1. DEFINITIONS

The following words have the meanings specified when used in this Agreement:

- 1.1 “Abatement Period” means a period of eight (8) years, commencing January 1st of the year following completion of the Building, continuing for a period of eight (8) years and

terminating on December 31st of the eighth year. Each year shall be a three hundred and sixty-five (365) day period beginning on January 1 and ending on December 31st of the relevant year, except for leap years which shall be three hundred and sixty-six (366) day periods.

- 1.3 “Ad Valorem Tax,” whether or not capitalized, means a tax assessed according to the value of property.
- 1.4 “Base Year Value” means the assessed value of the property the taxes of which will be abated under this Agreement as of January 1, 2026.

 - a. is paid directly, or in the case of a contract employee, paid directly or indirectly, by CoreWorks, and
 - b. regularly works at least 40 hours a week at or based from the Premises, excluding time taken for holidays, vacations, sick leave, or other regular leave.
- 1.8 “Improvements” means the Personal Property Improvements together with the Real Property Improvements.
- 1.9 “Inventory” means taxable personal property that is held for sale in the ordinary course of a trade or business
- 1.10 “Personal Property Improvements” means the personal property that can be removed from a building without destroying or changing the building, and includes any machinery or equipment that may be bolted to the floor, but has a shorter life span than the building and is used in the primary line of business as designated by the qualifying business type set in the Waller County Policy, and as shown on Exhibit B.
- 1.11 “Premises” means the parcel of land owned by ADCW located in the Reinvestment Zone in Waller County, Texas, the legal description of which is shown on Exhibit A.
- 1.12 “Project” means the development of the Premises for the manufacture of brazed aluminum heat exchangers for the liquid natural gas industry and the construction and/or installation of the Improvements.
- 1.13 “Real Property Improvements” means the Building and any other buildings, including buildings on skids and portable buildings, parking areas, and any fences attached to the land and as shown on Exhibit B.

- 1.15 “Year,” whether or not capitalized, means a calendar year beginning on January 1st and continuing through December 31st.

2. THE PROPERTY

- 2.1 The “Premises” is the approximately 7.69 acre parcel of land located in Waller, Texas, and legally described on Exhibit A. On or before the commencement of construction of the Building (defined below), and prior to execution of this Agreement, ADCW will own the Premises. The Premises is located within a qualifying Reinvestment Zone pursuant to Texas Tax Code Chapter 312.
- 2.2 The Building is the approximately one hundred and thirty thousand (130,000) square foot facility that will be constructed on the Premises, and is described on Exhibit B. The Building will be constructed and owned by ADCW and will be leased to and occupied by CoreWorks.
- 2.3 The Personal Property Improvements are the personal property and equipment identified in Exhibit B, and will be owned and installed at the Building by CoreWorks.

3. THE TAX ABATEMENT

- 3.1 Tax Abated: The ad valorem property taxes on the increased taxable value of the Improvements above the Base Year Value shall be abated during the Abatement Period at the rate identified in Section 2.2, Tax Abatement Percentages.
- 3.2 Tax Abatement Percentages: The ad valorem taxes shall be abated only for the increased taxable value of the Improvements over the Base Year Value in an amount equal to the percentages listed below:

Tax Abatement Year	Percentage of Tax Abated
Year 1	100%
Year 2	80%
Year 3	80%
Year 4	80%
Year 5	80%
Year 6	50%
Year 7	50%
Year 8	50%

- 3.3 Appraisal: It is understood, and agreed among the parties, that beginning Year 1 of the Abatement Period and continuing each year thereafter, as provided in law, the Premises, Building and any and all other Improvements shall be appraised by the Waller County Appraisal District. The appraisal shall be the market value of the property effective January 1 of each tax year, including the value of any partially completed Improvements.
- 3.4 Appraisal Protest: ADCW and CoreWorks shall have the right, jointly or severally, to protest any appraisals of the Building, Premises, Improvements, or any portion thereof, during the Agreement Term. Nothing in this Agreement shall affect either entity’s right to protest and/or contest any taxes assessed on the Building, Premises, Personal Property Improvements, or any other improvements, and the abatement percentages shall be applied to the amount of taxes finally determined to be due as a result of any such protest and/or contest.

- 3.5 Effect of Appraisal Protest: If ADCW or CoreWorks protests the certified appraised value of the Improvements, and the certified appraised value is reduced as a result of the protest, then the percentage of the abatement granted herein will be adjusted downward by the same percentage rounded to the nearest whole number. For example, if a protest results in the reduction of the property's certified appraised value by 6.6%, then the percentage of the tax abatement granted under this Agreement for the protest year would be decreased by the same percentage rounded to the nearest whole number. Therefore, the Tax Abatement Percentage would be reduced by 7%. The reduction only applies to the property for which the certified appraised value is reduced.
- 3.6 Taxes Not Abated: This Agreement does not abate the taxes for the underlying land, inventory, or supplies. This Agreement does not abate taxes for tangible personal property, unless such property is specifically identified as an Improvement. **This Agreement does not abate taxes for any tangible personal property located on the real property at any time before the commencement of the Abatement Period.** ADCW and CoreWorks shall be subject to taxation on all real and personal property not abated or otherwise exempted.

4. COMPANY PERFORMANCE OBLIGATIONS

- 4.1 Investment: ADCW shall invest, or cause to be invested, a cumulative amount of at least twenty-five million dollars (\$25,000,000) into the Project in Real Property Improvements by December 31, 2027. CoreWorks shall invest, or cause to be invested, a cumulative amount of at least fifteen million dollars (\$15,000,000) into the Project in Personal Property Improvements by December 31, 2027.
- 4.2 Real Property Improvements: ADCW shall make or cause to be made the Real Property Improvements at the Premises, which shall be of the kind, number, and location described in Exhibit B. ADCW shall, prior to December 31, 2027, construct the Building.
- 4.3 Personal Property Improvements: CoreWorks shall install and maintain the Personal Property Improvements at the Building, which shall have an investment value, as determined in its first year of service, as shown on Exhibit B.
- 4.4 Improvement Quality: ADCW and CoreWorks shall ensure that the Improvements for which they are each responsible are diligently and faithfully undertaken and completed in a good and workmanlike manner. The Improvements shall comply with all applicable federal, state, and local laws and regulations, including but not limited to: Texas Commission on Environmental Quality regulations, Waller County regulations and any applicable municipal regulations, building codes, ordinances, flood, subdivision, building, electrical, plumbing, fire, and life safety codes and regulations, current and as amended.
- 4.5 Premises Operation: CoreWorks shall, by the end of Year 1 of the Abatement Period referenced in Section 9, and until the expiration of the Abatement Period, continuously operate and maintain the Building and Premises as [a manufacturing facility for brazed aluminum heat exchangers for the liquid natural gas industry]. Neither ADCW nor CoreWorks shall change the principal use of the Premises or Building without prior written approval from the Commissioners Court.
- 4.6 Premises Maintenance: Both ADCW and CoreWorks agree to maintain the Building and Premises, and any other constructed improvements in good repair and condition during the Agreement Term, and shall operate them in compliance with applicable health and safety laws and local regulations.

