GENERAL NOTES

1. Flags attached to signs where shown, are REQUIRED.
2. All traffic control devices illustrated are REQUIRED, except those denoted with the triangle symbol may be omitted when stated in the plans, or for routine maintenance work, when approved by the Engineer.
3. Stockpiled material should be placed a minimum of 30 feet from nearest traveled way.
4. Shadow Vehicle with TMA and high intensity rotating, flashing, oscillating or strobe lights. A Shadow Vehicle with a TMA should be used anytime it can be positioned 30 to 100 feet in advance of the area of crew exposure without adversely affecting the performance or quality of the work. If workers are no longer present but road or work conditions require the traffic control to remain in place, Type 3 Barricades or other channelizing devices may be substituted for the Shadow Vehicle and TMA.
5. Additional Shadow Vehicles with TMAs may be positioned off the paved surface, next to those shown in order to protect a wider work space.
6. See TCP(5-1) for shoulder work on divided highways, expressways and freeways.
7. Inactive work vehicles or other equipment should be parked near the right-of-way line and not parked on the paved shoulder.
8. CW21-5 "SHOULDER WORK" signs may be used in place of CW21-1D "ROAD WORK AHEAD" signs for shoulder work on conventional roadways.

For construction or maintenance contract work, specific project requirements for shadow vehicles can be found in the project GENERAL NOTES for Item 502, Barricades, Signs and Traffic Handling.

2. Emplacement of buried lines shall be a minimum of 36 inches below the flow line of the existing ditch. For installations parallel to the right-of-way, the utility shall be located within three (3) feet of the edge of the right-of-way, unless otherwise approved by the County.
3. All placement of lines beneath roadways and asphalt or concrete paved driveways shall be jacked or bored. No open cut will be allowed within five feet of the edge of roadways or such driveways. Open cuts on unpaved driveways shall be performed only with a trenching machine and shall not be excavated. In such cases the trench shall be backfilled and compacted. The driveway surface shall be restored to its original condition. Any variance to these requirements shall have the Commissioners' Court approval.

GENERAL NOTES

1. Flags attached to signs where shown are REQUIRED.
2. All traffic control devices illustrated are REQUIRED, except those denoted with the triangle symbol may be omitted when stated elsewhere in the plans, or for routine maintenance work, when approved by the Engineer.
3. Inactive work vehicles or other equipment should be parked near the right-of-way line and not parked on the paved shoulder.
4. A Shadow Vehicle with a TMA should be used anytime it can be positioned 30 to 100 feet in advance of the area of crew exposure without adversely affecting the performance or quality of the work. If workers are no longer present but road or work conditions require the traffic control to remain in place, Type 3 Barricades or other channelizing devices may be substituted for the Shadow Vehicle and TMA.
5. Additional Shadow Vehicles with TMAs may be positioned off the paved surface, next to those shown in order to protect other work spaces.
6. See TCP(1-1)for shoulder work on divided highways, expressways and freeways.
7. CW31-5 "SHOULDER WORK" signs may be used in place of CW20-1D "ROAD WORK AHEAD" signs for shoulder work on conventional roadways.

The flagger also should be visible to other road users. The flagger should be stationed sufficiently in advance of the workers to warn them (for example, with audible warning devices such as horns or whistles) of approaching danger by out-of-control vehicles. The flagger should stand alone, away from other workers, work vehicles or equipment.*

Option

07 At spot lane closures where adequate sight distance is available for the reasonably safe handling of traffic, the use of one flagger may be sufficient.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of $0.496021 per $100 valuation has been proposed by the Commissioners Court of Waller County.

PROPOSED TAX RATE	$0.496021 per $100
NO-NEW-REVENUE TAX RATE	$0.492082 per $100
VOTER-APPROVAL TAX RATE	$0.511316 per $100

The no-new-revenue tax rate is the tax rate for the 2024 tax year that will raise the same amount of property tax revenue for Waller County from the same properties in both the 2023 tax year and the 2024 tax year.

The voter-approval rate is the highest tax rate that Waller County may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Waller County is proposing to increase property taxes for the 2024 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 18, 2024 at 9:00 AM at the Waller County Joe Kuciemba Annex located at 425 FM 1488 in Hempstead, Texas 77445.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Waller County is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Commissioners Court of Waller County at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount= (tax rate) x (taxable value of your property)/100

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by Waller Co year to the taxes proposed to be imposed on the average residence homestead by Waller County, Texas this year.

	2023	2024	Change
Total tax rate (per $100 of value)	$0.522943	$0.496021	decrease of -0.026922 per $100 or -5.15%
Average homestead taxable value	$243,642	$275,614	increase of $13.03%
Tax on average homestead	$1,275,20	$1,367.10	increase of $91.90, or 7.21%
Total tax levy on all properties	$58,000,498	$62,676,286	increase of $4,675,788, or 8.06%

No-New-Revenue Maintenance and Operations Rate Adjustments

Indigent Health Care Compensation Expenditures

The Waller County spent $205,573 from July 1, 2023 to June 30, 2024 on indigent health care compensation expenditures at the increased minimum eligibility standards, less the amount of state assistance. For the current tax year, the amount of increase above last year's enhanced indigent health care expenditures is $55,606. This increased the no-new-revenue maintenance and operations rate by $0.000475/$100.

For assistance with tax calculations, please contact the Tax Assessor for Waller County at 730 9th Street in Hempstead Texas 77445, phone 979-826-7620, email: e.shelburne-tax.@wallercounty.us or visit https://www.co.waller.tx.us/page/TAC.Main for more information.

WALLER COUNTY

County Engineer

MEMORANDUM

To: Commissioners Court

From: J. Ross McCall, P.E.

Date: August 14, 2024

Re: Riley Road Over Birch Creek Draw (12-237-0AA-0313-002)
Engineering Services Selection

The referenced bridge has experienced unforeseen damage resulting in partial closure. As a result, necessary and appropriate traffic has been obstructed by this incident.

Given the emergency situation, I researched three engineering companies to provide design services for bridge replacement. Each company, or key personnel, has had prior experience working with the Waller County Road and Bridge staff. I ranked each of the companies based on prior work experience, ability to provide services, qualifications of key staff, and anticipated delivery schedule. IEA, Inc. ranked highest based on their knowledge of county resources, local government delivery schedules and TxDOT technical experience.

I recommend awarding engineering design services to IEA, Inc. for this bridge project.

Regardless of whether We return the Trade Vehicle(s) or have already sold it, You shall be responsible for paying to Us the Balance Owed on the Trade Vehicle(s) if We have paid the Balance Owed to the Lienholder and for any reasonable expenses incurred by Us in connection with preparing or reconditioning the Trade Vehicle(s) for sale. Any remedies in this Paragraph 9 shall be in addition to, and not in lieu of, any other remedies available under the Retail Purchase Agreement or at law or equity. Any waiver of all or part of a remedy hereunder is not a continuing waiver. If the actual amount You owe to Us is greater than the amount of the down payment and/or proceeds from the sale of Your Trade Vehicle(s), You agree to pay the difference to Us upon demand and if the actual amount You owe is less, then We will pay the difference to You.
10. **Security Agreement:** Purchaser hereby grants the Dealership, its successors and assigns, a security interest in the Vehicle, equipment and accessories to be purchased pursuant to this Agreement, and such security interest shall remain in effect until all sums due hereunder have been paid in full.

1.0 NOTICE OF INTENT

Contracts awarded pursuant to this RFP comply with the Education Department General Administrative Regulations (EDGAR), 2 C.F.R. §§ 200.318-326. It is the intent of Harris County Department of Education (HCDE) to award one or more contract(s) as a result of this RFP for use by HCDE/CP and/or CP members. Product(s) and/or services considered for award shall equal or exceed a minimum quality level of industry standard(s) as defined within this RFP, including **Section 6.0 Scope of Proposal**, and shall comply with all applicable federal, state and local technical, environmental, and performance standards and specifications.

Further, it is the intent of HCDE/CP to allow CP members to "piggyback" onto any existing contract between HCDE and Vendor entered into pursuant to this RFP, as contemplated in United States Department of Agriculture Memorandum SP35-2012, Procuring Services of Purchasing Cooperatives, Group Purchasing Organizations, Group Buying Organizations, etc., June 12, 2012 ("SP 35-2012"). Accordingly, pursuant to HCDE's membership agreements with CP members (as permitted under the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and similar statutes in other states), CP members are authorized to enter into separate and independent contracts with Vendor that employ the same negotiated terms and conditions contained in an existing contract(s) between HCDE and Vendor. Further, it is the intent of HCDE/CP to comply with the most restrictive federal (EDGAR) or state (FASRG) rule or regulation, and HCDE/CP intends to conduct a cost or price analysis in connection with every procurement action using federal funds.

1.1 **The initial base term of the prospective contract is a period of one calendar year, and HCDE/CP may elect to extend any contract awarded pursuant to this RFP for up to three additional one-year renewal terms.**

1.2 In this RFP and in the Contract, the following terms shall mean as follows:

1.2.1 "**HCDE**" means the Harris County Department of Education, a county school district established under the laws of the State of Texas; 6300 Irvington Blvd., Houston, Texas 77022.

1.2.2 "**CP**" means Choice Partners cooperative, a national cooperative purchasing program and division of HCDE. HCDE/CP is a local governmental agency, as that term is used in SP 35-2012.

1.2.3 "**CP member(s)**" means the non-profit entities, public and private schools (including independent school districts and charter schools), education service centers, colleges, universities, municipalities, counties, political subdivisions, and other governmental entities and agencies throughout the United States that have followed local governing authority allowing them to utilize contracting vehicles procured and administered by HCDE, pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and similar statutes in other states.

1.2.4 "**Vendor(s)**" means the proposer(s) responding to this RFP and vendor(s) to whom a contract has been awarded as a result of this RFP by HCDE. A responsible vendor is a vendor who has adequate financial resources (or the ability to obtain such resources), can comply with the delivery requirements, and is a qualified and established firm regularly engaged in the type of business that provides the product(s) /service(s) listed herein.

1.2.5 "**Contract**" means the contract terms and conditions in **Section 5.0 Contract Terms and Conditions**, as further defined in the Entire Agreement provision of Section 5.0. A contract is exclusively between HCDE/CP and Vendor. Under no circumstances shall Vendor submit for approval or otherwise utilize the Contract via the Statewide Procurement Division's Texas Multiple Award Schedule (TXMAS) Program and/or Texas SmartBuy without notifying CP of the submittal. All existing contracts shall be made available to CP members to review and copy. Further, all records, reports, and other documents related to HCDE/CP's competitive procurement of existing contracts shall also be made available to CP members to review and copy.

1.2.6 **"Supplemental Contract"** means a separate, supplemental contract entered into between a CP member and the Vendor, which utilizes the negotiated terms and conditions contained in the existing competitively-procured contract(s) between HCDE/CP and Vendor. Supplemental Contracts may further define the level of service and/or product requirements over and above the minimum defined in the Contract and the RFP, including, without limitation, invoice requirements, ordering requirements, on-campus service, specialized delivery,

discounted pricing, etc. Supplemental Contracts may be a Purchase Order issued by a CP member. Supplemental Contracts are exclusively between a CP member and Vendor and are executed pursuant to the piggyback method delineated in SP35-2012. Vendor shall immediately notify HCDE/CP of all Supplemental Contracts entered into with a CP member.

1.2.7 **"Best Value"** means the method by which a contract, if any, is awarded, in accordance with applicable laws, rules, and regulations. Best Value includes multiple parameters, including experience, references, quality of the Vendor's product(s)/service(s), and price, as detailed in **Section 4.0 Evaluation and Award**.

1.2.8 **"HCDE/CP Administrative Fee" or "HCDE/CP Fee"** means the fee paid by Vendors to HCDE/CP for the limited purpose of funding the total administrative costs of the HCDE/CP program. HCDE/CP will invoice the Vendor for the HCDE/CP Administrative Fee of 2 percent. The HCDE/CP Fee must be included in the Vendor's price submitted in its proposal in response to this RFP. All rebates, discounts, and other applicable credits from the Vendor resulting from Supplemental Contract(s) shall accrue exclusively to CP members.

1.2.9 **"Purchase Order" or "PO"** means the agreed-upon purchase order between HCDE's or the CP member and the Vendor. Special terms and conditions agreed to by the Vendor and HCDE/CP or the CP member may be added as addendums to the PO, including such items as requirements concerning certificates of insurance, bonding, and small or disadvantaged business goals.

1.2.10 **"Premium Hours"** means those hours not included in Regular Hours or federal holidays. Premium Hours must be approved by HCDE/CP or the CP member for each Purchase Order.

1.2.11 **"Regular Hours"** means the hours between 7 a.m. and 6 p.m. Monday thru Friday, excluding the following holidays: Presidents' Day, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and New Year's Day.

2.0 INTRODUCTION TO CHOICE PARTNERS COOPERATIVE

2.1. Description of CP members

2.1.1 Contract(s), if any, awarded as a result of this RFP will be available for use by HCDE/CP. Additionally, contract(s) awarded as a result of this RFP will also be available for use by CP members pursuant to the piggyback method delineated in SP 35-2012. HCDE/CP, a local governmental entity, currently has more than 1800 members and keeps growing every day. Many CP members constitute "school food authorities," as that term is used in SP 35-2012.

Contract(s), if any, awarded as a result of this RFP will be available to CP members to review and copy on an "as needed" basis from a list of contracts that have been competitively procured and awarded to Vendors based on the selection criteria set forth in Section 4.0 Evaluation and Award. All related records, reports, and documents related to the competitive procurement of any contract(s) awarded as a result of this RFP will also be available to CP members to review and copy on an "as needed" basis.

