

The District shall not use this agreement to obtain records or information other than general statistical or summary data. The District may use the same legal means of obtaining the Sheriff's Office's records that are available outside of this agreement, including but not limited to Public Information Act requests, subpoenas, and court orders.

Any attempt by the District to obtain Sheriff's Office or other County records through improper means, other than by lawful request or pursuant to this agreement, shall be considered a breach of this agreement.

V. PERSONNEL

PATROL DEPUTY

Although the peace officers shall at all times remain under the control and supervision of the Sheriff's Office, the Sheriff's Office agrees as follows with respect to the additional law enforcement services to be furnished by the peace officers under this Agreement: the District shall not withhold or pay any federal, state or local income tax, nor payroll tax of any kind, on behalf of the peace officers. The County shall be responsible for the filing and payment of all income related taxes associated with the services performed by the peace officers under this Agreement. The peace officers shall not be treated as employees of the District with respect to the services performed hereunder for federal or state tax purposes, for workers compensation purposes, or for any other purposes.

CHAIN OF COMMAND

Each Deputy will be an employee of the County and will be in the chain of command at the Waller County Sheriff's Office. Each Deputy is obligated to follow all guidelines, policies, and procedures of the County and the Waller County Sheriff's Office.

WORK ASSIGNMENT

Each Deputy shall have his/her work assignment and duties outlined under this Agreement as their primary job assignment and will not regularly be assigned additional police duties by the Waller County Sheriff's Office. The County reserves the right, however, to reassign a Deputy temporarily in the event of an emergency, or when other circumstances require an enhanced police presence elsewhere in the Sheriff's jurisdiction. The Waller County Sheriff's Office will provide information to the District of such instances in writing.

VI. EQUIPMENT

EQUIPMENT

The County provides equipment for each Deputy hired by the Waller County Sheriff's Office. District will be responsible to provide funding so that the equipment designated by the Waller County Sheriff's Office for rendering of law enforcement services may be in the same manner, and with the same equipment and vehicle, as is customarily provided by the Waller County Sheriff's Office within their statutory jurisdiction, and such equipment costs are reflected in Exhibit A hereto.

EQUIPMENT REPLACEMENT

The County may purchase vehicles and equipment, including computer and other electronic equipment, with funding provided by District for the purpose of providing services under this Agreement. Such vehicles and equipment will be subject to any Waller County administrative policies and procedures for replacement of such vehicles or equipment. The remainder of the agreement shall be valid and enforceable to the maximum extent possible.

FORT BEND SENIORS**MEALS on WHEELS**

January 9, 2026

County of Waller
 Attn: County Judge, Trey Duhon III
 836 Austin Street
 Hempstead, Texas 77445

Dear Waller County Judge and Commissioners,

On behalf of Fort Bend Seniors Meals on Wheels, thank you for your continued partnership and support of older adults in Waller County. Your long standing commitment has helped ensure that seniors receive nutritious meals, social connection, and access to vital services that allow them to remain independent.

I am writing to respectfully request consideration of \$70,000 in end of year supplemental funding for 2025 to help offset a significant federal funding shortfall impacting our Meals on Wheels program. Federal Older Americans Act funding, a primary source supporting home delivered meals, has been reduced, creating an immediate gap in resources at a time when demand continues to grow.

In Waller County, Fort Bend Seniors currently serves nearly 200 homebound seniors and has delivered more than 37,000 meals this year. These meals are often the primary daily source of nutrition for our clients and serve as a critical safety check for some of the county's most vulnerable residents.

This one-time supplemental support would help stabilize meal service through the remainder of the year, prevent service reductions, and ensure continuity of care for seniors who rely on us every week. It would also allow us to maintain volunteer engagement and staffing levels needed to meet local demand.

We are deeply grateful for Waller County's past support and for the strong partnership that has existed since we began serving the county in 1990. We would welcome the opportunity to discuss this request further and provide any additional information that would be helpful.

Thank you for your leadership and for your ongoing commitment to the seniors of Waller County.

Sincerely,

Doug Simpson

Dear Waller County Judge and Commissioners,

Thank you for your continued support of Fort Bend Seniors Meals on Wheels and for your dedication to improving the quality of life for older adults in Waller County. Our partnership with the county has played an essential role in ensuring seniors have access to nutrition, social connection, and supportive services.

I am writing to formally request continued annual funding from Waller County in the amount of \$70,000 to support our Meals on Wheels and Senior Center programs serving county residents. These programs are critical components of the local aging services network and help seniors remain healthy, engaged, and living safely in their homes.

Through Meals on Wheels, Fort Bend Seniors provides nutritious home delivered meals, regular wellness checks, and social interaction for homebound seniors. Our Senior Center programming offers congregate meals, educational activities, wellness programs, and opportunities for connection that reduce isolation and support overall well-being.

Currently, we serve nearly 200 seniors in Waller County and continue to see increased need as the senior population grows. County funding helps leverage federal, state, and private dollars and allows us to maintain consistent service levels despite rising food, labor, and transportation costs.

Our goal is to expand our presence in Waller County by reaching more eligible seniors, recruiting additional volunteers, strengthening community partnerships, and exploring opportunities to enhance senior center services over time. Continued county support is essential to achieving these goals.

We are grateful for Waller County's ongoing partnership and for the trust you place in Fort Bend Seniors Meals on Wheels. We look forward to continuing our work together in service to the seniors who depend on us.