- 4.7 Job Creation: For the duration of this Agreement, CoreWorks shall employ an agreed number of persons as set forth below.
- a. Required Number of Employees: By the end of Year 2 of the Abatement Period, and continuing through December 31 of the final year of the Abatement Period, at least one hundred and four (104) new Employees must be employed at or based from the Premises. The Parties agree and understand that the number of Employees within a certain job class may increase or decrease and that CoreWorks will be in compliance with the Employee requirements so long as one hundred and four (104) new Employees are employed during the Abatement Period, as described herein, regardless of the number of new Employees in each position.
 - b. Waller County Applicants: Where there are qualified applicants, whose principal residence is within Waller County, Texas, CoreWorks shall make a good faith effort to employ such persons to fulfill its Employee obligations. CoreWorks may contact the County to assist in obtaining applicable training grants, if available, to ensure that citizens of Waller County are given every opportunity for employment.
 - c. Employee Benefits: CoreWorks shall offer all of its employees based at the Premises substantially similar employee benefits as those employee benefits offered to other similarly situated employees of CoreWorks.
 - d. Employment Law: CoreWorks shall comply with all applicable federal and state laws governing the employment relationship between employers and employees.
 - e. Failure to Maintain Required Number of Employees: In the event that CoreWorks fails to maintain at least forty-nine percent (49%) of the required minimum number of Employees at the Premises in accordance with (and during the period set forth in) Section 4.7(a) for any consecutive ninety (90) calendar day period, the tax abatement granted by this Agreement will be reduced as a percentage based on the difference. The amount of the tax abatement granted by this Agreement for the tax year following the year in which the requirement was not met is reduced by the same percentage, rounded to the nearest whole number, as the percentage decrease in the actual number of Employees that is maintained in the consecutive ninety (90) calendar day period. For example, if the actual average number of Employees is reduced by 6.6% during a given year, then the percentage of the tax abatement granted for that year under this Agreement on the Improvements would be decreased by the same percentage, rounded to the nearest whole number reducing the abatement by 7%. Should CoreWorks not maintain the required number of employees, and reduce the taxable value of real or property as a result of tax protest, then the greater of the two shall be applied to the reduction.
 - f. Both ADCW and CoreWorks represent that there is no litigation pending against their respective entities for any violation under the Occupational Safety and Health Act.
- 4.8 Inventory: Beginning Year 1 of the Abatement Period, and for each year during the Abatement Period, CoreWorks shall maintain a minimum one million and five hundred thousand (\$1,500,000) rendered taxable inventory value at the Premises. The inventory value is determined as of January 1 of each tax year. CoreWorks agrees to render its personal property at the Premises for tax valuation purposes with the Chief Appraiser for the Waller County Appraisal District annually and within the deadline for filing renditions. CoreWorks shall give the WCAD any necessary permission required for the WCAD to

provide copies of CoreWorks' tax documents to the County for the purpose of verifying rendered inventory values. If CoreWorks fails to maintain the specified inventory values, CoreWorks shall not receive the Tax Abatement for the year in which it fails to maintain the specified inventory values.

- 4.9 Records: ADCW and CoreWorks, as applicable, shall maintain written and/or digital records and supporting documentation relating to and sufficient to reasonably determine: i) the amount of the required investment into the Building and Premises, ii) the hire and termination date of each full-time Employees at the Premises, iii) employee records sufficient to determine whether and how many Employees have a principal residence in Waller County when hired, and iv) the creation, maintenance, and retention of full-time jobs at the Premises. CoreWorks shall not be required to disclose the names or other sensitive personally identifiable information (such as social security numbers, home addresses or telephone numbers) of specific Employees. Each entity shall maintain these records for the Agreement Term. ADCW and CoreWorks, upon a five (5) business day prior notice by the County, shall validate compliance with the terms of this Agreement by allowing the County to review at the Premises records and documents that are directly related to its obligations under this Agreement. The County's inspection shall be for the sole purpose of verifying the information contained in the compliance certifications due pursuant to Section 4.11. The County's review must be done during normal business hours, and no more than once per calendar year. The County shall not be permitted to photocopy any documentation during the inspection. ADCW and CoreWorks may withhold any information it reasonably deems to be confidential (subject to the requirements of any applicable statute). In the event that the County is unable to determine compliance because ADCW or CoreWorks denies access to the information, or information is withheld hereunder, then County may terminate this Agreement upon written notice to ADCW and CoreWorks. The County agrees it will make best efforts not to interrupt ADCW's or CoreWorks' business with such inspections.
- 4.10 Required Forms: ADCW and CoreWorks acknowledge that it is their individual responsibilities to file the Forms 50-116, 50-141, 50-142, the Waller County Tax Abatement Agreement Certification Form, and/or any other reasonably required documentation to verify personal property values and continued compliance for the granted tax abatement to the Waller County Appraisal District annually during the Abatement Period for so long as the law requires annual filing. The forms shall be timely filed in accordance with applicable law, and in no event filed later than the final extension allowed by law. Failure to do so and cure such default within thirty (30) days after receipt of notice of the same will result in the termination of this Agreement. Both entities shall reasonably cooperate with one another in connection with such documentation and reports.
- 4.11 Compliance Certification: ADCW and CoreWorks shall, before December 31 of each year, complete and submit to the WCAD the Waller County Tax Abatement Agreement Certification Form, certifying that each is in compliance with its respective obligations under the Agreement. CoreWorks shall specifically certify that is satisfies the Employment requirements set forth in Section 4.7, and the inventory requirements specified in Section 4.8. Both entities shall reasonably cooperate with one another other in connection with the annual certification.
- 4.12 Right of Access: ADCW and CoreWorks each agree that both the County and the WCAD shall have the reasonable right of access to the Premises and Building by their employees or agents after two (2) business days' prior written notice to inspect the Improvements to

ensure that the Improvements have been made or are being made in accordance with this Agreement. After completion of the Improvements, the County shall have the continuing right of reasonable access to ensure that the Premises and Building are thereafter maintained and operated in accordance with this Agreement, during the Abatement Period. The County agrees (i) to give CoreWorks written notice of its intent to inspect the Premises and Building at least two (2) business days prior to such inspections, (ii) that such inspections shall be during normal business hours, and (iii) CoreWorks shall be permitted to have a representative accompany the County's representative(s) at all times during such inspections. Inspections under this section are independent of any of County's other applicable authority to inspect for purposes of insuring compliance with applicable codes or ordinances. The County's inspections, if any, shall not constitute an acknowledgment or certification to either ADCW or CoreWorks, or any third party, that ADCW or CoreWorks followed federal, state, or local laws or regulations.

- 4.13 Relocation or Business Cessation: Both ADCW and CoreWorks must provide the County thirty (30) days written notice if their respective entities relocate or cease business activities. In the event of relocation or business cessation, unless the relocating or ceasing entity provides credible evidence to clearly indicate the date of relocation or business cessation, the County's determinate of a date of relocation or cessation shall be final and conclusive.
- 4.14 No Delinquent Taxes: Neither ADCW nor CoreWorks shall allow the ad valorem taxes due on any property it owns in Waller County, Texas, whether or not the property is subject to this Agreement, to become delinquent, provided that both entities are entitled to the appraisal protests provided for in Section 3.
- 4.15 No Decrease: ADCW and CoreWorks understand and agree that, notwithstanding the tax abatement granted under this Agreement, the amount of taxes due for the Premises or Building for any year during the Abatement Period will not be less than what was due to the County for the property's Base Year Value.

5. TERMINATION, DEFAULT, AND RECAPTURE

- 5.1 Automatic Termination: This Agreement terminates upon complete performance of the terms and conditions of the Agreement by all Parties, upon the expiration of the Abatement Period, whichever occurs first, or otherwise in accordance with its terms.
- 5.2 Termination by Owner: This Agreement may be terminated by either entity if it elects not to proceed with the project before the Abatement Period commences.
- 5.3 Termination and Recapture by County: The County may terminate this Agreement for the default of any party. The County may terminate this Agreement as to one or more parties in default. The decision as to whether to terminate this Agreement in its entirety, or only as to one or more defaulting parties is in the County's sole discretion.
- 5.4 Default: Default occurs when a party fails to perform their obligations in accordance with the Agreement. It includes, but is not limited to:
 - a. Either ADCW or CoreWorks fails to complete or install its respective Improvements as identified in Exhibit B within the time specified by this Agreement;

- b. CoreWorks fails to employ at least fifty percent (50%) of the number of Employees in accordance with, and during the period set forth in Section 4.7 of this Agreement for any consecutive ninety (90) calendar day period;
- c. Either ADCW or CoreWorks fails to timely file the applicable required forms with the State Comptroller or WCAD during the Abatement Period, and for so long as the law requires;
- d. Either ADCW or CoreWorks becomes delinquent on any taxes owed to any taxing unit located in whole or in part in the County, including the County, without timely and properly following the legal procedures for protest and/or contest of any such taxes;
- e. During the Abatement Period, either ADCW or CoreWorks operates the Premises or the Building in violation of public health and safety laws, or allows the Premises or the Building, or any part thereof, to become a public nuisance, as determined by the ordinances of the County or the State of Texas;
- f. CoreWorks fails to maintain the minimum rendered taxable value of inventory at the Premises as noted in Section 4.8;
- g. Either ADCW or CoreWorks files any petition for bankruptcy;
- h. Any breach of the terms or conditions of this Agreement.