2.1.2 By allowing eligible entities to piggyback onto existing contract(s) between HCDE/CP and Vendors, those entities can accomplish the legally-required competition for contracts of commonly purchased products and services, thereby saving the individual entity the cost of going through the procurement process. Vendors benefit as well by having a multi-year contract and by saving the time and expense of going through the procurement process for each individual participating governmental entity. The specific scope of work for each Supplemental Contract/Purchase Order shall be determined in advance and in writing between the CP member and the Vendor.

2.1.3 Pursuant to TEX. GOV'T. CODE Chapter 791, the Interlocal Cooperation Act, and similar statutes of other states, as well as directives issued by the Texas Department of Agriculture and the United States Department of Agriculture, HCDE/CP and CP members participate in an Interlocal Contract to provide governmental functions and services, including procurement services, which permits CP members to make purchases using contracts procured by HCDE.[1] **A local government that purchases products and services under the Interlocal Cooperation Act satisfies the requirement of the local government to seek competitive bids for the purchase of the products and services.** TEX. GOV'T. CODE § 791.025(c). An interlocal contract between a governmental entity and a purchasing cooperative may not be used to purchase engineering or architectural services. TEX. GOV'T. CODE § 791.011(h).

2.1.4 **Contracts Involving Federal Funds**

---

[1] *See, e.g.,* TEX. EDUC. CODE § 44.031(a)(4) ("all school district contracts for the purchase of goods and services, except contracts for the purchase of produce or vehicle fuel, valued at $50,000 or more in the aggregate for each 12-month period shall be made by the method...that provides the best value for the district[, including] an interlocal contract"); TEX. EDUC. CODE § 51.9335(a)(4) (each institution of higher education, as that term is defined by Tex. Educ. Code § 61.003, including each public junior college to the extent possible, "may acquire goods or services by the method that provides the best value to the institution, including... a group purchasing program."); TEX. EDUC. CODE § 73.115(a)(4) (University of Texas at Houston "may acquire goods or services by the method that provides the best value to the institution, including... a group purchasing program."); TEX. EDUC. CODE § 74.008(a)(4) (University of Texas Medical Branch at Galveston "may acquire goods or services by the method that provides the best value to the medical branch, including...a group purchasing program."); TEX. LOCAL GOV'T. CODE Chapter 271 (Purchasing and Contracting Authority of Municipalities, Counties, and Certain Other Local Governments); TEX. LOCAL GOV'T. CODE Chapter 262 (Purchasing and Contracting Authority of Counties); 2 C.F.R. § 200.318(e) General Procurement Standards ("To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal Government, the non-federal entity is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. Competition requirements will be applied to documented procurement actions using strategic sourcing, shared services, and other similar procurement arrangements"); Texas Department of Agriculture, *Participation on Purchasing Cooperatives*, May 9, 2014, Angela Olige; United States Department of Agriculture Memorandum SP35-2012, *Procuring Services of Purchasing Cooperatives, Group Purchasing Organizations, Group Buying Organizations, etc.*, June 12, 2012.

Because at the time of procurement, HCDE/CP is unable to determine which of its procurements/contracts will be used by CP members using federal funds, HCDE/CP intends to competitively procure each and every contract awarded by HCDE/CP under Section 44.031 of the Texas Education Code and intends to comply with EDGAR for every procurement action. To comply with EDGAR, HCDE/CP will make an independent estimate of the value of goods or services in the current market before receiving bids or proposals. After HCDE/CP receives bids and proposals but before awarding a contract, HCDE/CP will also conduct a price or cost analysis and document its findings. For contracts at or above the simplified acquisition threshold (currently set at $250,000), CP members must verify that HCDE/CP fulfilled its requirement to conduct a cost or price analysis in order to benefit from the ability to purchase goods and services from CP directly without the need for additional procurement activities or documentation. HCDE/CP will provide its Independent Estimate Determination Form and Determination of Cost or Price Reasonableness Form to a CP member upon request, but HCDE/CP recommends that when circumstances necessitate separate evaluation of lump-sum pricing, CP members also conduct an independent evaluation of cost or price reasonableness tailored to the CP member's specific purchases so that the CP member can independently determine the reasonableness of the cost/price of the particular purchase. Stated differently, if the CP member's verification of CP's compliance with EDGAR reveals that the lump-sum price includes goods or services for which CP could not have performed a cost or price analysis, the Choice member should conduct an independent cost or price analysis.[2]

HCDE/CP maintains and uses documented procurement procedures, consistent with State, local and tribal laws and regulations and standards of 2 CFR Part 200, for the acquisition of property or services required under a Federal award or subaward as detailed in 2 CFR § 200.318. HCDE/CP's documented procurement procedures conform to the procurement standards identified in §§ 200.317 through 200.327 of subpart D—Post Federal Award Requirements.

2.2. **Financing of HCDE/CP**

2.2.1. HCDE/CP does not charge membership fees to CP members.

2.2.2. The total cost of the HCDE/CP program is funded through the HCDE/CP Administrative Fee paid to HCDE/CP by Vendors. The HCDE/CP Fee is based on a percentage of vendor sales, less special insurance and required bonding, if applicable.

2.2.3. HCDE/CP will provide limited oversight in assisting both CP members and Vendors in marketing to CP members, training (education), and provide, at a minimum, an annual review of each Vendor. This service will be paid for out of the HCDE/CP Fee. HCDE/CP will not market or sell directly for Vendors.

2.2.4. All rebates, discounts, and other applicable credits that are granted by Vendors as a result of Supplemental Contracts shall accrue exclusively to CP member(s).

2.2.5. **Vendor expressly agrees that HCDE/CP may disclose Vendor's proposal, including, but not limited to, pricing information, to other governmental entities/CP members.**

2.3. **HCDE/CP Procedures**

2.3.1. Contracts are awarded through fair and open competition in compliance with applicable procurement rules and regulations.

2.3.2. The CP member sends a proposal request to the Vendor.

2.3.3. The Vendor prepares and sends to the CP member its proposal. The CP member conducts an evaluation of cost or price reasonableness, if the CP member is using $250,000 or more of federal funds and an independent cost/price evaluation is necessary.

2.3.4. The Vendor and the CP member agree on a Purchase Order. Purchase Orders/Supplemental Contracts are reported and sent by individual CP members to the Vendor and to HCDE/CP, where they are logged and filed.

2.3.5. The Vendor delivers product(s)/service(s) directly to the CP member and then invoices the CP member.

2.3.6. The Vendor receives payment directly from CP member.

2.3.7. The Vendor reports the sales through the contract to HCDE/CP.

4.0 EVALUATION AND AWARD

4.1. **Award of Contract**
In accordance with applicable laws, rules, and regulations for public procurement, award(s) will be made to the responsible Vendor(s) whose proposal(s) is/are determined after evaluation by HCDE/CP to be the best value to HCDE/CP and to CP members. To qualify for evaluation, a proposal must have been submitted on time and must materially satisfy all mandatory requirements identified in this document.

4.2. **Competitive Range**
It may be necessary for HCDE/CP to establish a competitive range of acceptable proposals as part of the evaluation process. Proposals not in the competitive range are unacceptable and will not receive further award consideration.

4.3. **Conflict of Interest – EDGAR**
In accordance with federal EDGAR requirements, 2 CFR § 200.318(c)(1), no employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

The officers, employees, and agents of HCDE may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, through HCDE's written procedures, HCDE has set a de minimis amount of less than $50 per year for items that are unsolicited and of minimal value and promotional items.

Violations of this standard by an employee will be reported to the Superintendent's Office and addressed through HCDE's personnel policies. Violations of this standard by an officer or the Superintendent shall be addressed to the **Board President and addressed through HCDE Board policies.**

4.4. **Deviations and Exceptions to Requirements**

THE EXCEPTIONS SHOULD BE UPLOADED INTO THE RESPONSE ATTACHMENTS SECTION OF THE EBID SUBMISSION.**

4.5. **Clarification and/or Discussions**
HCDE/CP may request clarification from Vendor(s) for the purpose of eliminating minor errors, clerical errors, and/or non-substantive irregularities. Clarification does not give a Vendor the opportunity to revise, change, or modify its proposal in any way except to the extent of correction of the error. Discussion between HCDE/CP and Vendor can also take place after the initial receipt of proposals. HCDE/CP reserves the right to conduct discussions with all, some, or none of the Vendor submitting proposals. HCDE/CP will not assist the Vendor in the revision or modification of its proposal, nor will HCDE/CP assist the Vendor in bringing its proposal to the same level of other proposals received by HCDE/CP. Negotiations or discussions, if any, will not consist of a back-and-forth exchange resulting in contract, but rather will seek clarification or obtain equivalent elements.

Questions related to the RFP can be submitted online at https://www.choicepartners.org/current-rfps no later than five (5) business days prior to the submittal deadline date. All submitted questions and answers will be listed online. Questions will not be answered verbally or by phone.

4.6. **No Guarantee of Quantities**
HCDE/CP makes no guarantee or commitment of any kind concerning quantities that will actually be purchased under this RFP and the resulting contract, if any. HCDE/CP makes no guarantee or commitment of any kind regarding usage of any contracts resulting from this RFP.

4.7. **Minority and Women's Business Enterprise (MWBE), Historically Under-utilized Business (HUB) and Small Business Enterprise (SBE) Participation**

HCDE/CP encourages the use of HUB, MWBE, and SBE both as prime and subcontractors. However, these entities must meet the same minimum standards and requirements as the prime contractor. It will be the responsibility of the prime contractor to pre-qualify any subcontractors offered as HUB, MWBE and SBE participants. Some CP members have specific goals for subcontracting requirements and will require that a plan be attached to meet their goals. The Vendor shall also indicate on their submitted proposals whether or not they are a HUB, MWBE, or SBE vendor and with whom they are certified, e.g., State, City, Federal, and attach a copy of the certificate(s) under "Response Attachments" section of the eBid system.

When federal funds are expended by HCDE or any CP member, Vendor is required to take all affirmative steps set forth in 2 CFR 200.321 to solicit and reach out to small, minority and women owned firms for any subcontracting opportunities, including:

a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
b) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
d) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
e) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

4.8. **Formation of Contract (Execution of Offer)**

A response to this RFP is an offer to contract with HCDE/CP based upon the terms, conditions, scope of work, and specifications contained in this RFP. An RFP does not become a contract unless and until it is accepted by HCDE/CP after approval by the HCDE Board of Trustees. A contract is formed when either HCDE's Superintendent or Assistant Superintendent for Business Support Services signs the Signature Form. The Vendor must submit a signed Signature Form, thus eliminating the need for the formal signing of a separate contract.

4.9. **Multiple Awards**

HCDE/CP reserves the right to award contracts to multiple vendors. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with HCDE/CP. HCDE/CP may make multiple awards; this fact should be taken into consideration by each Vendor.

4.10. **Non-Exclusive Contract**

Any contract resulting from this RFP is non-exclusive and shall be awarded with the understanding and Contract that it is for the sole convenience of HCDE/CP and CP members. HCDE/CP and CP members are free to have multiple contracts for the awarded products and/or services and may initiate other procurement solicitations or procurement activity with other suppliers at any time, at HCDE's or CP members' sole discretion.

4.11. **Disqualification**

A Vendor may be disqualified before or after the proposals are opened upon evidence of collusion with the intent to defraud or evidence of intent to perform other illegal activities for the purpose of obtaining an unfair competitive advantage. A Vendor may also be disqualified before or after the proposals are opened in the event Vendor is out of compliance with an existing contract with HCDE/CP.

4.12. **Environmental Initiatives**

HCDE/CP is committed to reducing waste and promoting energy conservation. Toward that end, Vendors responding to this solicitation are encouraged to provide their company's environmental policy and green initiative.

4.13. **Interpretation**

This solicitation represents the basis for any award and supersedes all prior offers, negotiations, exceptions and understandings (whether orally or in writing). Submitted proposals should be self-explanatory and should not require any clarification or additional information.

4.14. **No Return of Proposals**

Once submitted, HCDE/CP will not return proposals to Vendor.

4.15. **Non-Collusion Statement**

Vendors are required to certify a **Non-Collusion Statement**. 4.16. **Preferences**

HCDE/CP may apply applicable preferences for Texas resident Vendors in the event of a tie bid. Preferences must be explicitly claimed by Vendor and may not be applicable in procurements and/or contracts involving federal funds unless the procurement and/or contract involves unprocessed locally grown or locally raised agricultural products for use by HCDE/CP in a Child Nutrition Program. *See* TEXAS GOV'T. CODE §2252.001-.004; 2 C.F.R. § 200.319.

A Responsible Vendor is a vendor who has adequate financial resources (or the ability to obtain such resources), can comply with the delivery requirements, and is a qualified and established firm regularly engaged in the type of business that provides the items listed herein. When determining if a vendor is responsible, HCDE/CP will consider the proposer's integrity, compliance with public policy, record of past performance, and financial and technical resources.

4.18. **Responsive Proposal**

Proposals shall be deemed responsive if they comply with all material and administrative aspects of this RFP.

4.19. **Similar Products or Materials**

Whenever product(s) and/or material(s) are referred by HCDE/CP in this solicitation by describing a proprietary product or by using the name of a manufacturer or brand name, the term "or equal" if not inserted shall be implied, as applicable. The specified product(s) and/or material(s) shall be understood as indicating type, function, minimum standard of design, efficiency and quality desired and shall not be construed as to exclude other manufactured products or comparable quality, design and efficiency, as applicable.

4.20. **Appeal/Protest Process**

Any Vendor who submitted a proposal may appeal HCDE's award, if the appeal is based on deviations from laws, rules, regulations, or HCDE Board policies. HCDE Board Policy GF (Local) applies to any Vendor wishing to appeal a proposal and/or award of a contract. In accordance with Policy GF (Local), a Vendor shall submit a complaint/appeal form by hand-delivery, fax, or U.S. mail, to HCDE's Director of Choice Partners. 4.21. **Evaluation of Proposals**

These Contract Terms and Conditions are part of the final contract in each product and/or service contract awarded as a result of this RFP and are part of the terms and conditions of each Purchase Order or proposal forms issued in connection with this RFP. Vendors are responsible for identifying any exceptions to these terms and conditions. **ANY EXCEPTIONS MUST BE NOTED DIRECTLY BELOW EACH OF THE RESPECTIVE TERMS AND CONDITIONS, REDLINED IN "RED" AND UPLOADED INTO THE RESPONSE ATTACHEMENTS SECTION OF THE EBID SUBMISSION.** Proposals that are qualified with conditional clauses, items not called for, or other irregularities may be considered non-responsive by HCDE/CP and eliminated from further consideration.

