MINUTES
CITY OF WAUPUN COMMUNITY DEVELOPMENT
AUTHORITY
Waupun City Hall – 201 E. Main Street, Waupun WI
Tuesday, November 18, 2025 at 7:45 AM

The meeting is called to order at 7:45 am by Chairperson, Mayor Rohn Bishop.

Roll call was taken. Members present include: Mayor Rohn Bishop; Derek Drews (onlin); Steve Daute (online); Gary DeJager, Cassandra Verhage (online), Sue Vandeberg, Bobbi Jo Kunz. Also present, Administrator Schlieve, and Assistant Administrator Langenfeld.

No one is present for public comment.

Motion DeJager, second Kunz to approve the Minutes from the October 21, 2025 CDA meeting. Carried unanimously.

Moiton Kunz, second VerHage to approve the October 2025 CDA Financial Report. Carried unanimously.

Administrator Schlieve reviews the 2026 Façade Improvement application, noting that there are no significant changes to the application. Motion DeJager, second Kunz to approve the application as presented. Carried unanimously.

Administrator Schlieve discusses the future of TID 3. The expenditure period for the program, which funds CDA activity ends June 1, 2027. There are a number of priorities that the TID is obligated to financial support, including existing debt payments, support for the WRNC match, the northside alley project and associated incentives for property owners. That leaves approximately \$50K to \$60K of funds remaining for the existing grant program. To continue the work of the CDA, Schlieve recommends the creation of a Revolving Loan Fund, citing the WRNC model as a model that is working to support business startup and expansion. Schlieve reviews financials and indicates that roughly \$250K of funds could be set aside for the creation of such a fund. After discussion, the grant determines that CDA goals should establish the \$250K RLF as outlined and that the final year of grants for the CDA should be 2026. Mayor Bishop emphasizes that he wishes to support some placemaking activity in 2026 as part of the grant process. Motion DeJager, second Kunz to finalize the CDA budget with following key priorities: 1) Debt service, 2) North side alley reconstruction and incentives; 3) grants for 2026; 4) WRNC support; 5) Establish an RLF in the amount of \$250,000. Carries unanimously.

Administrator Schlieve provides an update. A meeting with property and business owners along the north side of 300 and 400 E Main on the alley reconstruction project is complete. Schlieve notes that input from the property owners is needed by December 1 on their private improvement decisions. The WRNC continues to offer revolving loan funds through 2026. A significant amount of work has been done with a group of business owners on the Main Street Cohort project. The group has been working to establish a sustainable organizational structure and has a draft of bylaws. Schlieve notes that if implemented, the structure could have impacts on how the BID functions. Schlieve reminds the group that WEDC will be in Waupun on January 6th as part of the project, and that members are asked to attend parts of that session. A full agenda is forthcoming by early December. The annual Main Street awards program will be held March 19 in Wausau, and the City will be submitting the Hoya Hop House project for consideration. Finally, the new strategic plan for Envision has entrepreneurship development as a main pillar. Schlieve notes that there is significant work happening to define how programs like Ignite Rural and more will be supported through this plan.

Motion Kunz, second Vandeberg to adjourn the meeting at 8:03 am. Carried unanimously.

WAUPUN
CITY OF SCULPTURE

2026 Waupun Community Development Authority Downtown Revitalization Grant

PURPOSE

- Stimulate private investment in high-quality building facade improvements that contribute to the overall strength of downtown as a shopping and dining destination
- Grow the tax base within Tax Increment District 3
- Attract and retain more small retail, restaurant, high density office, and destination locations to our downtown

The Downtown Revitalization Grant Program is available to property owners and businesses within the City of Waupun's Tax Increment District 3 (TID 3). As a matching grant program, the CDA will reimburse the grantee for up to 50% of expenses, with a maximum award of \$5,000. The CDA reserves the right under this program to exceed the maximum grant amount on a case-by-case basis. Applicants are eligible for only one grant award per assessed parcel every two years, unless otherwise approved by the CDA. Exception will be granted to multiple business entities located on a single tax parcel. The Downtown Revitalization Grant Program may be used in conjunction with the Business Improvement District's Façade Improvement Program. **The deadline to complete work under this program in December 31, 2026. No extensions will be granted.**

APPLICANT ELIGIBILITY

- The property must be located within TID 3 boundaries, see attached map
- Property owners and tenants are eligible to apply; joint applications are encouraged
- Tenants must have a minimum of 1 year remaining on current lease from the date of application
- Properties zoned residential are not eligible
- Tax exempt properties are not eligible
- Properties will not be eligible if any special assessments, real estate or personal property taxes, utility bills, or other city charges are delinquent
- Applicants located within the Business Improvement District (BID) must first apply to the BID through their Façade Improvement Program. If a BID grant is awarded, the CDA will consider the portion of the application not covered by the BID award. In this case the CDA would reimburse the grantee for up to 50% of the remaining expenses, with a maximum award of \$5,000.

ELIGIBLE IMPROVEMENTS

Improvements shall be visible from the exterior of the building, must comply with all building and zoning requirements, and must be in conformance with the Central Business District Design Guidelines (Waupun Municipal Code Chapter 25, attached). Special consideration will be given to projects that have the ability to generate significant tax increment.