A Party will not be entitled to the tax abatement under this Agreement for any tax year during which the party is in default of this Agreement following the expiration of the applicable cure period in Section 5.6 of this Agreement.

- 5.5 Notice of Default: The County shall provide thirty (30) days written notice to a defaulting party that the party is in default. County intends to terminate the Agreement as to the defaulting party. The County shall also provide the written notice to each other party, whether or not in default.
- 5.6 Opportunity to Cure: If a default may be cured, a defaulting party shall have the opportunity to cure the default beginning on the day of its receipt of the written notice, and continuing for thirty (30) calendar days. If the defaulting party does not cure the default within the time allotted, the County, in its sole discretion, may terminate the Agreement in its entirety, or as to the defaulting party. The cure, if made, shall be to the County's satisfaction. If a cure is not possible, County, in its sole discretion, may terminate the Agreement in its entirety, or as to the defaulting party.
- 5.7 Termination: If either ADCW or CoreWorks defaults or fails to perform in accordance with the terms of the Agreement, and fails to timely cure such default, then County, in its sole discretion, shall unilaterally have the right to terminate this Agreement in its entirety, or as to the defaulting party. If the County determines that the Agreement will be terminated only as to the defaulting party, the Agreement will continue in force for the non-terminated parties.
- 5.8 Recapture, Interest, and Penalty: A terminated party shall pay to the County any and all property taxes that were abated, if any, during the years in which the terminated party was in default. The County shall provide the terminated party a written demand for the recaptured taxes, and the terminated party shall pay the recaptured taxes within 60 days of its receipt of the written demand. In addition, the County may charge the terminated party interest on any recaptured taxes, and on any other taxes delinquent at the time of

termination pursuant to Texas Tax Code Chapter 33. The County will not assess a penalty under Chapter 33 of the Texas Tax Code. The parties agree that interest is not a penalty.

- 5.9 Bankruptcy: If either ADCW or CoreWorks, or any permitted assignee files any petition for bankruptcy, then this Agreement shall be deemed to have automatically terminated one (1) day prior to the filing of the petition for bankruptcy, and upon such termination, all taxes previously abated under this Agreement for both ADCW and CoreWorks which have not been previously recaptured by the County shall be recaptured by the County in accordance with Section 5.3.
- 5.10 Other Remedies: County shall have the right to seek any remedy available at law to which it may be entitled, in addition to termination and/or recapture.

6. ASSIGNMENT

- 6.1 Assignment: The terms and conditions of this Agreement are binding upon permitted successors and assigns of all Parties.
- a. This Agreement cannot be assigned to a new person or entity without the County's written consent. Any assignment must comply with the following terms:

 3. The assignor must retain all of its obligations under this Agreement until the Assignment becomes effective;
 4. The Assignment must be executed by both the assignor and the assignee.
 5. The assignor must provide the County a fully executed Assignment agreement not later than ten (10) business days prior to the date the Commissioners Court will consider consenting to the Assignment.
 - b. ADCW or CoreWorks may assign this Agreement without prior written consent from the County if such assignment is to any entity that is directly or indirectly controlled by, or is in common control with the transferor entity provided that:

- c. ADCW and CoreWorks understands and agrees that an entity must be entitled to a tax abatement on January 1 in order to claim the exemption for that tax year. If an entity is not entitled to the benefits of this Agreement on January 1 of any given tax year during the Abatement Period, then the entity may not receive the abatement for that year. The County is not responsible for ensuring that an assignment is effective prior to January 1 of any given tax year, or for ensuring that any assignee is entitled to the benefits of this Agreement. An assignee shall not be entitled to the benefits of this Agreement unless the assignment complies with the requirements of this Section 6 prior to January 1 of the applicable tax year.

7. PROPERTY CONVEYANCE

If either ADCW or CoreWorks fails to provide the thirty (30) day written notice, the person or entity receiving the property will not be entitled to the benefits of this Agreement, and the County, in its sole discretion, may immediately terminate this Agreement without providing ADCW or CoreWorks the Opportunity to Cure provided in Section 5.6.

8. MODIFICATIONS

- 8.1 Written Modifications: Any modifications, amendments, and/or additions to this Agreement and its Exhibits must be in a writing dated subsequent to this Agreement, and signed by all Parties. IN NO EVENT SHALL ADCW OR COREWORKS INDEMNIFY COUNTY FOR ACTS, OMISSIONS, DEFAULTS OF COUNTY, INCLUDING, WITHOUT LIMITATION, THE NEGLIGENCE OR WILLFUL MISCONDUCT OF COUNTY OR ANY AGENTS, CONSULTANTS, OR EMPLOYEES THEREOF.

THE STATE OF TEXAS §
 §
 COUNTY OF WALLER §

THIS AGREEMENT is made and entered into by and between **WALLER COUNTY, TEXAS**, a public body corporate and politic of the State of Texas acting by and through the Waller County Commissioners Court (hereinafter referred to as “County”), and Cobb, Fendley & Associates, Inc., hereinafter called the "Engineer" or “Company”.

W I T N E S S E T H:

WHEREAS, the County proposes to hire the Engineer to perform design services to reconstruct Richards Road from Texas Department of Transportation Right of Way of US-290 Business to Texas Department of Transportation Right of Way of US-290 in Waller County, Texas, hereinafter called the “Project;”

WHEREAS, the Engineer has represented to the County that it is qualified and prepared to perform all of the services described in the Scope of Services, Appendices A, attached hereto and incorporated herein by reference as if copied herein verbatim (Scope of Services), and has submitted a proposal to provide professional engineering services for the Project;

WHEREAS, the County is satisfied that the Engineer is capable of performing the necessary services required for the Project and desires to contract with the Engineer to perform the services described in the Scope of Services;

WHEREAS, the provisions of Chapter 252, Texas Local Government Code, Competitive Bidding Law do not apply to the proposed agreement because the contract is for professional engineering services and the services were procured pursuant to Chapter 2254, Texas Government Code;

WHEREAS, the County has determined and found that it would be in the best interest of the County to delegate to LJA Engineering, Inc. (“LJA”) supervisory and management authority over the Engineer; and

WHEREAS, the Engineer will control the methods and means in performing the work set out in the Scope of Services;

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

1. General

- a. In performing professional engineering services under this Agreement, the Engineer will function solely and exclusively for the benefit of the County and not for the

- benefit of the Engineer for the Project or any other party. All services rendered by the Engineer under this Agreement shall be performed under the supervision of LJA. The Engineer shall render services in accordance with generally accepted professional standards of competent engineers practicing in the same or similar locality and under the same or similar circumstances and professional license and use that degree of care and skill to comply with all applicable laws and regulations.
- b. The Engineer shall be responsible for the professional quality, technical accuracy and the coordination of all deliverable documents and services furnished by the Engineer under this Agreement. The Engineer shall, without additional compensation, correct or revise all errors and omissions in its documents. Reuse of the documents and deliverables for any purpose other than that for which such deliverables were originally prepared, or alteration of such documents or deliverables without the written verification or adaptation by Engineer for the specific purpose intended, shall be at County's risk. All title blocks and engineer's seal, if applicable, shall be noted and made according to Texas Administrative Code.
 - c. At the County's request, the Engineer will collaborate with LJA and County personnel to facilitate the implementation of a Project Database within the County's Electronic Document Management System. The Electronic Document Management System will provide electronic management that shall govern the distribution and file copies of all Project related correspondence, reports, plans, and technical data. The County and the Engineer will use this system to facilitate the effective electronic exchange of Project information and documents with members of the design team and other interested stakeholders.
 - d. The Engineer will collaborate with LJA and County personnel to facilitate the maintenance of the Project Database. Project files shall be entered into the database by the Engineer on a timely basis and made available by LJA and the County at all times for performance of daily Project activities. Other documents, including those used for legal review, audit requests/requirements, and open records request purposes, shall be entered by the County staff assisting the Engineer team. The Engineer shall also ensure that all Project files are appropriately entered into the database:
 - 1. At all critical milestones;
 - 2. At established periodic intervals; and
 - 3. Following completion of the work as a final Project record, including applicable record drawings.
 - e. County may provide information, reports, studies, site characterizations, advice, instructions, and similar information in its possession relating to the Project ("County Data"). Engineer may reasonably and in good faith rely upon the accuracy of County Data provided by County or any third party designated by County. However, Engineer will not ignore the implications of information furnished to Engineer and shall make reasonable inquiries if County Data as furnished appears to be incorrect or incomplete. Engineer makes no representations or warranties as to the quality, accuracy, usefulness, or completeness of any Services to the extent Engineer relies on County Data. Engineer, its officers, directors, and employees shall have no liability

whatsoever with respect to the use of unreliable, inaccurate, or incomplete County Data.