CONTRACT BETWEEN
HARRIS COUNTY DEPARTMENT OF EDUCATION AND
("VENDOR")
FOR
TECHNOLOGY PRODUCTS AND SERVICES

This Contract is entered into between HCDE/CP and Vendor, having submitted a proposal in response to this RFP issued by HCDE/CP and whose proposal has been accepted and awarded by HCDE. In consideration of the mutual covenants and conditions contained in this Contract and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, HCDE/CP and Vendor, intending to be legally bound, and subject to the terms, conditions, and provisions of this Contract, agree as follows:

5.1. **Definitions**
The terms used in this Contract shall have the meanings assigned to them in **Section 1.0 Notice of Intent** of the RFP.

5.2. **Use of Contract by CP members**
Vendor agrees and understands that this RFP and Contract may be used to accomplish work for HCDE/CP, a local governmental entity. Vendor further agrees and understands that this RFP and Contract may also be utilized by CP members pursuant to the piggyback method, as contemplated in the U.S. Department of Agriculture Memorandum SP 35-2012, *Procuring Services of Purchasing Cooperatives, Group Purchasing Organizations, Group Buying Organizations, etc.* ("SP 35-2012). Vendor agrees and understands that CP members include "school food authorities," as that term is used in SP 35-2012.

5.3. **Contract Terms; Amendment**
The terms and conditions of this Contract shall govern all procurements conducted hereunder. No pre-published terms on Vendor's Purchase Order, acknowledgments, invoices, or other forms shall have any force or effect unless expressly agreed to by the CP member and Vendor. No amendment of this Contract shall be permitted unless and until first approved in writing by HCDE/CP and, if necessary, the CP member(s), and no such amendment shall have any effect unless and until a written amendment to this Contract is executed by the HCDE Superintendent or his designee after any necessary approvals have been obtained from the HCDE Board of Trustees. In the event that a Vendor has an existing HCDE/CP contract in the same contract title, upon award the new contract will immediately supersede the older contract.

5.4. **Term of Contract; Renewal of Contract**
The initial term of this Contract is for a period of one (1) year, with HCDE/CP having the option to renew the Contract for three (3) additional one-year terms, at HCDE's sole discretion, unless otherwise specified in **Section 6.0 Scope of Proposal**. Consequently, the total term of the Contract may be for a period of **four (4)** years. The phrase "Term" in this Contract shall mean the then-current Term of the Contract, whether an initial term or a renewal term.

5.5. **Termination of Contract; Survival**
This Contract shall remain in effect until (1) the Contract expires by its terms or (2) the Contract is terminated by mutual consent of HCDE/CP and Vendor. All Supplemental Contracts, purchase orders, and/or orders for goods or services issued by HCDE and/or CP members and accepted by Vendor shall survive the expiration or termination of this Contract. During the term of any Supplemental Contract entered into between Vendor and a CP member, all terms of this Contract shall continue to apply to the Supplemental Contract.

In the event of a breach or default of the Contract and/or the RFP by Vendor, HCDE/CP reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of HCDE/CP and/or CP members. HCDE/CP further reserves the right to terminate the Contract immediately in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the RFP, this Contract, and/or a Purchase Order; (2) make any payments owed; or (3) otherwise perform in accordance with this Contract and/or the RFP. HCDE/CP also reserves the right to terminate the Contract immediately, with written notice to Vendor, if HCDE/CP believes, in its sole discretion that it is in the best interest of HCDE/CP and/or CP members to do so.

In the event that a material change to the terms of the Contract occurs, then the Contract shall be allowed to expire and shall not be renewed upon the conclusion of the Contract's term. The phrase "material change" in this paragraph shall mean a modification that substantially exceeds the terms of the original contract between HCDE/CP and Vendor. Upon the expiration of the Contract's term, HCDE/CP may issue a new RFP for the goods or services procured under the previous contract.

Vendor agrees that HCDE/CP shall not be liable for damages in the event that HCDE/CP declares Vendor to be in default or breach of this Contract and/or the RFP. Vendor further agrees that upon termination of the Contract for any reason, Vendor shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Vendor.

5.6. **Prevailing Wage Rates**

Vendor and all subcontractors of Vendor shall comply with all laws regarding prevailing wage rates, including, but not limited to, TEX. GOV'T. CODE Chapter 2258, applicable to the construction of a public work, and any related federal requirements, including the DAVIS-BACON ACT. In the event TEX. GOV'T. CODE Chapter 2258 applies to a product or service provided by Vendor to HCDE/CP or a CP member, Vendor and any subcontractor(s) shall comply with the prevailing wage rates set by HCDE/CP or the CP member.

5.7. **Change Orders**

Pursuant to TEX. EDUC. CODE § 44.0411(a), for HCDE/CP and CP members that are Texas school districts, if a change in plans or specifications is necessary after the performance of a Purchase Order has begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the CP member may approve change orders making the changes. The total Purchase Order price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants. The CP member may grant general authority to an administrative official to approve the change orders. A Purchase Order with an original contract price of $1 million or more may not be increased under TEX. EDUC. CODE § 44.0411(a) by more than 25 percent. If a change order for a Purchase Order with an original contract price of less than $1 million increases the contract amount to $1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

5.8. **Compliance with Laws**

Vendor shall comply with all applicable federal, state, and local laws, statutes, ordinances, standards, orders, rules, and regulations, including, as applicable, workers' compensation laws; minimum and maximum salary and wage statutes and regulations; prompt payment and licensing laws and regulations; anti-discrimination statutes and regulations (Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 C.F.R. Part 5; the Solid Waste Disposal Act (Section 6002 as amended by the Resource Conservation and Recovery Act for procuring solid waste management services in a manner that maximizes energy and resource recovery when contract amount is in excess of $10,000); the Education Department General Administrative Regulations ("EDGAR")/Uniform Guidance (2 C.F.R. Part 200); mandatory standards and policies contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871); and all applicable requirements and regulations, including those related to reporting, patent rights, copyrights, data rights, and those mandated by federal agencies making awards of federal funds to HCDE/CP

and/or CP members, including, without limitation, the U.S. Department of Agriculture and/or Texas Department of Agriculture. Vendor understands that Vendor is ineligible to receive a contract award with HCDE/CP if Vendor or its principal(s) is listed on the government wide exclusions in the System for Award Management (Debarment and Suspension Orders Executive Orders 12549 and 12689) or is 30 days or more delinquent in paying child support (Tex. Fam. Code § 231.006). For the entire duration of this Contract, Vendor and all subcontractors shall maintain all required licenses, certifications, permits, and any other documentation necessary to perform this Contract. All permits will be acquired by Vendor and invoiced to the CP member at cost as part of the Purchase Order, unless the permits are provided by the CP member. For the entire duration of this Contract, Vendor and all subcontractors shall also comply with all requirements pertaining to local, state, or federal health and safety certifications, licensing, or regulations. Vendor must comply with all state and local building code requirements unless otherwise specifically provided in the CP member's Purchase Order, and Vendor must pay all fees and charges for connections to outside services and for use of property outside the project site. The states of individual CP members may have regulations and laws that govern payment retention and progress payments for public projects. Vendor is responsible for being acquainted with and complying with each state's requirements. When required or requested by HCDE/CP or a CP member, Vendor shall furnish HCDE/CP and/or the CP member with satisfactory proof of Vendor's compliance with this provision.

5.9. **Confidentiality**

Vendor and HCDE/CP agree to secure the confidentiality of all information and records in accordance with applicable federal and state laws, rules, and regulations. Vendor and HCDE/CP understand that the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, governs the privacy and security of educational records and information and agree to abide by FERPA rules and regulations, as applicable. Vendor also acknowledges that HCDE/CP and numerous CP members are subject to the Texas Public Information Act, and Vendor waives any claim against and releases from liability HCDE/CP and CP members, their respective officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by Vendor, HCDE, or a CP member and determined by HCDE/CP or the CP member, the Attorney General of Texas, or a court of law to be subject to disclosure under the Texas Public Information Act.

5.10. **Performance and Payment Bonds – Construction/public works projects only**

Vendor agrees to provide performance bonds and/or payment bonds as required by law, based on the amount or estimated amount of any Purchase Order for a public work contract, which is defined as a contract for constructing, altering, or repairing a public building or carrying out or completing any public work. TEX. GOV'T. CODE § 2253.001(4). Pursuant to TEX. GOV'T. CODE § 2253.021, a performance bond is required if a Purchase Order is in excess of $100,000 for CP members that are governmental entities subject to Chapter 2253; a payment bond is required if a Purchase Order is in excess of $25,000 for CP members that are governmental entities subject to Chapter 2253 and are not municipalities or a joint board created under Subchapter D, Chapter 22 of the Tex. Transp. Code, and a payment bond is required if a Purchase Order is in excess of $50,000 for CP members that are governmental entities subject to Chapter 2253 and are municipalities or a joint board created under Subchapter D, Chapter 22 of the TEX. TRANSP. CODE.

5.11. **Title and Risk of Loss**

Whenever HCDE/CP or a CP member is purchasing (and not leasing) a product under this Contract, title and risk of loss shall pass upon the later of HCDE/CP or the CP member's acceptance of the product or payment of the applicable invoice.

5.12. **Warranty Conditions**

All product(s) and/or service(s) provided by the Vendor under this Contract must be warranted to be free from defects in material, workmanship, and free from such defects in design for a period of one (1) year upon the later of HCDE's or the CP member's acceptance of the product and/or service or payment of the applicable invoice. Vendor warrants that all products and/or services furnished under this Contract shall conform in all respects to the terms of this Contract, including any drawings, specifications, and/or standards incorporated herein, including, without limitation, those detailed in the RFP and Purchase Order. In addition, Vendor warrants that products and/or services are suitable for and will perform in accordance with the purposes for which they are intended. Vendor shall assume all liabilities incurred within the scope of consequential damages and incidental expenses, as set forth in the Vendor or manufacturer's warranty, which result from either delivery or use of product, which does not meet the specifications within this Contract, the RFP, or Purchase Order.

5.13. **Criminal History Review**
Section 10.0 Attachment–SB 9 Contractor Certification: Contractor Employees (Required) and Attachment–SB 9 Contractor Certification: Subcontractor Form (If Applicable) must be submitted with packet, if applicable.

Prior to commencing any work under the Contract, if Vendor contracts with HCDE/CP to provide services, Vendor must certify, on the form provided herein, that for each covered employee of Vendor who will have direct contact with students, Vendor has obtained, as required by TEX. EDUC. CODE Section 22.0834: (a) state criminal history record information from a law enforcement or criminal justice agency or a private entity that is a consumer reporting agency governed by the Fair Credit Reporting Act (15 U.S.C. Section 1681 et seq.) for each covered employee of Vendor employed before January 1, 2008; and (b) national criminal history record information for each employee of Vendor employed on or after January 1, 2008. Vendor must also obtain similar certifications of compliance with TEX. EDUC. CODE, Chapter 22 requirements from any subcontractors on the form provided herein. Covered employees with disqualifying criminal history are prohibited from serving at HCDE/CP or at CP school district members' locations; Vendor and any subcontracting entity may not permit a covered employee to provide services at a school if the employee has been convicted of a felony or misdemeanor offense that would prevent a person from being employed under TEX. EDUC. CODE § 22.085(a) (i.e., Title 5 felony or an offense requiring registration as a sex offender and victim was under 18 years of age or was enrolled in a public school at the time the offense occurred). Covered employees do not include employees of a contracting or subcontracting entity that is providing engineering, architectural, or construction services on a project to design, construct, alter, or repair a public work if: (1) the public work does not involve the construction, alteration, or repair of an instructional facility as defined by Texas Education Code Section 46.001; (2) the employee's duties will be completed more than seven (7) days before a new instructional facility will be used for instruction; or (3) for an existing instructional facility, the work area contains sanitary facilities separated from all areas used by students by a fence at least six (6) feet high, and the Contractor adopts, informs employees of, and enforces a policy prohibiting employees and any subcontractor's employees from interacting with students or entering areas used by students. Tex. Educ. Code §§ 22.0834(a-1), .08341. The criminal history record information review obligation applies only if Vendor contracts with HCDE/CP to provide services; it does not apply to a contract for the purchase of goods, products or real estate.

5.14. **Customer Support**
Vendor shall provide timely and accurate technical advice and sales support to HCDE/CP staff, and CP members. Vendor shall respond to requests for customer support within one (1) business day after receipt of the request. In the event of loss, damage, or destruction of any property owned by or loaned by HCDE/CP or a CP member that is caused by Vendor or Vendor's representative, agent, employee, or contractor, Vendor shall indemnify HCDE/CP or the CP member and pay to HCDE/CP or the CP member the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Vendor's receipt of written notice of HCDE's or the CP member's determination of the amount due. If Vendor fails to make timely payment, HCDE/CP or the CP member may obtain such money from Vendor by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Vendor by HCDE/CP or the CP member.

5.16. **Tax Exempt Status**
HCDE/CP and all CP members that are Texas governmental entities or agencies are exempt from payment of Texas State Sales Taxes under TEXAS TAX CODE§ 151.310 for the purchase of tangible personal property. Laws of other states govern the tax status of CP members in states other than Texas. Vendor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, without limitation, any federal, state, or local income, sales or excise taxes of Vendor or its employees. HCDE/CP and CP members shall not be liable for any taxes resulting from this Contract, except where otherwise required by law.