Eligible improvements include but are not limited to:

- Façade Renovations
- Painting, tuck-pointing, masonry repairs
- Signage
- Doors
- Windows
- Awnings

- Deck Construction or Repair
- Outdoor Seating
- Exterior Lighting
- Labor for eligible improvements provided by a hired contractor
- Other activities designated by the CDA

INELIGIBLE IMPROVEMENTS

- General Maintenance
- Interior Improvements **Exceptions will be granted for projects that have the ability to generate significant tax increment*
- Parking Lot Construction or Repair
- Roof Repairs
- Landscaping
- Property acquisition
- Any improvements completed prior to receiving grant approval

APPLICATION SUBMITTAL AND REVIEW PROCESS

- a. Applications are distributed and collected by the CDA.
- b. Prior to submission, applicants must receive project approval by the Building Inspector.
- c. Prior to submission, applicants must obtain Cost Estimates*, Property Photos, a Project Plan drawn to ¼" scale, and Paint/Material Samples. **Program funds come from local tax revenues to support local projects. Although not required, it is appreciated if applicants consider obtaining bids from local contractors in preparing their application.*
- d. Completed applications are reviewed on an as needed basis by the CDA, which has discretion over the program. Applicants must attend the scheduled CDA meeting.
- e. Notification of approval/denial will be provided to the applicant by the CDA within 7 days of the scheduled CDA meeting. Note that the project must be approved prior to any of the work taking place.
- f. Changes to an approved project must be reviewed and approved by the City Administrator. Additional approval by the CDA may be deemed necessary. Failure to obtain approval may result in reduction of award amount or grant forfeiture.

PROJECT COMPLETION AND REIMBURSEMENT

- a. Upon project completion, grantee must submit copies of paid invoices and pictures of completed work to CDA for reimbursement.
- b. Only approved eligible expenses will be considered for reimbursement.
- c. The Grant award amount is not a guaranteed payment amount. Final grant payout is based on project costs reflected in actual paid invoices submitted for reimbursement.
- d. Payout will not exceed the maximum grant amount approved by the CDA. If total project costs are less than estimated, the grant reimbursement will be pro-rated in accordance with grant guidelines.
- e. Projects must commence within ninety (90) days and be completed within six (6) months of grant approval unless otherwise approved by the CDA.
- f. All work must complete by December 31, 2026. No extensions will be granted. Projects not completed by the deadline will be considered closed due to incompleteness and grant will be forfeited.
- g. Once grant payout is made, the application will be considered closed and no additional expenses will be allowable.

Municipal permit fees will be invoiced at actual cost, which may differ from estimated allowances, and the buyer agrees to accept any resulting cost adjustments.

Warranty: Signarama warrants to the original purchaser that the monument sign, as manufactured and installed, will be free from defects in materials and workmanship for a period of one (1) year from the installation date. This warranty covers defects in materials, workmanship, electrical components (subject to manufacturer warranties), and fading or peeling of graphics due to defects in materials or workmanship (excluding normal wear).

Warranty Exclusions: This warranty does not cover damage caused by acts of God, vandalism, accidents, improper maintenance, normal wear and tear (including minor scratches, dents, or fading), or electrical surges not attributable to defective installation.

Warranty Claims: The buyer must notify Signarama in writing of any alleged defects within ten (10) business days of discovery. Signarama will inspect the sign and, at its sole discretion, repair or replace covered defects, utilizing new or refurbished components as needed.

Disclaimer: This warranty is the sole and exclusive warranty provided by Signarama and is in lieu of all other warranties, express or implied, including any implied warranties of merchantability or fitness for a particular purpose. Signarama shall not be liable for any incidental or consequential damages. This warranty is non-transferable and applies only to the original purchaser and is valid only upon full payment.

About Main Street

Why Main Street?

A strong Main Street program benefits the entire community, not just businesses located within the downtown. Successful Main Street programs strengthen the whole city by supporting local businesses, increasing investment, enhancing property values, attracting visitors, and creating places where people want to live, work, and spend time.

Through participation in the Wisconsin Economic Development Corporation Main Street Program, communities gain access to proven revitalization strategies, technical assistance, training, and funding opportunities that support long term economic health citywide.

A core goal of Waupun's Main Street effort is to bring all groups together in a more cohesive way to work toward shared goals. Moving forward, our team's efforts are intentionally inclusive and designed to create connections, collaboration, and opportunity across the community.

This work is most effective when it is community driven. There are many ways to be part of what's next, whether through leadership, financial support, volunteering, or idea sharing.

How can I get involved?

- Serve on the Board of Directors to support strategy and governance
- Participate on an Advisory Committee to share expertise and perspective
- Join or support committees focused on economic vitality, events, design, or community engagement
- Assist with targeted projects (business outreach, events, grants, data)
- Volunteer at events or seasonal initiatives
- Contribute professional skills (marketing, finance, design, photography, planning)
- Provide financial support or sponsorships for programs and events
- Share ideas, feedback, and promote Main Street initiatives
- Advocate for community-focused investment and collaboration

Main Street 4 Pillar Approach

Why do the pillars matter?

The four pillars work together to create a vibrant, resilient business environment where all businesses can succeed.

Start Here

We want to hear directly from you!

A thriving downtown starts with all of us. Join in shaping what's next for Waupun. By working together across neighborhoods, businesses, and organizations, we can create a stronger, more connected community.