2. Scope of Services

The services to be provided herein in regard to the Project are defined in Appendices A (“Scope of Services”).

3. Compensation and Payment

- a. The Engineer shall be entitled to payment of the lump sum amount of **\$265,596.00** for services to perform the tasks delineated in Appendix A-1. Development of the plans for the Project will be the responsibility of the Engineer. The Engineer shall submit plans for County review at 30%, 60%, 90% and 100% completion, unless modified in writing by County. The County shall review and provide the Engineer comments to the submittals within 20 working days of receipt. The County will pay the Engineer commensurate to the plan submittal completion based upon the County’s assessment. The Engineer will not receive further payment until the County is satisfied with the Engineer’s responses to the review comments. The services necessary to perform the tasks delineated in Appendix A-2 shall be paid based on hourly rates and the County shall not be obligated to pay in excess of **\$52,940.00** for the services described in Appendix A-2. The Engineer shall not be obligated to perform further services hereunder once the Scope of Services delineated in Appendices A-1 and A-2 have been performed.

- (1) All hourly billing for the services defined in Appendix A-2 and any additional services not included in the Scope of Services under this Agreement, including changes in the contractual scope of work and revision of work satisfactorily performed, will be performed only when approved in advance and authorized by the County, and will be reimbursed at the raw salary rates in effect at that time, times a multiplier as set forth below, to the extent that such direct salary costs and subcontracts are reasonable and necessary for the performance of such services. The reimbursable hourly raw salary rates cannot exceed those set forth in Appendix B. The Engineer shall also be entitled to expense reimbursement as set forth in Appendix B, provided that miscellaneous expenses, if any, may be reimbursed hereunder only when LJA determines that incurring such expenses is not required as part of the original Scope of Services and provides written approval of such expense in advance of it being incurred. Payment will be made on the basis of certified time and expense records and in accordance with those payment procedures set forth in subparagraph b., below. Billing rates will have a 3.00 multiplier on raw salary rates.
- (2) Where Subconsultants are employed by the Engineer to perform additional services not within the original Scope of Services, the Engineer will be reimbursed for Subconsultants' salaries and hourly rates, including overtime rates, on the same basis as described for the Engineer's own personnel in subparagraph a. (1), of this Paragraph. Reimbursement to the Subconsultant for non-salary costs incurred by

Subconsultants will be on the same basis as if the costs were incurred by the Engineer. Total contract amounts shall include Subconsultant fees.

- b. It is understood and agreed that monthly payments will be made to the Engineer by the County based on the following procedures: On or about the fifteenth day of each month during the performance of services hereunder and on or about the fifteenth day of the month following completion of all services hereunder, the Engineer shall submit to the County the invoice electronically showing the amounts due for services performed during the previous month, set forth separately for work under this Agreement and for additional services (accompanied by supporting certified time and expense records of such charges in a form acceptable to the County Auditor). The fee, as determined by the methods described herein, includes out-of-pocket costs of Engineer for delivery services, parking, mileage at IRS rate and document printing. Travel expenses submitted for reimbursement must be incurred in accordance with County's travel policy. All expenses submitted by Engineer shall be subject to approval by County prior to reimbursement.

LJA shall review such invoices and approve them within ten (10) calendar days with such modifications as are consistent with this Agreement and forward same to the County Engineer, who will forward to the County Auditor. The County shall pay each such invoice as approved by the County Auditor within twenty (20) calendar days after the County Auditor's approval of same. Invoices are due and payable net 30 days from receipt.

- c. It is expressly understood and agreed that the County has available the total maximum sum of **\$318,536.00** as hereinafter certified available for the purpose of satisfying the County's obligations under the terms and provisions of this Agreement. The County shall not be liable under any circumstances or any interpretations hereof for any costs under the Agreement except for those certified available for this Agreement by the Waller County Auditor, as evidenced by the issuance of a purchase order by Waller County for the certified amount. Once the funds are expended for the purpose of satisfying the County's obligations under the terms and provisions of this Agreement, the County shall have no further obligations nor shall the Engineer be required to perform further services hereunder.

4. Time of Performance

It is understood and agreed that time is of the essence for performance of the Engineer's services under this Agreement and services shall be performed as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

5. The County's Option to Terminate

- a. The County has the right to terminate this Agreement at its sole option at any time, with or without cause, by providing written notice of such intention to terminate and by

stating in said notice the "Termination Date." Upon such termination, the County shall compensate the Engineer in accordance with Paragraph 3., above, for those services that were provided under this Agreement prior to its termination and that have not been previously invoiced to the County. The Engineer's final invoice for said services will be presented to and paid by the County in the same manner set forth in Paragraph 3. b., above.

- b. Termination of this Agreement and payment in settlement as described in subparagraph a. of this Paragraph shall extinguish all rights, duties, obligations, and liabilities of the County and the Engineer under this Agreement and this Agreement shall be of no further force and effect; provided, however, such termination shall not act to release the Engineer from liability for any previous default either under this Agreement or under any standard of conduct set by law. No termination of this Agreement shall have the effect of terminating the Engineer's obligations under Sections 7 (Delays and Damages), 8 (Inspection of the Engineer's Books and Records), 12 (Appearance as Witness), or 15 (Indemnification).
- c. If the County shall terminate this Agreement as provided in this Paragraph, no fees of any type, other than fees due and payable at the Termination Date, shall thereafter be paid to the Engineer.
- d. The County's rights and options to terminate this Agreement, as provided in any provision of this Agreement shall be in addition to, and not in lieu of, any and all rights, actions and privileges otherwise available under law or equity to the County by virtue of this Agreement or otherwise. Failure of the County to exercise any of its rights, actions, options or privileges to terminate this Agreement as provided in any provision of this Agreement shall not be deemed a waiver of any rights, actions or privileges otherwise available under the law or equity with respect to any continuing or subsequent breaches of this Agreement or of any other standard of conduct set by law.
- e. Copies of all completed and partially completed documents prepared under this Agreement shall be delivered to the County upon the Engineer's receipt of termination payment when and if this Agreement is terminated.

6. Source of Fee Payments

The County intends to pay for design and construction with the proceeds from the sale and issuance of bonds. It is expressly acknowledged that all payments owing for Engineering services performed under this Agreement shall be made solely from this source of funds for financing design and construction of the Project. The County shall be under no liability under this Agreement to make payment to the Engineer from any other source. In addition, the County reserves the right, at its sole discretion, at any time prior to issuance by the County of the written notice to proceed, to terminate this Agreement and in the event of such termination, the Engineer shall not be entitled to any payment, nor have any claim for compensation or damages resulting from such cancellation. In no event shall the liability of the County under this Agreement exceed the amount hereunder certified as available by the County Auditor.

7. Delays and Damages

Except as otherwise provided herein, the Engineer agrees that no other charges or claims for damage shall be made by it against the County for any delays or hindrances occurring during the progress of the Engineer in providing to the County the services specified in this Agreement.

8. Inspection of the Engineer's Books and Records

County shall have the right, during normal business hours, to inspect, copy and audit at any time, and from time to time, all of Engineer's files, books, records, costs, and expenses pertaining to the Program. The County will conduct an audit on an annual basis, or more frequently at its sole discretion. If County elects to audit Engineer's files, books, records, costs, and expenses pertaining to the Program, and the audit discloses a discrepancy of one percent (1%) or more from the payment applications or invoices, then, in addition to repaying County all sums owing, Engineer shall pay the cost of the audit. Any such audit or examination may be undertaken by County or its contracted representative at reasonable times during normal business hours and in conformance with generally accepted auditing standards upon five (5) business days' notice to Engineer.