5.17. **Other State Tax Requirements**

5.17.2. State and Local Transaction Privilege Taxes – The CP member is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sales of products and are the sole responsibility of Vendor, as the seller, to remit. Failure to remit taxes from HCDE/CP and/or the CP member, as the buyer, does not relieve Vendor, as the seller, from its obligation to remit taxes.

5.18. **State of Texas Franchise Tax**
By submitting a proposal in response to the RFP, Vendor certifies that Vendor is not currently delinquent in Vendor's payment of any franchise taxes or other taxes owed to the State of Texas.

5.19. **Tax Responsibilities of Vendor and Indemnification for Taxes**
Vendor is responsible for complying with the tax laws of states and the federal government. Vendor and all subcontractor(s) of Vendor shall pay all federal, state, and local taxes applicable to Vendor's operation, any persons employed by Vendor, and all subcontractors of Vendor. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs, including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Vendor.

5.20. **IRS W-9**
To receive payment under this Contract, Vendor shall have a current I.R.S. W-9 Form on file with the CP member.

5.21. **Assignment of Contract**
Vendor may not assign this Contract or any of its rights, duties or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Contract by Vendor shall be null and void. Any Purchase Order made as a result of this Contract may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Vendor without the prior written approval of HCDE/CP and, if applicable, the CP member.

5.22. **Notification of Material Change**

Vendor shall furnish all supervision, labor, tools, equipment, permits, licenses, transportation, insurance, material, and supplies necessary to complete any scope of work, Purchase Order under this Contract. Vendor shall use skilled, trained personnel, who shall be supervised by Vendor.

5.24. **Subcontractors**
If Vendor uses subcontractors in the performance of any part of this Contract, Vendor shall be fully responsible to HCDE/CP and CP members for all acts and omissions of the subcontractors. Nothing in this Contract shall create for the benefit of any such subcontractor any contractual relationship between HCDE/CP and any such subcontractor, nor shall it create any obligation on the part of HCDE/CP or CP members to pay or to see to the payment of any monies due any such subcontractor except as may otherwise be required by law. Vendor represents and warrants that it is willing, able, and capable of obtaining, supervising, and being responsible for any subcontractors who perform and/or provide products and services related to this Contract.

5.25. **Non-Appropriation**

Renewal of this Contract, if any, will be in accordance with TEX. LOCAL GOV'T. CODE § 271.903 concerning non-appropriation of funds for multi-year contracts. Notwithstanding any other provision of this Contract or obligation imposed on HCDE/CP or any CP member by this Contract, HCDE/CP and CP members shall have the right to terminate this Contract, any Supplemental Contract, or Purchase Order without default or liability to Vendor resulting from such termination, effective as of the expiration of each budget period of HCDE/CP or any CP member if it is determined by HCDE/CP or any CP member, at their sole discretion, that there are insufficient funds to extend this Contract, any Supplemental Contract, any Purchase Order. The parties agree that this Contract, any Supplemental Contract, and/or any Purchase Order are commitments of the current revenue of HCDE/CP and CP members only.

5.26. **Ordering Procedures**

Purchase Orders are issued by HCDE/CP and/or CP members to the Vendor according to this Contract and any Supplemental Contract between HCDE/CP and the CP member. CP members must send Purchase Orders to HCDE/CP, unless otherwise stipulated by HCDE/CP. HCDE/CP may request confirmation of receipt of the Purchase Order from Vendor.

HCDE/CP also may elect to require e-commerce functionality, in which Purchase Orders are sent directly to Vendor and reported by the CP member to HCDE/CP on a specified basis. The e-commerce approach must be approved by HCDE/CP prior to the start date of any Term of the Contract.

5.27. **Invoices; Payments**

5.27.1. Vendor shall submit invoices, in duplicate, directly to HCDE/CP or the CP member at the appropriate location(s) specified by HCDE/CP or the CP member. Each invoice shall include HCDE's or the CP member's Purchase Order number and HCDE/CP Contract Number. All invoices shall be itemized to include the type of product(s) and/or service(s) rendered. Vendor shall submit invoices within a timely manner during HCDE's or the CP member's fiscal year in which the product(s) and/or service(s) are purchased. The shipment tracking number or pertinent information for verification of HCDE's or the CP member's receipt shall be made available upon request by HCDE/CP or the CP member.

5.27.2. HCDE/CP or the CP member will make payments directly to Vendor. HCDE/CP or the CP member placing the Purchase Order with Vendor shall alone be liable and/or responsible for payment for product(s) and/or service(s) ordered and must be invoiced directly by Vendor. Neither HCDE/CP nor any CP member shall be liable for the indebtedness of any one CP member.

5.27.3. TEX. GOV'T. CODE § 2251.021 shall govern when payments are due to the Vendor. Payments are due to Vendor by HCDE/CP and any CP member whose governing body meets only once a month or less frequently, **within forty-five (45) days** after the later of the following: (1) the date HCDE/CP or the CP member receives the products and services under the Contract; (2) the date the performance of the service under the Contract is completed; or (3) the date HCDE/CP or the CP member receives an invoice for the products or service. For CP members whose governing bodies meet more than once a month or more often, payments are due by those CP members **within thirty (30) days** after the later of the following: (1) the date the CP member receives product(s) under the Contract; (2) the date the performance of the service under the Contract is completed; or (3) the date the CP member receives an invoice for product(s) or service(s). Vendor agrees to pay any subcontractors the appropriate share of the payment received from HCDE/CP or the CP member not later than the **tenth (10th) day** after the date the Vendor receives the payment from HCDE/CP or the CP member.

The exceptions to payments made by HCDE, a CP member, and/or Vendor listed in TEX. GOV'T. CODE § 2251.002 shall apply to this Contract.

5.27.4. In addition to all other rights and remedies that HCDE may have, HCDE shall have the right to setoff, against any and all amounts due to Vendor by HCDE, whether due under this Contract or any other agreement between HCDE (including any division of HCDE) and Vendor, any sums for which HCDE is entitled to under this Contract, as determined by HCDE in its sole discretion, including, without limitation, sums due by Vendor to HCDE as a result of indemnification obligations, warranty claims, and/or HCDE/CP Administrative Fee(s).

5.28. **Reporting**

The Vendor shall provide HCDE/CP with a detailed monthly report showing the total dollar volume of all sales under this Contract for the previous month in Microsoft Excel format, in the format and with the information specified by HCDE/CP. Reports are due on the **fifteenth (15) day of the month**, after the close of the previous month and shall provide information regarding Purchase Orders during the previous month. Vendor is responsible for collecting and compiling all sales under this Contract from all CP members and submitting **one (1)** consolidated monthly report. The monthly report shall include, at a minimum, the date of each Purchase Order, Purchase Order number, CP member name, city/town, and Purchase Order total dollar amount.

The Vendor shall provide HCDE/CP with velocity/usage reports within five (5) business days of any request by HCDE/CP for such reports.

Reports shall be submitted in an electronic format to HCDE/CP at 6005 Westview, Houston, Texas 77055, or electronically mailed to supplyreporting@choicepartners.org or if food related to foodreporting@choicepartners.org

5.29. **Pricing Changes**

All prices and discount percentages in Vendor's proposal shall be firm for the Term of this Contract. Pricing may be negotiated during the Contract renewal period. In the event Proposer's prices will be adjusted or escalated upon a renewal (if any) of the fixed-price contract awarded pursuant to this RFP, Proposer must indicate such in its proposal. Indicate any list price adjustment Vendor intends on providing during the Term of this Contract and on what it is based. For example: CPI, MSRP, Price List, Website Pricing. Vendor agrees to promptly lower the proportionate price of any product purchased through this Contract following a reduction in the price the Vendor is paying suppliers. All pricing submitted to HCDE/CP in Vendor's proposal shall include the administrative fee to be remitted to HCDE/CP by Vendor. It is Vendor's responsibility to keep all pricing up-to-date and on file with HCDE/CP. All price changes shall be presented to HCDE/CP for acceptance or rejection by HCDE/CP, in its sole discretion, using the same format as was accepted in Vendor's original proposal; all price changes for products and/or services provided under this Contract must be approved, in writing, by HCDE/CP prior to taking effect.

The following documentation shall be provided to support a request for a price change:

5.29.1. justification for change/increase
5.29.2. terms and conditions
5.29.3. market conditions

HCDE/CP reserve the right to modify the Administrative Fee at any time, upon notice to Vendor. The invoice for the Administrative Fee will be based on total sales made through this Contract. Vendor shall remit payment of the HCDE/CP Fee to HCDE/CP no later than **thirty (30)** days following the end of the month. Failure to pay the HCDE/CP Administrative Fee in a timely manner may result in Vendor breaching this Contract and may result in HCDE/CP suspending or terminating this Contract. Vendor shall honor and pay HCDE/CP the HCDE/CP Administrative Fee for any sales resulting from this Contract that occurred within **thirty (30) days** of the expiration or termination of this Contract. All rebates, discounts, and other applicable credits granted by Vendor as a result of any Supplemental Contracts entered into between Vendor and CP members shall accrue exclusively to CP member(s).

Administrative Fee Incentive Clause. The following incentives will be determined in the sole discretion of HCDE/CP and will be based on amounts actually billed by Vendor and reported for billing by CP. Vendor's failure to abide by the Contract's terms and conditions, including, without limitation, Vendor's requirement to report sales to HCDE/CP, may result in HCDE/CP voiding the Administrative Fee Incentive, in HCDE/CP's sole discretion.

Aggregate Year

- **Gross sales above $5M invoiced by Choice Partners = 1.5% for remainder of the then-current Contract Term**

- **Subsequent renewal 1-year Term = 1.75% and Vendor must maintain production of $5M to keep 1.75% fee for the next subsequent renewal 1-year Term**

Task Orders/Job Orders

- **$2M or above - 1.5% only in the Contract Term in which they are invoiced**
- **$1M or above - 1.75% only in the Contract Term in which they are invoiced**

5.31. **Records Retention**

Vendor shall maintain its records and accounts in a manner that shall assure a full accounting for all product(s) and/or service(s) provided by the Vendor to HCDE/CP and/or CP members under this Contract. These records and accounts shall be retained by Vendor and made available for review and copying by HCDE/CP and CP members for a period of **not less than three (3) years** from the date of completion of the service(s), receipt of product(s), the date of the receipt by HCDE/CP or the CP member of Vendor's final invoice or claim for payment in connection with this Contract, or the date HCDE/CP or the CP member makes final payments and closes pending matters in connection with a federal grant, whichever is later. If an audit or a compliance review has been announced, the Vendor shall retain its records and accounts until such audit or compliance review has been completed.

When federal funds are expended by HCDE or any CP member pursuant to this Contract, Vendor certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.334. Vendor further certifies that Vendor will retain all records as required by 2 CFR § 200.334 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

5.32. **Right to Review, Audit and Inspect**

HCDE/CP, CP members, any federal agency that has awarded federal funds/grant(s) to HCDE/CP or a CP member, and the Comptroller General of the United States, and/or any of their authorized representatives, shall, upon written notice, have the right to audit and examine all of Vendor's records and accounts relating to this Contract and inspect any project performed by the Vendor relating to this Contract. Records subject to audit/review shall include, but are not limited to, all Purchase Orders resulting from this Contract and records which may have a bearing on matters in connection with the Vendor's work for HCDE/CP and/or CP members, and shall be open to inspection and subject to audit/review and/or reproduction by HCDE/CP, CP member, and/or their authorized representative(s) to the extent necessary to adequately permit evaluation and verification of:

5.32.1. Vendor's compliance with this Contract and the requirements of the RFP.

5.32.2. Compliance with procurement laws, policies, and procedures, including, without limitation, reviewing/comparing pricing on invoices for HCDE/CP and/or CP members.

5.32.3. Compliance with provisions for computing billings to HCDE/CP and/or to CP members.

5.32.4. Any other matter related to this Contract.

5.33. **Indemnification**

VENDOR SHALL INDEMNIFY AND HOLD HARMLESS HCDE/CP AND EACH CP MEMBER, INCLUDING HCDE'S AND CP MEMBERS' TRUSTEES, OFFICERS, ADMINISTRATORS, EMPLOYEES, AND AGENTS, FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM ACTS OR OMISSIONS OF VENDOR, VENDOR'S EMPLOYEES, AGENTS, OR SUBCONTRACTORS, IN CONNECTION WITH THIS CONTRACT, INCLUDING WITHOUT LIMITATION, THOSE ARISING FROM CLAIMED INFRINGEMENT OF ANY PATENTS, TRADEMARKS, COPYRIGHT OR OTHER CORRESPONDING RIGHT(S) WHICH IS RELATED TO ANY ITEM VENDOR IS REQUIRED TO DELIVER. VENDOR'S OBLIGATIONS UNDER THIS CLAUSE SHALL SURVIVE ACCEPTANCE AND PAYMENT BY HCDE/CP OR THE CP MEMBER.

5.34. **Governing Law and Exclusive Venue**
The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Contract. Any dispute under this Contract involving HCDE/CP must be brought exclusively in the state and federal courts located in Houston, Harris County, Texas. Any dispute not involving HCDE/CP but involving a CP member and Vendor shall be governed by the laws of the state of the CP member, without regard to its provisions on conflicts of laws, and exclusive jurisdiction and venue shall lie in the city, county, and state of the CP member.

5.35. **Multiple Contract Awards; Non-Exclusivity**
HCDE/CP reserves the right to award multiple contracts under the RFP, including multiple contracts for each product/service category. Product/Service categories are established at the sole discretion of HCDE/CP. Nothing in this Contract may be construed to imply that Vendor has the exclusive right to provide products and/or services to HCDE/CP and/or CP members. During the Term of this Contract, HCDE/CP and CP members reserve the right to use all available resources to procure other products and/or services as needed and doing so will not violate any rights of Vendor. In the event that a Vendor has an existing HCDE/CP contract in the same contract title, upon award the new contract will immediately supersede the older contract.

