Planning Commission recommendations - 1) Prior to approval of the final plat, the developer shall at his own expense address and resolve any issues of fence encroachments with adjoining property owners; 2) A statement shall be placed on the Final Plat and each individual purchase agreement to notify future homeowners of adjacent residential/agricultural properties that could exhibit noises and smells that are typical of a rural/agricultural area. as per the Georgia Realtors Disclosure Statement as follows: It is the policy of this state and this community to conserve, protect, and encourage the development and improvement of farm and forest land for the production of food, fiber, and other products, and also for its natural and environmental value. This notice is to inform prospective property owners or other persons or entities leasing or acquiring an interest in real property that property in which they are about to acquire an interest lies within, partially within, or adjacent to an area zoned, used, or identified for farm and forest activities and that farm and forest activities occur in the area. Such farm and forest activities may include intensive operations that cause discomfort and inconveniences that involve, but are not limited to, noises, odors, fumes, dust, smoke, insects, operations of machinery during any 24-hour period, storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides, and pesticides. One or more of these inconveniences may occur as the result of farm or forest activities which are in conformance with existing laws and regulations and accepted customs and standards; 3) A decorative fence with a blend of trees and shrubs in front of the fence shall be installed along the right of way. Provided the trees on the westerly frontage are not removed, only a fence will be required in that area and no additional trees; 4) Install an entrance sign for the neighborhood.