9. Personnel, Equipment, and Material

- a. The Engineer represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for performance of the services required under this Agreement and that the Engineer shall furnish and maintain, at its own expense, adequate and sufficient personnel and equipment, in the opinion of LJA, to perform the services when and as required and without delays. It is understood that LJA will approve assignment and release of all key engineering personnel and that the Engineer shall submit written notification of all key engineering personnel changes monthly for LJA's approval prior to the implementation of such changes. Services described in this Agreement shall be performed under the direction of an engineer licensed to practice professional engineering in the State of Texas.
- b. All employees of the Engineer or Subconsultants hired by the Engineer shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of the Engineer or Subconsultant of the Engineer who, in the opinion of LJA, is incompetent or by his conduct becomes detrimental to the Project shall, upon request of LJA, immediately be removed from association with the Project.
- c. Except as otherwise specified, the Engineer shall furnish all equipment, transportation, supplies, and materials required for its operations under this Agreement.

10. Subletting

The Engineer shall not sublet, assign, or transfer all or any part of the services in this Agreement without the prior written approval of the County. Even in the case of a permitted sublet, Engineer shall remain responsible under this Agreement for the work.

11. Conferences

At the request of LJA, the Engineer shall provide appropriate personnel for conferences at its offices, or attend conferences at the various offices of LJA, or at the site of the Project. LJA and the County are permitted to inspect the Engineer site Project offices.

12. Appearance as Witness

If requested by the County, or on its behalf, the Engineer shall prepare such engineering exhibits and plats as may be requested for all hearings and trials related to the Project and, further, it shall prepare for and appear at conferences and shall furnish competent expert engineering witnesses to provide such oral testimony and to introduce such demonstrative evidence as may be needed throughout all trials and hearings with reference to any litigation relating to the Project. Compensation for trial preparation and appearance by the Engineer in courts regarding litigation matters will be made in accordance with the provisions of Paragraph 3. a. (1), above.

13. Compliance with Laws

VI. Payment

- A. **Advance Payment.** Comptroller shall disburse the grant funds as soon as practicable following the Effective Date. By making advance payment, Comptroller does not waive any requirements for the reimbursement of costs. Upon Comptroller's request, Grantee shall submit records in support of reimbursement requests.
- B. **Deposit of Funds.** Whenever possible, grant funds must be deposited and maintained in insured, interest-bearing accounts. Interest earned on grant funds is not considered program income, and Grantee must use any accrued interest for grant purposes only and on allowable costs under this Agreement.
- C. **Eligibility for Cost Reimbursement.** Comptroller will reimburse Grantee for necessary and reasonable allowable costs paid by Grantee in performance of this Agreement. Allowable costs are restricted to costs that comply with the Agreement, TxGMS, and state law. The parties agree that all the requirements of TxGMS apply to this Agreement, including the criteria for allowable costs.

- D. **Pre-award Costs.** Comptroller will reimburse Grantee for pre-award costs provided (a) the costs are incurred during the portion of Grantee's fiscal year in which this grant period occurs that precedes the date of award, if any, and (b) the costs are allowable under the terms of this Agreement.

- A. **Compliance Reports.** Grantee shall submit a compliance report certifying compliance and detailing expenditures of grant funds using Comptroller's electronic form no later than 30 days following the expiration or termination of this Agreement. Comptroller may request supporting documentation regarding expenditures and any other information required to substantiate that grant funds are being used for the intended purpose and that Grantee has complied with the terms, conditions, and requirements of the applicable statute, the Agreement and 34 Texas Administrative Code, Chapter 16, Subchapter D. Grantee shall submit any information requested by Comptroller within fourteen (14) calendar days of the request.
- B. **Remedies for Non-Compliance.** If Comptroller finds that Grantee has failed to comply with the terms and conditions of this Agreement or any other requirement described in Part III, Sections 1 through 4, Comptroller may:
1. require Grantee to cure the failure to comply to the satisfaction of Comptroller;
 2. require Grantee to return the grant funds or a portion of the grant funds;
 3. withhold grant funds from the current grant or future grants to be received by Grantee pending correction of the deficiency;
 4. disallow all or part of the cost of the activity or action that is not in compliance;

THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. If an audit is required to comply with the requirements of Texas Grant Management Standards, Grantee shall complete an audit at the end of Grantee's fiscal year. Grantee agrees that in the event of any audit findings related to state awards provided by Comptroller, Grantee will inform Comptroller within two (2) business days following Grantee's receipt of any written audit findings or reports (whether in draft or final form), and thereafter submit any documentation related to the audit findings upon Comptroller's request (including, but not limited to, a copy of the final audit report, a response to the current status of the prior year's questioned costs, copies of management letters written as a result of the audit, and action plans, if any).
- B. **Texas Public Information Act.** Grantee understands that Comptroller will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this Agreement may be subject to public disclosure pursuant to the Texas Public Information Act. - C. **Funding Limitation.** The Agreement shall not be construed as creating a debt on behalf of Comptroller in violation of Article III, Section 49a of the Texas Constitution. All obligations of Comptroller under the Agreement are subject to the availability of grant funds. The Agreement is subject to termination or cancellation, either in whole or in part, without penalty to Comptroller if such funds are not appropriated or become unavailable.
- D. **Right to Audit.** The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Agreement or indirectly through a subcontract under the Agreement. The acceptance of funds directly under the Agreement or indirectly through a subcontract under the Agreement acts as acceptance of the authority of the state auditor (or any successor agency), under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information

Comptroller reserves the right to direct grantee to retain documents for a longer period of time or transfer certain records to Comptroller custody when it is determined the records possess longer term retention value.
- F. **Force Majeure.** Neither Party shall be liable to the other for any delay in, or failure of performance, of any requirement included in this Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing Party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, pandemic/quarantine orders or other causes that are beyond the reasonable control of either Party and that by exercise of due foresight such Party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such Party is unable to overcome.

- H. **Assignment.** No assignment of this Agreement or of any right accruing hereunder shall be made, in whole or part, by either Party without the prior written consent of the other.
- I. **Headings.** The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of the Agreement.
- J. **No Waiver.** This Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to either Party as an agency or political subdivision of the State of Texas or otherwise available to the Party. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities available to a Party under this Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.
- K. **Survival.** The expiration or termination of this Agreement shall not affect the rights and obligations of the Parties accrued prior to the effective date of expiration or termination and such rights and obligations shall survive and remain enforceable.
- L. **Severability.** If one or more provisions are deemed invalid, illegal, or unenforceable for any reason, such invalidity, illegality or unenforceability shall not affect any other provision and this Agreement shall be construed as if the invalid, illegal or unenforceable provision had never been contained herein.
- M. **Governing Law and Venue.** This Agreement is governed by and construed under and in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under this Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is other identified in a statute that directly names or otherwise identifies its applicability to the contracting state agency.
- N. **Termination for Convenience.** Comptroller may terminate this Agreement, in whole or in part, for convenience without the payment of any penalty or incurring any further obligation or liability to Grantee. Comptroller's termination for convenience under this section may be for any reason or no reason at all.

Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. 6. Prior to closing, when any portion of the financial assistance is to be held in escrow or in trust, the County shall execute an escrow or trust agreement, approved as to form and substance by the Executive Administrator, and shall submit that executed agreement to the TWDB.
7. Before closing, the County shall submit to the escrow agent a closing memo signed by the Executive Administrator.

The Proceeds received by the Escrow Agent under this Agreement shall not be considered as a banking deposit by WALLER COUNTY, and the Escrow Agent shall have no right to title with respect thereto except as Escrow Agent under the terms of this Agreement.

The Escrow Account(s) shall be entitled "Waller Co G1002308" and shall not be subject to warrants, drafts or checks drawn by WALLER COUNTY but shall be disbursed or withdrawn to pay the costs of the Project for which the Obligations were issued or other purposes in accordance with the TWDB Grant Agreement and solely upon written authorization from the Executive Administrator or his/her designated representative. The Escrow Agent shall provide to WALLER COUNTY and the TWDB the Escrow Account(s) bank statements upon request.

SECTION 2: COLLATERAL. All cash deposited to the credit of such Escrow Account(s) and any accrued interest in excess of the amounts insured by the FDIC and remaining uninvested under the terms of this Agreement shall be continuously secured by a valid pledge of direct obligations of the United States of America or other collateral meeting the requirements of the Public Funds Collateral Act, Texas Government Code, Chapter 2257.

SECTION 3: INVESTMENTS. While the Proceeds are held in escrow, the Escrow Agent shall invest escrowed Proceeds only in investments that are authorized by the Public Funds Investment Act, Texas Government Code, Chapter 2256 (PFIA). WALLER COUNTY is responsible for directing the Escrow Agent to invest all public funds in a manner that is consistent with both the PFIA and its own written investment policy.