5.36. **New Products**
New products that meet the specifications detailed in the RFP may be added to this Contract, with prior written approval from HCDE/CP. Pricing of any new products shall be equivalent to the percentage discount or proposed prices for other similar products. Vendor may replace or add products to the contract if: the replacing products are equal to or superior to the original products offered or discounted in a similar degree or to a greater degree and the products meet the requirements of the RFP. No products may be added to avoid competitive procurement procedures. HCDE/CP may reject any proposed additions, without cause, in its sole discretion.

5.37. **No Substitution; Product Recall**
Any Purchase Order issued pursuant to this Contract shall conform to the specifications and descriptions identified in this Contract and the RFP. Vendor shall not deliver substitutes without prior written authorization from HCDE/CP or the CP member.

If a product recall is instituted on any good that has been furnished and delivered to HCDE/CP or any CP member, Vendor must immediately (i.e., within 24 hours but preferably sooner) notify the purchasing agent of HCDE/CP and the purchasing CP member by e-mail or in writing and must include all pertinent information relating to the recall. If Vendor is unable to contact the purchasing agent, Vendor must contact the Director of Purchasing of HCDE/CP and the purchasing CP member. Vendor will be responsible for all costs associated with replacing the recalled product, including replacement cost, shipping charges, etc. This requirement shall survive payment and acceptance of the goods.

5.38. **Penalties**
If the Vendor is unable to provide the product(s) or services at the prices quoted in Vendor's proposal or if Vendor fails to fulfill or abide by the terms and conditions of the Contract, the RFP, or a Supplemental Contract, HCDE/CP or the CP member may take the following action(s), in the sole discretion of HCDE/CP or the CP member, and Vendor agrees to comply with the chosen action(s):

5.38.1 Insist that the Vendor honor the quoted price(s) specified in Vendor's proposal or the Supplemental Contract, as applicable;
5.38.2 Have the Vendor pay the difference between the Vendor's price and the price of the next acceptable proposal, as determined by HCDE/CP or the CP member;
5.38.3 Have the Vendor pay the difference between Vendor's price and the actual purchase price of the product or service on the open market; and/or
5.38.4 Recommend to HCDE Board of Trustees that the Vendor no longer be given the opportunity to submit a proposal to HCDE/CP and/or that this Contract be terminated.

5.39. **Promotion of Contract Marketing Plan**
The marketing of Vendor's company, product, and/or services shall be the sole responsibility of Vendor. HCDE/CP may only supply Vendor with CP members' contact lists that contain name, address, phone numbers, and/or email addresses. Other items geared toward the joint-marketing of HCDE/CP and Vendor's company, product, and/or services shall be at HCDE/CP's sole discretion. Encouraging CP members to circumvent this Contract by purchasing directly from Vendor may result in suspension or termination of this Contract. For so long as this Contract is valid and

enforceable between the parties, Vendor agrees to display the CP seal in its marketing collateral materials, such as Vendor's website and related marketing materials. Vendor shall submit all promotional materials to HCDE/CP and obtain written approval before Vendor finalizes or publishes promotional material bearing the HCDE/CP or HCDE/CP name or seal. Vendor may not release any press release or other publication regarding this Contract or HCDE/CP unless and until HCDE/CP first approves the press release or publication in writing.

5.40. **Website Support**
Vendor agrees to cooperate with HCDE/CP in publicizing contract particulars on the CP website. Vendor also agrees to work with HCDE/CP in updating and maintaining current information on Vendor activities related to the Contract on the CP website. Vendor agrees to provide an electronic version of its logo for use on the CP website upon Contract award and provide other information as reasonably requested by HCDE/CP to help ensure that the CP website is current and consistently updated.

5.41. **Safety**
Vendor, its subcontractor(s), and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Contract, including, without limitation, those promulgated by HCDE/CP, CP members, and by the Occupational Safety and Health Administration ("OSHA"). In case of conflict, the most stringent safety requirements shall govern. Vendor shall comply with all other safety guidelines and standards as required by HCDE/CP or CP members. Vendor shall indemnify and hold HCDE/CP and/or the CP member harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Vendor's obligations under this provision.

5.42. **Workforce**
Vendor shall employ only orderly and competent workers, skilled in the performance of the services, if any, which shall be performed under this Contract. Vendor, its employees, subcontractors, and subcontractor's employees may not use or possess any firearms, alcoholic or other intoxicating beverages, illegal drugs or controlled substances while on the job or on HCDE/CP and CP members' property, nor may such workers be intoxicated or under the influence of alcohol or drugs on HCDE/CP and CP members' property.

5.43. **Supplemental Contracts**
A CP member and Vendor may enter into a separate, Supplemental Contract. Any Supplemental Contract developed as a result of this Contract and/or the RFP is exclusively between the CP member and Vendor and shall have no effect or impact on HCDE, any other CP member, or this Contract. Any Supplemental Contract between Vendor and a CP member is exclusively between that specific CP member and Vendor and will be subject to immediate cancellation by the CP member (without penalty to the CP member) if, in the opinion of the CP member, the quality, service, and specification requirements, and/or the terms and conditions are not maintained as stated in the Supplemental Contract. Vendor shall promptly notify HCDE/CP of any Supplemental Contract executed between Vendor and a CP member.

5.44. **Insurance**
Vendor is required to provide HCDE/CP and/or the CP member with copies of certificates of insurance, naming HCDE/CP and/or the CP member as additional insured's for Texas Workers Compensation and General Liability Insurance, **within 14 business days of contract award and prior to the commencement of any work under this Contract.** Certificates of Insurance, name and address of Vendor, the limits of liability, the effective dates of each policy, and policy number shall be delivered to HCDE/CP and/or the CP member prior to commencement of any work under this Contract. The insurance company insuring Vendor shall be licensed in the State of Texas or the state in which the CP member is located, and shall be acceptable to HCDE/CP and/or the CP member. Vendor shall give HCDE/CP or the CP member a **minimum of ten (10) days'** notice prior to any modifications or cancellation of said policies of insurance. Vendor shall require all subcontractors performing any work under or relating to this Contract to maintain coverage as specified below. Vendor shall, at all times during the Term of this Contract, maintain insurance coverage with not less than the type and requirements shown below. If the CP member has higher insurance requirements than those listed below, such may be added to the Purchase Order. Such insurance is to be provided at the sole cost of the Vendor. These requirements do not establish limits of Vendor's liability.

All policies of insurance shall waive all rights of subrogation against HCDE, CP members, and HCDE/CP and CP members' officers, employees and agents.

Upon request, certified copies of original insurance policies shall be furnished to HCDE/CP and/or to CP members.

Vendor acknowledges and agrees that continued participation in the HCDE/CP cooperative purchasing program is subject to HCDE/CP's sole discretion and that Vendor may be removed from the HCDE/CP program at any time, with or without cause, in HCDE/CP's sole discretion. All work resulting from this Contract must cease immediately after completion of the final accepted Purchase Order. Nothing in this Contract or in any other communication between HCDE/CP and Vendor may be construed as a guarantee that HCDE/CP or CP members will submit any Purchase Order to Vendor at any time.

At a minimum, to continue participation in the HCDE/CP cooperative purchasing program, Vendor must:

5.46. **No Agency or Endorsements**

It is the intention of the parties to this Contract that Vendor is independent of HCDE/CP and CP members, is an independent contractor, and is not an employee, agent, joint venturer, or partner of HCDE/CP or any CP member. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE/CP and Vendor, any CP member and Vendor, HCDE/CP and any of Vendor's agents, or any CP member and any of Vendor's agents. Vendor has no power or authority to assume or create any obligation or responsibility on behalf of HCDE/CP or any CP member, and HCDE/CP and HCE members have no power or authority to assume or create any obligation or responsibility on behalf of Vendor. This Contract shall not be construed to create or imply any partnership, agency, or joint venture, nor shall it be construed or deemed an endorsement of a specific company or product. Vendor agrees that HCDE/CP and CP members have no responsibility for any conduct of any of Vendor's employees, agents, representatives, contractors, or subcontractors.

5.47. **Equal Opportunity**

It is the policy of HCDE/CP not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Vendor agrees not to discriminate against any employee or

applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

5.48. **Force Majeure**

Neither HCDE, any CP member, or Vendor shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond HCDE, any CP member, or Vendor's control.

HCDE, CP members, and Vendor are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other parties in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Contract has not been terminated. Delay or failure of performance, by either party to this Contract, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. HCDE, CP members, and Vendor shall not have any claim for damages against any other party resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Contract, in the event the Vendor's performance of its obligations under this Contract is delayed or stopped by a force majeure event, HCDE/CP shall have the option to terminate this Contract. This section shall not be interpreted as to limit or otherwise modify any of HCDE's or CP members' contractual, legal, or equitable rights.

5.49. **Severability**

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

5.50. **Waiver**

No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

5.51. **Entire Agreement**

The Contract, the RFP, Vendor's proposal submitted in response to the RFP, the attached and incorporated attachments, addendum, and/or exhibits, if any, and the Supplemental Contract, if any, contain the entire agreement of the parties relative to the purpose(s) of the Contract and supersede any other representations, agreements, arrangements, negotiations, or understandings, oral or written, between the parties to this Contract. In the event of a conflict between this Contract and the RFP or Vendor's proposal submitted in response to the RFP, this Contract shall control. In the event of a conflict between the RFP and Vendor's proposal submitted in response to the RFP, the RFP shall control. This Contract supersedes any conflicting terms and conditions on any Purchase Order, invoices, checks, order acknowledgements, forms, purchase orders, or similar commercial documents relating hereto and which may be issued by Vendor after the Effective Date of this Contract.

In addition to this Contract, a Supplemental Contract between Vendor and the CP member may be established to further detail the terms and conditions of the CP member's specific project. In the event of a conflict between this Contract and the Supplemental Contract, as to HCDE, this Contract shall prevail. In the event of a conflict between this Contract and the Supplemental Contract, as to the CP member, the Supplemental Contract shall prevail unless the Supplemental Contract states otherwise.

5.52. **Interpretation**
Vendor agrees that the normal rules of construction that requires that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.

5.53. **Notice**
Any notice provided under the terms of this Contract by the parties to any other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed to the party at the address listed in the signature line of this Contract. Notice shall be deemed effective upon receipt. Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party by certified mail, return receipt requested.

5.54. **Captions**
The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

5.55. **Certifications**

a. Vendor hereby certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State.
b. If (a) Vendor is not a sole proprietorship; (b) Vendor has ten (10) or more full-time employees; and (c) this Agreement has a value of $100,000 or more, the following certification shall apply; otherwise, this certification is not required. Pursuant to Chapter 2270 of the Texas Government Code, Vendor hereby certifies and verifies that neither the Vendor, nor any affiliate, subsidiary, or parent company of the Vendor, if any (the "Vendor Companies"), boycotts Israel, and the Contractor agrees that the Vendor and Vendor Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.
c. Vendor certifies and agrees that it shall not assist an employee, contractor, or agent of HCDE or of any other school district in obtaining a new job if the Vendor knows, or has probable cause to believe, that the individual engaged in sexual misconduct regarding a minor or student in violation of the law. Routine transmission of an administrative or personnel file does not violate this prohibition. *See* HCDE Policy CJ (Legal) and (Local).

5.56. **USDA/TDA Special Terms and Conditions**
The following terms and conditions apply to all procurements and purchases involving federal School Nutrition Program funds. In the event of a conflict or inconsistency between the following terms and conditions and any provision of the Agreement, the procurement solicitation issued by HCDE, or the portion of Vendor's proposal submitted in response to HCDE's procurement solicitation that is satisfactory to HCDE, the following terms and conditions shall control.

5.56.1 **Market Basket Analysis**
HCDE/CP reserves the right, in its sole discretion, to use a "Market Basket Analysis" method, as that term is defined by applicable USDA/TDA regulations and guidance. The Market Basket Analysis sample is established to represent 75% of the total estimated value of the Contract. The most recent velocity/sales report(s) from HCDE/CP's current supplier(s) was used to project the balance of the year and adjusted for any estimated change in menu and participation for the following year. As a result, this list of [100] goods to be purchased under this procurement solicitation and any resulting Contract includes the top [60] goods purchased by dollar volume representing the 75% threshold. Prices for the remaining [40] goods listed in this procurement solicitation should also be included, though they will not be a part of the Market Basket Analysis. The Market Basket Analysis shall not be used for service or equipment contracts/procurement solicitations or for Fee-For-Service Processing contracts.

5.56.2 **Material Change**
If a material change (as the term is defined by TDA rules and regulations) to a contract entered into between HCDE/CP and Vendor occurs, then the contract will not be renewed upon the conclusion of its term. Upon the expiration of the term, HCDE/CP may issue a new RFP for the goods or services procured under the

previously-existing contract. Material change for purposes of this Section 5.56.2 means a modification that substantially exceeds the terms of the original contract between HCDE/CP and Vendor.

5.56.3 **Supplemental Contracts**
Supplemental Contracts are entered into pursuant to the piggyback method delineated in the U.S. Department of Agriculture directive SP 35-2012. Should the "piggybacking" result in a material change to the Contract, HCDE/CP will proceed under Section 5.56.2 of this RFP.

5.56.4 **New Products**
During the Term of a Contract awarded under this RFP, additional purchases not included in the original RFP list and resulting awarded contract may become necessary and benefit HCDE/CP members. Vendor and HCDE/CP agree that the aggregate value of added purchases during each year of the Contract (if renewed) shall not exceed 10% of the estimated total value of the Contract. The total value of the Contract must be agreed upon, and the dollar value listed in the Contract and each renewal term of the Contract (if any). For purposes of this section, the total value of the Contract includes all contracts awarded as a result of the procurement solicitation to all vendors. For the initial Term of a Contract awarded under this RFP, Vendor and HCDE/CP agree that the total value of the Contract shall be $200 million. Additions of new products may be included in the awarded Contract list during the renewal of the Contract through an amendment to the Contract, and the total Contract value adjusted accordingly. For each renewal term of the Contract, the total actual value of the Contract in the preceding year and the additional new product(s) made during that Term will be the basis for determining the maximum dollar amount (not to exceed 10%) of the additional new product(s) that will be allowed during the next Contract renewal term.