SECTION 4: DISBURSEMENTS. The Escrow Agent shall not honor any disbursement from the Escrow Account(s), or any portion thereof, unless and until it has been supplied with written approval and consent by the Executive Administrator of the TWDB or a designated representative. No written approval and consent by the Executive Administrator of the TWDB shall be required if the disbursement involves transferring Proceeds from one investment to another within the Escrow Account(s) provided that all such investments are consistent with the PFIA requirements.

SECTION 5: UNEXPENDED FUNDS. Any Proceeds remaining unexpended in the Escrow Account(s) after completion of the Project and after the final accounting has been submitted to and approved by the TWDB shall be disposed of pursuant to the provisions of the Obligations. WALLER COUNTY shall deliver a copy of TWDB approval of the final accounting to the Escrow Agent together with instructions concerning the disbursement of unexpended Proceeds hereunder. The Escrow Agent shall have no obligation to ensure that such unexpended Proceeds are used as required by the provisions of the Obligations, that being the sole obligation of WALLER COUNTY.

SECTION 6: CERTIFICATIONS. The Escrow Agent shall be authorized to accept and rely upon the certifications and documents furnished to the Escrow Agent by WALLER COUNTY and shall not be liable for the payment of any funds made in reliance in good faith upon such certifications or other documents or approvals, as herein recited.

SECTION 7: LIABILITY OF ESCROW AGENT. (a) To the extent permitted by law, the Escrow Agent shall not be liable for any act done or step taken or omitted by it or any mistake of fact or law, except for its negligence or default or failure in the performance of any obligation imposed upon it hereunder. The Escrow Agent shall not be responsible in any manner for any proceedings in connection with the Obligations or any recitation contained in the Obligations.

(b) In the event of any disagreement between the TWDB and Waller County, or between the TWDB or Waller County and any other person, resulting in adverse claims or demands being made in connection with the matter covered by this Agreement, or in the event that Escrow Agent, in good faith, be in doubt as to what action it should take hereunder, Escrow Agent may, at its option, refuse to comply with any claims or demands on it, or refuse to take any other action hereunder, so long as such disagreement continues or such doubt exists, and in any such event, Escrow Agent shall not be or become liable in any way or to any person for its failure or refusal to act, and Escrow Agent shall be entitled to continue so to refrain from acting until (i) the rights of all such interested parties shall have been fully and finally adjudicated by a court of competent jurisdiction, or (ii) all differences shall have been adjudged and all doubt resolved by agreement among all of the interested persons, and Escrow Agent shall have been notified thereof in writing signed by all such persons. Notwithstanding the foregoing, Escrow Agent may in its discretion, when operating in good faith, obey the order, judgment, decree, or levy of any court, or of any agency of the United States or any political subdivision thereof, and Escrow Agent is hereby authorized in its sole discretion, to comply with and obey any such orders, judgments, decrees, or liveries. The rights of Escrow Agent under this sub-paragraph are cumulative of all other rights which it may have by law or otherwise.

(c) In the event that any controversy should arise among the parties with respect to this Agreement or should the Escrow Agent resign, and the parties fail to select another Escrow Agent to act in its stead, the Escrow Agent shall have the right to institute a bill of interpleader in any court of competent jurisdiction to determine the rights of the parties.

(d) Escrow Agent shall not be required to make a disbursement, investment, or other use of funds until and unless it has collected funds. Escrow Agent shall not be liable for collection items until the proceeds of the same in actual cash have been received or the Federal Reserve has given Escrow Agent credit for the funds.

(e) Escrow Agent may resign at any time by giving 30 days' written notice to the parties hereto, whereupon the parties hereto will appoint a successor Escrow Agent within a reasonable time. Until a successor Escrow Agent has been named and accepts its appointment or until another disposition of the subject matter of this Escrow Agreement has been agreed upon by all parties hereto, Escrow Agent shall be discharged of all its duties hereunder save to keep the subject matter whole.

(f) All representations and covenants, contained in this Section 7 shall survive the termination of this Agreement.

(g) All directions or instructions will be required in writing from each of the undersigned, such directions or instructions may be given by separate instruments of similar tenor. Attached hereto as Schedule I (the "Security Schedule") is a list of authorized signatories (with signature identification) and phone numbers for each of the parties to this Agreement (other than the Escrow Agent). In the event the funds transfer instructions or other disbursement instructions or directions in the form of Exhibit B to this Agreement are unclear or illegible, whether by telecopier or otherwise, the Escrow Agent shall require that both parties present the instructions in writing by the authorized signatories designated on the Security Schedule, and the Escrow Agent may rely upon the confirmation of anyone purporting to be the person or persons so designated. The authorized signatures and the persons and telephone numbers may be changed only in a writing received and acknowledged by the Escrow Agent.

(h) Escrow Agent shall not be liable to the undersigned for any loss or damage arising out of any acts of God, strikes, equipment or transmission failure, war, terrorism, or any other act or circumstance beyond the reasonable control of Escrow Agent.

SECTION 8: RECORDS. The Escrow Agent will keep complete and correct books of record and account relating to the receipts, disbursements, allocations, and application of the money deposited to the Escrow Account, and investments of the Escrow Account and all proceeds thereof. The records shall be available for inspection and copying at reasonable hours and under reasonable conditions by WALLER COUNTY and the TWDB.

SECTION 9: MERGER/CONSOLIDATION. In the event that the Escrow Agent merges or consolidates with another bank or sells or transfers substantially all of its assets or corporate trust business, then the successor bank shall be the successor Escrow Agent without the necessity of further action as long as the successor bank is a state or national bank designated by the Texas Comptroller as a state depository institution in accordance with Texas Government Code, Chapter 404, Subchapter C, or is a designated custodian of collateral in accordance with Texas Government Code Chapter 404, Subchapter D. The Escrow Agent must provide the TWDB with written notification within 30 days of acceptance of the merger, consolidation, or transfer. If the merger, consolidation or other transfer has occurred between state banks, the newly-created entity shall forward the certificate of merger or exchange issued by the Texas Department of Banking as well as the statement filed with the pertinent chartering authority, if applicable, to the TWDB within five business days following such merger, consolidation, or exchange.

SECTION 10: AMENDMENTS. This Agreement may be amended from time to time as necessary with the written consent of WALLER COUNTY and the TWDB, but no such amendments shall increase the liabilities or responsibilities or diminish the rights of the Escrow Agent without its consent.

SECTION 11: TERMINATION. If this Agreement is terminated by either WALLER COUNTY or by the Escrow Agent, the Escrow Agent must report said termination in writing to the TWDB within five business days of such termination. WALLER COUNTY is responsible for ensuring that the following criteria are satisfied in selecting the successor escrow agent and notifying the TWDB of the change in escrow agents: (a) the successor escrow agent must be an FDIC-insured state or national bank designated by the Texas Comptroller as a state depository; (b) the successor escrow agent must be retained prior to or at the time of the termination; (c) an escrow agreement must be executed by and between WALLER COUNTY and the successor escrow agent and must contain the same or substantially similar terms and conditions as are present in this Agreement; and (d) WALLER COUNTY must forward a copy of the executed escrow agreement with the successor escrow agent within five business days of said termination. No funds shall be released by the TWDB until it has received, reviewed, and approved the escrow agreement with the successor escrow agent. If WALLER COUNTY has not appointed a successor escrow agent within thirty (30) days of the notice of termination, the Escrow Agent may petition any court of competent jurisdiction in Texas for the appointment of a successor escrow agent or for other appropriate relief, and any such resulting appointment shall be binding upon WALLER COUNTY. Whether appointed by WALLER COUNTY or a court, the successor escrow agent and escrow agreement must be approved by the TWDB for the appointment to be effective. The Escrow Agent is responsible for performance under this Agreement until a successor has been approved by the TWDB and has signed an acceptable escrow agreement.

SECTION 12: EXPIRATION. This Agreement shall expire upon final transfer of the funds in the Escrow Account(s) to WALLER COUNTY.

SECTION 13: POINT OF CONTACT. The points of contact for the Escrow Agent and the TWDB are as follows:

**INTERLOCAL AGREEMENT FOR LAW ENFORCEMENT PATROL
SERVICES BETWEEN WALLER COUNTY AND WALLER COUNTY MUNICIPAL
UTILITY DISTRICT NO. 55**

This INTERLOCAL AGREEMENT FOR LAW ENFORCEMENT PATROL SERVICES, hereinafter referred to as "Agreement," is made by and between Waller County, a political subdivision of the State of Texas, hereinafter referred to as the "County," and Waller County Municipal Utility District No. 55, a political subdivision of the State of Texas, hereinafter referred to as the "District."

WHEREAS, the County is a duly organized political subdivision of the State of Texas engaged in the administration of county government and related services for the benefit of the citizens of Waller County, Texas, and is authorized to enter interlocal agreements on behalf of the Waller County Sheriff's Office; and

WHEREAS, the Waller County Sheriff's Office, hereinafter referred to as "Waller County Sheriff's Office" and/or "Sheriff's Office," is a duly organized agency of Waller County engaged in the providing of law enforcement and related services for the benefit of citizens of Waller County, Texas, including the citizens residing within the respective boundaries of the District; and

WHEREAS, the District is a political subdivision of the State of Texas, created pursuant to Article XVI, Section 59 of the Texas Constitution and operating pursuant to Chapters 54 and 49 Texas Water Code as amended; and

WHEREAS, pursuant to Section 49.216, Texas Water Code, the District may contract to employ peace officers with the power to make arrests when necessary to abate the commission of, among other things, any offense against the laws of the State of Texas. The County is authorized to provide law enforcement services to the District pursuant to Texas Government Code Section 791.011(c)(2); and

WHEREAS, the County and the District further covenant that all payments mandated by this Agreement do fairly compensate the County for the furnishing of law enforcement services; and

WHEREAS, the County and the District desire to improve the efficiency and effectiveness of local governments by contracting for supplemental services of patrol and other law enforcement services as specified elsewhere herein; and

WHEREAS, the District seeks to provide additional law enforcement and related

services for the benefit of citizens within its boundaries, described in the attached **Exhibit B**; and

WHEREAS, the County and the District mutually desire to be subject to the provisions of the Interlocal Cooperation Act of the V.T.C.A. Government Code, Chapter 791; and

NOW THEREFORE, the County and the District, for the mutual consideration hereinafter stated, agree and understand as follows:

I. PURPOSE

The purpose of this Agreement is to provide additional law enforcement services to ensure the peace and safety of the citizens of the County particularly within the territorial confines of the District, as described in **Exhibit B**, and to provide such a public benefit through the deployment of County property and personnel as deemed appropriate by the Waller County Sheriff's Office.

II. TERM

TERM AND RENEWAL

This Agreement shall begin on January 1, 2026 and for the first year term last until December 31, 2026. The second year term will begin on January 1, 2027 and go to December 31, 2027. The Parties agree that upon expiration of this initial two year term (and any subsequent renewal terms), this Agreement shall automatically renew each year for subsequent twelve (12) month periods beginning on the first (1st) day of January of each year and ending on the following thirty first (31st) day of December, unless and until this agreement is terminated in accordance with the provisions herein under the caption "TERMINATION."

TERMINATION

Written notice is required for any party desiring to terminate this Agreement. The Agreement may be terminated at any time for cause or no cause, by either party giving thirty days (30) days written notice to the other party to the identified Notice Addresses provided in this Agreement. The notice must be made by U.S. Postal Service, Certified Mail, Return Receipt Requested.

III. CONSIDERATION FOR SERVICES AND FINANCIAL PROVISIONS

CONTRACT FUNDING AMOUNT

In consideration for the services provided by the County, the District agrees to fully fund and reimburse the County for such expenses in the amount as set forth on **Exhibit A** hereto. The County shall provide to the District, no later than sixty (60) days prior to the expiration of any term (original or renewal) of this Agreement, an updated **Exhibit A** setting forth proposed changes to such expenses, if any, that would apply to the immediately following renewal term.

INDIRECT FEE

The District understands and agrees that administrative duties are required to ensure compliance with this Agreement, and that those duties may not be quantifiable in the same way as patrol duties and operating expenses. The creation of an indirect-fee line will allow the County to be fairly compensated for these activities. The indirect fee shall be invoiced in equal installments to the District within the routine quarterly invoice, but the annual amount may not exceed more than 15% of the total amount in **Exhibit A**.

BILLING

The County Auditor's Office will invoice the District on a quarterly basis and the amount billed shall be due from the District's current revenues within 30 days of the receipt of an invoice from the County. Such invoice will be forwarded to the District in care of the bookkeeper for the District, currently:

Vanessa Hernandez
Myrtle Cruz, Inc.
3401 Louisiana St #400
Houston, TX 77002

CHANGE OF ADDRESS

The District is responsible to notify the County if a change of billing address should become necessary.

SUSPENSION OF SERVICES

The County Auditor's Office shall notify the Waller County Sheriff's Office if the District becomes delinquent in payment of the contracted funding. Payment shall be considered delinquent if the District fails to make payment to the County within thirty (30) days after the receipt of a quarterly invoice. The Sheriff's Office shall notify the District to discuss the non-payment. If the delinquent payment status continues, then the County may suspend services to the District for non-payment and County shall be entitled to terminate this Agreement. The Sheriff's Office will identify a date

on which the services will be suspended and will notify the District by telephone and in writing (to the Notice addresses provided in this Agreement) of the date service will be suspended. If the District is delinquent for more than sixty (60) days, the District may be charged an additional penalty of 10% of the past-due bill.

If service by County to the District has been suspended for non-payment and the District subsequently becomes current on payments/penalties owed to County under this Agreement, it is the responsibility of the District to contact the County Auditor's Office and the Sheriff's Office to confirm receipt of payment and that services are reactivated. The District will not receive credit for time which service is suspended for non-payment.

IV. SCOPE OF SERVICES

TACTICAL COMMAND AND CONTROL NOT AFFECTED

Nothing in this agreement shall be construed to affect the Waller County Sheriff's Office's tactical command and control of its officers. District acknowledges that the peace officers affected by this agreement are not private security. The peace officers are public law enforcement officers operating under the Waller County Sheriff's Office's command.

SCOPE OF SERVICES

The County affirms and approves the authority of the Waller County Sheriff's Office to provide one or more peace officers, as deemed appropriate by the Sheriff's Office, to devote 50% of their working time, with the total number of hours per month to be set forth in this agreement and, thereafter, may be adjusted by the District as set forth below, to provide law enforcement services within the District's geographical boundaries in Exhibit B. These law enforcement services are intended to be patrol services. It is the intent of this Agreement that 50% of the peace officers' working time should be spent within the District.

The District acknowledges that tasks and duties other than patrol will be required of peace officers outside of the geographical boundaries in **Exhibit B**, and that such tasks and duties, including but not limited to duties such as administrative work and appearing in court, are a necessary part of providing law enforcement services in the District.

The District further acknowledges that the Sheriff's office may direct the peace officers assigned to the District to other areas in response to emergencies or other circumstances as needed. Such directives are to be considered de minimis and

contemplated within the scope of services due to the split costs as detailed in **Exhibit A**.

The County and the Sheriff's Office agree that the patrol services to be furnished pursuant to this Agreement are in addition to the regular on-duty peace officer services furnished within the District's geographical boundaries, and that in no event shall the services furnished hereunder alter, impact or lessen the routine patrol services that are otherwise provided in the District.

PATROL UNIT

In exchange for the provision of one or more Patrol Unit(s), the District agrees to pay the County a sum, per unit, totaling 50% of the reasonable and necessary expenses, more fully described in **Exhibit A** hereto, with the exception of the vehicle costs. The District shall bear the full expense of the vehicle costs for the first year term of January 1, 2026 to December 31, 2026. Subsequent to the first year term split of 50%/50% and every year after, the District will pay the standard 90% of the fees as detailed in **Exhibit A-1**. The payments made by the District to the County shall be used by the County for reasonable and necessary law enforcement equipment and requirements to support the law enforcement efforts of the Patrol Unit. A Patrol Unit at a minimum consists of: (1) the Sheriff's Deputy (personnel), (2) the equipment and vehicle necessary to support the Deputy, and (3) direct and non-direct support services.