5.56.5 **Bonds**
Vendor shall provide all bonds, including bid guarantee, performance bond, and payment bond, as applicable under U.S. Department of Agriculture and/or Texas Department of Agriculture rules.

5.56.6 **Use by Other Governmental Entities**
In the event that HCDE/CP allows other governmental entities to "piggyback" onto any existing contract between HCDE and Vendor entered into pursuant to this procurement solicitation, Vendor agrees and understands that such other governmental entities may include "school food authorities," as that term is used in SP 35-2012. Should the "piggybacking" result in a material change to the Agreement for purposes of USDA/TDA purchases, HCDE/CP will proceed under the foregoing section entitled "Material Changes."

5.56.7 **No Guarantee of Quantities**
Quantities for purchases paid for with School Nutrition Program funds are subject to change for various reasons, which include, but are not limited to the following: USDA commodity allocation(s), variations in student population, production item substitution(s), changes in consumer taste or expectations, pricing, and nutrition regulatory changes.

5.56.8 **Buy American Act**
The Buy American Act, set forth in 7 C.F.R. Part 210.21(d), requires that participants in the National School Lunch Program and School Breakfast Program use the federal nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for Program meals. 7 CFR Part 210.21(d) defines a "domestic commodity or product" as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. "Substantially" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Because many HCDE/CP members participate in the National School Lunch Program and School Breakfast Program, HCDE/CP requires Vendor to certify whether its products are "domestic commodities or products", as defined by 7 C.F.R. Part 210.21(d). Accordingly, Vendor agrees to provide certification and any necessary documentation requested by HCDE/CP member that the food product was processed in the U.S. and the percentage of U.S. content, by weight or volume, in the food component of processed food products supplied to HCDE/CP members. A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 C.F.R. 210.21(d). "Substantially" means that over 51 percent of the final processed product

consists of agricultural commodities that were grown domestically. When USDA Foods items are manufactured into processed end products, 51% of resulting food products must be of United States origin.

Vendor certifies that Vendor shall provide food products that meet the Buy American provision. Vendor further certifies that, in compliance with the Buy American provision, its products are "domestic commodities or products" as defined by 7 C.F.R. § 210.21(d). Vendor further certifies that the food products it supplies are processed in the U.S. and Vendor shall certify the percentage of U.S. content, by weight or volume, in the food component of processed food products supplied to the District.

If Vendor is repetitively unable to provide domestic food products, HCDE/CP member may require Vendor to provide evidence that Vendor is capable of fulfilling the terms and conditions of the Contract and specifically, the Buy American provision. If HCDE/CP member determines that Vendor is not capable of fulfilling the terms and conditions of the Contract and/or specifically, the Buy American provision, HCDE/CP member may terminate its Contract with Vendor. Vendor shall provide documentation that demonstrates that food products meet the Buy American provision.

Vendor must notify the District if a delivery contains non-domestic products, so the District may approve delivery as an exception to the Buy American provision. Vendor certifies that it will adhere to the notification requirements for the Buy American provision.

Exceptions to the Buy American provision should be used as a last resort; however, an alternative or exception may be approved by the CP member, upon request, by occurrence (i.e., delivery). Blanket exception approvals are not allowed. The District must determine that the use of a non-domestic food product is appropriate, using the USDA-prescribed questions in making the decision. *See* "Requirements for an Exception," ARM Section 17b Buy American, at p. 19 (August 12, 2020). Vendor agrees to provide information to the District that will assist the District in this determination. The decision to purchase or accept delivery of a non-US product must be made by the District. Vendor agrees to comply with all requirements imposed by applicable law, USDA/TDA guidance, and the District concerning Buy American provision exceptions.

Vendor further agrees to provide HCDE/CP members with documentation verifying that a domestic product is not available and the cost range is reasonable within a reasonable time upon request by HCDE/CP members.

In the event Vendor or Vendor's supplier(s) are unable or unwilling to certify compliance with the Buy American Provision, or the applicability of an exception to the Buy American provision, HCDE/CP members may decide not to purchase from Vendor and/or HCDE/CP may terminate the Contract if Vendor is incapable of fulfilling the terms and conditions of the Contract, including the Buy American requirements.

Additionally, HCDE/CP members may require country of origin on all products and invoices submitted for payment by Vendor, and Vendor agrees to comply with any such requirement.

5.56.9 **Records Retention**

When school nutrition program funds are expended by HCDE or any CP member pursuant to this Contract, Vendor certifies that it will comply with the record retention requirements promulgated by USDA/TDA. Vendor further certifies that Vendor will retain all records as required by USDA/TDA for a period of five (5) years after the end of the fiscal year to which the documentation/records pertain. Vendor further certifies that these records must be accessible to appropriate HCDE/CP member and federal or state reviewers. See TDA ARMS Manual, 17.107.

6.0 SCOPE OF PROPOSAL

6.1. It is the intention of HCDE/CP to establish one or more contracts to furnish and/or deliver Technology Products and Services.

6.2. Vendors are requested to submit a proposal offering their total line of available products and services that are commonly purchased by governmental entities and school districts. Vendors MUST offer any applicable terms and conditions for any additional product or service. HCDE/CP reserves the right to accept or reject any items included by Vendor in this section.

Awards will be made to the successful Vendor(s) for the total line of products and services submitted. Proposals can be made for any or all services and products described herein. The terms and conditions listed below apply to all categories and lots within the Technology Products and Services. Each category and lot contains additional terms, conditions, and specifications. If there is a conflict between category or lot terms and conditions and those listed below, the category or lot terms and conditions shall take precedence.

6.2.1. **Vendor is required to ensure that the Purchase Order includes the following, as applicable:**

a) The contract number, lump sum price, start date, schedule, and notice to proceed. The schedule will include the mobilization, materials purchase, installation and delivery, design, weather, and site cleanup and inspection. No additional claims may be made for delays as a result of these items.

b) The date for commencing services and/or delivery of products ("work"). Upon commencing work, the Vendor will proceed diligently toward contract completion. Any delay in the work beyond the Vendor's control must be reported to the CP member's authorized representative immediately.

c) Compensation for received products, terms of progress payments, and a schedule of payments. The CP member retains the right to extend the schedule of work/delivery time or to suspend the work and to direct the Vendor to resume work when appropriate. The Purchase Order must describe an equitable adjustment for added costs caused by any suspension. Any increases will be invoiced through HCDE/CP as allowed in the Contract or RFP.

d) A schedule for performance of work that can be met without planned overtime, which shall be Vendor's responsibility.

e) Monthly progress reports must be given to the CP member by the Vendor. The specifics of what is reported should be described in the Purchase Order.

f) Terms for acceptance by the CP member and title to work must be clearly agreed upon and described. If any part of the work requires the CP member to assume control prior to the completion, this must be defined. Vendor and the CP member must agree on the definition of what constitutes final acceptance before payment of any retained compensation.

6.2.2. After the Purchase Order is signed, a copy of the Purchase Order shall be sent to HCDE/CP at ecatalog@choicepartners.org

6.2.3. Each individual Purchase Order may be limited to work at a single facility and will describe the Scope of Work to be performed. Descriptions may be written, by sketch, and/or by drawing and should include the location where work is to be performed, whether work may be performed during Regular Hours, the project completion time, and the price to be paid for the work.

6.2.4. The Vendor shall perform the scope of work within the project completion time and for the fixed price of the Purchase Order.

6.2.5. No work shall be performed until a written Purchase Order has been signed by the Vendor and the CP member. Any work performed under a Purchase Order before the Vendor's receipt of the written Purchase Order is at the Vendor's risk.

6.2.6. The Vendor is required to perform all work under a Purchase Order which has been issued and received before the expiration date of this Contract. If the Purchase Order is not received by the Vendor before the expiration date of this Contract, the Purchase Order will be considered cancelled. Purchase Orders sent in the last 30 days of a Term should be sent "Return Receipt Requested". Any Purchase Order issued during the Term of the Contract and not completed before the expiration date of the Contract must be completed within the completion/delivery time stated in the Purchase Order, and the rights and obligations of the Vendor and the CP member with respect to the Purchase Order will be the same as if the Purchase Order were completed during the Term of the Contract.

6.2.7. The Vendor may not refuse to perform any project requested by a CP member unless such project is unlawful.

6.2.8. The CP member also reserves the right not to issue a Purchase Order if in its best interest. The Vendor shall not recover any costs arising out of or related to the development of the Purchase Order.

For our document conversion services, we perform a survey at CP member's site. The survey details the volume of documents to be scanned as well as the indexing criteria and target system of record. We then deliver a proposal and price estimate which includes an assumptions section and statement of work to be signed by CP member prior to commencement of services.
For our software offerings, we perform a technical analysis with line-of-business employees and their technical staff to determine a CP member's business need for a document capture, management or automation technologies. CP members receive a quotation for software licensing as well as professional services associated with implementation, development and support.

5.0 CONTRACT TERMS AND CONDITIONS

These Contract Terms and Conditions are part of the final contract in each product and/or service contract awarded as a result of this RFP and are part of the terms and conditions of each Purchase Order or proposal forms issued in connection with this RFP. Vendors are responsible for identifying any exceptions to these terms and conditions. **ANY EXCEPTIONS MUST BE NOTED DIRECTLY BELOW EACH OF THE RESPECTIVE TERMS AND CONDITIONS, REDLINED IN "RED" AND UPLOADED INTO THE RESPONSE ATTACHEMENTS SECTION OF THE EBID SUBMISSION.** Proposals that are qualified with conditional clauses, items not called for, or other irregularities may be considered non-responsive by HCDE/CP and eliminated from further consideration.

CONTRACT BETWEEN
HARRIS COUNTY DEPARTMENT OF EDUCATION AND
Xerox Business Solutions Southwest("VENDOR")
FOR
TECHNOLOGY PRODUCTS AND SERVICES

This Contract is entered into between HCDE/CP and Vendor, having submitted a proposal in response to this RFP issued by HCDE/CP and whose proposal has been accepted and awarded by HCDE. In consideration of the mutual covenants and conditions contained in this Contract and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, HCDE/CP and Vendor, intending to be legally bound, and subject to the terms, conditions, and provisions of this Contract, agree as follows:

5.1. **Definitions**
The terms used in this Contract shall have the meanings assigned to them in **Section 1.0 Notice of Intent** of the RFP.

5.2. **Use of Contract by CP members**
Vendor agrees and understands that this RFP and Contract may be used to accomplish work for HCDE/CP, a local governmental entity. Vendor further agrees and understands that this RFP and Contract may also be utilized by CP members pursuant to the piggyback method, as contemplated in the U.S. Department of Agriculture Memorandum SP 35-2012, *Procuring Services of Purchasing Cooperatives, Group Purchasing Organizations, Group Buying Organizations, etc.* ("SP 35-2012). Vendor agrees and understands that CP members include "school food authorities," as that term is used in SP 35-2012.

5.3. **Contract Terms; Amendment**
The terms and conditions of this Contract shall govern all procurements conducted hereunder. No pre-published terms on Vendor's Purchase Order, acknowledgments, invoices, or other forms shall have any force or effect unless expressly agreed to by the CP member and Vendor. No amendment of this Contract shall be permitted unless and until first approved in writing by HCDE/CP and, if necessary, the CP member(s), and no such amendment shall have any effect unless and until a written amendment to this Contract is executed by the HCDE Superintendent or his designee after any necessary approvals have been obtained from the HCDE Board of Trustees. In the event that a Vendor has an existing HCDE/CP contract in the same contract title, upon award the new contract will immediately supersede the older contract.

5.4. **Term of Contract; Renewal of Contract**
The initial term of this Contract is for a period of one (1) year, with HCDE/CP having the option to renew the Contract for three (3) additional one-year terms, at HCDE's sole discretion, unless otherwise specified in **Section 6.0 Scope of Proposal**. Consequently, the total term of the Contract may be for a period of **four (4)** years. The phrase "Term" in this Contract shall mean the then-current Term of the Contract, whether an initial term or a renewal term.

5.5. **Termination of Contract; Survival**
This Contract shall remain in effect until (1) the Contract expires by its terms or (2) the Contract is terminated by mutual consent of HCDE/CP and Vendor. All Supplemental Contracts, purchase orders, and/or orders for goods or services issued by HCDE and/or CP members and accepted by Vendor shall survive the expiration or termination of this Contract. During the term of any Supplemental Contract entered into between Vendor and a CP member, all terms of this Contract shall continue to apply to the Supplemental Contract.

In the event of a breach or default of the Contract and/or the RFP by Vendor, HCDE/CP reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of HCDE/CP and/or CP members. HCDE/CP further reserves the right to terminate the Contract immediately in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the RFP, this Contract, and/or a Purchase Order; (2) make any payments owed; or (3) otherwise perform in accordance with this Contract and/or the RFP. HCDE/CP also reserves the right to terminate the Contract immediately, with written notice to Vendor, if HCDE/CP believes, in its sole discretion that it is in the best interest of HCDE/CP and/or CP members to do so.

In the event that a material change to the terms of the Contract occurs, then the Contract shall be allowed to expire and shall not be renewed upon the conclusion of the Contract's term. The phrase "material change" in this paragraph shall mean a modification that substantially exceeds the terms of the original contract between HCDE/CP and Vendor. Upon the expiration of the Contract's term, HCDE/CP may issue a new RFP for the goods or services procured under the previous contract.

Vendor agrees that HCDE/CP shall not be liable for damages in the event that HCDE/CP declares Vendor to be in default or breach of this Contract and/or the RFP. Vendor further agrees that upon termination of the Contract for any reason, Vendor shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Vendor.

5.6. **Prevailing Wage Rates**

Vendor and all subcontractors of Vendor shall comply with all laws regarding prevailing wage rates, including, but not limited to, TEX. GOV'T. CODE Chapter 2258, applicable to the construction of a public work, and any related federal requirements, including the DAVIS-BACON ACT. In the event TEX. GOV'T. CODE Chapter 2258 applies to a product or service provided by Vendor to HCDE/CP or a CP member, Vendor and any subcontractor(s) shall comply with the prevailing wage rates set by HCDE/CP or the CP member.

5.7. **Change Orders**

Pursuant to TEX. EDUC. CODE § 44.0411(a), for HCDE/CP and CP members that are Texas school districts, if a change in plans or specifications is necessary after the performance of a Purchase Order has begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the CP member may approve change orders making the changes. The total Purchase Order price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants. The CP member may grant general authority to an administrative official to approve the change orders. A Purchase Order with an original contract price of $1 million or more may not be increased under TEX. EDUC. CODE § 44.0411(a) by more than 25 percent. If a change order for a Purchase Order with an original contract price of less than $1 million increases the contract amount to $1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

5.8. **Compliance with Laws**

Vendor shall comply with all applicable federal, state, and local laws, statutes, ordinances, standards, orders, rules, and regulations, including, as applicable, workers' compensation laws; minimum and maximum salary and wage statutes and regulations; prompt payment and licensing laws and regulations; anti-discrimination statutes and regulations (Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 C.F.R. For the entire duration of this Contract, Vendor and all subcontractors shall also comply with all requirements pertaining to local, state, or federal health and safety certifications, licensing, or regulations. Vendor must comply with all state and local building code requirements unless otherwise specifically provided in the CP member's Purchase Order, and Vendor must pay all fees and charges for connections to outside services and for use of property outside the project site. The states of individual CP members may have regulations and laws that govern payment retention and progress payments for public projects. Vendor is responsible for being acquainted with and complying with each state's requirements. When required or requested by HCDE/CP or a CP member, Vendor shall furnish HCDE/CP and/or the CP member with satisfactory proof of Vendor's compliance with this provision.

5.9. **Confidentiality**

CODE Section 22.0834: (a) state criminal history record information from a law enforcement or criminal justice agency or a private entity that is a consumer reporting agency governed by the Fair Credit Reporting Act (15 U.S.C. Section 1681 et seq.) for each covered employee of Vendor employed before January 1, 2008; and (b) national criminal history record information for each employee of Vendor employed on or after January 1, 2008. Vendor must also obtain similar certifications of compliance with TEX. EDUC. CODE, Chapter 22 requirements from any subcontractors on the form provided herein. Covered employees with disqualifying criminal history are prohibited from serving at HCDE/CP or at CP school district members' locations; Vendor and any subcontracting entity may not permit a covered employee to provide services at a school if the employee has been convicted of a felony or misdemeanor offense that would prevent a person from being employed under TEX. EDUC. CODE § 22.085(a) (i.e., Title 5 felony or an offense requiring registration as a sex offender and victim was under 18 years of age or was enrolled in a public school at the time the offense occurred). Tex. Educ. Code §§ 22.0834(a-1), .08341. The criminal history record information review obligation applies only if Vendor contracts with HCDE/CP to provide services; it does not apply to a contract for the purchase of goods, products or real estate.

Vendor shall respond to requests for customer support within one (1) business day after receipt of the request. 5.17.2. State and Local Transaction Privilege Taxes – The CP member is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sales of products and are the sole responsibility of Vendor, as the seller, to remit. Failure to remit taxes from HCDE/CP and/or the CP member, as the buyer, does not relieve Vendor, as the seller, from its obligation to remit taxes.

5.18. **State of Texas Franchise Tax**
By submitting a proposal in response to the RFP, Vendor certifies that Vendor is not currently delinquent in Vendor's payment of any franchise taxes or other taxes owed to the State of Texas.

For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.
c. Vendor certifies and agrees that it shall not assist an employee, contractor, or agent of HCDE or of any other school district in obtaining a new job if the Vendor knows, or has probable cause to believe, that the individual engaged in sexual misconduct regarding a minor or student in violation of the law. Routine transmission of an administrative or personnel file does not violate this prohibition. *See* HCDE Policy CJ (Legal) and (Local).

5.56. **USDA/TDA Special Terms and Conditions**
The following terms and conditions apply to all procurements and purchases involving federal School Nutrition Program funds. In the event of a conflict or inconsistency between the following terms and conditions and any provision of the Agreement, the procurement solicitation issued by HCDE, or the portion of Vendor's proposal submitted in response to HCDE's procurement solicitation that is satisfactory to HCDE, the following terms and conditions shall control.

5.56.1 **Market Basket Analysis**
HCDE/CP reserves the right, in its sole discretion, to use a "Market Basket Analysis" method, as that term is defined by applicable USDA/TDA regulations and guidance. The Market Basket Analysis sample is established to represent 75% of the total estimated value of the Contract. The most recent velocity/sales report(s) from HCDE/CP's current supplier(s) was used to project the balance of the year and adjusted for any estimated change in menu and participation for the following year. As a result, this list of [100] goods to be purchased under this procurement solicitation and any resulting Contract includes the top [60] goods purchased by dollar volume representing the 75% threshold. Prices for the remaining [40] goods listed in this procurement solicitation should also be included, though they will not be a part of the Market Basket Analysis. The Market Basket Analysis shall not be used for service or equipment contracts/procurement solicitations or for Fee-For-Service Processing contracts.

5.56.2 **Material Change**
If a material change (as the term is defined by TDA rules and regulations) to a contract entered into between HCDE/CP and Vendor occurs, then the contract will not be renewed upon the conclusion of its term. Upon the expiration of the term, HCDE/CP may issue a new RFP for the goods or services procured under the

previously-existing contract. Material change for purposes of this Section 5.56.2 means a modification that substantially exceeds the terms of the original contract between HCDE/CP and Vendor.

5.56.3 **Supplemental Contracts**
Supplemental Contracts are entered into pursuant to the piggyback method delineated in the U.S. Department of Agriculture directive SP 35-2012. Should the "piggybacking" result in a material change to the Contract, HCDE/CP will proceed under Section 5.56.2 of this RFP.

5.56.4 **New Products**
During the Term of a Contract awarded under this RFP, additional purchases not included in the original RFP list and resulting awarded contract may become necessary and benefit HCDE/CP members. Vendor and HCDE/CP agree that the aggregate value of added purchases during each year of the Contract (if renewed) shall not exceed 10% of the estimated total value of the Contract. The total value of the Contract must be agreed upon, and the dollar value listed in the Contract and each renewal term of the Contract (if any). For purposes of this section, the total value of the Contract includes all contracts awarded as a result of the procurement solicitation to all vendors. For the initial Term of a Contract awarded under this RFP, Vendor and HCDE/CP agree that the total value of the Contract shall be $200 million. Additions of new products may be included in the awarded Contract list during the renewal of the Contract through an amendment to the Contract, and the total Contract value adjusted accordingly. For each renewal term of the Contract, the total actual value of the Contract in the preceding year and the additional new product(s) made during that Term will be the basis for determining the maximum dollar amount (not to exceed 10%) of the additional new product(s) that will be allowed during the next Contract renewal term.

5.56.5 **Bonds**
Vendor shall provide all bonds, including bid guarantee, performance bond, and payment bond, as applicable under U.S. Department of Agriculture and/or Texas Department of Agriculture rules.

5.56.6 **Use by Other Governmental Entities**
In the event that HCDE/CP allows other governmental entities to "piggyback" onto any existing contract between HCDE and Vendor entered into pursuant to this procurement solicitation, Vendor agrees and understands that such other governmental entities may include "school food authorities," as that term is used in SP 35-2012. Should the "piggybacking" result in a material change to the Agreement for purposes of USDA/TDA purchases, HCDE/CP will proceed under the foregoing section entitled "Material Changes."

5.56.7 **No Guarantee of Quantities**
Quantities for purchases paid for with School Nutrition Program funds are subject to change for various reasons, which include, but are not limited to the following: USDA commodity allocation(s), variations in student population, production item substitution(s), changes in consumer taste or expectations, pricing, and nutrition regulatory changes.

5.56.8 **Buy American Act**
The Buy American Act, set forth in 7 C.F.R. Part 210.21(d), requires that participants in the National School Lunch Program and School Breakfast Program use the federal nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for Program meals. 7 CFR Part 210.21(d) defines a "domestic commodity or product" as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. "Substantially" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Because many HCDE/CP members participate in the National School Lunch Program and School Breakfast Program, HCDE/CP requires Vendor to certify whether its products are "domestic commodities or products", as defined by 7 C.F.R. Part 210.21(d). Accordingly, Vendor agrees to provide certification and any necessary documentation requested by HCDE/CP member that the food product was processed in the U.S. and the percentage of U.S. content, by weight or volume, in the food component of processed food products supplied to HCDE/CP members. A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 C.F.R. 210.21(d). "Substantially" means that over 51 percent of the final processed product

consists of agricultural commodities that were grown domestically. When USDA Foods items are manufactured into processed end products, 51% of resulting food products must be of United States origin.

Vendor certifies that Vendor shall provide food products that meet the Buy American provision. Vendor further certifies that, in compliance with the Buy American provision, its products are "domestic commodities or products" as defined by 7 C.F.R. § 210.21(d). Vendor further certifies that the food products it supplies are processed in the U.S. and Vendor shall certify the percentage of U.S. content, by weight or volume, in the food component of processed food products supplied to the District.

If Vendor is repetitively unable to provide domestic food products, HCDE/CP member may require Vendor to provide evidence that Vendor is capable of fulfilling the terms and conditions of the Contract and specifically, the Buy American provision. If HCDE/CP member determines that Vendor is not capable of fulfilling the terms and conditions of the Contract and/or specifically, the Buy American provision, HCDE/CP member may terminate its Contract with Vendor. Vendor shall provide documentation that demonstrates that food products meet the Buy American provision.

Vendor must notify the District if a delivery contains non-domestic products, so the District may approve delivery as an exception to the Buy American provision. Vendor certifies that it will adhere to the notification requirements for the Buy American provision.

Exceptions to the Buy American provision should be used as a last resort; however, an alternative or exception may be approved by the CP member, upon request, by occurrence (i.e., delivery). Blanket exception approvals are not allowed. The District must determine that the use of a non-domestic food product is appropriate, using the USDA-prescribed questions in making the decision. *See* "Requirements for an Exception," ARM Section 17b Buy American, at p. 19 (August 12, 2020). Vendor agrees to provide information to the District that will assist the District in this determination. The decision to purchase or accept delivery of a non-US product must be made by the District. Vendor agrees to comply with all requirements imposed by applicable law, USDA/TDA guidance, and the District concerning Buy American provision exceptions.

Vendor further agrees to provide HCDE/CP members with documentation verifying that a domestic product is not available and the cost range is reasonable within a reasonable time upon request by HCDE/CP members.

In the event Vendor or Vendor's supplier(s) are unable or unwilling to certify compliance with the Buy American Provision, or the applicability of an exception to the Buy American provision, HCDE/CP members may decide not to purchase from Vendor and/or HCDE/CP may terminate the Contract if Vendor is incapable of fulfilling the terms and conditions of the Contract, including the Buy American requirements.

Additionally, HCDE/CP members may require country of origin on all products and invoices submitted for payment by Vendor, and Vendor agrees to comply with any such requirement.

5.56.9 **Records Retention**

When school nutrition program funds are expended by HCDE or any CP member pursuant to this Contract, Vendor certifies that it will comply with the record retention requirements promulgated by USDA/TDA. Vendor further certifies that Vendor will retain all records as required by USDA/TDA for a period of five (5) years after the end of the fiscal year to which the documentation/records pertain. Vendor further certifies that these records must be accessible to appropriate HCDE/CP member and federal or state reviewers. See TDA ARMS Manual, 17.107.

6.0 SCOPE OF PROPOSAL

6.1. It is the intention of HCDE/CP to establish one or more contracts to furnish and/or deliver Technology Products and Services.

6.2. Vendors are requested to submit a proposal offering their total line of available products and services that are commonly purchased by governmental entities and school districts. Vendors MUST offer any applicable terms and conditions for any additional product or service. HCDE/CP reserves the right to accept or reject any items included by Vendor in this section.

Awards will be made to the successful Vendor(s) for the total line of products and services submitted. Proposals can be made for any or all services and products described herein. The terms and conditions listed below apply to all categories and lots within the Technology Products and Services. Each category and lot contains additional terms, conditions, and specifications. If there is a conflict between category or lot terms and conditions and those listed below, the category or lot terms and conditions shall take precedence.

6.2.1. **Vendor is required to ensure that the Purchase Order includes the following, as applicable:**

a) The contract number, lump sum price, start date, schedule, and notice to proceed. The schedule will include the mobilization, materials purchase, installation and delivery, design, weather, and site cleanup and inspection. No additional claims may be made for delays as a result of these items.

b) The date for commencing services and/or delivery of products ("work"). Upon commencing work, the Vendor will proceed diligently toward contract completion. Any delay in the work beyond the Vendor's control must be reported to the CP member's authorized representative immediately.

c) Compensation for received products, terms of progress payments, and a schedule of payments. The CP member retains the right to extend the schedule of work/delivery time or to suspend the work and to direct the Vendor to resume work when appropriate. The Purchase Order must describe an equitable adjustment for added costs caused by any suspension. Any increases will be invoiced through HCDE/CP as allowed in the Contract or RFP.

d) A schedule for performance of work that can be met without planned overtime, which shall be Vendor's responsibility.

e) Monthly progress reports must be given to the CP member by the Vendor. The specifics of what is reported should be described in the Purchase Order.

f) Terms for acceptance by the CP member and title to work must be clearly agreed upon and described. If any part of the work requires the CP member to assume control prior to the completion, this must be defined. Vendor and the CP member must agree on the definition of what constitutes final acceptance before payment of any retained compensation.