The District's payments in **Exhibit A and A-1** are for a 50% share of the patrol unit's time, as further detailed in this agreement.

The County agrees that each peace officer will be properly insured while operating the patrol vehicle in accordance with Section 612.005(b) of the Texas Government Code, and any other applicable laws.

NUMBER OF PATROL UNITS

Until otherwise notified in writing by the District, the County acknowledges that the District has determined that one (1) Deputy Sheriff Patrol Unit will be funded through this Agreement.

HOURS WORKED BY PATROL UNIT

The number of "working time" hours (every two weeks) by the Patrol Unit is eighty (80) hours. The District and the County will agree to the work shifts for each Patrol Unit by separate written notice. The Waller County Sheriff's Office will manage the schedule of each Patrol Unit so that the Patrol Unit has 50% of its working hours, 40 hours during a two-week period or 20 hours per week, within the District. District

understands that a Patrol Unit may have a certain number of undefined hours in which the Patrol Unit may be needed to attend court hearings, training, meetings, or have routine employee-related absences which may reduce the number of direct patrol hours. If possible and within personnel and budgetary limits, the County may assign a substitute Patrol Unit to District to provide service in the absence of the assigned Patrol Unit.

The Sheriff's Office will provide information to District of Deputy absences in writing on a quarterly basis. In addition, the District may at any time request materials documenting the hours worked by a Patrol Unit in order to determine the number of direct patrol hours within the District, and the County shall provide said documentation upon this request. Any such materials or documentation provided shall be kept confidential. The District's right to request and inspect work logs or similar materials documenting hours as created by this Agreement shall expire thirty (30) days after the termination of this agreement.

As used herein, the phrase "working time" means those hours designated by the Sheriff's Office in which its commissioned peace officers are assigned to provide additional law enforcement services in the Area pursuant to this Agreement. During such working time, the peace officers shall perform law enforcement services as normally provided when working directly for the Sheriff's Office. The Sheriff's Office shall retain control and supervision of the peace officers performing services under this Agreement to the same extent as the Sheriff's Office does with its other peace officers that are working outside the District's Area. The peace officers must always comply with the laws of the State of Texas and act within the scope of the General Orders and Standard Operating Procedures of the Sheriff's office. The peace officers shall not enforce "district policies" or "house rules" of the District; provided, however, the peace officers shall enforce District Rules and Regulations adopted pursuant to Section 54.205 of the Texas Water Code and published in accordance with Sections 54.206 through 54.208 of the Texas Water Code.

OVERTIME

Any time worked by a Deputy in excess of eighty (80) hours bi-weekly is considered overtime. Overtime costs will be administered in accordance with the Waller County attendance/leave-time/overtime policies as they apply to non-exempt law enforcement personnel. District and the Sheriff's Office will establish an overtime protocol designed to help manage overtime costs. The Waller County Sheriff's Office will use its best efforts to notify District prior to the scheduling of planned overtime. District agrees to compensate the County for reasonable and customary overtime costs; and the County agrees that overtime costs shall be

incurred only when determined to be reasonably necessary to affect the purposes and intent of this agreement. Such costs will be added to the quarterly invoice to District.

ABSENCES

The District understands and agrees that the nature of hiring personnel will include a certain amount of employee absences, each Patrol Unit will receive County employee benefits, including holiday, sick, vacation, personal, compensation time that will be incorporated in their eighty (80) hours bi-weekly service hours, thus reducing the amount of direct patrol hours to District. The Sheriff's Office will use its best-efforts to notify District prior to the scheduling of planned absences. If possible and within personnel and budgetary limits, the Sheriff's Office may assign a substitute Patrol Unit to District to provide service in the absence of the assigned Patrol Unit. Sheriff's Office will provide information to the District of patrol deputy absences.

RECORDS, DATA, AND OTHER INFORMATION

The terms "records," "data," "information," and "materials" are inclusive of each term and substituted throughout, and are meant to include any type of recorded information generated by the Sheriff's Office, including but not limited to the examples of audio-visual records, photographic images, camera roll, body worn camera footage, patrol reports, notes, and other memoranda.

The Parties acknowledge that the Sheriff's Office, in the performance of law enforcement duties, may generate or obtain access to confidential and protected information, including but not limited to Criminal History Record Information (CHRI), Personally Identifiable Information (PII), and law enforcement reports, records, or investigatory materials. Pursuant to applicable federal and state laws, including but not limited to the CFR 28, the Texas Code of Criminal Procedure, the Texas Public Information Act (Chapter 552 of the Texas Government Code), and the Federal Privacy Act (5 U.S.C. § 552a), the Sheriff's Office is strictly prohibited from disclosing CHRI, PII, or any related law enforcement-sensitive materials, except as authorized by law.

Nothing in this agreement shall be construed to entitle the District to records, data, or other information that the County or Sheriff's Office is required to restrict as a matter of law. All records created by the Sheriff's Office are subject to applicable law, including but not limited to the Texas Public Information Act. No privileges, including but not limited to attorney client and investigative privileges are waived by this agreement.

Nothing in this agreement shall be construed to grant access to any systems, data, or communications governed by the FBI Criminal Justice Information Services (CJIS) Security Policy. All CJIS data shall remain under the exclusive control of the Sheriff's Office.

This agreement does not create an entitlement to any records or data whatsoever created by the Sheriff's Office Deputies in the course and scope of their duties.

All records generated by the Sheriff's Office shall remain the property of the Sheriff's Office, and the Sheriff's Office shall maintain, retain, distribute, and destroy said records in accordance with their internal policy and as authorized by law. County of Waller
Attn: County Judge, Trey Duhon III
836 Austin Street
Hempstead, Texas 77445

Dear Waller County Judge and Commissioners,

On behalf of Fort Bend Seniors Meals on Wheels, thank you for your continued partnership and support of older adults in Waller County. Your long standing commitment has helped ensure that seniors receive nutritious meals, social connection, and access to vital services that allow them to remain independent.

I am writing to respectfully request consideration of \$70,000 in end of year supplemental funding for 2025 to help offset a significant federal funding shortfall impacting our Meals on Wheels program. Federal Older Americans Act funding, a primary source supporting home delivered meals, has been reduced, creating an immediate gap in resources at a time when demand continues to grow.

In Waller County, Fort Bend Seniors currently serves nearly 200 homebound seniors and has delivered more than 37,000 meals this year. These meals are often the primary daily source of nutrition for our clients and serve as a critical safety check for some of the county's most vulnerable residents.

This one-time supplemental support would help stabilize meal service through the remainder of the year, prevent service reductions, and ensure continuity of care for seniors who rely on us every week. It would also allow us to maintain volunteer engagement and staffing levels needed to meet local demand.

We are deeply grateful for Waller County's past support and for the strong partnership that has existed since we began serving the county in 1990. We would welcome the opportunity to discuss this request further and provide any additional information that would be helpful.

Thank you for your leadership and for your ongoing commitment to the seniors of Waller County.

Sincerely,

Doug Simpson

Dear Waller County Judge and Commissioners,

Thank you for your continued support of Fort Bend Seniors Meals on Wheels and for your dedication to improving the quality of life for older adults in Waller County. Our partnership with the county has played an essential role in ensuring seniors have access to nutrition, social connection, and supportive services.

I am writing to formally request continued annual funding from Waller County in the amount of \$70,000 to support our Meals on Wheels and Senior Center programs serving county residents. These programs are critical components of the local aging services network and help seniors remain healthy, engaged, and living safely in their homes.

Through Meals on Wheels, Fort Bend Seniors provides nutritious home delivered meals, regular wellness checks, and social interaction for homebound seniors. Our Senior Center programming offers congregate meals, educational activities, wellness programs, and opportunities for connection that reduce isolation and support overall well-being.

Currently, we serve nearly 200 seniors in Waller County and continue to see increased need as the senior population grows. County funding helps leverage federal, state, and private dollars and allows us to maintain consistent service levels despite rising food, labor, and transportation costs.

Our goal is to expand our presence in Waller County by reaching more eligible seniors, recruiting additional volunteers, strengthening community partnerships, and exploring opportunities to enhance senior center services over time. Continued county support is essential to achieving these goals.

We are grateful for Waller County's ongoing partnership and for the trust you place in Fort Bend Seniors Meals on Wheels. We look forward to continuing our work together in service to the seniors who depend on us.

Sincerely,