6.2.2. After the Purchase Order is signed, a copy of the Purchase Order shall be sent to HCDE/CP at ecatalog@choicepartners.org

6.2.3. Each individual Purchase Order may be limited to work at a single facility and will describe the Scope of Work to be performed. Descriptions may be written, by sketch, and/or by drawing and should include the location where work is to be performed, whether work may be performed during Regular Hours, the project completion time, and the price to be paid for the work.

6.2.4. The Vendor shall perform the scope of work within the project completion time and for the fixed price of the Purchase Order.

6.2.5. No work shall be performed until a written Purchase Order has been signed by the Vendor and the CP member. Any work performed under a Purchase Order before the Vendor's receipt of the written Purchase Order is at the Vendor's risk.

6.2.6. The Vendor is required to perform all work under a Purchase Order which has been issued and received before the expiration date of this Contract. If the Purchase Order is not received by the Vendor before the expiration date of this Contract, the Purchase Order will be considered cancelled. Purchase Orders sent in the last 30 days of a Term should be sent "Return Receipt Requested". Any Purchase Order issued during the Term of the Contract and not completed before the expiration date of the Contract must be completed within the completion/delivery time stated in the Purchase Order, and the rights and obligations of the Vendor and the CP member with respect to the Purchase Order will be the same as if the Purchase Order were completed during the Term of the Contract.

6.2.7. The Vendor may not refuse to perform any project requested by a CP member unless such project is unlawful.

6.2.8. The CP member also reserves the right not to issue a Purchase Order if in its best interest. The Vendor shall not recover any costs arising out of or related to the development of the Purchase Order.

The following provisions are required and apply when federal funds are expended by HCDE or any CP member for any contract resulting from this procurement process. In the event of a conflict or inconsistency between the following terms and conditions and any provision of any contract, agreement, or Purchase Order, the following terms and conditions shall control. Accordingly, the parties agree that the following terms and conditions apply to the Contract/PO between HCDE or any CP member and Vendor in all situations where Vendor has been paid or will be paid with federal funds:

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000 (2 CFR §200.320), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when federal funds are expended by HCDE or any CP member, HCDE/CP member reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

HCDE/CP member also reserve the right to terminate the contract immediately, with written notice to vendor, for convenience, if HCDE/CP member believes, in its sole discretion that it is in the best interest of HCDE/CP member to do so. The vendor will be compensated for work performed and accepted and goods accepted by HCDE/CP member as of the termination date if the contract is terminated for convenience of HCDE/CP member. Any award under this procurement process is not exclusive and HCDE/CP member reserves the right to purchase goods and services from other vendors when it is in the best interest of HCDE/CP member.

In addition, contractors must be required to pay wages not less than once a week. Executive Summary

Revolution Data Systems (hereinafter also referred to as RDS) is pleased to provide this proposal to Waller County Clerk (hereinafter also referred to as WCC). This proposal outlines the efforts to digitize WCC's land records collection spanning from 1817 to 1993. The initiative involves meticulously scanning each document and indexing each record to facilitate seamless integration into the County's Tyler Technologies software, ensuring efficient searchability and retrieval.

Our Story

What Sets Us Apart?

No Data Left Behind Guarantee:

We implement a rigorous multi-stage review process by our skilled RDS employees. Every piece of information is double-checked for maximum precision. Any discrepancies identified are immediately addressed to enhance the reliability of your data. This is our dedication to achieving the highest standards of data accuracy, ensuring no piece of information is overlooked.

Image Quality:

Our document scanning equipment and software is fine tuned for historical documents. All images are run through our proprietary imaging software and manually checked by operators to identify poor quality images. Operators manually adjust each section of poor-quality images to produce the most legible image possible.

White Glove Treatment:

All operations conducted by RDS technicians strictly adhere to the American Institute for Conservation's (AIC) Code of Ethics and Guidelines for Practice, ensuring the highest standards of professional conduct and service. All operators are deeply experienced in the art of museum-grade digitization and preservation. Their expertise stems from a wealth of experience accrued from handling fragile documents for a diverse range of clients, including government offices, educational institutions, religious dioceses, and professional archivists. Thus, every document entrusted to us receives the equivalent of a 'white-glove treatment', handled with the utmost care and respect it deserves.

Our Services

Our services are tailored for the unique needs of County Clerks. In your pivotal role, you oversee a vast and invaluable repository of documents that form the backbone of our community's history, legal framework, and administrative functions. Recognizing the critical nature of your responsibilities, we are dedicated to assisting you in preserving, managing, and optimizing these vital records.

Document Scanning

Scanning is the process of converting paper documents to a digital format. County clerks manage a large variety of paper types and sizes. Our team has the equipment and experience to handle any document type from legal documents to oversized plats and maps.

Document Preservation

Document preservation prevents further wear and tear of historical documents and makes sure they will be in use forever. Without treatment, paper documents will eventually become illegible over time.

Document Restoration

Document restoration services turn back the clock on paper documents and ensure they are usable for centuries to come. Paper documents deteriorate after years of use and handling. Restoration brings these documents back to their original state for long-term preservation.

Document Image Enhancement

Document image enhancement improves the clarity and readability of scanned images. We deploy image enhancement software and techniques that significantly improve image quality after document scanning. This stage is critical when dealing with historical records, especially photostats, handwritten documents, seals, and signatures. Our software developers have fine-tuned our proprietary software over multiple decades and tens of millions of scanned images.

Document Indexing

Document indexing helps organize digital documents so that users can quickly and easily retrieve information based on predetermined index fields. The fields used to organize documents vary based on document type, software used, and county requirements.

Document Redaction

County clerks are responsible for public-facing documents that contain a large amount of sensitive information. Our redaction services ensure that all information is safeguarded from cybercriminals and that documents are secure for public use.

What Our Clients Are Saying About Us

"We were extremely happy with the quality and service of Revolution Data Systems throughout our scanning project. This was a multi-year engagement with a lot of moving parts."

Becky Buie - Pike County Chancery Clerk

Assumptions

The following assumptions are based on a survey conducted by Olivia Fenelon and Chris Forstall on April 23, 2024. Please thoroughly examine each detail, noting that these are preliminary estimates and may change depending on the actual scope of the project.

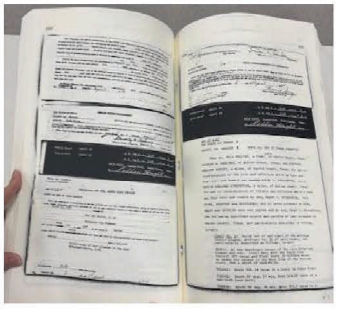
Deed Records Books: all books are copy books.

- Date range: 1817 – 1993
- Book range: A – H;1 – 475
    - Books A – H (G&H are 1 book) and books 1 – 43 are handwritten copy books (originals in storage facility on site)
    - Books 44 – 200 are transcript books
    - Books 169 – 192: the file stamp is a photostat (see image below)



- **Total books:** 482
- Estimated number of pages per book:
    - Books A – 192: average 650 images per book
    - Books 193 – 241: average 800 images per book

- Estimated pages per instrument:
    - Books A – 200: average 3 images per instrument for an estimated total of 44,983
        - No unique symbol showing the separation of instruments
    - Books 201 – 475: average 2.5 images per instrument for an estimated total of 103,670
- **Total Page Count: 394,925**
- **Total Instrument Count: 148,653**

Statement of Work

Digitization Services

RDS will scan, digitally enhance, and fully index all land records for import into the County's software system.

Scanning:

- Records will be scanned at 300dpi to ensure high quality scanned images.
- Quality Assurance: Our QA process has multiple safeguards and manual processes in place to ensure every page in every book is accounted for.
    - QA Step 1: Data extraction: Our document capture software automatically extracts page numbers and document numbers during scanning so that operators can verify page counts, page numbers, irregular scans, and document numbers. Its machine learning functionality recognizes pattern interruptions and presents operators with a work queue of all images that need checking.
    - QA Step 2: Manual verification: Our scanner operators/preppers also manually sight check every single scanned image in an image viewer on 27" HD monitors. The last page and the total number of pages in each book is verified against the scanned images folder. If the page count does not match or pages are found to be out of order, the operator rectifies the error (if possible) or flags the book and provides a detailed report.
    - QA Step 3: After initial round of manual verification, RDS operators switch stations and manually sight verify once again.

Archival Image Enhancement:

Each scanned record will be enhanced using the following automated and manual processes to ensure the highest quality images possible:

- Deskewing: If the orientation of paper fed into scanners is slightly off-center, the resulting digital image may be skewed and needs to be straightened before QC and further processing.
- Image cropping: Cropping removes unneeded borders, makes the image easier to read and reduces the file size for more efficient storage. Our software auto-crop functionality processes large volumes of files accurately.
- Automatic contrast: Scanned images of old documents often require adjustments in their contrast to make the words more legible. Our enhancement tools can

automatically detect issues in contrast and adjust the relative lightness and darkness of different areas of the page and adjust them to more uniform levels.

- Despeckle images: Old documents with an uneven page tone result in scanned images with high levels of 'noise' or unnecessary speckles on the final image. Our despeckling algorithms remove noise and produce a superior quality final image with an even tone.
- Manual Enhancement: Most record collections contain pages that are barely legible that require special care. Our specialists take each image and manually enhance each section of the page to make sure every letter, stamp, date, signature is as legible as humanly possible.
- Photostat Enhancement: RDS will reverse polarity, remove borders, and enhance sections such as signatures, stamps, and seals. Our proprietary photostat enhancement software handles a large portion of these steps. After automated steps, RDS operators will manually enhance each section of the photostatic images.

Document Indexing:

- **Indexing Rule Building**. RDS will interview your staff via email and phone calls to create a set of rules to apply across the entire collection of land records. This step is the most important as each data field is mapped out for our data entry team. Once the rules are created, RDS will index a sample of instruments and provide them to you for final signoff.
- **Indexing of Land Instruments.** Data entry specialists will index each instrument to capture all necessary data including:
    - Grantor
    - Grantee
    - Section
    - Township
    - Range
- **Exceptions Reporting**. Historical record collections often include incomplete or illegible data. These are labeled as exceptions. RDS will provide an Exceptions Report to County that details all exceptions. County will have the ability to correct exceptions before data is loaded into their system.
- **Data Formatting and Output.** RDS will format the data for import into County's system. RDS will send all data and associated digital images to County's software provider. Tyler Technologies will load the data to the County's land records management system.

Project Location:

RDS will transport the records to their secure scanning facility in Dallas, TX. RDS will work with Client to determine exact dates/times for each pickup/delivery.

Records Access:

It is extremely important that operations are not affected during projects. When a county employee or researcher needs a document in our possession, our document request team fulfills orders in (15) minutes or less by sending a digital copy of the requested document(s). To request a record, email **RecordRequests@revolutiondatasystems.com** with the required book and page numbers. Optionally, call (945) 235-8600 to speak to a live operator. Our operators are available Monday through Friday from 8:00 AM to 4:30 PM CST.

Statement of Grant Award

FY24 Formula Grant

Grant Number:	212-24-237
Grantee Name:	Waller County
Program Title:	Formula Grant Program
Grant Period:	10/01/2023-9/30/2024
Grant Award Amount:	$45,868

The Texas Indigent Defense Commission (Commission) has awarded the above-referenced grant for indigent defense services. Formula Grants are provided by the Commission to meet its statutory mandates and to promote Texas counties' compliance with standards adopted by the Commission.

Grant Calculation:

- The sum of $15,000 plus;
- A calculation applied to the funds budgeted for FY2024 formula grants by the Commission based:
  - 50 percent on the County's percent of state population; and
  - 50 percent on the County's percent of statewide FY 2023 direct indigent defense expenditures (as defined in Title 1, Part 8, Texas Administrative Code Sec. 173.202(1)-(3)):
    - less discretionary funds provided by the Commission for expenditures defined in Title 1, Part 8, Texas Administrative Code Sec. 173.202(1)-(3)
    - less the reimbursed costs of operating a regional program
    - The baseline requirements contained in the Request for Applications do not apply to counties with a 2000 Census population of less than 10,000 but do apply to all other counties.
- The County shall not receive more in funds than what was actually spent by the county in the prior year.

Standard Grant Conditions:

- The authorized official for the grantee accepts the grant award.
- The authorized official, financial officer, and program director, referred to below as grant officials, agree to the terms of the grant as written in the FY24 Formula Grant Program Request for Applications issued in September 2023, including the rules and documents adopted by reference in the Commission on Indigent Defense's Grant Rules in Title 1, Part 8, Chapter 173, Texas Administrative Code.
- The grant officials understand that a violation of any term of the grant may result in the Commission placing a temporary hold on grant funds, permanently de-obligating all or part of the grant funds, requiring reimbursement for funds already spent, or barring the organization from receiving future grants.
- Disbursement of funds is always subject to the availability of funds.
- Any plan documents submitted to the Commission must continue to meet all grant eligibility requirements.

WALLER COUNTY

Robert Pechukas
Director of Policy and Administration

MEMORANDUM

To: Commissioner's Court

From: Robert Pechukas

Date: August 15, 2025

Subject: Survey Services for Mathews Park

Waller County is currently working to acquire land, known to us as "Mathews Park", and title insurance is needed for this acquisition. In order to obtain said insurance, the County must obtain a survey of the land, which we currently do not have.

Commissioner Smith and I reviewed multiple firms to provide this service to us, all of whom have had prior experience in working with both Commissioner Smith or myself. We reviewed experience, ability to provide services, and ability to provide delivery in a timely manner as this is a time sensitive acquisition. EHRA ranked highest based on the requirements previously noted.

I recommend awarding survey services to EHRA for this project.
